This is the Month for the Thanksgiving Offering

Our Thanksgiving Offering will soon be taken. We hope that all will join us in giving to this. This offering helps our missionaries all year long. If we did not have this offering each year, we could not meet our expenses each month. Each month we use this offering to meet the expenses of our missionaries and their work. The Directors have never received anything for their labor. Their work for our missionaires is a work of love. Please pray and ask God what He would have you give.

REPORT ON TRIP TO PERU

by Doug King

My wife Betty and I have prayed for and helped support missionaries in Peru for more than thirty years which was reason enough for me to thoroughly enjoy seeing for the first time the land of Peru and the people for whom we have prayed. It was a joy to visit Missionaries Paul and Anna Mulling and Sheridan and Anita Stanton.

Our party of ten, Pastor Dan Ferrell, Luke and Joann Howell, Pastor Wayne Mulling, James Myers, Jack and Joan White, Elton and Mrs. Wilson and I arrived in Lima on September 5th and were greeted by Missionaries Paul and Anna Mulling and Sheridan Stanton.

The first days of our visit were spent with Paul and Anna Mulling at Cajamarca, high in the Andies Mountains, 9,000 feet above sea level. We all felt some dizziness because of the thin air. The temperature averaged from the forties to the sixties.

One year ago, the very week we arrived, Bro. Paul Mulling began work on a four story church, pastor's apartment and Bible Institute building. The ground floor is for the church and is 90% finished. We had the joy of taking part in the dedication of this building. The second, third and fourth stories are nearing completion as the work continues.

It is amazing what the Mullings have done in Cajamarca in such a short time. On Sunday before we left, Bro. Paul baptized three believers in the new baptistry.

The next part of our trip, Luky and Joann Howell, Jack and Joan White and I visited Sheridan and Anita Stanton at Pucallpa. I had seen so many pictures in the Mission Sheets through the years of this work that I felt right at home, in spite of the 114 degree temperature.

The old Mayfield house was just as beautiful as I expected it to be. The second floor that Sheridan built is spacious and provides excellent ventilation for sleeping. Anita is still the immaculate housekeeper she was when she lived in Sanford, Florida. How she keeps her house so clean with so much Pucalipa dust is beyond me.

A highlight of my Peru trip was at the school that Del Mayfield started. They now have six hundred students with a waiting list of another one hundred. I spoke to the high school student body as they stood in the ball court. In my mind's eye, I could see Del standing there and speaking as he had done so many times before he died.

The Peruvian government is in a crisis situation at this time. The week I was there, the government passed a law dictating a price increase of consumer goods from 100 to 200 percent. Gas went from 30 cents a gallon to 90 cents a gallon. Sheridan had to pay all workers in the school an immediate ten dollar bonus by government law. At the end of the month (September), Sheridan had to come up with more than double his usual payroll to pay his teachers and workers.

The job is not easy, but Sheridan's training at Lexington Baptist College and his years as a church worker and pastor have equipped him for his job as administrator of the school we have at Pucallpa. I am very impressed with the job he and Anita are doing.

Lastly, the mission work the Stantons are doing is impressive. They are still meeting in a home with a dirt floor. They have about an acre of land and a building in construction that they hope to move into before the end of the year.

The last Sunday I was there, I road in Sheridan's 1968 eight passenger Chevy van. It has been modified to seat about 16. On this trip, there were twenty nine, mostly adults, in the van.

Sheridan baptized four believers; one, an eighty year old woman. More baptists in Peru.

This mission work needs benches. To make these benches will cost about \$20 each. They need about 40 benches. Pastors, ask your church to help pay for some of the benches. One person could pay for one bench. If there is more than enough money for benches, it can go on something else for this mission work.

Thank you for taking the time to read this report. I am happy to have a part in the mission work in Part.

8 No Rain for 5 Months... 7 Professions of Faith... Bible Institute has 12 Students...

October 16, 1988

Dear Brethren.

After more than five long months of dry weather, we have gotten two very welcome rains. During that period, it did not rain one time in Novo Diamantino, but now we can breath fresh air once again. For the past several months Betty had been taking medicine every night for her dust allergy, but since the rains have staded she has colly hed.

night for her dust allergy, but since the rains have started, she has only had to take one pill in the past ten days. Since the rains have started, it will not be long now until we will be complaining about too much rain.

We have also had a long spiritual dry spell that was also broken this month. On one week-end,

was also broken this bobby Crelglow month. On one week-end, we had seven professions of faith and I baptized three into our fellowship and that put us on cloud nine. We also had some of our best attendance this month, but then just as the rains have not gotten into full swing yet, the spiritual showers have also slacked up and we are once again back down to earth out of cloud nine. Betty and I have been going to Novo Diamantino on Wednesday and staying

through Sunday night services. We try to take two days a week for visitation, but it seems like the more we visit, the less we have in services.

the more we visit, the less we have in services.

For the past three years now, we have been talking and planning to start a Bible Institute and this month that also has gotten under way with Bro. Candido heading it up. Thus far, he and Bro. Draper have been doing the teaching. My turn will come along later. It has started out with twelve students that seem eager to learn. In the early stages of our planning, we realized that we were going to need more churches in the area to supply human and financial resources, so we started working toward getting more churches only to find out that we would need help from outside to pastor more churches. It seems like the Lord is working this out for us also. In December, there is a family to come from Cruzeiro do Sul, Acre to take over the work in Novo Diamantino and if the Lord continues to bless that work will be able to support him full time. If all of that works out, and we think it will, that work will soon be able to start supporting the Bible Institute.

By His grace and your prayers the Lord has been very good to us here and we ask you to continue to pray for us and thee work.

