Dear Brethren

On June 21, the Faith Baptist Church of Varzea Grande celebrated their four-teenth birthday and, since Betty and I were used of the Lord to start

that work back in 1978, we were invited to be with them on that Sunday night. I was asked to do the preaching and after the preaching the church gave me the honor of baptizing thir-teen people into their fellowship. Most of these were second generation converts; we having won

**Bobby Creiglo** their parents to the Lord several years ago we were working in that work

The following week we were very busy moving the Draper's furniture out of storage nto their home that had just been vacated. With the help of the brethren of the churches, we were able to get it into almost living condition by the time they arrived here on June 29. Soon after the Drapers were moved in, Betty and I started getting ready to vacate our apartment. By July 7 we were ready for the brethren to come to move us out, but we were both so sick with the flu that we told them we could not help. They told us to just rest and they would do the rest, and they did.

Yesterday, after eighteen years in Cuiaba, we told the brethren that came to the airport to see us off, "Goodbye", and we boarded the plane for Cruzeiro do Sul, where we are at the present time in the home of our son Mike. We plan to stay in Cruzeiro do Sul for perhaps the next six or eight months. eight months.

The last few weeks in Mato Grosso were spent visiting all the works where we had had the privilege of working the past eighteen years. On Saturday night, July 11, all four of the churches got together to have a farewell service for us. After a very honoring message by Brother Draper, all of the emotions accumulated over the last eighteen years were turned loose. This eighteen years were turned loose. This service was held in the Chacara dos Pinheiros Church, It was planned and carried out by Pastor Miqueias and the churches and it was an honor for us to have our part in it. That night gifts were given to us and the next day the church had lunch in the pastor's home, in our honor. The years in Mato Grosso were very rewarding and we are very thankful unto the Lord for letting us have a part in it. We ask that you might pray for us that we might know the will of the Lord for our lives for the future and then have to grace to walk in His will.

The Olympic games are being broad-cast all over the world, even in the back woods of the Amazon jungles. The world's best athletes show their skills. These skills

are the result of years of commitment to regular and to disciplined practice. The result of years of practice is a moment of glory in the Olympic games. I am reminded that Christ calls us to give our best in this life to labour for Him, only a moment compared to eternity, so we can enjoy the results for eternity. God help us to give the very best to his work.

Dear Brethren:

It just keeps getting better every day. The family is doing great, the weather has been beautiful, and God is truly blessing the work here. It is great working with Mike and his family - they have been a real blessing to us and a tremendous help.

The youth group has been steadily growing - so much that we have had to begin using other facilities besides the church. We now use an outdoor basketball court at one of the public schools located just one block from the church. It

has concrete seating for our devotions and singing and a nice tile surfaced court for the singing and a nice tile surfaced court for the activities. Two weeks ago we had over 90 young people show up on Saturday night. This past week we had a barbeque just outside of town with 58 young people and over 80 people in all. Dear Friends:

First, let me tell you that the number at the end of our address is not our phone number - it is the new mail delivery code. All addresses in Brazil are now supposed to have eight numerals. I suppose they want the postal code numbers to keep up with the inflation!

the inflation!

We returned from our trip with renewed physical and spiritual energies. It is great to retire at night hoping for the new day because there is so much you want to do not have to do. During the month of June and July there are a large number of reli-

a large number of reli-gious holidays and fes-tivals, all dedicated to popish saints of Rome. This attracts the families and especially the children and the number attending services and Bible studies decrease. There is much instability in any new work until there are adults converted. Many children trust Christ as Saviour, but their parents and godparents prohibit them from attending as soon as there is talk about baptism.

We are now having a Service for adults on Wednesday evenings. Since people are completely ignorant of the Scriptures I am studying the basics of the scriptures and with each study present the Gospel. This service is only for adults since we have two Bible Hours for children on Saturdays and Sundays. Thirty persons attended each of the first two services. Many are showing interest and hopefully many will be saved. This makes a total of six services each week, three in Comelio and three in Urai.

Last week I had the chassis repaired on the bus, which is our Rolling Chapel. There are some more repairs that have to be made as well as a new paint job. The Lord willing, it will soon be in service.

In Comelio Procopio I am having studies about Baptist faith and practice, looking forward to organizing a church in

Dear friends, our needs are great, but I am not speaking about financial needs. We need good dedicated and prepared missignaries with experience in the field of battle who are committed unconditionally to

the cause of Christ. We do not need those who have a corner on it all. We need missionaries who practice doing good, who love to be good to others, and who have learned to walk humbly with God.

