### THE 50TH YEAR

#### **PIONEER IN PERU** by Jim Orrick

Another man who went to the mission field with A.V.B.F.M. was Richard Patrick Hallum

Brother Hallum was born September 9, 1883, at Stonewall, TN. He was the son of a Methodist minister, but after he was saved he became convinced that he should join a Baptist Church. When he was 18 years old he moved with his parents to Oklahoma Territory. In 1911, he went to Kentucky to meet Mary Francis Clark with whom he had been corresponding. A few weeks later they were married, and she returned with him to Oklahoma. He was ordained to the ministry by the Remus Baptist Church, Remus, OK on June 15, 1918.

The Hallums later returned to Kentucky where he attended West Kentucky Bible School. During his school days, Mrs. Hallum helped support the family by working in the kitchen of the Seventh Day Adventist Hospital in Murray. Part of her work was to bake fresh bread each day. The Adventists would not allow her to bake on Saturday, and she refused to bake on Sundays. She was willing to help prepare the meals on Sundays, but insisted on being allowed to leave in time to get to Sunday School and church. Hallum graduated from Bible School on April 29, 1927. After graduation he did mission work in Missouri and Arkansas, but he soon felt that it was God's will for him to go to Peru, and he sought the support of A.V.B.F.M.

B.H. Taylor had died in 1932. At the time of his death A.V.B.F.M. had several thousand dollars in the treasury, but not one missionary on the field. Before he died, Taylor said: "If it be God's will, the work in the Amazon Valley will GO. AND GROW, AND GLOW."

Hallum agreed to go to Peru and to draw his support from the treasury of A.V.B.F.M. With his wife and daughter, Marguerite, he left for Peru in May, 1935. They traveled by train to Norfolk, VA where they took passage on a freighter that took them to Belem, Para, Brazil. There they boarded another boat that took them up the Amazon to Manaus where they remained for about two days while the boat was being unloaded of much of it's cargo. Word spread that an American missionary was on board, and soon the son of Eric Nelson came to invite them to the Nelson home for food and fellowship. Nelson was away on a trip, but the Hallums greatly enjoyed the hospitality shown them by his family. The next day they were again on their way, finally arriving at Iquitos, Peru. It had taken them 39 days to make the trip from the States to Iquitos. Although Hallum would reach out in many directions, Iquitos was to be his headquarters for his mission work. It was here on February 24, 1937 that he organized the first Baptist Church in all of Peru. The church met in the Hallum home and had a charter membership of eleven, the Hallums and eight nationals.

Hallum continued to draw support from A.V.B.F.M. but with money going out and little coming in, it became necessary for him to find other means of support. He wrote in the July, 1956 MISSION SHEETS that when he was home on furlough in 1946 he was invited to speak at the First Baptist Church, Russell, KY and that while there he told the pastor that he would be willing to go back to Peru as a missionary out of that church. He writes that the pastor advised against it, and instead, encouraged him to seek to work with BAPTIST FAITH MISSIONS. He followed this advice and was soon accepted as a missionary with B.F.M. This is how B.F.M. enlarged its mission work into Peru.

Hallum's letters in the MISSION SHEETS were often short and to the point. Brother H.H. Overbey often compared him to a plough horse, saying :"He doesn't do a lot of prancing around, but he gets the job done; you can see where

It should be noted that Marguerite Hallum served with her parents the entire time they were in Peru. One has only to read the old MISSION SHEETS to see that she was a valuable asset to the work by visiting and teaching women and children. The Hallums probably could not have remained on the mission field as long as they did had it not been for the help they received from Marguerite.

After 20 years on the mission field, and due to failing health, Brother Hallum. realized that he could no longer do the work, and so he retired in 1955. Returning to the States he continued to be active locally as his health would

Brother R.P. Hallum was called home July, 1964, at the age of 80 years. Sister Hallum died August 26, 1969, at the age of 83 years. They are both buried in Greenlawn Cemetery, Hammond, LA. The great work they did in Peru lives on as a monument to their hard work and devotion

Marguerite Hallum lives at 608 North Pine, Hammond, LA 70401.

Dear Friends:

Dear Friends:

We have moved. We are in our new house. After 18 months of building, buying, hammering, mixing, putting down, painting and paying, we are in our new home. Frankly, there were times I did not think we would make it and there were other times I was not sure I wanted to. But, Great is the Lord and

Great is the Lord and worthy to be praised! In our weakness He carried on and like the children of Israel He placed us here by His power.

here by His power.

