THE 50TH YEAR

LOOKING AT OUR ROOTS by Jim Orrick

Several things have appeared in the MISSION SHEETS concerning 1991 being the 50th anniversary of Baptist Faith Missions. However, the heading of each Mission Sheet states "In Brazil since 1923, in Peru since 1935". If we go by these dates we see that the work is more than 50 years old. Actually, our ots reach back beyond these dates, back 100 years, to the ministry of ERIK ALERED NELSON.

Nelson was born in Sweden and came to this country with his parents settling in the state of Kansas. He was saved when he was fourteen years old and united with the Baptist Church that his parents had helped to establish. As a young man he surrendered to serve the Lord wherever He would lead. He soon felt that it was God's will for him to go to Brazil as a missionary.

Nelson left for Brazil in 1891 where he began his work in the city of Belem near the mouth of the Para River. He had no church support and only \$16.00 in his pocket when he arrived in Brazil. He supported himself, and later his wife and family, by selling Bibles. After learning a working knowledge of the language, he began to preach to the people and a number were saved. However, since he was not ordained he did not feel that it was proper for him to baptize them. He contacted another missionary, Solomon Gainsburg, to come for a meeting and to assist him and to baptize the converts. Gainsburg wrote: "We had several converts, and it was my privilege to baptize for the first time in history some converts in the great Amazon River and then organize the first Baptist Church of that region." The nearest Baptist Church to Nelson was at Pernambuco, 2,000 miles away. This church was asked to ordain Nelson.

Leaving Nelson in the great Amazon Valley, we go to Murray, Kentucky and the home of Pastor H. Boyce Taylor. Brother Taylor's brother, W.C. Taylor, himself a missionary to Brazil, is home on furlough and visiting his brother. One day Brother Boyce Taylor hears his brother say: "Poor old Nelson, all alone in the great Amazon Valley." Boyce Taylor's interest is aroused towards this man Nelson, and soon he is corresponding with him. In 1922, Taylor went to Brazil and spent four months with Nelson, visiting his mission points and seeing the great need.

Nelson was moved to tears when Taylor arrived. From time to time others had spoken of coming to see the need, but only Taylor went. Brother Taylor's heart ached as he saw the great need for workers in the Amazon Valley. When he returned to Murray, he led his church to organize the AMAZON VALLEY BAPTIST FAITH MISSIONS. The purpose of the mission was to raise support for Erik Nelson and to help any others who felt led to go the Amazon Valley to preach the gospel. He also led his church to give \$3,000 for the building of a launch in which Nelson could live as he traveled the Amazon and its tributaries preaching the gospel. Among the first directors were Brother T.P. Simmons and Clarence Walker.

Brother Nelson continued to labor in the Amazon Valley until his death June 17, 1939. He is buried in St. John the Baptist cemetery in Manaus. His grave is marked by a stone resembling an open Bible. Each year Brother Harold Bratcher holds a service at the grave of this great man who is known in Baptist history as "THE APOSTLE OF THE AMAZON".

In the years that immediately followed the organization of A.V.B.F.M. several men went to the field, but only two stayed for any length of time. We will note these two men in coming articles.

RETIREMENT FUND

A fund has been established for our missionaries when they retire. Several of our missionaries are in their 60's. Even though B.F.M. has no age when a missionary must retire, the time will come when they will feel led to retire. At that time we want to be able to help those who have served so long and so faithfully for the Lord.

If you would like to give to this fund, please mark your special offering Retirement Fund.

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil, S.A. May 17, 1991

For the last 4 months I have been thing Theology, Church Administration and Homiletics 2 nights a week to a group of our workers. Some of those who started were not able to finish,

since they started back to school in the public school system in March. A few others just didn't make it. There were 18 that stayed with it though and were able to finish. We held our last meeting of these courses this week. We are going to stop for a few weeks so l can make a couple of trips and then resume.

Things are going well at our home church, First Baptist. Last Sunday was mother's day. The children and young people of the church had a very nice program, both morning and evening. There were just about 900 present for the evening service. We had 4 professions of faith.

One of our preachers, Brother Rubenson Pereira, has been back to visit those who have been saved at the Valparaiso River. These new believers are doing very well. At one village called Tartaruga (Turtle) there are over 20 believers and they are already anxious to build a house to meet in.

already anxious to build a house to meet in.

I made a visit to Guajara a few days ago. We now have a worker living there with his family. His name is Joao Carlos Lima. He was one of our musicians here at home. His wife is originally from the village there and her family is all still there. Joao has already bought a house and set up a little store. They are doing very well. The work is a little on the slow side. It will be very easy for them to get discouraged. We have a building there, but plan to rebuild this summer. The church here has supplied him with a small PA system and a new him with a small PA system and a new guitar. We still have a handful of folks coming to services, but many defected to an interdenominational work that came out of ao Paulo. Please pray for Joao Carlos, his wife and 2 children.