Last week it was revealed that in the city of Guaratuba, of our State of Parana, a city of Guaratuba, of our State of Parana, a group of seven people, including the mayor, his wife and daughter, were guilty of sacrificing a six year old boy to the devil for the purpose of political success. Can you imagine placing a beautiful six year old child on a table and then participate in cutting him open from the top of his chest to the bottom of his belly and then in all that bloody scene have the courage to tear out his heart to offer to the devil? Yesterday, the news stated that two of the seven have confessed the kidnapping of another child confessed the kidnapping of another child who was used for the same purpose. Every "pai de santo" (black magic witch doctor), whether man or woman, must sacrifice a proper child in order to be made a witch

Is God not saying, "Whom shall I send, who will go for us?" Have we forgotten that no one can believe unless they hear? How shall they hear unless they preach, and how shall they preach unless they be sent? How beautiful are the feet of those who announce good tidings.

Are we instilling in our children the kids of desires that produce faithful servants. They hear us talking about the Piston, the Wildcats, the Buffalos, the Tigers, the Cowboys and a host of other. Do they hear us talking about the men who died for the cause of Christ? I am not referring to what they hear in the preacher's sermon. I refer to what they hear from mother and father. In a letter received from a young man it was evident that he was a sports enthusiast, but he did not know how to spell Baptist correctly.

It seems evident to me that with the lack of qualified and dedicated missionaries and with the noticeable fault of those who want to be and are preparing their lives to be missionaries, that we are planting the wrong desires in the lives of our influence. Need it be said, "Unless we are busy about the business God has given us to do, the day may be close that someone will be putting our child or grandchild upon a table and cutting his heart out to offer to satan."

Dear Brethren.

Our best news continues to be from our home church here in Cruzeiro do Sul. The attendance has continued to be up in most services. We have seen a good number of

people being saved. There have been people of all ages making professions of faith. A few of these have been people that our missionaries have worked with out in the missions. Most, however, are from right here in town. There have been people saved each week for over 2 months.

Mike Creiglow

There have been 34 Mike Creiglow professions of faith since March 15. As usual, almost all of these have been

witnessed to on a personal basis by our members. I have had great opportunities,

The building out at Pentecostes is now under construction. Over 20 of us went out to begin the work on a Saturday. Paul and I marked off the location, squared it up, set up batten boards and strings. The others took over from there. At the end of the day the foundations were in. The church there continues to do well. They continue to hold services at 2 preaching points in 2 directions along the road, too.

The first semester of classes in our school is just about over. We had a total of 24 students. We have the highest quality education in town and the lowest tuition. We are just barely making it financially, but God is providing.

Thanks to each one of you for your prayer and financial aid. May God ble each one.

Work Continues to Go Well in Cruzeiro do Sul . . . Beginning New Works at Two Places Up the Jurua River . . . Need Help to Get Boats and Supplies . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil, S.A. July 16, 1992

Dear Brethren.

All is well in the work here in Cruzeiro do Sul. More people have been saved. In fact, there were 4 more professions of faith just last Sunday. Paul and Brenda are doing great and doing a terrific job with the young

This month though, I want to tell you about the work on the upper Jurua River.

Over 40 years ago there were 2 Brazilian missionaries who paddled their dugout canoes up the river preaching from village to village. These men were both saved here and worked

falthfully their whole lives. In my time I have travelled the river in my runabout and preached the Gospel all the way to the Peruvian border. We now have more Brazilian men working in close to Cruzeiro do Sul and along some of the

There are 2 large villages that are quite a long way up river and do not have Baptist churches. These 2 villages are about to be elevated to city status. Porto Walter is about 100 miles upstream and Taumaturgo is 200 miles.

Porto Walter was completely closed to the Gospel for many years. When Brother Joseph Brandon and his group of young Christians pulled their boat up to the bank for the first time, the local priest sent a mob to greet them with machetes. They were informed that if they tried to tie up they would cut them loose.

Taumaturgo has always been open. It has been a very rough wilderness town. It is

also so far from "civilization" that it has been hard to visit. I have preached there many times.

many times.

Last week Antonio Nery, Sebastiao, Paul and I went to visit these 2 towns. The river is down (we are in the dry season), so we went in a dugout that the church just bought for this new frontier. It took us 4 days to reach Taumaturgo. There was actually quite a bit of water in the river for this time of year. Nevertheless, we still had to unload the canoe to get through the rapids near Taumaturgo.

Lord willing, Brother Antonio Nery and Brother Sebastiao will be the new genera-tion of missionaries to this section of the river and to begin the new works in these 2

I don't have space to tell you all about I don't have space to tell you all about this trip, but I must share one highlight. A few years ago I held services in a home far up river. This last trip we stopped at a small settlement to spend the night on our way back down stream. the family had moved to this new rubber plantation further down. I got to preach to them again. This time the father and most of his family were saved. There were 9 professions of faith in all. It is marvelous to see how the Lord works in His time.

time.