Our house is beautiful. We bought a small house in a government housing project for low income housing. Then we decided to build a large room that would seat about 100 people on the back. Then a garage was planned on one side of the large room, then two rooms at the end of the comers, then two rosms at the end of the comers, then two rest rooms on the other side of the large room, then a laundry room and two small areas for air and light. And then she said it! Alta said it. Here is what she said: "Why don't we build a large room over the auditorium room because our living space is too small." Alta said it. She asked that question. I did not want to hearbut I did, and now there is a beautiful room and an office, and a beautiful large bathroom over the auditorium and a 24 step

stairway to get up to it. God gave it to us and it is far beyond our dreams. Almost ten years ago we took our new car money and bought busses to haul people to church. The busses served in many towns and cities. Buildings have been built or acquired in all those cities and the busses, were not needed any more the busses were not needed any more. Three of the four busses were sold and that is how we were able to build a place to have services and a home. God surely does pay high dividends. The last bus is still serving in Marilia, where a building is under construction. When the building is ready for

Seminary classes started the first of August and seems like we are off to a good start. Until the month of December, I will be traveling back and forth to Garca (while Kathy and Odali are in the States) to teach in the Seminary and preach half time at the church in Garca. That is a round trip of about 300 miles each week. I leave on Sunday after morning services in Cornelio and return to Urai on Thursday morning.

Two young men have trusted the Lord during the last few days; one in the night service at Garca and another was led to the Lord by a young man in the Cornelio church. Next Sunday morning I will be with the Galia Baptist church to help observe the Lord's support.

Alta does not go with me on the trip to Garca. She stays here in Urai alone and takes care of the children's work on Saturday and Sunday. Pray for her.

We had nothing to eat for ten hours and when I got back to the hotel, I took a bath and went to bed to rest. I went into an insulin shock (the first I have ever had). Finally I got a bowl of fruit salad that settled me down. I arrived back in Lima Saturday very tired.

While I was in Iquitos Friday night, after resting all afternoon and after my sugar returned to normal, I had the best meeting I have ever had with the pastors of lquitos. I look forward to being able to work with them. They seem to have a desire to see their churches grow.

August 13-17 was spent in the Ameri-August 13-17 was spent in the American clinic where they were trying to get my sugar level to a more normal level. I was also checked for the problem of Amnea that I have had for over a year. I also had a yearly check up while I was there. ## Report on Building Progress . . . Need Pastor at Novo Diamantino . . . Good Number of Lost People Attending Services . . .

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, Mt. Brazil, S.A. August 15, 1991

Dear Brethren:

Dear Brethren:

The rough walls to our building are up and the roof is on. We were able to use most of the old roof which was a great help in cutting expenses. We are now in the finishing-out process which always seems to be the most expensive part of building. We had planned to put down ceramic floors, but since we are about out of funds, it looks like we will leave it in the rough will leave it in the rough concrete, at least for the present. We do have part of the electric installation in also. The work is going along very well and if we do not run out of funds, it looks like we will be able to

finish on schedule - by the end of October.

The pastor of the church in Novo Diamantino left a short time ago and for the past few weeks we have been going there every Wednesday for the mid-week services. This church is 135 miles from Cuiaba. We come back from there after services, getting home about midnight. After the

pastor left we thought perhaps the people might be a little down and depressed, but we were surprised to find them happy and ready to go to work to build the work back up again. Some of the brethren of the church in Varzea Grande are going there on the weekends to help us out until the Lord sees fit to raise up a pastor to take over the work there and I hope it will be someone from this area.

Two weeks ago we started a prayer service on Tuesday nights at the Church at the Charcara dos Pinheiros. Starting this service leaves us having services evenight except Monday nights. In the Chacal night except Monday nights. In the Chacara dos Pinheiros church we are having from 8 to 15 lost people in our Sunday night services and have been having this number for some time now, but for some reason or other we are not seeing any of them being saved. It seems like the people of the church are about to get over the Drapers leaving and getting used to my way of doing things. Since we are about through the transition it seems like things might start to move once again. There is one thing for sure - we do not have much free time on our hands and that is good for us.

We ask you to remember us and the

We ask you to remember us and the work as you pray and give for missions.

Av. J Carlos Antony, 172 69063 Manaus, Amazonas Brazil, S.A. August 26, 1991

Dear Friends:

We have been back in Brazil for one month now. We are enjoying being home and the fellowship with God's children here. Leigh, Judson and Michelle are back to school. Wanda and I are back in our work routine

God's blessings are noticeable the church has grown during the past year and there are many new faces. I thank God for the faithful God for the faithful leaders He has placed here. Dr. David Hatcher and his wife. Pennie have had a busy year with many results evident.

