Dear Friends:

July 2, we arrived in Miami, accompanied by our friends, the Nicacio family.

Nicacio and his wife, Elenir, studied in our school when my father-in-law was principal. Elenir was in Paul's class and Nicacio was in John's class. It was in school that they came to know the Lord.

Elenir was raised and educated by a wealthy family; from adolescence she was a maid in their home.

Nicacio was from a broken home and spent two years in a 40-bed hospital ward with osteomyelitis. As a crippled adolescent, he studied in the morning and taught English to friends in the afternoon to make a living for his mother and brother and sister.

Your giving in the 1960's made it possible for these two young people to hear the gospel. They have passed that same gospel message on to many others and are as great givers as most of you. Today Elenir teaches in our state university, where she is head of her department, and Nicacio has the number two position in our state treasury. He writes and interprets our revenue laws. Our state treasury employees begin their day with Bible reading and prayer. The Lord even gave him the opportunity to help write the new constitution of Brazil! And yet, Nicacio is a very simple and God-honoring man.

The Nicacios have four children. They left Miami tonight, returning to Manaus. We'll miss them, as well as many others, during this coming year.

We're looking forward to seeing you in the near future.

Love,

Wanda Hatcher

Dear Friends,

The God of the Bible knows how many hairs there are on my head and yours (even if in some cases He has to hunt to find them!). God is interested in individuals and details. He does have the know how and we need to learn to on Him to use it, perfectly in the darkness of night and dark places. And, mixed in with His workings is His pleasure to hear and answer prayer.

John Hatcher

It is about your prayers I want to write and tell you what God did in Urai, our newest work. Alta and I had received three letters from members of the First Baptist Church of Ojus: Isla Manlove, Don Jones and Mel Poore. The letters told us their church was praying for us in a special way during the month of June.

The incident that occurred on Monday, June 25 is one of the ways God answered. In the morning of that day I went to the store to buy some eggs and sugar. As I was coming

out to pay I passed the shelf of candles. I picked up a package of the largest they had, paid for the groceries and came home. A special service had been announced for eight o'clock in the evening. At six-thirty I put the benches in place, Alta set up the organ table and organ, and I strung up the lights. John Mark and Judy were visiting us. At seven-thirty Judy sat down to play the organ. Everything was great. (The only thing that saddened Alta and I was that four young girls who were always at the meetings had enrolled in a sewing class which met from seven to nine and they were going to miss the service.)

Judy was playing the organ. I was in the house combing my hair and thought: "Boy, that sounds great." And then it happened ... the lights went off. The entire town was without electric energy. "Oh well, they will be off just a minute," I said to myself. After fifteen minutes of waiting I realized I had thought wrong. Then I remembered the package of candles. I lit two or three and wired them up to the wall. Someone appeared at the gate and called: "Are you going to have services?" "Yes, come on in," I answered. "In a minute, I am going to go get the others," she replied.

She came back with four others of her family. I lit one of the candles and put it on top of the gate post. With the other seven candles our uncovered garage was lighted

enough to read the song books. The people came. Many for the first time. About the time we were singing the first hymn, four young girls came running in. God turned off the lights so there would not be a sewing class. One of these girls brought her brother who made a profession of faith. God not only turned off the lights He did something else - He stopped the wind. I mean to an absolute stop. Not one candle, not even the one on the gate post, had a flame that danced to the right or to the left. The candle flame of every candle burned without the slightest shimmer. Not one candle had wax to run down the side. Thirty-five came to the service.

When the service was about over the electric energy came on and we sang the final songs with the organ. God's energy never failed. Buying candles, bringing in the neighbors, stopping sewing classes, saving souls. He knows how. "I would that men would pray always and not to faint." (See Luke 18:1).

First Baptist Church de Ojus, Isla Manlove, Mel Poore, Don Jones, and other who pray: Keep praying; God hears and answers and this makes our job a little easier. And, most of all, it fills our hearts with thanksgiving to Him.

In Him,
 John and Alta Hatcher

WHY NEW HOPE BAPTIST CHURCH
SUPPORTS BAPTIST FAITH MISSIONS

By Marvin L. Summers

I am pleased that New Hope Church supports BFM simply because we have done so for a long time now. I appreciate continuity in any phase of the ministry and this church had already been supporting them for many years when I assumed the pastorate after Brother Hille had been here many years. As a church then we have never even thought of stopping something that has worked so well for us over a long period of time and under two different pastors.