Please begin to pray for this new thrust of mission work on the Jurua River. The church has already bought and equipped one boat. We will need another canoe, a covered boat to carry long term supplies, and 2 small motors for the 2 missionaries. We will also be building two meeting places, with sleeping quarters. It won't be easy. River travel is tough, the villages are tough - just as hard if not harder than big cities. The financial needs will be tough, too. Please pray and please continue to give.

In Christ, **Mike Creiglow**

Speaks at Local High School . . . Roberto's Testimony . . . Report on Jessie . . .

Dear Friends,

This past month I had a very rare opportunity! I was invited to speak at a public high school about the Lord. Roberto,

a young man recently converted, attends night classes at this school. In of his written assignments he weaves in testimonies of what God is doing in his life. One day he received a little note from the teacher requesting help in her spiritual life. Roberto began sharing with her what he is learning from

his study of the Word. When he told her that his pastor is an American, she thought it would be an opportunity to have me speak to the English department. Roberto plained to her that if I were to speak at the school I would speak about the Lord. She told him that that was what she wanted to hear. I took advantage of the opportunity and made a full presentation of the gospel

to two classes. May the Lord bless his word and the seed that was planted. I also thank Him for the testimony of Roberto who lives in such a way as to stir interest in the things of the Lord.

This weekend we will be having our annual winter retreat. Last year during this retreat we had a very good response from the participants. In fact, Roberto (mentioned above), was led to the Lord during that retreat. We are praying that we will again have some fruit from this event.

In my last letter I mentioned our new In my last letter I mentioned our new little daughter, Jessie. We still don't have anything legal resolved concerning her adoption. This afternoon I will be speaking with her biological mother. She called and said that she had something serious to discuss with us. Jessie has been with us for parts than four months now. Please that more than four months now. Please pray that everything will work out for this adoption to go through. We love this little girl so much. We trust that God will do that which is for our good and His glory. "And He says that we have not because we ask not

## Graduation at Bible Institute . . . Training Workers For the Churches . . . Church Celebrates 32nd Birthday . . . by Asa Bratcher

Caixa Postal 227 Manaus, Amazonas 69011 Brasil, S.A. (011) 55-92-234-5060 July 18, 1992

Dear Brethren,

Another month of service in His Service has slipped by us. The Lord is blessing the work here, despite many difficulties (economic

difficulties (economic and others). By going to the grocery store, one can see that the prices have literally tripled in the past two weeks. The government each week is accused of new cases of wide spread corrup-tion, but His Guidance and Watch Care remain

Asa Bratcher At the beginning of this month, the family and I traveled to the interior town of Itacoatiara for the first graduation exercises of the Centro Teologico Batista de Itacoatiara, Institute level. There were 10 who graduated after com-pleting the required two and a half years of study. All 10 graduates are involved one

way or other in their local churches. They are and will continue to be a blessing in the work there.

Here in Manaus, the Centro Teologico Batista da Fe is in recess till the 2nd week of August, after completing its first semester. We had a good semester with many blessings. Over 20 students remain firm and several new ones will start in August.

and several new ones will start in August.

The first Sunday of July was my first Sunday as pastor once again at the 14th of December Baptist Church. There were 257 present in the moming. This past Sunday there were 303, and the Lord has blessed with some 10 decisions during this time. The services have been inspiring and blessed with a sweet spirit among the brethern.

Tonight the church will celebrate its 32nd anniversary. It is also Mom and Dad's farewell service as early tomorrow morning will be returning to the States on

Dear Fellow-saints:

We left Nashville at 2 p.m. on the 28th of June and arrived here in Cuiaba at 2 p.m. on the 29th. The trip was tiring but we had no great difficulties with our baggage or

documents. I did get a handbag hung up in the overhead storage and had to sweat to get it out. We also had a long night in Manaus with an eight hour layover. But all in all it was a good trip and it was great to arrive home. Brother Bob Creiglow had our beds

and appliances already set up in the house. We sure appreciated that. The church here had a special service for our arrival on Tuesday night, It was good to see everyone

Last Saturday night all of our churches in the state had a special service in honor

of Bobby and Betty Creiglow. They received a beautiful plaque recognizing their 32 years of missionary service in Brazil. Betty also received a beautiful tablecloth (handmade) and a dozen red roses. It was a beautiful service - the kind that provokes chill-bumps and tears. I had the privilege to preach the message. This past Tuesday we put them on the plane for Cruzeiro do Sul. They will be missed. We pray the Lord will yet use them greatly in his service wherever they may go. they may go.

I am back into the Portuguese lan-guage, preaching, teaching, and witnessing. Ursula and Michelle also are involved in orsula and wincrelle also are involved in visiting. Yesterday we spent the better part of the day visiting and witnessing. We plan to do it again this afternoon. Pray for us that souls will be saved. Many come to the services here who are lost, but up to now few have been saved. We are praying and waiting for the harvest.

Please note our new address above. Both numbers have been changed. May God bless all of you is our prayer.