Don't forget to pray that Paul Creig-low's visas will come through soon. We really need them here. Also, our school project is at a standstill for lack of funds. Pray with us that those who should give, will give, so that we may build. Class must begin in March 1992.

Thanks for all of your faithful prayer and financial support. May God bless each

Report on Urai... House Almost Finished... Evidences of God's Working . . .

Caixa Postal 112 Urai, Parana, Brazil 86280 June, 1991

Dear Friends:

Urai - a little city out in the middle of the State of Parana. If you look for it on the map you will find it between the cities of Londrina and Comelio Procopio. This little city is five miles off the main road, has a

population of about 8,000, a large Japanese population, and produces ramy (fiber for making cloth), grapes, cotton, wheat, soy beans and garlic.

The house and room for services we are building here is almost finished. The work of the

the electric and water installation is practically finished and the painters are working full speed. During the time we have been coming to Urai we have traveled 300 miles John Hatcher each week back and forth to Garca to teach in the Seminary. The last three months we have dedicated full time to the finishing of the house and maintaining the five services in Cornelio Procopio and Urai.

The Lord knows that we have not had much time nor energy to do the job of visiting and developing the work already begun as well as beginning new works. We are imploring His help.

Evidences that God is working are beginning to appear. This past week a young man who works in the bank said, "I really need to mark an hour to talk with you." Another man who has a business of building materials and active in the Catholic church said, "I want you to come to my house to talk because here at the store it is hard to find time to talk." Dear Brethren,

This "Mission Sheet Month" as been a very eventful one. The Lord has been good to us. We share with you some of the happenings.

March 22nd - we were made sad by the death of an elderly member of the 14th of December Baptist Church - Dona Aurea Cruz Cunha - 81 years old. She died a few days after being run over by a car.

Thursday

Sunday March 24 - 64 years ago at the Baptist Hospital at Louisville, Kentucky I was born. The Church went all out today to make it a happy, joyful day for me. Asa Mark preached at the morning service.

Friday, March 29th - this afternoon 77 of us went on a rented bus to one of the new suburbs of Manaus known as the "Multirao da Cidade Nova." There in the open front porch of a small house, between two small houses, where one of our young lay preachers, Asa Marcos Miranda, lives with his wife and infant son, I preached to around 130 people and we declared organized the 29th of March Baptist Mission with 5 members and some 6 or 7 candidates for baptism. This newest Mission of our Church had 39 in attendance last Sunday morning and 25 at night with 4 professions of faith.

Sunday March 31st - it started raining early! This morning I hoped to baptize 12 (four of these from the Manancial Mission). Will some not show up to be baptized because of the rain? I'm happy to report that all 12 were baptized. Praise the Lord! Two others were received into the fellowship of the Church. Two little girls made a profession of faith. One of them has required of the Church. Two little girls made a pro-fession of faith. One of them has required of us special attention these days. Little Elam Rosa Franca - 10 years old - has been these last few weeks a very disturbed and confused child. Her daddy often comes home drunk and firing his gun. Monday

night, April 1st, Marie and I responded to her mother's plea by telephone and visited and prayed with them. The next night at around 10:30 we were again called upon to come. We did and stayed until after midnight. A few days later we went with them to a doctor who is a believer and treats such cases. After the second visit we are happy to report that she is better.

April 10th - at 8:00 a.m. Marie and I left Manaus on a bus. At around noon we arrived at the Buzzard river near Itacoatira. We then went aboard the Cristo Redentor boat. In a few minutes we began our almost 5 hour trip to Cana near the mouth of the river. Pastor Francisco Assis dos Santos with the two pilots were our companions of the trip. The boat's owner is Brother Lucio Porto, a very dedicated Baptist layman. That night we began a 5 day revival at our Buzzard River Mission. The Baptists on the Buzzard River Mission. The Baptists on the Buzzard River are fewer than they were in the past. I shared with Brother F. the preaching. During the mornings and afternoons we made visits and held services in the homes. The Lord gave us some 9 decisions - 6 asked for baptism and three rededications. Sunday morning the members of the Mission voted to request Pastor F. to return the first Saturday in May and bring with him Evangelista Lucio Porto. At that time the Mission will decide whether to remain members with us or become members by letter of the Emanuel Baptist Church where Brother F. is pastor. I am praying that the latter will be voted. I believe that Brother F. would be able to be a better pastor of the Mission than I have been.

