#### ATTENTION FRIENDS OF MISSIONS **PERU '94**

The Directors of BFM have asked me to host a group tour to the mission field of Peru. After a recent trip to the country of Peru, I came back with a tremendous burden to get more people interested and involved in the Peruvian mission field. Our missionaries have done, and are doing a great work there, but more is needed. A very effective way to do this is to encourage more of you to visit the field and see for yourself.

Therefore, I would like YOU to go with us in September. I am planning a 12 day trip that will be jam-packed with things to see and do concerning missions. We'll visit the cities of Lima, Pucallpa, Iquitos, and Huanaco plus two river trips to the Jungle area mission works. You will see things you never saw before, eat things you never ate before, smell things you never smelled before, and experience things that will never be forgotten.

I guarantee you will come back more motivated than ever to do more for missions. If you are interested in this mission trip, call me and I'll give you information on the cost, dates, etc. If you are at all interested in missions, this trip is worthy of your consideration.

#### Changes at Pucalipa Baptist School . . . Thanks to Those Who Help Baptist Students . . . A Recommendation To the Givers . . .

by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA Call direct 011-5114-35-4953 January 31, 1994

Dear Friends:

Some exciting changes are taking place in our mission work here in Peru, South America, especially out in the jungle town of Pucallpa

First of all, the Directors of Baptist Faith Missions voted, at the Thanksgiving Con ference, to turn the administration and properties of the Pucallpa Baptist School to the Faith Baptist Church of Pucallpa this month. This was done on my recommendation. The administrative part of the school was turned over two w ago and I am in the process at this time of turning the properties over also. So far the change has gone very smoothly. Please pray for the pastor and members of the Faith Baptist Church of Pucallpa as seek to continue the ministry of reaching the students and their families with the Gospel of Jesus Christ and the whole truth of God's Word.

Baptist Faith Mission helped Brother Del Mayfield start the school together with the Faith Baptist Church 28 years ago. (Brother Mayfield pastored the Faith Baptist Church of Pucallpa at that time). When Brother Mayfield passed away in 1978, BFM took direct responsibility for the school with the help of the Faith Baptist Church. The school has grown and matured and I feel it is the right time to turn it over completely to the Faith Baptist Church. The church is willing and capable of directing the school for the glory of the Lord. Of this I am confident.

My concept of mission work is that local Baptist churches should send out missionaries into areas where there are no Baptist works and start new ones. Schools Bible Institutes are also legitimate works to be involved in because they help the local church in training workers, but our main purpose is laboring to see new churches organized. These new churches, alone or with the help of the Bible institutes and schools, must be taught to do their own mission work in reaching their own people. However, the end result is that the work (church, school, institute), be on its own in the hands of the Baptist nationals. Baptist Faith Mission is

financial organization whose pur help the local Baptist churches fulfill this goal by helping them send out and maintain their missionaries on the mission field both financially and legally.

This all means that Baptist Faith Mission no longer has the responsibility for the Pucalina Baptist School. As the legal representative of BFM in Pucallpa, it also means that I will not need to travel out there each month. I am working now with the Faith Baptist Church in an advisory capacity only. This gives me more time to devote to our work here in the capital city of Lima.

Those of you who have been supporting some of the students in the school through our "Adopt a Student Program", need no longer do so. Part of the agreement with the Faith Baptist Church and also with the Parents Association is that these students be allowed to continue on a scholarship basis. As long as they maintain passing grades they will be allowed to continue in school until they graduate. I want to thank each one of you for having helped these Baptist children for the past few years. The willingness of the Parents Association and the Faith Baptist Church in doing this helped me in making my decision to recommend to the Directors the transition.

