Dear Brethren

We got moved and are trying to find things. We should be used to it as much as we have moved, but it is always a hassle. As I said in my last letter we have finally closed the deal on a lot at Chacara dos Pineiros. Most of the brick, sand, gravel and lumber for forms are there. We have put in the electrical switch box the electrical switch box

in the outside wall and are soon to have city water on the site. The work there is going well but with the stiffest op-position I have ever en-countered in a new work. The Pentecostal folk are there on the week-ends with us during our visitation. They criticized us to the folk there. The

the folk there. The Harold Draper Catholic priest is offering picnics and one Sunday night even free beer to the local population. Also, the lot we bought we have now discovered is next door to one of the biggest centers of witchcraft in the city. But all this only shows the need of a true New Testament work in the area. I'm afraid that even in the States we sometimes are afraid to go in the difficult places and most new works are started with only people who are already church members. The 45 year old man who had told us he couldn't go on much longer has made a profession of faith under Bro. Creiglow's preaching. He is very happy and is trying to bring his family to church. He only lacks his wife and she is open to hear the gospel. Also, one of the The Harold Draper

men at the Good Hope church has agreed to work at this work. Both he and his wife have been Sunday school teachers for years and are very gifted. We are rejoicing that the Lord has raised up this family to help in the work.

IN BRAZIL SINCE 1923

Our work in Tijucal had its first service this month with a good attendance with over 40 from that area in attendance. We are praying that the Lord will give us soon a family to work there. We have one in mind but have not invited them yet.

The work here at Boa Esperanca (Good Hope) is very active with good attendance and a good spirit. I baptized 3 yesterday in the morning service and the house was almost full. We are doing a lot of visiting and the Lord is sending in people to hear the gospel. I am spread very thin in the work. I must give time in 3 works. Even though we may be able to get 2 workers from the churches here, they have no experience and must be supported. We experience and must be supported. We desperately need another missionary family. Brother and Sister Creiglow will be leaving us in 3 months for furlough and will not be back in this area for about 18 months. He and I have started 3 new works in the last 10 months and all 3 already have meeting houses (2 only temporary ones) and all 3 have lots bought and paid for. We have started the Bible Study Group for workers (Seminary) and are trying to encourage the 2 organized churches (soon to be 3) to grow both spiritually and in numbers as the Lord blesses. Pray with us for a new family.

#### **FOUNDERS MONTH**

**PERU 1935** 

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some, but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking abou this. We ask that each church pray about it and then do what God leads you to do.

### NOTE ON WEST INDIES AND KOREAN WORKS

Please remember these works and give regularly. A good work is being done in the West Indies and in Korea which needs more funds than are being received. More will be reported on these works in months to come, But, they need more regular funds now. Please pray about this and give. Thank you.

Dear Brethren:

This has been a good month with God's blessings upon us and our work. Peritoro Baptist Church - The pastor reports

good services with three professions of faith with three awaiting baptism. We need to build Sunday School rooms and repair the roof.

Cantanhede - June and I went there, Sunday March 12. We thought we could get there for we could get there for the morning services but the 24 kilometers of mud

Anil Mission - The mission took up special offerings and they gave me \$89.00 (they are very poor) to buy lumber for the roof of their meeting house. For the last two and one half weeks Brother Trindade (pastor from Anajatuba) and I have been busy building the heavy trusses - we finished it yesterday. Now we must get the clay roof tile to cover it. We are borrowing some money from some other funds, as I have to get the roof on. We need your help more than we have ever needed it. Please pray and give as the Lord leads. Mark your offerings for Bean's buildings.

May God bless each one is our prayer.

Brethren:

Time is passing so swiftly as we prepare to arrange the missions before returning home on furlough. By God's grace, we will organize the San Pablo Mission April 28th. During the 1st anniversary services, God blessed the services; a Mr. Luna (the principal of the university there in San Pablo) attending the services, professed faith in Christ as his Saviour. He has since allowed us to conduct Bible studies

to conduct Bible studies once a week with stu-dents interested in John Henderson studying the Bible. We average around 50 students a session.

