Dear Friends,

I've been up to my old habit again of

not writing regularly to you all. I don't have any excuses, but the reason is certainly not because nothing has been going on. The Lord has been blessing us personally and also in the ministry here.

Just this past week we had another teenager to trust Jesus as his Lord

to trust desus as his Lord and Savior and we will be baptizing him next Sunday. This young fellow has been attending Bobby Wacaser our services for over a year now and finally surrendered his life to the Lord. We can also see how manufactures God's timing is also see how marvelous God's timing is. Just recently three of his aunts started attending our services because they saw such a difference in their nephew's behav-ior. (Also because of the interest another member was showing in them.) With him making this decision now we trust that this

will further encourage them to follow his

Earlier this month we held an evange listic rally. We had more people to attend than our building holds, so we held services in the basement of a large company next door. This uncomfortable situation showed us the need to either expand or move to larger accommodations. With the outrageous costs of construction and several other factors considered, we will probably be moving in the very near future.

Charlene and I have assumed the responsibility of raising a wonderful little girl! We are in the process of getting her adoption legalized, but we have already adoption legalized, but we have already been keeping her for two months. She was a year old when we got her and she is already in love with her new daddy. (With her mama too, of course, but especially with Daddy). She is so intelligent! She speaks in two languages. She says, "night, night" in English, and "yum, yum" in Portuguese. Her name is Jessica, but we call her Jessie. When we come home on furfough you'll get When we come home on furlough you'll get to meet her

Thanks for all your love, prayers and

DON'T FORGET THE WORK HORSE FUND!

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase that our missionaries might have what they need.

REMEMBER **BROTHER HOMER CRAIN**

Brother Crain had to come home recently because of heart problems. After tests and treatments he returned to Peru to continue his missionary work.

Shortly after his return the stainless steel ball in his hip came loose and tore through his muscles. The doctors got it back in place and put both legs in casts up to his hips with a bar between the two casts so they could not be moved. The casts have been taken off both legs now and he is walking with a cane.

Pray for him that the healing will go well. Also, please give a special offering to help with his extra expenses because of his heart problem and hip problem. Mark Your Offering: Crain Personal Needs.

Dear Brethren.

We began this "Mission Sheet month" with a five night revival with a different preacher each night at the 14th of Decem-

ber Baptist Church. Many visits were made in the homes of the people close to the Church. Few of those invited attended. Some 20 decisions were made in the homes and some decisions the last night at the church.

Again we must use the word "few". Few of these are attending. Pray that we'll be able to conserve the results.

Harold Bratcher

During the rest of the month I followed During the rest of the month I followed the following schedule - more or less. Mondays - "my sabbath". Tuesday, Thursdays and Fridays - teaching the Old Testament. Wednesdays - in the afternoon, visits and prayer meeting at night. Saturdays - visits and youth meetings, etc. at night. Sundays - moming and night - at the 14th of December Baptist Church preaching and teaching. and teaching.

April 30th. Arrived at the Church as usual before 8:00 a.m. Soon afterwards, I usual before 8:00 a.m. Soon afterwards, I helped carry the casket containing the body of a 14 year old boy. We brought the body from the home of his grandmother to the Church. There we held a funeral service. The cause of the death of the boy was a blow on the forehead. His mother hit him with a broom handle. The mother wept bush during the service. She is still year. much during the service. She is still very

sad and sorry. None of the family are members. Pray for them.

May 1st at around 22:00 Mrs. Johnny Harris of Mt. Morris, MI telephoned us to inform us of the home-going of her husband of many years, Mr. Ray Harris. May the Lord bless and comfort Mrs. Johnny Harris and daughters etc. and the pastor and other members of the Lake Road Reptiet Church members of the Lake Road Baptist Church where he was a faithful member.

Today it is hot! I am broken out with a heat rash and Marie and I both are suffering and scratching. Marie's body looks like she has the measles and chicken-pox combined. She has neither. I took her to a skin specialist doctor Tuesday. She will return this next Tuesday. Pray for us.

The Lord willing, we'll (Marie and I) arrive in the U.S.A. on the 19th of July. We hope to return after a year's furlough for at least another four year term. Please continue to pray for us and give to the regular fund and as the Lord leads to one of our special funds. The needs are many.

special funds. The needs are many.

A few mornings ago, Pastor Rex Hensley telephoned us to inform us of a memorial offering designated for our personal use from the family of the young man, Stephen VanTyle, of the Addyston Baptist Church. This young man was killed in a two-car head-on crash - on his side of the highway. Stephen visited Brazil with the group Stephen Bratcher brought in June of 1988. May the Lord bless and comfort all who mourn the death of this youthful but faithful servant of the Saviour. Through the offering given in his memory, "he being dead, yet speaketh."

