June is Founders Month
Remember Our Missionaries and
Take a Special Offering to Support Them.

Founders Month

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

Brothers and Sisters in Christ,

Pat has had her first experience with food poisoning. For three days she was extremely ill. But now is regaining strength. These are some of the experiences on the mission field that a wife experiences. We had preached back in a remote area. A family had prepared us a meal. Pat was the only one that was stricken ill. She continued to get worse and in a lot of pain. We called Bro. Adams at 5:00 a.m. to see if he had any medicine to relieve Pat's suffering. Bro. Adams then assisted me in finding a doctor to treat Pat. It was comforting to have a brother in Christ to assist us. Well, that is some of the things a missionary has to learn to endure. The many episodes you experience!! I have had several occasions of being ill this year, a blood clot in my left leg, inner ear infection, pneumonia, etc., but we praise God that we are over these

John Henderson

illnesses that rob us of the energy and time to be at work for the Lord.

We are having regular services at San Pabalo, Laguna Mission. We have bought chairs, installed the lights, etc. We have 10 members with 7 awaiting baptism. Please pray for this new mission. We hope to get some song books and a guitar by the end of the month. There is much work to do in this new area. We have been well received in every home that we have visited. Three ladies were saved in the last door to door visitation this week.

We have found and rented a building in Antipolo, Rizal, for our new mission there. The building is small, but we feel God leading to go ahead and take it. We have to clean and fix the light and buy the chairs, etc. To be able to start our regular services on May 1, we witnessed to the Vice Governor of the Providence of Rizal at Antipolo, Mr. Jose Barretto. We met him while looking for a building. He informed us that Antipolo has over 182,000 residents with over 80,000 registered voters. So I misjudged the population in the last Mission Sheet.

Thank you for your love, prayers, support, and your faithfulness in our special needs without you we would not be here.

About 700 in School . . . Several Saved in Two Revivals . . . Needs Concerning Yarinacocha and an old Chevy Bus . . .

by Sheridan Stanton

S. E. Stanton

Pucallpa, Peru
April 21, 1988

Dear Friends,

Another month has come and gone so quickly! Anita, the kids and I, are all in good health and staying very busy. The Lord has been so good to us this past month. I've preached two revival meetings and the Lord blessed in each one with several souls saved and others rededicating their life to the Lord.

The Pucallpa Baptist School started last week so we are back into the old daily routine. Anita is teaching full time this year in the school and I am teaching only part time in some religion classes. The construction of three new classrooms will be finished this week and that will greatly help us with our over crowded classroom situation. The school year has started off well and it looks like we have around 700 students. The Lord continue to bless this work!

Sheridan Stanton

The mission work in Yarinacocha is doing well. Attendance is up now that school vacation is over. The building project is once again at a complete standstill due to lack of funds. We need at least \$5,000.00 at once to put it under a roof so that we can begin using it. Pray about this need with us please.

The Lord has also blessed us this past month with an old Chevy bus. We will use this for a school bus route and also for the mission work on the weekends. The price is \$4,000.00, but they're letting me pay \$200.00 a month until it's paid off. Maybe some church back home would like to take this on as a monthly project and help us out. We sure could use the help.

I'm doing a lot of travelling this month and the next two months taking care of legal matters for the mission. Pray for me as I travel. I don't really enjoy being away from the family so much.

Must close for now. Take care and may God continue to bless each one. Until next month,
Serving the Lord in Peru,
S. E. and Anita Stanton

Preparing to Come Home on Furlough . . . Powerful Evidences of Salvation and Growth . . .

by Bobby Wacaser

April 15, 1988

Dear Friends,

Charlene and I are getting ready to see many of you again and some for the first time. The end of our first term of service is approaching and we will be returning to the U.S. soon. We are looking forward to sharing with you what blessings and experiences we have had during the past three years.

We have been working lately on final details to prepare our new church for our departure. We are anxious to see God work through them in our absence, trusting that they will perform what has been learned from God's Word. We are especially thankful that He has supplied us with a competent pastor and his wife to fill in

Bobby Wacaser

while we are gone. This young Brazilian couple has shown themselves very dedicated and capable of taking on this responsibility and we hope to see much fruit produced through their labor.