Mr. Luna has also invited us to use the school for our organization of the mission. For this we pralse God. The building we are meeting in now is too small. We're looking for a larger building to hold services, but the rent on the bigger buildings is more than we can afford at this time, so we just keep praying that God will soon open a door for us. Mr. Luna has invited us to use the gym at the school for our regular services. But, we hesitate because the school is a Catholic supported school. This could eventually create a problem, Even though Mr. Luna is willing, it could jeopardize his job. We would not want this, Please ray for us for a larger building ... Mr. Luna has also invited us to use the

Pablo. We praise God for giving us a people desirous of a new testament Baptist Church. A people who have stood with us. Church. A people who have stood with us, by us, through many trials. But, most of all we praise God for you, you the faithful, who pray for us and our needs, you who continue to support us and our works. Without you, this missionary would not be here in the Philippines reaching the lost with the General Braine God for all the you. the Gospel. Praise God for all of you.

The attendance at Antipolo is growing in numbers each week. We are averaging in numbers each week. We are averaging 100 in every Sunday morning service. Praise God for these who are coming, seeking to know the word of God. We added 3 members by baptism this month.

The young preacher, Bro. Timothy Ogatis Jr., has really been a blessing to the work. We thank God for sending him to us. God is using him greatly, so continue to pray for him

The Missions at Solid Rock and Visayan Camp continue to grow. We average 30 a week at Solid Rock and around 50 adults at the Visayan Camp. God has opened the door and we thank Him for His blessings in these newest areas. We pray that the two students we have assisting us in this area will accept the challenge, and by God's grace, they too, by 1990, could be organized into local churches.

The Baptist Church Planters Philippines Inc. (B.C.P.P.I.) was registered with the Security Exchange Commission in March. It is composed of 8 national pastors and 12 trustees. We have patterned it after B.F.M. The pastors and churches are greatly encouraged by the organization of local churches working together to spread local churches working together to spread the gospel and to fulfill Matthew 28:18-20. Pray for B.C.P.P.I.

Saturday afternoon, March 4th, I was attending a committee meeting at the church when two ladies appeared inviting us to visit Dona Ester Shalom Benacom. The dear lady had suffered a stroke and they thought she was dying. They had sent for a priest also. The priest arrived just before we did, but when Dona Ester didn't want to be baptized, he very graciously left. We then prayed and witnessed to Dona Ester who received Jesus Christ as her Saviour amd Messiah - Praise the Lord! The last report I hear, she is better. last report I hear, she is better.

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, MT March 20, 1989

Dear Brethren,

Although we still have a lot to do there, we are trying to work our way out of Novo Diamantino. This past week we went there

Diamantino. This past week we well there to fix a few things around the building that have needed to be done for a long time. We went on Wednesday and came back after services on Sunday night, getting home at almost midnight. Three weeks ago I started a new convert's class and have given each student a study workbook to take home to study for the next class and it has been a Bobby Creiglow

joy to see them get together during the week to study together. A young man from the Boa Esperanca Baptist Church went with us last week and this is the first time he had been there since we started almost a

year ago and he said, "The Christians there act like they have been saved for a long time." We are very pleased with their spiritual growth. It still rains a lot there and that has hurt our attendance some, but when we consider the fact that it has rained right at service time, it hasn't hurt us all that much. After our lesson on Baptism in the new convert's class, we believe we will have several to baptize. We have had five or six professions of faith there this month.

On a small scale, our seminary classes are still going and we are counting on the Lord to raise up men in our works in this area to be able to expand the work.

Bro. Draper has been and is being a blessing in all the works here

We ask you to pray for Bro. Carlos at Novo Diamantino. This kind of work is all new to him and he is still young. We hope he will grow with the work. Thus far he is going very well. Pray for us as we try to wind things up in these next three months.

Letters Lost. . . Report on Trips to Interior. . . People Saved and Baptized. . . Thanks to All. . .

by Asa Bratcher

Caixa Postal 227 69000 Manaus, Amazonas Brasil, S.A. Feb. 15, 1989

Dear Brethren,

Unfortunately, it seems most of my last letters were lost. By faith, I trust this one will make it through. We have been having serious problems with the mail lately. So, in

serious problems with the this letter I will review some of the latest events. The Lord has blessed us in so many ways lately, despite the hardships and financial difficulties. Inflation last year in Brazil was over 1000%. In Sunday School

this year, the church is in have more present each Sunday this year than last year. So far we have won 4 out of 6 Sundays. Our highest attendance so far Asa Bratcher has been 367

In October, I visited the mission points at Novo Remanso, Amatari and Parana da Eva, baptizing seven.

