Dear Brothers and Sisters,

Wanda, Leigh Ann, Judson, Michelle and I send you Holiday Greetings and wish the best for each of you and your families during the coming year. We thank God for each of you and your faithfulness to the Lord's work. We thank the Lord for the many blessings He has given us during the past year.

The Seminary classes have now concluded for this year. The next segment of classes begins on Jan. 7, 1989. David and Pennie Hatcher, who coordinate the work of the Seminary, are now in the States on furlough. Pennie is completing a Master Degree in Linguistics. David is available to speak at churches concerning the work of the Seminary. You may contact him at 2501 Lake Austin Blvd. Apt. J 203 Austin, TX 78703 or call 512-478-2232

David has been working with the Seminary for over eight years now. He and Pennie have been a great blessing in this work. We miss them. Pray for them and for all of the Seminary teachers.

Paul Hatcher

The Day School (through Junior High) is now in finals week. Two weeks from now enrollment begins for the next school year. We have been thrilled by those that have been saved through the school ministry during this year. Wanda and I and all of the teachers will be spending the next three months working on curriculums. We are writing a full curriculum for the Christian school for grades K - 8. Nothing like this is presently available in Portuguese.

Wera Meneses, one of the young people saved and disciplined here at Tabernacle Baptist Church is now back after spending five years in the U.S.A. in undergraduate and graduate school. She returns with a B.A. and Master Degrees in Education with emphasis in Deaf Education. She has already implemented a class for adult deaf in reading skills and Bible Study. She is now developing a first grade class for deaf to be included in our day school this coming year. We are glad to have her back working with us. We are thankful to the Lord for all of those who are having a part in her ministry.

That's all for this month! May the Lord richly bless you.

Dear Brethren,

The past few weeks have been very good for our work here. In the last 3 weeks we have had 5 people saved here at First Baptist Church. Two of these were elderly ladies, one middle-aged man and the other two were a young man and a young woman. Four of the five live right here in town. The reason I mention this is that we have many people who make professions of faith at our church that live way out in the jungle. They come to town on rare occasions, our people invite them to our services and they are saved. Then they go back out into the jungle areas where they live and work. This has constantly been a factor that hinders our numerical growth even when we report to you a number of folks who were saved in our church. Nevertheless we are pleased that a good group of folks that live here in town were saved this month.

I have visited 5 of our works in the interior. By road I went to Rodrigues Alves to hold a service. All but one family there has

Mike Creiglow

moved to town. A few months ago we were required to tear down our building since a town square was being built on that location. We got four nice lots though, right beside the square. We hope to rebuild soon, although with so few believers and no funds it could be difficult. Anyway about forty of our members, all ages, went with me to check up on it. The next week I took another group (even more) to visit the young congregation at Santa Rosa. Also during the last couple of weeks I went to Pucallpa, Valquiria and Profeta. The trip to Pucallpa was made in one of the aluminum work boats with 15 HP outboard and took almost 2 hours. We are now down to just 2 believers there. There used to be a sawmill there, but it moved out recently. The majority of the people went with it. Many of you would be unnerved by the slowness of life and improvement here, but worse is the quickness of change to the worse in the stability of the population, economy and a number of other very important things that you take for granted. Even at Valquiria a couple of the families moved further down river, making it more difficult to get everyone together. At Profeta things are going very well. Last week we carried out the hand sawn lumber from the jungle to the building site. The construction is now under way. I have been there 3 times in the last 10 days.

Dear Friends:

This letter will be late getting to you. Please forgive me. I'm recuperating from HEPATITIS and for the last two weeks I've spent a lot of time in the bed, sick and weak. The doctors say it will take months to get back to 100% and for my liver to function properly again. Please pray that I'll be back to full capacity soon. Anita and the kids are doing well and in good health.

Anita and I thank those of you that sent cards and flowers, gave words of encouragement, and prayed for the family, during the recent passing away of her father, Mike Richard. Anita was able to stay with her Mom nearly a month after the funeral and I know it was good for them. I had to borrow money to send her back to the States for the funeral

S. E. Stanton

and would like to ask help to repay this loan quickly. Anyone interested in helping can designate the offering through Baptist Faith Mission, with a note explaining that it's for STANTON EMERGENCY TRIP. I thank you in advance.

