Appreciation for your help...
Gallbladder Surgery in 3 days...
3 Families ask for Baptist work in their town...
by Harold Draper

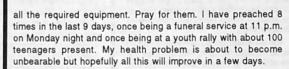

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. October 21, 1993

Dear Brethren,

By the time you read this it will be Thanksgiving Conference time. We pray that it will be a great one as it always is. I feel that my ability to express appreciation is very inadequate. But I want to thank all of you who make our ministry possible. I must first of all thank the Lord for using us and for laying it on your hearts to support the work.

I will be going into the hospital for gallbladder surgery in 3 days. By the time you read this I hope to be fully recovered from it. We have been buying up food supplies etc. this week since Ursua doesn't like to drive too much in this crazy traffic. Do pray for us as we go through this difficulty. I have been feeling real bad for about three months. I have a stone the size of my gall bladder which is about ready to rupture. I don't have time to come to the States for the surgery and we have a good Christian doctor here who studied in St.Louis, Mo.

All of our 6 works are stable. The church in Varzea Grande is trying to get things ready to open up their Christian Elementary School in January. They are having financial difficulties in getting

Please do remember, all of the BFM missionaries and their needs. We are praying that the Lord will help us through you to soon pay off the approximate \$2,800.00 WE OWE on the Tijucal building. I have been approached by 3 families who live in a small town about 40 miles from here who are wanting to start a Baptist work in their town. I cannot do this until we pay off our debt. We are already spread very thin. A work is needed in that place. We are sure this will happen in God's time.

May the Lord bless all of you and we wish you a Blessed Thanksgiving Season.

In Him, Harold Draper

Elizabeth's Brother Dies... Brethren From the States Visit ... A Great Blessing From the Visits...

by Homer Crain

October 29, 1993

Dear Brethren:

In our last mission letter, we were in Taraporta for the Thanksgiving Conference where I sent my mission letter by Fax. I preached three times in the conference and the Lord blessed in all the preaching and the fellowship was great.

We arrived from the USA on July 30th. We were in Lima three days, and then we flew on to the conference and after the conference was over we flew on to Iquitos where I preached again at the Good News Baptist Church in Iquitos.

We were thankful to have with us Garry Gullett from Lynams Creek Baptist Church who met us in Miami and was with us in all our travels. He was a blessing to us and the people enjoyed having him and enjoyed his singing in all the churches we visited. Garry, the people still ask about you and always say "come back soon!".

After we returned to Lima. Sheridan and Anita asked us to stay with them while we were looking for a place to rent. We found out real soon that all the places we looked at they were asking from \$800 to \$1,200 per month. We knew that we could not afford those kind of prices.

We found a house near our work in Ventanilla that is within our price range. Just as we were painting and moving in, Elizabeth received a call from her sisterin-law that her youngest brother was in the hospital and had only a few days to live. She arrived in Memphis, Tenn. on Friday and her brother died the next day. It was his request that I preach his funeral, pastor from First Baptist Church, Martin, Tenn., called and asked me to have a part in the funeral by telephone. The Pastor had a way of hooking up the telephone to the PA system and I had the privilege of speaking about five minutes.

Gaither Johns Jr. grew up in Michigan. I believe he was a member at Fenton Road Baptist Church, Liberty Road Baptist Church, Gethsemane Baptist Church in Taylor, Mich. and New Hope Baptist Church, Palmersville, Tenn. He was also pastor of at least two Baptist Churches where I had preached a revival in each church, Please pray for his wife Betty and his son, Trey.

September 13th, Brothers Jim Orrick, Robert Lamb and Glenn Archer arrived here and the following day they went to

Pucallpa with Sheridan Stanton and were with him until the following Sunday

The following Tuesday I went with them to Iquitos where I had made plans for them to be with the First Baptist Church of Iquitos. It is the first Baptist Church to be organized in all of Peru. Wednesday night by preached at the Good News Baptist Church. Thursday night we rented a speed boat and they preached at the Tamshiyaco Baptist Church. Friday night they preached again at the Esperanza Baptist Church back in Iquitos. Saturday night we were with the 4th Baptist Church where they had the monthly fellowship of all the churches in Iquitos and the rivers. Sunday morning we were with the First Baptist Church again. The pastor preached and I translated back to English, something I had never

Sunday night they were with us at Ventanilla where they preached and our ladies had prepared a good meal for all after the service.

