The General Fund

All offerings are needed and greatly appreciated but none are more important than the offerings to the General Fund. All offerings not designated go to the General Fund. All salaries, regular monthly expenses of the missionaries, transportation, medical, etc., come out of the General Fund. We need \$30,000 a month in the General Fund just to break even. Please pray for this fund and give regularly to it. We are not averaging \$30,000 a month in this fund at present. We need your help in this matter.

Saturday, June 13th, about 70 from Sao Luis area, went to Anajatuba to organize the mission into a church. They fed us all our supper and at 7:30 p.m. we went to the Church House for the services. We had a short business meeting and three who had fallen into sin were excluded. Two members had died last month. The new church was organized with 13 members. This work was started 10 years ago by the New Hope Baptist Church of which I was pastor. I went to the States and stayed 6 years and Brother Draper led them to buy two lots next door and build a parsonage which is almost finished. Cruzeiro do Sul, Acre June 15, 1987

Dear Brethren,

If variety is the spice of life, then the past few weeks have been very well spiced.

Last month this time I was in Manaus buying supplies, parts and some new equipment for the work. While there I was privileged to preach at Tabernacle Baptist and even helped a little on the new building project.

The next 2 weeks were spent back in the grind. I have been keeping all of our regular church programs going and spending quite a few hours in the shop as well. There have been motors to repair, a new boat to finish, a new trailer built and another boat to paint. All of the work at church and shop, have gone well and possibly the results have been above average.

Last week, Adam, Andrew and I went up the Moa River for a nice long trip. We only spent one week, but went a long distance. On the way to the mountains I visited the church at Peri-Peri and the congregation at Sao Salvador. Since the river is so low this time of year we had to walk from the river into the church at Peri-Peri. We could not get our little canoe up the even smaller creek. The church there continues to do well. Their congregation at Sao Salvador was a pleasant surprise. The folks have a nice little building and there were over 40 in services there.

get our little canoe up the even smaller creek. The church there continues to do well. Their congregation at Sao Salvador was a pleasant surprise. The folks have a nice little building and there were over 40 in services there.

The most exciting part of this trip though was the visit with the believers at the base of the mountains. Let me give you some background information. Twenty years ago when I had just begun my missionary service, was still a single man and was still in seminary, I would always spend my vacations making long trips up the Jurua and Moa Rivers. These trips were usually 3 or 4 weeks and village to village. On the last of these trips up the Moa River there were 2 women saved near the mountains. All this time I had wondered if they had survived. I had wanted to go back, but had never been able. In the past 3 years the churches of Maita and Peri-Peri have been going there at least twice a year and several people have been saved. When I looked up the house where these brethren hold services I had a great surprise. The lady who came out to greet me was one of the 2 who had been saved twenty years ago. Now her family is all saved and many of her neighbors. That night the sky was cloudless, a high full moon above us, the mountains a backdrop for the service. Two of Sister Julia's grand-daughters and the local guitar player, a man of about 40 years, were saved. It is as close to paradise as you can get in this old world.

I can't resist telling one more thing about this trip. The boys and I went fishing in a lake where almost every cast got a strike and over half of the strikes got fish in the canoe. We caught 8 peacock bass among other fish. The largest was 6 pounds.

Rejoice with us and God bless you.

From time to time we receive inquiries from some of our supporters asking about our children, what they are now doing, etc. Last month my wife was able to attend the wedding of our daughter, Teresa. We are now in the rainy season which means we will be experiencing some cooler weather. It also means that our attendance will be affected due to colds and other things. We are hoping to maintain or hold our own.

We have been having first time visitors in almost all of our services. Some get saved and become members of our church. Others we never see again. We pray that through the Word they have heard that they will be saved.

We hope to get our Bible School underway again soon. We have had more of our members to express a desire to know more of God's Word. Please remember this endeavor in prayer. My thanks to all who have given toward our school work.

Until next time, may the Lord richly bless you,

In 1985 CAMPAIGN FOR THE CITIES was launched with a goal to reach two new cities per year.
At that time we were working in five cities. At this time there is permanent work in eleven cities. Eight have new properties, two meet in rented buildings, and one city is reached by bussing. Two of these cities have new properties with houses that can be used for services. Two properties are paid for and waiting for the buildings to be constructed. Two buildings are under construction and one is nearly finished. (See map showing cities and work situation.)

The church in Garca (pronounced garsa) pays the fuel bill for the four busses that operate every week in five cities. Two buildings are under construction. Two lots are waiting for construction - one to be remodeled and the other a new building. Last week two new properties were bought. Another lot (choice corner) was offered and presently there are no funds to purchase. Cost: \$1,900. This would make our 12th city. Present constructions will have to be stopped in the next two weeks if funds do not come in. We do need some large offerings, urgently. Write us or call us that you are going to help. Another month has flown by so very fast. The weather had been rather hot for this time of year. It reminds us of Northern Brazil with the high

humidity. But let us remem-ber that hell is much hotter and final. There are so many going out into eternity without hearing the saving message of the gospel. Are we message of the gospel. Are we doing all we need to be doing to warn them, or is their blood on some of our hands? May God help us to take seriously the gravity of the situation. Satan is making inroads in the Lord's work

inroads in the Lord's work Herold Draper because of our complacency. May God help us to live with eternity's values in view!

