#### Buy Building For 5th Mission... Plan to Buy Another Next Week. . . Staffed by Seminary Students... by Paul Hatcher

Scpt. 30, 1988

Dear Brothers and Sisters,

There is always something exciting going on around here. We thank the Lord what He has enabled us to do.

This week we purchased another building for a mission. Our Church already has four of these missions going in various areas of our city. Be-cause of the continuous

growth of Manaus it is an ever expanding missions field. These missions tield. These miss-ions are totally spon-sored by Tabernacle Baptist Church, but your earlier investments in this work have helped make this producing church a reality. This

new building will enable us to open a 5th mission. We are planning to begin services in it on Oct. 15.

With the Lord's help, we plan to buy another building next week. This is in the area that was at one time exclusively set apart for a leprosy colony. The city of Manaus has now grown out to this community which at one time was used to segregate lepers at some distance from town. We took the adults from Tabernacle as a group to help with one of these missions last week. We would like to do this at a different mission at least once cach month.

The missions are staffed by seminary students. These students work to support students. These students work to support themselves as they go to school. THEY GET NO AID OF ANY KIND TO PAY FOR THEIR SCHOOLING OR TO MEET THEIR DAILY NEEDS. Your gifts to the regular fund of Baptist Faith Missions and those designated to the Seminary of Manaus meet the cost of part of the Seminary teachers salaries. Come of the Seminary teachers salaries. Come and see the work, if God enables you.

What a blessing to begin using the baptistry in our new auditorium this past month. It is delightful to be able to have baptisms included in our regular services once again.

Among other things, as running the schools and pastoring, we have also been supervising the work of building a dam on supervising the work of building a dam on the church camp. It will provide the camp with a lake for water supply, fish for food and recreation of campers. Last week we had a special camp with 65 of our Junior High students. This was the first time that we have used the camp in conjunction with the school ministry. As we have already mentioned in an earlier letter, we have seen a good number of our school students and parents saved this year.

The work is great! The dividends are out of this world!

Reach 150 In Services. Two Professions of Faith. . . A Lost Man's Testimony Concerning the New Work... by Bobby Creiglow

> Caixa Postal 720 78.000 Cuiaba, MT Brazil Scpt. 16, 1988

Dear Brethren,

I mentioned last month that Bro. Candido would be filling in for me at Novo Diamantino while Betty and I would be in Cruzeiro do Sul. He asked me what I wanted him to do while

we were gone and I told him that all I wanted was for him to fill the building and prepare Sunday school teachers to take care of that many people. Of course I was only teasing him,

but he accepted it as a challenge. With special promotions, a lot of visitations and hard work they reached over 150 in the Sunday services. They took over 150 in the Sunday services. They took one of their busses to bring the people and that also helped a lot. As for the Sunday school teachers they did make one good step forward for us, but we already had that pretty well under way when they got there. They also had two professions of faith, a young married lady and a single young man. young man.

The young man that was saved is the son of the first lady that made a profession of faith in this new work and I would like to share with you all, something that this lady told us yesterday while we were visiting in her home. This lady's husband came with her to services just after she got saved and has not stopped coming since. He has not been saved as yet, but although before he was almost never home, being a truck driver, he now does his bet to work truck driver, he now does his best to work his schedule so that he can be there. One day he missed lunch and supper trying to get home in time for services. One day his Catholic mother came from another state to visit him just at time to go to church. She said she would not go to church with him and so he told her they would talk after services and he came on to church after services and he came on to church with the rest of his family. When he got back home he said, "Momma, there have been a lot of good things happened to us since we got married, but the best of them all was the building of that Baptist church in front of our house." Just think about that for a moment, a lost man telling his lost mother a thing like that Man' that lost mother a thing like that. Man! that made our day.

One of our members lost a son that was just a few weeks old and the funeral was here in Cuiaba, so we did not go to Novo Diamantino last week end. The family asked me to preach the funeral that was held in the Good Hope Baptist church. Darnel my helper went in my place and he said they had about sixty in each service. What Bro. Candido did there gave us a good boost in attendance.

Dear Brethren,

News came from Peru that the Lord is still blessing there in all of the missions and churches.

As many of you know that Paul Washer and Daniel Franz were sent out on the authority of the First Baptist church of Ojus Florida. Paul Washer was

riorida, Paul Waster was ordained and Daniel Franz was licensed to preach. They are living in our house and taking care of the house and taking care work in Ventanilla. They have also started a Bible class in our house that is fast leading to another work that will soon need a larger place to meet in as the group is growing each week.

The new mission in ACOMAYO is now becoming a reality. Last week I sent the money to pay for half of the price of the lot and the rest we have to pay in two months. As I wrote in last months letter we need

We are also working with her parents. That work is slow partly due to opposition from the Pentecostals. But we are trying to visit 2 days a week there and to be faithful. At the Good Hope Baptist Church we had a young man saved yesterday. So we rejoice in this. I went to Diamantino rejorce in this. I went to Diamantino yesterday to take a young preacher and wife. They are considering coming to help Bro. & Sis. Creiglow there. I was thrilled to see the way the work there is being blessed.

We have bought a 1960 F-100 Ford pickup truck. We are bringing about 25 to 30 people from the area we hope to build the building to the services at Good Hope church. Also, we use it to take workers to our 6:00 p.m. service at the new mission. We need to put on new rear leaf springs and do a complete brake job including rear drums and master cylinder. As I wrote in arums and master cylinder. As I wrote in my last letter we have a real need for this kind of transportation. I have decided that we will try to make do with this vehicle. We could use some help on these repairs. Also, we need to put a cover over the back of it soon as it will econ begin to rain of it soon as it will soon begin to rain again.

Do remember us in your prayers. May the Lord bless each one of you. In Him

Our young people are doing a great job. I require the workers and Bible students to attend every Saturday morning at 8: 0'clock's meeting so we can update our work and visitation program and we have a pretty good response. The church's attendance is slowly increasing, but we're happy that members are faithful in the morning and evening services. The chil-dren are averaging more than 30 in their class. My family and I are in good health and I thank the Lord for that. I'm happy to
