#### PRAY AND GIVE FOR **NEW MISSIONARY FAMILY**

Brother Paul Creiglow has been called to go the mission field and desires to go with the help of BFM. BFM has voted to help him as he is being sent out by his home church, New Testament Baptist Church in Brawley, California. Brother Creiglow is the nephew of Brother Bobby Creiglow. He feels led to go to Cruzeiro do Sul, Brazil. He will be working with Brother Mike Creiglow.

Please pray for Paul and his family and give extra that they might be able to go soon.

#### **BFM BEGINS HOME MISSION WORK**

We want to help home mission work as well as foreign mission work. More will be explained about this in the coming issues of The Mission Sheets. If you would like to help in this part of the work be sure and mark any offering for "Home Missions

We want to help Home Missions but we do not want to cause Foreign Missions to be hurt in doing so. These designated offerings should be something in addition to our regular offerings.

Dear Brethren.

Dear Brethren,
This "Mission Sheet Month" - December 21st to January 16th - was a busy one.
During this period of time I performed 5 weddings - three at the church, one at the home of the bride, and one at our mission at Armond Mendes. One of the couples, a week after couples, a week after their wedding, was bap-tized with eight more during our watch-night service. Asa Mark helped

me with the baptizing. One of the can-didates requested that she be baptized by him, so he did. Then he held in his arms a teenaged crippled boy and thus helped me to baptize him.

On the 27th of December, Marie and I completed 37 years of married life together. The 4th of January was Asa Mark's 35th birthday. Whereas during these days the

church (the 14th of December Baptist Church) gained 13 new members - three by letter or statement and ten by baptism; she lost 11 - one by letter and 10 by exclusion.

lost 11 - one by letter and 10 by exclusion.

During 1991 we hope and pray that it will be a better, more successful year than 1990 with more victories and less defeats with the church winning more lost people for Christ and baptizing them and "teaching them to observe all things" that Christ commanded us. Fewer losses by death (we just lost two by death so my prayer is that no member will die during 1991) and exclusion with more non-resident members asking for their letter to unite with another Baptist Church of like faith and order.

l am sorry to report that during these days Marie did not have a perfect attendance record at the services of the church like she usually does. The reason was sickness on her part. Last Sunday, however, she was back at her place as usual.

ever, she was back at her place as usual.
Sunday night the 6th of January we
had our first graduation exercises of our
home Bible studies. Some ten of our lay
members conducted during five weeks
Bible studies in some five different homes.
We recognized and gave certificates to
some thirty "graduates".

We started the new year off with a good attendance in Sunday Bible School - 326. Last Sunday, however, we were down to 238 with a few more attending the worship service.

As I am writing this letter, I am praying for peace. About an hour ago there appeared at our house two men from one of the radio stations here in Manaus. They gave me the opportunity to speak a few words over the radio about the conflict in Iraq. I was able to proclaim "Cristo - A Unica Esperanca". "Christ - Our only Hope." I trust that when you read this letter, the war will not have happened or will already by over.

over.

We rejoice that the Lord continues to bless Baptist Faith Missions. We thank you, Directors, for the \$50 raise we received beginning this month of January. We thank you, churches and individuals that faithfully give to the regular fund as well as to the designated funds. We trust that throughout this year of 1991 you willl continue to do the same. We need the prayers of those that love us in the Lord. May the Lord bless you is our prayer. is our prayer.

Dear Friends in Christ:

Jordan Mission - Lima - Things are moving along really well. The spirit remains good, and the attendance is holding good and steady. We have several to baptize. At this time I am having a portable baptistry tank being built. This is

something we can take apart later and move to a new location. Water is scarce here in Lima, and we have no creeks, rivers or ponds nearby to bap-tize, so we have to build a box tank! Remember this work in your prayers.

Sheridan Sta

it appears that he is utilizing it well. Pray for him. He's a good man. The church recently had a business meeting and decided that they could do even more to help him. I was encouraged by this show of spiritual matur ity. Remember to Pray!!

Pucalipa Baptist School - Not much to report at this time. The students are still on summer vacation and around the school it's pretty quiet. Only painting and standard maintenance continues. For those of you that support some of the students in the Adopt-a-Student program, please don't stop now. The money you send is budgeted for the entire year. New students will be assigned in March or April of this year.

