In the fifty year history of B.F.M. 32 families have served in five different countries. Thousands of people have been saved, many churches have been organized, buildings built, and nationals trained to reach their own people. Before he died H.B. Taylor said, "If it is God's will, the work in the great Amazon Valley will GO, AND GROW, AND GLOW." While the work is not as large as we would like, looking back we can say, "EBENEZER, HITHERTO THE LORD HATH HELPED US." Facing the future we can say, "JEHOVAH-JIREH, THE LORD WILL PROVIDE." Let us pray that until the Lord's return the work will continue to GO AND GROW, AND GLOW. the work will continue to GO, AND GROW, AND GLOW.

We appreciate the articles written by Brother Jim Orrick over these past months and want to thank him. It has helped us all to see how God has greatly helped and blessed the work over the past 50 years.

Dear Brethren.

Since the writing of the last Mission Sheet letter, another year (1991) has entered eternity. May the Lord help us during 1992 to number

Before concluding I must sound a negative note. More than one of the ones we are trying to win or regain for the cause were not filled with the Spirit during the holiday season (See Ephesians 5:18). 7. They continue to pray that God will stir hearts here in the States for the need of \$15,000.00 we need to purchase the property and to renovate a little. To date we

have received \$4,317.00 toward this most urgent fund. We must raise about \$10,000.00 more! Please pray and give as the Lord leads! This is not a rural propertyit is in the city and the cost is high, but it is where the people are, so please give. Our goal is to have this work organized and with its own building within two years. We need your help!! I need to have this money with me when we return in July so we can start to build. Don't miss an opportunity like this to build. Don't miss an opportunity like this

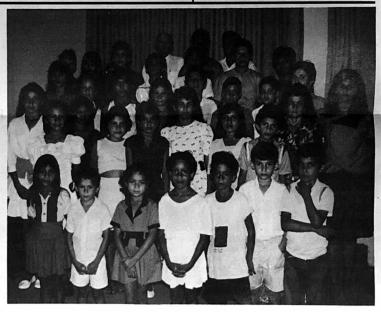

I'm about out of space so I'll inform you about the great news in Pucallpa next month. All the works are going well and the Pucallpa Baptist School is doing great at this time.

Thanks to each church that has had me present our work in your church this past month. The interest has been high not only for our work in Peru, but for Baptist Faith Missions in general. Please remember to give more this year to the General Fund of Baptist Faith Missions, and by so doing help us keep up with the high cost of inflation. I believe we'll see some more men surrendering to the mission field this year from the reports that I've heard, so let's have the money there for them and not make them wait months and months for support to increase. Another good reason to increase your giving is so that the expense money of the present missionaries will be restored to what it was last year. (We all took a cut in expense money because the offerings were down.) Let's not let that happen again! Pray and give sacrificially (read Exodus 35 & 36). Until next month,

Preach in 10 Different Churches . . . Celebrates 36th Birthday . . . Over 400 Present at Mission's Now Night . . .

by Asa Bratcher

Caixa Postal 227 Manaus, Amazonas 69011 Brasil, S.A. (011) 55-92-234-5060 January 18, 1992

Dear Brethren.

Not only another month, but also another year has slipped by us into eternity. May He crown each day of this new year with goodness.

The month December was a rather busy one. I preached a total of 17 times in 10 different churches (9 in

different churches (9 in Manaus and 1 in the interior). On Saturday, December 14th, Lucy, the girls, myself, Evangelist Eliberto and his family left Manaus by car traveling 3 hours to Novo Remanso. There we caught a small boat, traveled another hour and arrived at Parana da Eva. That night over 300 people heard the gospel as we celebrated the New Jerusalem Church's 3rd anniversary. Practically the whole community was present. Then after preaching twice on Sunday we returned to Manaus.

The last night of the year found us celebrating the Lord's Supper at our home church, the 14th of December Baptist Church. On Saturday, January the 4th, I had the privilege of celebrating my 36th birthday with, among other things, a delicious meal at Mom's. The Lord has been good to us during these years, and we count if the

during these years, and we count it the highest privilege to serve Him. Last Saturday night, our churches here held their Missions Now Night. There were held their Missions Now Night. There were over 400 present, with a good spirit, good music and 3 short messages focusing on the past, present and future of BFM work in the Amazon Valley. So far we've only received about half our Missions offering, but hope to reach our goal by the end of the month. Everyone seems excited about the Institute. We plan to begin classes the 9th of March. of March.

