Report on Year of 14th of December Baptist Church . . . Two Injured in Car Accident . . . Begin New Work at Multirao . . .

Caixa Postal 227 69.011 Manaus, Amazonas Brazil, S.A. Telephone: 011-5592-611-2331 August 15, 1990

Dear Brethren,

In last month's letter we told you of the safe arrival of Asa Mark, Lucinilda, Marcia and Lucy Marie and their dog, Jetta. We have seen the four of them many times but haven't seen the dog any more, but I'm sure she is well and getting adjusted to her new home.

Saturday night, July 21st, I preached at the Love Baptist Mission in

We rejoice that the Sunday School average attendance for this "Mission Sheet month" is 331.

Tuesday night, July 24th, the Church celebrated her 30th Anniversary. The report celebrated her 30th Anniversary. The report showed that we began the year with 637 members and ended with 650. We gained a total of 63 new members, 22 by baptism and the rest by letter or restoration. We lost 10 by letter and 39 by exclusion and one by death. The Lord blessed our celebration with 507 people present and Asa Mark brought us a wonderful message with some 7 people responding to the invitation. There was rejoicing in heaven and on earth and then tragedy struck. After the service, a young couple of the church with their two year old son got in their car to leave. The brakes of the car failed to function and the car struck two women. One of the women, a visitor, suffered a broken collar bone - the other, a faithful member of the church and choir, Dona Maria Aparecida Sousa Lima, suffered a broken leg and a broken ankle on the other leg. We didn't get to bed until almost 1:00 a.m. Last week she was operated on. Pray for her complete recovery

Asa Mark has been a blessing to us and to the other churches of B.F.M. as well. We have begun again our new converts' class with Asa Mark as the teacher. One Sunday there were twenty in the class.

We have held services in the class.

We have held services in the homes and one service in a cemetery. Also, I performed a wedding at the Church on Saturday night, the 4th of this month. I've also had to deal with some members that needed to be disciplined - the church excluded 3 last Wednesday night. We've had other cases of members that we trust will receive the corrective discipline.

Brethren - pray for us. We almost forget

will receive the corrective discipline.

Brethren - pray for us. We almost forget that the young people are taking the lead in opening a new work in a new suburb of Manaus, "Multirao", several miles from the church. One Saturday and two Sundays they have gone there and held services. A large number of people, especially children, have attended. The three services were held in the open air. Pray for this new work and remember that as always we need your prayers and financial help. The "almighty dollar" has lost part of its buying power this last month.

As the Lord leads, give to the regular fund and to Harold Bratcher's Building, etc. We'll be needing a building soon at the Multirao suburb.

May the Lord bless you is our prayer.

Yours In His Service, Harold & Marie Bratcher

WHAT ABOUT MISSION SUPPORT?

by Jim Orrick

While we may all agree that we need to support missions, there is much controversy today over how a missionary is to receive this support. Many well meaning brethren and churches become very dogmatic over this point. While we bicker among ourselves about this, mission work often suffers and souls are perishing.

In studying the work of missions as it is set forth in the New Testament, there seem to be several principles set forth by which a missionary can be supported or receive support. Any one of these could be used, but to select one and then to condemn all others as being heresy is wrong.

First, a missionary can support himself on some fields by his own labors. Paul did this when he was at Corinth. "And because he was of the same craft, he abode with them, and wrought; for by their occupation they were tentmakers". (Act 18:3). (Also note Acts 20:34). This is not the most desirable way because it takes away valuable time that could be spent in preaching, studying, and witnessing. It may sometimes be necessary for a missionary to work at some job in order to supplement his income, but to say that it has to be done because of what Paul did at Corinth is indeed stretching a point.

Another way to support a missionary is to send the offering directly to him on his field of service. The church at Philippi did this for Paul. "Now ye Philippians know also that in the beginning of the gospel, when I departed from Macedonia, no church com-municated with me as concerning giving and

receiving but ye only. For even in Thessalonica ye sent once and again unto my necessity (Philippians 4:15-16.) We are at the present time sending a monthly offering directly to one of the missionaries whom we help to one of the missionaries whom we neit to support. There is nothing unscriptural about this, but we do not say that all mission offerings have to be sent this way because this is the way we do it with one of our missionaries.