General News - I helped Brother Homer Crain drive one of his vehicles over the Andes mountains this past month. His son-in-law, Pastor Al Malo, of Rushtown, Ohio, went with us on the trip. The trip was Ohio, went with us on the trip. The trip was hard and long with many trying experiences. I'm sure Brother Malo or Brother Crain will be glad to tell you some of the "exciting adventures" we had on that trip. Praise the Lord we arrived safe back in Limal Land slides, pot-holes, terrorists, thieves, and emergency car repairs were some of the highlights! highlights!

Family - Everyone is in good health and doing fine. Leah and Josh are still on school vacation and seem to be enjoying the break.
We are looking forward to some visitors
coming down in February. We are also
looking forward to furlough in the States and seeing many of you again. We are due to arrive in the States in July of this year. Any Pastor wishing to have us please write to me now, because I am already receiving invitations for the 7 months we will be there. If there are any conferences or special meetings in which you would like me to have part, please write me now and give me the Thanks!

The War in the Gulf - The folks here too worried and concerned about the Gulf War. I thought it might be interesting for you to know that people in this part of the world are watching the events minute by minute on television just the same as you. CNN also has a Spanish broadcast with the same coverage as that in English. We are praying, and your Peruvian Brothers and Sisters are praying also, for a quick end to the war. God is still on HIS throne. LOOK UP!!

Dear Brethren.

We saw in the Mission Sheet that the Thanksgiving Conference was one of the best! To God be the glory. We are being blessed here in the work with the precious

blessed nere in the work presence of the Lord in our services. This next Sunday we intend to start up the Sunday School program at the Chacara dos Pinheiros work. We have looked toward this time for a long time. We are busy painting and building tables and benches for

trying to finish up the 3 new rooms behind the church building. hew founds befined the church building. Building materials are so expensive that we have to try and economize as much as possible. We will start up without electricity in this part of the building. Within a month we should have it in. We are planning our first Baptism Service in the building there. I just finished the baptistry today. Brother Creiglow is building some wood steps so that people can enter and exit into it. Both of us are keeping busy in this project at this time. It sure is good to have such a helping hand as he. We have had a struggle by ourselves for almost 2 years in these works.

for almost 2 years in these works.

We are planning to organize this work perhaps on March 9th. We will let you know about this next month. Since we will be coming on furlough this year we must have somebody to take over this work and the work in Tijucal. Brother Creiglow is praying about the possibility of taking care of it. Also we are hoping that we can find the right National worker to help out in these works also.

All the news is about the Persian Gulf conflict and the threat of war. It sure would be a good time for the Lord to come!

May the Lord bless all of you during this new year. We thank you for your interest and support.

Dear Friends

The last few days of war in the Middle East have taken me back in memory to the days of the Second World War. Not pleasant ones but the disagreeable experiences compose a large part of our lives. The advantage of the Chris-

part of our lives. The advantage of the Chris-tian is he can see the Hand of God in all the happenings of history. The war between the kingdom of darkness

and the Kingdom of God began on the earth as soon as God had created man in His own image. Jesus Christ came and conquered enemy and all the powers of darkness. ise God for His Grace manifest in Jesus

It is with the Gospel we fight the forces of darkness and there can be no cease fire, no armistice, and no stopping until He comes again. With the happenings in the Middle East, there is evidence that His return may be sooner that we imagine.

Work on the construction in Urai continues and hopefully it will be finished in another month or two. Since Seminary classes are over for a few months, Alta and I are spending most of our time in Urai. We have five services each week-end and the young people of Cornelio Procopio have two children's hours making a total of seven services each week.

Numerically, we are averaging about 30 persons in each service, and for the most part the attendance is children and young people. Spiritually, there is a manifestation of spiritual growth in our young people whose ages range from 15 to 24. This month there were two persons who made professions of faith in Cornelio Proconio.

Although progress in the work is apparently very slow, we have not lost sight of our goals of reaching new cities with the Gospel and beginning new churches. Pray with us that God will soon give us a great time of sowing and a great time of reaping, as He has always done.

## Plans For New Year . . . Begin Work on Christian School . . . Lord Gives a Revival . . .

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil, S.A. January 14, 1991

Dear Brethren.

The new year has started very well for the work here. We had our watch night service with a big crowd. We finished the old year and began the new one in prayer.

During the service a map was unveiled, which shows all of the west end of our state, with all the mission work that is under way right now. At this time we have 12 churches, 14 congregations and 15 preaching points. The map also shows the villages we plan to reach this year. Plans have already been made to build in 6 villages and put 2 more missionaries on full time. The plans to the school project were also During the service a map

school project were also presented during the final service of 1990. The first special offering was just over \$1,000.00.

