And, of course, if we hope to expand and increase our missionary activity, we need yet more regular monthly offerings and larger Thanksgiving offerings.

CAR FUND

Several of our missionaries will need new vehicles in 1992 for their work. These will many thousands of dollars. A good Thanksgiving Offering will be needed to get these vehicles. Pray and Give!

What Furlough Meant . . . God Blessing in Lima . . . Several Saved . . .

25th Anniversary of School . . .

by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA Call direct 011-5114-35-4953 September 28, 1992

Dear Friends:

Since we've been back in Peru, our friends keep asking, "How was your furlough?" While in the states we were always asked everywhere we went, "Are you enjoying your furlough?"

Now that I've been back in Peru, for a four months.

in Peru for a few months I've had time to reflect on our furlough. How could I possibly describe the feeling I had so many times when walking into some dear saints kitchen and finding our family

and finding our family picture hanging on the refrigerator, or walking into a pastor's office and sheridan Stanton finding our picture hanging just over his desk. When someone walks up and says, "I'm glad I finally got to meet you. I've only been saved a short time and since I've become a member of this church we're always praying for missionary Stanton and become a member of this church we're always praying for missionary Stanton, and well, I'm glad I finally get to know personally who I've been praying for." Words cannot express the joy that I felt. Knowing that so many people love you and pray for you is certainly a joyous feeling as well as a very humbling feeling. Thank you for your continued prayers. May God bless you for your faithfulness.

Here at the Jordan Mission in Lima, we've seen the Spirit of God move in just about every service so far. I've seen several trust Jesus as Lord and Savior, and so many have gotten back on the "right path".
Please remember to pray for your brothers
and sisters in Peru. Economic conditions

continue to be very harsh for everyone here We work on a very strict monthly budget. We're not able to do as much as we used to, but the work goes on, and we do what we can. The Lord continues to bless!

I've not been able to travel to Pucalipa I've not been able to travel to Pucalipa for two months and I don't have any report from Brother Daniel Gonzales from the Jordan Baptist Church out there. However, I do receive word from the School each week by phone. They inform me that all is going well as they continue to build up to the great time of celebration for the 25th anniversary of the school in November. Just think, 25 years ago the Lord placed upon Brother and Sister Del Mayfield the burden of starting the Pucallpa Baptist School, and now today, 25 years later, it is a large work and still the best school in Pucallpa. The truth of God's word continues to be taught and God continues to be glorified.

and God continues to be glorified.

Has your church given a special offering for the "STANTON NEW WORK FUND?" Remember last month I stated that if each church that I visited while on furlough would give a special offering of \$200.00 we would have enough to buy the building we are presently meeting in and have some extra to put a roof over it. If your church has already done this, then I thank you in advance and if you haven't, then you in advance and if you haven't, then won't you please consider this request? I ask that you pray and give as God leads you. This is an urgent need! ALSO PLEASE REMEMBER THE GENERAL FUND - "THE WORK HORSE FUND". It's been down some the past several months. It should be going up instead of down! But our God knows best and I pray that He will continue to bless each one as you seek His will and remain faithful to HIM.

7 Baptized at First Baptist . . . School Teacher Saved . . . Brings All Her Students to Service . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul. Acre Brazil, S.A. August 28, 1992

The Lord has continued to really bless us and the work continues to grow on all fronts. I am afraid that this letter might seem

more like a long list of activities. A long list of anything is boring. I will do my best to avoid the list. So much has been happening, so fast, that I haven't even been fishing in over a year! Those of you who know how much I like to fish will be able to appreciate this.

Mike Creiglow

More folks have been saved recently and 7 more were baptized here at First Baptist Church. The crowds are still good, right through the month of July, which is a bad month for church attendance almost any where in the world.

