A SPECIAL REQUEST

Would each church take a Thanksgiving Offering for our missionaries?

Whether big or small, all would be greatly appreciated.

Perhaps you have said we are going to do it sometime.

Why not begin this year??

We have never had 100% participation of our supporters, but

we would like to have it this year.

The offerings are greatly needed.

Please pray that God would enable and then Give!

THANKSGIVING OFFERING

The regular readers of the Mission Sheets know our monthly offerings do not cover our missionaries' salaries and expenses. WE NEED THE SPECIAL THANKSGIVING OFFERING IN ORDER TO SUSTAIN OUR MONTHLY MISSIONARY MINISTRIES AND ACTIVITIES. And, of course, if we hope to expand and increase our missionary activity, we need yet more regular monthly offerings and larger Thanksgiving offerings.

THE 1993 WINTER MISSION CONFERENCE

in behalf of Baptist Faith Missions Orlando, Florida, at Park Ridge Baptist Church Sunday - Wednesday, January 17-20

Each supporting church of B.F.M. is encouraged to send their pastor and his wife to the Winter Mission Conference. This year's conference theme is on Prophecy. There will be sixteen speakers preaching Prophecy messages. There will be a Ladies Seminar conducted by Lois Whaley from Winston Salem, North Carolina, and a Financial Seminar conducted by James Miller from Knoxville, Tennessee.

Your pastor and his wife would thoroughly enjoy the opportunity to take a few days off to thaw out and refresh themselves in the Sunshine State of Florida. Your pastor and his wife can get a motel room for less than \$30 per night. Their meals will be provided: Monday, January 18, supper; Tuesday and Wednesday, January 19-20, - breakfast, lunch and supper. Give your pastor an extra \$200 so he can take his wife to one of the Orlando attractions. Let them feel like kids again. They will come back to you refreshed.

To help Park Ridge Baptist Church have some idea of the number of people to provide food for, please let them know who many are coming from your church to the Winter Conference.

Dear Brethren:

I'm sorry that we did not get a news letter in last month. October 14th I was scheduled to have a total hip reconstruction but, due to heart conditions that developed, I was taken to Harper Hospital for by-pass surgery. They did four by-passes on the 8th of October and I came home on Wednesday, October 14th. The operation went well and I'm now recuperating at the home of my daughter and son-in-law, Russ & Nora Austin, in Redford, MI. I had to cancel some preaching engagements during the month of October 'm now scheduled for the hip reconstruction February 14, 1993.

On November 15 I'm to preach the first time since heart surgery. I'll be preaching at the Twelve Ryan Baptist Church dedication of their new fellowship hall. I'm also scheduled to preach Tuesday night at the Thanksgiving Conference at New Hope Baptist Church in Dearborn, MI.

If we are able, we'll be going to the organization of the work in Manchester, KY, Brother Roy Humble, pastor, Then December 13 we will be back in Michigan. Continue to pray that my strength will return soon and I will have a complete recovery from the heart surgery. Thank you for the cards, telephone calls, visits and especially your prayers during this time

News from Peru: three new missions have been started since our return to the States. Please remember the Work Horse Fund.

Working on School ... Working on Foundation of Rio Branco Building... Pray for Language Study ...

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil October 15, 1992

Dear Brethren:

We resumed construction on the school last month and it's been very educational. The method of construction and types of materials used here are completely different than what we use in the States. We hope to have the walls completed and the sub-floor in before the rainy season starts. Our goal is to have the building finished for the new school year, which begins in February.

The first week of this month we flew to Rio Brancotobegin construction on the new church building and it was both frustrating and encouraging at the same time. The people in the church there know nothing about construction so they were unable to make any preparations for materials or labor before we arrived. And even though we were not able to get as much work done as we had hoped, we did manage to get the building site laid out and most of the digging for the foundation completed. They have now hired a brick layer and he will begin putting in the foundation next week. We plan to goback again next month to help them with the subfloor. While we were there, we had a great time of fellowship with the people. They

able to pick up some things that we can't get here in Cruzeiro do Sul. When I wrote to you last, I told you of our plansfor a couples retreat. We had about 10 couples interested in going, but we had to cancel the camp because of a lack of water. Mike had the pond dredged in August and they drained it in the process and, with the lack of rain, the spring that feeds it hadn't replaced the lost water. So, we had no place to bathe or wash dishes or even enough water for drinking water. We will have to wait now until after the rainy season to hold camp. Perhaps by then we'll have even more couples interested in going.

Please continue to pray for our language study. It gets very discouraging at times. I want to be able to do more, but without the language it is very difficult.

Worst Recession in History of Brazil ...

