This was another heavy blow to our work here. He has been one of our best pastors and a very reliable worker. One of the lay preachers is taking care of the church. I am teaching for them on Mondays and Thursdays.

The church at Lagoinha has been having some tough times of late. Brother Wilson, the elderly pastor, turned the pastorate over to a younger man, Brother Edy. I have been to visit the church at Mancio Lima twice over the past month. Also I went up river to visit the preaching point at Pucalpa and the congregation at Valquirie. All of these works are doing fine.

August 16, 1988 Dear Brethren,

Greetings in His precious name! We have been very busy this month. We preached at 4 different places. We finished up last month at Good Hope. The new pastor

and family arrived and we have been able to turn the work over to him. Pray for the Miquel Maia family. His wife is having some trouble adjusting to the new surroundings. Yes, even here in Brazil the people have culture shock when they move from one region to another

We preached in the area we hope to build the building and a lady in her 30's was saved, for which we rejoice. Pray for us as we are now trying to get all the Pray for us as we are now trying to get all the red-tape done so we can begin to build. The building site is in an area that is only beginning to be developed, but is next door to 3 other neighborhoods. One of which has many thousands of people and is a working class housing project. The other two have many thousands of some of the poorest people you can imagine. Many live in paper shacks, or black plastic stretched over some staves. I have been thinking recently about the situation. If we had an old worn out city bus we orobably could bring hundreds every bus we probably could bring hundreds every month in to hear the gospel. We don't have in our financial budget money or plans for this, but I keep remembering that the Lord said to go out into the byways and hedges and compel them to come in, in order that His house may be full. In the States we normally equate buses with gimmicks and kids. If a bus was used on a Sunday night in that area it would bring in mainly teenagers and adults. I don't know how many of them

would be saved, but if just one came to know Jesus the way you know him would it not be worth it all? Folks, I am not a high pressure gimmick preacher. Of late I have been having trouble staying encouraged. I get frustrated when I see so much that needs to be done and we do not have the means or

faith to do it. I don't want to do anything out of the Lord's will, but I know it is His will to preach the Gospel to the lost multitudes here in Cuiaba. Pray with us that we will have the means and wisdom to do it God's way.

We opened up the new work at Chacara dos Pinheiros last week. We had 15 visitors from the neighborhood. Only 3 of them said they were believers. Last Sunday a man from Good Hope church preached there and we had 11 people from the area. This is a work that Bro. Bobby Creiglow and I are opening together. Between the both of us we hope to be able to carry it on along with the other works. We opened up the new work at Chacara works

Right now I am taking care of the Faith Baptist Church in Varzea Grande. This is only for 2 weeks while the pastor is working at the work in Nova Diamantino. Bro. Creighlow has made a trip to the acre to talk to a Brasilian preacher about coming to take over the work in Nova Diamantino. One must be found in the coming months as the Creiglows will be due for furlough in 1989. We have a real need for workers here in Cuiaba. Pray that the Lord will raise up faithful men to carry on the work after we are gone.

Ursula, Michelle and I had to make a quick trip to Brasilia last week. It was very tiring and we all had the flu, but we were able to get the passports and visa we needed without any trouble. We spent 4 days on the road during a 6 day period. The Lord gave us journey mercies and we returned home thankful for His protection. May the Lord bless each one.

be able to see progress. Last Saturday another mission building was dedicated in one of the suburbs of Manaus. This building is like the one that we built a couple of months ago. The building was prefabricated in the church's woodworking shop, -which took about two days. Then the founda-tion and floor were put in on site. This took anoth-er two days. On Satur-day, 15 men from Taber-nacle Baptist Church as-sembled the building on

These missions are Inese missions are staffed by seminary students: A couple of preachers and a musician. Pastor Miguel oversees the missions and works "to polish up" the preachers working in them. Thus, people are reached and workers are trained. It is the goal of Tabernacle Baptist Church to open a new chapel every month. We have also been busy writing curriculum and textbooks for our Kinder-garten through 8 grades. The Lord just recently provided equipment to make this project feasible. The school has been an n an

project feasible. The school has been an excellent means of reaching young people and their families with the gospel. Though the school is self-supporting we do need your prayers for this ministry. We are now able to baptize in our new auditorium due to the completion of our new baptistry. During the last year we have had to continue baptizing in the baptistry of the old building. This meant moving from the new to the old auditorium after Sunday night service. Because of the limited capacity not everyone was able to winness capacity, not everyone was able to witness the baptisms. The Lord willing, tomorrow night we will baptize in the new baptistry for the first time.

