Dedication Service at Novo Diamantina... Some Saved . . .

Dear Brethren,
On April 23 there were about 70 people from the two churches here that went to Novo Diamantina for the dedication service of our new building. Most of these spent the day visiting and inviting people for the service. Most of these also ate lunch at our little house that we have rented there. Betty, and I did not little house that we have ren-ted there. Betty and I did not help prepare the lunch. The ladies of the churches took care of all of that. At 7:30 P.M. when we arrived at the church it was already raining and for this reason we did not

and for this reason we did not have as many as we expected, but the same Lord to whom the building was being dedicated is the same one that sent the rain. Although we did not have from 200 to 500 that we expected we were very much satisfied with the 130 that did show up. The groups from the two churches here returned home after the services to be in their churches the next day. For the following right day, we had express every, night vices to be in their churches the next day. For the following eight days we had services every night with pretty good attendance. The best attended service was the last Sunday night of the meeting when we had 105 present. Since the meeting we have settled down to having services on a regular basis. But since the weather has been cold and rainy it is a little difficult to say or know just how good or bad things are. We are very much encouraged though and to perhaps give you an idea, last Wednesday night we had 22 present. I know that doesn't sound like very many, but let me ask some of you pastors something, how many of you get to preach to twenty lost people on a Wednesday night? Betty and I have been going there on Wednesday, having services that night and then go visiting on Thursday. We have been very well received and believe the Lord is going to use us to establish a good work there. We come back to Cuiaba Thursday night and then return to Diamantina on Saturday afternoon after the girls get out of class and of course we must return to Cuiaba Sunday night for them to be able to go to class on Monday morning. We still do not have itall very well organized, but in all, things are going as good or perhaps better than we expected. We have already had a few professions of faith but we are not sure they are understanding. We also had one lady come by letter. We are trying to maintain two homes 135 miles apart which means a lot of traveling, but we are happy in what we are doing. We are still praying that the Lord will give us 35 souls within the first two months. Three weeks of those two months are already gone, so ray with us that we might be faithful to do our weeks of those two months are already gone, so pray with us that we might be faithful to do our part knowing the Lord will be faithful to do His. inside as outside. What a joy to see hearts eager to hear the old story of the cross, and the love of the Saviour. So now we will begin to disciple these. Pray with us, for this new mission. We have 17 baptized members, and hopefully, we pray most of these will become members. We had a youth group from San Juan to come each evening to sing and help in many ways. Thank God for faithful people willing to work for the Lord. Our services were a real blessing.

At the mission in Antipolo, God continues to bless our work, door to door visitation, street preaching, home bible studies, and in the mission. We have had nearly 100 professions of faith. Pray

for this new mission field. It is located in one of the most fanatic Catholic communities. God has opened the door effectually and people have responded well.

At the invitation of a lady who was saved in our street preaching service, we traveled to Sta. Cruz, Zambables, an eight hour drive one way. The lady's husband is a engineer at the Acjone mine, a mining camp of 6,000. We preached twice and were well received. Souls were saved and they begged us to return again. They were starving for the gospel. We promised to return. The area is in a remote area and the road is hard to travel. The Communist, N.P.A. controls all of Zambables. Pastors are afraid to go to this area. After much prayer and trembling, we went and were blessed for going and have promised to return. God gives the victories, we accept them and praise him for them.

them.

Please pray for us, and our new works; God bless each of you who share in our work through prayer or by supporting us as well as our other missionaries. These are your victories. Therefore, my beloved brethren, be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord." I Cor. 15:57,58

in a bad state of mind and feeling sorry for myself and defeated. The car and van are both down for repairs and can't be fixed for weeks. The typewriter won't type, the computer won't compute and it just seems like everything is going wrong at once: But then yesterday I heard that one of the young girls that graduated from our school two years ago, was in an automobile accident with her family. I went to the hospital visit and found that her husband had died in the crash, she was cut up a lot but will be all right and her one year old baby wasn't hurt too bad. Her name is Gloria Sinti and I ask you to pray for her. She is 21 years old and has a lot of heavy decisions to make about her life and future. As I talked with her I felt ashamed of myself, because I was feeling sorry for myself and myself, because I was feeling sorry for myself and complaining about "things" like cars and

typewriters when here was someone with "a real problem".

Well the Lord forgave me and I began to count my blessings, and it didn't take long until I was rejoicing again. The Lord is so good to us. Last Sunday, Vilma Pacheco, trusted Jesus as her Saviour, and the week before I preached for Bro. Crain in Lima and four teenagers came forward asking to be baptized. The school is going well and the mission work is remaining steady for the time being. Anita, the kids and I are all in good health, saved and on our way to heaven. We have many good friends that love us and pray for us, both here in Peru and back in the States. God is still on the throne and we are the recipients of his the throne and we are the recipients of his manifold blessings. Blessed be the name of the

Remember to pray for Gloria Sinti, the school, the mission work, Anita, the kids and me, and some crazy nut (unknown) that keeps sending me death threats by mail. I would like to talk to him and tell him about Jesus. The Lord saved me, so I know He can save anybody, even this poor man so full of hatred. Well, I've babbled enough for one letter. Dear Brethren

Dear Brethren

This has been one of the busy months, with a lot of different activity. Each Sat. afternoon, 2 p.m., 3 p.m., 1 have taught my class at our Bible Institute using Bro. T.P.