4 Saved at Chacara . . . Begin Services in New Building ... by Harold Draper

> Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. October 19, 1992

Dear Fellow-saints:

We have had a good month here in Cuiaba The weather is extremely hot, with temperatures in the 100's almost every day. Our rain has started early this year which gives short periods of relief. Ursula sure has a hard time hen it gets this hot. Pray for her that she will be able to hold up during this hottest part of the year. We have plans to move up to the "Chapada" in a couple more years. We will be about 50 minutes from the center of Cuiaba but almost a half-mile higher in elevation with a much more refreshing climate. Those are ourplans if the Lordpermits. We have learned not to make too many definite plans for the future. Brazil is in the worst recession it has been in in its history Many people are going hungry and many are unemployed. It's not as bad here in Cuiaba as in the industry-dependent regions, but it is bad here too. We hope the Lord will bless the leaders of this great nation and give them the capacity to lead. Most of all Brazil needs the power of the gospel to work in her midst. Sin soopen here and few seem to be interested in the things of the Lord.

We had 4 saved at the Chacara work. Also we had two ask for baptism. Two were reinstated who had been disciplined. Our Brazilian worker at the Chacara is continuing to do a good job. We hope he will be able to be on his own before too long. We had our first service in our newly purchased building last week. We will send some pictures of this service in our next mission letter. We are blessed with a good building in a great loca-tion. At today's prices, it is impossible to think about building, but property already constructed is cheap due to the economic situation.

We have repaired the roof at the parsonage at the Chacara work. We didn't completely redoit due to ourplan to build another bedroom onto it after the first of the year. At that time we will give it a complete going over. I am including this in order to inform those who gave toward this. We appreciate your faithful support. Pray for us as we try to serve the Lord

New Sense of Hope in People Costs Are Very High... **Some Missionaries Have to** Leave Because of Costs..

Pray and Give to Thanksgiving Offering ... by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA Call direct 011-5114-35-4953 October 30, 1992

Dear Friends:

There is a new sense of "hope" in the eople of Peru. It is like a fresh breeze blowing across the country. Peru has had a decade of unbridled terrorism, with 25,000 murders and incalculable damage. The leader of the terrorists has been captured and given life imprisonment - with no chance, ever, for parole. Not only has he been captured, but also the major-ity of those who served under him. Every day here in Peruthey are capturing more and more of the terrorist "cells". These subversives have plagued this country for more than eleven

Last year the President of Peru, Albert Fujimori, abolished the entire congressional system here in this country. He had the popular support of the people and the military to back him up. He began of process of "moralization" and "house cleaning". Corruption is still here, at all levels, but its ugly head is not as visible as before.

Now, nearly a year later, President Fujimori has given the "green light" for electing a new Congress. Democracy should be restored by the end of November. Those running for office are "new faces" in the realm of Peruvian politics. Peruvians take their politics seriously; they always have. Now that the system has been completed renovated, the excitement and anticipation is greater than ever.

Peru still has another, seemingly unsurmountable problem to overcome; the economy. It's worse than we've ever seen it. Commodities here cost us about twice as much as you pay there in the States. Many missionary families have left because of in-

sufficient support. We've considered leaving Perufor the same reason, but have decided to wait and see if the offerings go up this year. There is no quick cure for the economy. If it does get better, it will be a long slow proce However, things seem to be stabilizing some, and this is a good sign.

Why has God allowed Peru to have this "refreshing breeze of hope"? I believe it's because of the prayers of the saints. I know that many of you have been praying for your Peruvian brothers and sisters in Christ. The saints here in Peru have been praying fervently as well. Let's not stop now. Keep praying, please, for the Saints of God, here in Peru. ne very obvious changes have taken place, but there is so much more that needs to inge

Are you praying for the Thanks giving Conference? Are you praying that the offering will be the biggest ever? Are you praying about your church increasing its regular monthly giving to Baptist Faith Missions? Will you personally be giving more this year to mis-sions through your church? I trust that you are praying and planning for these things. I know there is a recession in the States. I know that everyone is preoccupied with the Presidential elections. But let us not take our eyes off of the Lord. The work of the Lord must always go forward. We must not let it grow stagnant.

God provides for the missionaries of Baptist Faith Mission through your giving. So, again, please give more this year to the Gen-eral Fund of Baptist Faith Mission. We desperately need it! Please give to the Stanton New Work Fund, so that we can buy the property for the mission here in Lima and put a roof over it. Let us not grow weary in "well doing"!

Attendance Down in Rainy Season... Begin New Building in Rio Branco... Preparing Classroom for School... by Bobby Creialow

> Caixa Postal 24 69980 Cruzeiro do Sul, AC Brasil, S.A. October 12, 1992

DearBrethren:

The work here in Cruzeiro do Sul is going along about as usual but, as it always is when the pastor leaves for a long period of time, the attendance falls off some. It is a little hard to tell whether that is the case or if it is because the rains have started making it hard for some of the people to get to church. Last Sunday night it rained right up until time for services to start and there were only about one hundred in attendance. That was adrop of about four or five hundred from a normal crowd, but we did have good services anyway. I am scheduled to do most of the preaching the rest of this month.

