THE 50TH YEAR

MISSIONARY JOSEPH BRANDON by Jim Orrick

One of those who went to Brazil with AMAZON VALLEY BAPTIST FAITH MISSIONS was Joseph Franklin Brandon. Brandon was saved in February, 1922 and soon felt called of God to go to Brazil as a missionary. Along with his family, he left New York on October 10, 1923, for, as he put it, "A land I saw only by faith." They arrived in Belem on October 26th, and later settled in Santarm which is in the lower Amazon Valley at the mouth of the Tapajos River. Here he began by preaching on the streets and in the market. Later he used a canoe and a sailboat as he traveled the river to other preaching points. The work in these parts did not progress as he hoped, and so he moved to Manaus.

From Manaus he moved up the Amazon River to Codaiaz, which served as his headquarters for a while as he worked the villages along the river

On July 14, 1926, he went into the Acre Territory to Cruzeiro do Sul, where he was to do most of his work in the coming years. Among those saved on his first visit there, and the first person he baptized there, was Francisco Santiago. This brother soon surrendered to preach and faithfully served the Lord for many years. It was this brother who, years later, established the Tabernacle Baptist Church in Manaus

After a year's furlough, the Brandon's returned to Brazil in 1928. While Mrs. Brandon and the children remained in Manaus, Brother Brandon returned to Cruzeiro do Sul. More people were saved, and on May 12, 1928, he organized the First Baptist Church of Cruzeiro do Sul, the first Baptist Church in that entire section of Western Brazil.

While he was rejoicing in Cruzeiro do Sul, Mrs. Brandon was experiencing sorrow in Manaus. Their baby daughter, nine month old Elizabeth, died. Mrs. Brandon, with the help of a native worker, buried the baby in the jungle. Brother Brandon did not learn of the child's death until several weeks later when he returned to Manaus.

For some reason, Brandon left A.V.B.F.M. to work under the authority of the First Baptist Church, Paducah, Ky. He later left this church to work with the church at Benton, Ky. In April 1941, while home on furlough, the Benton Church voted to discontinue his work. Finding himself without a base of support, he met with H.H. Overbey and Z.E. Clark in Brother Overbey's home in Wheaton, Ill. After much prayer and seeking the will of the Lord, they agreed that it was God's will for him to return to Brazil. He agreed to send a monthly report to Brother Overbey who would make copies of it and send it to interested churches and individuals. Brother Clark would take care of offerings that would be sent for the work. This meeting in 1941 is what we would call the beginning of B.F.M. as we

Due to the tropics and the primitive conditions of that time, the Brandons often suffered physical hardships. In one letter he wrote: "I have no glasses, no teeth, but it is a miracle indeed how the Lord has blessed me. At times I have severe headaches, perhaps because of my eyes. My teeth are all broken up and that is not all, there seems to be some hard substance working out of my gums and my mouth remains sore."

In the late 1940's he was stricken with leprosy. Had it not been for the direction of the Lord, he would have been confined to a hospital in Brazil where his condition would only have gotten worse. But God so opened doors that he was able to get out of the country and return to the states where he entered the leprosarium at Carville, La.

Later Brandon separated from B.F.M. However, he returned to Brazil where he continued to labor until advanced age forced his retirement. He returned to Benton, Ky. where he lived until he passed away in 1970. Mrs. Brandon had preceded him in death in 1964.

VISIT THE MISSION FIELD FUND

The directors of B.F.M. are all interested in missions, but only a few of them have been able to visit the mission field and see the work. At a recent meeting of the directors, they voted to begin a special fund for sending one or two directors a year to visit the work. We feel that this would be an encouragement to both the directors and the missionaries. The directors who are interested in making such a trip are contributing \$10.00 each month to this fund. If any church or individual would like to contribute to this account, they may do so. Perhaps a church would like to make this payment for their pastor/director or match the amount that he is now sending each month.

Any gifts for this account should be sent to Jim Orrick, 1113 Park Drive, Ironton, OH 45638. Make checks payable to B.F.M. SPECIAL FUND.