The last of November, we traveled to the interior town of Manacapuru to ordain Brother Marcondes Tavares to the gospel ministry. He had been serving almost a year there as pastor of the Zion Baptist Church. Pray for him, his wife Queila and young son, Stanley Jones. Marcondes grew up in the 14th of December Baptist church and is a graduate of the Bible College in Manaus. He is doing a good job there.

In December, we were again in the interior to organize the mission at Parana da Eva into the New Jerusalem Baptist Church with 37 charter members.

On January 20th and 21st, Lucy and I were in the interior town of Itacoatiara, where I was the main speaker of the 2nd conference for Christian leaders of the Amazon Interior. The first one, you recall,

was last July in Manacapuru. Every session was well attended, with between 150 and 220 present. I spoke on the subject, "The Divine Calling", and the Lord blessed with a great spirit of revival.

This month, between the 6th and 8th, our church sponsored the annual retreat to escape the Carnaval (the sin feast). It was the best attended with over 110 spending the days studying the Word, etc.

Do continue to pray and give as the Lord leads, as there are so many needs. If possible I would like to soon have printed in book form my doctoral thesis which I wrote as required for the Doctor of Ministry degree at Luther Rice Semining which I received in 1987. The title is Paul's Doctrine of Grace. I hope to finish translating it very soon and would like to have it iblished before furlough time.

Also, the 10th of last month I preached at our congregation at Armando Mendes, celebrating their first year. The Lord blessed with over 130 present and three adults made professions of faith. The mission there desperately needs a new building. If any church or individual can help, just mark your offering: Bratcher Buildings (Armando Mendes).

I would like to finish by expressing our I would like to finish by expressing our deepest thanks to all the churches and individuals that always are writing and encouraging us. We appreciate this so much. Lucy and I especially want to thank brother and Sister King and the Park Ridge Baptist Church and the Richland Baptist Church in Livermore, KY, for their many cards and kind thoughts sent to us. Also, a thousand thanks to Brother and Sister thousand thanks to Brother and Sister Gilbert Casey for their most generous Christmas gifts. Without all of you, humanly speaking, our ministry here in Brasil would be impossible. To each of you our deepest thanks and to our Gracious Savior all the Honor and Glory forever.

In His Service. Asa Mark, Lucy, Marcia and Lucy Marie

Dear Brethren,

The past few weeks have been some of the best that we have had in some time. Our God has been giving us many bless-

The first week of the month we had camp. We had 45 to go this time, which was a small group, but since the road is closed down for the remainder of the

Since then we have had just wonderful services here at First Baptist Church. Our attendance is back up to where it should be. We have been having well over 300 in

our Sunday evening services. In our Wednesday and Friday night services we have been having around 200. One Wednesday night we had over 250 present. We have had people coming forward making many decisions. Four people have been saved. One was a teen who had been at camp with us. Two others were young marrieds. The other was a little girl. The young woman is married to a communist and comes from a very oppressive home life. She left her very oppressive nome life. She left her house on Sunday morning to go to mass, but got there late. She had been to our church one other time at her sister's wedding. She decided she could not go home without going to church somewhere. I talked to her for a while before services. talked to her for a while before services. Some of our girls tried to get to talk to her, but she left before they could get to her. We had been home about a half hour when she came to our home in tears. Bev worked with her for over 3 hours. That night she came back to church and was saved! We have also had several requests for baptism and one coming by letter.

To top it all off, we had a special offering last Sunday night. We are getting ready to put the roof on the building up river at Profeta and trying to get some more work done on our building here in town. The offering was over \$1,000.00. That is big money in this town! We are thankful to our Lord for the blessings.

May God bless all of you just as much.

Still more good news; the construction our Mission building

The bad news: Peru as a country is in a bad political situation. Strikes and protest marches are everyday occurrences Sheridan Stanton

throughout the country. Last Thursday in Pucallpa, three blocks from our house, the farmers staged a protest march against the government. The result was 42 dead and 60 wounded with hundreds more arrested. So much craziness here and so many souls lost and dying without Jesus.

The only light at the end of the tunnel is our Lord. Things look very dark right now, but HE is the light. You folks back home keep a bent knee, head up and your eyes the Lord. While craiting places remove. on the Lord. While praying, please remember the Stantons - our strength to keep up the hectic pace, and for our safety.
