### New Church Organized in Novo Diamantino . . . Brother Carlos called as Pastor and Ordained . . .

by Bobby Creiglov

Caixa Postal, 720 78.000 Cuiaba, MT Brasil May 11, 1989

Dear Brethren:

On April 1, 1989, the first anniversary of the work in Novo Diamantino several from the Faith Baptist Church in Varzea Grande along with a few from the Boa Esperanca (Good Hope) Baptist church went to Novo Diamantino to help us organize the congregate.

organize the congrega-tion into a church. I told the congregation that I thought it best to have it in the afternoon because if it was at night those from out of town would get there hungry and leave there the same

leave there the same way and they said let's Bobby Creiglow feed them. I told them if we were going to do that, let's also invite all the charter members for a good time of fellowship also. Soon it was all planned as to who would bring what and on Sunday afternoon there were around fifty present with enough food for this other many. Evenoper early over did for twice that many. Everyone really over did it and it was a great time.

Services started on time that night and within an hour the Faith Baptist Church of Diamantino was born from the Mother church of the same name, in Varzea Grande. Twenty of the twenty-two charter members were present and all were in agreement to accept the church covenant and by-laws. The new church at that time called Carlos Ferreira Braga as their pastor. Pastor Carlos has been serving as pastor along with myself for the past six months. He is from Cruzeiro do Sul, Acre where he worked with our son Mike for many years. He has a wife and three boys.

After the organization service the new church ordained their pastor. The ordaining council was made up of Elder Harold Draper, Pastor Candido Carvalho, Pastor Mike Creiglow and myself with Mike doing the interrogation. After the laying on of hands in behalf of the church I presented the pastor with a new Bible. Both of these services took just two hours after which we from Cuiaba and Varzea Grande made the one hundred and thirty-five mile trip back home. There has been one person saved since the church was organized.

The next three days were spent running Mike around town buying things he would need for the work back in Cruzeiro do Sul. We were very happy to have had Mike with us for those few days, but on Thursday of that week we took him to the airport for the two thousand mile trip back home. We don't get together very often, but we enjoy it when we do.

#### The General Fund

All offerings are needed and greatly appreciated but none are more important than the offerings to the General Fund. All offerings not designated go to the General Fund. All salaries, regular monthly expenses of the missionaries, transportation, medical, etc., come out of the General Fund. We need \$30,000 a month in the General Fund just to break even. Please pray for this fund and give regularly to it. We are not averaging \$30,000 a month in this fund at present. We need your help in this

On April 18th, we organized San Pablo
City Baptist Church. We praise God for
each member and their faithfulness through each member and their taithtuiness through many hard trails. The church voted Norman Millares as their pastor. We know God has given him a special love for the people of San Pablo City. Please remember this new church and each member and their (God called) pastor in your prayers.

Our mission at Antipolo celebrated its 1st anniversary on April 23, 1989. God blessed with an overflowing crowd. We had to borrow chairs and benches from our neighbors. Some people had to be seated outside. We praise God for his blessings in this new work. These last few months have this new work. These last few months have been great. Not only the attendance but the growth of the people spiritually. God sent a young man to help in the work, Brother Timothy, who is a soul winner with a love for the lost. We added 10 new members this month. The members are being encouraged and are now going on visitation and soul winning. They are taking a more active part in all the worship services too. They have asked to be organized before we go home on furlough. You, pray for them.

#### Dear Friends

During the month of June we will be in the Detroit area visiting churches. In the month of July we will make a 10 day trip to California and then, the Lord willing, we will be packing and making the necessary arrangements for our protuct of Prazil

return to Brazil.

God has blessed us in our travels and visits to many churches and we are encouraged with the good reception and the interest on the part of many concerning the spread of the Gospel.

important as our going. News from Brazil tells of one new property being bought for a new mission. In another city the people are making plans to reach out to another city. The field is ripe, the doors are open. Pray the Lord of the harvest will send faithful laborers into the fields

OUR BIGGEST GOAL - As we go back to Brazil our goal is to start new works in 30 different cities. Hopefully, one of these new works will be started in each of the States where BFM does not have a work

TWO BUILDINGS - There are two buildings we are committed to build. One is in the city of Marilia where we have property bought. This is a city of 150,000 population. The other city is Cornelio Procopio, a city of 70,000 population. These buildings are vital to the future of a lot of our work. Please pray and give as the Lord leads.

