Tabernacle Baptist Church Completes 41 Years . . . Work at Boa Vista Going Well . . . Purchase New Press . .

by Paul Hatcher

June 30, 1989

Dear Brothers and Sisters,

By the time you receive this letter Tabernacle Baptist Church will have completed its forty first year of existence. This year, as usual, we are having special evangelistic services. We will report on these next month. The Lord has blessed this church and all of its missionary activities during the past year.

The schools will be out for mid-year break during the month of July (like your Christmas break). This gives us a chance to do sole of the missionant accounts. missionary projects. The river continues to rise as it continues to rain. Most years heavy rains have stopped by the middle of

June. The river is already well over its banks. This means that we will not get to build the mission building on the river for two or three months.

I recently made a surprise visit to the Tabernacle Baptist Church of Boa Vista (near the border with Venezuela). I found the church in good shape. It was a blessing for me to see 150 people participating in the Sunday evening service. They have recently sunday evening service. They have recently added Sunday School class rooms on the back and an apartment for their pastor. This church was started as a missionary effort of our church in 1983. They began to support their pastor completely within the first year. Gerson, the pastor, has been with them since the beginning. He is a graduate of the seminary. It is very encouraging to see a young national church moving forward the way the Lord intended.

We recently purchased another press at a very good price to enable us to keep up with our publishing.

Pray for us. We thank the Lord for your faithfulness.

In the Cause of Christ, Ranaah P. Hatcher

Caixa Postal 24 Cruzeiro do Sul, Acre 69980 Brazil May 26, 1989 Dear Brethren,

The last week of last month I was privileged to be in Cuiaba, where my parents work. On Sunday I participated in

parents work. On Sunday I participated in the organization service of the new church at Diamantino. This is where my father has been working for some time. The town is about 130 miles north of Cuiaba. One of our own men, Brother Carlos, has been there been there since late last year to be prepared to take over the pastorate.
It was also an honour to help in Brother Carlos' ordination. With all the

activities, the week went all too quickly. It was great to be with my folks again and to have some time with Carlos and family, and our two girls Lucia and Eunice, who are there in college.

First Baptist Church just celebrated her 60th anniversary. We held a five day meeting, May 10 through May 14. Our speakers were Pastor Wanderley from Chapada Baptist Church in Manaus, Pastor Paul Hatcher from Tabernacle Baptist Church and his associate, Brother Miguel

Fortes. We finished our auditorium just in time for the conference. The carpet we had bought over 2 months ago came in just the Saturday before the meeting was to begin. We got things in place in time though and the finished product really is nice. A cold front came through just before the meeting, pringing cool nights and perfectly clear skies. It just couldn't have been better. There were 14 people saved and 4 who came back to church confessing sin and making things right. The attendance was great, too. We had over 1000 present for the closing service and over 1200 for the the closing service and over 1200 for the anniversary service. That night there were people standing in the vestibules, aisles and in the streets. The rostrum was full of children - over 100. Unfortunately, many who arrived late and could not get in, turned around and went back home.

We shared the preachers with some of the other churches. They preached at Faith Baptist, Japiim, Maita and Mourapiranga.

On Sunday May 14 we went up river to the congregation at Profeta to dedicate the building there. There were over 150 inside the building for this first service and 3 people were saved. The brethren there repared a big meal and fed everyone who

May God bless all of you at least/as much as He has blessed us.

THE GENERAL FUND

All offerings are needed and greatly appreciated but none are more important than the offerings to the General Fund. All offerings not designated go to the General Fund. All salaries, regular monthly expenses of the missionaries, transportation, medical, etc., come out of the General Fund. We need \$30,000 a month in the General Fund just to break even. Please pray for this fund and give regularly to it. We are not averaging \$30,000 a month in this fund at present. We need your help in this matter.

June 19, 1989

Dear Brethren.

Greetings in the Precious Name of our Lord. We have had a good month. The building in Chacara dos Pinheiros is now under roof and is almost plastered. It is ready to start putting in the floor. We already have the new church

pews built. Bob Creiglow was instrumental in this with the rest of us helping some. I still have to sand them and varnish them. We had 6 profess-ions of faith at this work this month.

The work in Tijucal Harold Draper is about the same. They are having Wednesday night prayer service. We have Wednesday night prayer service. We have not yet been able to finish the temporary building there. We hope to do this soon. The plan is to begin Thursday night services there. Our biggest holdup is our lack of a worker there. We invited one from another church but he declined. We are still praying about this. We desperately need help here. But we are confident that the local will provided in this time. So we will like Lord will provide in His time. So we will just keep on keeping on the best we can.

