Several Saved. . . Opposition at Chacara. . . Ready to Build. . .

by Harold Draper

December 20, 1988

Dear Brethren,

This will be our last letter of the year. How time flies! By now the Thanksgiving Conference is history. We trust it was a time of blessing. We are being blessed here in the work. We had 1 saved and 1 asked for baptism at the Good Hope Baptist Church this past Sunday. We had 2 saved Sunday night at the Chacara dos Pinheiros work. We are rejoicing because of this.

As I wrote in my last letter, we moved the time on Sunday night to 7:30 p.m. at the Chacara work. It has been a blessing. More adults are coming to the services. The Catholic church has also increased her opposition. One of her supporters has threatened to try and get me thrown out of the country. He claims we are causing confusion in the community. We are thrilled to see that the Devil is upset! Pray for us that we will have the grace and wisdom to handle the situation in the spirit of Christian love.

We have already bought the brick, sand, gravel and some cement to build the church building. We are waiting until after the first of the year to continue to build. We have the footers dug. One of the members

Harold Draper

of the Faith church in Varzea Grande will be doing the building. He built the building for Brother Creiglow in Diamantino and did a good job. By our next letter we hope to have the foundation in and be going up with the walls. We are bogged down in red tape at the present time trying to get a building permit. Pray that the Lord will cause the people in charge to give it to us soon. The new mayor who was elected in November will take office the first of the year and of course will fire most of the city employees in charge of the various departments. This will cause everything to be in a state of confusion for 2 or 3 months.

Both Ursula and I have had some minor problems this month. My back has been giving me a lot of pain. I fell and injured it after it was almost well. I am now going to the apy twice a day for treatment. Ursula has been bothered with the heat. The doctor says we need to find a cooler house. We are looking. Most are very expensive. We believe we have found one that will do the job. We hope to get it. I heard from Brother Overbey that the Thanksgiving Conference was great with a good offering. We are thankful. We appreciate your faithful support. Pray for all the missionary families. May the Lord bless you all.

In Him,

Harold M. Draper

Four More Professions of Faith. . . Brother Joao Called To Pastor Church at Sacado. . . New Outboard Motor Arrives. . .

 December 23, 1988

Dear Brethren,

In my last report I told you that we had 5 people saved here in Cruzeiro do Sul. Since then we have had 4 more professions of faith. Three came requesting baptism and one confessing sin. I also performed one more wedding.

Brother Carlos and family have moved to Mato Grosso to work in the new congregation at Novo Diamantino. He had worked at the church at Sacado and the congregation at Guajara for the past 8 years. The church at Sacado called another one of our preachers as pastor. Brother Joao is one of those that I married last month. He has been in the ministry for a few years and was saved at one of our camps. He will also be taking care of the work at Guajara. His wife Miria has worked in our Sunday School for a long time. She is traveling with him each week to help him work with the children at the 2 villages.

Mike Creiglow

Last week we took a large group to Santo Antonio for the dedication service of the building. We have 3 preachers that work this village and 3 others in the same general area. They worked with the local believers to put up this building. Our home church helped some with roofing and a few other things, but most was done by the folks right there. We had over 80 people for this special service.

One of the larger boats is now running again with one of the new outboard motors that came in a few weeks ago. I got it broken in and have made 2 trips with it to Profeta. We are putting up a building there. The building is all framed up and we are now waiting on the roofing.

On the 10th we held our quarterly preachers meeting at Faith Baptist Church. There were 40 present. All but 2 of our churches had preachers present. In the evening session Faith Baptist Church celebrated her 32nd anniversary. This was the best meeting we have had with the men. They are showing signs of becoming closer and getting some good things going.

God bless all of you and thank you for your prayers.

In Christ,
 Mike Creiglow

REPORT FROM THE WEST INDIES

January 10, 1989

Dear Pastor Edward Overbey:

"Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation. Thou crownest the year with thy goodness" (Ps. 68:19; 65:11a). This summarizes this past year for us personally as well as the mission work locally and regionally.

We praise and thank the Lord for you, your prayers, and financial support for us here on St. John and in the West Indies. It was such a joy to hear of the ministries of the many missionaries who attended our Bible Conference. We all have our trials as well as our triumphs. "To God be the glory."

