A Greatly Missed Brenda is Back Home ... Visa Problem ... Building Projects Move Forward ... Special Prayer Requests ...

May 2, 1994

Dear Brethren:

"And the Lord God said, 'It is not good that the man should be alone; I will make him a help meet for him'. This verse has never meant so much to me as it has these last two months. Brenda left on March 2nd to go to the states for medical reasons and left me along in Brazil for six weeks with our five children. I love being a daddy. There is not too much in this world that I enjoy more than being a daddy. But, I don't like being a momma. Being a momma is hard work! I don't mean the cooking and cleaning (although that's hard, too). I mean doing the little things only a mommy can do, and loving the way only a mommy can love. I was so glad to see her step off the airplane here in Cruzeiro do Sul.

Not only was I glad to have "mommy" back home, but I was glad to have my wife and friend back also. Brenda and I have always gone everywhere and done everything together. It was really hard being apart for six weeks. I have a great respect for those pastors, missionaries, and evangelists who are on the road a lot. It's not easy being away from the ones you love.

While Brenda was in the states our visas came due for renewal. The federal police here were not very cooperative, to say the least. They allowed me to submit the documents for myself and our children, but refused to let me include Brenda's name in the process. They said she needed to do it at the Brazilian Consulate in the States. But, when Brenda went to the consulate she was told that the renewal had to be done in Brazil. When Brenda got to Miami and tried to board the airplane, they refused

to let her. They told her that her visa was expired and that Brazil would not allow her to enter the country. This happened on Friday and the consulate wasn't open until Monday.

Pastor James Washer picked Brenda up at the airport and took care of her until she could catch a flight out on Tuesday night. I would like to thank pastor Washer and his wife for taking such good care of Brenda while she was working things out. Brenda is now in the country on temporary visa only. We are still trying to work things out so that we can include her in our process. Please pray that this situation will be resolved quickly.

The work here in Cruzeiro do Sul is still moving forward. The new school building is being used though still not finished. The church in Rio Branco is growing and the work in the building is continuing, they now have doors and windows installed and part of the plastering done. The studio is roofed and the walls are plastered, and we are in the process of remodeling and redecorating our church building for our 65th Anniversary Conference. After the conference we will be starting a new program for the youth, and we are hoping to begin construction on our house next month. It's exciting to be a part of a ministry that is continually growing. There is hardly a week goes by that we don't see someone making a public profession of faith, and this is the most exciting thing of all.

Please continue to pray for our family. Pray for Brenda as she recuperates from her surgery and pray that our request for permanent visas will be accepted. Most of all, pray for the ministries here in Cruzeiro do Sul.

In Christ,
Paul Creiglow

MISSION STUDY

by John Hatcher

Living Sacrifices

For the purpose of exercising the God-given gifts, Paul exhorts us to give our bodies as living sacrifices which is our reasonable service. It is only reasonable for a redeemed man to serve the Lord with all his heart, mind and body. He is not his own. He is bought with a price. His body and spirit are the Lord's. So, if you are saved, you are the Lord's. You have only one responsibility - take hands off of self. If God brings you to affliction or suffering, be it a cancerous disease, leprosy or anything else, for His glory that is His business. You have no reason or right to do other than rejoice in the fact that He judged you worthy to suffer for him. Sometimes we are like the Pentecosts with their "divine healing". Of course, we would not admit it. They teach that as long as a man serves faithfully and does not sin he will have perfect health. We like to think that if a man serves the Lord well that it will guarantee having all the comforts of life. The only difference is that one deals with physical health and the other physical or material welfare. Salvation is not a guarantee of either health or comforts in this life. God does promise, however, that His grace is sufficient for every need and that He will never leave us nor forsake us. Some have the idea that because a man is called to preach that he ought to be the best dressed man in town even though

he may have to owe every department store in town to do so. Let us be more concerned about our "putting on Christ".

