### JUNE IS FOUNDERS MONTH

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some, but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

### We Appreciate This Letter

**Grace Baptist Church** 2920 Beaver Valley Rd. Fairborn, Ohio 45324

Dear Brethren:

Grace Baptist Church is vitally interested in B. F. M. even though we no longer sponsor the Labor Day Conference. We have increased our monthly support and are seeking to have a good offering for Founder's Month in June.

The Spring Conference and Thanksgiving Conference produce a large portion of the revenue for B. F. M. but we need a good offering in June to aid the sagging resources. Therefore, we urge all supporting churches and fellow believers to propose to give, as much-yea even more, to the General Fund. There are cars to be purchased - walls to be built - roofs to be put on - property to be purchased - medical needs to be supplied missionaries to be sent out and new fields to be opened.

What one of us can't do alone, together can be done as we pray and give over and above what we contributed to the Labor Day Conference.

Dear Friends,

Since arriving in the United States, we have traveled more than 21,000 miles. Our hearts have been encouraged by the reception and the interest shown by the churches visited.

During the month of May we will be visiting churches in West Virginia, and in the month of June we will be visiting churches in the Detroit

OLD AGE WRIN-KLES. I tell Alta I prefer

to refer to my wrinkles as expression and charac-John Hatcher ter lines. As people grow old their faces reveal a lot that the heart tries to conceal There are different lines for smiles and frowns, for anger and forgiveness, for peace and fear, and for bitterness and sweetness and rear, and for bitterness and swettness of spirit. Lines caused by bitterness, anger, and fear have a tendency to deepen as life passes. Likewise, the lines which express joy, forgiveness, and peace, also, become more indelible. No one seems to be able to avoid the facial lines that tell much about how we have matured. how we have matured.

Churches, too, have personalities and factal lines that might be called "wrinkles." Maturity comes by the passing of the years, the gaining of knowledge and understanding. Maturity helps us make better choices if we have the right kind of lines. It does take time to reveal a man's desires and purpose in life.

Baptist Faith Missions has an existence old enough to reveal some character lines. I

like what I see in those lines. They reveal a good spirit in trying to reach the lost. They reveal good faith and fairness toward the missionaries. They reveal a stability and faith that genders confidence. They reveal the faithfulness of the missionaries who have worked hard and have produced results, good results in five countries.

The lines of Baptist Faith Mis reveal joy and contentment in what God has done, they reveal peace in the confidence that God will continue to bless, they reveal kindness and forgiveness where they have not always been understood.

No one bats a 1000%. No one is perfect. But, Baptist Faith Missions has a good batting average. Take a good look at the work that has been done, the number of churches that have been organized, the number of permanent missions in different cities, the number of nations where miscities, the number of nations where missionaries have been sent, the small number of missionaries that have left the field, the large percentage of missionaries who have been on the field for more than 15 years, and THE AMOUNT OF WORK DONE FOR THE AMOUNT OF MONEY SPENT ON EACH MISSIONARY. ### Report From the West Indies

Dear Pastor Overbey & Saints:

Greetings in the precious name of our Lord and Saviour Jesus Christ.

We always give thanks to God for you, making mention of you in our prayers. It is because of your prayers and financial assistance that we are able to assist many of the nationals to establish New Testament churches throughout the West Indies.

After the Spring Break our Bible College is in full gear. We are looking forward to the graduation with great anticipation. But until then (May 27), there is quite a lot of studying to be done.

Our plans for V. B. S. and summer camp are progressing on schedule. We have received five scholarships for summer camp (\$400.00). We need fifteen more. Also we received a small package soaps, toothbrushes, toothpaste, with soaps, toothbrushes, toothpaste, dedodorant (five of each). We appreciate this very much. The purpose of this camp is to reach neglected boys and girls in the virgin Islands with the Gospel, and to show them that people care.

Dear Brethren,

Trust this letter will find each one of you well and content as you serve our gracious Lord there. I also pray that the annual Missions Conference at Thompson Rd. and the Bible Conference at Ashland Ave

ference at Ashland Ave. will be the best ones yet.

