We are thankful to the Lord for each of you and your faithful support of our missionaries. We are especially thankful for your Thanksgiving offering. It was another good one and greatly needed and greatly appreciated.

We all thank Pastor Bob Lamb and Pastor Marvin Summers and their churches, Twelve-Ryan Baptist Church and New Hope Baptist Church for the conference which they had for our missionaries. They always do an excellent job.

Thank you all.

## Two Saved and Some Rededications. . . Almost Ready to Organize a New Church. . . Appreciate Help For Draper Building Fund...

Dear Brethren.

We have had a good month. Attendance is up in 2 of our works and holding steady in the other one. Two made professions of faith in services I participated in

Others made rededications. Our new work at the Chacara dos Pinheiros is beginning to show encouraging signs. Several young people have been saved there during the past year.
They are faithful to attend the services.
Many people come at different times. We are praying that the Lord will begin to open hearts. We are excited about

this work. Not because it has been, or will be easy; but because we know that the word of God preached in truth and in spirit word of God predented in truth and in spirit will always bring the result that the Lord has determined to come to pass. So we will just keep on trying to be faithful to do our part knowing that our Lord certainly will do this.

By the time you read this letter, the Thanksgiving Conference will be history. I'm sure it will have been a good one. We will be anxiously watching to see if the Lord laid it on the hearts of some to give to the Draper Building Fund. We already have the lot bought for the next new work and are on the Lord through you to supply ans to build the building. We already have in that area enough converts to almost organize when we get a building. They

presently are helping out in the other two

Our works do not have a great number of people, but we have some who are very dedicated which is a great blessing. We appreciate also your support and prayers there. I have lost the address of the Harmony Baptist Church in Pine Bluff, Ark. If Bro. Carver will drop me a line I will get in contact with the church. They along with others have been so faithful these past months in giving toward our new works and other needs.

The weather is extremely hot this time of year. It is 100 degrees almost every day and when it rains, it seems even hotter. I'm and when it rains, it seems even notes. In looking forward to the strong rainy season which will give some relief. Ursula has some difficulty with swelling and allergies when it is like this. Michelle is growing like a weed is like this. Michelle is growing like a weed and getting so much into the language and culture here. She understands English but only speaks Portuguese which concerns us some since we want her to start to kindergarten next August at the English speaking school. We plan for Ursula and Michelle to come to the States for a few Michelle to come to the States for a few weeks to try and get her turned around. It is very frustrating for her to try and speak two languages at 4 years old so she just stays with the one she uses the most. I realize that most of you may not be able to quite comprehend such a problem, but it is common on the mission field in children of

has slipped my mind and the card is at home Thank you for your prayers and for your letters.

Many of you pray for us and do not write but it is nice to hear from you,

Presently, I am teaching four nights a week in our seminary and traveling to Cornelio and Urai on the weekends. On the 21st of November we built divisions for four Sunday School classes. On the 28th of November

For four weeks we have been preparing new teachers and on the 12th of November, two new classes were started, making a total of 6. There were 47 present on that day. On the 19th of November there were 65 present in Sunday School and 29 present in the night service.

Alta and I spent four days in the city of Urai (Oo-rye-ee) getting the house in order.

We will live here on the weekends and during seminary vacation. This town is about 12 miles from Cornelio. So we will continue to work with the mission in Cornelio as well as open a new work in Urai. A room in our house will be used for services and Bible studies. From here we will reach out to neighboring towns. Our goal is to begin in two more towns before the first of March, '90.

Odali is working hard with two build-ings in progress: Cabralia Paulista and Vera Cruz. Last Sunday he baptized 12 or 13 including Odali and Kathy's second child, Kathy Lee.

Pray for Brazil as a new president will be elected on the 17th of December.