The work at the Boa Esperanca church is stable. Brother Bobby Creiglow preached for us last Wednesday night and we had a young man saved who has been attending off and on for years. All of us were overjoyed and I'm sure it was a boost to the Creiglows as they were preparing to leave for furlough. What a blessing to see the miracle of the new birth unfold. I had been noticing this young man for several weeks as the Lord seemed to be dealing with him.

as the Lord seemed to be dealing with him.

Day before yesterday we took Brother and Sister Bobby Creiglow to the airport for their trip to the States. They worked very hard this past 4 years and certainly deserve this time of furlough. We will really miss them here in Cuiaba. We are praying that they will be back here with us at the scheduled_time__Do_pray_for_the_young_Brazilian family who are taking care of the work at Nova Diamantina. Because of the distance and our work load, I will not be able to see them more than once a month. able to see them more than once a month. They usually come here to town once a month to buy supplies.

We want to again thank each one for our support, whether financial or prayers. To remember us as we come to mind as well as all your missionaries.

Dear Friends,

Ten months and almost 28,000 miles of car travel have passed since Alta and I returned to the States on August 18, 1988. We have had the privilege to visit 62 churches, speak at two seminaries, attend and speak at 7 confer-

ences, conduct one out-reach seminar, and Alta has spoken at 10 ladies meetings and ladies

By the time you read this letter we should be packed up and head-

ed for Florida in route to Brazil and home. The Lord willing we should fly out of Miami or Orlando on the 31st of July or the 1st of August.

For the most part there was a renewed For the most part there was a renewed awareness among the churches visited concerning the carnal condition which prevails among most Christians and a desire to return to the real task of reaching the lost with the Gospel of Christ. We are thankful to God for the churches and

individuals who have supported us and the other missionaries of Baptist Faith Missions with a determined loyalty through the years.

You will rejoice to know that in May at a special meeting there were 500 persons that came from the different mission points. On June 18th there were 8 persons baptized in Garca.

This term on the mission field will probably mark the final stretch of active missionary endeavor for Alta and I. In the next 5 years we are asking God to help us see 30 new works begun in 30 different cities, and at the end of five years there will be at least one work of Baptist Faith Missionaries in every State of Brazil.

You are vital to the success of our work You are vital to the success of our work in Brazil. May we commit ourselves to God as loyal partners in this gigantic task. Boaz, in the book of Ruth, dropped handsfull on purpose for Ruth the gleaner. Let us propose in our hearts to give our life and all for the purpose of making Jesus Christ known to those who have not heard.

For those who have given, and those who worked so hard to make the house where we have lived both beautiful and comfortable, we offer our sincere thanks.

Dear Brethren:

In my last letter I stated that on April 1, 1989 we organized the congregation at Novo Diamantino into the Faith Baptist Church and that should have been stated as April 23.

From the time of the organizing of the new church until June 17 we were very busy winding things up for furlough. We visited all the churches that are work-ing with us and helped build twenty pews for the joint work of Bro. Draper and myself in the Cha-

cara dos Pinheiros. On June 12 I finished my classes in our seminary and the students had a going away party for us. Some of the churches had parties and others gave us gifts. We had all of our things stored and ready to travel on Thursday before leaving Cuiaba on Satur-

day, giving us a day just to rest and visit on Friday. Brother Draper and his wife were very helpful in all of this and we are thankful unto them. All went well on our trip to the unto them. All went well on our trip to the States and after long hours waiting in airports we arrived in Orlando, Florida right airports we arrived in Orlando, Florida right on time where we were met by our daughter, Brenda, and her family from South Carolina. We arrived Sunday afternoon at 1:30 and that night I preached for Pastor Doug King and the Park Ridge Baptist Church. On Monday, with the help of Bro. King we bought a car and then on Tuesday with the help of some of the members of that church we took Brenda and her family to Disney World. We traveled to South Carolina on Wednesday and then on to Lexington on Friday afternoon. We spent Friday night and part of Saturday with our daughter Arlene and family near Liberty, Ky. and will be going to Ohio to visit my mother soon and then on to Mississippi to visit our daughter Arlete and her family. Dear Brethren.

This "Mission Sheet Month" I'm shortening (last month's letter was written May 15th). The reason is that, the Lord willing, Marie and I will leave

Friday and not return until the 20th.

