WHAT ABOUT MISSION SUPPORT?

by Jim Orrick

While we may all agree that we need to support missions, there is much controversy today over how a missionary is to receive this support. Many well meaning brethren and churches become very dogmatic over this point. While we bicker among ourselves about this, mission work often suffers and souls

In studying the work of missions as it is set forth in the New Testament, there seem to be several principles set forth by which a missionary can be supported or receive support. Any one of these could be used, but to select one and then to condemn all others as being heresy is wrong.

First, a missionary can support himself on some fields by his own labors. Paul did this when he was at Corinth. "And because he was of the same craft, he abode with them, and wrought; for by their occupation they were tentmakers." (Acts 18:3). (Also note Acts 20:34). This is not the most desirable way, because it takes away valuable time that could be spent in preaching, studying, and witnessing. It may sometimes be necessary for a missionary to work at some job in order to supplement his income, but to say that it has to be done because of what Paul did at Corinth is indeed stretching a point.

Another way to support a missionary is to send the offering directly to him on his field of service. The church at Philippi did this for Paul. "Now ye Philippians, know also that in the beginning of the gospel, when I departed from Macedonia, no church communicated with me as concerning giving and receiving but ye only. For even in Thessalonica ye sent once and again unto my necessity (Philippians 4:15-16). We are at the present time sending a monthly offering directly to one of the missionaries whom we help to support. There is nothing unscriptural about this, but we do not say that all mi offerings have to be sent this way because this is the way we do it with one of

Many missionaries raise their support by doing deputation work among interested churches. This means that they visit different churches and tell of the work and the burden that they have for it, and seek to enlist the help of the work and the burden that they have for it, and seek to enlist the help of that church in supporting them on the field. Supporting churches often send their offerings to the missionary's home church, and this church will send them a monthly financial report as well as a report from the missionary. I see nothing wrong with this means of raising support, but I must confess that I know of no scriptural basis for it. I have searched in vain for a scripture that shows where the church at Antioch received any offerings for Paul and Barnabas, or Paul and Silas and then sent these offerings on to them. I know of no scripture that tells of Paul doing deputation work to raise support before he went on a missionary journey. However, I know of no reason to say that this method of support is wrong. We have in the past supported, and are at the present time supporting, missionaries who have raised their support in this manner

Yet another method of supporting missions is by a church delegating someone, or a group of people, to see that their mission offerings get to their desired destination. This method greatly upsets some well meaning persons, but this principle is set forth in II Corinthians, Chapter 8. In this place we see that the churches of Macedonia had an offering that they wanted to go to Jerusalem. When Paul and his companions came through Macedonia, these churches asked them to carry the gift to Jerusalem for them. "Praying us with much entreaty that we would receive the gift, and take upon us the fellowship of the ministering of the saints" (Verse 4). "And we have sent with him the brother, whose praise is in the gospel throughout all the churches; and not that only, but who was also chosen of the churches to travel with us this grace, which is administered by us to the glory of the same Lord, and declaration of your ready mind." (18-19). Was there anything wrong with these churches choosing these men to carry their offerings to Jerusalem? Certainly not! If there had been any wrong in it, Paul and his companions would have had no part in it. If a church wants to authorize a group of men to see that their mission offering gets to a certain mission field, they can do so without being unscriptural.

We here at Storms Creek have used each of these methods of supporting missionaries, and feel that we have been within the bounds of the scriptures in doing so. We feel that the blessing of God upon all of these methods is a good evidence that God is pleased with any of them that a church chooses to use. However, to choose one of these methods as scriptural and then to criticize other pastors and churches because they do not use the same method, is wrong. Our real enemy is not those who send their mission money to the mission field by a different method than we use; the real enemy is the devil and we should spend our time and energy fighting him. A very great danger that we need to guard against is that we not become so narrow that we cannot find anyone sound enough for us to support. May God help us to get down to the really important task that we have of preaching the gospel to lost sinners.

FOUNDERS MONTH

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember

We call June FOUNDERS MONTH. About the middle of the year our offerings go down some, but the expenses of our missionaries go right on. During Founders Month, we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump.

We would appreciate it if during June, one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to.

Dear Co-Laborers

It is hard to believe that another month has gone by. We have been very busy at LBC and with our travels. In just two months from this date we expect to be back in Brazil. We are starting to

get excited about our return to the work the Lord has called us to do.

We were in the following churches this month: Bethel Baptist Church, Williams, IN, Steven Bratcher, pastor; we preached at the Spring Conference which

was a great one here at the Thompson Road Baptist Church, David Parks, pastor; I preached at Chapel of the Lexington Baptist College; we were well received at the Emmanuel Baptist Church. received at the Emmanuel Baptist Church, Oldtown, KY, Brother Foster, pastor; Buffalo Baptist Church, Buffalo, WV, Jim Scott Orrick, pastor; Calvary Baptist Church, Nitro, WV, Millard Mitchell pastor, during their Bible Conference; and last Sunday we had a wonderful time at the Beech Grove Baptist Church, Lancaster, KY, Wayne Navester Howard, pastor.