MANY THANKS

Many thanks to all who took up a special offering for Founder's Month. It was greatly needed. We thank the Lord for you.

Begin Construction of Bible Training Center . . . Prices Very High - Need More Funds Now . . .

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, Mt. Brazil, S.A. July 15, 1991

Dear Brethren:

Before going to the states in 1989, I along with one of the national pastors started a Bible Training Center to train men and women to better serve the Lord. At that time we saw the future need of expanding our facilities, which at that time consisted of three Sunday school grooms.

time consisted of three Sunday school rooms. When I visited your church our plans were explained in as much detail as time would permit. We have already started construction of the second story addition which, when finished, will serve as a grade school a school of the second story addition.

will serve as a grade school, a school for the deaf, the seminary and on Sunday a larger Sunday school. When this construc-tion is finished it will be in use from 8:00 A.M. until 10:30 P.M. on weekdays.

Based on what building I have done in the past, I presented to you brethren my estimate as to what I thought it would cost to build this addition and many of you responded very well with your generosity, investing in this, the Lord's work. When we returned to Brazil last year we found the economy in worse shape that we had ever seen it. It seems that everyone has lost all sense of values and prices have risen almost beyond human imagination. For example, a saw blade that can be bought in the States for about ten dollars would cost fifty dollars here. The brother that I have put in charge of buying and building is one of the best administrators that I have ever met here, but although he economizes more than I ever could, we find that most of the funds that I raised are almost gone and we are only about half way into the project. We need to finish the construction by the end of October so the schools can be registered with the government to start classes the first semester of next year.

Lady being baptized at the Galia Baptist Church, Brazil, by Bro. John Hatcher

When these schools are in operation they will be self supporting, but until the construction is finished I am compelled to solicit the financial help of you brethren. For thirty-one years now you brethren have stood by us, helping in every project we have presented and for this we are very grateful. We come to you once again asking you to invest even more in the Lord's work here in central Brazil. We prefer that you make your check for your offering payable to Baptist Faith Missions, marked for Bobby Creiglow Building and mail it to Glen Archer, P.O. Box 144, Livermore, KY 42352. If for some reason this method does not meet with your approval, checks can be made payable to me and mailed to our Brazilian address above.

Through the years we have always

Through the years we have always tried to invest the Lord's money wisely and will continue to do so. We thank you for your consideration and prayers for this project and trust the Lord will continue to bless you as you serve Him.

In His Service.

Dear Brethren,

This "Mission Sheet Month" - June 18th to July 16th - was "O Dia dos Memberos" - "Member's Day" at the 14th of

December **Baptist** Church. We made a special effort to have all of our members present that day. Not all were there, but we did have 393 people present at the moming service. The special offering besides the tithes given that day was almost \$1,000. That

night I baptized 12 be-lievers and three were received by restoration. Asa Mark led us in the celebration of the Lord's Supper.

The next day, July 1st, Marie and I left Manaus at noon by bus. At 16:00 (four hours later) we arrived at the "Retiro Espiritual Cristo Redentor." In English it would be called a Camp. There we participated in a Baptist layman's institute. I taught the book of I John to some 35 participants from several interior churches and missions - including two men from our Rio Urubu mission, one from Amatari, and one from Olinda. Some 7 were present from

New Jerusalem Baptist Church, a daughter of 14th Church. There were three other professors. Marie was a student and also helped in the kitchen. Brother Lucio Porto, a Baptist layman is the director of the Camp.

On Sunday morning we went to Itacoatiara, some 15 miles away. There we visited and I preached at both services to some 70 at the Emanuel Baptist Church. The Church is without a pastor since the Friday before. The pastor resigned and the Church had to exclude him due to his adultery and dishonesty. His name is Francisco Assis dos Santos. He is married and the father of three children. I baptized him some years ago, performed his wed-ding ceremony, preached the ordination sermon at his ordination and was his Old Testament professor. Pray for him. His sins have caused us all much sadness!

Last month we shared with you our financial needs. Pray for us and may the Lord lead you to give with gladness to Baptist Faith Missions and as the Lord leads to designate an offering for H. Bratcher's buildings, poverty relief fund or personal needs. personal needs.