Pray for us and continue to contribute to the regular fund and as the Lord leads to Bratcher's new works - buildings, poverty relief fund or personal. May the Lord bless you is our prayer.

Dear Friends:

Dear Friends:

We have enjoyed the fellowship with you during the past year. It seems that the year has flown by. To all of you with whom we visited, we are grateful for your hospitality and care for us, in your home and church. We only regret that time did not permit us to get around to all those who have faithfully supported us and prayed for us through the years.

We are looking forward to our years ahead, serving God in Brazil. We hope that the coming years will be productive in spreading the word of God to many new places in

that great country. Pray that God will raise leaders and give us wisdom to train them well. As they go out, many shall be reached and new churches organized.

Our departure on the 30th of June has been delayed temporarily as Wanda's father suffered a stroke yesterday and is in critical condition. Our travel will be resumed as soon as he is in stable condition. Pray for his speedy recovery.

Our prayer for you is that God will bless you as you share Christ in America, and that you will be thoughtful of those abroad as you invest to reach souls for our master in other countries.

We are all anxious to get back to Manaus and rekindle our Brazilian friend-ships and reengage in the work God has placed us in.

Baptize 33 . . . Trip Up the Moa River . . . Prepare 2 Buildings for Use . . .

by Mike Creialow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil, S.A. June 17, 1991

Dear Brethren.

Our dry season has finally started. We had our first cool weather last week. It got all the way down to 64 degrees! It had been raining almost every day up to the beginning of this month. Now

that drier weather is here the roads are being re-opened. The river has just gone back down. It looks like summer is here and we are glad. It is easier to work in this The Lord continues

to bless. Three Sundays back there were 2 more saved, 2 more the following Sunday and 5 more yesterday. There were 2 professions of faith in the morning service and 3 more in the evening. We had over 500 present last night. Also, we added 5 new members by church letter. We were finally able to get enough water in the baptistry to perform the much awaited baptism. I baptized 33 last night. After the baptism the church observed the Lord's supper. It was a great service.

Last month I made a 10 day trip up the Moa River. This year was different from the others. Two boats went this time with 8 workers. Our first stop was the congregation at Sao Salvador. We got the layout started and left a group to start the actual

construction. We then went all the way to the mountains to start a building there for our young congregation. We spent 5 days there. The last evening we held the first service in the new building. We were able to put up the frame, floor and roof. Next month we are to go again to finish putting up the walls, doors and windows, and make up the wails, doors and windows, and make benches and pulpit. After we had done as much as we could at Serra do Moa we returned to Sao Salvador to continue the work there. After 3 more days of work we left that building framed, the floor almost finished, most of the roofing on and three valle days. The other worker come on inished, most of the rooting on and three walls done. The other workers came on back to town on Saturday. I stayed over to spend more time with the congregation and also made a visit to the church at Peri-Peri. There were 59 present for the morning service, which is quite good considering the number of families that have moved away. number of families that have moved away. Just 2 years ago we had over 140 on a Sunday morning. It rained every day on this trip. I had to guit wearing shoes after the first three days, to keep my feet from getting fungus and I won't go into anymore detail! Other than this, the trip was a great success.

In the past few days I have visited the church at Assis Brasil (Maita) and have met with some of our pastors to do some planning. The work is in good shape all around

May God bless all of you.

Witness to New Family . . . Report on Diamantino . . . Construction of Seminary Going Well . . . Need More Funds . . .

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, MT Brazil Ph. 011-55-65-361-4835 June 17, 1991

Dear Brethren:

Brother Draper and his family got aw on schedule and as far as we know are already in the States. Every time we go to church some one asks whether we have heard from them yet and of course we have

not and do not expect to hear from them until they get settled down there, Before Brother Draper left, I asked him to store his pick-up truck that was being used to haul people to church and one week after he was gone, the truck was gone, the truck was stored. At that same time the truck was stored I bought a used van to

take its place. I spent one week getting the paper work taken care of along with fixing it up enough to get it into service. We have already used it two Sundays and, although it will not haul as many people as the truck, we think it is much better for the work and

The new church at the Chacara dos Pinheiros is going along about the same with visitors each week. We continue to preach to them, but unfortunately we have not had any professions of faith. There was one family of four who were attending regularly and we had witnessed to them in private expensitions and one Stunder picht. private several times and one Sunday night after services the man asked me about baptism. After I explained to him that he

nust first be saved, I asked him if he knew he would go to heaven after this life and he answered, "Based on what you have taught me, I am sure." The next day I moved them to another part of town and we have not seen them since. When I told them goodbye he asked me to tell the church that it was the most beautiful thing he had ever seen. As I left them tears were streaming down his cheeks. We tried to counsel them as to how to better their life for them and their children.