I want to recognize a small group of people who do not receive much attention. Pastor Bob Lamb and members of the Twelve Ryan Baptist Church fold and mail out the Mission Sheets by hand each month. I have helped do this on occasion years ago when Brother Hafford Overbey did this and it is no small task. Actually Baptist Faith Missions is a work with much teamwork involved from various churches tearmork involved from vanous coursers and individuals who never are recognized. Space does not allow me to start to name them. I do want to thank every church and person who gives time or financial help in this mission work. Without you it could not function. One day we will all gather around the throne of our God and praise him for the expectionity to serve him. opportunity to serve him.

opportunity to serve him.

I just received word from Brother
Creiglow that the roof on the house of one
of our Brazilian pastors is leaking very
badly and needs replacing. I have written
him and told him to put on a new roof and I
will be responsible to raise the money for it.
If any would like to help out in this words. If any would like to help out in this worthy project, send the money to the Draper Work Fund or to me. I will use it for this purpose. Let us pray and give as the Lord leads that the gospel may go forth. May the Lord bless all is our prayer.

UPDATE ON BROTHER HOMER CRAIN

Brother Crain had to come home recently because of heart problems.

After tests and treatments he returned to Peru to continue his missionary work.

Shortly after his return, the stainless steel ball in his hip came loose and tore through his muscles. The doctors got it back in place and put both legs in casts up to his hips with a bar between the two casts so they could not be moved. The casts have now been taken off both legs and he is walking with a cane.

Pray for him that the healing will go well. Also, please give a special offer-ing to help with his extra expenses because of his heart problem and hip problem. Mark your offering: Crain problem. Mark Personal Needs.

DON'T FORGET THE WORK HORSE FUND!

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase that our missionaries might have what they

Dear Brethren

First, I want to thank every one who prayed for me during the time of special check-up on my heart and a general check-up on all of my

illnesses

I was advised by our doctor at the Ameri-can Clinic that I should get back to the States as soon as possible. He suggested the next day if possible. I was in the possible. I was in the States two months, in

and out of the Harper Hospital for all kinds of tests. Our cardiologist decided that my heart did not show enough problems to recommend open heart surgery. So, she sent me to see Dr. Johnson, head of Urology. He sent me back to the cardiologist who sent me to the doctor of Vascularogy who sent me back to the cardiologist who sent me for two days and nights to the who sent me for two days and nights to the Sleep Apnea Department where they found out that I stopped breathing 47 times in eight hours. I am supposed to sleep with a small compressor that blows filtered air through my nose and windpipe to help the sleep apnea and let me get more sleep at night. night

While I was there I talked to doctors about my total hip replacement that I had in 1981. They all seemed to think that I needed to slow down and not do any heavy

lifting. We arrived back in Peru on Thursday and Wednesday afternoon the stainless steel ball in my hip came loose from the head of the steel rod and turned sideways and tore through the muscles that built up around the stainless steel ball. I have never felt such pain. Elizabeth took me to the hospital and the following day they put me to sleep and were able to put the ball back in place with a special X-ray machine, that showed the steel joints on a TV screen, without operating.

without operating.

I woke up with both legs in a cast with a rod across to keep my legs wide apart for two weeks. This past Tuesday they cut off the cast and I am now walking with a cane. Wednesday night I went to Church and it was good to have the Paul Mullings with us. He brought a good message. I plan to preach Sunday moming if all goes well. Our cost there will be about \$1.700 plus the cost there will be about \$1,700 plus the extra that the insurance did not pay while we were in Detroit. Please pray about this if you can give anything to our special expense for hospital and doctors.

Next week we start buying steel rods, bricks and cement to get started on our church building in Ventanilla. Also next week we will be putting a roof on a new building at Ancara that has 17 baptized members. We also plan to organize this work at Ventanilla into a new Testament Baptist Church the week of the 24th of

Av. J Carlos Antony, 172 69063 Manaus, Amazonas Brazil, S.A. April 24, 1992

Dear Friends:

Dear Friends:

Easter week is time for adult and couples retreat. The setting is a beautiful area between the Negro river and the Amazon river, with acres of grass surrounded by the Amazon forest. Despite the hard financial times, 111 adults were able to attend the event. The emphasis of the messages was, "Our mission to the world". The results were a blessing. Five were a blessing. Five adults were baptized on that Easter Sunday and plans were prepared for an adult evangelism rally

Paul Hatcher

The other blessing this month was the construction of a new mission building in the bairro of Sao Jose. Twenty-seven men from the church erected the building. The work started at 8 a.m. on Saturday and was finished for use at 4 p.m. on the same day. Wet, tired, but very joyful, the men bowed their heads to thank God for the safety of the day and dedicated the place to God, a place for people to hear about Jesus our Lord. Pray that the preachers in that mission will sow and reap abundantly, as the community hear the good news of Jesus

We pray God will richly bless you, as you share the Gospel in your place of service. We thank God for having you as a partner inn this ministry, and appreciate your prayers and financial investments.