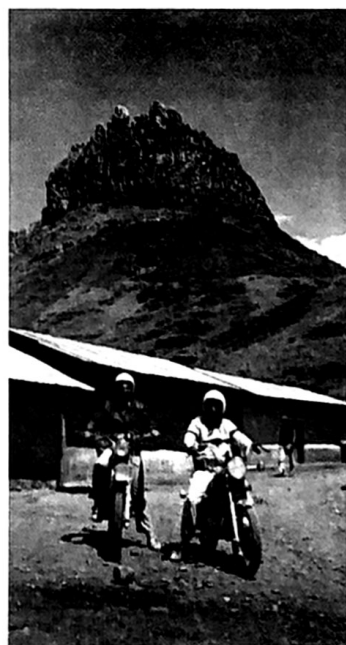

We enter the new year with a spirit of praise and thanksgiving to God, as we were all challenged by the Word of God as preached during our Bible Conference (Dec. 26-30, 1988). We were privileged to have Dr. & Mrs. Jennings, Dr. & Mrs. Williams and son, Bro. & Mrs. Jones, all from Florida; Dr. Brubacher, from Mississippi; Bro. Ramesar, Bro. Borosa, Bro. Sookraj and Bro. Sentoma, all from Trinidad; Bro. Duncan & daughter, from Jamaica; Bro. Parillon, from Tortola, B.V.I. In addition, there were many visitors from other islands. All expressed that this was the best conference yet. "Behold How good and how pleasant it is for brethren to dwell together in unity" (Ps. 133:1).

Our Bible School opened its spring semester yesterday. We thank the Lord daily for this ministry of training young men for the ministry; those who profess to be called of God. It is quite a challenging task, but the rewards are overwhelming. As you know, most of its graduates have been and are serving back in their native islands. In all of this you are a part, and we thank God for you.

All the missionaries who were present at the Bible Conference gave a most realistic report of their fields of service. We rejoice greatly of the number of folks who heard the Gospel, and the many that were saved, baptized and added to His church in spite of the Devil's opposition. Your sacrificial giving helps keep these men in the full-time Gospel ministry. To have heard them talk of starting new mission points, going into areas where there is no Gospel witness, excited our hearts and fired our souls to greater mission involvement and giving. We praise God for them, and stand with them a hundred percent.

Thank you for your prayers and financial support. Without your assistance we could not continue to extend our mission work to new places and islands. God bless.

Yours in Christ's Service,
 Bro. Emmanuel Jaggernauth

Dear Brethren,

For the first time this year we are writing our Mission Sheet letter. We greet you in the name of the Lord Jesus Christ. We thank you "ye saints of the Lord" for your letters and cards and offerings to Baptist Faith Missions. We especially thank Brother and Mrs. James Sparks and the Brooksbury Baptist Church for the special offerings the church voted to give to us and the Bratcher's buildings. Bro. & Mrs. Sparks talked to us by telephone twice this year. Our telephone number for you calling from the U.S.A. is: 011-5592-611-2331 in case you should wish to do likewise.

Harold Bratcher

During this "Mission Sheet Month" I preached nine times - four sermons at the 14th of December Baptist Church where I serve as co-pastor with Asa Mark, two times in two different homes of members - once at the Armond Mendes mission and once at Tancredo Neves mission. Sunday morning, Jan. 8th I preached at Moria Baptist church where Brother Jose Francisco da Silva is pastor. Some 14 persons made decisions in those nine services for which we praise the Lord.

May the Lord bless you each day during 1989! Pray for us and as the Lord leads continue to give to the regular fund and the Bratcher's buildings or poverty relief fund. We are praying for you and "forgetting those things which are behind..." We strive to be faithful and true to our high calling of Good in Christ Jesus."

Attendance is up... Michelle Has Ear Problem... Thanks for Help... Many Great Needs...

by Harold Draper

January 19, 1989

Dear Brethren,

We had a great watch-night service at the Boa Esperanca church with good attendance and singing and preaching. After the service we had good food. We are having much rain at this time which is holding down our attendance some. Over all our services are well attended though.

At the Chacara work we had record attendance in both Sunday school and Sunday night services. Our little wooden building is full there. We are waiting for the Lord to open hearts to the gospel. That's one thing we cannot do. We are still bogged down in red tape there due to the recent elections and the turmoil in the economy. Pray for Brazil. The financial situation is in a horrible mess due to inflation. People are very dissatisfied and ripe for Leftist influence.

Tomorrow morning we will take Michelle to the Hospital for what we hope will be a simple surgery on her ear. Her tube is imbedded in her eardrum after having left it's proper position. We appreciate the

Harold Draper

offerings which have come in for personal needs. Also, we were encouraged by you folk who gave the \$400 for the truck-top. It has already been used. We have our top and some other needed work, brakes, tires, wiring, etc. done on the truck. It is bringing in about 50 people all told per Sunday. Some have been saved who come on it. Just one soul is worth more than 1 million trucks and more!