By the time this reaches you, you will have already celebrated Thanksgiving. Although Brazil has a Thanksgiving Day marked on its calendar, there is no holiday from work and hardly anyone takes time to think about what it means. I know that this is not only a Brazilian problem, but one that is worldwide. What is even sadder is that even we (or at least I) don't really stop long enough or often enough to see what great things God has done for us. Our health has been good, our material needs have been met, folks have been saved and our church members have grown spiritually. May God be praised and thanked for His goodness to

#### **WEST INDIES MISSION REPORT**

November 20th, 1989

Dear Pastor and Saints:

We are excited about this Thanksgiving Day. The Bible School students have been very busy practicing a play about the book of Esther. Some of the church members are also filling in some of the characters. This drama will be acted out on the evening of November 23. We are looking forward to a great time of fun and fellowship.

Our enthusiasm overflows into the preparation for our Bible Conference on December 24-29, 1989. It is a time when the December 24-29, 1989. It is a time when the great doctrines of the Bible, Baptist distinctives, are preached, and preachers are challenged to greater boldness for the faith on the various Islands. There are too many churches that have the name Baptist over their doors, but are compromising catholics. We know of some of the brethren who, having attended our conference, were led to the truths of the doctrines of election and the Lord's church, a local assembly. How we praise God for revealing those truths to

We have received from some of the churches a total of \$1,850.00 for the rebuilding of the damaged structures as a

result of the hurricane. We are very thankful for the financial assistance. And we have been assured of further help from others. We need a total of \$8,000.00 to complete half of the buildings.

Enclosed is a letter (Note: this is printed elsewhere in this issue) from one of the national missionaries we help support in Jamaica. With your help many such men throughout the West Indies receive financial assistance. These are men who believe and preach the truths of God's Word.

preach the truths of God's Word.

How wonderful an experience to have been with the brethren at the Calvary Baptist Church, and Trinity Baptist Church in Richmond, Kentucky, and then to be at the Bryan Station Baptist Church for their conference. The Word was preached, and I came back well fed with the Word. The meals were delicious and I returned with visible evidence of the same. Kenny and Lou Dunn in whose home I stayed were the visible evidence of the same. Kenny and Lou Dunn in whose home I stayed were the most gracious hosts. Thanks to Pastor Al Gormley and the Bryan Station Baptist Church for making me feel so much at home, and the generous offering they have given. Thanks to all, and God bless.

POINT POST OFFICE, ST. JAMES

September 12, 1989

Dear Pastor Jaggernauth,

Greetings my brother. Oftentimes the God of all wisdom allows the darkness to come over his dear children so we can better see the light of his infinite love for our path and eternity to come. "Eyes have not seen, nor ears heard of the beauty that God has prepared for those his own.

Thanks for your prayers, financial support and personal communication from time to time. By this help we are able to meet the expectation of our ministry and the results are often rewarding. Brother Thompson is trying his best to help in every way he can within the Church. By the Grace of God he has been very much refine. It is evident that his time at school was profitable and we must continue to say thanks for every help given to him.

Well, after a long time with the mission work here at Tangle River, age is taking its toll on me and along with other trying conditions; a change of leadership would be profitable. Humanly speaking, I am hoping that within reasonable time Brother Thompson will be ready for this responsibility. I would move into other aspects of the ministry when the time comes. At the moment he is very disciplined and capable.

As to our new mission point down Trelawney, it is needed to re-survey and fence. The total cost for this is not yet known but this I will enquire into before my next letter. We would seek to ask that your Church help in this project. Elsewhere things are working well and please pray for us continually.

After supplying for Brother Al Gormley of the Bryan Station Baptist Church on a Wednesday night last month, I along with my wife, went to Liberty, Kentucky to pick

up our daughter Arlene and her family on our way to Florida. We spent first night with our Daughter Brenda in South Carolina and arrived in Park Ridge early Saturday afternoon. On Sunday we helped Brother Doug King and

charter members present. We found that we
have outlived many of them already.

This month I have been with The Gateway Baptist Mission of Salt Lick, Kentucky where Brother Dana Adams is pastor. By the invitation of Brother Larry Robbins, I spoke in chapel service of the

Lexington Baptist College. We were also with The Grace Baptist Church and pastor Bill DeRossit of Georgetown, Ky. and also the Grace Baptist Church of Fairborn, Ohio where Brother Donald Foose is pastor. We enjoyed very much the good fellowship with all the brethren of these churches and would like to thank them for having us.

