A SPECIAL LETTER FROM BROTHER FISHER

I want to take this opportunity to renew an appeal that was made in the Mission Sheets some months ago for financial help for Brother James Hamilton and Brother Paul Kirkman.

Brother Hamilton is not yet eligible for medicare and has incurred a lot of expenses as a result of an operation for a malignancy. He has had to follow up on this with chemotherapy. All of this as we all know, is very expensive. He needs and surely would welcome any offerings any church or individual would feel led of the Lord to give.

Brother Kirkman's wife has become so handicapped by her illness that it has become necessary for them to have a lot of changes made in their home to make it as it must be for an invalid. This means among other changes a complete remodeling of their bathrooms. They too need our help.

Both men are Directors of B.F.M. Both men have served and given to help support our missionaries for many years. If any church or individual feels led to help either or both of these men, please designate your offering the way you want it to go and it will be appreciated very much.

Yours in Christ,
Sidney Fisher

THE 1991 WINTER MISSION CONFERENCE IN BEHALF OF BAPTIST FAITH MISSIONS January 13 - 16, 1991

Plan now to attend the Winter Mission Conference at Park Ridge Baptist Church, Gotha (Orlando), Florida. Churches, send your pastor and his wife on a winter spiritual retreat. They will come back to you thawed out, and he will have new fire in his soul. Give them an extra \$200 so they can visit one or more of the attractions Thursday and/or Friday after the conference.

Days Inn, Lakeside, 7335 Sand Lake Road, Orlando 1-800-777-3297, has given us a discount price of \$25 per night. Call now and make your reservation. Ask for Mary Jordan or Candy Hiser. Tell them you are with the Park Ridge Baptist Church Conference.

Directions to Days Inn, Lakeside: Coming South on Florida Turnpike, you will use Exit 259; that is I-4. Go West on I-4 to Exit 29; that is Sand Lake Road. Turn right and go one block to Days Inn.

THANK YOU!

If your name or the name of your church is printed on the back of this paper, we thank you.

We thank you and we thank God for you.

When you or your church sends a check to BFM, you are buying food for real people, gas for real cars and airline tickets and hospitalization and on and on the list goes.

Every dollar you send is good news to us and we appreciate every single hard earned dollar.

Being where you are and doing what you do, is what keeps us on the mission field doing what we do.

On behalf of every one of your missionary families, we thank you.

P.S. We all thank Pastor Bob Lamb and Pastor Marvin Summers and their churches, Twelve-Ryan Baptist Church and New Hope Baptist Church for the conference which they had for our missionaries. They always do any excellent job.

Thank you all.

Dear Brethren:

PUCALLPA BAPTIST SCHOOL - The school continues to have its best year yet. At this time we are winding down the 1990 school year. December 17 will be the last day of school and the beginning of summer vacation. The students will return on the first of April, 1991 to begin the new school year of 1991. The three months of summer vacation we use to build and repair. It is always a very busy three months for me. We also use this time to evaluate and revise the Bible curriculum for all grades. We recently had the water pump stolen from the well, but just this morning I received a call from Pucallpa and they informed me the police had recovered the pump! Praise the Lord! Please remember the school in your prayers.

Dear Brethren,

The day after writing last month's letter, I left Manaus on a river trip to visit 3 of the works. Friday morning, October 19th, 3 of us left around 6 A.M. by car for the small interior town of Itacoatiara. The 3 were: Brother Ediberto (the evangelist at New Jerusalem), Brother Lucio Porto (a layman and evangelist of Memorial Baptist Church), and myself. After a 4 hour trip, we arrived at the home of Pastor Francisco Assis, who also went with us. After lunch at his house, we left Itacoatiara on Brother Lucio's boat, named "Cristo Redentor" (Christ the Redeemer). I have known Brother Lucio for years, and he has graciously put his boat at my disposal for any trips I need to make. So this is a blessing, as I have not been able to buy one yet.