We have 3 of our missionaries traveling up the Jurua River right now. They are making a 20 day trip visiting as many villages between here and Taumaturgo as

Just recently, 3 of our men went back up the Valparaiso River to visit our congre-

gation at Tartaruga and the other mission points. Several more were saved. One service was extraordinary. A school teacher, who lives a 2 hour walk back from the river, came out to the river bank to wait for the preachers to come by. They preached to her right there on the river bank and she was exacted. She asked them to spend one was saved. She asked them to spend one more night at the next village so she could be in one more service. The next day she be in one more service. The next day she brought her whole group of students through the jungle to hear God's word. That same night, after services (10:00 P.M.), she walked each student back home. She didn't get back to her own house until well after midnight. Permit me to ask you, "How is Your first leve?" your first love?"

Our Christian school has been approved by the state. The school is doing well, although tight financially.

We held our summer youth camp a couple of weeks ago. We are still witness-ing "one on one" to some of the lost kids that went. Paul and Brenda have really lightened my load in a number of areas of ministry, but especially in the youth department. Paul will tell you more about these activities.

Thanks for all of your prayers and upport of all kinds. May God bless you very much.

12 Decisions During Month . . . Great Unrest in Brazil . . Pray for Brazil and The Work . . .

by Asa Bratcher

Caixa Postal 227 Manaus, Amazonas 69011 Brasil, S.A. (011) 55-92-234-5060 September 26, 1992

Dear Brethren.

The work continues here, being blessed of the Lord as we strive to faithfully serve Him. The 14th of December Baptist Church is doing well, with good attendance and a good spirit. We are constantly running be.

constantly running be-tween 280 and 340 in Sunday School, with around 300 in the even-ing services. There have been 12 decisions so far On the other side.

Brasil as a nation is not Asa Bratcher doing well at all. The impeachment process

vote of the President is scheduled for Tuesday the 29th. The newspaper today said food prices rose 75% in six days. The municipal elections are scheduled for next Saturday and the main topic of conversation of the people is corruption at all levels. Do pray for the country of Brasil and pray for the missionaries, because especially now the Brazilians need the Lord and the simple message "Cristo A Unica Soluqad." (Christ the only solution!)

The classes at the Institute are doing fine and the students seem to be growing spiritually each week.

This past week our water tank burst and the back wall fell down, but His Grace is sufficient. Lucy and the girls send their love and regards.

Six Months In Brazil . . . Olympiad a Great Success . . . Report on Summer Camp . . .

by Paul Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil September, 1992

Dear Brethren:

Greetings to you all from the Creiglows. It's hard to believe, but we have been in Brazil for 6 months now. The time has flown by and it seems like only yesterday that we arrived. God has blessed us beyond

belief and Brenda and I can honestly say that we have never been hap pier.

The family is doing great. The kids are now speaking and under-standing Portuguese standing better than Brenda and I. Joey is beginning to repeat everything he

repeat everything he hears, both English and Portuguese. Naturally he mixes the two together (Mike's daughter Monica calls it "Portugles"), which makes it even harder for us to understand him.

Last month I told you about the beginning of our Olympiad. We had 54 young people participate and it turned out to be a great success. It lasted for two weeks with 16 different events for both boys and girls. We had track events, swimming and team sports. We even had a triathalon and team sports. We even had a triathalon which included swimming across the Jurua River, a run through town, and than an 8 km bicycle race. The kids were very competitive - one boy rode his bike so hard he burned the bearings out in the back wheel!

He ran with the bike the rest of the race and He ran with the bike the rest of the race and still managed to come in 4th place. The last night of the Olympiad we had an awards ceremony at the church. We gave out 174 ribbons for 1st, 2nd and 3rd place in each event; and we also had gold, silver and bronze medals for each member of the winning teams. The young people are already asking if we are going to have it again next year.

Last week was summer camp. I'm not re who had more fun, us or the kids. We sure who had more fun, us or the kids. We had about 45 young people go and 3 young married couples. Mike taught from Romans 10 and challenged those who were already saved to be more diligent in their witness for Christ; and at the same time he presented the gospel to the lost. There were no professions of faith made at camp, but the seeds were planted in their hearts. Please pray for these young people that they may yet receive Christ as their Savior.

We are now planning a couples retreat for next month. Mike will be going to the states soon, so I will be trying to run this one on my own. My uncle Bob and aunt Betty arrived in town last month and we are betty arrived in lowin last month and we are really excited about having them here. I am looking forward to working with them and I have already recruited my uncle to do the teaching at retreat. I'm sure that with the Lord's help we'll make a great team.