Last month found me in Huanuco where I preached two revival meetings. One was for the Huanuco Baptist Church, and the other was for the Zion Baptist Church in Paucarbamba. Five souls trusted the Lord during the meetings and many came forward asking for prayer and rededicating their lives. During the days, Pastor Carlos Estabridis and Pastor Carlos Gonzales, travelled with me by motorcycle to all of the mountain mission works of their churches. We had a great time together and I was able to teach a few Bible lessons in the open air at some of the works. Brother Crain has done a great job in working with these brethren; they are full of zeal and doing a great job. Pray for them.

The works in Iquitos are doing well. I was there two weeks ago and found the works normal and continuing. It was there that I took sick with Hepatitis.

Our work here in Pucallpa is ever time consuming. A few more weeks and we'll be finishing another school year. This year has passed so rapidly. Satan has brought many obstacles our way but God has always given the victory each time, thus far. The Jordan Baptist Mission in Yarinacocha where I pastor is doing well. Our new building is almost finished. To finish we need two doors, some interior partitions (for Sunday School rooms) and some more roofing material to finish a small section left of the roof. All in all we need close to \$700.00 to finish up. How about helping us! You'll be blessed knowing you've had a special part in the work here. Another church has promised to help with the benches so we praise the Lord and wait knowing that soon we'll be in the new building that we need so urgently. Pray for us and the work. God bless each one.

## Pray for Sheridan As He Recovers from Hepatitis. . .

### Looking Back on 1988. . .

### The Joys and the Sorrows. . .

by Anita Stanton

Apartado 15  
Pucallpa, Peru  
S.A., December 13

Greetings from Pucallpa:

As we approach the holiday season and the average daily temperature is 110, we find it a little difficult to feel the festive spirit once felt in the cold of Kentucky!! However, we can still rejoice and be thankful for the health, love and blessings God has so richly given to us. We trust that each of you has had a good year and can reflect on your blessings also.

Our family is happy and relatively in good health. Sheridan is still recovering from a case of hepatitis. He was VERY sick for a while and had the strength of a kitten. He is now able to carry on daily activities, but tires easily. The doctor said it could be 3 - 6 months before his normal endurance would return. We are thankful he has done as well as he has. He will have another series of blood tests tomorrow to confirm how he is progressing. Remember to pray for him.

This year seems to have passed more quickly than any other we have spent in Peru. Can you believe we have spent 5-1/2 years here? Perhaps our schedules and responsibilities are the cause of the rapid passing of time. 1988 has brought the good, fruitful times and also sad times to us as a family.

We can reflect on the opportunities we had this year at school to minister to 700 students and teachers, construct 3 new classrooms, obtain a bus and van for school and church work, and graduate 35 more students from our high school.

Thinking of the church work, we saw people saved and baptized, new Christians

eagerly learning and growing, the children's Sunday School class grew to 54 students, and the new building being constructed and near completion to date.

At home we enjoyed the unforgettable visits of friends from the states, making Peruvian friends, initiating a home Bible Study course in which we saw many saved, another year of safety and protection from a very unstable government, the wonderful opportunities Sheridan has had to go to the mountains and teach, the fun times we shared as a family (especially the home-made pizza and video nights!!), and the blessing of having two healthy, well adjusted children.

We've shared disappointments and grief also. The greatest being the death of my father and beloved grandfather. Also, Sheridan's dad went through a very critical physical period. Even through these times we drew closer together and are still made to count our blessings.

It is our prayer that each of you may enjoy a fruitful new year. May you always be aware of God's blessings to you and your family, and seize each opportunity that passes your way to serve Him. We are ever grateful for friends and family as you who love and support us and the work here in Peru. Our personal prayer for 1989, is that we may be strong and faithful to carry out the work here. The work is much and the help little. Pray that we may encounter new workers to help us achieve more in the coming year than ever before.

We send our LOVE to each of you. Write to us as the opportunity provides.

Dear Brethren,

The elections are over and our attendance is back up once again. The man of city hall that helped us get property in Novo Diamantino was elected to the office for which he was running and has vowed to continue to help the people.

Back in September Betty and I went to visit Mike and the work in Cruzeiro do Sul, Acre. At that time we also visited a young man and his family inviting them to come work with us in the work at Novo Diamantino. They came a few weeks later to visit the work and seemed to fall in love with it. They returned to Cruzeiro do Sul planning to move as soon as school was out. They arrived last week and have moved into the little house we bought and furnished there. They are still getting settled in and Betty and I are sleeping in the church building. We believe they will really like it there and be a blessing to the work.

Bobby Creiglow

We will continue to work with them until furlough time next July. We will be pulling out a little at a time so that when furlough comes we will not be missed.