Simmions' book on doctrine for a text book. Most of my class are some property of the doctrine for a text book. Most of my

students are young preachers. I enjoy this class as they are our future

pastors.

New Hope Baptist Church has called a young man and he has accepted the church. He was saved and baptized at New Hope Baptist Church and was here for 3 years at a seminary at Belem, Para. He has worked two years in the Amazon Valley in different churches. He has learned some things that he ought to forget. I think maybe that New Hope Baptist Church is strong enough to keep him in line. There has already been two problems and it seems that they got them worked ou without me getting involved. The Church called me as a missionary to work in

the Interior and that is where I want to work. I am now taking care of the Sunday services at the Peritoro Baptist Church. Last night there were 4 professions of faith, three women and a young girl. I have recommended a pastor there and next Sunday they are going to vote to call him and then we will see if he accepts, etc. I have made one trip to Cantanhede and all is well there. We are buying building material and we will start building there soon. I have made two trips to Anajatuba and things seems to be normal.

I am working at New Hope Baptist Church on the apartment for the pastor between trips and the rains. I hired a good brick layer today and things should start moving faster.

Bro. Draper has been with us here in our home since last Mon., May 9, he came to move his things that were in storage to Cuiaba.

Remember to pray for us and give to one of our building projects as the Lord leads you. We want to build a meeting house at Anil Mission and then organize them into a church. May God bless you all.

Trip Up River With Governor, Mayor and . . . Congressmen Faces Difficulties . . . Motors Needed . . Services In Town Going Well . . .

A few weeks ago some people from the state government came to talk to me about a trip to the 2 largest villages up the Jurua River. The governor and some congressmen were wanting to visit these places. I agreed to take part of the group in 2 of our boats. It was agreed that the governor and his group would attend a service that I would conduct at the farthest village, over 200 miles upstream. Six boats started the trip. The only boat that made the whole trip without breaking down was Adam's. In fact my 60HP Evinrude quit on me when I was over 150 miles up river. The governor, mayor and a congressman were with me when another bearing went out in the lower unit! Very, very frustrating! Adam came along a few minutes after the breakdown, dumped the people he was hauling and took the VIPs the rest of the way. Well I didn't get to preach to the ones I had planned to preach to, but as I hitched rides down river I got to preach to some of our river folks. Adam ended up bringing

the governor, mayor and others back into town. Adam's motor is a 25Hp Yamaha that was provided for our work by the South Lexington Baptist Church. It already has many long, hard hours of running on it and is a very good motor. I am now faced with the problem of how to get a motor for my boat. The old motor had done this to me the last 2 times I have been out. I am going to try to get rid of it as soon as possible. Try to imagine the feeling of this scene: you are 150 miles up river from Cruzeiro do Sul, which sits in the middle of thousands of miles of jungle, the river is out of its banks, nothing but water and jungle for as far as the mind can imagine, you stand in ankle deep mud and water and stare at a broken motor as the insects chew happily on your skin, no way to go anywhere! It isn't even pleasant for me and I am used to it.

Well you know that I eventually made it back to town. All is well and the work goes on. It has been raining almost every day, but on Sundays we have had sunshine and the crowds at church have been great. The rains have made the work in the interior very difficult. Our preachers have kept going though.

Several Professions of Faith . . . Returns From Eleven Day Trip . . .

by Harold Draper

May 20, 1988

Dear Brethren,
This is our first letter from Brazil. We have now been here for 5 weeks. Needless to say we have been very busy. I have made 4 trips to Diamantina to help in the work there. Bro. Creiglow has done a wonderful job there. The building is beautiful, practical, and well worth what it cost to build. I hope to use it for a pattern for our first building.

I have preached in the Good Hope Baptist Church and in the Faith Baptist Church. There have been several professions of faith when we have preached. We praise the Lord for that.

that.