The following day we left Lima about 7:30 a.m. and drove across the Andes mountains. We crossed the Andes at 15,800 feet tains. We crossed the Andes at 15,800 feet above sea level, arriving in Huanuco in time to change clothes and get to church in time to preach again. Tuesday we drove to Paucar, about 1-1/2 hours from Huanuco to ee two of our churches in and around

From Paucar we returned to the main highway and then on to Tingo Marie, arriving in time for a meal in the home of Alberto Fabian and then for another great service in Gethsemane Baptist Church which was the first church that I organized in Peru. The following day we returned to Lima and the following night I took the brethren to the airport for them to return to the USA and to meet Elizabeth. She was returning on the same plane that they were taking back home.

Dear brethren, your visit here will be long remembered. People were saved all over Peru. Others were called to preach and many lives were dedicated to serve the Lord. Twelve new students were enrolled to study in our Institute, and most all were preachers. PRAISE THE LORD. Please come again soon.

Elizabeth and I will be leaving for Iquitos in the new few minutes.

Put Roof on Rio Branco Building ... Retreats and Special Music Night . . . Begin Construction of Second School Building...

by Paul Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil October 13, 1993

Dear Brethren

Are we having fun ... or what? I thought missionaries were supposed to suffer. I thought they were deprived of all the "fun" things in life. WRONG!! There is nothing more fun than being busy in the Lord's work, and this has been a busy and

To start out, Mike and I made another trip to Rio Branco to work on the church building there. We arrived on a Monday afternoon and by the time we left on Friday afternoon and by the time we left on Friday we had built and set the trusses, put the purlins in, and half of the roof sheeting was on. By the following Monday they had finished the entire roof. The people there had already ordered legs for the pews to be built and were going to start a campaign to raise money to build the pews. They are learning to step out on faith and trust God for what they need, and they are finding for what they need, and they are finding that God always comes through. This "building" of spiritual character in their lives is more exciting than the "building" of the church itself.

Next, we had our 1st ever couples retreat. Last year we had planned a couples retreat but because of the rains closing down the road, we were not able to go. Well, the same thing happened again this year, but we were prepared. Instead of going to the camp property on the other side of the river, we went to a piece of property on this side of the river and had a one day retreat with more than a dozen couples. We played volleyball, had a barbeque, sang songs, and enjoyed a

evotion on husband and wife relationships

Last Thursday was our "Preacher's Din-ner". The ladies in the church prepared food for more than 50 people, and a group of our teens served as waiters and waitresses.

Then, on Saturday night, we had a special night of music for the youth that turned into a special night of music for all ages. We invited musicians from all the churches to come join us for a night of singing and worshiping the Lord with choruses. We filled the front of the auditorium with keyboards, guitars and drums and filled the rest of the auditorium with over 500 people. We had special music from our singing group "Renascer" as well as other special music. Afterwards we sold ice cream, cotton candy, and sodas to raise money for the school; which we will now use to buy the material to make blackboards for the school.

And to top it all off, yesterday we loaded 125 kids in a bus for our "First Annual Children's Retreat". They spent the day eating, playing games, eating, swimming, eating, hearing Bible stores, eating, playing soccer, and more eating. The kids came home happy and well fed, and almost as tired out as the adults.

We began construction on the second school building, and Mike began construction of the video and audio studio. This was indeed a busy and exciting month. And if this is what it means to suffer, and if this being deprived; then lord make us suffer. being deprived; then Lord make us suffer more, and Lord take away more of the "fun" things of this world, and Lord keep us busy doing Your work.

In Christ. **Paul Creiglow**

Election Day in Peru... Stability in The Churches ... Three Saved and Several Awaiting Baptism...

by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA Call direct 011-5114-35-4953 October 31, 1993

Dear Friends:

Today, October 31, there are no morning church services of any kind in Peru because today is election day. Peruvians must vote yes or no in a referendum to accept the new constitution. Elections are always on Sundays and its always prohibited to have a meeting of more than three people. In the past fifteen years Peru has had three different constitutions. Peru has had a history of instability. If it be God's will, I hope the people accept the new constitution so they can start on the road to stability. The United States of America still has the same constitution that she had when she was founded over two hundred years ago. We take things for granted so many times.