Saturday night, May 20th I preached at the Monte das Oliveiras Baptist Church where

Osvaldo C. Rodrigues
Filho is the pastor. At
both services on Sunday, I preached at the
14th of December Baptist Church where Asa Mark Bratcher and I
work together as pastors.

Thursday, May 25th, was a holiday had a service at the church from 8:00 to 8:30 that morning and then a small group of us made visits in homes throughout the day. Saturday, May 27th I performed two weddings at the church.

Sunday, May 28th, Marie wasn't able to go with me to morning worship at the church and had to miss that night when I preached at the 17th of August Baptist Church. 167 people filled the small building. The Lord blessed with some 8 rededications and two professions of faith. The

church with Pastor Marivaldo hope to dedicate their new building, that is now in construction, on the 17th of August this year. Pray and give that it will come to pass as they plan. There are three couples as they plan. There are three couples waiting to be legally married so they can be baptized.

Last Friday, Marie and I left on a commercial boat and traveled to the New Jerusalem Baptist Church, Parana da Eva. There I preached Saturday night, Sunday morning and afternoon. We caught the boat back to Manaus at 20:00 and arrived at 6:00 Monday morning. Monday morning.

Marie is still in treatment for bronchitis I hope that she will be able to make the trip with me to the Buzzard River. It has been two years since we were there. I'm afraid we'll find fewer Baptists there.

we'll find fewer Baptists there.

What a great country we Americans have! Oh, how thankful each of us should be that God allowed us to be born in a country of such blessings! We sometimes forget it was God who fixed our race, place of birth, how we look, etc. Each of us has a purpose; let us not forget to **praise Him** for his goodness to us.

We are anxious to share with each church how God has blessed our years in the Philippines to preach the glorious gospel of Jesus. If you would be interested in having us come and share our blessings with your church, please contact us at 1-304-755-1117 or write to us at 32 Janette Drive, Poca, W.V. 25159.

We thank each church for your faithfulness in providing the funds that made it possible for us to be a missionary to the Philippines. Thank you, Directors of B.F.M. who serve without pay to assist the missionaries. Praise God for each of you, provided the provided that the control of the provided that the provided th for your labours of love. Today, there are multitudes serving in New Testament Baptist Churches around the world because of churches and pastors who are responding to the command of Matthew 28. In fulfilling that command, you have sent the gospel to the regions beyond. Thank you again. Please strive to do more so more missionaries can go and more can be done in the future. A MISSIONARY WIFE WRITES FROM PUCALLPA, PERU

Apartado 15 Pucallpa, Peru, S.A. March 30 1989

Dear Friends and Family:

Greetings once again from Perul Today is Thursday, March 30th. School begins here on Monday, so if this letter does not get written today, it will probably be next March before completion!

It's hard to believe another school year is upon us. Seems we just finished the last year. During the "vacation time" (at least for the students) we stayed plenty busy with the construction of two new classrooms and bathroom facilities for the primary grades. This, among planning the year's schedules, interviewing and hiring teachers, planning bus routes, plus a thousand small things has filled the "vacation time" for us.

We are anticipating 700 students as last year, however, the economy is so bad now that many cannot pay tuition. All students are "suppose" to be enrolled by the end of March, but according to Peruvian "customs" the first several weeks of April always bring a flood of late arrivals and usually doubles the enrollment. Try to get away with that is the States!!

We are anxious for the year, and have set goals we hope to accomplish that will bett relations for students, parents and teachers. We have made several changes in the format as far as religion classes are concerned and trust the Lord will use these to better reach the students.

I, along with a Peruvian teacher, will be teaching Bible in Primary. This consists of twelve classes, two classes each of Grades 1-6. This will be more hours than I have given in the past, but I feel it will be profitable. I hope to be able to form a children's choir, a new item for the school, and use them in special services and public events.

We are continually thankful for the good testimony our school carries. The entire town recognizes it as "the best school in Pucalipa." We realize this is possible only because it is a work of the Lord, and His hand is upon it. We ask your prayers for the work, students and teachers as we once again open our doors to many who need to hear and receive the Gospel.

A personal goal I have for the year is to start a weekly class for ladies. Many want to learn to cook "American" foods, so I have decided to combine a cooking class along with a Bible study. Many of the ladies who will come are not Christians, and I am praying that the Lord may use this to open their eyes and hearts.

to open their eyes and hearts.