I would like to recommend that you continue giving the offering each month, but designate it for another purpose. My wife, Anita, and I are always in situations where we need to help others here in Peru. Many times our brethren here need medicine, food, clothes, and shoes, and we don't have the funds to help them. So we've decided to start a Relief Fund, just for this purpose. The first of April is when the schools start here and many of our Baptist brethren here need help buying the school supplies for their children. If you're interested in helping us in this way, please designate your offering for the "Stanton Relief Fund". If you do not desire to give to this fund, then please give it somewhere else, but do not stop giving. The work of the Lord is financed by folks like you. God will continue to bless you for your giving. Until next month ..

#### New Work at Taumaturgo . . . Receive Nice Piece of Land . . . Pray for Missionary José and New Work . . . by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul. AC Brasil, S.A January 7, 1994

Dear Brethren:

Many of us here in Cruzeiro do Sul are very busy in the expansion of some new areas of mission endeavor. For this reason this letter is getting away a week late and for the same reason this letter will be about just one new aspect of our work. More general news will follow in a few more days.

For years I have been praying and lanning to get our own missionari the 3 major villages up the Juruá River. These prayers and plans are now becoming reality. On December 13, 1993, Brother José Maia and wife, Silvania, along with one of our older missionaries, Brother Sebastião, left Cruzeiro do Sul in the new boat that the church just purchased a few months ago. I prayed with them on the banks of the river early that morning. Five days later they arrived at Taumaturgo.

Some of you may recall that I told you about Brother José surrendering to go to the field back in July, during our missions nference here at First Baptist Church. All these months we have been working and meeting, in preparation for their departure.

A few days after their trip I left town to go help them get set up. Two young men from the church went with me. my Andrew and a new convert, Adolfo. While at Taumaturgo I met with the mayor several times to discuss our need for property. After these meetings, walking all over town and measuring property, we settled on the best lots in town! We have a lot on top of the highest spot in town overlooking both the Amônea River and the Juruá River (33,200 square feet). It is just one block from the main frontage street. The mayor had been considering building a school there, but was glad to have us there instead. Later I found ou that the priest was trying to get that very

piece of land, although the Catholic church already owns 2 lots on main street and 2 full city blocks elsewhere! They are a greedy bunch. God gave us the best. Thirty new homes are being built right behind our property and we have streets

on 3 sides.

Brother José and he wife are from Mancio Lima, about 30 miles from here. They were members at First Baptist Church there, one of our oldest churches. The church there reasoned that if they sent this young couple out as missionaries, they should also help them financially. Since they were unwilling to help support them financially, they didn't want to send them! I didn't think that kind of mind set could happen south of the equator! Wherever there are people there are some carnal minds. The first verses of Acts 13 say nothing of a connection between "sending" and "financial support". Well, our church dreams about that kind of opportunity. They are now members of our church and have been sent by our church. We are also going to take care of their material needs!

The ladies of our church have begun a project to take care of a good part of our missionaries needs. (We now have 6 full time missionaries.) They have a list of almost 60 volunteers who are bringing all kinds of food and other items each month. to be distributed to these missionaries. You should see the abundance. When it came time to load the lumber for José's house on a boat, I made a request for help. Some 15 guys showed up to wade the mud and water to load that stuff! Our people are really serious about missions.

Boy, this has been fun to write. I hope I have been able to express to you some of our excitement about the great things that God is doing here. We are expecting much more soon.

Life is full of changes. This month witnesses one of those changes. Joy and tears can best describe the emotion taking place. Leigh Anne, our oldest daughter, moved to the United States to begin college at Liberty University. experience joy as we observe Leigh's maturity of mind and spirit. Joy at initiating a new phase in her life education. Mixed th these joys are tears. Tears because of the distance that separates us from each other and because we miss the daily companionship of one so dear. These ngs we have shared with our Lord. He is always close to each of us at all times. We have confidence that God, who is in control, holds a good and certain future for each of His special children. I wish to express our thanks to you for your prayers, support and friendship as our family grows, ministers and expands its horizons. We ask you to pray that each of us

will live and minister according to God's Word.

