FURLOUGH HOUSING -CAN YOU HELP?!

The Lord has blessed Baptist Faith Missions through the past years with four houses in Lexington, Kentucky which have been used for our missionaries when on furlough. These houses have been a great blessing to our missionaries. However, in the last few years we have found that the houses were sitting vacant more and the upkeep was high.

The Directors decided to sell three of the houses and to establish a fund which will be used to rent places for our missionaries when home on furlough. Some of our missionaries cannot be away from their work for a year. They would rather take a furlough of a few months and get back to their field of service. Some would like to be located at furlough time nearer their family. It is difficult to find an apartment or house for just a couple of months and at different places in the U.S.A.

How can you help our missionaries? There are churches which have an apartment or house which is used for visiting preachers. If you would be willing to make these available to our missionaries when not in use, please let us know.

Perhaps you would be willing to look for places in your area to house a missionary and his family and let us know what is available. Perhaps a church of Sunday School class would like to take this on as a missionary project.

We would appreciate your thoughts and help in this matter. Our desire is to make our missionaries as comfortable as possible when home on furlough. Can you help us? If so, contact us by letter or phone. Our address and phone number:

A Wonderful Testimony...

June, 1994
Dear Friends:

Alta and I have enjoyed the Lord's presence as we kept busy this month. Eight mornings we visited from house to house with other persons in Cornello Procopio. Here in Ural, Alta and three young ladies gave out

our church paper from door to door. After two days at the computer, the new paper was taken to the printers at six-thirty Monday evening. On Tuesday we went to Garça where I taught seminary classes for three nights. We returned home after the last class on Thursday night, arriving home at about two in the morning. The next morning we went to exchange money and get the papers at Londrina, a trip of about 80 miles.

We have five young men and three young ladies in the seminary classes who show dedication and desire to serve the Lord. Please pray for them. The greatest need in the work here, humanly speaking, is good pastors. This month two lots were purchased here in Urai. These are now waiting for a building. Pray with us, that this may become a reality soon.

Now, for special blessing of human interest in the testimony of a christian mother of four boys. Mother and father and sons are all saved. She writes:

"Jesus is the Lord of my life. During a large part of my life I heard about Jesus and knew that God, the Creator of everything, existed. Funny how a lot of people see the same way I saw. To know that He exists, we all know, but to have Him with us all the time is not everyone's privilege. I was able to enjoy this joy and pleasure, when one day I surrendered my life to

John and Alta Hatcher

Him. It was so simple; I gave Him something that was worth nothing and received in exchange real life that never will be taken from me. Now I am happy and content because I sense His presence in my life. I know that He cares for me. This is so marvelous.

I am full of defects and I am ashamed of them for I know this grieves my Jesus. He knows this for He knows me inside and out. He knows that I want to please Him and I attempt to correct my life. I am thankful for all He has done for me

Many are looking for ways that will take them to this peace that they cannot find. Most of the time the way they choose is wrong and leads them to a great deception. The only way that can bring them to the safe port is Christ. He is within the reach of all who will only look to Him. He is very close."

That makes you glad to have a part in winning the lost, doesn't it?

In Christian love, John and Alta Hatcher

MISSION STUDY by John Hatcher

Teach the Qualifications

It is the churches' responsibility to teach the church and the young men the qualifications that God has set down in the books of Timothy and Titus. Let the church not wait until the young men have messed up their lives and then teach these truths. We must recognize the authority of God's Word in the selection and approval of missionaries. Writing to the church at Ephesus, John writes, "I know thy works and thy labour, and thy patience, and how thou canst not bear them which are evil: and thou has tried them which asy they are apostles (missionaries), and are not . . ." Revelation 2:2. They are to be tried by the Word of God.

The Man Important

In the matter of the church doing missionary work (whether near or far), the individual is the decisive factor in the success of the work, humanly speaking. In a new work the most important thing is not the selection of a location, the selection of a building or any other secondary thing. The most important item is the selection of the man that God has chosen for the job. Prayerful selection of the right man is important. The

success of the work depends on getting the man that the Holy Spirit of God has selected for the work. His success will depend on his trust in the Lord and the leadership of the Holy Spirit. A man should not be sent out to do mission work unless the church has been led of the Lord to ordain him for that task. Do not expect the man to haul every convert back to the mother church to be baptized, etc. Send a man out with the authority that he needs, to baptize, organize, administer the ordinances, and ordain. Mission work is not for the purpose of enlarging "Mama Church" but the producing of other churches.

As has been stated, the vital element in a new work is the choice of the right man. He must be a man called of the Lord who has a burden for the work and commissioned for the work of the church. In missionary work there are problems that arise no matter how carefully you try. It is like that in any worthy effort. Perhaps the church will say, "Maybe he is not ready to be ordained". Then do not send him out. Young preachers in the churches ought to be given ample opportunity to preach (not in the pastor's place) in meetings such as: rest homes, street meetings, Sunday School work, etc.