Love.

Paul, Wanda, Leigh, Judson & Michelle Hatcher

P.S. Just before I sent this letter, our church was able to purchase another building for a mission in the Bairro of Japiim. It is a two story building. We praise the Lord for this rtunity

are showing their fruits.

Brother Jorge Dianderas reports having good services in the new Lima mission. They continue to move the pews out into the street and block off both ends of the street for every service. They have started a new mission in another part of Lima since I've been home on furlough. The problems abound in Peru but the excitement and enthusiasm about the Lord's work is really high.

Speaking of the problems in Peru, many of you have heard on the news about how the President of Peru, Alberto Fujimori, abolished the Peruvian Congress and his

own cabinet. The military backed him and the people of Peru seem to support his move. Corruption is so wide spread and deep rooted in the Peruvian way of life, especially in the political arena, that something had to be done. Even the U.S. Ambassador to Peru stated that "something had to be done." So really, we're all in a "let's wait and see" mode. I don't think this will have any effect on our ability to work. But please pray for Peru as a nation and especially for your Peruvian brothers and sisters in Christ they are suffering and need your prayers!

We thank each Pastor and church that

we thank each Pastor and church that has had us come and speak and present our work in Peru. Anita, the kids and I thank you for the love offerings given and the hospitality shown to us. You're all great! We still need CHILDREN'S CLOTHING sent to our home church in Florida for the sainte our home church in Florida for the saints there in Peru. We will be leaving around the middle of June and the clothes should be in Florida by that time. Thanks for your help.

I also want to inform you that we are also want to inform you that we are about \$3,000 short of what we need to buy the building in Lima for the new mission. Pray about this and give if the Lord lays the matter upon your heart. PLEASE REMEMBER TO INCREASE YOUR GIVING TO THE GENERAL FUND OF BAPTIST FAITH THE GENERAL FUND OF BAPTIST FAITH MISSIONS Inflation has caused the prices. MISSIONS. Inflation has caused the prices MISSIONS. Inflation has caused the prices of basic goods in Peru to go through the roof in the past two years and more support is needed! If each church would increase their giving to Baptist Faith Mission by 20% to 30% the needs of all the missionaries would be met. Pray for God to show you how and where you can give more. I know HE'LL do it! Until next month,

Dear Brethren:

The work on the pastor's house continues with two projects already finished and still one large one to go. My estimate as to the time it will take

to finish it is about three weeks with the amount of time we have to work on it each week, but all in all it is going very well. The new pastor is fitting in very well with the people and we think we got a good one for this work. I am trying to turn the work over to him little by little so that by

Bobby Creiglow

the time Brother Draper arrives he will be in complete control leaving Brother Draper free to do whatever he wants to do. Some may wonder why I am turning it over to him a little at a time since generally we do not do it in this manner. For one thing, I thought the load would be very heavy for a young man in his first pastorate in a new city while trying to get settled in. Another reason was that I thought it would be better for the church. He is coming along very well.

Our attendance has picked up once again, in fact two Sundays ago we broke our Sunday night record with seventy-four

people present and most of them were adults and young people with very few children. The attendance at our congregation in Tijucal has also been very good. Last Friday night we had a packed house. Friday before last there was one lady who made a profession of faith.

We had the privilege of having a young man from the church in Novo Diamantino in our home for two nights this week and the way he talks the church there shows some signs of things getting better. The one in charge of the work is having a hard time making a living for his family as jo are not easy to get, but he is trying. as jobs there

There were some problems between pastor and the Boa Esperance church, they seem to have been taken care of and they are back in harmony once again.

The Faith Baptist Church in Varzea Grande is still going along very well and they have about twenty-five awaiting baptism. They also have one congregation that was started eighteen months ago. That congregation already has a small church building and a house for the pastor. That church will also be starting another constitutions. church will also be starting another con-gregation in another part of town within the next few weeks.

Sunday, the 29th. At a called business meeting held after I preached Sunday morning, Asa Mark was called as pastor to take my place when we leave on furlough in July. 195 voted in favor, 4 voted against.

