Remember Founders Month

It's not to late to send an offering!!

FOUNDERS MONTH

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember this.

We call June FOUNDERS MONTH. About the middle of the year our offerings go down some, but the expenses of our missionaries go right on. During Founders Month, we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump.

We would appreciate it if during June, one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to

*Yes, I will pray for
Cornelio Procopio for 30 days.*

Three other persons who help regularly were not present. These make a total of 120 hours of visits each month.

Mission Study - Hardshellism

By John Hatcher

It must be pointed out that the doctrine of Hardshellism -- that men can be saved without hearing the Gospel, is an attempt to thwart God's plan. It is an attempt to destroy God's plan of redeeming the elect. Satan's plans are always for the same purpose -- to destroy God and His purpose. Hardshellism declares, "If they are elect, they never were anything but saved, and so, there is no need of preaching the Gospel." Such a teaching will send men to hell. Someone replies, "If they are elect, they will not go to hell." So, such ones use all manner of excuses in an attempt to relieve themselves of witnessing, giving and sending the Gospel. . .

Let us examine the Great Commission from the standpoint of who is involved in that great plan. Notice in verses 19 and 20 of Matthew 28. "In the name of the Father and the Son and the Holy Spirit." That is the name in which mission work is to be done. Going to the book of Ephesians, you will find the first chapter divided thus: God the Father predestinating, choosing, and

foreordaining. The work of the Son in the shedding of His blood and the purchasing of His people. It then goes right to the work of the Spirit in the sealing, preserving and keeping. You can not separate them. God the Father, the architect. God the Son -- Jesus, the builder, "I am the way." The Holy Spirit -- who makes effectual the work of Christ in our lives and in the lives of those to whom we preach. It is a marvellous thing! You can not separate missions from the Triune God. . .

Isn't it an amazing thing that God has taken depraved individuals who have been saved though really deserving hell and He says, "I will make you co-laborers with me." Marvellous, isn't it? It ought to make us raise up on our two legs and be like men to get the job done. It is a marvellous thing to be able to work with God.

I remember when I was back home on the farm, I liked to work with my mother. We raised a lot of truck stuff - tomatoes, lima beans, pole limas, potatoes, cabbage, carrots and other kinds of produce. You know that stuff has to be

Pray for Cornelio Procopio for 30 Days . . . Blessing of Many Cards . . . Three Baptized at Galia . . .

Dear Friends:

It was worth getting older just to receive the many cards and notes from so many of you. Not only I enjoyed them, but Alta also. We read and re-read them. But best of all is to see your signature or signatures at the end of the card. The kind words of love and encouragement seem so warm as we envision your faces.

Now, right here in the beginning of this letter, I am going to ask you to make a serious commitment to pray with us every day for one month. First, if you make this commitment you need to make sure you do not miss a day. The way I do not forget is to not only write it on my mind and heart, I write it on paper and put it where I will encounter it every day. Writing it down is God's method. That is why we have the Bible. Put the written reminder on the table where you eat, by the coffee pot or coffee maker, on the frig door, in the shoes you use every day, just any place where you will be reminded to pray. Now here is what I ask: Pray that God will begin to work in a special way to bring sinners to repentance in the city of Cornelio Procopio. This is a big city with 70,000 inhabitants. Our work has been here for ten years with very little success. We are visiting 3,500 homes each month. There are eight people engaged in this work. PRAY THAT

GOD WILL BRING CONVICTION OF SIN AND THE NEED TO BE SAVED OVER THIS CITY IN THE HOMES WHERE THE WORD OF GOD IS BEING SOWED. PLEASE BATTLE WITH US BY PRAYING. WILL YOU PRAY WITH US EVERY DAY FOR ONE MONTH? If the walls of Jericho fell by the power of God when the Israelites were committed to obedience and 185,000 Assyrians were killed by God's power in one night when Hezekiah believed God, then it seems reasonable that God will give us victories if we ask for them. We pray for the world in general, but no place in particular. At the end of the month (from the time you receive the mission sheet with this letter) certainly God will have heard our prayers and I will write and tell you what He did for us.

I baptized three persons in the Galia Baptist Church, two men and a lad.

During the month we were able to visit with Pennie and David for four days at a missionary conference in the State of Sao Paulo.

There were eight days of visitation, and 32 regular services conducted during the month.

Dear Brethren:

The Psalmist prayed: "So teach us to number our days, that we may apply our hearts unto wisdom." Psalm 90:12.