Profane Persons

It is a dangerous thing to take the holy things of God lightly. One who does so is a profane person. We have the account of Esau who sold the most precious thing in his life for a bowl of soup. Many servants have lost their privilege to serve the Lord for such profanity. They have returned from the mission fields, they have been taken from the pastorates and many have been taken from other fields of service. Once a man is disqualified he cannot regain what he has lost. Moses did not. Esau did not.

Brethren, determine what gift God has given you and pursue that calling, and use that gift with all diligence. Do not let ambition and covetousness disqualify you from the Lord's service. Prosperity has done much damage to Baptist churches and Baptist preachers. We have forgotten that we are to be servants. Prosperity has brought into the ministry many professional preachers. They are the mixed multitude which is ruining the ministers of God. Ambitious souls can be as pious as the Devil. They appear as angels of light, but they are ravening wolves. Brethren, be not deceived by them. Try the spirits.

The Church and the Called One

While the call to the ministry comes to the individual, the sole responsibility, however,

does not rest upon the individual, but the recognition and approval of his ministry rests upon the church. God has "set in the church". God does use individuals but not apart from the authority of the church. It is for this reason that the Bible is clear in its statements concerning the qualifications for the ministry. The church not only has the responsibility of examining and recognizing the qualities in the one called to the ministry, but it also has the responsibility in his training and his going out.

"Except they be sent" indicates that someone has to assume the responsibility of sending (apostling). The sending involves two aspects; authority for doing the work and the financial support in order to do it. The church's responsibility in recognizing the called man, and in the sending and in the supporting is vital in the fulfillment of the Great Commission. A man sent out should be sent with the authority for doing all the work of the Commission: preaching, baptizing and teaching to observe all things. The churches of the New Testament sent out men (missionaries). This fact is seen in the instruction given to the churches in II Corinthians 11:13. They were to beware of those that called themselves apostles (missionaries), for many false ones had scattered themselves among the workers of the churches, the evil ones transforming themselves into the apostles (missionaries) of Christ.

Biggest Flood In Years . . . Run Into Language Problems . . . Raimundo Vieira, A Great Missionary . . .

by Mike Creiglow

Caixa Postal 24 69980
Cruzeiro do Sul, AC
Brasil, S.A.
April 25, 1994

Dear Brethren:

The rainy season finally caught up with us. We didn't have much rain in March, but April has more than made up the difference. The rivers are all out of their banks. This is the biggest flood we have had in several years. The people don't seem to mind. Everyone expects this once every so many years. Everyone is already happy about the plenty of fish the flood brought and will bring next summer. We are so far upstream that the schools of fish only migrate this far in the years that we have big floods. The fish arrive during the highest water and then again in the dry season, when the river is the lowest.

Our missionaries are taking full advantage of the high water. Brother Raimundo Vieira and Brother Sebastião just reported on their last long trip. They went all the way to the Peruvian border and even into Peru for a few days. They got permission to visit 2 villages in Peru. They found out that they could not just rattle off their Portuguese to the Peruvians and Indians and be readily understood. It soon became obvious that they are going to have to learn Spanish if they intend to continue their mission efforts in the neighboring countries. This is good for them. It is another area of sacrifice that must be met if they really want to do cross-cultural missions. On their way back they went into the Breu River, which runs along the border between the 2 countries. While there, they were disappointed again. Most of the people who live in that river are Indians from 3 different tribes. Some speak Portuguese, some speak Spanish

and everyone speaks one of the 3 dialects! This ended up being one of the shortest trips that these 2 men ever made, even though it was the greatest distance.

Brother Raimundo Vieira also gave his annual report for 1993. He made 12 trips into 8 different rivers. In 135 services held, there were 4,044 people. There were 28 professions of faith. He did not give figures for those who he witnessed to during his stops in the daytime. I would say that he probably reached another 1000 people with the Gospel on a personal basis. This man is a great missionary. Not long ago we were concerned for him because his home church was not doing as much for him as we feel he needs. He never complains. He told Sebastião that, "If no financial support comes in, I will still keep travelling and preaching, because that is what the Lord has called me to do."