Please pray for our Bible class (Seminary). Bro. Creiglow is now teaching there. We need some equipment very badly. The need is so great in many areas. If it were not for past blessings which have been beyond all expectations, we might get discouraged. We always pray that the Lord will open the door when a thing is His will, close it when it is merely ours, and He usually does. This only fails when we are stubborn and impatient. The long lines at the banks at this time both try and teach patience.

We are hoping to move in about 4 weeks. I don't know if we will have a phone or if our number will change. We will let you know in our next letter.

May the Lord bless all of you in 1989. May we all watch, work, and wait for our Lord. He is worthy.

In Him

Good Hope Without a Pastor... Reaching Many Lost at Novo Diamantino... Baptize Two...

by Bobby Creiglow

Caixa Postal 720

January 16, 1989

Dear Brethren,

The pastor that came from Manaus to pastor the Good Hope Baptist church has left after bringing his family just a little over three months ago. The church did more for them than we ever expected them to do, but it just did not work out well for any of us and we are all glad they are gone even though it leaves the church without a pastor once again. Since Betty and I spend most of our time in Novo Diamantino this leaves Brother Draper overloaded. We hope we will be able to help him out more until the church finds another pastor.

Bobby Creiglow

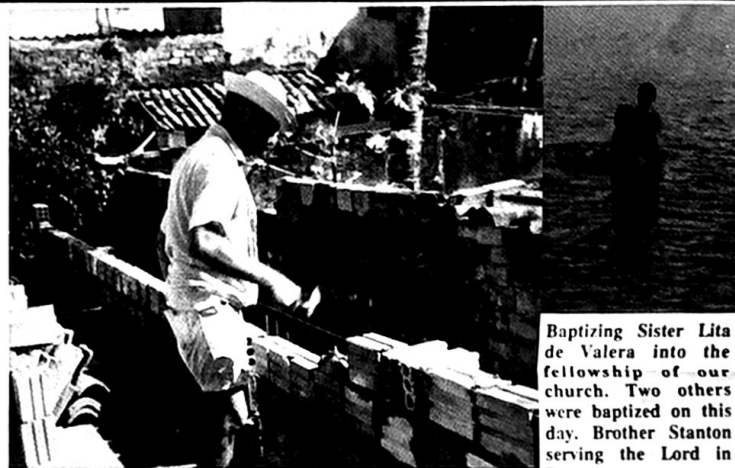

Our seminary will get under way again tomorrow and I will be teaching until furlough time. Brother Draper taught last term, so my taking his place will relieve him some to be able to take care of his other duties.

So far Brother Carlos and his family have adapted very well in Novo Diamantino

and I think are already beginning to feel at home there. Most of their time thus far has been spent in getting settled in and they have not been able to do much yet, but since they arrived our attendance has come up some. When we started the work last April we started having Saturday night services for the youth, but it never has really been a youth service because adults and children also come and of course we do not turn anyone away. Last Saturday night we had 74 present and of that number there were at least 50 lost people there. Last Sunday night we had 77 present and once again over 50 lost ones. Brother Carlos brought a very good message, but we are sorry to say there were none saved that we know of, if fact we have not had any professions of faith this month that even seemed to be real.

I did baptize a father and son this month that completed a family of five that have been saved since we started this work. Since we started this work almost nine months ago there have been hundreds that have heard the gospel and such a few saved that we ask you to join us in prayer that the Lord will open their hearts that they might be saved.

In His Love

Dear Friends,

Two days ago Alta and I returned home to Lexington after a trip of almost seven weeks. We traveled to New York, Washington, D.C., Florida, Georgia, South Carolina, North Carolina, through Virginia, and West Virginia. For our 41st wedding anniversary we visited New York, then we spent holidays with our daughter and family, Lynn and Elton McGary. In January we were with Brother Doug King and the Park Ridge Missionary Conference. It was a good conference. Alta had the privilege of speaking for four mornings to the ladies. We were also with the Bible Baptist Church where George Locke is the pastor. Traveling up the eastern side of the United States we had a lovely visit with the Elton Dunbar family. Farther along, we were at the Rosemont Baptist church for a three day meeting. Brother Curtis Whaley is pastor of this good church and we certainly enjoyed fellowship

John Hatcher

of this church and being in the home of Brother and Sister Whaley. We were also privileged to be with the Tabernacle Baptist Church in Greensboro, North Carolina where Jim Cates is the pastor. While in Florida, Alta and I visited in the home of Joe and Jessie Sills, Cocoa, Florida. There I was invited to speak at the Bethel Bible Baptist Church; Brother Price is the pastor. It was a joy to revisit with Brother Artis France and his wife and to be with the Harmony Baptist Church, Melbourne, Fla.