Yesterday, July 15th, completed 32 years for Marie and I as Baptist Faith Missionaries here in "Brasil". Pray that the Lord will give us the grace to continue for

Dear Brethren

The churches got together to hold an evangelistic campaign a few days ago. Brother David Hatcher and Brother Mander-ley were here to speak. Brother Manderley,

who grew up with me here and is now pastor of the Chapada Baptist Church in Manaus, brought a group of mus-icians and singers from his church his church.

his church.

The first service was on the square at Mancio Lima. On Saturday and Sunday night the services were on the main square here in Cruzeiro do Sul. The final service was on the square at Vila Rodrigues Alves. We had good crowds at all services. The largest was Sunday night with almost 3000 people. There were 17 professions of faith here in town and 2 at Rodrigues Alves.

This project was planned and executed

This project was planned and executed by the churches. It was great to see them do

a job of this scope on their own, with very little input from me.

Our attendance has been low this past month at First Baptist Church. Is the July vacation slump spilling over to South America? Even so, we have had 3 more people saved and a few other moves.

I have visited the churches at Mancio Lima and Assis Brasil this month. Also I have met twice with our pastors. All is well.

have met twice with our pastors. All is well.

First Baptist Church of Cruzeiro do Sul has decided to start a work in the city of Rio Branco, the state capital. We already have a preacher, 7 members of our church from here and about 15 new converts. I went to Rio Branco a few weeks ago to make the initial arrangements. After giving my report to the church, it was decided that we would go ahead. The church also decided that I should go there 1 weekend each month to monitor the work and help in the preaching and teaching. The new congregation is now looking for property. I will give you more details later.

May God bless all of you and thanks

Dear Brethren:

Dear Brethren:

the last days in the states were real busy ones. We said goodbye to June's Dad who is 82 years old and in bad health, our children and grandchildren and many friends. David and family came from Chicago to help Cathy and Mayriclo take us to the Atlanta airport. At the airport we said goodbye and June and I

At the airport we said goodbye and June and I were on our way to Miami where we were met by Brother Ron Smith and we were soon at Brother Ron and Rachel's home where we stayed June 27 til Sunday afternoon, June 30. I preached Sunday morning at First Baptist Church of Ojus, North Miami Beach, Fl. Brother Jim Washer is pastor and Brother Ron Smith is his assistant. We were treated so nice by Brother and Sister Washer and by all the saints from First Baptist. We also saw Brother and Sister Crain who were on their way back to Peru.

We arrived in Sao Luis July 1 at 7:30 a.m. and were met by several people from different Baptist churches. It is good to be back home and unpack our suitcases.

July 4, I spoke at Living Hope Baptist Church. They seem to be in good shape. I have marked a series of meetings for July 28-August 4. I spoke at New Hope Baptist

Four Saved . . . Evangelistic Rally at Florianopolis . . . 20 Students in Training Center . . .

The news around these parts is still good! God continues to reveal His power and presence in this work. Our church

and presence in this we members are growing in faith and are assuming more responsibility in the ministry. We are also thrilled to see lost folks turning their lives over to the Lord each month. During the month of June we had four young adults trust Christ as their savior.

their savior.

Since beginning this work in September of 1986 we have had only 6 middle-aged adults become members. Our main growth has been in the 17-25 year old bracket. This month our church has taken on the challenge to reach out and evangelize the older generation. Less than one week after prayer concerning this goal, we had three middle aged visitors in our services. We are praying that God would endow at least one of our members with the gift to reach this age group.

This past weekend we took a group to Florianopolis (about 200 miles away) to hold an evangelistic rally and help begin a new work. The group worked very hard and was well prepared for the meetings. We were a little disappointed with the small turnout that we had, but we learned some valuable lessons. The first was the necessity of more fervent prayer. The second was that we assumed that the people would be anxious to attend so we slacked off on the invitations. Bad idea - they weren't that crazy to attend. Next time we'll know better. One positive result of the trip was that Carlos (the young man from our church who moved there) was encouraged and is now more motivated to continue on this new work. Charlene and I will be making more visits in the near future to further train him for this ministry. for this ministry.