Thank you for your faithful prayers and support.

> Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil S.A. September 20, 1992

How time flies. I'll be 50 years old in two more days. The Lord has been extreme ly good to me during every one of these 50 years. We are thankful that we have had

years. We are thankful to about 25 years of service in the Lord's work with 15 of these being in Brazil. We hope to have another 15 or so in

I am working in 3 of the 6 works we have in this area at the present me. One of the Brazilian pastors is on a trip for this month and I am

for this month and I am Hardin Draper filling in for him at the Boa Esperanca church on Wednesday nights and the evening service on Sunday. I am doing the preaching at the preaching point in Tijucal and teaching Sunday School in the adult class at the Chacaro dos Pinheiros church. Also I am preaching there in the Sunday morning service. We are being able to send a young preacher to the Novo Diamantino

work each week. I will go up there myself during the month of October. The church in Varzea Grande has two young preachers who are interested in going up there to live and pastor the church. Either one will need a lot of support, both financial and prayer. Please support the Work Horse Fund so we will have the means to keep these works going. They are in a critical stage. Also we need help as we stated in our last letter. We need steady support in the Draper Work Fund so that we can make the payment on our loan for the new building purchased.

We had one saved at the Chacara dos Pinheiros with 3 more awaiting Scriptural baptism. Also we have 6 believers from other Baptist churches who are visiting regularly our services in this work. We are hoping they will join the church soon. All noping they will join the church soon. All services in the 3 organized churches here in the city are having a crowd on Sunday nights. Many lost people hear the gospel every week. Pray with us that the Lord will save souls according to His divine will.

Pray for us. May the Lord bless each church and individual there.

Settled In at Cruzeiro do Sul . . . Visit Work at Lagoinho . . . Two Professions of Faith . . .

by Bobby Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, AC Brasil, S.A. September 15, 1992

Dear Brethren:

Two months have passed since I wrote my last Mission Sheet letter and since that time we have rented a house. We have borrowed furniture from the other two

missionary families along with some things from the church and after buying a few things we are moved in and just about settled down and ready to go to work. Mike has also loaned us his Jeep to use while we are here and although it is not like our car we had in Culaba it is much better than climbing these hills on foot. The house we rented is about four blocks and three hills from Mike's, Paul's

and the church.

Soon after we arrived, the other two families left with the young people of the church for a weekend retreat leaving the church with me. They had a very good retreat and I enjoyed preaching at the church. In the morning service there were around 350 people present and at night there were between 500 and 600, with a man and his wife presenting themselves for

Last Sunday night Paul Creiglow, his two oldest boys and I visited the church at Lagoinho and since there was no way to cross the Jeep back across the river at night, we stayed at the camp where the

retreat was held that night and came home the next day. The church was having a weekend meeting and I was the evangelist for the last night. There were not as many present as I expected, but they still had a good crowd. People were just starting to move into that area when I left here 19 move into that area when I left here 19 years ago and now there is a good Baptist church there with a large brick church building that they themselves built. Everywhere I go and almost every day someone comes up to me and asks me if I remember them and most of the time I do not, either because they were just kids when I left here to the community of the present them and most of the second that the second is the second that the second is a solution and the second in the seco or they are much older and I just do not

Mike left two weeks ago taking Monica to the States to enter college. I asked him to leave the church in the hands of one of the leave the church in the hands of one of the Brazilian brethren and I would help him in any way he asked me. I am doing a little over half of the preaching. Thus far the attendance has held up pretty good and one Sunday night we had two professions of faith. When Mike left he gave Paul and I a 'List of Things' we could do if we got around to them. Although he said he would be back the first or November, when I look at the list I don't think he plans to get back until next year some time, but we are until next year some time, but we are expecting him back in November anyway.