Paul Hatcher

This past Saturday 20 men from the church erected and completed a new building for one of the mission chapels. Another one will be erected this coming Saturday, the Lord willing.

Pray with us that the Lord will continue to raise up laborers, as many places still remain without a gospel witness. We thank each of you for giving generously that the Gospel might be shared abroad.

#### REPORT FROM WEST INDIES MISSION WORK

Beloved Brethren:

Greetings in the precious name of our Lord and Saviour, Jesus Christ, by whose precious blood we have been bought.

During my trip to the States, I shared my vision to build a new building for our church with the Board Members of Baptist Faith Missions. One of the directors afterwards told me that my request for help would be considered but seeing that they are working with W.I. Mission Fund, it would be advisable for me to request this help through W.I. Mission Fund.

I am hoping that you would be kind enough to forward this request for help. We have already purchased the land on which to build, the building plans have been drawn up and are in the process of being approved and we have some money with which we are to begin construction hopefully in the first week in July. We estimate we are going to need around \$15,000 to complete this building.

Due to the impoverished state of our country, the lack of jobs which naturally follows, it would be almost impossible for us to raise that kind of money at home; we know of the kindness of our brothers and their love for Mission work thus we are trusting that Our God would move them to help us to accomplish this vision that God has placed upon our hearts.

Church. I started a meeting which lasted from Sunday, July 28 to August 4 at this church. We did not have any moves made during the meeting, but I feel it was a help for the church. I enjoyed being at this

church because I have many ties and memories with these dear people. I baptized the Pastor, brother John Batista in 1968 and later baptized Olindina who became Brother John's wife. They have six children. The oldest son plays the guitar and the second son leads the singing. I also baptized Brother Eugenho and his wife at Anajatuba when we had a church there.

New Hope Baptist Church. Brother Sostenes and wife have gone to Manaus for a month's vacation. Brother Ademy (young preacher in the church) and I are sharing the preaching at this church. I preach each Friday night at one of our mission points.

We have been back in Brasil long enough to see that the economy is in bad shape. If we are not careful it will be easy to overspend as things are higher in price than when we went home in 1990. My car that cost \$9,000.00 in October, 1989 is now \$23,000.00. It is hard to understand these things if you are not here every day. Pray things if you are not here every day. Pray for us that we will be good stewards.

Dear Brethren,

On Wednesday the 24th of July, the 14th of December Baptist Church completed 31 years of age. The church was organized with 22 chart-

er members. The "mother church" is The Baptist Church of Bairro de Sao Benedito of the city of Nova Iguacu, Rio de Janeiro, Brasil, Three of the 22 are still mem-bers of the church. Asa Mark Bratcher preached to an estimated 300 people present. The Lord blessed with some 3 professions of faith.

Harold Bratcher

Our annual report shows that we began the year (July 24th of 1990) with 650 members. We gained by baptism 38, by letter 14, by restoration, etc. 18. We lost by letter 6, excluded 45, by death 5. Total of members as of July 24, 1991 - 662. Average attendance - Sunday Bible School (not including the seven missions of the church) 265. Pray with us that we'll be able to baptize more and that we'll not have to exclude so many

Now, I am wondering what else to write that will interest you, the readers of the "Mission Sheets." I decided to copy from my diary what I wrote for August 7th:
"Up at 3:35. 2nd day without rain. After

Bible reading and exercise and prayer and praise and breakfast and shave to the church. There morning service (8:00-8:30 a.m.) with 7 present. At 9:14 writing these lines. Worked on at my desk until around 10:30 when Jose (Val) Cruz Costa came by and invited me to preach the funeral of his wife. Legil. I followed him to the house and held a short service and then back to the church and then home and dinner and nap and then returned to the "house of mourning" and held another short service and then in the Church. Worked there for a while and then made visits - "Beco de Florencia". Tonight - Prayer Meeting and Sessao (business meeting). Home and to bed at 21.55."

Last Sunday morning, I preached to more than 300 - at night less than 200 but with 3 professions of faith - praise the Lord!