We received a phone call from the church in RioBrancothat they were ready to start their building. It was planned for Mike to go there to help them get started, but since they did not get ready before he left for the States, he asked Paul and I to go there to take care of it. We arrived there on a Friday morning and got started right away, but I have never tried to work with anyone in a building project that knew less about building than they, so needless to say, we got almost nothing done in the

week we were there. We did manage to get two trees and a large stump removed, the building laid out and most of the trenches dug for the foundation. We left them with instructions of how to carry it on from there and promised to return at a later date to help them with another phase of it. Paul's wife, Brenda, and mine arrived on Tuesday to spend acouple of days shopping for some things that we cannot get here in Cruzeiro do Sul. They had a great time shopping with the pastor's wife and are already looking forward to the next time. Although I had some things I wanted to do as soon as I gotbackon Friday morning, I was soo tired that I slept most of the rest of the day. By the next morning I was back into the swing of things again.

Paul and I are now trying to get one classroom ready for school when it opens again next February. We still have a long way to go, but we are working on it. Perhaps when Mike gets back we will have more time. We are all looking forward to his return. Pray for us that we might always be found doing His will.

Brother Julio Called to Anajatuba... Report on Fran... Need Special Prayer...

by George Bean

Route One, Box 252 BB Hollywood, AL 35752 October 21, 1992

DearBrethren:

I have heard from Brasil and all is well there. The church at Anajatuba called Brother Julio as pastor and he has probably already moved.

Fran is probably in his last days. He is confused, cannot talk where we can understand him, cannot even turn over in bed by himself. Last Thursday we thought he was going to die. He called me at least twenty

times to have prayer with him. He is wanting to die. Fran made a profession of faith at a very young age. He didbackslide, but during this he has gotten right with the Lord and tells us he is ready to go. This is extremely hard on June. We give him 24 hour supervision. May God bless all. Pray for us.

1,500 Visits During the Past Month ... Put Out Book ... Prepare for Teaching in Manaus and Garca... Pray for More Workers...

by John Hatcher Caixa Postal 112 Urai, Parana, Brazil 86280-000 October, 1992

Dear Friends:

It is a beautiful afternoon here in Urai. Alta and I are working hard and it seems as if the trauma of moving to and beginning work in a newplace has been overcome. This month we visited from house to house every Thursday moming in Cornelio Procopio. There are seven other persons who also are visiting from house to house on Thursdays and Sundays. This past month 1,500 visits were made. This month we are printing 2,000 papers for distribution. These are not passed out on the street, but to adults in their homes. There have been other activities also.

Alta wrote and I composed and printed her book on "Depression: Its Causes and Its Cure", in the Portuguese language, naturally. We are preparing lectures for seven sessions at the adult camp conference in Manaus, October 31 to November 2. I have corrected several papers of a Seminary extension correspon-

dence course. On Monday, October 21, we will go to Garca for a special class in the Seminary and for meetings with students of the correspondence course.

Regular services continue in the city of Urai and the city of Cornelio, making a total of six services each week. The attendance varies from six persons to twenty-five, with the most regular attendance in Cornelio. God continues to open doors for personal witnessing everywhere we go. Surely, he has "much people" in these cities. But, what of the dozens of other cities around us where there is no Baptist work. Where are the labourers? Who will go? Who will give that labourers can go? God, send us qualified and experienced men who will give their lives in a country with doors open wide to reach 150 million people, is my daily prayer. Will you pray with me?

Spiritual Retreat at Tabernacle Baptist Church ... Pray for Laborers ... Doors are Open ...

by Paul Hatcher

Av. J Carlos Antony, 172 Manaus, Amazonas 69.000 Brazil October 30, 1992

Dear Friends:

The celebration of Memorial Day in Brazil is November 2nd. The celebration is centered aroundburning candles to light the way for the dead. The holiday is also the date of the adult spiritual retreat here at Tabernacle Baptist Church. The guest speakers are Dr. and Mrs. John A. Hatcher, who are serving in South Brazilin the state of Parana. We are enjoying my parents visit, and are sure to be blessed by the teaching during camp.

The people, as in the world, have no hope without Christ as their Lord and Saviour. Pray with us that our heavenly Father will raise up

laborers for the fields that are ripe to harvest. Pray also that God give us wisdom on how to effectively reach out to the people of Brazil.

The nation continues at a shaky pace in their politics, economy and, most of all, their spiritual direction. The doors are open to the gospel, so let us invest in making friends with the earthly possessions God has given to each.

Thank you for your prayers and faithful support.

God bless you, Paul, Wanda, Leigh Judson & Michelle Hatcher

HOME MISSION REPORT November 6, 1992

100.00

The Lord continues to bless the work in Newport. A number of first time visitors have attended since our last report. Two adult believers have joined and another one has been baptized. The one baptized was Tomoyuki, the Japanese believer that we had mentioned in former reports.

Tomoyuki has been accepted to Northern Kentucky University. This will enable himto live here in the area. Before Tornoyuki returned, he spent a month in the Reinhardt's home. During this period Dwayne had the opportunity to teach and disciple Tornoyuki. Just before Tornoyuki left, he professed his faith in baptism. This has been very encouraging.

A good youth meeting was held at the end of October, with about 20 present. The Lord has also opened up some doors to families that had rejected the gospel