May the Lord's richest blessings rest upon you.

Dear Brethren,

The Lord has been blessing us in a great way and I want to share some of these lessings with you.

I am not real sure about the umber of professions of number of professions of faith we have had here at First Baptist Church over the past month. The exact number is not very important, but the fact that the Holy Spirit is working constantly in our midst, is important. Besides those who have been saved, we have had 3 people come con-

Two Sundays ago I baptized 9 and there are others waiting for the next baptism service next week. Two couples have come to our church from pentecostal churches (2 different kinds). One of these couples has already been baptized 2 weeks ago. The already been baptized 2 weeks ago. The other couple is going to submit to baptism also. Our attendance has been really great, too. Last Sunday morning we had over 380 and a couple of Sundays before that we had even more. Sunday nights we have had to bring in all of our extra benches from the Sunday School rooms and the annex. The benches have been all the way to the back wall. One night we had benches in the wall. One night we had benches in the

aisles along the side walls. We haven't counted, but when the building is that full we have over 800 people. We have had we have over 800 people. We have had larger crowds on many occasions, but these have usually been for some special service. We have prayer meeting on Friday night. We sing and study for about 45 minutes then divide into small groups for prayer. Twice this month we had such big crowds and the pews were so full that it was impossible to divide into groups. God's people are praying and working. God is blessing.

I visited just one church this past month. On April 5th, Paul and I went to visit the church at Pentecostes - Igreja Batista da Biblia. They had a good crowd and are doing well. They are getting ready to build a new meeting place. This time they will be tearing down the wood frame building and putting up a brick one.

On the 12th I wanted to go to Sacado, On the 12th I wanted to go to Sacado, but all of my preachers were out on the rivers and roads. I couldn't find anyone to fill in for me. That indicates 2 things: 1. we need more preachers and 2. all the preachers we have are busy about the Lord's work. The church at Sacado - Igreja Batista da Graca, celebrated her anniversary. They are also doing well and had a great crowd. Five were saved. They are getting ready to rebuild, too. They are going to relocate on the near side of the lake.

God bless all of you and thank you for your prayers and support.

At the end of the seminar, 71 individuals indicated that they had received the Lord Jesus Christ as their personal Saviour. Pastor Miqueas Beginning Well . . . Brother Sebastiao Holds Meeting For Four Churches . . . 3 Professions of Faith . . .

by Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, Mt. Brazil, S.A. Phone 011-55-65-361-4835 May 18, 1992

Dear Brethren:

Pastor Miqueas has taken over most of the duties of the church of the Chacara dos Pinheiros and things seem to be going along pretty well with him and the church. He

and his family seem to be fitting in very well with the people. His official takeover will not official takeover will not come until Brother Drap-er returns, as Brother Draper is the official pastor. We all are look-ing forward to the Drap-ers' return and are trying to get things as ready for to get things as ready for m as we can.

Bobby Creiglow

The four churches got together and invited Sebastiao de Oliveira, who has been blind from birth, to come to Cuiaba to hold meetings in all four of our churches. Sebastiao is a soloist, having made several recordings, and has always been a blessing to our works each and every time he has been with us. Sebastiao is now pastoring a church in the State of Minas Gerais and it has been very good for him. His preaching that has always been very good has

improved very much from the last time he was with us. His knowledge on so many subjects and his vocabulary is amazing and it is a real joy to have had him in our home once again. He preached an average of four professions in Varzea Grande in a service I was not able to attend. There are so few being saved in comparison to the number that are hearing the word. Although there were not many saved, we think all the work was strengthened. Sebastiao, although he is blind, made the trip of about a thousand about that same time in the interior of the Amazonas. Since that time Brother Sebas-tiao and I have gotten together about once

nights in each church with very good attendance each night. I don't think there was a night that there were not a least was a night that there were not a least twenty lost people in the services and some nights there were over fifty lost present. I was able to attend nine of the services and I am sorry to report that there was not even one profession of faith. One little girl told me after service one night that she was trusting Christ and I think there were two professions in Verrae Grande in a service. miles each way by bus alone. He was saved in the ministry of Brother Wallace York back in 1961 and I had met him on one of the trips I made with Brother York every ten years. Although we only get together about every ten years he calls Betty and I, Mom and Dad. In His Love Bobby D. Creiglow

Meeting The People . . . Hoping to Begin Helping In the Work . . . News On the Container . . . Pray That We Learn Language Quickly . . .

by Paul Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil April 23, 1992

Dear Brethren:

Another month has come and gone and again I find myself wondering where it went. It seems like only a week ago that I sat down and wrote my last letter.