I'd like to share some evidences of the growth of this group of new Christians. (1) Several have abandoned the use of drugs. (2) Some have come out of satanic cults to serve Christ. (3) Others have quit living lives of stealing and adultery. (4) As a church they have begun supporting missionaries in other cities. (5) They have begun helping to support their new Brazilian pastor and finally they are being persecuted in their daily lives because of their Christian stand. We are very proud of them and pray that they will be used of God to continue to carry out His work. Continue to pray for their growth and faithfulness.

Dear Brethren,

Our new building is almost finished and one more day should get it ready for the dedication, which is to take place next Saturday. A week ago last Friday was a holiday, so I took a group of young people of the church here to help me with the work. We cleaned, varnished pews and painted both Friday and Saturday and got home just before midnight. Last Saturday I took a larger group with me that scrubbed floors and leveled off the front lawn with hoes and shovels. Last night we got home a little earlier, it was only ten-thirty. Tomorrow is another holiday and I plan to take just a few with me to finish up just a few things that still need to be done. On Saturday we will take a group from the Faith Baptist along with a group from the Good Hope Church to spend the day visiting and inviting the people not only for the dedication service, but for services for the next eight nights of preaching. There will be about forty of them going on the Faith Baptist bus to do that work.

Bobby Creiglow

Brother Candido, the pastor of Faith Baptist Church, will be in charge of this part of the work along with bringing the first message. There will be several of us doing the preaching during the nine days and we are expecting great things from the Lord. I rather imagine He is also expecting something from us.

Brother Harold Draper and his family arrived as we expected on Thursday of this week and it was a joy to receive them at the airport. We have for several weeks now been trying to get a few things ready for their arrival with the hope that their getting settled in would be a little easier. We rented a house for them several weeks ago and tried to clean it up some for them and we put enough beds in it for them to sleep. They will be eating with us until they can buy what they need for housekeeping. One thing I am sure of is that they found things much higher in price than what they expected and since they will be starting all over in a new place having to buy almost everything, they could use any financial help you could give them.

We hope by next month this time we will have found a little time to just rest a little. You just pray for us that we might always be in and doing His will.

In His Love,
Bobby D. Creiglow

The Message from Papillin . . . Lucas Brings Wagner and Four Others . . . Future Plans

by John Hatcher

Garca, Sao Paulo
April 20, 1988

Dear Friends,

In the story of Papillin there is a time in his prison experience, when he nearly dies because of punishment - darkened cell and no food. He dreams that he is walking up the gradual slope of a sand dune. On the crest of the dune are seven judges dressed in their court robes. Papillin was condemned for a crime he did not commit. Seeing the judges he cries with each step that brings him closer to them: "Not guilty, not guilty, not guilty." The chief judge in the center rises and directs his words in a very loud voice to Papillin: "We do not condemn you for the murder of a man. We condemn you for the crime of a wasted life!"

Hearing these words, he lowers his head and sadly repeats, as he goes out of sight on the other side of the dune: "Guilty, guilty, guilty, yes, I am guilty of a wasted life."

This month the cry of my heart to God has been: "Help us to reach more people, more places. Help us to know how to use our time, talents and means to be more productive." I do not want to be guilty of a wasted life when I stand before the Lord.

John Hatcher

Highlights of the Month

School is back in session and there are four new students enrolled. It is very doubtful that all will stick. Once in a while there comes along a winner. One of the new students is from our congregation in Cornelio Procopio. He is a fine young man and looks like he might be a winner.

On April 18th we were in Cornelio Procopio for a special service and there were two young men baptized. Lucas, the older of the two is about 15. Wagner, the younger of the two, age 13, was the fruit of Lucas. After being saved, Lucas visited Wagner and invited him to services. He trusted Christ. A 15 year old boy bringing his friends to Jesus. Yes, I said friends, for at the service he had brought his four sisters. Isn't that wonderful?

First service in new building at Alvaro de Carvalho. The building is not finished, but services have begun. There were 22 present. These services and work is being directed by a man from our church in Garca. His wife and two children are Sunday School teachers; another young lady is the pianist. First service was Sunday, April 17.

Plans are being made to begin services in two more cities in the month of May: Alvinlandia and Ocaucu. Also, as soon as the building is finished in Alvaro de Carvalho (one more month) we hope to begin the building in Marilia.

