rejoice in the Lord, souls are are being changed. We are conducting six dif-ferent weekly Bible studies in new areas. God uses these studies to reach the lost. It is easier to get the people to someone's home for a Bible study, than to the church building. The people suffer building. The people suffer great persecution from the Catholic Priest and other Catholics. We never knew

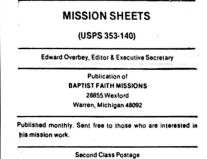

what persecution was until we witnessed it first hand. The priests have control over the people because then ever packet places places they can control the business places, banks, schools, and all government offices. So the priests are very powerful. But in spite of the persecution we have those faithful ones God has set in the church to be the right example. Brother Aguilar is one of the faithful examples. He is 84 years old, he loves the Lord and his new found salvation. He

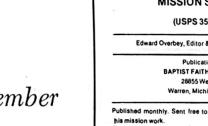

told the priest; no matter what he did to him, he was standing for the Lord and his church, Calvary Baptist Church. "All my life I was in darkness, bound for hell. Jesus brought me to the light and there is no turning back." Brother Aguilar told the priest, after the priest threatened to ruin his business, "My God will take care of me." We just praise God for this faithful member standing for the truth. We have been blessed with visitors in every ser-vice this new year. We just rejoice in God. We received four new members in January, two by transfer and two by baptism. We have many professions of faith but are waiting baptism. Many are still afraid to be baptized. God will add those He wants us to have. So we pray and wait on the Lord. "Ask, and it shall be given you: Seek, and ye shall find: Knock, and it shall be opened unto you." Matthew 7:7 Brethren, we have a need of a building for this

new church. We have a need of a building for this new church. We have prayed and asked God. There is a building about 100 yards from our present location, we need help on the finances. Would you pray with us on this matter and if the Lord would lead you to help, mark your offering-

building in Alvaro de Car-valho, partially due to the rainy season. The building is going to be very lovely. There were 70 persons present at our camp this year. There were young people and adults from six of our works. Thank God for each of you who have a part in sustaining us financially and in prayer. Our thanks to you who have given for the building of new buildings and bus ministry. Some of you have remained anonymous but we thank you.

# The young couple, Carlos and Rose, who work in the city of Cornelio Procopio, are doing great and the work is growing. At present we are working on a VW station wagon and fixing it up to give to Carlos and Rose for their work in Cor-nelio. This will give them transportation to begin work in other statist glower by:

On Friday night, February 12th, our son David, was returning from the campgrounds to Manaus to bring the last group of young people. It was 11:00 p.m., and on a sharp curve a tractor trailer with a drunk driver, came around a very sharp curve and out of control, hit David's Pampa head on. He went over the bank, momentarily knocked out, with his foot caught in the wreckage. Praise the Lord! There were no bones broken and only one gash on the chin which required stitches. Although very much bruised and his body cut in places by the broken glass he is doing fine. Severe bruising of the foot that was caught means that he will be on crutches for 21 days. da

Dear Co-Laborers in Christ, I would like to begin this letter by thanking all who have been praying for me regarding my health problem. My doctor has given me permission to return to the Philippines by mid-March. I'm presently looking for-ward to being reunited with my family and church mem-bers.

So far in the month of January, we had a total of thirty-one who came forward for dedication, salvation and baptism. We also had twenty-five visitors. We have implemented already the goal by families that planned before. Our attendance last Sunday was forty-two and fortu-one today for a services. However, we forty-one today for a.m. services. However, we have nine candidates for baptism." To God be the glory. Great things He has done.

departure for Brazil. This trip is long in coming but we are anxious to get back to the field. We will be writing our last letter from West KY just before our departure. We want to thank all the churches who have supported us in times past and ask that you continue to remember us. We were in the following

churches this month: Logana churches this month: Logana Baptist Church, Nicholasville, KY; Richmond Rd. Baptist Church, Lexington, KY; West End Baptist Church, Lexington, KY; Pleasant Ridge Baptist Church, Lexington, KY; and the Faith Baptist Church, Versailles, KY. We want to thank all these fine churches and pastors for having us speak. We also visited several churches here in the Lexington area to bid them farewell. We had the privilege to sit on the ordination council at the Thompson Road Baptist Church of our brother Steve Bratcher.

By the time you read this her case will be diagnosed. We have no fear or dread about going back to the mission field. The only hardship really is leaving behind our precious loved ones. But we have the prospect of being reunited in glory. Also, today I got the news that my mother is not doing well. We ask that you pray for us that both of these people so dear to us will be stabilized and recovering before we have to go back to Brazil. We don't intend to we have to go back to Brazil. We don't intend to delay our trip again due to the pending deadline

We have, we believe, sufficient funds to begin a new work when we arrive on the field. Bro. Creiglow has found us a house and we are rejoicing in this. May the Lord bless all of you.

the headaches. The trials are when we can't find the materials we need to build, but God always provides. The strain and stress comes from a heavy work load. Three building projects going at the same time, preparing Bible lessons for high school and seminary, pastoring a mission work, and trying to be a good husband and father, all take their toll on the flesh. But again, as I said before, when you see the fruit, like Walter and Juana singing, "I Want To Always Serve The Lord," it makes it all worthwhile. Pray for us please. We really need your prayers. If you can, I ask you to please give to the STAN-TON BUILDING FUND so that we can progress on the new building for our mission work.