The Children's Bible Clubs now have over 1,500 children enrolled and partici-pating regularly. They are off to a good start this year. We hope these will expand

The school year in Brazil starts tomorrow. The enrollment in our Christian School is up 10%. During the year we hope to reach most of them with the gospel and help them in their walk with God. All hope is in Christ changing their hearts and lives. We need wisdom and motivation to spread the gospel to all people.

Our special thanks go to John, Judy, Laura, Philip, David and Lydia in Evansville; Gailand and Lois Wilson in Lexing-ton, and Mrs. Willa McGary in Mayfield for your hospitality.

We are grateful to our Lord for your rayers and support to God's work here in Brazil.

#### Short Trip to Alabama . . . Lots of Rain in Brazil . . .

by George Bean

Caixa Postal 500 65000 Sao Luis, MA Brasil, SA Phone 011-5598-223-6955 January 24, 1994

Dear Brethren:

I went to Alabama on December 15th and stayed until January 18. June was going to come back with me but could not get reservations. I hear there is a six month waiting list for North Brasil. She hopes she can get on the plane on March 22nd.

The thirty days that I was home in the deep freeze (cold weather) was a relief for me as you can get very tired here in this tropical heat. All of the works are doing

OK. The rains have started and they are heavy. This is good; for the last three years there has been a shortage of rain fall. The rains always affect the attendance in our services.

I have preached at New Hope Baptist Church, Viva Esperanca and, of course, yesterday at Villa Riod. May God bless each one and don't forget to pray for us and the work here in Brasil.

Yours To Tell the Old Story, George & June Bean

#### Many Thanks For Your Support . . . Loan for Tijucal Bullding Paid off . . . Plans for Tijucal Work . . .

by Harold Draper

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. January 14, 1994

Dear Brethren:

I just got the December mission sheet, I enjoyed Brother Wacaser's newsletter. I feel at times that I need to try and be more creative in my letter. We just are so thankful for the way you all support us and make it possible for us to have been now for 17 years a missionary family in Brazil. Your faithfulness provokes us to try to improve our performance. Pray for us that the new year, 1994, will be a productive one in our ministry. Last year was full of victories and temporary setbacks. We would like to have seen more souls saved and added to the churches here. We thank the Lord for those who were saved, Some are growing in the Lord. One case is our new pastor at the Chacara Church. He is beginning to show signs that he is developing a "pastor's" heart. His family is becoming a blessing to him. They are learning to play musical instruments and to help out in the church work. He (Miqueas) still has some room to grow, but we are encouraged about it.

I have been notified that the loan for the Tijucal building has been paid off. Praise the Lord for this. We thank each one from the bottom of our hearts for helping out on this. I am trying to get our ministry organized so that we can dedicate our

fforta totally to that work beginning in July of this year. We want to work there for two years and then at furlough time leave it in the hands of a Brazilian worker to see how it will go. We have a lot of work to do there. We will organize the Sunday School and equip it with chairs and tables, etc. We will spend much time in the community door-to-door and making personal contacts. We are looking forward to being able to work in only one work at a time.

All of our four churches and two missions got together at the Faith Baptist Church in Varzea Grande for the "Watch Night" service on December 31. The church was packed, lots of singing, and Pastor Candido brought a good message and afterwards the church served all a full course meal. We got home at 3 a.m.

I baptized a young lady who attends the Alto do Coxipo work on the first Sunday of this new year. I presently am very busy since both of my helpers are out of town, one visiting family, the other working. We are planning a youth rally at the Chacara work for the 22nd of January.

Do continue to pray for all your missionaries. Remember our daughter, Michelle, and also Ursula. They are important to our work here. May the Lord bless all of you during this new year.

In Him.

Dear Brethren:

This Mission Sheet Month had 5 Sundays in it - 2 in December and 3 in January, Sunday morning, December 19th, found Marie and I present at the Novo Remonso Baptist Mission of the 14th of December Baptist Church, We arrived there by car (3-1/2 hour trip from Manaus) the day before. I taught the Sunday School lesson and preached to 28. There were 10 decisions made - 5 rededications and 5 asked for baptism. Ranilson Amaral daSilva is the lay pastor there. That night I preached to 68.