Asa Bratcher

We left Itacoatiara around 1 PM, arriving at Amajari at 5:30, in time to baptize a 31 year old new convert. That night, I preached to over 50 (there was one decision) and then held the Lord's Supper. After the service, we traveled on to New Jerusalem at Parana da Eva. Saturday night there were over 60 present at the service. Sunday morning before Sunday School I

baptized 5. There were 115 in Sunday School and worship service. I preached and there were 3 decisions and then I held the Lord's Supper. After dinner, we left on our way to Novo Remanso. There were 63 present in the 4:00 afternoon service. They desperately need a new building as the old wooden one is falling down and the mayor has asked for the lot. But in return, he gave them, at a much better location, a large 30 by 30 (meters) lot. All they have been able to do is put up a small frame. If you can help them, just send your offering designated "Asa Bratcher buildings (Novo Remanso)". It would be dearly appreciated by the brothers and sisters in Christ there. After the service, we left, arriving back in Manaus before 9:00 P.M. We praise the Lord for each blessing received during the trip and for His traveling grace. It was good to see and be with these dear brethren again.

It has been extremely hot here these past few months. The record in the city was a sizzling 129 degrees. Not only has the temperature been hot, but so have the prices. Yesterday I saw a box of 100 Lipton tea bags priced at \$14.00 (believe it or not - it's true). Unfortunately, the dollar continues very cold. Also yesterday, the bus drivers went on strike.

Pray for us, as we thank our God upon every remembrance of you, remembering your kindness to us, and your joy in your joy in your service to Him.

Dear Brethren:

Just a short time before we were to return to Brazil, Betty and I went to Mississippi to visit with Mike and his family and while there we attended the Elliot Baptist Church where we heard Mike preach and present his work. Brother Norris Corley is the pastor of this church and as always we enjoyed fellowshiping with the brethren there. Then on Wednesday night I spoke for Brother Demas Brubacher and the Central Baptist Church of Grenada. After a few days of visiting we traveled on down to Florida where I was the speaker at the homecoming of our home church, the Park Ridge Baptist Church where Brother Doug is Pastor. After a couple days of just resting, I spoke for the Jordan Baptist Church of Sanford, Fla. that was at that time in the

Bobby Creiglow

process of calling a new pastor. The following day we took our good old time going back to our two daughters in South Carolina where we took a few days making our last minute preparations to return to Brazil.

On Tuesday night we said good bye to our grandchildren in South Carolina and then on Wednesday morning, November 14, Brenda and her husband John along with Arlete and her son Aaron took us to the Greenville airport for us to start our long trip back to Brazil. Mike, family and my nephew Paul Creiglow met us in Miami and from there we traveled to Manaus together. We arrived in Manaus at 1:00 AM and after making a quick trip with no problems through customs, we were met by Brother David Hatcher and his wife. Brother David had been asked by Mike to make arrangements for Betty and I to travel on to Cuiaba that same day, so he was waiting there with our tickets already bought. Since our plane was to leave in just a few short hours we told all the others good bye and sat down to wait. Our plane was on time and about 7:30 AM we were on our way to Cuiaba. We were met at the airport by the Drapers and a few friends. This was the

Dear Brethren,

This Mission Sheet Month has been another hot, dry one. As I reflect and review the happenings of these days, like Ezra I am ashamed and blush to lift up my face to the Father. However, I am encouraged and strengthened by many good things that are happening. Many doors are open. We still receive invitations to celebrate birthdays in homes with a preaching service. We have had around 10 decisions this month and about a dozen of our members are studying and already conducting Bible studies in the homes.

Harold Bratcher

Each Sunday morning and each Wednesday night I was present and preached at the 14th of December Baptist Church. I am thankful to report that Marie, my wife - to borrow Ezekiel's words "the delight of mine eyes" - is faithfully carrying on at my side most of the time. Her health does not permit her to make all the visits or attend all the services in homes, etc.