During the month of February I plan to be in Evansville with the Emmanuel Baptist Church, in Lexington with the Devondale Baptist Church. In March, the Lord willing, we will be in Tennessee, Mississippi, Texas and Alabama. Please pray for us as we travel.

We talked with our daughter in Brazil last evening and all is going well. Please pray for all the missionaries and the work they are doing.

Please pray for our ministry among the churches as we travel from place to place. Pray for our work in Brazil and that God will grant us the grace to reach 30 new cities in the next five years after we return to Brazil. Your prayers and your support are vital.

In Him,
John and Alta Hatcher

Dear Brethren:

Pentoto Baptist Church celebrated 25 years Dec. 13, 1988. The house was packed and I preached at the special service. Brother Silvester baptized one young woman. Several from Sao Luis were there to sing special music. This church is very poor. They have two or three wage earners, the pastor lives in Sao Luis and works and travels to Pentoto each week-end. They need to build some SS rooms; maybe some one would like to help them with this project, if so, send money for Pentoto SS rooms. Two have been saved there this month.

George Bean

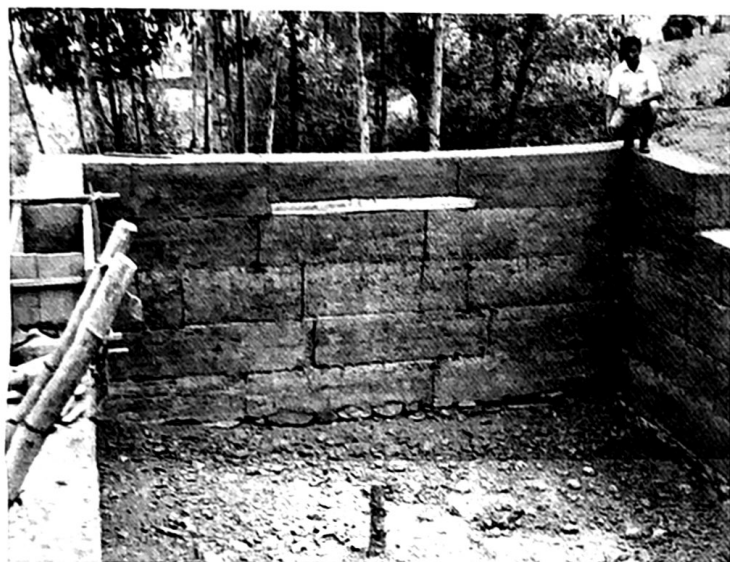

I made one trip to Cantanhede, spent the night, preached in the service. The ones that have been saved there can not be baptized as they are not married. Some new people are attending the service.

The walls are up to roof level at the meeting house at Anil Mission. I would like to thank the Lymans Creek Baptist Church and Hilltop Baptist Church both from Beattyville, Ky for the offerings they have given us for the building. We need money now for roof, floor, doors and windows.

I have had some kind of flu bug for the past six weeks, but thank the Lord I am much better. The pastor at New Hope Baptist Church had the flu and I preached for the church two Sundays and one Wed. night. The rains have started and that helps with my sinus problem as the rains settle the dust.

May God bless all is our prayers.

Preparing Curriculum For Entire School. . .**15 Preparing to Be Preachers. . .****Begin New Work In Sebastiao. . .****Report on Deaf Ministry. . .**

by Paul Hatcher

Jan. 25, 1989

Dear Brothers and Sisters,

The new year is progressing rapidly. Fortunately, it is progressing. The Day School year begins on Feb. 18. We have been busily preparing for the new school year. We have typists working 17 hours daily preparing curriculum. There are no Christian School Textbooks available in Portuguese, so we are writing curriculum and text for the entire school. It now appears that we will have the Pre-school curriculum ready by Feb. 18. An off-set press given to the work is now working making it possible to print materials for the school, seminary and church at a very reduced cost.

Paul Hatcher

The Seminary classes for the present semester started January 8. We have classes seven days per week. This enables those who work or study elsewhere to conclude their training, even if at a slower pace. Among our students we have 15 men preparing for the preaching ministry. These all work in our mission congregations. They take turns preaching so that all of them get experience with supervision by Pastor Miguel. In our evangelistic visitation I have visited in the homes of people who are attending services at these missions and it is obvious in speaking with these people that the preaching is being used by the Lord to effectively communicate truth to those who hear.