Many missionaries raise their support by doing deputation work among interested churches. This means that they visit different churches and tell of the work and the burden that they have for it, and seek to enlist the help of that church in supporting them on the field. Supporting churches often send their offerings to the missionary's home church, and this church will send them a monthly financial report as well as a report from the missionary. I see nothing wrong with this means of raising support, but I must confess that I know of no scriptural basis for it. I have searched in vain for a scripture that shows where the church at Antioch received any offerings for Paul and Barnabas, or Paul and olierings for Paul and Barnabas, or Paul and Silas and then sent these offerings on to them. I know of no scripture that tells of Paul doing deputation work to raise support before he went on a missionary journey. However, I know of no reason to say that this method of support is wrong. We have in the past supported, and are at the present time supporting, missionaries who have raised their support in this manner

Yet another method of supporting missions is by a church delegating some-one, or a group of people, to see that their mission offerings get to their desired destination. This method greatly upsets some well meaning persons, but this principle is set forth in Il Corinthians, chapter eight. In this place we see that the churches of Macedonia had an offering that they

wanted to go to Jerusalem. When Paul and his companions came through Macedonia, these churches asked them to carry the gift to Jerusalem for them. "Praying us with much entreaty that we would receive the gift, and take upon us the fellowship of the ministering of the saints" (Verse 4.) "And we have sent with him the brother, whose praise is in the gospel throughout all the churches; and not that only, but who was also chosen of the churches to travel with us this grace, which is administered by us to the glory of the same administered by us to the glory of the same Lord, and declaration of your ready mind. (18-19). Was there anything wrong with these churches choosing these men to carry their offerings to Jerusalem? Certainly not! If there had been any wrong in it, Paul and his companions would have had no part in it. If a church wants to authorize a group of men to see that their mission offering gets to a certain mission field, they can do so without

We here at Storms Creek have used each of these methods of supporting missionaries, and feel that we have been within the bounds of the scriptures in doing so. We feel that the blessing of God upon all of these methods is a good evidence that God is pleased with any of them that a church chooses to use. However, to choose one of these methods as scriptural and then to criticize other pastors and churches because they do not use the same method is wrong. Our real enemy is not those who send their mission money to the mission field by a different method than we use; the real enemy is the devil and we should spend our time and energy fighting him. A very great danger that we need to guard against is that we not become so narrow that we cannot find anyone sound enough for us to support. May God help us to get down to the really important task that we have of preaching the pospel to lost singlers. preaching the gospel to lost sinners.

Greetings in the name of our Lord and Saviour Jesus Christ.

We are proud to tell you about the work of the Lord at Bagong Silang, Caloocan, City, Metro Manila under my leadership, that Christ Jesus Himself continuously blesses His work. He increases the numbers of the believers. Here is a list of the least common attendance during Sunday.

Adult Men					9

Children					47
The faithful Baptize	d bel	ievers			35

Our least common tithes and offering every Sunday is 250.00 pesos. Sometimes above this figure, some other time below one hundred pesos.

Please pray for us always that God may shower us more blessings so that we could erect our two stories concrete church building. This is the church dream - to have it.

We don't have the fund yet, but we have that faith that our God who is Alive and Miraculous in Power can supply all our needs through His own people.

We hope and pray for you also that our God, who is in Heaven, who liveth forever, may abundantly bless you and keep you, as we need each other.

Your co-laborer in Christ, Pastor Rudy Penaranda Greetings in the precious name of our Lord and Savior Jesus Christ. May I kindly introduce myself. I'm Pastor Felix C. Agustin, presently pastoring a mission in the place of Pasav City.

As of now, the work is in need of prayer, financial help and a good relocation of the mission house. We are establishing Home Bible Studies, Good News classes, outreaches from different Bananagays in order to spread the love and let the people know the Lord Jesus Christ as their Saviour.

As the Bible says in Psalms 133:1, "How good and pleasant it is for the brethren to dwell together in unity."