Do continue to pray for us. Don't forget the General Fund which supplies the missionaries' salaries and operating ex-penses, and the project designated funds which enables him to do much more for the Saviour. Until next month, by His grace,

Dear Brethren.

January is not quite over yet and it seems like a year since my letter in December. The special services held over the holidays seem very remote now

We had over 800 people present for the special program on December 25. The pro-December 25. The program the church put together was great. One woman was saved during this service. On the 31st, we held another special service with over 600 present. We took up an offering for the school project. Our goal was \$1,000 - the amount that came in was well over \$2,000.00.

One Sunday was spent with the congregation at Valquiria. There were 85 present for the service in the morning. Four people made professions of faith. After the service we went down to the river for a baptism. I baptized 18. Several of these were couples who have been saved for

some time, but were not legally married until just recently.

A couple of Sundays ago I was in Rio

Branco to visit the work there. We had over 40 in the morning service and over 50 at night. Several of our members are traveling and yet attendance was up to the regular level. Three new members came by letter while I was there. We finished paying off the 2 front lots this month and have worked out a deal to pay off the back lot in 3 more payments. The congregation approved the building project. We hope to start soon. Two thousand bricks and the lumber for the trusses have already been donated. I am pleased with the progress that is being made. God is blessing in His time.

The church at Lagoinha is into her new brick building. The dedication service was on December 29. I wanted to be with them, but it didn't work out. The river was too low to go that way. The road is closed. I walked the first 7 miles and my man from camp was to meet me part way with the Jeep. He forgot the date, so I had to turn around and come back after a very long, hot wait.

May God bless all of you. Thank you

Attendance Problems at Chacara dos Pinheiros . . . Need More Funds to Finish the School Building . . . Please Pray for Us and the Work . . .

This past month the church at the Chacara dos Pinheiros had to exclude four of its members for non-attendance. One of

of its members for non-al them had not attended any services since the organization last May and his son had only attended two or three times during that same period of time. The other two moved across town and told us they would not be back and would not ask for a letter. The

attendance of our members has not been very good at all. Out of the twenty-two members, we only have about fifteen in any given service. We are having from twenty-five to forty non-members in each of our services including the mid-week service. Last Sunday night there were fifty-two present and only twelve members.

We have had to go only once or twice iamantino this past month and that has to Diam

been a big help to Betty and me. The young man who was to move there has not done so because he has had car trouble and, just as soon as we can get that taken care of, he and his family will be moving. We hope it will be this week. He went there by bus this

past weekend.

Our school building is finished as far as we could go with what money we had. We were not able to build the bath rooms and, until the church there raises the money, they will have to use those of the church. We did buy some furniture to equip one room; school will start next month as planned. The School will start with kindergarten and first grade, adding a grade each year. Our seminary is already operating in one of the rooms and has been for some time.

We have a young pastor and his family coming from Sao Paulo next month, who will work with us in the work of the Chacara dos Pinheiros church, that we hope will be ready to take over as pastor by the time the Drapers return. If so, that will leave the Drapers free to start another work.

Please pray for us and the work.

Dear Brethren

Last month I mentioned that we had a new church organized in the village of Paucar. This past month I was invited to

help organize a new church out of Iquitos. I was not able to be pre-sent when this church was organized because of the cost of air travel. Also my health has hindered me from going on long river trips.

I am now in Detroit,
Michigan going through
various tests for my
heart. Tests are being made at Harper
Hospital. In Lima the doctor made several
tests of my kidneys because of a swelling of
my feet and legs. I have new cysts on my

kidneys, now on both kidneys. The doctor says he could take care of the kidneys in Lima, but said he would not touch me until my heart problem was solved. I should know Monday if they plan to operate or to treat by medication.

The Sunday before we left, I baptized 3; a mother about 35 yrs. old, a young man about 30 yrs. old, and a young lady about 17 yrs. old.

The walls are built around the property at Ventanilla - we finished the walls four days before we had to come home.

Please remember us in your prayers. This will be a very expensive time for us, and at a time we need to be back on the

Return From Camp and Reports from 13 Mission Points . . . Surprise Gift From Children . . . 5 or 6 To Be Baptized . . .

by John Hatcher

Caixa Postal 112 Urai, Parana, Brazil 86280 January 18, 1992

Dear Friends:

This is a beautiful Saturday morning, and I returned yesterday with three young people from a week at camp. It was a good week, when friends from most of our works get together for a week of good food, activities and spiritual

growth. of the most profitable hours was the first evening when the leaders of 13 different mission points told something of their work. leaders of mission All of them were persons

who had been saved, baptized and taught through the work in Garca or Cornelio Procopio. Most of them vere saved between the ages of 10 and 12. Now they are marrying age.