Things continue to go well at First Baptist Church. Our attendance has continued to be up, although occasionally the rainy season hits at service time. We continue to have one or two people saved every week. I must admit that we can't really complain about the rainy season. One week we had tropical rains Monday through Saturday. Then on Sunday it was a lovely summer day. Monday morning at 5:00 it was back to tropical rainstorms! That Sunday we had a huge crowd in the morning and that night we had over 900 present.

May God bless you as much as He blesses us. Thanks for your prayers and financial aid.

In Christ,
Mike Creiglow

Dear Brethren:

This has been a wet month in Sao Luis. The rains are more than normal.

New Hope Baptist Church: June and I are members at New Hope and the church is being blessed with people being saved and some of the members reconciling. The new pastor has taken over all duties as pastor. I only go there on Wednesday night. They have had two professions of faith this month.

Peritoto Baptist Church: Saturday, April 16, a group from Sao Luis went to Peritoto. It was the 15th birthday of the pastor's twin daughters. I estimated 250 people present for the services. The rains came before the end of the services and that always dampens things.

Anajatuba Baptist Church: June and I

went to Anajatuba on May 1 to be in their night services. The rains came before the services started and kept many away that live a long distance from the church.

Cantanhede Baptist congregation: May 8, June and I went to visit the work at Cantanhede. The young people had prepared a special program for Mothers Day. Brother Satu, the pastor, baptized two. After the services they served everyone a delicious meal.

The mail situation has not improved. The last letter I got from Brother Ed Overbey was sent February 15. We have not been able to balance our checkbook since January, 1994.

May God bless all is our prayer.

May 31, 1994

Dear Friends:

Rejoice with those who rejoice. The First Baptist Church of Cruzeiro do Sul is the oldest Baptist church in the state of Acre. Missionary Michael Creiglow is doing a great work for our Lord as pastor and missionary to the entire western part of the state. The church celebrated 65 years since its organization on the 12th of May. I was the guest speaker for the week of praise and thanks to God, who is making his precious salvation known to the state of Acre. The work is growing and sending national missionaries to new cities and villages way back up in the forest. The services each night were packed with many members standing so the visitors could have a seat. Praise the Lord for this great work, and rejoice that you share a

part as you have given support to our Lord's work in the Acre. Pray for Missionary Michael Creiglow and family and Missionary Paul Creiglow and his family, and be generous and invest in these diligent missionaries with Baptist Faith Missions.

Wanda and our children are doing fine. Each family member is busy for the Lord. God is so gracious to us. Leigh has adapted well to college life. We miss her and thank God for her. Pray for our ministry in Manaus and the mission works. May the Lord Jesus Christ be glorified in all things, especially the saving of souls and the edification of the believers.

God Bless You.

Church Celebrating 65th Birthday . . . Great Growth . . . Seven Saved . . .

by Mike Creiglow

Caixa Postal 24 69980
Cruzeiro do Sul, AC
Brasil, S.A.
May 25, 1994

Dear Brethren:

This month First Baptist Church of Cruzeiro do Sul celebrated her 65th anniversary. The church was organized on May 12, 1929, with 13 charter members. Brother Joseph Brandon, who performed the organization service, had only been working in Cruzeiro do Sul for 3 years. The church remained small and even struggled to survive during the 50's and 60's.

Today the church has over 500 active members. I have told you many times about our attendance, which is much larger than our total membership, at least every Sunday night. God has blessed and our church has grown to be the largest, with the largest building, in the state. This church is also the oldest in the state.