The Lord is blessing us here. On Easter Sun-day I had the privilege of baptizing ten, with over 300 present. This past

Sunday morning there were five decisions, for which we praise Him. Also I have preached at several of the churches lately. Last month I was at the Mount of Olives Baptist Church, I was at the Mount of Olives Baptist Church, where Bro. Osvaldo Rodrigues is the pastor. Then on March the 12th, I preached at the Gerizim Baptist Church, celebrating their 14th anniversary. Their young pastor, Bro. Edilson Miranda is doing a good job there. Last Sunday night I preached and celebrated the Lord's Supper at the Novo Amanheer (New Daybreak). Baptist Amanhecer (New Daybreak) Baptist

Church, Their pastor has moved to another town. Pray for the young Bible College student, Brother David Farias, that is faithfully trying to carry on there.

We are doing fine here except for Lucy Marie having a serious throat infection. She had to take 5 shots but is feeling better

Do continue to pray for us as we carry on here until July, which is furlough time. There is so much we would like to do yet. Pray for us on May 1st, when we will be having a Bible conference on "The Charismatic Movement according to the Scrip-tures." We are hoping this will be a blessing for the members at our churches, as this movement has damaged in some way or another, most of them. Also many have been led astray.

When we arrive in the states sometime When we arrive in the states sometime in July, we will be needing transportation. If you have a car, etc. that we could use for a year, please let us know at the above address or through Bro. Overbey. Also, we plan to be in Florida until around the beginning of August. If any of the churches would like to have us visit and tell about the work, just let us know. It would be an honor.

Until next month (if this letter makes it through the mail)!!!

That class is doing very well and after the lesson on baptism we had five that asked for baptism. All five of these had been saved within the past few months, so I baptized them that Sunday night. If all goes as planned we will organize into a church this month and at the same time we will ordain their pastor. this month and all ordain their pastor.

We have a pastor's and wife's meeting each Tuesday, meeting in one of our homes with refreshments and good fellowship for two or three hours. Betty and I always look two or three hours. Betty and I always look forward to these meetings and believe the others do also. I go right from these meetings to my seminary class that I am teaching. We just finished a study on the attributes of God and most of our eight students did pretty well on the test. I enjoy teaching the class. We are now going to study the book of Galatians.

We just finished our first year back here in Mato Grosso. We had a Special service out in the Tijucal Mission to commemorate and to thank the Lord for the way He has blessed us in the work here. At this time I am covered up in work. We are now putting a roof over our temporary place of meeting in Tijucal. We already have about 40 people from that area who regularly come to

As most already Harold Draper know Bro. Creiglow (Bobby) and I are involved in a joint work in a place call "Chacara dos Pinherios". I am in construction there also. We had a 21 year old lady saved there Sunday night. One of the young preachers from our church is preaching there and is really

growing in the ministry. Several from the ijucal area are helping out there in getting the work started.

The work here at the Boa Esperanca church is stable. We have some very good people who are grounded in the truth. Some of them seem to be grounded when it comes to go out and visit also. I am trying to encourage them to evangelize in the church community. We are still without a pastor here and I am filling in. I have been trying to cover 3 places until recently. I still do most of the visiting for the 3 places. Brethren, we need a missionary family here. Pray about need a missionary family here. Pray about this. The fields are truly white unto harvest. Cuiaba' will double again in just a few years. It is becoming the "St. Louis" of the early "Go West" in the States. We have 2 ailroads coming our way in the next 5 years which will industrialize this area and bring in hundreds of thousands of new people! Let's work to be prepared to evangelize these many souls. It is the Lord's work, but yours and my responsibility.

We are doing okay as far as health. Ursula is getting extensive dental work done. Michelle is doing much better after her ear surgery. I am feeling great except for being tired in the heat. This has been a busy month for June and me, traveling 3 Sundays to be in different churches.

Anajatuba - Sunday, March 19, we went to Anajatuba. I preached Sunday morning, also Sunday night. Sunday afternoon we went to visit a woman who is dying with cancer. We told her the sweet story about Jesus and she made a profession of faith; we had a good day in Anajatuba.

Faith Baptist Church - Turu - Sunday March 26, we were with the Faith Baptist Church - Turu. They are without a pastor since Brother Silvester resigned and went to Peritoro. One of the lay preachers takes care of the services. We had a good time with them.

Peritoro Baptist Church Pentoro Baptist Church - Sunday, April 2, June and I went to Peritoro' Baptist Church. I preached Sunday afternoon in Coroata' a town 34 kilometers from Peritoro'. One sister from the church was in the hospital. Sunday night, Pastor Silvester baptized five and after I preached three

made professions of faith. They report that the next Sunday, three more made professions of faith.