Each year, November 2nd is a holiday here in Brasil. It is the "day of the dead". Many people visit the cemeteries and burn candles and place flowers on the graves. This year, as usual, I went to the Sao Joao Batista cemetery where Joel Harold Bratcher is buried. I didn't even place a flower on the grave but placed there some gospels of John. After I preached I advised that each

one who asked would receive a gospel of John. In a few minutes the 25 gospels were received. Thus we sowed the seed by the wayside. We then held a short service at E. A. Nelson's grave - Brother Nelson died in 1939 after serving the Lord for more than 40 years as a Baptist missionary. His grave since July of 1988 is also the grave of Baptist Pastor A. Antunes de Oliveira. Four days later I was back in the same cemetery to attend the burial of Dona Maria Helena Franca's father. Dona Helena is a faithful member of our church. Two days later I received a call to go the home of Abimael Ferreira de Miranda. This twenty-two year old husband and father was killed in a construction accident. He was the son of Argemiro Miranda Leite who some thirty years ago was one of the national pastors helped by the Mission.

November 13th we received the notice of the death of Pastor Anisio Pereira, around 60 years of age. His funeral was held at the Chapada Baptist Church. Brother Pereira was the first pastor at the Monte das Oliveiras Baptist Church. Thus this made my fourth visit to three different cemeteries.

Brethren, pray for us and the 14th of December Baptist Church. We thank you that contribute to the Mission. We live in hope - trusting in God and sharing with you, the people of God, our needs. Someone has said, Trust the Lord and tell the people. I'll change it to: Tell the Lord and trust the people of the Lord to respond. Please continue to give to the regular fund and to Harold Bratcher's poverty relief fund or Buildings or New Works. We especially need your cooperation and help as this year comes to a close. We are praying for you.

Yours in His Service,
Harold & Marie Bratcher

best return trip we have ever made having, no trouble whatsoever.

The Drapers have taken us into their home, making us welcome until we can find a house that we can afford to rent. We got the shock of our life today while house hunting. A small house that all together would not make a good sized living room was priced at over \$300.00 per month. Needless to say, we are still looking.

Up to this point, things have gone very well and we are happy to be back home. We want to thank all of you that have been so kind to us while we were in the States.

In His Name,

Three Professions of Faith . . . A Faithful Worker Named Geni . . .

Dear Friends,

The results from our youth conference were above our expectations. Each night the crowds got larger until the final service which had "standing-room-only". The young people from Sao Paulo did an excellent job in their preaching and teaching. Our youth are still highly motivated. We had three professions of faith and several others who want to train to serve the Lord. We hope to have a group of our own going out next year to do this same type of work in another area.

Bobby Wacaser

We have been receiving correspondence from a young family in Independence, Ky. They send us tapes of their church services and a friendly letter of encouragement. We want to express our thanks to them and encourage others to do the same.

God has sent us a special blessing recently. We found a Geni! She wasn't stuck in a bottle or lamp though. She just lived down the street. She is like a wish come true all the same. She works tirelessly visiting in different homes. Each week she takes about 20 children to Bible school. Geni has a few hardships that would get an ordinary person down. She is nearly illiterate and the doctors have told her that her cancer is beyond their control. At first, I was afraid that she worked so hard to win her way to heaven or to make a deal with God to get her health back. But, after several lengthy discussions, I've found that she has come to love God and wants to use all her life to serve Him (whether it be long or short). When I see how much energy she spends reaching others I am ashamed of how little I do. I have been challenged to renew my dedication to God and give more than ever before.

"Oh, Lord, thank you for sending us Geni. Help her to serve you faithfully until you are ready to take her home. Alleviate her pain and suffering to the point that she can bear. And I do ask that you would use her life to please yourself and to encourage many more to serve you. In Jesus' name and for your glory I pray, Amen."

Dear Brethren:

I started the month for this MS letter at Pathway Baptist Mission, Salt Lick, KY. Brother Dana Adams is the pastor. Brother Gormley spoke Friday night for their fellowship meeting. Brother T.A. Preston spoke on Saturday night and I spoke October 28, morning and night services. I attended the Conference at Bryan Station Baptist Church on October 29-31. Brother Gormley is pastor. It was a good Conference.

