#### TWO SPECIAL NEEDS

A few days before the Spring Conference, Brother James Hamilton learned that he has cancer. He is undergoing some expensive tests and there will be medical treatment after them. He has very little insurance that could help him in these expenses. Brother Jim has served faithfully for about 25 years as our treasurer. He has given much time and money to serve our missionaries without any pay for these many years.

Brother Paul Kirkman has served as a Director for years without any pay. His wife has been sick for some time and there are many medical expenses. There is not enough insurance to cover all the expenses.

If you would like to help these Brethren with these needs, send your offering to Baptist Faith Missions designated as a gift for them. Please pray concerning these matters.

Dear Brethren:

The bombing, killing, and blowing up of bridges and electrical towers continue here in Peru. Yesterday the army killed seventy terrorists near Tingo Maria.

The first election is over. Vargas Llosa whom most people thought would win, was ahead of all, but with thirty percent of all the votes. Now of all the votes. Now there has to be another election on June the third. It will be a close run-off. Inflation is run-ning about 40% each month. Our trouble is that the dollar is not rising to keep up with the high rate of inflation. I know you wonder

What a month! I made a trip to 3 other cities looking for help in our work here. I preached in 15 places 22 times. Two precious souls were saved - one in Sao Paulo and the other in Fortaleza. Dear Brethren,

The beginning of this busy month found us at the Bible Baptist Church in Harrisburg, Illinois where Brother Art Donley is pastor. My family and I drove up on Saturday. Then Sunday I preached at both services and we stayed with them in their

excellent missionary apartment until Wednesday morning. We most certainly enjoyed every moment spent every moment spent there. Everyone treated us better than royalty. Our heartfelt appreciation to Brother and Sister Donley and to each family that provided our meals, had us in their

homes, and took such good care of us. Also, a special Thank You for the personal love offering and the special offering for our ministry in Brazil.

Wednesday morning, the 4th, we drove up to Alton, Illinois to be with Brother and Sister E. Howard Carter and the Harmony Baptist Church. I showed the slides and told about the work that night, and then we returned to Lexington on Thursday. We returned to Lexington on Thursday. We enjoyed our visit with them very much. After resting one day, we drove to Ashland, Ky. to be with Brother Sidney Fisher and the Waverly Road Baptist Church of Huntington, West Virginia. I showed the slides on Saturday evening, and preached at both services on Sunday. My family and I had a most enjoyable time with these dear brothers and sisters in Christ. It was a joy to see Sister Fisher again and our prayers are with Sister Fisher again and our prayers

On Easter Sunday, the 15th, I showed the slides and reported on the work at the Stoney Run Baptist Church near Richmond, Ky. where Brother Glyndon Dargavell is pastor. We enjoyed our visit with this dear church and also the wonderful meal that was prepared for us by the Dargavells. It was delicious.

The following Saturday, the 21st, we drove to Hamilton, Ohio where we visited with our dear friends, Roy and Mary Adams. with our dear triends, Hoy and many countries. The next morning we were privileged to be in their church, the Twinbrook Hills Bapits Church; pastor, Dennis Riddick. I showed the slides in the Sunday School hour and preached in the AM service. Then Monday the 23rd, I was the second speaker of the 30th Annual Spring Missionary Conference at the Thompson Road Baptist Church here in Lexington where Bro. James Hamilton is pastor. I had the privilege of attending each session this year and to me this conference was the best Spring Conference I have been blessed to be in. The spirit was great, the meals were delicious and the messages were encouraging and inspiring. Our thanks to the Thompson Road Baptist Church and the South Lexington Baptist Church and Pastors Hamilton and Edward Overbey for sponsor-ing it. Dear Brethren.

About 2 weeks ago I went up the Moa

About 2 weeks ago I went up the Moa River on a long (in miles) mission trip. On the short (in time) trip I was able to visit our brethren at the mountains and the church at Peri-Peri. Another young lady was saved at the mountains. The church at Peri-Peri is still doing fine and although it was raining on Sunday morning, there were 64 present. This trip was very different for me. I took along the judge and district attorney, who

took along the judge and district attorney, who wanted to see the mountains. This gave me an excellent opportunity to tell them about Christ. They have both been friends of mine for some time and I had already had occasion to witness to the judge before. Adam was along too, so we all had a great time. We have another team working in the Moa this month. Preachers from Maita and Barao are visiting several villages in the new boat that the churches just bought and equipped.

The team that I mentioned last month has already left for the upper Jurua River. They will be gone for about a month. They have been up river for 2 weeks today. We had about 20 preachers and lay workers

together to pray for them on the river bank just before departure.

We had 5 days of camp last month. This time we had 48 to go with us by river to our camp. This was the best group that we have ever had and the whole thing went as smooth as it could from departure to arrival. smooth as it could from departure to arrival. For one thing we had the most beautiful weather I have ever seen in the month of February. We had just one short rain and the rest of the time was sunny and breezy. We had two courses, with classes morning, afternoon and night. The singing was great. The meals were just as good. The sports and games were tops. I wish all of you could be in on some of these great times.

Brazil now has a new president, elected directly by the people. The very day he went into office he started a serious he went into office he started a serious program to try to get our country's failing economy back on track. His plan stands a pretty good chance of working. We are sure hoping so. At this time it is hard for those of us who get our pay in dollars. The bottom has fallen out of the dollar market. This should be good for the country, but right now is a little rough sailing for us. This letter will cost over \$3.00 to mail to you. A gallon of gasoline is now costing us over \$6.00. That small, standard Chevy that Paul Hatcher told you about a month back was costing \$50,000.00. Today the same car would cost me over \$150,000.00! I'm glad it is furlough time!

Hope to see you soon. May God bless. In Christ.