On Sunday morning, April 25, I began a revival meeting at the Bethlehem Baptist Church near Richmond, KY. Brother Neal Prather is the pastor. The meeting continued until Friday night, the 30th.

The next Sunday morning, I preached at the Logana Baptist Church near Nicholasville, KY where Samuel A. Jones is pastor. Sunday morning, May 9, Marie and I visited and I preached at the Elk Lick Baptist Church, Booneville, KY where Brother Charley Wilson is the pastor. That night I showed the slides and preached at the Faith Baptist Church where Bobby Lakes is the pastor. On Wednesday night, May 12, through Sunday night, May 16, I was the evangelist during the revival services at the Pleasant Ridge Baptist Church, Lexington, KY with Pastor Earl Thomas. On Wednesday night, May 19, I preached and showed the slides at the Calvary Baptist Church, West Irvine, KY where Max A. Hester is the pastor.

Last Sunday morning I first showed the slides and then preached at the morning worship services at the East Main Baptist Church, Niles, IL where Louis A. Maple is the pastor. The song leader and the piano player, Brother and Mrs. Stanley Keyes, entertained us in their home. Last night, Marie and I visited and I preached at the Kirksville Baptist Church near Richmond, KY where Brian Malcolm is the pastor.

Before you read the rest of our letter, please read James 4:13-17. "If the Lord will" we will arrive back in Manaus, Amazonas, Brasil, South America at 1:00 a.m. on the 20th of July. We need your prayers as there are some who will grieve as we go and we will grieve as we go. We thank you dear saints of God for your prayers and thank you for giving to the Lord. We are so glad that you gave. Your offerings make it possible for us to return to Brazil.

May the Lord bless you is our prayer.

Yours in His Service,
Harold & Marie Bratcher

Report on June's Health ... Start Work at Sao Mateus ... One Called to Preach ...

Dear Brethren:

June has been to see a doctor and has had 10 heat treatments and she is no better. She has gone to see a neurosurgeon, and she gets a C T scan tomorrow. If she needs an operation she will return to the States to have it done. The skin cancer on her nose seems to be growing.

I have been busy this month - we have started a work in São Mateus which is 120 miles south of São Luis. We have been there for four Sundays. We leave home at six a.m. and get there for Sunday School with the children. We eat lunch somewhere and then rest for a little while and then go out passing out tracts and inviting people for our Sunday night services. We get home around 11 p.m.

I have bought a house in South São Luis, a place called Villa Rioud. It is land given by the government for the poor to build their houses on. We are fixing up the house and it should be ready in about two weeks. The

song leaders from New Hope Baptist Church is helping me on this house and he told me the other day that he is called to preach and wants to be the mission pastor. Thank God! He is still calling men to preach the Gospel. We now have three projects going and it is hard to have money to keep these going. We need your help, prayers and your special offerings.

The women from New Hope Baptist Church hosted a meeting with the women from the Baptist Churches from our group. They served supper. June taught about the work which women have and the privilege they have to do it in the Baptist Churches. There were 43 present. I can remember when there was just June. God has blessed the work here in São Luis and Maranhão.

Brother Julio was ordained as pastor of Anajatuba Baptist Church on April 17th. He gave a good report on the questions asked him.

May God bless all and pray for us and give as God provides.

Yours To Tell the Old Story,
George & June Bean

Preparing Lessons in Portuguese is Slow ... Two More Saved ... The School Situation ...

by Paul Creiglow

Caixa Postal 24 69980
Cruzeiro do Sul, Acre, Brazil
April 22, 1993

Dear Brethren:

Things continue to progress here in our ministry, although sometimes it seems to be a slow progression. I must keep reminding myself that things will happen in the Lord's good time, not mine.

Much of my time this last month has been spent in studying Portuguese and preparing lessons. It's still a slow process for me, writing everything out in Portuguese is very time consuming. I am working on the material to start a "one on one" discipleship program for the young people. There is a man in Rio Branco that has "the Survival Kit of New Christians" in Portuguese. This is an eleven week program of daily devotions to help prepare and equip new Christians. I am preparing a handbook for the guides to use, along with the "Survival Kit", with the new Christians. My goal is to have every new believer disciplined, and taught to be a "guide" so that they may then disciple another new believer. Pray for this new ministry; I believe it is very important of the spiritual growth of my young people.

Youth activities continue to be going great. We had 2 more young people make professions of faith this month and others requesting baptism. We averaged over 50 people in our Saturday night meetings this

last month and we have new visitors almost every week. I have another man in the church working with me now and that is really helping. He plays guitar, helps with the devotions, and best of all ... he speaks Portuguese! I can tell him what I need and he can communicate it to the teens much better than I can. Continue to pray for my young people; we are seeing the results of your prayers more every month.