New Convert in the Philippines Being Baptized

The Antipolo Baptist Church as of July, 1990 has 36 members. This is fairly a good number considering Antipolo's description as one of the strongholds of the catholics in the Philippines. God has blessed our children's ministry with faithful teachers and a good number of children who consistently attend the Sunday School and Good News classes. God had also opened to us new doors of opportunity to penetrate deeper into the people of Antipolo through our Bible Studies. Just recently, we opened a Bible Study at Cristinar Village for a group of businessmen here in Antipolo.

Nonetheless, some of our members,

Nonetheless, some of our members, mostly young people are experiencing intense persecution from their parents, relatives and friends.

As a whole, the work here in Antipolo is gradually growing into a strong and stable church after severe spiritual and financial problems.

Please continue to pray for our needs, especially that financially. We are so hard up financially the past months that we weren't able to pay for our rental fee of 1,800 pesos a month (\$72.00) and a delay of payment would mean a 5% increase.

We are grateful to God for having you as our partners in the ministry. We want to assure you that the help you extend will be properly used for the furtherance of the gospel.

RETIREMENT FUND

A fund has been established for our missionaries when they retire. Several of our missionaries are in their 60's. Even though B.F.M. has no age when a missionary must retire, the time will come when they will feel led to retire. At that time we want to be able to help those who have served so long and so faithfully for the Lord.

If you would like to give to this fund, please mark your special offering Retirement Fund.

Record Year In Pucalipa Baptist School . . . Support Greatly Appreciated . . . More Support Needed . . .

by Sheridan Stanton

Apartado 15 Pucalipa, Peru, S.A. August, 1990

Dear Friends:

The school is having a record year this year. We have just a little over 700 in all. The Lord has certainly blessed this work in a mighty way. New construction and remodeling have been possible for the last

five years and we have much more to do. Apart from the physical growth of the school, I can also report that spiritual interest seems to be on the rise. Things are running smoother this year than ever before, for which we give thanks to the Lord!

Our "Adopt a Student" program is still in effect, and that brings me to the point of this letter. Due to a record number of students this year there has been no tuition increase for you. The tuition varies each month according to the exchange rate but it averages out each month to about \$16.00. This is what we've charged for past two years and it is still sufficient.

Some of you support on a regular monthly basis and some of you on an occasional basis. All of the support is needed and greatly appreciated. Because of you, many of the children in our Baptist Churches are able to attend our school rather than the public schools. (The vast majority of the people in our churches are poor and cannot afford to send their children to our school). For those of you who support on a monthly basis, Anita and I have assigned some of these children specifically to you. For those of you that support on an occasional basis, please know that your support is also very much needed. Not all of our Baptist students are covered on a monthly basis so the support you give goes to help them. We also try to help these families with the books and uniforms each year, (only as much as the money allows, and that's not much). There is still plenty of opportunity for anyone wishing to support on a regular basis!

Why not plan a vacation one year and come down for a visit of the mission field of Peru. You can visit the school and meet "your student" personally. It will bless and enrich your life.

Your Servant, Sheridan E. Stanton

Return From Thanksgiving Conference . . . Recovered from Sickness . . . Conditions in Peru . . .

by Homer Crain

Ayacucho 1469 Urb. Liquria - Surco Lima, 33, Peru September 6, 1990

Dear Brethren:

In my last mission letter I had just come back from Huanuco, Peru where I preached in the Thanksgiving Conference. I drove across the Andes mountains with 15 of the Brethren packed in the back of the van

with their luggage and guitars. Several got sick as we crossed the high Andes (over 15,000 feet above sea level). It was a long, hard ride for everyone. The conference was a blessing to all. There were people from

Ingo Maria, Aucayacu and Lima. Next year we are to meet in Tingo Maria and the following year we plan to have our yearly Thanksgiving conference been in Lima. here in Lima.

After I came back from Huanuco I went to Iquitos for a week. It rained every day I was there.

