Brothers and Sisters in Christ,
We arrived in the U.S.A. on June 29th. We have been under three doctors care and are pleased to let you know the Lord has answered prayer and our health is much better. The family is all well and getting along fine. We rejoice in the grace of God, and thank Him for working in our life and our family. We are eager to return to the field of service. We will be leaving August 5, 1987 We will be leaving August 24th, the Lord willing. You pray for us as we return that God will continue to bless our ministry

We want to thank each of you for your prayers

We want to thank each of you for your prayers, letters, cards and telephone calls. You will never know how much they meant to us.

Before coming to the States, we organized Calvary Baptist Mission into Calvary Baptist Church on June 28th. We had 48 charter members. God has blessed this church and brought her through much persecution. We rejoice in the blessings of the Lord.

The Zion Baptist Church is growing, with a membership of 109. In addition to our adults, we have 150 children on Sunday mornings. We had

to split them up into two groups so we could get them all into our building. It is wonderful to see a church outgrow their building. We just praise God for his blessings. The people are growing in the grace and knowledge of our Lord Jesus Christ. They want to serve the Lord.

Our Philippine Independent Baptist Seminary has started a new term with 16 new students. This brings our total to 48 full time students. Praise the

Lord. . . Many times we have been asked, "How can we help?" Here are some of the ways:

(1) Pray for us, and these works.

(2) We need money designated for Henderson's Missions Fund.

(3) We need Bibles.

(3) We need Bibles.

(4) We need books, for the Seminary Library. Any kind of books, fiction, poems, math, religious or non-religious. We need 5,000 to be a recognized and sanctioned by the Philippine government.

(5) We need song books or Sunday School lessons for all ages (don't throw your old ones away). Please send your old books to: John M. Henderson, Missionary, 0694 Baltimore Street, Cainta, Rizal, Philippines, 3107 (marked for donation to mission work).

Again, we thank you for your faithfulness in sharing the gospel with these precious souls in the Philippines.

We have had our problems with sin, with the same ones who were involved a few months past. We have excluded some and some have repented. I baptized five, four came by letter from other Baptists churches, five came for reconciliation and we had 14 to make professions of faith. Yesterday we had two girls saved in the morning services. I baptized their mother. June and I were testimonies at their wedding. Bro. 5,000 BOOKS NEEDED

Brother John Henderson's Bible School in the Philippines needs 5,000 books. This is important for recognition by the government and the goals of this school. It is very important that a school have a good library. These books can be in any area of study. They can be in English since the people of the Philippines can speak English as well as their native language. If you would like to help, please send your books to:

URGENT: PLEASE READ: We need immediately or sooner, 15 (fifteen) churches to give \$1000.00 each toward our new mission work. With this we will build an adequate building to meet in, two simple bathrooms, and dig a well. The work is Yarincocha and it is the only Baptist work in that area. Attendance is picking up and the interest is strong. However, we need a suitable place to meet. Please pray about it and help us as the Lord leads. We must be under roof before November when the rain starts. May God bless November when the rain starts. May God bless you for your help.

Quick Visit to States . . . Plans for Work in Cuiaba . . . Request for Special Prayer

by Bobby Creiglow

Cuiaba, Mt. August 12, 1987

Dear Brethren.

Dear Brethren,
For several months Betty and I had been planning on making a quick trip to the States to visit
some friends, relatives and others. We also
thought we needed to get

some friends, relatives and others. We also thought we needed to get away from the work for a few days to just relax for awhile. So, on July 28th we left Cuiaba going to Sao Paulo from where we embarked for the U.S.A. arriving in Orlando, Florida the next morning early. We arrived in Orlando on Wednesday and was invited by Pastor Doug King to preach for them at the Parkridge Baptist Church in Gotha, which I was happy to do. We staved that night with the Gerald Thomas family and the next day we traveled in our rented car to our daughter Brenda's home in South Carolina. After spending a week with Brenda and her family we traveled to Perryville, Kentucky where we are at this time. We want to visit my

mother this weekend after which we will go to Mississippi to visit our daughter Arlete and her family before returning to Brazil. While here in

family before returning to Brazil. While here in Perryville visiting Arlete and her family it has been a joy to be with them and to help spoil our grandson that we met for the first time.

The work in Cuiaba has been going along about the same and we have not had any souls saved for some time now. Soon after we return home we have a meeting planned with a young preacher coming from Manaus to serve as evangelist. We invited this young man in search once again for a Brazilian pastor for the church, so we will see how it works out this time. Pray for us that we might know the Lord's will and walk therein.

Able to Buy Building . . . 9 Profess Faith in Christ . . Remember "Wacaser Work Fund"...

July 30, 1987

Dear Friends,

Dear Friends,

Have you ever noticed in magazines or newspapers that the editors always put the word "regret" when they have to make a correction or change in their story. Well, in my last letter, I made an error and told you that we had finally rented a building for our services. As it turned out, we received enough funds through gifts and loans to buy the building instead. I have to admit to you that I don't regret the correction but I do thank God for it. The use of the building has been a tremendous help in expanding our outreach. We recently had a series of evangelistic meetings in the building and were

pleased to see 9 folks decide to turn their lives over to Christ. We had a baptism service in a nearby river and now have several more ready to follow in obedience also.