The clearing of the school property was started a few days ago. The city gave us 3 hours of bulldozer work to begin the clearing. As the last few minutes of the work was being done, the commander of the army base sent us 2 more tractors to finish the work. He heard about the project and wanted to help, so he rushed the tractors out to keep things going. We did over \$3,000.00 worth of work without having to pay a penny. It is great to see how God works. In a few more days we will have the ground breaking ceremony. We just don't have the funds to build with. We do have faith that God will provide though. Last Saturday we had 15 men from our church working as volunteers at the property. The church here is very excited and the town is church here is very excited and the town is also very happy to know that the city of Cruzeiro do Sul will have a Christian school.

Cruzeiro do Sul will have a Christian school.

The first 2 Sundays of the year have been just great. Our attendance is growing again and the Lord has given us revival. The first Sunday of January there were 5 saved, 2 requests for baptism and 3 men who came confessing sin. Last Sunday 3 were saved, 3 requests for baptism and 2 coming by letter. Our Sunday School is working very well, with 8 big classes and 25 workers.

Last week we began classes for our preachers and workers again. There are 51 workers attending the 3 nightly classes. We have begun with Basic Theology, Homiletics and Church Administration. The classes will run for 3 months.

This is just a little of the good news

#### PHILIPPINES MISSIONS REPORT **Notes From Workers**

Dear Friends in Christ:

Glory to God in his majesty, faithful is the Lord to his promises.

We continue visitation, tracts giving, and soul winning this past month, but because of distance and some hindrances, we have a hard time inviting people to come to our place as we have a change in our plans. Few weeks ago I inquire temporary plans. Few weeks ago I inquire temporary home Bible study in their areas and since I have prospect there I got two persons and one family for it so all in all I have three places (different) for Bible study but I arranged it for my convenience so that I have now only two different places for it at least twice a week. Lately with those faithful there in the compound (our home base) for a scheduled Bible study but due to rains a scheduled Bible study but due to rains and brownouts we don't make it. So far people in the compound were suffering from sickness, their children and also the adults Please continue pray for us.

Sincerely, Bro. Manual Detablan

Dear Brethren:

Greetings to you in the precious Name of our Lord Jesus Christ.

God continues to bless the work here in San Pablo City. I can really see the Lord's hand working in us.

Last month we had our Faith Promise Soul Winning Conference. The aim of this activity was to challenge our members to win more souls. For three consecutive nights we had more than 74 visitors and more than 42 were saved. At the end of our conference we had an attendance of 129. conference we had an attendance of 129. Our members made their commitments. Each one wrote on a card the number of souls they're going to win for the next 12 months. We have come up to a total number of 867 souls. We fervently pray that by God's abounding grace we'll be able to reach our goal. reach our goal.

Our Home Bible Studies are becoming fruitful. I have 4 Home Bible Studies held every night. That's the only time members of the family are complete. In every home we are averaging 10- 15 in attendance. Souls are getting saved and now we have 20 candidates for baptism.

Our church is not yet a large one. Every Sunday we only average 20-30 in attendance, morning and evening, young people and adults. Actually, we have more than 60 members but more than half of them are inactive. I thank God so much because those who are remaining are the ones who are really working and serving ones who are really working and serving God with faithfulness. Nevertheless, it is my vision as pastor to have the largest Baptist Church here in San Pablo City - all by God's

church nere in San Pablic City - all by God's grace and for His glory.

Our vision is really wide because we have a great God. I know God will give this to us according to his perfect will. May we request you to please include this in your prayers. We will be very happy to know you're praying for us.

Regards to all our brothers and sisters there. We extend our most profound and sincerest gratitude to you. May Hebrew 6:10 be of comfort to you.

The brethren here greet you all.

## More Assurance of the Truthfulness of God's Word . . . Report on Work . . . On the Job Training Proves Itself . . .

Rua Waldemiro Pereira 961 81100 Curitiba Parana, Brasil Ph. 011-55-041-248-7075 January 22, 1991

Wasn't it a bit surprising to see the way some of our fellow Christians reacted just before the war began? Or were you reacting the same way? It was disappointing to see that so many people don't know or doubt the Lord's

plans in these last days. Personally, I hate the suffering that war caus-es, but all these events just reassure me of the truth of God's Word and of the salvation He has promised.