To celebrate all of this we held a 4 day meeting, from Thursday through Sunday. We did some remodeling of our facilities as part of the preparation. One week we had to have services (Wednesday and Friday) in the children's Sunday School building. The auditorium there is just a couple of feet shorter than our old church building was. All of those members who are still with us from 16 years ago when the church called me as pastor, were surprised to see how overcrowded we were for prayer meeting, in the same size building. Sixteen years ago our whole church could be seated comfortably in that space and with even fewer pews. It was good for everyone to grasp a little better what the Lord has been doing for us.

Paul Hatcher was our speaker. He brought his wife, Wanda, and youngest daughter, Michelle, along. We also had a good group of our members from our congregation in our state capital, Rio Branco.

We had the building full every night. On Sunday night we were over capacity. One of our men counted over 100 people standing around outside, in the street, because there wasn't any more room inside. About 100 people spent the whole service standing in the vestibules and side halls! There were over 1,000 people in this service. We had several requests for baptism and a few backsliders coming back into fellowship. There were 7 people saved during this meeting.

There were 2 groups of young people who performed special music each night. Used to be, up to not very long ago, I had to head up any musical groups - not so anymore. Music and other ministries are finally becoming less dependent on me. This is a huge blessing. Our church choir (40 members) also sang every night.

The meeting was a success, except for one thing. I was not able to advertise and invite over TV and radio because we would not have had any place to put people. This is unsettling and bothers me. We must pray and find ways to reach all of these people in our own personal Jerusalem.

I have some exciting news from our missions up river, but I am not telling until next month!

May God bless all of you. Thank you for your constant prayers and support.

In Christ,
Mike Creiglow

"Teach Us To Number Our Days" . . .**6 Decisions for the Lord . . .****A Busy and Blessed Month . . .***by Harold Bratcher*

Dear Brethren:

Moses prayed: "So teach us to number our days that we may apply our hearts unto wisdom". Psalm 90:12. The Apostle Paul speaks to us saying: "Redeeming the time, because the days are evil." Ephesians 5:16.

For three nights - April 21-23 - I led a study on Evangelism at the "To Love" Baptist Church located in the II New City suburb of Manaus. The Lord gave us a high attendance of 50 and two decisions. Sirone Ramos do Nascimento is the pastor.

Sunday morning, April 24, I preached to 31 at the 29th of March Baptist Mission. That night in the same suburb I preached to 70 at the Multirão Baptist Church. The Church is without a pastor. The first vice-moderator is Jaisse Barros Saraiva.

Saturday night - April 30 - I performed the wedding ceremony for a couple with two young sons at the "March" Mission. I hope to soon baptize the bride. Sunday morning found us back at the Missions. 25 people heard my message. That night, Ediberto Ribeiro da Silva preached at the Mission while I preached at a Mission of the Monte de Oliveiras Baptist Church in the Nova Floresta suburb. Brother Gilmer

Domingos Morais da Silva is the lay leader. The Lord blessed in the celebration of the Mission's first birthday with an attendance of an estimated 100 - standing room only. Four adults responded to the invitation.

Saturday night, May 7, and Sunday morning and afternoon, I preached at the New Jerusalem Baptist Church in the interior. Harold Bratcher is the pastor. The Lord blessed with 91 in Sunday Bible School.

I am happy to report that of the 17 sermons I preached during this "Mission Sheet Month", Marie - my wife of almost 40 years - heard 16 of them. Last Sunday we were back at the "March" Mission for both services.

Tuesdays, Thursdays and Fridays I am the Old Testament professor at the two Bible Schools. Each Wednesday night I lead Prayer Meeting at the 14th of December Baptist Church where Asa Mark and I serve together. He teaches that night.

Pray for us that we may be faithful and firm until the finish. We thank you for your prayers and offerings. Continue to pray and give. "God be with you 'til we meet again."

Cold Spell Brings Low 70's! . . .**Report on Works . . .****Wind Damage Keeps Me Busy . . .***by Harold Draper*

May 17, 1994

Dear Brethren:

How time flies! We are in the month of May already. I'm sure all of you are glad the hard winter has passed. We had our first cold spell here of the year. It got down in the low 70's and we were wearing long sleeves. But we enjoyed it immensely.