I preached to 68.

Sunday, December 26th, 35 present in the Sunday Bible School at the 29th of March Baptist Mission. I preached in the morning and Ediberto Ribeiro at night. On December 27, Marie and I completed 39 years together as "man and wife". During the holiday season we had three guests in our home - João Tuanama, his wife and infant daughter. João was bitten by a poisonous snake earlier in the month. He didn't receive adequate treatment in the interior and arrived in Manaus with his foot swollen and giving him severe fits of pain. He, after hospital treatment, was soon better.

Sunday, January 2nd at 8:00 a.m., Marie and I are well on our way to the Mission. We are driving in a downpour. At

8:30 only the two of us are present. Later, one more woman came and even more later, six children. I taught the adults first and then we taught the children. That night we had 21 present. Tuesday night, I led a special service in honor of Asa Mark's 36th birthday at the 14th of December Baptist Church.

Sunday, January 9th, I preached at both services at the mission = 23 in the morning and 17 at night. Wednesday afternoon, Marie and others of us clean the mission building and stay for the prayer service. January the 14th, I began a weekend revival (celebration of the Nova Alianca Baptist Church's 22nd anniversary) with Pastor José Augusto Queiroz Menezes. The last service I preached to over 100 with 2 decisions. During these days I performed three wedding ceremonies and Marie and I attended two more performed by Asa Mark.

We pray for and thank each church and

We pray for and thank each church and person whose name is listed in the December Mission Sheet. Permit me to make special mention of the offering for the boat motor from the Concord Baptist Church of Leeaville, S.C. It is for João (see above) that I made the appeal. May the Lord supply all of our needs.

May the Lord's richest blessings rest upon us all. Pray for us.

# Attend Winter Mission Conference . . . God Answers Prayers for Charlene's Brother . . . Home Opens Up . . .

by Bobby Wacaser

4402 West Keysville Road Plant City, FL 33567 Ph. 813-234-2421 or 737-2362 February 2, 1994

Dear Friends:

We had the privilege of pulling a surprise on those attending the Winter Mission Conference in Orlando, Florida. Neither we nor anyone else expected us to be able to travel until March or April, but God saw fit to open the door immediately. Our travel plans were rather hurried because we received word that Charlene's oldest brother had only 24 hours to live because of liver and kidney failure. It was impossible for us to travel within that time span, so we joined in prayer with our church members and asked that God would spare him, at least until we were able to arrive home. I must admit that when I first prayed that night, I did not believe that he would last out the night. But, as we continued in prayer, God

President - Sidney Fisher 1-606-324-4923

Treasurer - Glenn Archer 1-502-278-2493

Secretary - Edward H. Overbey 1-606-277-4947

strengthened my faith. When we retired to bed at 3:30 a.m., I turned to Charlene and said that her brother would improve and that the doctors would believe that their efforts were responsible for his recovery. I didn't receive an audible voice or any vision, but a calm assurance from God that all would go well until we returned. The next morning, Charlene's father called and told us that her brother's health had improved and that the doctors felt that something they had done contributed to his improvement. We know that they were instrumental in the recovery, but that the real cause of the reversal in sickness was God himself in answer to the prayers of His children. We praise Him and thank Him for it.

We also have great reason to thank God for providing us a home while in the States. We were met at the airport by a relative whom we had never met before. She did not know of our plans, but as she was talking to us she had the idea for us to stay in her home for six months while she travels to see her husband in Argentina and later to assist her daughter in North Carolina who will soon have a baby. What a coincidence, huh?

We love serving God. He's such a caring Master.