The churches here are all doing well at the present time. We are passing through the rainy season so the rain at times hinders church attendance due to the fact many have to walk a long distance. The three established churches are doing well and one, Grace Baptist Church, is celebrating this week the first anniversary of a mission it has begun. Our mission work continues well. Sunday mornings are always well attended. The Children's Sunday School Class, which I teach, has grown to the point where we need to divide it in at least 3 sections. Our main problem is there are no workers. No one seems to feel the need to work or teach. However, according to reports from others, this seems to be a problem for other missionaries also. Our building is not completed yet; however, we are able to meet in it. It is MUCH larger than the cramped quarters we were in, and there have been no rats, spiders or chickens, at least not yet! We do have a few dogs join the service from time to time, but I can live with them better than the rats! Continue to pray we may be able to complete the building, and especially for more workers.

orgay we may be able to complete the building, and especially for more workers.

The family is fine; we are so thankful for God's blessing to us as He protects us daily and provides us with such good health. Sheridan is doing fine now from his bout with hepatitis. He is due for another set of blood tests. The last showed his blood levels a little above normal, so we trust this set will prove him to be normal

The children continue to study at the Wycliff Base and are, as always, very content. They have enjoyed a good school year this year, and will finish at the end of May. Of course, they are looking forward to a little vacation too! Leah is now finishing fifth grade and Josh fourth grade. They are happy here and are becoming more involved with the works as they grow older. They are both very responsible children, and we are continually thankful for them.

are both very responsible children, and we are continually thankful for them.

Our pet family has grown also. We now have a new German Shepherd that is proving to be a very good watch dog, and have also added a cat. Added to the German Shepherd we already had, the cat has a little competition! However, the cat proves useful at night because he manages to catch and eat all the roaches and tiny lizards that enter the house! Earlier this year we had a cuy (a Peruvian guinea pig), but to me it looks like a big rat! Josh won this thing at the school carnival! There were pies, cakes, and an assortment of prizes, but what did he win - a guinea pig (rat)! Since these are raised and eaten as a special dinner for the Peruvians - Josh decided he wanted to go in business raising and selling cuys. Needless to say, I was not especially excited since my fear of rats outweighs spiders or any other creature. However, the cuy passed away and that's the last I've hear of the business adventure. I certainly don't plan to raise the subject, since for the time being it is forgotten!

We have hopes of several visitors this summer. My "adopted sister" Martha Hamblin and

We have hopes of several visitors this summer. My "adopted sister" Martha Hamblin, and possibly Sheridan's momare planning a July visit. Marianne Shaw, from Florida, plans to be with us possibly in June. We anxiously look forward to these visits and others if anyone can come. Our doors are always open to any and all!

Many have written and asked of the political problems here. We do not like to dwell on this Many have written and asked of the political problems here. We do not like to dwell on this because often it instills needless fears in our friends and family so far away. However, our town has been the target of many bombings, riots, and problems lately. Many people have left seeking a "safer" place. There have been many mysterious killings and almost all the police stations are closed. The police themselves guard each other rather than the general public. However, we realize this is only one step more of the Communists to take control. In all the problems, no North Americans have been hurt. We feel it is not a danger also, but we know we are in God's hands and He is protecting us according to His will. When we see the news of all the countries in the world, we see the same violence evenwhere. This is simply a sing of the other countries in the world, we see the same violence everywhere. This is simply a sign of the times, and for us an encouragement to work harder realizing our time in Peru may be short. We ask that you not worry, simply pray that the political situation would improve and God will continue to protect our works and family.

Again we express thanks to each of you who support us financially and prayerfully. We thank you for your kind cards and letters and "try" to answer each personally, even if we delay a long time. Mail is ALWAYS welcome and adds a special moment to our days! We love you all and pray for you also.

In closing, I would like to add a special thanks to Park Ridge Baptist Church in Gotha, Florida, Pastor Doug King and his secretary/daughter, Susie, for their kindness in printing and mailing our letters to you. The mail system here is very unreliable and when Pastor King was with us last September, we talked of reaching you with our news in this manner. We are very grateful for their help, and have the assurance that letters will reach you through the mail system in the

Until our next newsletter, we trust you all will be blessed and will remember to put our prayer requests on your minds and hearts

REPORT FROM WORK IN GUYANA

April 12, 1989

Dear Bro. Jaggernauth

We greet you in the precious name of our Lord and Saviour Jesus Christ, who bore our in His own body and by whose stripes we were healed. (I Peter 2:24). It is our prayer that note finds all of you rejoicing in the many blessings of our Lord.