Both Ursula and Michelle are having birthdays this month. Michelle is about to finish the third grade. She is looking forward to the summer vacation. Ursula is too, since she has to help with the homework.

All of our works have had steady months. We are all concerned with the political situation here. It looks like a leftist President may be elected. But we must leave that in the Lord's hands and just be about the job the Lord sent us here to do. We continue to help out at the Chacara dos Pinheiros work on Sunday mornings. We have night services at the Altos do Coxipo work on Wednesdays, Saturdays, and Sundays. I have not been recently to the Novo Diamantino work. The last time

I planned to go, I got down in my back and sent the pastor from the Boa Esperança church in my place and took care of the work here in town for him. All seems to be stable there.

There was one profession of faith at the Chacara work this month. Also a wedding was performed there as well as a service in the town square with about 200 in attendance. The wind destroyed the roof completely on our storage building at the Altos do Coxipo work. Also it damaged the roof on the church building. We fixed it and then the next week the wind tore off some roof tiles again. But that all makes up the work schedule as well as teaching and preaching. The Lord is good. We are blessed above measure.

We pray that the Lord will continue to bless all of you there and make his presence known in your lives and churches in a special way. Pray for us here. Thanks so much for your faithful support.

In Him,
Harold M. Draper

Dear Friends:

"Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me. Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; they are white already to harvest."

Forty-eight years ago God spoke to my heart. I said, "Here I am Lord, send me". This year Alta and I complete 39 years in Brazil. What a wonderful privilege God bestowed on us.

This week is full of God's blessing. The Lord willing, we will pay the last \$5,000 on our building in Cornelio Procopio. An offering from the Tabernacle Baptist church in Manaus made this possible. Also, today or tomorrow, I hope to purchase two lots here in Urai for the building of a church building in the future. The cost of the lots

is \$7,000 plus costs of transfer, register and taxes. If you would like to share this blessing with us, send your offering for John Hatcher Work Fund or for Urai Lots.

Thank you, all who sent birthday cards. That is right - 69 years on April 30. I must be getting close to being old for they say you are getting old when you burn the midnight oil by 9 o'clock. That seems to fit me.

Brother Sebastian, the 65 year old man baptized in Urai certainly seems to be enjoying his new life. He never misses a service and everything about him has changed. Yesterday we had a new woman in services in Urai. Visitors are few. The six regular services in Cornelio and Urai continue as well as seminary classes.

Thanks for praying, giving and holding us up before the Lord.

In Christian love,
John and Alta Hatcher

May Report on Dr. Seo Ku Lee

Dear Brethren and Sisters in Christ:

We do appreciate all your prayers toward our ministry in Christ. We are earnestly awaiting the Divine fruits in the future.

We distribute our gospel paper, that tells of our work, to four hundred houses per week, we do this door to door. Some have written to request further information about our Korean work; two have called on the telephone, one of which attended one service, and the others want to keep in contact with us.

We have a Korean service from 2 P.M. to 4 P.M. in the chapel of the Villa Redeemer, just off a main highway in the area. The attendance goes up and down, but it is about 15 on the average. We are praying for 40 in this year.

We have started a home-Bible study on Wednesday nights in a Korean home. One young Christian couple has joined the Bible study. We need to pray for the couple to grow and have the Biblical Baptist faith through the influence of the Bible study.

Every Friday night our group has special prayer from 9:00 PM to 12 midnight for the particular needs of the ministry.

We are counseling a Korean family who has problems with their children. We are trying to bring Jesus into the family to solve their problems. They need prayer for accepting Jesus.

We request prayer for ten dedicated co-workers to be charter-members of our ministry. We need your prayer for spiritual power to go forward step by step with patience.

Thanks in Christ,
Your Brother in Christ,
Seo Ku Lee