I am further grateful for the opportunity to support BFM because of the missionary families we have in the different countries. There are none better. We know them personally and it is like welcoming home folk when they come in on furlough. I believe our missionaries feel the same way about our church family. Again, the benefit of many years of building and sustaining those relationships accounts for this. A few years ago when some stopped their support we saw no reason to do so for these friends had proven their friendships time and time again.

Several changes in the work of BFM in the last few years has also given us reason to continue our support. Innovative moves like becoming involved in the work in the Caribbean, as well as other countries, in which we trust the locals to do the work as they understand the needs of their own fields is certainly proving to be a blessing in so many ways.

Our Directors are a group of good men with a serious commitment to helping our missionaries, not only while they are presently on the field but also when they must leave the field and return home because of age or health problems. Our missionaries know we care and that we are not going to let them down. None of our Directors are ever paid for their work. I count it an honor and consider it a labor of love. My church covers any expense I have as a Director.

Our church enjoys hosting one-half of the annual Thanksgiving conference. It is a highlight on our church calendar. This year we believe we will quadruple our offering over last year. That says something very positive about our missionaries, as well as our people who are giving as never before in the history of this church, which will celebrate its fiftieth anniversary in a few years. The almost seventeen years I have been here causes me to rejoice in our relationship with Baptist Faith Missions.

Lastly, we support BFM because of its integrity as an organization; because of the character of the missionary families; because of the many dozens of churches that have been organized; because of the consistency of its stand for the Biblical and historical positions of Baptists through the centuries.

RETIREMENT FUND

A fund has been established for our missionaries when they retire. Several of our missionaries are in their 60's. Even though B.F.M. has no age when a missionary must retire, the time will come when they will feel led to retire. At that time we want to be able to help those who have served so long and so faithfully for the Lord.

If you would like to give to this fund, please mark your special offering **Retirement Fund.**

Good Report From Missionary Trips in Brazil . . . Putting Courses on Videos - Help Welcome in Getting Equipment . . .

July 31, 1990

Dear Brethren,

We have had some good news from Cruzeiro do Sul. I talked to Brother Joao a few days ago and also received a letter from him. There have been 2 more professions of faith at our home church, First Baptist. They have also put a fence around our new lots at Vila Rodrigues Alves. Two of our men went up river to a tributary called the Valpairaiso River on a month long missionary trip. Several people were saved. This was the first time any of our preachers had been in this river.

Mike Creiglow

Our full time Brazilian missionary and his team are back from their long trip up the Tejo River. Brother Raimondo Vieira and three other men spent over a month on their 300 mile trip. Many souls were saved. Some of these have already been in services in Cruzeiro do Sul since then.

Brother Joao, my associate, is doing a good job in my absence. He was saved by way of our camp ministry. At the time he was just a boy. Since then he has taken the one year institute course at our seminary in Manaus and has studied in Sao Paulo. He is now an air traffic controller and is getting some support from our church, too. He has been preaching for a few years now and is good at outlining, illustrations, etc., which is rare among our preachers.

Well, we are at the halfway mark in our

furlough. I have been privileged to be busy visiting quite a few church. I want to thank all of you have received us so well.

A project that I have been getting together for the last couple of years is the making of video lessons to train our native workers. We now have over 50 preachers in our 12 churches. Just classroom teaching cannot reach all of these men. So I am going to put all our basic Bible and related courses on video tape. After my men in our church have finished the studies, they will help me carry the materials to the interior works. The preachers will be able to continue their jobs as they study. I already have cameras and basic editing equipment. All we need now is a home computer to produce the graphics. I plan to buy an Omega computer, printer and necessary software. Up to now I have not presented this or any other project to your churches. All the other equipment I borrowed money and bought. Now though, I would like to give you an opportunity to help finish this project. The nice thing is that the computer is a number of components, which can be bought along as money is available. Think about this: if you help, you will be helping to train over 50 new missionaries. This would be in our area alone, but we plan to make the materials available to other churches in other cities. Please help. The cost will be small, but the results great.