In Him,
John and Alta Hatcher

Dear Brethren:

This has been a good and busy month with the Lord's blessings upon us. Pastor Ricardo of the Peretoro Baptist died on March 16. I have made two trips there this month. I have sent three different preachers to take care of the services on Sunday. I have been praying about a young man to move there with his family. He told me Sunday that he is not interested in going there to pastor the church. Please pray for the church at Peretoro.

I went to Cantanhede March 22, and spent the night. I bought a mosquito net and thus far have solved the problem about sleeping out. We had a good service.

George Bean

I went to Anajatuba March 26, and spent the night, the church is about the same.

New Hope Baptist Church, we had a series of meetings April 7-11 with Bro. Padua preaching for us on Thursday; Friday, Bro. Trindade; Saturday, Bro. Silvester; Sunday, Bro. Raimundo Osmar. Monday, April 11, New Hope Baptist celebrated 22 years of preaching and teaching the World's Greatest Story that has ever been told, the story of Jesus that never grows old. Bro. Dempsey Henderson preached a glorious message on Baptist Succession and then the church served everyone present a piece of birthday cake and Coca Cola. We are working on the apartment at New Hope Baptist that will serve for a house for the pastor to live in.

We have a church building to build at Anil Mission, also a building at Cantanhede. It looks like we are going to have three building projects going at the same time. Pray for us and give as the Lord leads you on one of our building projects.

May the Lord bless each one is our prayer.

Report on the Works in the Places of the Four "Saints" . . . Numbers Saved in Various Works During the Month . . . The Wickedness of Carnaval . . .

by Mike Creiglow

Caixa Postal 24
Cruzeiro do Sul, Acre 69.980
March 21, 1988

Dear Brethren,

Some of the best news this month comes from Santa Rosa. I am talking about a place called Santa Rosa and not the lady saint herself! Four of our preachers work in villages with very saintly names: Santa Rosa, Santo Antonio, Sao Pedro and Sao Domingos. The other preachers give these four a hard way to go, asking why they want to preach in places that are already so holy! Early this month we took a nice group of our people there for the dedication of the new building. There were also several from other churches in the area. There were over 200 there for this special service. There were 2 people saved that night.

Sao Pedro is another location where Brother Edson Damaceno and his group have started a new mission point. The first services there have been attended by around 80 people. There have been 3 people saved so far.

Mike Creiglow

The 2 main works downriver are doing well and being worked consistently. Brother Carlos takes teams down to Guajara and Sacado every week. A few have been saved at both villages. The church at Sacado celebrated her anniversary this past month. One person was saved and another came confessing sin during that service.

We had 2 more saved here at First Baptist Church this month. One of these lives over 200 miles upriver. While talking to him after services he emphasized how he knew that he was lost. This is encouraging to me in a time and world where so few ever realize they are lost or find out what it is to be saved. Many make professions of faith, but few show fruits. We also had a lady come confessing her sin after having gone to see the carnival parade. It is impossible to describe the immorality of this festivity. Even in our little town there were women dancing naked in the streets. This is why we encourage our folks to go to camp, leave town or lock themselves in their homes until the wave passes.

Thanks to all of you for your faithful support in prayer and giving. May God bless each one of you.

In Christ,
Mike Creiglow

Dear Co-Laborers in Christ,

Greetings in Jesus' name from the Philippines. It's good to be back home again where the Lord has called me and my family to labor for him.

"The harvest truly is plentiful, but the laborers are few; pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest." Matthew 9:37-38

I'm happy to report that my health continues to improve as I gradually get back into the flow of the work here in the Philippines. I'm thankful for the manner in which the work has grown under the leadership of

Dana Adams

my assistant pastor. As a missionary you always have many apprehensions when turning your work over to a national pastor. You pray and watch to see whether the work will stand or fold. What a joy to see not only a work founded upon the Lord stand, but continue to grow as well. For this blessing we give the Lord the praise and honor.

At the time you receive this letter, my family and I should be back in the States beginning our regular furlough. Until next month, may the Lord richly bless you all is my prayer.

In His Name,
Dana Adams

Report on Health . . . Soon to Return to Brazil with a Large Group . . . Travels Far and Wide During the Month

by Harold Bratcher

Holly, Michigan
April 19, 1988

Dear Brethren:

Permit me to first give thanks to the Lord for His goodness and grace to us - Harold and Marie Bratcher.