The 20 students that we have in our Training Center are progressing steadily. Two of them handled the Saturday night, Sunday morning and Sunday evening services while we were traveling to Florian-opolis. From the reports of other members they both did a fine job in our absence. We pray that many more will be equipped to do the same.

In Christ's love,

Bobby & Charlene Wacaser

number above. We would that every supporting church would call or write and give us opportunity to come to your church in order to your church in order to personally express our appreciation to you for your faithful support. He is a very busy man as he assumed the church there in our absence. We have a young preacher who has agreed to come and work there in January, which should be a blessing to our work there.

Please remember Brother Creiglow's work as he has already started the building for the Seminary. He tells me that the money will not be enough. Remember all your missionaries both here at home and in foreign lands. This includes your pastor where you are a member. We all need the help and the love of each other.

Dear Friends:

Here in Cornelio Procopio it is cool and breezy. I am writing this letter in the waiting room of the Ford garage (clutch trouble). Alta is at home. The painters are working and our house is almost finished. The Lord

willing, the movers will bring our furniture and "excess baggage" of excess baggage of the sixteen years in Garca to Urai on the 23rd of July. I am sending along with this letter a couple of pictures showing the front and back of our new back and meeting. new house and meeting

As you will probably remember, summertime in the U.S.A. is wintertime south of the Equator. The long cool nights and houses with no heating

facilities tend to influence the attendance in services. Last week we had five service with two being in the open air. The attendances were: 24, 18, 18, 27 and 24.

Two Sundays ago I baptized a woman for the Galia Baptist church. (See picture).

Beginning the first of August I will be teaching in the Seminary as well as preaching in Garca almost each week until Odali and Kathy return from the States the last of December. This means a weekly trip of 300 miles.

The new building in Marilia is under roof. The Lord willing, we will have it ready for services in a couple of months, that is, have it where it can be used.

PRAYER REQUESTS: Faith workers, strength and wisdom for Alta and me, the salvation of souls in the new works, completion of new building in Marilia, and a lot for building or a building to buy in Cornelio Procopio.

HOME MISSIONS REPORT

August 2, 1991

"I thought this was a new work". This statement made by a visitor gives an idea of how well things are going. The lady could not believe how well established the work is. The Sunday morning service has been averaging 25 persons in attendance. The Sunday and Wednesday evening services are averaging about 20. The offerings from the local congregation for the month of July totaled \$1,222.00. We praise the Lord for His blessings on this new work. We thank God for the Reinhardt's faithfulness.

Reinhardt's faithfulness.

This past Sunday there were 6 first time visitors. On July 14 the mission had their first baptismal service. Some of those attending regularly have indicated a genuine interest in Salvation and Church membership. The believers are meeting together on Saturdays and Tuesdays for visitation. A bus (van) ministry has also been started. A young preacher from First Baptist Church of Alexandria, KY is helping out in this ministry.

No work of the Lord is the work of one person.
Brother Reinhardt expresses much gratitude for those who have come to help them, especially from First Baptist of Alexandria. Some are coming every other Sunday to provide special music.

And, speaking of music, Janice is leading a children's choir which regularly has been having nine

children. They sing each Sunday. Janice also teaches the children's Sunday School class. Dwayne's adult class is studying through the book of Acts. The students are participating with much enthusiasm. The Reinhardts have just recently started having "afterglows" on Sunday evenings after service to provide fellowship and

As I spoke to Dwayne today, he informed me that he would be speaking today to the loan officers at the bank concerning a loan. \$19,400.00 has already been given or committed to the purchase of the building. 27 churches have already given. In a surprise move (to us, not God) the sellers extended the closing date until October.

As a pastor who cut his teeth on the mission field, as a supporter and director of Baptist Faith Missions, I am delighted with the work in Newport. I hope that you are as well. Another \$95,000 is still needed for the building. Can you help? Mark offerings "For Newport Building". "Praise God from Whom All Blessings Flow."

"Home bound" with you, John M. Hatcher 7525 N. Green River Road Evansville, IN 47711 (812) 867-7066