18 Visitors In Our Home . . . Report on Works and Travels . . . Thanksgiving Conference Soon . . .

by Homer Crain

July, 1990

Dear Brethren:

It seems like I just wrote my last mission letter last week. The time goes so fast it makes me think that everything is catching up with me and trying to run over me.

Last month we had up to 18 in our home at one time. The Mullings and the Wayne Crows, Rodney Spears and a Brother named Lucky Howe plus two Peruvian families and children.

Since my last letter, I have been to Iquitos twice, a total of 15 days, and I have to go back again as soon as I get back from Huanuco. I will be leaving in a few minutes to drive across the Andes with the Dodge Van with 12 of the Brethren

Homer R. Crain

from the churches and missions here in Lima. We will be in Huanuco a week for our Thanksgiving Conference. The Lord is blessing in all of the works here. Several have been saved in the churches in Huanuco and the Lord seems to be working in the hearts of the churches in Iquitos.

I hope to have some pictures of the Thanksgiving Conference in the next mission letter. Also since my last letter, I made a trip to Iquitos where we met Brother Jack Palmer and traveled over three hours by speed boat and I preached to two of his churches on a Sunday night. We enjoyed being with him the two days and nights and then four hours coming back up the river in his speed boat. It is time for us to leave. Remember us as you think of us and we pray for you and all the supporting churches there in the states. Thanking you for allowing me to be an extension of your churches to extend the gospel in this part of God's great world.

In Jesus Name,
Homer Crain

Dear Friends,

July was an excellent month for us here in Curitiba. We as a church dedicated the month to evangelism. Of course, this is our purpose every month, but in July we wanted this to be foremost in the minds of our members. We were extremely happy to have the sister of one young man turn her life over to Christ as a result. We pray that the effects continue on even after the crusade comes to an end.

Bobby Wacaser

Our home Bible studies have been very encouraging this month also. We see tremendous growth in the life of a young lady and her mother as a result of the studies. They shared with us that their lives have been transformed since they began to study the Word on a regular basis.

We have also been happy with Gilmar's progress as a young pastor. His Sunday School Bible school has not reached over twenty. He was averaging only four to five about a month ago, but his diligence and care have paid off. He is now planning to make a special effort working among the youth in his area. There are a lot of drugs and just plain "sorniness" in that age bracket where he lives. We would love to see him be blessed of God to reach his goals. Pray for him regularly, please.

Dear Brethren,

The Lord permitting, in just a few hours the Bratcher family will be on a plane to Miami, then on to Manaus. In some ways, it seems like this year has flown by.

The beginning of this month, July 1st, found us at the Grace Baptist Church in Fairborn, Ohio. We wish to thank Brother Foose and that church for the offering they gave us for the Boat Fund. That night found us at the Temple Baptist Church in Cincinnati, Ohio where Brother Horsley is pastor. I showed the slides and told about the work.

Asa Bratcher

Sunday, the 8th, we were privileged to be once again with the Brooksbury Baptist Church in Brooksbury, Indiana where Brother James Sparks is pastor. I preached in both services and we had a most wonderful day with them. Words cannot express the appreciation we feel to this church for being so kind in so many ways. We appreciate so much not only the offering for the work but also for our personal needs. Thanks again, dear church and pastor.

Yesterday we said good bye to the dear folks at the Glen's Creek Baptist Church in Versailles, KY. where Dr Ken Underwood is pastor. They have been so good to the Bratcher family, also.

Pray for us as we return. Keep us in your hearts and minds.

In His Service,

July 31, 1990

Dear Brethren:

Due to some problems of long standing, we were not able to return to Brazil in early July as planned and as it appears now we will not be going back until some time after September 17.

Since my last letter I have only preached in two churches, the first being the Park Layne Baptist Church in New Carlisle, Ohio where Brother Tom Lewis is Pastor. I think Brother Paul Kirkman introduced Baptist Faith Mission to this church and Brother Darral Messer set up the engagement for me and I thank them for their good work.

Bobby D. Creiglow

We also thank the church and Brother Lewis for having us. It is always a joy to meet brethren like these and we thank you for a good fellowship. The Messers also put us up and put up with us while we were in the area. I also spoke once for Brother Earl Thomas and the Pleasant Ridge Baptist Church of Lexington, KY and we have since the first time enjoyed being with the brethren there. Although we have attended several churches in which I did not speak, we did enjoy their fellowship and we have now finished our speaking engagements for this furlough.