We have had two professions of faith this month, a boy and a young lady. This young lady has been attending ever since we started to take place in her life. It was several weeks later that she made a profession of faith and every day she is being transformed. It is a joy to see lives changed for the better. The boy that was saved attended our services when we first started, but had dropped out for some time. Last Sunday night after services, after having made a profession of faith, he called me aside where he was talking to another boy, and asked, "When I trusted Christ that made me believer, didn't it?" I told him that if he really trusted Christ it did and he turned to the other boy and said, "Didn't I tell you so?" I just wanted to share some of these blessing with you all, after all it is your work as much as mine.

Some of the other things in the work are not going so well, but that also will be worked out by the Lord, in His time and way.

In His Love  
Bobby D. Creiglow

Dear Friends,

Give thanks unto the Lord for He is good and His mercy endureth forever. One plants, another waters, but the Lord gives the increase. The coming of the end of another year reminds me that 33 years have passed since Alta and I first went to Brazil as missionaries. About that time Brother Hallum was finishing his life of missionary work in Peru.

Baptist Faith Missions had three missionary families: Lewises in Peru, Royal and Paul Calley families in Brazil. During our first term in Brazil, Helen Calley died and Royal and his family returned home. A few years later Paul and Florence returned home because of health.

About this time God raised up a new group of families and in a few year the mission work had 13 families on the field. God continued to bless and another generation of missionaries appeared - sons of missionary families. There were four: Michael Creiglow, Paul Hatcher, David Hatcher, and Asa Mark Bratcher. The work of Baptist Faith Missions branched out.

The Carvers went to Korea, Lauermans to Honduras, Adams and Hendersons to the

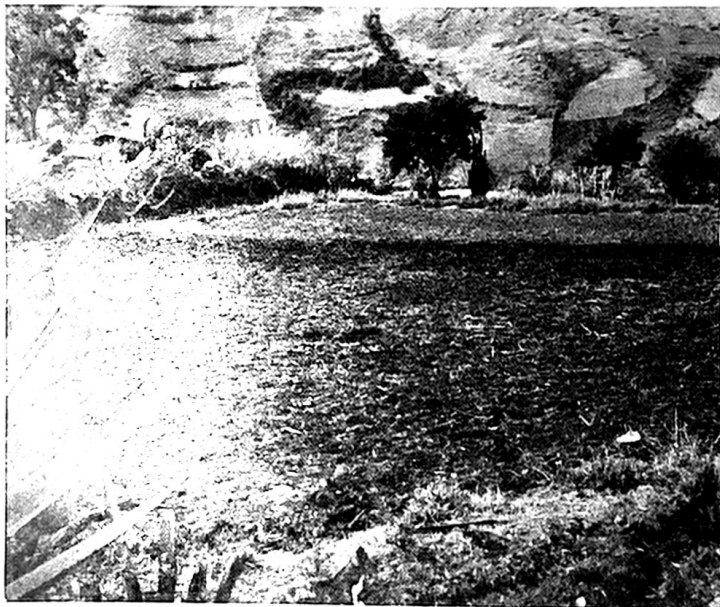

John Hatcher

Philippines. New families were called to go to Brazil and Peru. Today, there are 12 families on the field and two on leave of absence for health reasons. Thousands are hearing the Gospel, souls are being saved and baptized. Churches are being organized. The work of Baptist Faith Missions has been blessed greatly of God. Baptist Faith Missions has inspired other churches and missionaries to go to foreign fields.

After 33 years as a missionary to Brazil, I thank God for Baptist Faith Missions and the pastors who compose its directory. Godly men in whom supporting churches have put and can put their confidence as men of God. Men who seek the will of God for the good of the Lord's work and the welfare of the missionaries. I thank God for the churches that have been faithful in their prayerful and financial support. I am thankful for the liberty enjoyed by the missionaries of Baptist Faith Missions to work under the leadership of the Holy Spirit.

What is the purpose of missions? Preach the Gospel, get folks saved and baptized, teach them God's Word. Dear friends, you who have supported Baptist Faith Missions, please do a little research and count up the blessings God has given us together. You will discover there are over eighty churches and mission points that have been the work of Baptist Faith Missions.

Dear Brethren:

Greetings once again from the Philippines. We are so thankful that the monsoons and the rainy season are over. Within ten days we had three typhoons. With the damage from the strong winds and the floods that came with them, many lost everything. Our hearts grieve with these people, who over and over are uprooted and must start all over again. The loss of life and disease run rampant.