On the night of December 23rd, Alta and I flew to Manaus to be with Paul and Wanda and family and with David and Pennie. We had a great time just enjoying one another and being together in the Lord. On December 26th our joy was completed when we received a phone call from Lexington, Kentucky, where our other three children and families were together at Kathy

and Odali's. We were able to talk to all our en and all the grandchildren, also

What good and wonderful gifts the Lord sends to us. But, the gift that was the biggest and unexpected surprise happened on Christmas morning, while gifts were being exchanged. David played a tape for us to hear. In grandiose style the tape announced that John and Alta Hatcher had heen chosen the parents of the year and been chosen the parents of the year and had been awarded a trip to Israel and Europe by their children. I could not believe what we were hearing. Emotions of pro-found gratitude, parental love, and praise to God for our children filled our hearts. I was without words. Alta expressed our hearts when after moments of silence, she said, "Thank you very much!"

We left Manaus at 1:40 a.m. January 9th and after nineteen hours of travel by plane and bus we arrived at home in Urai.

We presently have one person awaiting baptism in Cornelio. On the 6th and 7th of February I will be in Galia for services and to baptize four or five persons.

During our visit in Manaus we had the pleasure of a great Marie Bratcher meal and a visit with Harold and Marie Bratcher. Thanks for your faithful support. Pray with us that 1992 will be a year of great spiritual growth

Another year has passed and so much we wanted to accomplish went undone. Yet we have so much to be thankful for. Our God is in control - for this we are glad! We

received a great blessing in December, as our adopted daughter, adopted use all received Michelle, received her U.S. citizenship in Louisville, Ky. We already have her American passport which will make it so much easier now for us to travel. She is a dual citizen of both the United States and Brazil.

Not too many people can say that. She is such a blessing to us. She has adapted well now to the school and English language thanks to the faithful tutoring of Ursula.

We preached and showed slides in two churches since our last letter. We were with the Julian Baptist Church, Gracey, Ky., Brother Elton Wilson, pastor; and we showed slides of our work in Brazil at the Beulah Baptist Church, Beulah, Ky., Brother Don Farmer, pastor. We appreciate this opportunity. We also battled with the flu for 3 weeks. Much of the time my throat was so bad I couldn't talk above a whisper. All of us had it. We did have an opportunity to spend had it. We did have an opportunity to spend the holiday season with our children, grandchildren, and family. It was great! We only have this privilege every fifth year.

only have this privilege every fifth year.

I received a letter from the young preacher who is to come to Cuiaba and work in the newly organized church where Brother Creiglow is presently holding down the fort. He said he has had surgery and will not be able to come until February. Pray for Brother Miqeaus and his wife and 3 children. He is giving up a good job and moving out by faith to come and work with us. We need more who are willing to live by faith.

My fellow saints, please pray that the Lord will give us with Baptist Faith Missions the financial means to continue to carry on the work and also to increase it. We need your help.

May the Lord bless each one is our prayer.

Cantanhede Building Work is Progressing . . . Fran is Worse . . . Please Continue to Pray . . .

by George Bean

3353 Lombardy Lane #412 Dallas, TX 75220 Phone 214-350-9252 January 25, 1992

Thursday, December 19, 1991, I went to Cantanhede to check on the building and

to Cantannece to check on the building and to leave some money for Brother Satu, the pastor and builder. June, in Dallas, had tried to call me all day to tell me Fran had gotten worse. He started losing his balance and had fallen a few times. I was able to balance and nad fallen a few times. I was able to get passage for the 21st of December. I arrived in Dallas on the 22nd, on a Sunday morning. Our daughter Cathy and her family and Jonathan our family and Jonathan, our

George Bean

youngest, got to Dallas the same day. We had a nice time with them over the holidays. When Fran went back for his clinic appointment, they did a CAT scan and it

showed that the tumor has passed to the other side of the brain. They discontinued the radiation treatments. They said medically speaking there is nothing to be done. But they don't know the God that we know. One of us is with him almost constantly. He has had seizures again this week.

June and I are attending the Valley View Baptist Church, Farmers Branch,

We thank all for the cards and letters, phone calls and the love offering that has helped us so much. Most of all thanks for your prayers that have helped us so much

I am sending money each month to Cantanhede and the building is being built for the Glory of God. We need some special offerings to be able to buy lumber and roofing material.

Continue to pray for us and for Fran. If you feel like it, call: our phone is 214-350-9252.

Yours in Christ, George & June Bean