Things have really begun to settle down around here and we no longer feel so

much like strangers. The curious looks we receive around town are becom-ing noticeably less, and the friendly smiles and greetings are becoming much more abundant. The people of Cruzeiro lo Sul are very proud of

do Sul are very proud of their city and its beauty.

To most Americans this would seem like the end of the world, but to these people it is paradise. As we meet people and tell them that we live here and how much we like Cruzeiro do Sul, the barriers created by language are quickly broken down and friendships are built, or at least begun, and each of these new friendships will someday be an opportunity to present the gospel.

The work here in Cruzeiro do Sul is going great. It is exciting to be a part of it, even if only in a small way for now. I have sung at church with Mike 3 times now, twice

in English and once in Portuguese. The people seem to have enjoyed it, especially the musical instruments we were able to bring with us. There is a young couple in the church that holds Youth Night on Saturday nights, but they are having trouble with the games and activities. I'm hoping that with the use of an interpreter I can help them with the planning of the activities. I want so much to be able to do more, but can't until I learn the language better.

We received some good news about container last week. The broker who has handling the process in Manaus has already negotiated with the customs agent, even before the container arrived, and it seems that everything has been approved. We had originally heard that everything was going to have to be unloaded from the container, taken from the customers yard in trucks, and then loaded back into the container. This would have been both costly and time consuming, it also would have meant a trip to Manaus for me. But God, as always, is good! We got word two days ago that they will be able to take the container out of customs without removing any of our things. This was truly an answer to our prayers!

Please continue to pray for us, especially that we will learn Portuguese quickly. There is so much to be done here.

Travels During Furlough Have Been Encouraging . . . Thanks for Clothes For Peru . . . Still Need Help on Two Projects . . .

by Sheridan Stanton

Furlough address: 2028 Dorset Drive Lexington, Ky. 40504 Phone (606) 254-4205 May 29, 1992

Dear Friends:

One more month and we'll be headed

back to Peru. Our emotions are mixed about our return. We're anxious to get back to the work (this we really enjoy!), but not so anxious to get back into the extremely stressful way of life that Peru way of life that Peru creates these days. Our furlough this past year has been a good one: very tiring, but the fellowship and encouragement from all of the churches has been

great.

This past month of May we have been in Indiana, Tennessee, Western Kentucky and North Carolina. Today, Saturday the 29th of May, we are leaving for Detroit, Michigan. The schedule is certainly a hectic one, but again I must say it has been well worth the effort. All the churches treat us like royalty, and the positive spirit and attitudes I have witnessed in all of the churches have really been a blessing to Anita and me. Anita and me.

Most of the equipment we wanted to take back with us has been acquired, and your response to the used clothes for the Peruvian people has been phenomenal. I would appreciate some help toward the shipping of the clothes and equipment to Peru. It is going to cost about \$2,000 to get the things into Peru. Would some of you like to help on this project?

like to help on this project?

Speaking of projects, we are also short \$3,670 we need to purchase the building for our new work in Lima. We have raised \$6,330 thus far and we need \$9,000 in all. It would sure be great to be able to buy the building as soon as we arrive back in Peru. Are there any helpers on this one? Pray and give as you feel led of the Lord. I know missionaries are always asking you to give, but remember it is for the cause of Christ, and it's the biblical way for the work to be done. Help us on these projects if you can, and also please don't forget the increase your giving to the General Fund of the Baptist Faith Missions.

Pray for us as we return to Peru the

Baptist Faith Missions.

Pray for us as we return to Peru the first week of July. We must look for a house to rent, set up housekeeping, travel to lquitos several times to take care of the legalities of the shipment of clothes and equipment, get the things on a barge up the Amazon and Ucayali Rivers to Pucallpa, and from there on a truck over the Andes Mountains to Lima. A lot of stress and headaches, so pray for us as we return. Remember to pray for your brothers and sisters in the Lord down in Peru. They need your prayers. May God continue to bless each one.

Until next month,

Until next month.

Bourn, pastor; Grace Baptist Church, Holly, MI, Bob Hopkins, pastor; Muddy Ford Baptist Church, Georgetown, KY, Stanley Picklesimer, pastor; and we just returned from the Richland Baptist Church, Livermore, KY, Glen Archer, pastor. We appreciate all of these folks for having us and for the love offering. We also have received \$472 to date for the roof for the Brazilian pastor's house. Thank each of you who gave. We still need about \$350 for this. Also there has been an increase in diving to the Drager. been an increase in giving to the Drap New Work Fund for which we are thankful.