In our last letter we made mention of our needs in order to start the new work in Parnaiba. We could use if available around \$10,000 to get established and in operation. Of course, we expect to have a lot less. Is our faith weak or are we thinking negatively? For several months we have made appeals for help to begin this work among 100,000 precious souls. Except for our home church in Sao Luis, Brazil there has been no response. I am trying to analyze the situation and it seems

that the Lord is teaching me the lesson He taught Elijah when he was sent to the widow's house to be fed. Our church is located in one of the poorest

be fed. Our church is located in one of the poorest cities in Brazil and the members are all poor in this world's goods, yet they have given nearly 1,000 towards our work. We only will have about two months before returning when you read this. Would you pray about helping us reach these precious souls with the gospel?

We visited the following churches this month: Grace Baptist Church, Georgetown, Ky., Bill Derossit, pastor; South Lexington Baptist Church, Edward Overbey, pastor; Bohon Rd. Baptist Church, Harrodsburg, Ky., Ken Calia, pastor; Muddy Ford Baptist Church, Georgetown, Ky., Harold Lemay, pastor, Salem Baptist Church, Grayson, Ky., Charles Lybrook, pastor; and the Elizabeth Baptist Church, Charleston, W.V., Eddie King, pastor. We want to thank these churdie King, pastor. We want to thank these churches for their offerings and love. I am trying to find a temporary part time job at the advice of my doctor to get back in physical shape. Also, we have to expert for our proper level when the hope to save for our personal needs when we go back. We are open the last half of July, all of August and September. Please contact us if you want us to come. Pray that the doctor will release us so we can go back at our planned time. God bless you all.

Dear Brethren:

We are doing well, still in the States anxiously awaiting the completion of
Lucy's treatment, so that we

can return to Brazil.
Lucy is steadily improving. After hef last thyroid test, the doctor increased her medication a bit and told her to return in 30 and told her to return in 30 days, for another test and evaluation. So, do pray that soon her treatment will be complete, and that surgery will not be necessary, and that we will be able to return at least by the end of

ches in this area, and I have had the privilege of speaking in several Sunday School Classes and participate in Vacation Bible Schools, sharing about the work in Brazil.

Do remember the 14th of December Baptist Church and dad and mom as they carry on the work there. Do continue to pray for us and contribute as you feel led to the Asa Mark Bratcher Mission Fund as there are several things we would like to take back with us to be used in the work. These are instructions of God to Adam and Eve after He had blessed them (Genesis 1:28). To the Apostles, therefore, to His churches, Jesus said: Go into all the world and make disciples, baptize them and teach them. He blessed them with His Spirit to help them multiply and be fruitful.

Seven students in our Evangelism and Theology Center have gone out two by two and told people how to be saved. People have made professions of faith in their homes. Now, each of the students has chosen an adult member of our church and is teaching them how to tell people about Jesus Christ. And then they return to the homes of persons who have made professions of faith to read the Bible or give them verses of Scriptures typed out, to help them grow in grace.

Sad News . . . Ronaldo Begins New Work . . . Prospects Look Good . . . Work on House Progresses . . . One Saved . . .

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, Mt., Brazil

Dear Brethren

It was sad news that we received a couple of weeks ago when Brother Turner called to tell me that they would not be coming to Cuiaba. We try

that they would not be combined to understand their problem and try to pray for them every day, and trust you all will do the same that the Lord will work out their problems for them and if it be His will that they still wight to the combined they are the combined to the combined the combin might one day return to Brazil. Their not returning may change some of our plans, but the Lord knows all about that also.

Ronaldo, the young man

Bobby Creig

that works with me here, has started a Bible class on Wednesday afternoon on one of the streets near the church. This is for kids, and the first week he had 33. The second week he thought he would not have many because the catholics were having their annual saints days preparation, so he took materials for the same amount that he had the week before. This time he had 44 and the kids asked him if he could not have it more than once a week. He returned very happy and we think this might work out to where we might be able to

might work out to where we might be able to reach some of the parents also.

The walls to the house that the church is building are about up and thus far I have not done any work on it. The house will be a nice size and I hope by the time it is finished the church will have

any work on it. A his included by the time it is finished the church will nave a Brazilian pastor to live in it.

Our attendance is holding about the same and we have had one profession of faith this month. I am to baptize this young man this Sunday night. One bright spot in this work is that our youth group meets every Saturday night and they have been having from 25 to 30 in each meeting.

We still need your prayers that we might know the will of the Lord and then be doing it.