Sunday, November 4, I spoke morning and afternoon services at Fellowship Baptist Church, Richmond, Ky. Brother James Dargavel is the pastor. This church has really helped us with our buildings in Brasil. November 4, night service, I spoke at Richmond Road Baptist Church, Lexington, Ky. Brother Gumm is pastor. November 11, morning service, I spoke at Poplar Creek Baptist Church, Leighton, AL (without a pastor). We stayed in

the home of Brother Milton Ford and wife. November 11, night services, we were at Smyrna Baptist Church, Courtland, AL. Brother Goodlet is pastor. I showed the slides and then preached.

November 18, morning and afternoon, I spoke at Grace Baptist Church, Fairborn, Ohio. Brother Foose is the pastor. June and I stayed Saturday night with the Foose family and Sunday night we stayed with Brother Mike and Elsie Smith, London, Ohio.

November 19-22 we attended the Thanksgiving Conference at New Hope Baptist Church, Dearborn Heights, Mich., Brother Summers, pastor and Twelve-Ryan Baptist Church, Warren, Mich., Brother Lamb, pastor. I was one of the speakers for this Conference. This was a great Conference. June and I stayed with Brother and Sister Don Humphreys and they treated us so nice.

If you are trying to get in touch with us, try the Lexington phone first and then if we do not answer, you might try our daughter's phone - 205-574-5432 in Alabama. June is still helping out some with her Dad.

May God bless all.

Dear Brethren,

Usually I wouldn't want to write a letter on a rainy Monday morning, but this is a very good rainy Monday morning and here I am writing this letter. We are now back in Cruzeiro do Sul and we just came off of a great weekend with our people.

We left the States on Wednesday, November 14 and arrived in Manaus the following day. On Friday we came on to Cruzeiro do Sul. It rained all Thursday night, but quit in time for our flight to get on the ground. There were over 200 present for Friday night prayer meeting. The church gave us a big reception with a wonderful meal after the service. On Saturday night we went with some of our young people to visit the church at Assis Brasil. They were having a youth rally there and it looked like about 250 or more were present. On Sunday morning we had over 240 for Sunday School and worship in

Mike Creiglow

our home church, First Baptist. At night there were some 400 present. We had to get out extra benches. After everyone made their way home it started to rain and has rained all night. The Lord always works things out to perfection.

Our trip was as good as could possibly be. I only had to pay for excess weight on the last leg and that was only a couple hundred dollars. We had no trouble with customs either. They did not open our bags coming into Manaus, or leaving, for that matter.

Several of our native workers have already given me reports on their work. The reports are good and the work seems to be in great shape for the most part. As for our home church, Brother Joao has done a great job. Many of the members have come to me to say what a good job he has done.

Once again many thanks to all the churches and brethren that made our stay in the U.S. so enjoyable. A special word of thanks to Central Baptist Church and Elliott Baptist Church for the way they took care of us in every way. May God bless you all. Keep praying harder than ever.

In Christ,
Mike Creiglow

Dear Brethren:

Greetings from Lima, Peru to all our supporting Churches and friends there in the USA.

All of the work here is doing very well. The churches in Huanuco and Tingo Maria have had several saved in the services and the Pastors report that there is a good Spirit among the Brethren.

As we reported in our last mission letter, we are planning to start building in San Bartolo in February or March. We would like to invite a group to come and help us build. It would be a good time for some of you to get to know first hand about the work plus be a help to start the building of our new mission work in San Bartolo.

Any who would be interested in coming please write us or call and let us know when would be the best time for you to come. We will need cement workers,

Homer Crain

brick or block layers, carpenters, electricians and several just general workers as helpers.

All you will need is your round trip ticket and we will furnish all the rest. We will pick you up at the airport and take care of you while here. We will furnish all the building cost, plus feed you and sleep you and do our best to see that you enjoy your stay with us.

Our summer time is just getting started. We will have summer time (about 85) through April and really nice weather in May. Also great working weather the rest of the year. YOU ALL COME.