We are pleased to report God continues to bless the mission at San Pablo. Souls are being saved and taught the word of God. There are visitors in just about every service. Please pray with this mission about their needs of additional seating, bibles, and most of all a building.

John Henderson

Our attendance at Antipolo Baptist Mission has been down. We have several that are very sick with typhoid fever. We still are having problems with some dealing in witchcraft. Many are very superstitious and hard to deal with concerning these traditions.

Pat had had a bad case of the flu for over two weeks. I, myself, have been afflicted with several illnesses over the last six weeks. We have been under a doctor's care and hope to regain our health and strength any day. Some believe that a witch has us under a spell. Satan has used our illness to scare the people. We desire your prayers, that we may walk in wisdom toward them that are without, redeeming the time.

"Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort: who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God."

By His Grace,

Dear Brethren,

We share with you a little poem that came to us from India: "Our friendship is like diamonds so precious and rare - False friends are like autumn leaves found everywhere - If you have forgotten me at the hour of care - Forget me not at the hour of prayer..."

Sunday, November 20th - We attended Sunday morning at the 14th of December Baptist Church. That night I preached to 202 there with two decisions.

Harold Bratcher

Friday afternoon, Nov. 25th - Marie and I traveled from Manaus to Manacapuru by bus and ferry. There on Saturday I with other Baptist pastors and deacons laid hands on the pastor of the Zion Baptist Church - Marcondes Tavares de Araujo. Sunday morning I preached at the Church and then that afternoon by boat we went to "Lago de Pexeira." There I preached to some 90 - celebrating the 10th anniversary of the mission there.

Sunday morning, December 4th - we attended and I preached with Pastor Marivaldo Alves Natano present at the 17th August Baptist Church, Mauazinho, to 158. The Lord blessed with some 13 people responding to the invitation. That night I

preached to some forty people at the Gerizim Baptist Church. The Lord blessed with one profession of faith.

Last Saturday, December 12 - the 14th of December Baptist Church lead in the organization of one of her Missions - the new Jerusalem Mission at Parana da Eva - organized with 37 charter members as the New Jerusalem Baptist Church of Itacoatira, Amazonas. I was called as pastor of the new Church with the chief evangelist being Ediberto da Silva Ribeiro. Sunday morning I preached my first sermon as pastor of the new church to 59 people present. That night or afternoon we began the service early - 5:00 p.m. - thinking that the boat wouldn't come until around 18:30. In the middle of my message we were advised - "Behold the boat cometh..."

A week ago today we were able to buy a newer car - a larger GURGEL. First of all we give thanks to the Lord - "For His Mercy endureth forever." Then we give thanks to Baptist Faith Missions and to you who contribute to the Mission or through the Mission. We also thank you, Asa Mark Bratcher, who worked hard in finding a good second-hand car worth the money for us to buy. May the Lord bless you all in our prayer.

When this letter is read by you - we will already be in the new year of 1989. We believe that during the new year as you did in 1988, you will remember us in our hour of care as well as in your hour of prayer.

Yours In the Service  
of the Saviour

## List of Missions Started and New Buildings Built During 1988. . . Goals for 1989. . . Family Killed for Selling Land for a Church. . .

by Homer Crain

1033 Juniper Dr.  
Lexington Ky, 40504  
(606) 276-2936

Dear Brethren,

As we look back over the past year we thank the Lord for his blessings on our lives and the mission work in Peru, S.A. Many souls have been saved, new Missions started and new buildings completed; new buildings completed at PAUCAR, CHANCALLA, CHAVINILLO and two temporary buildings at VENTANILLA.

OUR GOALS - at this point we have 3 special goals.

1. To raise \$15,000.00 to build a building 40 x 80 feet at Ventanilla.
2. To purchase a 4-wheel vehicle and ship to Peru to have in Huanuco to use without driving across the Andes Mountains. Shipping cost \$2,800.00.
3. To get the work established at Acamayó and build a building. (\$520.00 has been given for the work at Acamayó by the First Baptist Church of Wood Dale, Ill.)

All of this can be done in 1989 with your help. Let me tell you how any Church can get involved. I was with the EMMANUEL BAPTIST CHURCH in a 3 day meeting. I told them of our need of \$15,000.00. They did not have \$1,000.00 and they thought they could not give \$80.00 a month, \$20.00

Homer Crain

per week. Pastor Darrel Messer asked them how many could give a dollar (1 dollar) per week for a year. The Pastor told them to mark the amount each week on their envelope. In three Sundays the Pastor called me to tell me that they already have \$2,500.00 and more coming in each week. Brother Messer has shown us how to do it. Set a goal and make that first step toward it.