Presently, we are in great need of furnishings and teaching materials for our Bible School classes. If God would have you help, please send your designated offerings to the "Wacaser Work Fond"

Fund."
God has been blessing us by saving souls. We hope to be even more useful in His service and ask that you help us to accomplish that goal.
Yours in Christ's Service,
Bobby and Charlene Wacaser

Paul Washer Preaches First Message in Spanish . . . Several Saved . . . Report on Thanksgiving Conference . . . The Work of Zion Baptist

by Homer Crain

Lima, Peru August 27, 1987

Dear Brethren,
This has been a very busy month for us here in
Peru. I first had to make a trip to Iquitos to see
about the cement mixer and to start the papers to

about the cement mixer and t get it out of customs.

After I got back from Iquitos we had a special ser-vice at the mission to say goodbye to the five young people who came and worked for the summer.

worked for the summer.
Paul Washer preached his first sermon in Spanish and did great. He preached about 15 minutes but weeping all the time. Every one there was blessed and there was not a dry eye in the building. Several were saved.
Two days later I drove across the Andes Mts. again to go to Tingo Maria where I directed the Thanksgiving Conference and preached 3 times.

again to go to Tingo Maria where I directed the Thanksgiving Conference and preached 3 times. The Conference was great. We had over 350 people from the churches of Iquitos, Pucallpa, Huanuco, Aucayacu and Lima. The brethren were encouraged. I thank the Lord that the churches asked me to direct the Conference and gave me the opportunity to preach.

I would like to mention a small church that is growing and doing a great mission work. We organized Zion Baptist Church July 16th, 1983. We had worked with this mission from the time that we arrived in Peru the first part of 1983. They have a building of adobe, metal roof and cement floor. All the work they did themselves. As soon as they were organized they started their first mission. Their mission now has THEIR OWN BUILDING ALSO. They have another mission in the city of PAUCAR where they are now building

their adobe walls and should have the walls finished by now. The pastor led the church to start another mission in Yantag where they have over thirty five in attendance. They have their own lot and plan to build their own building. These people are very poor. The pastors salary is about \$60.00 per month with a wife and two children. Remember to pray for Carlos Gonzalos that the Lord will give me more like him. This same church plans to start another mission in a larger mountain town where they have two families that have moved there and want to get a work started.

Here in Lima we still have the terrorists bombings, killings and destroying the country. This week there have been at least seven bombings here in Lima, plus, the terrorist bombed the train that crosses the Andes Mts. The new Hotel Sheriton was bombed destroying over forty cars.

I still have problems with the lots in Ventanilla. I have an appointment to take the lawyer from the Christian Senator's office to the City Hall where our papers are tied up. He thinks we will be successful. Please pray for us here in Peru. Elizabeth and Melissa are in the USA at this time. They went there for my son Paul's wedding. While there, Elizabeth may have to have a gall bladder operation. She has been with our daughter and son-in-law, Al and Wanda Malo. They have 3 sons and Wanda just gave birth to a beautiful nine pound baby girl. I don't know if Al has come down out of the clouds yet.

Please remember to pray for and give to Crain's New Works and don't forget the work in Chavenillo. Now is the time to build but no help has come yet. We need about \$4000.00 (four thousand). Will you help me help them?

In Jesus' Name, Homer R. Crain

Report on Services at Rio Branco... "Quite a Few" Saved in Cruzeiro do Sul . . .

Cruzeiro do Sul, Acre August 12, 1987

Dear Brethren, The best news this month comes from Rio Bran

The best news this month comes from Rio Branco. Rio Branco is our state capital. It is about 400 miles east of Cruzeiro do Sul. We still do not have a road between the two cities, unless you figure the clay work road that has been pushed through. This road is only open for about a month in the middle of our dry season. Our state is long and parrow. running east-west

in the middle of our dry season. Our state is long and narrow, running east-west. The road, if ever paved, will have to cross at least 6 major rivers. So the only way to Rio Branco is to fly. For this reason I hardly ever go there. Last month Bev and I spent 5 days there. I was invited by the Calvary Baptist Church to help in a revival meeting. This is a small church (an average attendance between 70 and 80) on the outskirts of town. We stayed with some of the members and ate at several homes of members. Most of the churches in Rio Branco are affiliated with a group that places their pastors way above the pastor's true position in the church. They also over emphasize formal education. None of the people knew us, other than what they had heard about the work here in our town. Needless to say they were more than a little tense and apprehensive. Once we got there it didn't take them long to find out that we are just "home folks." The revival came right at the time when the pastor was leaving to become pastor of one of the other

churches in town. The church is only 4 years old and has already had 3 pastors. None of these pastors was chosen by the local body! The timing of the meeting could not have been better. The messages were all directed to the individual Christian and the local church. They seemed to be immediately stimulated and edified. I hope that

Christian and the local church. They seemed to be immediately stimulated and edified. I hope that they were encouraged to carry on, looking more to the Holy Spirit than the human organization that they are involved in.

During the meeting some of the other pastors came out to see what was going on. The pastor of the Emmanuel Baptist Church was one of these. This is the largest Baptist Church in Rio Branco. He got so excited that he worked out an arrangement with Calvary's pastor for me to preach at both churches on Sunday morning. All of this was a special treat for Bev and me. We got to see many of our former members during the 5 days. There are about 100 people in the churches in Rio Branco that were either members of our home church or attended regularly. These people all moved and enlarged the attendance of churches in Rio Branco. Some of our men are deacons and one is pastoring a small mission. We have had quite a few people saved and added to our own church, but with the migration of members to the big" city it is hard to get much bigger. We are glad to share our members with other churches though.

I hope to be useful to the churches in the capital