In His Love Bobby D. Creiglow

Paul and Daniel Take Care of Brother Crain's Work

Brother Homer Crain is home on furlough, but his work in Peru is going well. God has raised up two young men to carry on his work. Paul Washer and Daniel Frany were sent out by the First Baptist Church of Ojus, Florida to work in Peru. They have been living in Brother Crain's home and preaching and teaching in his works. God has blessed, and souls have been saved and the work made stronger.

They are worthy of the support of God's people. It costs money to eat and travel to the various works and for supplies. Please consider giving to help them in their work. Mark offerings, "For Paul and Daniel".

by Paul Hatcher

Oct. 28, 1988

Dear Brothers and Sisters,

With another month past we are nearing the end of this school year. By the time you read this letter, the school year for both day school (Centro Educacional Batista das Americas) and the seminary (Seminario Teologico Batista de Manaus) will be coming to an end. The school year begins in February concludes at the end of

The Day School closes with 730 students closes with 730 students and Seminary concludes with 130 students attending. Tabernacle Baptist Church is enjoying the Lord's blessings in many ways. We have Saturday Schools operating in 40 different locations. These are like evangelistic Sunday Schools. The workers can reach children in their area and still come to Church services and classes on Sunday. This plan has been very effective.

Each week the members of Tabernacle baptist Church meet for prayer in 22 different areas of town. Of our members, 198 are presently active in some area of ministry. The

church also supports one full-time missionary in the State of Rondonia. An average of 25 deaf people attend services here every week and have the services interpreted for them. and have the services interpreted for them.

During the past 10 months we have had 6 camp programs. The last of these camps was held at the beginning of this month with the intermediate age group

intermediate age group.

We are thankful for the opportunity to be involved in the Lord's work here and for your faithful support. Brazil and the Lord's work here need your prayers. The new constitution is now being implemented, but the country is still in a mess. Of 18 federal departments of government, 16 are on job stoppages. In order to protest the conditions of work, they clock in but do not work. but do not work.

but do not work.

The accumulated inflation for 1988 is already greater than 1000% (one thousand percent) and there are still two months left in the year. Milk powder to make one gallon of milk cost 14% of a blue collar worker's average weekly wage. Bus fare for the blue collar workers is 30% of their wage. The new constitution requires that the cost for transportation to and from work he absorbed by the portation to and from work be absorbed by the employer. The bus fare for the average member of our church to come to **one** service is 5.6% of the weekly wage.

In all of this poverty the members of Tabernacle Baptist Church have abounded in their giving. We thank God for the commitment of the people who make up this Church.

I would like to commend these two fine churches and pastors for a job well done in sponsoring this Mission Conference in interest of Baptist Faith Missions.

Now I would like to share with you an update report as received from our Interim Pastor, Buddy Palmer. "We thank the Lord for the six professions of faith last month. We had candidates for baptism, but not one came out candidates for baptism, but not one came out and the reason was due to persecution and opposition of their parents. But we praise the Lord, we baptized two new converts yesterday. My family and I are in good health and thank the Lord for that. We are still bringing in 25 to 30 people to the two Sunday services at Good Hope church in the 1960 Ford pick-up. I have been able to have the back leaf springs reinforced. The bed was rubbing the tires when we got more than 15 people in it. I still need to get the brakes reworked and we must find the means to get a removable cover over the back of it since we are beginning the rainy season. Don't forget to pray and give toward our transportation needs as the Lord so leads. I'm sorry I have to keep asking for your help, but in new works we cannot generate much local financial help. We have nowhere else to go. Let me share a negative" thought with you. I sometimes feel like a beggar as I make requests for help from you good folks back home. I promise that I won't mention these needs again for a while. We will be waiting and praying and doing what we can. Up to now the Lord through you has always supplied the need. We do appreciate so much the sacrificial giving of our supporters in this great work. Please read the mission letter of every missionary and cray for them. There this great work. Michael D. Creiglow Caixa Postal 24 Cruzciro do Sul. Acre 69.980 September 21, 1988

Dear Brethren,

During the last week of August my parents were here visiting. Dad preached for us in a 3 day week-end meeting. All day Saturday, during the meeting, we also held our annual preachers conference. This year 36 preachers and lay workers registered and

attended. One young man was saved on the last night of the meeting, which was attended by well over 800 people.

This month I visited 2 other of our churches. was with Faith Baptist Church and helped them with a baptism service.

Mike Creiglow

There were 9 new members added to the church. The reason I say this though is that they are still without a pastor. Pray for them and me as I attempt to help them. Last week I visited the church at Sacado. Their pastor, Brother Carlos, is away visiting my father's work in the Cuiaba area. He may be going there to work. This could mean the loss of another good man as far as our work and churches are con-

cerned. Of course, he would still be faithful cerned. Of course, he would still be faithful and continue to serve as a gain in another field. Anyway, the church there is in fair shape. The attendance was a little low, I thought, but then they did not know I was coming and they did know that the pastor was going to be away. As is the case with many of our works in the interior they are many of our works in the interior they are feeling the pressure from the charismatics. One of these groups already started a work less than 2 miles from our church and is now planning to put up a building just across the lake, less than 100 yards from the front door!

The rivers are lower this year than I have ever seen them in these 27 years. The Moa River can be waded across anywhere from the mouth to its source! The Jurua River is not much better. Not one barge has come in for the past 6 weeks. Many places have as little as 10 inches of water upstream from Cruzeiro do Sul. Our preachers have Nevertheless, they have been able to go to the works upstream 2 times. The work at Profeta is doing the best, but Valquiria is still doing fine, too.

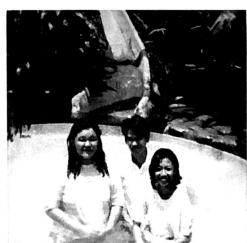

May God continue to bless all of you.

In Christ. Mike Creiglow
