A SPECIAL REQUEST

Would each church take a <u>Thanksgiving Offering</u> for our missionaries?

Whether big or small, all would be greatly appreciated.

Perhaps you have said we are going to do it sometime.

Why not begin this year??

We have never had 100% participation of our supporters, **but**

we would like to have it this year.

The offerings are greatly needed.

Please pray that God would enable and then Give!

THANKSGIVING OFFERING

The regular readers of the Mission Sheets know our monthly offerings do not cover our missionaries' salaries and expenses. WE NEED THE SPECIAL THANKSGIVING OFFERING IN ORDER TO SUSTAIN OUR MONTHLY MISSIONARY MINISTRIES AND ACTIVITIES. And, of course, if we hope to expand and increase our missionary activity, we need yet more regular monthly offerings and larger Thanksgiving offerings.

CAR FUND

Several of our missionaries will need new vehicles in 1993 for their work. These will cost many thousands of dollars. A good Thanksgiving Offering will be needed to get these vehicles. Pray and Give.!

Second Class Postage Paid at Warren, Michigan. Still Waiting for Jessie's Papers ... Some Trouble With Work Another Way to Reach People With Gospel ... by Bobby Wacaser

> Rua Dr. Waldomiro Pereira 961 81150-150 Curitiba, Pr. Brasil Ph. 011-55-41-248-7075 September 21, 1993

Dear Friends:

We are already three months overdue on our return for furlough and we still have no definite date in sight. All of the negative factors involved in Jessie's adoption pro-cess have been eliminated, but the red tape takes time to be finalized. We are praying that we'll be home by Thanksgiving.

Although this delay is a little discourag-ing to us, it is not without its positive benefits. The new church that we began a few months back is getting stronger every day. We are especially thankful that we could still be here as the many visitors come in. Several of them have come in with the notion that they would make the church like the ones where they attended before. (As you may remember, we built this work in a brand new neighborhood where there are very few churches). Often this spells trouble, and our being here has helped the younger church members to resist these divisive elements. The greatest difficulty has been with church-hopping charismatics. They seek no responsibility, yet in its place they are looking for a continuous spiritual high and incite others to join them in this silly quest. God in His wisdom has allowed us to remain a few

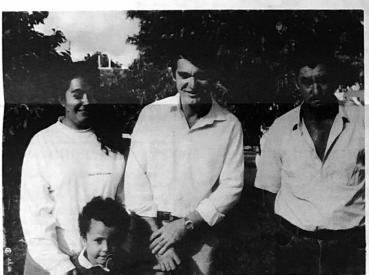

more months in order to guide this infant church through some shaky first steps.

Not all of our new visitors are a hindrance though. We have had (and still have) some folks who are genuinely seeking a place to serve God in accord with His Word. We are especially excited about one man who was studying to be a Catholic priest. A member from our church invited him several weeks ago and he has been coming regularly ever since. He told me that he sees the inconsistencies in his church's doctrine and will continue to attend ours to learn God's word more clearly.

We have another project underway which we hope to inaugurate in January of next year. Our faithful sister, lolene, is a trained school teacher and hopes to begin kindergarten for non-church families. We believe this will be an excellent opportunity to reach the children and their parents with God's word. Charlene will be doing further studies while home on furlough in order to assist in this new ministry.

We will see you all in God's appointed time

In Christ's service. Bobby, Charlene & Jessie Wacaser

Six saved at Villa Riod ... Church Building Stolen at Sao Mateus... Recovering from Illness

by George Bean

Caixa Postal 500 65000 Sao Luis, MA Brasil, SA Phone 011-5598-223-6955 September 15, 1993

Dear Brethren:

June will see her doctor on September 20. If he releases her she should return to Brasil some time in October.

This month has been one of a steady grind. I went to Sao Mateus August 22; that was the last time there in our preaching point. We had conducted a four month test After much prayer, we thought it better not to continue.

There is a Baptist Church in Sao Mateus started by Brother Sostenes. This church was stolen from us by a large Baptist group. They stole church building, preacher's home and all. There is a bird here in Brasil that will not build a nest for itself: it will look for a nest discarded by some other bird and then use it. The problem is that we had not discarded the church. When I see those responsible for this, they turn their heads in shame. I have told them I would

never consider taking over one of their churches.

Villa Riod: Saturday, Sept. 4, Dr. Tanha, who is a member of a Baptist Church in Sao Luis, has donated her time as well as six young ladies from New Hope Baptist Church. Brother Netto from New Hope Baptist Church arranged getting the medi-cine from the government. Before she started to treat the children. I preached to the mothers and those present. The poor have the Gospel preached unto them. There have been six professions of faith at Villa Riod.

I have made on trip to Cantanhede and all is well there. I had some stomach problems, but I have taken medicine for amoeba and I am much better.