We ask you to continue to pray for us. We thank you that give to the regular fund and we thank you also that gave a designated offering for Harold Bratcher's buildings, poverty relief and/or personal, etc. We pray the Lord's blessings to be

Dear Friends

You can see from the address above that we made it back to the States for furlough. We are anxious about coming and sharing our work with each one of you. If you would like to have us, please feel free to call and we'll try to set

up a time with you. Our last day in Peru was July 2nd. We had a good flight with no prob-lems. The entire month of July we spent in Florida, visiting some of the sister churches there and also our home church, the Jordan Baptist Church of Sanford, Sheridan Stanton

Florida. We visited with relatives for a while and then finally arrived in Lexington on the 14th of August. We were really surprised to find our house had been stocked with groceries and household items by the Ashland Avenue Baptist Church. That was a Ashland Avenue Baptist Church. That was a real blessing! Our thanks to Pastor Hershel York, his wife Tanya, and all the members of Ashland Avenue Baptist Church for your great expression of love and caring.

Leah and Joshua are attending the Bluegrass Baptist School here in Lexington. This is the school where Anita and I used to

teach. Leah is in the 8th grade and Joshua is in the 7th grade. They really seem to like the school and I ask you to pray that they will have an enjoyable time this year while we are home.

The works in Peru are doing great! The new mission work in Lima continues to grow. The excitement there is high and I am looking forward to sharing with you about this work. The Pucallpa Baptist School is doing very well. It pretty much runs itself now with minimum supervision by me. I have dedicated people there that are doing an excellent job. But please remember to an excellent job. But please remember to pray for them!

pray for them!

Though the works in Peru are doing great, Peru, as a country, is not. Peruvians have lost 70% of their buying power in the last 7 months. Inflation runs around 10,000 annually! Terrorism, earthquakes, cholera epidemics, and an economy in shambles makes for very fertile ground for the Word of God to be sown. In the midst of all the troubles, God's power is greatly manifested. Souls are being saved and the Churches are being edified, while the world round about seems to be falling apart. We ask that you remember our Peruvian brothers and sisters in your prayers that they will continue to keep the faith and not become discouraged!

Until next month.

Dear Friends

A few weeks back we were having tremendous growth and enthusiasm in our church. At that time I realized that we would

soon be reaching out with the gospel. It was also evident that this type of spiritual growth does not please Satan one bit. So, I warned the members to be prepared for this attacks at any for his attacks at any time. We didn't have to wait very long. Although

wait very long. Although everyone was warned, not all heeded or maybe some had not grown enough to resist his attacks. Presently, we are engaging in some ferocious battles. We are truly thankful to God that the victory is already ours. Now, we just need to learn how to take possession of that which has been given.

I'm not sure if it is as evident where you live, but here occultism is invading almost every area of life. It is no longer hidden in the jungle or found only among the natives. It has already begun to enter the churches.

One of our young men was led by some friends to visit a "white witch" just as an adventure. This young man has been saved for just a short time and didn't see saved for just a short time and didn't see the danger in what was presented to him. At the meeting a "spirit" revealed itself to him and told him that he needed to concentrate more on loving his family than in going to church so much. It also told him that the Bible is good, but that you can't believe it ail. Satan hasn't changed much in the last six thousand years. He's still telling the same old lies. I'm only surprised that he is still able to fool people with them. We are thankful to know that God didn't begin His good work in this young man to leave it unfinished. The victory is won and we are praying in faith until it is revealed to this young man.

## HOME MISSIONS REPORT

"I'm blessed," says Bro. Reinhardt, as He shared with me all of the blessings that the Lord has poured on the work in Newport, Ky. My response is, "We are blessed to have such a faithful missionary serving for us." May God multiply his kind.

Just this past Sunday a lady was added to the church by letter. She lives near the work, but was a member of a church some distance away.

member of a church some distance away.

Dwayne determined to begin praying that the Lord would give at least one service with 50 or more people in attendance this summer. He did this the first time on Saturday three weeks ago. The very next day they were blessed with 51 present for morning services. The average Sunday morning attendance has been 40 with slightly less in the evenings and 20 on Wednesday evenings.

The van donated by First Baptist Church of Alexandria, called "Ol' Glory" by Dwayne, but "shipwreck" by some of the kids, makes 3 trips each Sunday morning. It is able to carry 9 passengers as a maximum legal limit. The mission could put a second van to good use if a church or individual has one that they would like

The children's choir sings each Sunday. There have been over 20 in this group three different Sundays with a high of 23 and a low of 15.

A third Sunday School class has recently been started and promises to meet a real need.

The building fund now stands at a total of \$21,180. Another \$10,000 will be needed for closing costs and down payment. The deadline is October 1, so help is needed now! Dwayne can be reached at 606-781-6890.

God answers prayer, so don't miss the opportunity to intercede on behalf of this new work.

"Home bound" with you, John M. Hatcher 7525 N. Green River Road Evansville, IN 47711 (812) 867-7066