Tuesday, the 31st. At around midnight, we were advised of the death of Dona Estella Rocha de Oliveira, 67 years old. Some few hours earlier she had died in her sleep. She with her husband, was a charter member of the Church. She is survived by her husband, Senhor Liberato and 10 living children. Marie and I went to the home and stayed until after 1:00 a.m. Funeral services were held April 1st at the Church. Pray for her family - many of them are not saved.

Sunday, April 5th. Today on Marie's birthday I buried seven believers in baptism. Two more were received by statement. Asa Mark led us in the celebration of the Lord's Supper. Asa Mark advised the church that he was accepting the call to be pastor. We are grateful to the Lord and to pastor. We are grateful to the Lord and to his people here in Brazil and in the U.S.A. also for the many blessings received during these days when we both completed 65 vears of age.

We thank you for your past prayers and ask you to continue to pray for us and the church. We still have some 3 months to serve the Lord here before coming to the U.S.A. on furlough. Continue to give to the regular fund and as the Lord leads to one of our funds. our funds.

Once again it's time for a MS letter and what a busy month March has been. Our churches here are celebrating the beginning

churches here are celebra of classes at the Bible Institute. Monday, March 9th, we had our first class as I issued a challenge to students, teachers, pastors and several other members of the church. We only have 23 seats available have 23 seats available but have 24 students. This semester's subjects are Portuguese, English,

Bible Interpretation, the book of Genesis and Old Testament Survey. The teachers are two of our native pastors, Lucy is helping out teaching English, and Dad and I.

The Institute is sure to be a great blessing to the work here and we trust to the whole Amazon valley. We do not have classes on Wednesday so that the students may attend prayer meeting at their church-

es. Do pray for the students representing 10 of our churches and for the teachers, that all may be faithful. I am teaching 3 nights a week this semester.

We wish to express our thanks to each we wish to express our thanks to each church and to Baptist Faith Missions that contributed so that the Institute might open and start functioning in the midst of Brazil's worst economic crisis ever. Our Lord is good and works in mysterious ways! Thank you all and continue to pray and give so that this ministry may continue to be a great hlessing.

Dear Brethren:

This month has come and gone and we have enjoyed the wonderful blessings from our dear Lord.

from our dear Lord.
Fran has been improving and regaining his strength, but this afternoon he had a seizure - the first one in over a month. We are making preparations to move to Alabama the last of May. I then will mark my return to Brasil.

I have heard from George Bean

Brasil and all goes regular with our works. The building is being built at Cantanhede. Someone from New Hope Baptist Church is going to Anajatuba each weekend until they call a pastor.

I have preached two times at Valley View Baptist Church, Brother Don Prim is pastor and last Wednesday night the church voted to support our work in Brasil with one percent of their offering. God has been so good to us.

HOME MISSIONS REPORT April 29, 1992

25 00 25.00 50.00

Remember to pray regularly for our missionaries. Sometimes there are diffi-culties of which we are not aware. Case in point: Brother Reinhardt is recovering from abdominal surgery to remove and repair dead tissue from the omentum. Remember to pray for his recovery.

The work continues steadily. On Easter Sunday there were 30 in attendance. The Sunday services have ranged from 20 to 30 during the month. A gentleman named Jeff Haney, who lives near the church, made a public pro-fession of faith three weeks ago.

Twenty-two first time visitors attended during this past month. The ladies from the Bibleview congregation are now visiting each Tuesday. We should be grateful for the way the Lord is using the Reinhardts and members of the congregation in Newport to evangelize and teach an increasing number of people teach an increasing number of people.

Keep on praying. Reach out to those around you with the Gospel. Give as God enables you. "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto Him be glory in the church by Christ Jesus throughout all ages, world without end. Amen." (Ephesians 3:20-21)

We thank each one for your phone calls, letters, cards, and offerings and most of all for your prayers.

Yours To Tell the Old Story, George & June Bean

REPORT FROM THE PHILIPPINES

Dear Brother Overbey,

Dear Brother Overbey,

I think God is angry at us. I have to say, and I say this with heartaches, despite of these, our people are callous to God's message. The reason why these terrible disasters keep on pounding to us outrageously is because our people provoked God to anger. The whole country is given to idolatry. The Filipinos are very idolatrous. The day since the Aquino government took its power in 1986 and the catholics erected a giant (more than 20 feet high) statue of Mary in the busy streets of Metro
Manila, tumults and disaster keep on
coming. Then add the rampant graft and corruption in our government and the injustices being received by the poor victims of heinous crimes. And probably, one of the factors also that contributed to these problems is the laxity of the christians

christians.

The Philippines is desperately in need of a Saviour. She needs Jesus Christ and all the people should humble themselves, repent of their sins and pray, begging for God's pardon and mercy. Brethren, we need your prayers. Please pray for our country. Let us all join hands in reaching the lost before they die without hope in the everlasting fire.

May the Lord God Almighty continue and bless our efforts for His glory.