January 20th I will be going to Peru for about 10 days. Brother Fortunato who is seeing about the land at Ventanilla has asked for the money to make the deposit on the land. This I have sent. I need to go and see if we can start building. ALSO the Brethren called and said that the people who sold us the land in ACAMAYO have been killed by the terrorists because they sold their land to build a Church building.

A Baptist Missionary arrived here at our home in Lexington and he tells us that the terrorists have taken over the town of Tingo Maria and that the lives of Alberto Fabian and his family are in danger. Please pray for this faithful Pastor. I plan to visit towns of Huanuco, Tingo Maria, Pucallpa and Iquitos.

Will you look at the three goals above and pray about them. We need your prayerful support now. Let's keep looking up till the day breaks.

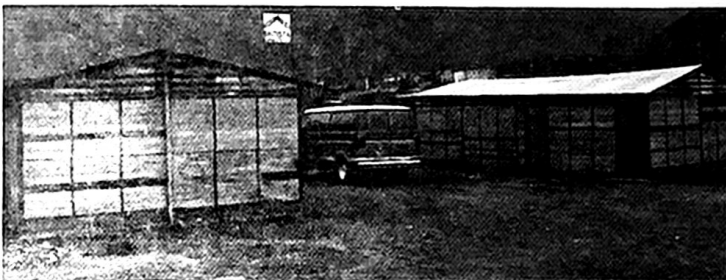

In Jesus Name,  
Homer R. Crain

## Letter From Mike Crelglow

(Continued from page 1)

This report is getting a little long, but there are still a couple of things that I think you would like to know.

In contrast to the river ministry, I have a number of regular duties that are like what pastors do everywhere in the world. This month I performed 3 weddings and a funeral. Last night we held our thanksgiving service, complete with dinner for the whole church and any others that cared to celebrate with us. We had some 200 people.

One morning I got a very early phone call from the freight company in Manaus informing me that six boxes of our parts and equipment had been stolen from their warehouse. These parts (gears, props, cables, etc.) had been bought in the States in May. It took months to get them through customs, besides all the money that they cost to buy and ship that far. The night before the barge was to leave there was a break-in. We are thankful that they did not get the 2 new outboards. The police have not found out anything yet. It seems doubtful that the freight company will pay. I borrowed money to buy much of this equipment and now will have to start all over again. The parts and equipment alone cost just over \$2,000.00. As you all know, I rarely, if ever, mention financial needs in my reports to you. Sometimes the situation is desperate though. Can you imagine spending that kind of money and waiting 6 months, then having to start all over again? HELP!

In Christ,  
Mike Crelglow

Dear Brethren:

I want us to look back through 1988 and see some of the victories that the Lord has given us. In January, we sold some property at Anil Mission with the money to be used to build a meeting house. In January also, Brother Satu moved to Cantanhede with his family to pastor the work. We have built a building there and it is finished except the plaster. In April we started to apartment at New Hope Baptist Church and it is finished. In April also, I resigned as pastor of New Hope Baptist Church and the church called Brother Hildomar as pastor. I became a missionary of New Hope Baptist Church.

George Bean

On March 16, the Lord promoted 82 year old Pastor Ricardo and took him home to glory. Brother Silvester was called to pastor the Peritoro Baptist Church.

In September a building was started at

Anil Mission, septic system is installed, foundation is down. On Monday, December 19, the brick wall will be started.

In October, the mission house was repaired, painted and the new kitchen cabinets installed. We moved into it October 18. Also in October, bathroom was installed at the parsonage at Anajaluba.

Now some projects for 1989:  
Finish building at Anil Mission and organize them into a church. Finish 2nd half of apartment at New Hope Baptist Church. Build Sunday School rooms at Peritoro Baptist Church.

Rent or buy a building at Pirapemas to start a new mission. In the business meeting, December 7, New Hope Baptist Church gave me the authority to go to Pirapemas to start a new mission. There are over 6000 people there but not one Baptist. There are 12 wooden bridges and 45 kilometers of dirt and gravel road to travel over. Mud in the rainy season and dust in the dry season.

If the Lord should lead you to give to one of our projects, please do, and if not, please pray for us.

Thanks to all who gave to our work during 1988. May God bless all.

Yours to tell the Old Story,  
George & June Bean