Yours in Christ, Bobby, Charlene & Jessie Wacaser Sick and In the Hospital . . .
Building at Ventanilla . . .
Preparing for Conference . . .

by Homer Crain

Apartado 07-0133 Lima 7 Phone: 0115114-564015 January, 1994

Dear Brethren:

First, I want to say I am sorry that I did not get a letter in last month. I had been sick for over a month and kept going thinking I would get better. I continued to get worse. Elizabeth drove me to see the doctor and he looked at me and said, "You need to be in the hospital", so I went again. After 5 days and over \$1,000 of antibiotics, I began to feel better. My throat, lungs and ears were full of infection. I am still on a lot of medicine, but my strength seems to be returning.

We are busy building at Ventanilla and we hope to have the first service in the building in four weeks.

February 21-27 we will host the Thanksgiving Conference here in Ventanilla. The people will be coming from Iquitos, Pucallpa, Tingo Maria, Huánuco and here in Lima, also Tra. Our new building will be 32 feet wide and 85 feet long. All of our people are excited and we expect over 300 visitors from Monday through Sunday and 90 percent of them will stay the full time. The last night of the Conference, February 26, we will dedicate the building and organize the mission into a New Testament Church. Sunday morning we

will ordain the one the church calls as Pastor.

If you will think of feeding and sleeping 300, maybe you will pray about the conference and help us with the expense. This is all being done by faith because the mission is small and most of the people who have a job are working on the building. Four percent of the people have established jobs. That is all over Peru. I will be going to Ventanilla in a few minutes to buy more building material so the men can keep on working.

I have to make another trip to Iquitos (my 7th), since I have been back to Peru and after being home a week I have to make another trip to Huánuco. Thank you for the extra offerings - they are very important at this time.

May the blessings of the Lord be on you and yours and don't forget to pray for Elizabeth and me as you pray. We have a cellular phone and now you may call us at 564015. See the new phone number above.

Please excuse this short letter and I hope to have more strength for the next letter.

In Jesus' Name,

Homer & Elizabeth Crain

#### A MISSIONARY VISION FOR THE FAR EAST

January 4, 1994

327.50

Friends, Ohio (Special Offering) ..... KJW. Fort Myers, FL (Pers. Needs)

Dear Brethren

Our Lord once said: "Pray ye the Lord of the harvest, that He would send forth labourers into His harvest." Recently I glanced through an issue of the "Evangelical Missions Quarterly". In this issue a particular article caught my attention. The article was entitled, "Missionaries still needed - but of a special kind." The writer was a leader among some evangelicals in Asia. His concern was that Asian Churches were in dire need of missionaries who would be effective for the Theological, Religious and Social issues faced by Christians in Asia. Naturally, I thought of Dr. Seo Ku Lee and his vision, burden and plans. The writer of the mentioned article put emphasis upon missionaries who understood the customs, culture, religions, the political, economic, geographical and the languages.

Dr. Lee is convinced that God wants him to start a cross-cultural, mission's training center. In addition he feels led to start an international type of a Baptist Church in the Chicago area. To make this vision a reality, he has given up wealth, power, prestige and earthly fame to come to Chicago where he is convinced God would have him train men and help send them back to their native countries as missionaries.

Pastor Louis Maple and the East Main Baptist Church have been helping Brother Lee. Brother Richard Turner and I were privileged to be with pastor Maple and Dr. Lee just before this past Thanksgiving. The Lees have already begun a Korean work and have reached several prominent people. Brother & Mrs. Lee are seemingly doing all humanly possible to finance themselves and the work. However, to do the job, it will cost millions of dollars. They are in desperate need of your help. I can assure you, I know of no one, anywhere, more sound or deserving of your prayers and financial support.

You see, the Lees are in a sense my wife and my children. We have been associated with them in the Lord's work for over *twenty years*. Should you have any questions about their person, soundness or work, feel free to either call or write me. In fact, I would be pleased to come to your church, home or wherever and share with you his plans, his person or his Biblical soundness.

Sincerely in Christ,
W. Louis Carver, former missionary
and Field Rep. of B.F.M.