The school is functioning fine and yet there are still some things that need to be finished on the building, and we will need another wing built for the next school year. Public education in Cruzeiro do Sul is getting worse instead of better, so the need for quality education is becoming greater every year. Most of the private schools in town are run by the Catholic Church and the education is good but they teach religion along with it. A lot of believers choose this system over the public schools for their children as the lesser of the two evils, when in reality it is the greater evil. Cruzeiro do Sul needs our school. Please pray that the Lord will provide the funds needed to continue this project.

Thank you again for those of you who have written to us. We really enjoy getting your letters, and thank you for your prayers for our family and ministry.

In Christ,
Paul Creiglow

Airplane Being Put Together ... Dream Coming True for Mission Work ... Pray for Betty's Health Problems ...

by Bobby Creiglow

April 13, 1993

Dear Brethren:

Just five days after writing my letter last month, Mike's plane kit arrived - a long time later than we expected it, but all arrived in good shape. The next morning after it arrived, we took inventory and found that all the parts were there, so we began work that afternoon. Since then we have been working from eight to ten hours a day, six days a week and we think all is going very, very well. If all continues to go as well as it has been, we should have it ready for test flight within the next three weeks. I think Betty will be glad when we are finished, because she only sees me for about an hour at lunch time (half of which I am sleeping), and late in the evening and once again I am soon asleep. When she does get some conversation out of me, it is something about the airplane. About thirty years ago Mike and I talked and dreamed

about some kind of aircraft for use in the work here, but at that time about all we could do was talk and dream. With us doing more than fifty percent of the building, the plane will come out less than the price of a new car here in Brazil. The dream of thirty years ago is about to come true. Mike and I both are enjoying very much working on this project.

The work at Mike's church is still going very well with souls being saved every week. The national missionaries are out working the rivers almost every week and always return with very good reports.

I have been able to witness to some of the people that we knew years ago when we lived here. I have been doing some preaching and teaching Sunday School also.

Betty is still having health problems, so I ask you to continue to pray for her and also that we both will always be in His will.

In His Name,
Bobby D. Creiglow

Souls Being Saved ... School Teacher Professes Faith ... 16 Years as Missionary ... Many Thanks For Support ...

Dear Brothers and Sisters:

It's 72 degrees in our house and we are wearing long sleeves. Normally it's about 86 degrees or above in our house. You can imagine how we feel the cold when we come to the States!

It is cold on the outside but we are warm on the inside because of the marvelous way that the Lord blessed our work this month. I am having great liberty in preaching and souls are being saved. Last night a 50 year old school teacher who has been a catholic and spiritist all her life was saved in our work at the new building. We talked to her extensively in the afternoon and she came to our service there. My family and I were not present since we had to perform a wedding at the Boa Esperanca church last night. Our young preacher took care of the service there and today is on cloud nine because of her conversão under his preaching. You

preachers can appreciate what a thrill that is.

All of the works here in this State are going well except the church at Novo Diamantino. We do have a family who will be moving on the field there in the next three weeks which should help to stabilize that work. Pray for us as we are very busy and the work demands a lot of prayer, study and work. We enjoy staying busy so we are just thrilled to be used in this great work. Not all is easy but it is gratifying.

We do appreciate your faithful support for the past 16 years. We hope we will have 16 more if the Lord permits. Without your prayers and sacrificial giving, we would not be able to stay here for one day much less 16 years. May the Lord bless you for helping the work; not just ours, but all of your missionaries both on the foreign field and at home. Home missions is the lifeblood of foreign missions.

Virus Attacks Stantons ... Good Report on Works in Lima and Pucallpa ... Training Center for Baptist Teachers ... Special Needs of Churches ...

Dear Friends:

A V-I-R-U-S is a Very Infectious Rascal Upsetting your System. This past month, the Stantons have had their share of viruses. I contacted a type of intestinal virus that kept me "close to home" for about a month. Then the computer got infected with a virus that caused a complete "shut down" for about two weeks. To top it all off, our little dog, "Bella", got a virus that, according to the veterinarian, is at epidemic proportions here in the capital city of Lima, Peru. She was really sick for about a week. However, I'm happy to inform every that the dog, the computer and I are all back to normal. Thanks for your prayers.