The past two Sundays I have been at New Hope Baptist Church. We had some problems with the pastor who was changing the order of services and some other thing the order of services and some other things. The church stood firm and told the young man - It is like this or you can turn in your resignation. He told the church that he would maintain things as they were. We have had a better spirit in the church now, Psalms 133:1, "Behold, how good and how pleasant it is for brethren to dwell together in unity". April 13, I went to Gantanhede to visit our Mission there. The road is bad, only buses and trucks can pass: no let up in the visit our mission triefe. We need funds for doors, windows, floor and plastering and also wiring. Help us if you can. P. Visas, A Brazilian Deputado (Federal Congressman) has been helping us with P. Visas. We received a letter on Saturday from the Justice Department in Brasilia wanting more papers. My lawyer took these papers to Brasilia and he will present them to the Justice Department. We just recently concluded the camp

The schools are going well, we are staying quite busy with the publication of curriculum that we mentioned in the last

We have been having folks saved just about every week. One of the blessings has been the number of deaf that we have seen make professions of faith. One deaf person was baptized last Sunday and another one the previous Sunday.

The chapels are going well. The young preachers are really doing an excellent job and developing in the ministry. We are looking for land to build another one. The mission at the camp is doing quite well.

You may recall our sharing with you news about the river ministry last the news about the river ministry last summer. We now have one of the young men in the church who travels once each month to the area where the work was started. During the interim weekends the believers meet together for Bible Study. Land for a building in that community has now been donated. We hope to build there

Dear Brethren,

Our God has been doing so many great things for us that it is difficult to pick a best blessing to get this letter started with.

best blessing to get this letter started with.

I'll begin with our quarterly preachers' meeting. This was held at the church at Mourapiranga. Brother Edimas is pastor. We had 32 preachers present. The reports from all around were good. The best result from this meeting was the working out of final details for the churches to work together in supporting full time missionaries. In the meximum of the months

her in supporting full Mike Creiglow time missionaries. In the next few months we hope to have a couple of local men in the field full time. The meeting was closed with a service in the evening. There were over 300 present for this open air service.

The work in the interior has gone well. There has been a couple saved at Valouiria. The roof is on the building at Profeta.

We have had several more saved in the past few weeks. Most of these continue to be teens and young married people. We have also had several more requests for baptism.

A couple of weeks back I took the A couple of weeks back I took the whole family with me on a trip up the Moa River. We held 3 services at the base of the mountains. There are now about 30 believers there. On the way back down stream we visited the congregation at Sao Salvador and the church at Peri-Peri. We were away for a week. All the work in the Moa River is going well. The churches at Peri-Peri, Maita and Japiim are working there and one of the major tributaries, the Rio Azul. All of us really enjoyed the mountains and streams. I think everyones' favorite place was a spring where the water is about body temperature and there is a pool in the rock that is big enough for the whole family to get into. We spent an hour or two there every day.

God bless you all and thanks for your prayers and support.

## "The Wind Bloweth Where it Wishes. . ." Friendship Evangelism and a New School. . .

Dear Friends,

There's a cool brisk breeze blowing outside as I write these times. To many, this is a dismal promise of cold winter days ahead. I can't help but to be encouraged by its sound. It reminds me of

sound. It reminds me of the verse in the gospel of John, "The wind bloweth where it wishes and you hear the sound of it but you do not know where it comes from or where it is going; so is everyone who is born of the Spirit". Lately, we haven't had any additions to our church, or in fact, any outward evidence of growth in our members. But

this truth concerning the workings of God's Spirit helps us to know that not everything He is doing is visible to the eye. We intend to continue in our work and to trust God for the results.

Some of you may remember that when we were with you I spoke much concerning evangelism through friendships. Though there are a few exceptions to the rule very few people come to know Christ through door to door visitation. Studies show that most folk are won by family or friends. The missionary has the obstacle of having neither of these when he arrives in his field of service. Therefore it is his responsibility to develop them. We recently began a school to help students who are having difficulties in their studies. We hope that by helping them in this way we can build friendships with them and their families. Through these friendships we hope to be able to share with them God's love. Who knows where the wind may let the drifting Some of you may remember that when knows where the wind may let the drifting

In Christ's love. Bobby & Charlene Wacaser