Brother Sostenes has been in the hospi tal with blood clots in his legs. He is much better now that they have discovered his problem. May God bless all is our prayer. Yours To Tell the Old Story,

George & June Bean

Building Walls Up at Rio Branco... 7 Saved at Tartaruga ... More Professions of Faith ...

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul. AC

Dear Brethren:

We are enjoying one of the best sum-mers we have had in some time. The weather has been great and the blessings mers on the work even greater.

Paul and I went back to Rio Branco to visit the congregation and work on the building. While there we were able to get the slab poured for the floor and left detailed instructions for the continuation. Since then they have put up all the walls and sawed the lumber for the trusses. About mid September I hope to return to put About mid September I nope to return to put on the roof. They are scraping every little bit of cash they can to try to buy the roofing. It will cost about \$1,000. While there I held services almost every night. One night we held services in the home of a justice department official. Just last week one of department official. Just last week one of the couples that attended that service was saved along with his mom. We had a big crowd for our Sunday evening service with the congregation. Everyone is excited about finally getting out of the school building and into the new building. They have been holding prayer meetings at the job site even though there isn't even a roof. We have crown almost all we can at the school so grown almost all we can at the school, so pray that we can get them moved soon.

I must mention one more thing about the trip to Rio Branco. The day we arrived, a cold front came through. Paul and I did not take jackets or blankets. The second night the temperature got down to 42 degrees! That may not sound cold to you, but belie

The last trip that Brother Raimundo Vieira made to the Tejo was a success. He took his pastor, Brother Gilberto, from Faith Baptist Church. Brother Gilberto baptized several of the young Christians. A few more re saved

Brother Antonio Nery has completely finished the building at Tartaruga. One of the young men, who lives a couple hours up river holds services regularly. Our home church is helping several of the couples to get legally married. This will be the first group to be baptized. On his last trip, 7 more were saved more were saved.

All continues well here in town. There have been a number of professions of faith. Some of these were at church and a few others in homes. Attendance is good.

The truck didn't come to haul the materials though to a work 'm glad we didn't start yet though. In a way I'm glad we didn't start yet. Things could get beyond control!

the first week - they had nine baptized as a result of the retreat and also inaugurated the new swimming pool - a very welcome feature in all this heat.

The intermediates had camp the second week, and the last week, the mission pastors had a camp/seminar. The speaker for the seminar was Pastor John Hatcher, Emmanuel Baptist Church, Evansville, Indiana. Thirty-five mission pastors were present. The fellowship was encouraging. The subject of the seminar was winning people to the Lord and carefully discipling them in the Word of God.

Pastor John also lectured in the seminary on the book of Ecclesiastes. There was a great response - about 90 enrolled. We thank John for being with us.

God bless you! Thank you for your prayer and support.

Many good things happened this month here in the tropics of the Amazon. Summer is in full swing - winter is hot, rainy weather and summer is hot, humid weath-er, without the rain. Building Goes Forward at Rio Branco... One Saved and Two Baptized...

by Paul Crelalow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil September 13, 1993

Dear Brethren:

On August 12th we loaded up more than 40 young people in the back of a truck and headed off to camp. As usual, the Lord blessed us with good weather and every one had a great time. There was lots of singing, new games and activities, plenty of food, interesting Bible studies, and best of all, since coming back we have had one person make a profession of faith and two others baptized.

On September 7th, 40 ladies went to camp for the first "Women's Retreat". They left their kids and husbands at home and spent the day enjoying themselves with games, Bible study, and swimming. A few of them were even brave enough to ride the zip line at the pond. They have all said that next year they want a 2 day camp and most are looking forward to the couples retreat planned later this month.

Last month we made another trip to Rio Branco to work on the building there. Things went well and we were able to get all of the sub-floor poured. After we left they put the walls up and are now ready for

us to go back next week and put the roof on. They have already begun using the building for mid-week services, even though all they have is a rough concrete slab and unfinished brick walls. But the Lord has blessed their effort and faithfulness and they have already had neighbors attend the services. Please continue to pray for the congregation in Rio Branco - they have a long way to go before the building is finished.

Youth Night is still going good and we are now averaging close to 60 young people each week. We have a film festival planned for December in which the young people will divide up into teams, write their own scripts, do the acting and directing, and we will video tape the results. After the films are completed, we will have a mini film festival at the church for family, friends and whoever else is interested.