We just purchased another building for a mission work in an area called Sao Sebastiao. This brings the number of

mission works sponsored by Tabernacle Baptist Church in our county and the neighboring county to 8. In addition to these, we sponsor financially the missionary working at the mission in Porto Velho (the neighboring State) and a couple of workers who serve with Bobby Wacaser. The church's outreach also includes Home Bible Studies and training of workers who work in Clubs for Children all over town.

God has really blessed! One of these blessings has been the return of Wera Meneses to work with us. Wera was brought by friends to church during her Pre-teen years. She was saved in our school and later went to the United States to prepare for a Ministry In Deaf Education. Having completed her Bachelor and Master Degrees she has returned to work. She raised her own support. Wera is already teaching the deaf in our church. Not only does this give them tools to grow more effectively in the Lord, it also opens doors for them to be good witnesses in their communities. Here deaf are looked on as second rate unless they are literate. Unfortunately, most of those who are hearing impaired are also illiterate. Wera will begin teaching a first grade class of hearing impaired this year. In the older classes we are providing interpreters for the deaf. We really praise the Lord for Wera.

We are attempting to increase our evangelism in several different ways here at church. Another one of our goals for the present year is to print all of our seminary teaching materials so that they will be available for Bible Schools and Seminaries in other locations.

Pray for us.

In the Cause of Christ,
Ranaah P. Hatcher

Brethren:

Greetings to each and all. I hope the holiday season found everyone satisfied that you live in the greatest country in the world. God has truly blessed America. The year 1988 is gone forever.

I would like to thank the directors of B.F.M. for the steadfastness and dedication to the furtherance of the gospel. We missionaries owe much to them for their labours, their personal sacrifices to fund conferences and to their monthly labour, for which they receive nothing financially. I want each of you to know we appreciate your labours of love.

This new year was welcomed in the Philippines with a **A Big Bang**. No one in the rest of the world celebrates as they do here in the Philippines - **So Loud, So Long, So Big**. The fireworks start at Christmas and reach their peak New Year's Eve. We

John Henderson

had 27 killed, and 2,000 injured in metro Manila, from the fireworks. The air was turned black from the gunpowder. New Year's Day is the number one holiday in the Philippines. There is witch craft involved; they believe that loud noise drives away the evil spirits; and you will have a good year if you make a lot of noise. So every one is trying to outdo the other.

The missions are facing much opposition but still growing. We hope by God's grace to organize the San Pablo Baptist Mission, on April 1, 1989. Please pray for this area.

The work at Antipolo is suffering the most. But, we press on hoping soon to see the fruits from the seeds that we have sown. I have a young seminary student now working with me there. **Please pray for this young man; his name is Timothy.**

God has continued to bless us in times of adversity, for this we **Praise him**, and count it all joy for the trials of our faith. There is much to be done, no time to moan about problems we have been through. **Brethren, pray for us. Support as you can the work of B.F.M. and the special work of the missionaries for the glory of God.**

Dear Brethren:

I left for Peru January 20 and arrived back in Miami February 3. Bro. Charles Keller from Beattyville went with me. We arrived in Lima 1:30 a.m. Saturday, January 21. Sunday I preached at Ventanilla in both services. The Peruvian pastor, Bro. Marcelino continues faithful and the work is doing well. January 24 we went to Huanuco by Aeroperu. The terrorists have taken over several of the smaller towns around Huanuco. The city of Huanuco seems to be fairly safe so far. January 25 I met with the Peruvian pastors from Tingo Maria and areas around Huanuco. On Wednesday night the Zion Baptist Church met with the church in Huanuco with the building full. On Thursday we flew back to Lima, arriving about 2:00 P.M. I flew

Homer Crain

to Pucallpa at 5:00 P.M. by Faucett Airlines. I had a ticket to fly to Iquitos by Aeroperu but the flight was cancelled - lack of passengers. I had a very enjoyable time with Sheridan, Anita and the children. Saturday night Bro. Keller returned to the states. Sunday, January 29 I preached again at Ventanilla baptizing 8 in the afternoon. Jan. 30 I picked up passport and documents and worked on the van. On Wednesday I preached at Ventanilla and two young ladies ages 17 and 19 were saved.

Thursday, February 2 I arrived at the airport at 10:00 P.M. and the plane finally left at 3:00 A.M. arriving in Miami at 8:00 A.M.

Terrorism in Peru is increasing and spreading into new areas. Our Peruvian pastors want to keep carrying the message of God's saving grace into as many areas as possible. Please remember them when you pray.

In Jesus Name,
Homer R. Crain