Judson's most recent check-up indicates that his leg is quickly returning to normal. He has now been off crutches for 6 months after using them for two and a half years. We are thankful to God for this, and for your prayers on his behalf.

Dear Brethren,

We still have not had any rain and the dust continues to increase. Perhaps within the next two months it will rain a little.

I worked a couple of days this month getting our water lines at the church hooked up to city water system within one week we the got enough water to almost half fill the baptis-try. We had our first baptism service planned for last Sunday, so we finished filling it by hauling water in barrels from well at our house our

Last Sunday night I bap-tized one lady into the fellowship congregation under the authority of Faith Baptist church of Varzea Grande, We Fain baptist church of varzea Grande, we now have four men and five ladies on our membership roll. I think all of our members are tithers and we think before long the congregation will be able to support a national pastor full time and we are already looking for one. Our attendance is also up a little this month, but I am sorry to say that

ve have not had any professions of faith. We have a young people's meeting each Saturday Night and although it is for young people, some adults and children come and of course we don't turn any away. One Saturday night I said to Betty that we might not have very many because several said for one reason or another they would not be going. By the time we started we had forty which was more than we had every had and about that time a car pulled up with ten more. We had a great time that night. Please pray with us that the Lord will save some of these people that are attending.

In interest of the work here and there Betty and I will be going to Cruzeiro do Sul, Acre this Thursday. We will be gone for about ten days and Bro. Candido, the pastor of the Faith Baptist Church will be taking care of my work while Bro. Draper is filing in chim. filling in for him.

Bro. Draper and I have started a new work together, although up until now he has done all the work, so I will let him tell you about that. I understand that thus far it has gone very well.

Pray that the Lord will cause us to be faithful.

## Dear Brethren

Since Tuesday we are back in our house. It was six weeks that we spent at Asa Mark and family's house. The painting and repairing of the house continues. We thank

you - those that gave for our house repairs and to the Bratcher's Buildings during July. By faith we thank you because we have not yet received our have not yet received our deposit letter this month. We repeat last month's request: "Please con-tinue to give to the Bratcher Buildings and to the regular fund as well.

The most urgent need after the repairs on Our home is a new building for the 17th of August Baptist Church here in Manaus. They have outgrown their small building." Proof I submit to you: On Sunday morning, July 31st Marie and I visited the church and I preached to 143 people present. The Lord Dessed with come theoremicane of faith preached to 143 people present. The Lord blessed with some three professions of faith. Just recently Dr. (M.D.) Francisco Jesus Dias - pastor of Calvary Baptist Church shared with me that they have not been financially able to complete their new building. They need at least \$1,000 (One Thousand dollars) to do so. I promised him to inform you of to do so. I promised him to inform you of their need.

On the 16th of July, Marie and I with around 60 members of the 14th of Decem-ber Baptist Church went by boat six and half hours to the New Jerusalem Baptist Mission. There at 17:00 o'clock I performed the wedding ceremony for the evangelist of the

mission - the young man who lived with us mission - the young man who need with us last term - Ediberto Ribeiro da Silva and Maria do Carmo Santos da Silva. The next day I preached at both services. Sunday afternoon - 24th of July - I brought a short message at the home of Lourival Batista de Oliveira. Bro. Lourival went to be with the Lord that morning. That night I preached the anniversary message (28th) of the 14th of December Baptist Church. There were some

December Baptist Church. There were some 368 people present. The following Saturday night I brought the ordination message for Edilson Rodrigues Miranda - pastor at Gerzim Baptist Church. Sunday night found us at the Aleixo Baptist Church - Jozinaldo de Aguiar Maia, pastor. August 9th - I preached at the home of Zilmar Cardoso dos Santos - his birthday and then on to the church where I preached a funeral message for Dona Orminda Matos Moreiro.

Sunday, August 14th Marie and I attended and I preached at both services at the mission of the church at the Armando Mendes suburb. We had 54 present in the morning and 70 people filled the benches in morning and 70 people filled the benches in the small building to hear my message that night. They will soon need a larger building and more land, etc. There were two rededications made. Pray for Paulo Moises Correio de Melo, the young pastor there. Also pray for Marivaldo Alves Natario who will continue on as pastor of the 17th of August Baptist Church.