We also have been busy trying to get our house set up. We have it about to where we can function. Things are so expensive. We have spent a lot of time looking for the best price. I have also bought a car, a 1986 Volks sedan along with a

used pickup truck. Last night I just got back from an eleven day trip to Sao Luis to get our other stuff. While there I preached at several of the churches we have worked with the past 7 years. I was good to see them still standing for the truth and reaching out to the untold multitudes. I also and reaching out to the untold multitudes. I also had the opportunity to explain the gospel to the man who had once furnished goat's milk to Michelle over 2 years ago. For 2 hours I had his attention and he listened. I have sown and am waiting for the Lord to give the increase. Ursula stayed behind here while I was gone. The Lord protected her and Michelle for which I was so thankful. I am super tired from all the stress of thousands of miles of travel and many tough decisions in the purchase of vehicles, fur-

On May 8th, a special service was held here at the Garca church. Our busses brought the folk from Vera Cruz, Santa Terezinha and Lupercio. Some came from Duartina and Galia. There were 200 persons present. Brother Odali Barros brought the message. I baptized one lady from Galia, two young men from Duartina, and five from Garca. The total attendance among our new works, last week, reached 674, counting only one service per place. So, praise the Lord, more people are being visited and more are coming to services.

On May 2, we had an all day meeting for our 20 workers. It was a day of analysing, evaluating and planning. The newest work had 70 persons present in Sunday School on its fifth school. On June 5th, work will begin in Alvinlandia, the 13th city, the Lord willing.

Dear Brethren.

Dear Brethren,

Our weather has just changed from rainy to dry season. We just had our first cool snap. The temperatures got down into the 70's for about 4 days, with beautiful clear blue skies. When this happens the rivers go down. Just before this happened I went on an 8 day trip up the Moa River. Adam was supposed to go with me, but had the flu and had to stay home. This trip was made in one of our aluminum canoes with a small outboard. The motor was provided for the work by the Elliott Baptist Church of Elliott, Mississippi.

I spent Saturday and Sunday with the church at Peri-Peri. They have been without a full time pastor for the past couple of years. Their pastor Brother Luiz Lopes is now too old and ill to pastor. He lives here in town now. Nevertheless

his boys have been taking care of the church. There were over 60 people in all of the services. I also held a study for the young people. This church is some 75 miles up a very small river. I only get to visit them once a year.

On this trip I also held services in 2 locations at the foot of the mountains. We now have over 20 believers at one of these places. One woman was saved 21 years ago in a service I held there as a very young preacher.

On the way back down river I stopped to visit the congregation at Sao Salvador. The last three days of the trip were steady rains. This kept a lot of folks from being able to come to services. We had a good Bible study with them anyway.

Our local missionaries have continued their work, too. Adam and Monica went along on one of these trips to help out. This was Monica's first trip with one of these teams. They spent the weekend at Guajara and Sacado.

One of our older preachers, Brother Jose Bandeira is holding weekly services at the penitentiary.

Lord bless all of you. Thanks for the faithful

Dear Brethren:

First of all we share with you the sad notice that on May 1, at around 3:30 a.m. - Marie's father - Mr. Sherman Moore of Richmond, Ky. went to be with the Lord in heaven. He is survived by his wife of many years - Mrs. Flossie Whitaker Moore and two daughters - Mrs. Marie Bratcher and Mrs. Deane Cruse of Richmond, Ky. Pray with me that the Lord will comfort the bereaved and take care of all of us. We express to all of you that have in any way expressed your concern, our thanks. That meeting continued through Sunday morning, April 24th. The Lord blessed us with one profession of faith - Mr. Bill Bowling. Sunday night we were with Pastor Doug Armstrong and the Lake Road Baptist Church, Clio, Michigan. On Monday, we drove back to Lexington. That night, I attended and brought the second message of B.F.M.'s Spring Conference - held at Thompson Road Baptist Church, - Jimmy Hamilton, pastor. Mrs. Bratcher was unable to attend the Conference due to her having been called to her dying father's bedside. Friday night of the same week I was the speaker at the Lexington Baptist College graduation exercises. Pastor Ross Range, Ashland Avenue Baptist Church, is the president

Ashland Avenue Baptist Church, is the president of the College.
Sunday, May 1st, I preached at both services at the Faith Baptist Church, Versailles, Ky. where Bobby Greene is the pastor. Friday through Sunday, May 8th we were with, in a revival, the church where our son, Stephen M. Bratcher, is the pastor - Bethel Baptist Church, Williams, Indiana. The next day we began a seven day revival at the Faith Decision Independent Baptist Church of Paint Lick, Ky. where Brother Jack Abel is the pastor. Last night, or rather two nights ago, we went with Pastor & Mrs. David Swallom and children to Renaker Baptist Church, Cynthiana, Ky. where I preached and showed the slides.
The Lord willing, we'll arrive back in Manaus, Amazonas, Brazil, S.A. on the morning of the 14th of June. We'll not arrive by ourselves because Stephen and Salete with fourteen members of the Addyston, Ohio, Baptist Church will go with us. They will be returning on Monday, June 27th.
We hope to do many things in Brazil in the Amazonas valley during this next term. There are trips in the interior that we hope to make and buildings that need to be built. We need your help! You have been good to us while we were in the States. We hope and pray that you will continue to cooperate with us - praying for us and giving to Baptist Faith Missions the regular fund and designating for Bratcher's Building Funds.