We are thankful to Him and to the pastors and churches who have invited us to be with them since we arrived in the U.S.A. last September 6th. As of now our schedule is full until we plan to return to Brazil.

We ask your prayers for Mr. and Mrs. Sherman Moore of Richmond, KY (Marie's parents). Mr. Moore is almost helpless. Pray that Mrs. Moore will continue to have the health and strength to wait on him. Pray for our health. Marie is enjoying a reasonable portion of health and strength. I, since around the 22nd of March, have been bothered by pains in my stomach and chest. We are thankful that it is not my heart but my stomach that is causing my suffering according to the X-rays I had made at the Lexington Clinic on April 8th.

Pray for us as we prepare to return to "A Republica Federativa do Brasil" around the middle of June. Pray for Stephen and Salette Bratcher who with some 15 from the Addyston (Ohio) Baptist Church will accompany us and then visit with us in Manaus and the interior during some two weeks.

From March 18-20 we were with the Storm's Creek Baptist Church, Ironton, OH, where Jim Orrick is pastor - weekend revival. March 21-25 lectured or gave a seminar at Teay's Valley Baptist College at Calvary Baptist Church - Nitro, W.VA. Hollis Walter is President of the College - Millard Mitchell of the church. During those days we stayed in the home of John and Carolyn Hart. Thank you, John and Carolyn and thank your

Harold Bratcher

neighbor, Mrs. Sybil Mallory for her kindnesses to us as well during those days. Sunday, March 27th found us at the Grandview Baptist Church, Red House, W.VA where Clifford Curry is pastor. On Wednesday we drove to Craigsville, W.VA where that night I preached at the Emmaus Road Baptist Church where Roger Frame is pastor. Sunday morning, April 3rd, Elliott (Miss.) Baptist Church with Pastor Norris Corley. I also preached on Tuesday morning during their Bible Conference. That night we were with Pastor Demas Brubacher at Central Baptist Church, Grenada, MS. Wednesday, April 6th, Bible Baptist Church, Clarksville, TN, Bob Jones, pastor.

Since Saturday, April 9th we have been in Michigan. Sunday morning, April 10th I preached at Zion Baptist Church, Jon Rule, pastor, Taylor, Michigan. That night at the New Hope Baptist Church, Dearborn Heights, MI where Marvin Summers is pastor and in whose home we stayed during a week. Wednesday of that week I preached at the Immanuel Baptist Church, Riverview, where Dennis Herdon is the pastor. Since Sunday morning we are in a revival at the Grace Baptist Church, Holly, where we are staying in the home of Pastor and Mrs. Bob Hopkins.

Pray for us and may the Lord lead you to give or continue to give to the Regular Fund and to Bratcher's Buildings. Many will be the needs and requests when we return.

May the Lord bless you is our prayer.

In Brazil by Now . . . Many Thanks to All Who Helped . . . List of Last Churches Visited . . .

by Harold Draper

April 12, 1988

Dear Brethren,

I am writing on the eve of our departure for Brazil. I hardly slept last night anticipating the trip. We have packed and repacked our luggage several times. I guess we will

get it completely ready about five minutes before time to load up. It will be difficult to leave our daughters and grandchildren, as well as our family, etc., but we are anxious to get back to the mission field.