Betty and I have both had some health problems since we got here, but are about back to normal now and are enjoying being here. Pray for us that we will be faithful to

Joy of Interceding . . . 300 Homes Visited & Plans For More . . . Dear Friends: Today has been a rainy day. It is

Monday and we have not been out of the house. That is nice for a change and a quiet way to celebrate Alta's birthday. However, tomorrow if it does not rain, I am taking Alta out for dinner in Lon-drina. This city is about 40 miles away and I have to go there each month to exchange Thanks to the Lord.

we have had a good month. On the 5th of September there was an all day worker's meeting in Garca. The leaders

in Garca. The leaders work missions were present and each gave a report of their work. Odali was the coordinator of the meeting. Brother Wacaser and I were the visiting preachers. God has certainly blessed over the years and the work has many good workers.

Another new project realized this month was the beginning of a homiletic

course by correspondence. There are 20

Here in Urai the work is progressing slowly. We are keeping at the job and discovering everyday that the Lord wins the battles for us. It is great to discover that as we get older the Lord undertakes and fights we get older the Lord undertakes and fights for us as we pray and trust. The joy of interceding is becoming a reality in my life. I have a list of four pages for whom and for which I pray every day. I pray daily for the people in Israel, Holland, Egypt, France, Japan, United States, England and Wales. Many for whom I pray I will never see on earth, but we will meet in heaven.

New people are coming to services, new doors are opening and our outreach is increasing. This week 300 homes were visited in Cornelio. The Lord willing, next week we will visit 500. Our average of visits in the coming months should be between 500-600 each week.

The building in Marilia is nearing completion, and is already being used. Last Sunday there were 50 in Sunday School in Marilia.

Pray for us.

Dear Friends,

The results of our winter retreat were so positive that we had requests to have another one. Several young men made a commitment to begin new visitation ministries

in the surrounding neighborhoods. They neighborhoods. I ney have expressed a re-newed zeal in serving God by winning more people to Christ.

In the midst of the good news comes a little sad news also. There

families and friends

At the beginning of the month we icipated in a church worker's conference held by Brother Odali Barros in Sao Paulo, the next state to the north of us. We were

privileged to visit and travel with Brother and Sister John Hatcher on our way to this conference. The reports from the various and the message by Brother Hatcher served to encourage us even more in our own ministries. We discussed some ideas that may enable us as missionaries to work together (though separated by several hundred miles), pooling our resources to more effectively reach new areas with the Gospel! The young people from our Training Center are progressively assuming leadership positions in the diverse projects in operation. Consequently, our Bible clubs are growing steadily. Several of these youth have formed an evangelistic band in order to reach other young people who wouldn't to reach other young people who wouldn't ordinarily go to church. One young man shared with me the news that another turned his life over to Christ this past week. The young minister plans to begin discipleship lessons with this new convert immediately. I'll share the report of progress as it

Pray for these young folks and us as you think of us. May the Lord bless you for your faithful prayers and support

"In due season we will reap if we faint not." Brother Reinhardt reports that more results have been evident in the Newport Mission. They now have 25 members and the average attendance is about the same. Last week a new family joined. Another lady who has been saved but never baptized is attending and believes the Bibleview Baptist is the answer to her prayers.

Tomoyuki, the Japanese believer that we mentioned a couple of times in the past, is back temporarily in the U.S. It appears that the Lord may be opening a door for him to work with an American company in the Cincinnati area. He has quite an encouragement to e. The Lord used Tomoyuki to Dwayne. provide some needed office equipment for the work as a donation from the company where he had been previously employed in Cincinnati.

A couple who had joined the work last year but moved away for a job, has now returned and are again faithfully

involved in the work. There continue to be a number of first time visitors.

As the New Testament teaches, we As the New Testament teaches, we should see apparent difficulties as blessings in disguise. Recently, while the Reinhardts were out of town, someone attempted to break into the building and in the process jammed all of the door locks. Brother Herb Clark, a preacher who is a member at First Baptist in Alexandria, was to lead the Wednesday night service. He and the locked-out congregation met on the front steps. The temporary difficulty provided an excellent opportunity to be a witness to the neighbors.

Brother Dwayne Reinhardt is rejoicing in these spiritual and other physical and financial blessings that the Lord has provided. Your gifts and prayers make you co-laborers in this work.