Stability is one of the goals of missions. Every missionary desires to see stable Baptist works left behind. Our stability is based upon Jesus Christ, the Rock, in whom is no "shadow of turning". With Jesus as our guide and being authorized by one of His "stable" Baptist churches, our work in Peru goes on. I can honestly say that our works in Peru have been and are still quite stable. Years of preaching and teaching the truth of God's word gives "fruit in its season". Some being used of Satan have attacked and tried to ruin the Lord's work here in Peru, but the work is STABLE because it's the Lord's. Sometimes they attack the work itself and sometimes the workers. Anita and I thank each of you for your faithful giving and prayers over the

The churches out in the jungle town of Pucalipa all seem to be doing well. Each one has been blessed with an increase in attendance. The school is about to wind down another school year. We'll be making some fundamental changes in the school out in Pucalipa. I'll write more about that soon.

Our work here in Lima continues to be blessed with faithfulness and good atten-dance in all of the services (a sign of stability!!). We've seen three souls saved this past month and will soon be baptizing several more. Anita and I continue on in the day to day work that God has given us to do. We are thankful to be here; and we are honored to be your missionaries. Remember to pray as we pray for you. May God continue to bless each one as you remain faithful to HIM.

Preach in 9 Churches or Missions... Baptize 5... Pray and Give to the Work...

by Harold Bratcher

Caixa Postal 227 69.011 Manaus, Amazonas Brazil, S.A. phone 011-5592-611-2331 October 19, 1993

Dear Brethren:

During this Mission Sheet month I preached some 20 sermons in nine different churches or missions. Sunday morning, Sept. 19th, I preached two messages on Stewardship at the Cachoerinha Baptist Church where Israel Florencio Lima is the pastor. That night I preached at the Manancial Baptist Church where Paulo Moises Coreia Melo is the pastor. The next Saturday afternoon, I preached at an open air service of the Filadelfia Regular Baptist Church. José Morais Duarte is the pastor. That night I preached at a special service at the Chapada Baptist Church. The pastor is Vanderley Ferreira Melo.

September the 26th found Marie and I present and I teaching the Adult class and preaching to some 30 present at the Unidade Baptist Church located in a new suburb of Manaus, Santa Eltelvina. The young pastor is Oseias Sousa Brito. That night and two other Sunday nights I preached at the 14th of December Baptist Church-"our church". Asa Mark is the pastor. Saturday night, the 2nd of October I preached to 9 of us present at the mission of the 17th of August Baptist Church na Colonia de Aleixo, Zonil Nunes Cunha, pastor. The Coroado Baptist Church where I preached on Sunday morning, October 9th, Marie and I boarded a bus at 10:00 that took us to the interior town of

Nova Remanso. We arrived at 15:00. The mission pastor from Amatari met us in a rented boat and took us to his house. We spent 5 nights with Brother João Portela Tuanama, his wife and three small daughters. That night we began a five day revival. I preached 6 sermons in the church house. Each morning we visited and held services in the homes. There were two who made a profession of faith in the home services. Wednesday afternoon we gathered at the river where I baptized five young people. Last Sunday morning I preached at another mission of our church located in the Multirão suburb - the 29th of March Baptist Mission. Besides the sermons preached I taught my regular classes at the two Bible schools.

May the Lord grant us the grace to ever be grateful to God for all the good He gives us. We thank you who are the human instruments that the Lord uses to supply our needs if not all our wants. We trust in you to continue to give to the work of B.F.M., the regular fund as well as the designated funds. João at Amatari (see above) is in need of an outboard motor for his canoe. With a motor he could reach more places and people with the gospel. The cost is around \$500. If you want to help, designate an offering marked "Boat Motor-Amatari".

Please pray for us. Marie is faithfully serving at my side in the service of the Saviour.

Yours in His Service, Harold & Marie Bratcher

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, AC Brasil, S.A. September 30, 1993

Dear Brethren:

Our dry season is just about over. We have had a few rains and some pretty violent storms already. The river is still very low though and barges are not able to get here to bring in supplies. It has been a great summer though and lots of work has been done.

The river trips continued all summer. Brother Raimundo Vieira just got back from the Ouro Preto (Black Gold) River. There is no gold there, other than the souls that heard the gospel. The river was so low, he and his co-workers had to just about carry the cance. He told me that everyone was very sore from all the pushing and lifting. A good trip though with a few more saved. He will be giving his report to the church on Sunday night. All of our missionaries report to the church after their trips.