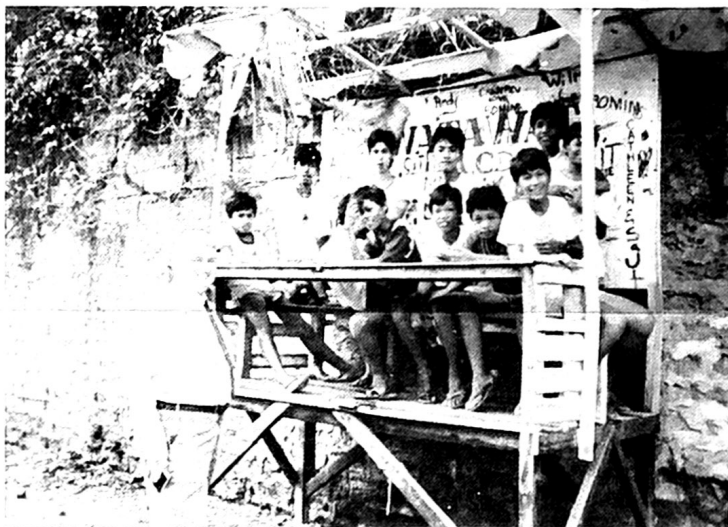

I called Bro. Bobby Creiglow last night and they have our house we have rented cleaned up and beds set up for us. My, that's hospitality! We are so thankful that we will be near to this great missionary family. By the time most of you read this we will have been in Brazil over a month. We appreciate the great support we have received from so many churches and saints during our furlough time which was prolonged by health problems of all 3 of us. The Lord laid it on the hearts of many to give toward our new work. Now we ask that these same churches and saints pray as we try to put into action God's will for our ministry in Brazil.

Harold Draper

We have preached at the following churches this month: Julian Baptist Church, Gracey, KY, Lonnie Perigo, pastor; Bible Baptist Church, Clarksville, TN, Bob Jones, pastor. (We want to thank this church which ordained us to the ministry for the wonderful fellowship and offering since I overlooked to send a card after our visit.) Northside Baptist Church, Mayfield, KY, Gary Frizzell, pastor; the Southside Baptist Church, Paducah, KY, Don Cooper, pastor (who became one of our supporting churches for which we are thankful), and the Emmaus Baptist Church, Fancy Farm, KY, William Bowles, pastor (where I was saved). We visited also in Antioch Baptist Church, Ballard County, KY with our daughter Karin Weaver and our 2 grandsons; Beech Grove Baptist Church, Bardwell, KY, Jessie Hargrove, pastor; Beulah Baptist Church, Beulah, KY, Robert Johnson, pastor; and we attended the Hopewell Baptist Church, Arlington, KY, Rocky James, pastor (whom we want to thank for the gracious love offering) with our daughter Mrs. Melody Monteiro. It has been so wonderful to be with friends and relatives and enjoy my dear mother's oatmeal cookies and good cooking. I'm up to 222 lbs. from 170 lbs. when we came home. We hope to work and melt some off soon! Pray for us.

In Him,

Transportation Problems in Peru . . . Report on Works Around Iquitos and Huanuco . . . Thankful for the Churches Who Helped . . .

by Homer Crain

April 21, 1988

Dear Brethren,

Time is going so fast here in Peru that it seems like I just finished writing my last mission letter. There is always somewhere I have to go or something I have to fix. The Dodge van has been stopping on us anywhere and when it gets good and ready. After going through over ten mechanics (who finally fixed it so it would not start), I found a mechanic today who knew what he was doing. A new electronic ignition control and about \$55.00 and we are rolling again. The President of Peru and his idea

of no imports is driving everyone here about crazy. Trucks and busses are sitting along the roads broken down without parts or tires. Sometimes we have to look for a part for weeks, and then we find that the price is four times the price it should be.

Since writing I have been to Iquitos and Huanuco. I got back from Huanuco and I was able to get a lot of things done. I had a meeting with all the pastors where we talked about the work in general, and how we could do a better job reaching the small villages and towns around Huanuco. I took the pastors, wives and children to

a restaurant where we had the second floor to ourselves. It was a good meeting.

I preached Sunday morning for the Church in Huanuco and Sunday night for Zion Baptist across the river from Huanuco in a place called Paucar-bamba.

Sunday a.m. I preached on the subject "Real Salvation" or who can be saved. I preached about the thirsty, hungry, tired of sin and those who recognized that they were slaves of sin and in themselves they would stay that way. A woman about 35 years old came saying, "I know I am hungry, thirsty, tired of sins and I know I am a slave to sin and God has right to send me to hell." She said, "I want OUT and IN." Oh, it is so wonderful when someone comes out and gets IN at the same time. Indeed, it was a great service.

Sunday night I preached to a full house at Zion Baptist Church in Paucar-bamba. Everytime I preach there they say, "when you go back to the States be sure to thank Lymans Creek Baptist Church for our walls and floor and Ashland Ave. Baptist Church for our trusses and metal roof. A little over \$2000.00 and it is nice. Yes, it is true, little is much when God is in it.

Also, while there I bought the material for the construction of the building in Chavinillo and the protection wall is being built. We are hoping to have dedication of the new building in July, if all goes well. Thank you brethren for making our ministry possible here in Peru.

In Jesus' Name,
Homer R. Crain