Dear Friends in Christ:

I have been praying for the seminaries in the Philippines. This June we have our first graduates. Ten young men have studied and prepared themselves for the

studied and prepared themselves for the ministry. These young men, called of God, are ready to go and establish churches. The only problem is there is no money to help them. I have come up with an idea that could help year to establish a work each student for one we had \$70,000.00 dollars to open a trust fund, the interest from this amount could support 15 men for one year

port 15 men for one year and the principle sum would never be touched. Just think - every year 15 young preachers could be funded for one year to establish a New Testament Baptist church. Perpetually. But to do this, I need 70 people to give \$1,000.00 or 140 people to give \$500.00. Surely this could be a reality. I am praying that God would lead you to give for

this. The Philippines have over 7,000 islands. There will be nearly 100 million people by the year 2,000, just 9 years away. Just think - in the next 10 years 150 young men could be supported as a missionary to reach this nation of people. Surely the amount is reasonable. The return is worthy of your support. Would you help me to establish this fund? I would hope by God's grace that I could start this account this year for these young preachers.

for these young preachers.

Will you pray about this and give as God would direct? Perhaps you can't give \$1,000 or \$500, but if God leads you to give, send what you can. A little can become a lot. If 7,000 people give \$10.00 (\$70,000), if 3,500 people gave \$20.00 (\$70,000), if 1,700 people gave \$45,00, we would exceed the amount. If 140 people gave \$500 (\$70,000) or 70 people gave \$1,000, we will reach the goal. Will you become a source of blessing to one of these young God-called men?

Dear Friends.

We have several things for which to be thankful this month. For some time we have been hoping that our Brazilian helpers been hoping that our would demonstrate true

would demonstrate true dedication to God's work. For such a long time they seemed to do only that which was required and showed little interest in serving above and beyond the call of duty. It appears that God is performing His work of development in their lives. We are beginning to see evidence of thought and preparation in

**Bobby Wacase** 

thought and preparation in their ministries. I am hoping that this will have a chain effect in the lives of the other members as well. If you only see half-hearted service on the part of the leadership then there is little chance that they will do much better. If we continue to see this type of growth on their part then we will be able to move on to

another area and begin new works. We do pray that this progress will continue.

There is another situation in which we can see the hand of God. As we read in Romans 8:28, "all things work together for good to them that love God" we can see good to them that love God" we can see just how broad the "all things" reach in the life of one of our members. She is one of a family of 15 brothers and sisters. She (Teresa) had been visiting our church off and on for several months when one of her brothers was killed in an automobile accident. God used this "accident" to show her the temporariness of life and how easily it can be snuffed out. She turned her life over to Jesus and has since been set on leading the rest of her family to trust Him also. Last week we were thrilled to see two of her sisters make professions of faith in Christ and will soon be baptizing them. The death of a brother is not "good" in and of itself, but as God says, He can make it "work for good to them that love Him"!

I consider myself a blessed child of God to be able to witness His power at work in my life and in the life of those around me!

The Camp has also been active this month. We began with a Couples Week with 42 married adults attending. The second week was for teens with 74 attending. The last week was for deaf with 32 attending.

The Bible Clubs all around town continue to average over 1,000 in attendance each week. These Bible Clubs have been the means of hundreds of young people being saved. They also provide a basis for the starting of new mission points.

I was recently appointed as a member of the State Board of Education. I'm trying to use this opportunity wisely.

The Lord willing, we will be arriving in the U.S. for a year of furlough on July 1. Pray for us as we transfer the work into the hands of others and relocate. The trip to the mountains of the Moa River was a great success. The brethren there are now in gear to build their meeting place. Last month I reported that one young lady was saved. The other team from Malta that followed had 4 more saved. We also made the necessary arrangements to help a man who has been crazy for the past 20 years. He has been closed up in a little shed all this time.

### WEST INDIES MISSION REPORT

April 12, 1990

Dear Pastor and Saints:

"To God be the Glory!" The miracle of God's grace in calling out His elect is always a mystery; however, sometimes you are left in complete amazement and adoration of our sovereign God. For example, Brother Sylvester Joseph who was added to the Cruz Bay Baptist Church a week ago by baptism is a case in court.

Brother Sylvester came from the island of Dominica (about 300 miles away) to visit relatives in the Virgin Islands. He ended up on St. John, and after visiting other churches, was present in one of our services. The Lord got a hold of him and saved him, and after some discussion and instruction, he was baptized. He is now attending our Bible School, and has a conviction of God's call to preach the Word in his native island of Dominica.

Our week of meetings with Pastor Jonathan Gordon was truly a time of soul-searching. The spirit of God was and is working among us. There were a number of rededications to the Lord, and only time will tell how genuine they were. We continue to see new faces in all of our services; some are tourists and most are local folks. Continue to pray with us that we shall remain faithful in preaching the whole counsel of God.

We are also preparing for our graduation on May 26. It is such a blessed opportunity to teach the word of God to these young people that a sense of achievement and joy overwhelm our hearts. That God would choose to use us in His service is very humbling, and magnifies the grace of God.

Also, plans are on the way for our summer We shall be housing the campers in the Bible School dormitory. The rebuilding of the camp buildings is a very slow process down here. Just to get an architect that would be affordable is a monumental task, and that's where we are.

The missionaries have sent in their reports, and one of the highlights of their letters is that they are faithful in preaching the Word of God in the face of persecution and opposition from other religious groups. God is calling out His people, and that is also reflected in their correspondence. How thrilling it is to know that the Lord is building His churches! Thanks for your prayers and financial support that help to make all of this possible. All glory and praise to our Lord and Savior Jesus Christ. The blessings of God rest upon you as you serve Him.

Yours in Christ,

Bro. Emmanuel Jaggernauth