COLORED POSTERS OF NEW WORKS - Alta and I would like to send your beautiful color and will be great for your Mission Bulletin Board. You will have to write and ask for yours before June 30. Send for one for your church. Sorry we cannot offer them to individuals.

This next term on the mission field could be the greatest God has ever given us. If He used Samson to kill more Philistines in his death than in his life, then Philistines in his death than in his his.
God could give us more fruits in the part of our ministry than all previous.

Report on Building at Chacara dos Pinheiros... One Saved There...

Need for More Workers. . .

by Harold Draper

May 19, 1989

Dear Brethren,

It seems like just last week that we wrote the last letter. We are up to our ears in the work and enjoying every minute of it. Our building in Chacara dos Pinheiros is about ready to be covered. All the walls are up and this coming week we will roof it. It will take considerable time in the finishing

will take considerable tim with plastering, wiring, plumbing, etc., but we are pleased with the progress. The services there are being handled by one of our young preachers, who is doing a good job. The attendance is up on Sunday nights and we had a 21 year old girl saved reyear old girl saved re-cently there. We believe this will be a stable work

this will be a stable work
if we can get a good worker there. Workers
continue to be our greatest need. We have
besides the young preacher who is working
there, two other men who feel called to preach. One has already taken care of the work some, but is a truck driver and is seldom here on week-ends. His brother also wants to be used and lives in the community where we are starting the other new work. In a few weeks we hope to begin a Thursday night prayer and Bible study

service in that area with him taking care of it with our help.

The Good Hope Baptist Church where The Good Hope Baptist Church where I am filling in as pastor is about the same. We have good attendance on Sunday in the services. Wednesday night is like most churches back there. We have a good spirit in the services, but little concern for the lost souls around in the community. They depend on the pastor to do most of the personal work and with 3 works going and in the middle of construction. Lam not able in the middle of construction, I am not able to do as much visiting as I would like to do. But hopefully this will soon get better. I am trying to turn the Chacara dos Pinheiros work over to two of the men of the church so that I can concentrate on the other 2 works. We still stand in great need of a missionary family. Brother Creiglow is to be leaving us in about 4 weeks. We already are beginning to miss him and Betty. We have enjoyed working with them this past year.

We want to express our appreciation to y one of you who pray for us and every one of you who pray for us and support the work in any way. Remember all of your missionaries in prayer. There is much opposition to the truth in this world and they need your prayers. Satan is a roaring lion seeking whom he may devour.

Caixa Postal 227 69067 Manaus, Amazonas Brasil, S.A. May 11, 1989

Dear Brethren,

Another month has rapidly gone by us into eternity. As always the Lord has blessed us in many ways. We praise Him for each blessing.

for each blessing.

Last month, I preached at the 1st Baptist Church of Iranduba, a small town across the river, going by ferry boat, on the road to Manacapuru. Pray for that small church as they have a nice building, a large lot and even a three bedroom parsonage but no one to live in it and pastor the state of the

Asa Bratcher

one to live in it and pastor the church.

On the first day of this month over 170 of our young people from all the churches that cooperate with B. F. M. got together to study the Bible and have a time of fellowship. It was held at the Chapada Baptist Church and the subject studied was "The Charismatic Movement Examined by the Holy Scriptures." Almost all of the Baptist churches here have had problems with the "Charismatics", one way or another. It was a joy to see the young people really interested in what the Scriptures say.

Sunday, despite the rain, there were 283 in Sunday School and good services throughout the day.

Last Friday, I performed the wedding ceremony of a faithful young couple of the church, Ozeas and Edileusa. She is the church, Ozeas and Edileusa. She is the church's secretary and has been a faithful member for 8 years and he has been a faithful member for 16 years. There were many people present, with many unbelievers commenting on how beautiful a Christian wedding is. That reminds me of the quote from Tertullian in the third century AD which I translated and used in the ceremony and will share with you.