**Bobby Wacaser** 

I noticed that Satan I noticed that Satan has become very crafty after so many years of practice. Just when I thought I had figured out his schemes he changed his tactics. Actually, it is the same ol' game plan, but he seems to find new angles from which to execute it. I have always ridiculed those who get excited when they think Christ's return is imminent and sell all of their goods and sit waiting on the mountain their goods and sit waiting on the mountain top. I was sure that this would be the Devil's tactic again. Sure enough, but much more subtle than I imagined. Rather, I found myself absorbed by the news on television and let my work for the Lord suffer as a result. I really have no right to ridicule the "mountain-sitters" if, in practice, I am accomplishing no more. So, I'm still excited about the development of events, but from now on I want to hear about them while I'm busy serving the Lord. If He does return shortly I want Him to catch me accomplishing His will and not idle before a T.V. set.

Ing His will and not idle before a T.V. set.

Now that we've gotten that resolved, our work has begun to move again. Our training center is progressing well as we go into our second semester of studies. Several young men and ladies show evidence of growth and dedication. Instead of receiving inactive study for several years and then one great leap into practical service, we try to mix the theoretical with the practical from day one. The workers seem to get a clear understanding of that which they are studying when they have an opportunity to use it immediately. We try to remember that they are still novices and that we can't just throw all the responsibility on them at once. But, on-the-job training has proven to be very useful for us.

Next month, if the Lord hasn't returned,

Next month, if the Lord hasn't returned, we'll give an update on the new works and Bible club progress.

Yours in Christ's Service, **Bobby & Charlene Wacaser**

## Working at Novo Diamantino . . . Bringing in Another Worker To Help . . . Found a Car ...

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, MT Brazil January 1, 1991

Dear Brethren:

The pastor and his family of Novo Diamantino along with another family of the church there took a little over two weeks away from the church to get some rest. While they were gone we were asked to take care of the work which meant traveling 135 miles each way over bad roads twice a week, but it wasn't too bad because a friend of mine loaned me his almost

loaned me his almost new car to make the trips. At times he would make the trip with me and at other times he would go without me and take care of the Bobby Creiglow

services. The work there is still very weak, but we hope it will be strengthened with some help we hope to be able to give them.

Brother Draper and I hope to be able to bring in another worker for a couple of weeks in hopes of him being a shot in the arm for all of the works and if the Lord should so lead it would not be at all bad if he stays to work with us.

Just yesterday I closed a deal on a 1990 Ford about the size of a Tempo in the States. Although I am the third owner, the car is in perfect shape with only 7,000 miles on it. It runs and looks like a new one and on it. It runs and looks like a new one and we are thankful for it. Betty is allergic to both heat and dust, so I plan to have air conditioning installed in it right away. My excuse for this is that I just do not like the dust nor the heat.

Although the Draper's furlough is still a few months away we all are already making plans as to how we will take care of their plans as to now we will take care of their work while they are gone. Always, the last few months before furlough are hectic and there are already signs that theirs will be no different. We think it will be good for both Betty and I to try to take over where they leave off and trust the Lord will bless us in that work. that work.

#### WEST INDIES MISSION REPORT

Dear Pastors and Saints!

Dear Pastors and Saints!

Hallelujah! We are just praising the Lord! A young lady of 21 years, came forward in our church and rededicated her life. She is from Texas, a godly home, got saved 12 years ago, was a member of an independent Baptist Church. Six months ago, left home and drifted from the Lord and church. After attending our services for some time, the Lord brought her back to Himself and to the fellowship of our church. We are seeing God at work in the lives of many other "white" people here on St. John. How she ended up on our island is a long story, but she has returned to the Lord; she has moved out of the apartment that was shared with a man friend. Through this girl, we are meeting many others in the same bondage of sin. How exciting to see God's people return to Him! How inseparable is God's love!

Our Bible conference was a tremendous blessing to all. They came from Guyana, South America; Trinidad, Dominica, St. Kitts, Antigua, British Virgin Islands, and Jamaica. The Cruz Bay Baptist stands as a beacon of God's truth in the West Indies. Thank God for the foundation that

The Social Welfare asked us about our summer camp program. They have a number of children and requested that the original camp site be used because of the "camping atmosphere". We have therefore decided to rebuild the cabins, and to have them all ready for the summer. The total cost is about \$30,000.00. We are doing all the work. There is \$3,426.00 that was left from what was given to rebuild after the hurricane. This is a big and impossible task by ourselves. However, with your help, we can make this goal a reality. Our camp is the only summer program that presents the Gostel to these precious, though neglected, boys and girls. Please help. Thank you.

> Yours in Christ, Bro. Emmanuel Jaggernauth