I got back from Iquitos Sunday morning about 5 A.M. I helped the Hermosa Baptist Church by buying metal roofing for their building. I also helped the 5th Baptist Church with Bibles and lumber for their roof that needed to be reinforced where it was sagging. Thanks to Baptist Faith Missions that makes this help possible.

Peru is going through some very trying times - terrorism, strikes against the government for higher wages, etc. The Government does not have the money to raise salaries so things seem to go from bad to worse. Pray for us as we try to be faithful to Him who never fails.

In Jesus Name,

Growth Seen In Works . . . Hope to Organize Work at Chacara dos Pinheiros Soon . . . Pray for Another Missionary to Come . . .

by Harold Draper

Caixa Postal 720

November 19, 1990

Dear Brethren,

I just remembered that today is the start of the Thanksgiving Conference for this year. Hope it is to be a great one. We are enjoying the fellowship with Bobby and Betty Creiglow who are with us while they look for a house. Pray for them because it is not easy to find housing here at an affordable price. They arrived 4 days ago and we have had church services every night until tonight. In spite of this we have stayed up until midnight every night talking.

Our work here is going well. We see growth in all 3 of the works that we help out in directly. All of the other works seem to be going okay too. We are trying to find the means to put windows and doors in the Sunday school rooms at the Chacara dos Pinheiros work. We hope to soon organize

Harold Draper

this work. I have already drafted Brother Creiglow to hang the doors in the rooms there.

The Boa Esperanca church under the leadership of the new pastor has launched a visitation program in the neighborhood. This past Saturday they handed out invitations to 440 homes. I believe in time they will see lasting results for their efforts. We reap what we sow. This covers every aspect of our lives, or so it seems to me.

At the Tijucal work we have a good solid group. What we lack is time to properly visit and develop this area. We plan to try and find a Brazilian worker to help out in this work as soon as we get the Chacara work organized and the construction there finished.

Please pray that the Lord would send to us here another Missionary family from among you folks here. Our opportunities are unlimited, but we cannot do more than we are doing. Not to say that we are doing so much, but the work here could be so much more effective of we had more help.

May the Lord bless all of you there.

In Him,
Harold M. Draper

baptistry built onto the back of the building there. It turned out real nice. Now we just need to put it to use!! It is our desire to build a small house for Brother Daniel and his family on the same property as the Church building. I pay his rent every month and by building him a small house the rent situation could be avoided. Another reason for having him on the property is for protection. The church building has been robbed three times in the past two years, and having someone there on the property would help reduce the possibility of further thefts. Maybe some of you would like to give something extra toward this project. Pray about it and give as the Lord leads!

JORDAN MISSION (LIMA) - On November the 18th we had our first services of the new work started here in Lima. We had 40 present the first service (25 adults and 15 children). They decided on the name of Jordan Baptist. So now we have two Jordan Missions; one in Pucallpa, and the other one here in Lima. I hope this doesn't create any confusion for you folks back in the States. This work is also under the authority of our home church, Jordan Baptist Church, Sanford, Florida. Brother Jorge Deandera is the national Pastor working with me in this new work. His wife's name is Elvira, and he has two small girls named Ruth and Raquel. Their third is on the way! (They are hoping for a boy this time). Brother Jorge is a sound man and has a real love for the work. I enjoy working with him. He grew up in the area where we are working, and so far, this has shown to be a big advantage for the work. Please pray for him and his family! There is a lot of drug addiction and delinquency in this area and the few families that have desired to have a Baptist work in this part know that only Jesus can change hearts and lives; thereby changing their neighborhood!

Anita plays the organ and teaches a children's Sunday School class. Leah helps her Mom with the small children, but desires to teach on her own. She is only

thirteen, and we are still "debating the idea" at this time. Joshua is my sound and camera man. He takes the pictures (still and video), and helps set up the equipment for the services. Leah and John both seem to enjoy helping in the work. It is such a joy for me to see my children taking an active part in the Lord's work as they grow older. Praise be unto the Lord!!