The work here in Lima has taken on some new ministries. The church has started a children's program on Saturday afternoons. This is to reach the children and homes of the local people around the church. Then on Saturday evenings, Pastor Jorge Dianderas, the Peruvian pastor who works with me, has started a Young Peoples Group for the teenagers. Leah and Joshua are enjoying this, as well as so many of the teenagers in the church.

Anita and I have started teaching classes at the church on Friday nights. Anita is working with the Women's League. Anita has so much practical experience to share with them. I know we will see much fruit in the near future from her classes. While she is teaching the women, I have started classes for some of the men in our church who desire to go much deeper in "The Word of God". We have two young men who have surrendered to the ministry and have shown a real desire to prepare themselves. My plan for some of the other men studying is that they will be trained as future deacons and teachers in the church.

This is still a very exciting work for us to be involved in. The Lord continues to bless and give us new opportunities all the time. Please continue to pray for us and this work. I know God is going to use this work in a great way in the future. I believe this work is really going to be an influence on all the other works here in Peru. At the present time we are in an early growth stage. The excitement and desire to work continue to be on high levels while at the same time we are seeing definite signs of spiritual growth. This is a powerful combination! To God be the Glory!

Out in the jungle town of Pucallpa, the Pucallpa Baptist School is once again doing well. While we were on furlough some things at the school got a little "out of line". However, things are now "back on track", and once again the school is doing well.

The churches out in Pucallpa are going about business as usual. Some souls being saved and baptized in about all of the works. The pastors continue to preach and be faithful. There are still many needs that some of the churches have. We still need to build a small house for the Jordan Baptist Church in Yarinacocha. This will cost about \$5,000. Grace Baptist Church in Pucallpa needs to replace all the wood in their building. This will cost about \$4,000. Then the Liberty Baptist Church needs a concrete floor in their building. This will cost about \$1,000. Here in Lima we still need help in paying off the debt on our church property we purchased. All of these works are solid Baptist Churches and can use your help. If your church is looking for a new "mission project", any one of these would be ideal. Pray and give as the Lord leads.

I've kept the most exciting news for last. We should soon be able to start classes out in Pucallpa for a Teacher Training Institute. I've dreamed for years of being able to have a certified, government approved, school of higher learning where we could train on a college level, young christian men and women to be school teachers. It appears this dream will soon be a reality. Using the campus of the Pucallpa Baptist School, we hope to start classes in the afternoons and evenings. All classes to be taught by very qualified, christian professors; teaching all courses from a christian perspective instead of the humanistic (communistic) ideals that they receive in the secular universities. The graduates of this Institute will be qualified to teach in any school, Christian or secular, anywhere in Peru. All of the paper work has been done, and pre-approved. We are now waiting for the final, and official, approval. Please put this one on your prayer list. I'll keep you up to date as things progress.

Anita and I know that so many of you pray for us daily, and sacrifice financially to support us here on the mission field of Peru. We love you, we pray for you, and we thank God for you. Until next month, may God continue to bless each one as you remain faithful to HIM.

Chest Bones Rewired ... Recovering but Very Weak ... Travels and Future Plans ... Pray For Us ...

by Homer Crain

1007 Pinebloom Drive
Lexington, KY 40504

June 2, 1993

Dear Brethren:

Greetings from Lexington, KY from the Crains. Since my last mission letter I want to bring you up to date on our travels and experiences. Since the Spring Conference, I've preached at the following churches: First Baptist Church, Island City, KY, Brother Harold Becknell, pastor; Calvary Baptist Church, Richmond, KY, Brother Bobby Green, pastor; Grace Baptist Church, Bradenton, FL, Brother Ed Pierce, pastor and First Baptist Church of Ojus, North Miami Beach, FL, Brother James Washer, pastor.

After arriving from this trip, I entered the Audubon Humana Hospital in Louisville, KY for yet more surgery. They opened my chest and rewired the bones together. It feels much better than before. In the last

two weeks I've been resting and recuperating.

Last Sunday, May 30, I preached both services at Thompson Road Baptist Church, Brother David Parks, pastor. I am still very weak, as I discovered Sunday.

We hope to start traveling this week and continue visiting the churches until time to return to Peru. We had planned to return the first of July, but the doctor doesn't want me to go for 2-1/2 months after the operation, to be sure I've healed. So it looks like I will be returning to Peru the first of August.

Please pray with us for the complete healing of my chest and hip. Also remember Elizabeth in prayer. She has been diagnosed with fibro myalgia, which is very painful and causes chronic fatigue.

Thanks to all of you for your prayers and cards and phone calls. We appreciate you all. God bless you all.

In Jesus' Name,
Homer Crain