The month of March was an especially good month to the work here, and we are thankful to our Lord for leading us through another month quite safely. Our attendance at both missions showed an improvement over the previous month and we were glad that more folks came to listen and fellowship with us. We had an average attendance of twenty-two at the No. 72 Baptist Mission while at Kingston we had an average of twenty-six. Three more people came to know Christ as Lord and saviour and were baptized into our membership on 89-03-21. This group of three included two brothers and a sister. Another individual also came by letter of transfer. It's a great blessing that our Lord has seen fit to add these souls to His church, and we request your prayers for them as young Christians. The baptismal service took place in the Corentyne River at which more than twenty-five folks gathered to witness.

During the month under review we were happy to have Bro. W. Brickner and Bro. Samaroo Sookraj to visit us. They arrived on 89-03-21 and left on 89-03-28. Bro. W. Brickner is our Academic Dean at the Virgin Islands Baptist Academy and faithful helper of the work in the West Indies, while Bro. Samaroo Sookraj is a fellow missionary from Triinidad. He pastors the Emmanuel Missionary Baptist Church in Fyzebad, Trinidad. During their short stay with us they were able to preach at both of our missions, as well as at the Landmark Baptist Church under the pastorate of Bro. Randolph Nagaur. We enjoyed having these two brothers with us and their visit was quite a blessing to the work here.

Our three girls and both of us are well and we are toing our best with the work the Lord.

Our three girls and both of us are well and we are trying our best with the work the Lord has laid before us. In spite of difficulties the Lord is blessing and we are thankful. Recently there was a devaluation of the Guyana dollar and this led to an increase of the cost of living by 300%. Gasoline now sells for \$42.00 a gallon instead of \$13.00/gal. Most prices have jumped three times and this has led to strikes, protests, riots and other forms of unrests. Several trade union leaders and civilians have been arrested. We have encouraged our folks to strive to maintain Christ-likeness during this period of turbulence, and will appreciate your prayers for us in this direction.

We always remember you and your family in prayer and trust that our Lord is blessing your efforts as you faithfully serve Him. Kindly share our love and best regards to everyone. May God richly bless you.

Sincerely in Christ, S. Punalall and Family

REPORT FROM CRUZ BAY, ST. JOHN, U.S.V.I.

May 22, 1989

Dear Pastors and Saints

Greetings in the precious name of our Lord and Savior Jesus Christ. It is exciting to be ving the Lord!

We arrived safely from the Bible conference in Lexington. The fellowship was great, and the preaching was challenging and soul searching. Thanks to Bro. and Mrs. Hensley for meeting me at the airport, and keeping me in their home. My deep appreciation to Bro. and Mrs. Hamilton for making me feel so much at home during the time we were in Lexington.

How grateful we are to the many who had us in their churches: Pastors Lopspeich, Fehrman, Range, Greene, and Overby. Their hospitality was delightful and worshipping with them was not only a spiritual experience but also a joy.

Our work here was well managed by the men. The Bible School is filled with excitement as we look forward to graduation on May 27. Bro. George Lock of Plant City, Florida, and Bro. Bobby Greene of Richmond, Kentucky, are our guest speakers. They shall be teaching our students in the mornings and preaching in the evenings.

The end of this school year marks the end of Bro. Wayne Brickner's stay with us. He has been and is a great person and an excellent teacher. He has been a great brother to work with. He leaves on May 31 to join his wife. Pray much with us that the Lord will supply workers in this part of His vineyard. We need one couple to be house parents, and another as teachers. We cannot financially support anyone, but will be able to provide housing, and in the case of the house parents, both housing and meals.

Nouse parents, both housing and meals.

V.B.S. is scheduled to begin on June 19 and the closing program is set for June 25. Fair Havens Camp will have its first group of children on June 26, and will continue for eight to ten weeks. We hope to reach 430 boys and girls. Thanks to you we now have 10 of the fifteen scholarships as of the above date. Our camp works with children from low income (poor) families, broken homes, and abused children who are neglected by their own families. Thanks to Bible Baptist Church in Plant City, Fla., Mt. Calvary Baptist Church of Charleston, W.V., for the different items they have sent for the camp. Those of you who have sent before and others who may yet send, we are very thankful to you for all your help, and the children who attend would be deeply grateful.

Thanks for your prayers and faithful support, and your continued involvement in the vicility.

Thanks for your prayers and faithful support, and your continued involvement in the work here and the West Indies.

Yours in Christ Bro. E. Jaggernauth

February 1989, Harold Bratcher is preaching at Olinda mission in Brazil in a revival.