Paul and I went back to Rio Branco again. This time we built the trusses, set them and got the roofing started. The roof is now on and the congregation will be moving in soon. They won't be able to do any kind of finish work. We did not spend a weekend this time. We went on a Monday and returned on Friday. Our home church here in Cruzeiro do Sul took up a special offering to help on the roofing. The congregation in Rio Branco had one the same day and did pretty well.

Let me tell you a little bit about the way our people give to missions. First I want you to remember that most of our people only make around \$100.00, that's right, one hundred dollars, a month. Our church has been wanting to buy a cabin type boat and diesel engine for the river ministry for a long time. About 3 weeks ago, the ideal boat became available. Our men went to look at it and were to close the deal a couple of days later. The Catholic church heard about it and tried to buy it out from underneath us. One of our young men, who is a cab driver, overheard this nastiness and came to tell me immediately. I rounded up one of our preachers to go talk to the man who owns the boat. After a few minutes of "delicate negotiations", during which time I was doing some silent, but fervent, praying, we closed a deal. I wrote him a check to be cashed 5 days later, Friday of the same week. By Friday our members had come up with all of the money to cover the check and we have our boat for the river ministry! BUT ... our special offering for the roofing in Rio Branco was to be 2 days later, on Sunday. I confess that I was a little concerned about this offering. Our people still gave over \$1,100.00. It is thrilling, to say the least.

Our church gives over 80% of her regular offerings to the mission program. The percentage would be much higher if special offerings were included. Don't answer out loud, but how much do you and your church give to missions?

We have had several more people saved this month, at least 6. I baptized 17 this month and 12 last month. Do you suppose that financial commitment to missions and people being saved are in any way related?

In Christ.

Learning To Be Content... Young Lady Put Out of Home for Following Christ... Hope To Be Home By End of the Year... by Bobby Wacaser

Rua Dr. Waldomiro Pereira 961 81150-150 Curitiba, Pr. Brasil Ph. 011-55-41-248-7075 October 18, 1993

Dear Friends:

As each day passes we are learning to be content with God's plan and timing for us. When we first heard that we would be delayed in returning to the U.S. we were a little discouraged. Later, when we found out that this delay would be even longer, we began to lose a little interest in our work. It was then that we realized God was operating in such a way as to teach us to be content with His timing in our lives. In place of the discouragement we have begun to use the added time here for accomplishing more projects. Instead of complaining, we started thanking God for His care for us while we are here and now we are seeing fruit which would have otherwise been bitterness because of our situation.

Our new church continues to have visitors every week. Several have been returning regularly each week. The young man who was studying to be a priest is still attending and appears to be very close to turning his life over to Christ. This Sunday we will be baptizing a young lady who trusted the Lord last week. She has been persecuted by her family for going to a Baptist church. Last week she was kicked out of her home because she told her family that she would be baptized. When they realized that she still would not change her

mind, they asked her to come back home. We pray that she will be strong and witness for Christ to her family members.

We are also using our delay to further some ministries that we had already begun. I am especially interested in showing young christians the power that God reveals through answering prayer. We would like to buy neighboring lots of two of our rks in order to expand our kindergarten and add classrooms to our newest church building. In both cases the owners say that they will not sell. (I love it when people these kinds of barriers in God's way. We have seen God work in people's lives to cause them to do things that they never imagined they could do. At the outcome. He orified and His will is accomplished. Even when these owners change their minds, we will need the money to pay for these properties. This also will come from God. I am certain that these opportunities come from Him and I will trust Him to supply the means to accomplish the work.
We will share with you the results as they

It appears as if we will not be home before Thanksgiving or Christmas. We only know that we will see you all at God's appointed time and we are content with that! In Christ's service,

John Mark Hatcher Conducts Retreat...
Disciples New Believers...
500 Attend Youth Rally...

Av. J Carlos Antony, 172 Manaus, Amazonas 69.063 Brazil October 28, 1993

Dear Friends:

Around here there never seems to be a dull moment, and the past month has been no exception. At the close of last month we had a weekend retreat with all of our mission workers. I think there were 40 who spent the weekend at the camp to be encouraged and taught. John, my brother in the flesh and pastor of Emmanuel Baptist Church in Evansville, Indiana, was the teacher for the retreat. The lessons were on the subject of developing disciples that reproduce as Christ would desire.