The pastor at Diamantino has had a meeting with the members of the church and as it appears now it looks like he and his family will be leaving there, but we do not know just how soon. If this happens before the end of the year it will put us in a real bind here because that work is 135 miles away and if they leave soon I am afraid the work will die before the end of the year.

The construction of the seminary is now well under way and as I mentioned before the cost is going to far exceed that which we estimated and our funds are almost gone; so we are counting on you brethren to help us out. We need to have the building finished by October so that the schools can be registered with the government to start classes the first of next year, so please help us if you can.

Betty is still having some health problems and we covet your prayers about this as well as for all of us and the work in general. The construction of the seminary is

Dear Brethren,

I have just finished reading my Mission Sheet letter of April 18th - not the Mission Sheet but the carbon copy. Evidently the

letter got delayed in the mail. I looked in vain for it in the last Mission Sheet received. I'm of the opinion that that letter is much more in-teresting than this one that I'm writing now is going to be.

tist Church have been on our hearts and tist Church have been on our hearts and minds. Wednesday night, May 29th, we had our regular prayer service and then Brother Zilmar, one of our five deacons, led us in an extra prayer meeting from 21:00 to 23:00. The name of Brother Deacon Vincente Bento de Oliveira was mentioned many times. We prayed for the Lord to spare his life - to heal him. Early the next morning Asa Mark called to inform us of his death. Bro. Vincente was 55 years old. He is survived by his wife and eight children. His oldest son, Arnoldo, is not saved. His oldest son, Amoldo, is not saved. His youngest child is not old enough to be baptized. His wife and the rest of the

children are all faithful members. Pray for the bereaved family.

We celebrated the 70th birthday of another deacon - Brother Benedito Oliveira Nobrega last Saturday.

Our Sunday School attendance has been about the same - under 300 each Sunday. Last Sunday we had dec'sions at both services. Last Sunday was "pastor's day" here in Brazil. We received many kind words and gifts as well.

The Apostle Paul in 2 Corinthians 5:10 informs us that one day we will have to give an account of our stewardship before the Saviour. We want to hear Him say to us that day: "Well done thou good and faithful servant." Brethren, we confess that we failing somewhere along the way. Forgive us. Our sin is that we are spending more each month than we are receiving. More is going out than is coming in. Have we been "eating too high on the hog?" Have we spent money that we didn't have for things we didn't need? May the Lord forgive us if we didn't need? May the Lord forgive us if we have! We are trusting the Lord and telling you, the people of the Lord! Pray for us and if the Lord leads you to do so, designate a special offering for our personal needs. We want to be up to date with all of our debts. Don't forget to give to the regular fund as well fund as well.

May the Lord bless you is our prayer.

WEST INDIES MISSION REPORT June 12, 1991

Dear Pastors and Saints:

Dear Pastors and Saints:

The month of May was truly an extra exciting time for us. We were blessed with the ministry of Dr. Carl Sadler and two of the men from the Trinity Baptist Church in Richmond, Kentucky. And the Icing on the cake was to be ministered in music by Nick and Sue Dunaway of the Newby Baptist Church also in Richmond, Kentucky. Our week of Bible study was challenging and soul searching. Dr. Sadler presented the Word, and the presence and power of the Holy Spirit touched many lives.

All of these folks worked very hard at the camp site in

All of these folks worked very hard at the camp site in the rebuilding of the facilities. Brother William and Brother Charles wired the three cabins that were almost completed at the time. They also tried very hard to resurrect our two old church vans, but without success. Thanks to these churches for making it possible for these brethren to give us such needed help. Then the week ended with the delightful experience of the graduation of our Bible College students. Thanks to all of you for your prayers and financial help for the Lord's work here and in the West Indies as a whole.

We continue to be very busy, being almost completely taken up with the completion of the camp buildings to begin the summer program on July 1. With great anticipation we are looking forward to the coming of a group of sixteen young people from the Addyston Baptist Church, Addyston, Ohio, Rex Hensley in Pastor. They are to be with us for one week of Vacation Bible School, June 24-28, and one week as camp counselors.

The goodness of God continues to be showered upon the work here. But as more and more "new" people, professing Christians, attend our services and hear the Word preached, some take great offense at the doctrines of grace, and the local church. However, we know that only the Holy Spirit can teach people truth, so we continue to proclaim the Word praying as we do so that the Lord may continue to use us to bring glory to His name.

Again thanks for your continued help. As far as our camp is concerned, we still need helpers from July 29-August 10. There have been some last minute changes in the plans of a few young people who were going to help. Teaching the Word to children is a must.

Yours in Christ, Emmanuel Jaggernauth