From Fairborn, Ohio we went to Michigan where we attended the thirty-fifth annual Thanksgiving conference and as for me this was the best MISSIONS conference I have ever attended anywhere. Every speaker was at his best and the quality of the messages was very good and the spirit among the brethren could not have been better. I would like to thank Brother Lamb and Brother Summers and their respective churches for such a great job so well done

Dear Brethren,
Yesterday was Thanksgiving. I hope
that yours was as good as ours. We have
been celebrating this very special day here
for a few years now, although Thanksgiving
is not a holiday here in

Last Sunday night we had 5 saved and 1 request for baptism. In many of our mid week services and even on

Our teams of preachers who preach our teams of preachers who preach along the rivers and roacs continue strong. The trips down river have not been as constant as should be recently, but for the past 2 weeks they have been back in gear. The work at Santo Antonio has gained a new family. There has been another man saved at the state prison.

This month I have visited the church at nce they have moved into their new building, they have also changed the name of their church to Primeira Igreja Batista de Assis Brasil (First Baptist Church of Assis Brasil). They are doing great and have a solid mission work. I was also at Pentecostes one day to work with the pastor on some of his doctrine. He is sound and will be ordained soon.

After 29 years Brazil is having free presidential elections. This election is being done in 2 rounds. Adam and I took 2 of our done in 2 rounds. Adam and I took 2 of our boats up river taking ballots, boxes and officials to 2 villages miles up river. Adam voted for the first time this year and was also secretary. The last 4 hours of our return was after dark in a stump-filled river. The Lord blessed and guided and we didn't hit one log on the whole trip. I also had to go the whole had to through some rough rapids, which was exciting. We'll be doing it again next month for the final run off of the 2 remaining candidates. Pray for our country. One of the candidates is more of what we have had for years and the other is a Stalinist style communist. Not much to pick from.

God bless all of you and thanks for

Dear Brethren,

This last "Mission Sheet Letter Month" we have spent in the city of Manaus. We didn't miss (Marie and I) a single service at

the 14th of December Baptist Church where we are members and I serve as pastor. Sunday night, October 22nd I preached to some 245 people present. The Lord gave us one profession of faith five asked for baptisi and eight members made rededications. We praise the Lord.

Harold Bratcher

November 2nd is observed in Brazil as the "day of the dead" Many people on that day visit the graves of their loved ones and countless candles are burned around the graves. Yes, I went too. I lighted no candles but preached the gospel at Joel Harold Bratcher's grave and then I participated with some other believers in a service at Missionary E. A. Nelson's grave where also Pastor A. Antunes de Oliveira is buried. On the 3rd of November Marie and I had a check-up at the heart clinic. The results of the tests were good, we are happy to report.

Last Saturday night I performed the wedding ceremony for our church organist's son, Benjamin Walkey. After the ceremony we were asked to visit a very sick member of our church - her daughter thought she was dying. She had requested a service in her daughter's home before she died. We held the service at her bedside and delivered her spirit into the hands of the Father. At last report, however, she is better. We then went on to Brother Samuel's house for the wedding reception.

We are now in the rainy season. Today has been a very rainy day.

Thus, beloved brethren in the Lord, we have shared with you some of our labors in the Lord here in the land of eternal summer. Pray for us and this nation of Brazil. Pray for the next president of this "pais". We won't know until after the run-off election, to be held on the 17th of December. Inflation is one of the major problems this nation faces.

Last month I put the "fleece" out in my Mission Sheet letter concerning our boat, launch, that we can only use again after it is repaired. May the Lord help us to make the right decisions.

We thank you, brethren, that faithfully stand by us with your prayers and offerings. May the Lord bless us and each church that gave to the Thanksgiving offering. Continue to pray for us and as the Lord leads give to Bratcher's buildings, as many are the that come from the churches of B.F.M. help in their building programs. May the Lord bless you all.

Yours in His Service. Harold & Marie Bratcher