"Beautiful the marriage of Christians, two who are one in hope, one in desire, one in the way of life they follow, one in the religion they ctice.

They are both servants of the same Master. Nothing divides them, either in flesh or in spirit.

They are two in one flesh, and where there is one flesh there is also

one spirit.
They pray together, they worship together; instructing one another, strengthening one another.

Side by side they visit God's church; side by side they face difficulties and persecution, share their consolations.

They have no secrets from one another; they never bring sorrow to each other's hearts.

Unembarrassed they sick and assist the needy. They give alms without anxiety.

Psalms and hymns they sing. Hearing and seeing this, Christ re-joices. To such as these He gives His peace.

Where there are two together, there also He is present; and where He is present;and where He is, there

May this always be true in our homes and marriages.

Nine Waiting for Baptism . . . Mission Points Continue to Do Well . . . At Conference in Cruziero do Sul . . .

by Paul Hatcher

May 30, 1989

Dear Brothers and Sisters,

How do you describe a routine month? I considered this dilemma, the past month became less and less routine. Each Sunday we have witnessed 2 or 3 professions of faith in the services of Tabernacle Baptist Church. Each of these is a miracle.

Several have also been saved at the mission points. There are 9 awaiting baptism this coming Sunday from the missions.

The mission points continue to do well. We have 3 preachers working at each who rotate in preaching and the other duties. Pastor Miguel oversees their training.

The Gospel is preached and leaders are trained. The new mission point at the camp is developing steadily.

The camp beginn about 40 to 45 each They are having about 40 to 45 each service. Of the 125 students in the Seminary, 16 are training for the office of church leadership. I do home visitation with others on a rotating basis at the various chapel

Last month I mentioned that we would soon be building at the lot donated to the mission work on the river. The donated lot

between the homes of the two most faithful families. It is also presently under 3 feet of water. Our plans to build this month were deferred to the month of September. Due to the high flood waters a number of the members of this congregation have temporarily moved to higher ground.

One of the highlights of the past month was a trip to Cruzeiro do Sul to be with Mike Creiglow and the First Baptist Church for a conference marking the 60th anniversary of the church. Pastor Miguel from our church and Pastor Wanderlei of the Chapada Baptist Church in Manaus also were there. We had excellent services and were thrilled with the progress of the work in Cruzeiro. We had the opportunity of preaching in several other churches as well while in the State of Acre.

There are a number of good dedicated workers at Cruzeiro do Sul. We enjoyed meeting and fellowshiping with them. We really appreciated the loving hospitality of the Creiglow family.

Such were a few of the moments in a 'routine' month. The least tasteful ones we will share with the Lord.

Continue to pray for us. We thank God for your faithful support. In Christ Paul Hatcher and family Souls Being Saved in Peru in Spite of Terrorists and Great Unrest. . . Baptist School Faces Financial Problem. . . A Special Offering for the School is Needed. . . Thanks to Home Church. . .

Dear Friends: Jesus is still very much alive and working in Peru. In spite of the serious terrorist situation, the poverty, and blatant lawlessness; souls are still being saved.

When the times appear to be at their

darkest hour, Jesus shines even brighter. The people here in Peru have lost faith in the government, the police, and military. However, the faith of God's children seems to grow stronger. Faith is strongof the churches have moved their night ser-

The Pucalipa Baptist School is continuing still, although with difficulty. Last year we had a little more than 700 students in the school. This year we have only 550 students. The reason is twofold. Some just can no longer pay the basic tuition. (The average wage in Peru at this time is \$35.00 per month). But the main reason is that so many have left Pucalipa for fear and gone to other cities and many have left the country altogether. I had to stop all construction on classrooms, and bathrooms last month so I could meet the payroll. Pray for our situation with the school and maybe some of you would like to help our financial problem a special offering for the PUCALLPA BAP-TIST SCHOOL. Believe me, it will be appreciated!

There is good news also. We had a real good mother's day service at our mission the other day, and finished the day by baptizing one brother of 32 years of age. You see, Jesus hasn't forgotten us down here. He still has work for us here.

I thank each of you for your support
and prayers, especially our home church,

lately and given a lot of extra offerings for
the work here. Thank you Pastor Herald and