We hope to return to Brazil soon after the problems are resolved and we desire the prayers of all of you about these problems.

In His Love,
Bobby D. Creiglow

Dear Brethren,

This morning at around 3:00, Asa Mark, Lucinda, Marcia, Luci Marie, and Jetta arrived at the Manaus airport - 4 persons and one dog. They were greeted and welcomed by 19 of us. May the Lord bless them and use them as they begin another term on the field.

Harold Bratcher

A week from today the 14th of December Baptist Church will celebrate her thirtieth birthday. Pastor Asa Mark Bratcher will bring the message. We have set several goals to be reached during these days. We are happy to report that we surpassed our offering goal for the month of June. The goal in cruzeiros was 300,000 - we received almost three hundred and forty thousand Cruzeros (340,000). In dollars it would be around \$4,000.00. I'm sure that it was the best month financially in the history of the church. We praise the Lord that the church is growing in the grace of giving. We had

the largest attendance in Sunday Bible School at least for this year - 405 - on "Members Day." "Members Day" was the first Sunday of this month.

Believing that "all things work together for good to them that love the Lord to them that are called according to His purpose" ... Romans 8:28, we are happy to report that the launch has been sold and after a struggle the pilots paid. One required the maximum - the other the minimum. We came out spending two or three dollars more than the sale of the boat brought. Anyway, it is a relief to have that matter behind us.

We ask your prayers on our behalf. May the Lord bless us - Marie (my sweet Marie) and I as we, since Sunday, are now in our 32nd year of service here in the land of eternal summer.

We thank you all - all of you that pray for us and support us through B.F.M. We especially thank you that sent us gifts through Asa Mark. May the Lord bless you is our prayer. We pray daily for, of not all, some of you. We trust that you will continue to give to B.F.M. regular fund and designated offerings for us - Harold Bratcher's Building Fund, etc.

Yours In His Service,
Harold and Marie Bratcher

Changing Houses Soon . . .

by Sheridan Stanton

Apartado 15
Pucallpa, Peru, S.A.
July 17, 1990

Dear Friends:

Fellowship, blessings, and a lot of good times would best describe the month of June. The first two weeks of June, I was taking some university courses. This is something I do every year as I am studying for a Masters degree in Human Resource Development. Four solid hours a morning for two weeks is very stimulating for the brain but very wearisome for the flesh.

Sheridan Stanton

A good friend and supporter of ours, Brother Lucky Howe from St. Augustine, Florida, came down for a visit with us on the 13th. We always enjoy his visits. He supports several missionaries in Peru, and comes down periodically to visit and see the works. We wish more of our supporters would come for a visit and see first hand how God has blessed.

Four good pastor friends came down on the 19th for a ten day visit. Pastor Tony Herald, of our home church, the Jordan Baptist Church in Sanford, Fl.; Pastor George Sledd, of the Temple Baptist Church in Ocala, Fl.; Pastor Ronnie Watkins of the East Corbin Baptist Church, Corbin, Ky.; and Brother Lonnie Poynter of Corbin, Ky. (Brother Poynter recently resigned his church and is available. He's married with four children and we recommend him.) They stayed a few days here in Lima and then we went out to Pucallpa for a short trip to see the work and go fishing. They preached at the Jordan Mission and I interpreted. The five of us, (we're all from "Kentucky") played our high school basketball team from the Pucallpa Baptist School, and we lost! Now the reason we lost was a great topic of discussion for us: I personally feel it is because some of us (and I won't say which ones!) are overweight and not as young as we used to be. However, Brother Herald insists that the scorekeeper was very biased

and also because we don't call fowls in "jungleball". Ha Ha. Whatever the reason, it was a good game and we all enjoyed it (except for the blisters and aches.)

One day was spent on a fishing trip three hours up the Ucayali River (headwaters of the Amazon) into a lagoon where we landed eight nice peacock bass. Brother Herald caught the biggest (6 lbs.) so if you want to know more, must call him and he'll tell you a great fish story!

The folks in the mission and the school were sorry to see them go and will miss them a lot! Back in Lima, Brother Sledd and Brother Herald preached in the 25th anniversary services of the Bible Baptist Church here in Lima. Brother Fortunato Barreto is the fine pastor of this church, and they went all out to have great services and feed the people. Missionary Paul Mulling started this work years ago.