Our family is doing fine and we are all staying busy. The language learning is progressing, faster for the kids than for Brenda and I, and we keep hearing and earning new words and phrases every day. Please continue to pray for us and the different ministries here in Cruzeiro do Sul. In Christ,

Great Need in Lima Work at Jordan Baptist Going Well... Three Pastors Visit the Work

by Sheridan Stanton

Dear Friends

The new statistics are available for the recent census here in Peru, South America. Peru now has 22, 128,644 people living in this beautiful, yet troubled, country. Over seven million, nearly one third of the population, live in the capital city of Lima. Lima is where our latest mission work Lima is where our latest mission work is located and as you can see from the statistics the field is truly "white unto harvest". Even though, the laborers are few, the Lord is still the Lord of the harvest and Anita, Leah, Joshua and I are excited to have a part in the harvesting of souls here in this part of the world.

The hunger for the World. The hunger for the World of God is evident and the spiritual enthusiasm contin-ues steady among the saints of the Jordan Baptist mission. This work is growing steadily. We see souls responding to the call of Christ each month. Brother Jorge Dianderas continues to labor with me in contoxing congraption Jorge Dianderas continues to labor with me in pastoring this growing congregation. Jorge and I work well together, our talents and gifts complementing each other for the good of the work. In spite of what some say, it is possible for two or more Baptist preachers to work together in the same plasiae a church in a spite of baby mission or church in a spirit of harmony, love and mutual respect. Remember to pray for Brother Jorge and his family. He is my friend and Brother in Christ; a good man working in a difficult area. Anita is giving a surprise birthday party today for

Jorge's wife, Elvira. She and Anita are also good friends. The ladies of the mission are coming to our house for the party. They always have such a fun time together. When God's love fills your heart, you can't help but enjoy yourself in the presence of the God's children.

help but enjoy yourself in the presence of the God's children. Anita and I continue to have guests in our home. This past week we had the great honor of hosting three distinguished pastors from the United States: Brother Jim Orrick, pastor of the Storms Creek Baptist Church in Ironton, Ohio, Brother Glen Archer, pastor of the Storms Creek Baptist Church in Livermore, Kentucky, and also Pastor Bob Lamb of the Twelve-Ryan Baptist Church in Detroit, Michigan. Brother Orrick, is also the Vice-President of the Baptist Faith Mission and Brother Glen Archer is the Treasurer of BFM. We have had a great time of fellowship together. We've enjoyed showing them the work here in Lima and the works out in Pucallpa. It's been a learning experience for them. Their trip has been very encouraging for Anita and me. We've had the chance to discuss some of the problems of the mission field in Peru, and to talk about some ideas for future plans and development. They'll be return-ing to the States in a few days, and we will really miss them. All three of these great pastors have shown a genuine interest in the Lord's work here in Peru, and we know that the Lord will richly bless their lives as a result. Until next month. that the Lord will richly bless their lives as a result. Until next month.

Dear Fellow-Saints:

A Brazilian businessman asked me the other day which was my favorite saint. I replied: "all of them" and explained to him what the Bible teaches concerning the saints. I must have done that a thousand times already here in Brazil in the past 16 years. Isn't it great to be a saint?

We had two saved this month at the Altos do Coxipo (Tijucal) work. I baptized 8 at the Chacara dos Pineiros church, Boa Esperanca baptized 5, I believe, there were 3 saved at the Diamantino work which is going much better under the leadership of

Brother Jasson and wife. It was another good month.

The weather is so hot that it tires you out by ten o'clock in the morning. But almost a million other people besides us have to put up with it here, so with the Lord's help we will continue on.

We want to thank all of you for your faithful support. Pray for us as we come to mind.

Dear Brethren:

During this Mission Sheet month, preached 14 times - four times (two Wednesday nights and two Sunday nights) at the 14th of December Baptist Church. where, with Asa Mark Bratcher, I serve as pastor. He is the first pastor, I, the second. preached four sermons at the New Jerusalem Baptist Church, interior, where I am the pastor. Two Sunday mornings I preached at the 29th of March Baptist Mission, of the 14th Church in the suburb Mission, of the 14th Church in the suburb of Manaus know as "Multirão".

The four other sermons were delivered in the far away city of Parintins, Amazonas. We spent 17 hours on a boat to get there and 26 hours to arrive back in Manaus. Three of the sermons were actually lectures delivered to the approximately 30 students of the "Seminar for the Lay Leaders of the Interior Churches"

On Sunday morning, September 5, I preached at the First Baptist Church of Parintins. The pastor is Josué Souza da

Eduardo Franca Lessa at Georgetown Col-lege in KY during the late 40's and then at the Seminary in Louisville during the early 50's. He was a great servant of the Saviour. May the Lord bless his wife and three children. His wife and two sons are active

alem, three youths asked for baptism. The Sunday night (August 29th when I preached at the 14th Church) three people (adults) responded to the invitation - one profession, 1 rededication and 1 asked to be received by letter.

t is now almost two months that we have been back in Brazil. We are once again bearing the burden of "Brasil". Your prayers and offerings will continue to help us bear up under the load. Thank you for all you are doing for us. May the Lord bless you is our prayer.