John also taught a course to 90 students in the Seminary on the Book of Ecclesiastes. This class and the retreat seemed to be a help to those who participated. The Seminary has 140 students enrolled this fall.

The church work is going well. Just over a week ago I finished a new converts series with 12 participants. David has just

begun a new series with 28 young people who have recently made professions of faith. These six week courses are a good foundation for young believers. We have been using them for several years. We ask a volunteer to be a "big brother" or "big sister" for each person who professes faith in Christ, to help them in their early spiritual growth.

Dave and Pennie had a special rally with the youth Saturday a week ago with 500 in attendance. They have worked with youth at church for a number of years. They have a youth meeting every Saturday night. We have seen many saved through this minis-

Our family is all doing well. Leigh Ann is concluding High School and has been accepted to study at Liberty University next year.

Recently a strong wind destroyed one of our chapel buildings. It is good to know that huff and puff as he will, Satan cannot destroy the Lord's building made with living stone.

May the Lord richly bless you!

Thanks for Prayers for Cornelio Procopio... Gilbert's Decision of Dedication... Pray for Souls To Be Saved...

by John Hatcher

Caixa Postal 112 Urai, Parana, Brazil 86280-000 September 17, 1993

Dear Friends:

Thank you for your prayers in behalf of Cornelio Procopio and the work here. Jesus said that we ought always to pray and faint not. This month there were seven people who attended service for the first time in Cornelio. The nice thing about it is they have returned and one boy brought his mother and father. During one visit last month a lady was just about as mean as one could be without doing bodily harm. She said one thing that was good: "But I am glad that my nephew is going to your church." Was I surprised when she and her husband came to church the next Sunday night with her nephew and his mother.

Another decision was made this month that ought to thrill your heart. Gilbert, the young pastor at Galia Baptist Church has taken a government test for a job in a Federal Technical School. He passed and came back to Cornelio to assume the position, a very good paying one. In

October he would begin receiving about \$500 a month. His mother bought him a car. Every two weeks he returned to Galia for services, but his heart told him this was not God's will. After three months he confided to me, "I am going to sign out of my employment and go back to pastor the church in Galia." Two weeks ago today, Gilbert told his mother and father that he was returning. It was like a bomb. He left salary, car, and his parents' blessing to do God's will. It has been a long time since I have seen such dedication. Pray this will touch his mother's heart and bring her to Christ. Pray that his father will be more dedicated. A young man in our church said, "Can you get this to Gilbert?" It was a gift of \$25. "Yes", I replied, "I will be glad to see that he gets it."

During the month of August we reached our largest number of homes and in the month of October we hope to reach at least another 500 homes. Pray for souls to be saved.

In Christ, John and Alta Hatcher Coming For Short Visit... 5,000 Reached With Paper... Not Our Lady, But Christ...

by John Hatcher

Caixa Postal 112 Urai, Parana, Brazil 86280-000 October 20, 1993

Dear Friends:

The Lord willing, Alta and I will be in the States for a short visit of six weeks. We will arrive a few days before the Thanksgiving Conference and will return to Brazil on January 2.

The work continues daily with very little to show for as far as visual results are concerned. This month 5,000 of our church papers will be distributed from house to house. That is an increase of 1,000 over the previous months. There is definitely a concern being shown on the part of many persons where we visit. Last week I visited an old lady who lives in terrible conditions. Her daughter, a lady of forty years, and her granddaughter were in her house. She does not read. I have given this lady a paper each month for six months. On this day she asked, "What is this paper all about?" I explained to her that it carried a message of the Bible and tells about Christ. To this she replied, "I believe in God and Our Lady," "No, not Our Lady,"

I answered, "Only God is to be worshipped and only Jesus Christ, God's Son can save us from our sins."

The three listened as I told them the story of God's Son who died on the cross, was buried and rose again. The old lady listened as I explained that it was not Mary who died on the cross, nor was it apostles or saints. The One who died to save sinners was Jesus and He alone. The daughter listened well and when I finished she quietly said, as if God had spoken to her heart, "Why, yes, it was only Jesus who died on the cross."

The old lady, also, seemed to have been touched. She said, "Come back soon and tell me more about God. I want to hear." That is what we wait for as we sow God's Word. Many are closer to the Kingdom of God than we, perhaps, imagine. Pray! That visit was about the 90th house I had visited that morning.

The fields are white and ready for harvest and the laborers are so few.

In Christ

John and Alta Hatcher