We also have a financial need for this work. The cost of building benches, tables, chairs, pulpit, etc. is \$756.00. Maybe some of you would like to help toward this. Also, the place we are meeting in is only temporary and we are looking for some property close by. Soon we will have a need, I'm sure, of several thousand dollars for the property. Please pray about this need also. Thanks.

GENERAL NEWS - The first of this month I was invited to be a guest lecturer at the 2nd Baptist Congress, held in the city of Iquitos. I lectured one afternoon on "Liberation Theology", and then preached evangelistic messages two nights of this four day meeting. Every night the power of God was evidenced, as many decisions were made. We saw many saved, many rededications, and several surrendered to preach the Gospel. Hallelujah!! What a Saviour!!

Joshua and Leah are both playing Little League Baseball on Saturdays. This is sponsored by the United States American Society. They really enjoy it and are starting to look pretty good. Boy, does little league bring back memories for me!

Anita continues to teach her Kindergarten class three days a week, and really enjoys it. The rest of the time she uses in keeping the house. (Washing and cooking, and all the other "fun" stuff to do!). She has also been teaching me how to cook. More about that some other time!

Anita, the children, and I hope that each one of you had a very "Happy Thanksgiving". We all have a lot to be thankful for, don't we? Remember to pray for us and the work. May God continue to bless each one of you.

Dear Friends:

It has been a long while since we felt cold and saw the leaves turn all shades of colors here in America. It is sure a contrast when compared to the hot, humid air of the ever green Amazon rain forest. A sense of grandeur overtakes you when you see the immense green rain forest. A sense of delight as you contemplate the endless shades of color of the autumn here. All are trees created by God, but how different, and marvelous.

likewise wonderful to behold. We have visited several churches and find God's people saved through Jesus Christ. There is such a variety of people, with different styles of expressing praise to Christ, a variety of musical styles, and regional color as God's servants preach the word of God. People of many nations, kindreds and tribes all come near to God through Jesus Christ.

All the ministries in Brazil are doing well, and seeing progress. Pray for those who labor so hard to take up the slack while we are here on furlough. Thank you for your faithful prayer and support to us. We hope to see many of you this year and renew our fellowship with you. Thanks for your loving support and prayer.

PHILIPPINES MISSION REPORT

November 8, 1990

Dear Brother Overbey,

Thanks be unto God for His unspeakable gifts!

Sir, thank you once again for your continuous support and prayer for BCPPI. We have received the \$400 from Baptist Faith Mission to Pastor Norman Millares.

Last October 22-27, the BCPPI conducted a one week Evangelistic crusade at Marinduque island. We are glad to tell you how the Lord blessed the work. Marinduque is consisting of six towns and we have reached four towns and seven barangays or barrios with the gospel. About 8,000 Tagalog tracts were freely distributed. We held Bible studies in the morning and afternoon; while there is a free medical clinic, free medicines were also distributed. We purchased 1,300 pieces of Tagalog New Testament Bibles. These were distributed to people for free. Above 5,000 people heard the gospel and thousands of people come for salvation in Christ. We are a group of 22 persons, two gospel film showings each night and preaching. Another mission is open at Sta. Cruz, Marinduque. A young man from our Bible School answered the call for mission. Please pray for BCPPI Evangelistic Crusade set for 1991.

1. Lingayen, Pangasinan - Jan. 29-Feb. 3
2. Bicol, Catanduanes - May 27-31
3. Tablas, Romblon - Nov. 4-9

Sir, the BCPPI will hold its Mission Annual Conference on Nov. 27-29, 1990. May we request you to be our "Guest Speaker" for this three days Conference. We believe your presence will be of great encouragement and blessing to us and also we want you to see the works the BFM is praying and supporting.

Enclosed are some pictures of our Evangelistic Crusade at Marinduque. Thank you so much, and may our Lord's power and blessing be upon you and to the people of BFM.

All for Christ,
Pastor Mack Y. Manay
BCPPI - Secretary/Treasurer