While I was there I got the big Ford van out of customs with all the used clothing. I was able to accomplish a lot in one week

I came back from Iquitos sick and very tired. The following night I went to see the doctor. Bronchopneumonia again. I have had it several times and each time it gets worse. The doctor sat me down and said, "Slow down or your wife will not have a worse.

husband." I thought that was serious, because I could not think of Elizabeth without a husband. After a week getting a shot of antibotics in the morning and another in the night plus bottles of cough syrup and making it hard on everyone in the house because I could not do anything but rest, I am much better, I thank the Lord that much is behind me.

Today was a busy day looking for motor parts for the van that has already over 180,000 miles. The trip across the Andes was too much for it, so it just quit. I hope to have it out of the shop by Saturday.

The poor people here are really suffering, it is colder this month than it has suffering, It is colder this month than it has been for 35 years in the month of August. I will have some warm clothing to give to our people this week. Only 18 per cent of the people here in Peru have established jobs. We plan to help our people by feeding them every Saturday evening until the crisis passes. Jesus said, even a cup of cold water would be blessed. I plan to put some chicken and vegetables in the water and I am sure the Lord will bless that also. Next week I have to go to Iquitos again. The Brethren there are crying for help. There is so much to do, BUT SO LITTLE TIME TO DO IT. The reaper of the harvest will soon call us home and I am sure as we stand before him, I will wish I had given it all, will be our prayer. But, we still have today to work and give. May we all work and give while it is day, because night is ccoming. This is from my heart.

The Lord has blessed us with a good month. Ursula has responded well to treatment and is much better. The doctor told here that she will be subject to problems from time to

Our work at the Our work at the narrow braper Chacara dos Pinheiros is going at a steady pace. Our visiting in the area door to door and personal witnessing is starting to show some results. Last Sunday night we had 4 families from the area in the service as well as several others. On Sund y night we are combining the people from there and from Tijucal in the preaching service. Our old truck is bringing in about 30 to every service. We broke an axle on it the other night with so many on board. It has served us well and we hope it will continue to do so. I am needing to do an overhaul on the brake system soon.

We have now held 2 services on Friday night at the house in Tijucal. Both have been well attended and have been a blessing to all. We have a time of teaching and prayer. I believe that prayer is a missing ingredient in many cases. We are sowing the good seed and praying for the harvest.

As many of you know, I am gearing up to start putting my preachers' training program on video tape. The cameras and some editing equipment have already been purchased over the past two years. The only part of the equipment that is needed yet is the Amiga computer. This will be used to make up the maps, charts, drawings and graphics that will be added to each lesson.

The idea is to put all of my courses and those of other missionaries onto video tape that will in turn be shown to our preachers back in the more remote areas. This is the back in the more remote areas. This is the means that has presented itself to get as much teaching as possible to the greatest number of students. We have over 50 preachers in our area alone. If we train these men to be good missionaries, then it is obvious that much more work will be accomplished. More couls will be saved as accomplished. More souls will be saved as an indirect result of this program. If you would like to help, then go right ahead and designate a gift for this project. A little later on we will need a few TV/VCR combinations to present the lessons on. These are relatively inexpensive and would be good projects for small churches or even in

We will be in the States for just two more months. I will be very busy during that time, which is good because I am getting very anxious to get back home.

Thanks again to all the churches for the good times and thanks for all the faithful prayer and support. May God bless all of

In Christ. Mike Creiglow

Where To Send Offerings

Make all checks payable to Baptist Faith Missions and mail all offerings to:

Brother Harold & Brother Asa Bratcher in the Special Welcome Service, July 18, 1990 Prayer Meeting at the Fourteenth of December Church, Manaus, Brazil.

CAR FUND

210.00

Total

Give to help our missionaries have a car. Those who have a good car now won't have one in a year or two or three. We need to give regularly toward this so there will be money when they need a new car. Some need one now. Give to the Car Fund in general or for the Car Fund of a specific missionary.

THE GENERAL FUND

All offerings are needed and greatly appreciated but none are more important than the offerings to the General Fund. All offerings not designated go to the General Fund. All salaries, regular monthly expenses of the missionaries, transportation, medical, etc., come out of the General Fund. Please pray for this fund and give regularly to it.

Brazilian Pastor Baptizes New Convert. Brother Harold Bratcher's Work.