Speaking of Brother Mulling, he and his wife, Ann, came and spent a few days with us before leaving for the States. We always enjoy the visits and fellowship of our Christian friends, both here and from the States. Anita, the kids and I want to thank each one that sent things down for us by way of the four pastors. The clothes and "goodies" are greatly appreciated! Thanks again!

We are planning to change houses here in Lima within a few weeks. By the time you read this letter we should be into the other house. The house we are in now is too expensive and far away from everything. The other house is smaller, less expensive and a better location. We will send a new phone number and address in the next letter.

The Pucallpa Baptist School is running smoothly. All of the churches in Pucallpa report good services and marginal growth. Brother Daniel Gonzales, our new pastor of the Jordan Mission, is doing well and he and his family appear to be adjusting themselves nicely to Pucallpa. Well, I could write more, but I've written enough for now. Please write to us and remember to pray for Peru!

July 16, 1990

Dear Brethren,

This has been a month a little bit different. When I received my financial statement last month I saw that several churches had designated money for our personal needs. A few days later I understood why. Ursula has developed a very severe case of arthritis in her hands, knees, and ankles. We have been running tests and she is on strong medicine and taking therapy. She is recovering from the shock of knowing that she will probably be bothered with it in the future. She has had swelling in her joints for years, but this was always diagnosed as allergy. Pray for her that the doctor will be able to soon bring it under control. She is not able to do her housework as before which means I am getting a little experience. Our trials of faith come to all of us. May the Lord be praised for His great mercy. Ursula came home from

Harold Draper

therapy the other day telling of a 4 year old child who was born with crippling arthritis. Always there are those less fortunate than us. We want to thank each church who sent the offering. It was heaven sent. I have been in Brazil for 13 years and have never seen it so hard for Americans to get by financially. The new government has adopted monetary policies which cut our buying power about 200%. We are having to just try to maintain our present level of activity for the time being.

Our works here are all doing well. We are getting ready for an endeavor to evangelize the Chacara dos Pinheiros work. We are presently making a census house to house in an area of about 10,000 people. We are moving our prayer service and Bible study in Tijucal to Friday night so I personally can take care of it. By the end of the year we want to change the Saturday Bible school to regular Sunday School. We are trying to organize materials and train teachers at this time. Tomorrow the new pastor and I will begin to set up a printing room to produce material for Sunday School, etc. Pray for us and keep up the banner there. May the Lord bless all of you.

Yours in Christ,
Harold M. Draper

Dear Brethren,

Yesterday I talked to Netto who is the church treasurer of New Hope Baptist Church, Sao Luis. He told me everything was going real well except the St. Matthews Baptist Church is still having trouble; the church has asked the pastor to leave. Brother Silvester, the pastor from Peritoro Baptist Church, is going there each week to preach in Brother Douter's home. I have discovered a way that we can wire money to Brasil each month. This has been a real burden each

month but thanks unto the Lord that he has worked this out for us.

I have attended a Baptist church somewhere each Sunday during the month. I preached Sunday night at Providence Baptist Church, Martintown, Al., Brother Howard McCallie is pastor. I preached last night at Lake View Baptist Church, Hollywood, Al., Brother Clyde Moore is pastor.

We will soon be moving to Lexington, Ky. so the next Mission sheet letter should be written from Lexington. May the Lord bless each one.

Where To Send Offerings

Make all checks payable to Baptist Faith Missions and mail all offerings to:

James Hamilton
P. O. Box 24204
Lexington, KY 40524

Brother Harold Bratcher Baptizes in 14th of December Baptist Church in Manaus, Brazil.

CAR FUND

Give to help our missionaries have a car. Those who have a good car now won't have one in a year or two or three. We need to give regularly toward this so there will be money when they need a new car. Some need one now. Give to the Car Fund in general or for the Car Fund of a specific missionary.

THE GENERAL FUND

All offerings are needed and greatly appreciated but none are more important than the offerings to the General Fund. All offerings not designated go to the General Fund. All salaries, regular monthly expenses of the missionaries, transportation, medical, etc., come out of the General Fund. Please pray for this fund and give regularly to it.

Pastor Marcondes Baptizes in Brazil. Bro. H. Bratcher's Work.