We are sorry we have had to cancel a couple of appointments and turn down some invitations. Our time is running out and we are returning about two weeks earlier than we had originally planned. Pray for us as we make adjustment to the culture. climate and country of Brazil. It took us all winter to get used to the cold. Now we dread the hot weather. HOME MISSIONS REPORT - May 30, 1992

Mission work is made of valleys and mountaintops. We enjoy the mountaintops more, but both are necessary. The ministry of the Reinhardts in Newport has had plenty of both, lately.

As we spoke on the phone, Brother Reinhardt informed me that he had just taken Tomoyuki to the airport where he departed to Japan. Tomoyuki has been one of the highlights of the past two months. He introduced himself to Dwayne Reinhardt as the presented on the sidewalk in frost of the he preached on the sidewalk in front of the church building in Newport. This young Japanese man (29 years old) was saved 3 or 4 years ago in his native country. He was led to the Lord by a neighbor lady. Tomoyuki would like to return to the United and settle in the Newport area to serve the Lord.

Have you led any of your neighbors to the Lord? Tomoyuki's neighbor probably had no idea that she would have an encouraging influence on a mission congregation halfway around the world. This young man that she led to the Lord was sent by a Japanese firm to work in the U.S. and God used him to a great encourage-ment to the Bibleview congregation and its pastor. Who knows? God might use some-one you reach halfway around the world, also. Are you reaching anyone?

You may remember the mention of Jeff Haney in last month's report. Two weeks ago on Sunday evening he made a public

profession of faith. Satan is attacking him on all sides, but he continues to grow. His unsaved sister visited for the first time last week along with her young son. She expressed interest in returning.

expressed interest in returning.

Dwayne reports that last Sunday was one of the best services ever in the congregation. A good spirit of unity was evident and each one present expressed to Brother Reinhardt how they sensed the presence of the Lord. During the last 2-1/2 months, over 30 first time visitors have attended. The Reinhardts have spent time discipling these who have been saved. discipling those who have been saved.

Brother Reinhardt continues to recover from surgery. Pray for his continued recovery, and that the Lord would meet the added financial burden that this has imposed. Because of the delay in closing, the lease payments are now \$1,200. This situation should change as soon as the mortgage agreement is finalized.

Brother Reinhardt would like to raise \$30,000 more toward church building during the next year in order to reduce financial strain in the future. \$600 is still needed for repair of their car. Pray for the Lord to give Dwayne wisdom to deal with these needs and give as God enables you.

Continue to pray for the growth of the young believers and the salvation of visitors who are not yet saved. Ask God to use you as a missionary in your sphere of life.

John Mark Hatcher

WEST INDIES MISSION REPORT

May 26, 1992

Dear Pastor and Saints.

. It (God's Word) shall not return unto me void ..." So says the prophet Isaiah.
The effectual working of God's Word has
always been our encouragement when
visible results are not present in the work of the Lord. There are no new converts to report, nor additions to the church during the first part of this year. Nevertheless, we faithfully continue the Bible study in homes, the visitation program, and children's ses. The preaching and teaching of God's Word continues faithfully and, knowing that it is not by might nor by power but by my Spirit, saith the Lord."

The graduation on May 16, was a tremendous blessing to all. Dr. Demas Brubacher delivered a power challenge to the students as well as to the church. Then there were four days of preaching, teaching on the subject "Lessons from Elijah." There were four graduates. Pray for these young people as they continue to serve the Lord.

We are desperately in NEED of helpers in our summer camp. This situation came about because Bro. Reginald Joseph has to take his family off island for health reasons, and there is no other one to direct the residential camp. Secondly, the person who was the cook got a job and cannot work any more. All this took place within the last

two weeks. Our daytime camping program seems to be on track. It all begins on June 22-26, VBS; 29 - August 1, Summer camp. Our camp is the only one in the Virgin Islands that teaches the Word of God. That is why we continue this aspect of the work, in spite of disappointments and discouragements. This is a most rewarding work.

We, at the Cruz Bay Baptist Church, NEED a musician to help us in the work here. We will provide boarding and lodging. Whether short term or a longer period, we need help!

Having heard from the men on the mission field on the other islands, God is calling out His people and building His churches. I have received a letter from Bro. Punalall. This brother needs your financial help. He is a hard working missionary of the Lord.

Thank you for your continued prayers and financial support. You, being a part of the West Indies Mission work, are a great encouragement, and an instrument of the Encouragement, and an instrument of the Lord in sustaining us and our families, and the work of the Lord. Again, we thank you. God bless you, and keep you faithful in doing His will.

Yours in Christ,

Bro. Emmanuel Jaggernauth