New Work Conducted on the Lord's Day

The Lord's day is the best day for doing His work. I feel sorry for the pastor who wants a man to go out into a new area for the starting of a new work, but only wants him to go during the week so the Sunday attendance will not fall. Remember that in the Lord's vineyard the work multiplies by dividing. The day for services to be held in a new work is on the Lord's day. I do not think that you can only preach on Sunday. However, the principal day for the work of the Lord is the day which belongs to Him. It is the day that more people are free to come to

church services.

It is the work of the church to "commit these things into the hands of faithful men". Faithful men do not just happen. Faithful men are produced by growth in the grace and knowledge of our Lord Jesus Christ after they have been saved. It is the churches' business to teach the doctrines and establish its members in the faith. Every church should be a Bible school for its members.

Cruzeiro do Sul, Acre, Brazil June 28, 1994

Dear Brethren:

Last week we had our first big cold front come through with temperatures in the low 50's. This usually means the beginning of summer. The rains let up, the humidity drops, and the evenings cool down. Now, more than ever, we are busy.

This month we had our annual Sweethearts Banquet and we had 20 couples sign up for the big event. We rented the Officers Club at the local army base, had the food catered and served by waiters and waitresses (our 3 oldest children and another girl from the church), and decorated a large gazebo with red and white balloons, hearts, and tables decorated with candles, placemats, napkin holders and a silk rose for each of the girls to keep. For the average youth group in the states this may not sound like anything special, but if you'd ever been to Cruzeiro do Sul you'd know that this is something very special.

Next month we will start our Sportathon. We will form teams to complete in both indoor and outdoor soccer, basketball, and volleyball. We will award medals to the top 3 teams and a trophy for most valuable player. Also this summer we have 2 children's camps, a youth camp, a couples and ladies retreat planned, as well as our regular youth activities. It will indeed be a busy summer.

The Lord has given us many special blessings this month. First of all, we

started construction on our house this month, which is real exciting for us. They are working on the foundation now and we hope to have the walls up within the next couple of months. Brenda's niece, Karen Pennings, graduated from high school this month in Richardson, Texas and decided to spend her summer before starting college with us here in Cruzeiro do Sul. We are really enjoying having her here and I know the Lord will bless her and that this experience will have an impact on her

We had 2 of our young people make professions of faith this month and 2 professions of faith this month and 2 others requested baptism. Although our attendance on Saturday nights is down, spiritually the Lord is still blessing our group. But the greatest blessing for the Creiglow family this month, was when our 5 year old, Alyssa, accepted the Lord as her Savior and went forward to make a public profession of her faith. Then a few public profession of her faith. Then a few days later she came to me and said, "Daddy, I need to get baptized, don't !?" and that Sunday evening went forward to request baptism. She is now witnessing to her little brother and telling him he needs to accept Jesus as his Savior also. Please pray for Alyssa that she will continue to have this kind of excitement for the rest of her life.

Thank you for your continued prayer and support; because of them our blessings are your blessings also.

In Christ. **Paul Creiglow**

Dear Brethren

Sunday, May 22, I preached at both services at the 29th of March Baptist Mission, 35 in the morning and 20 at night. Sunday, May 29, I preached to 95 at the Good News Baptist Church in the Compensa II suburb where Brother Edisson Campos Braga is the pastor. At night I preached to 24 at the "March"

Marie and I attended both services at Marie and I attended both services at the 14th of December Baptist Church on the 5th of June. That morning we witnessed Asa Mark baptizing 13 including three from the "March" Mission. At the night service the Church bade Asa Mark, Lucinilda, Marcia, and Luci Marie farewell for a year. Many tears were shed. Asa Mark served the church faithfully during almost two years. He has had a very fruitful ministry. They will be missed and

we are already praying for their return next June. We pray that they will be blessed and be a blessing to many of you during their furlough year.

Once again I am the pastor of the church. Pray for us as Marie and I work with the saints at the 14th of December Baptist Church. Last Sunday morning I preached to 314. It was "Pastor's Day". We received a warm welcome. That night preached to 178.

Saturday night, June 4th, we attended the graduation service of the "Centro Teologico Batista da Fé." The service was held at the Church. I'm sure that Asa Mark as founder and president of the school will supply you with more details.

Pray for us that we may be faithful and firm until the finish. We thank you for your prayers and offerings. Continue to pray and give. "God be with you 'til we meet

Cantanhede: I have made three trips to Cantanhede taking building material. I always plan these trips so as to attend the services. Brother Satu, the pastor, baptized three June 5th. I had taken the elements and material for the Lord's Supper. All 21 members were present.

Living Hope Baptist Church: Brother Jose, the oldest member of the church, went to be with the Lord. He was 74 years old. Brother John, their pastor, and I preached his funeral at his house before

we took him to the graveyard.

Thursday, June 16, our son-in-law Mauricio came from the states bringing five of our grandchildren with him. Three are his and Cathy's, two are Rick and Mary Ellen's. The children will stay with us for two months. Mauricio will return to USA in three weeks and then Cathy will come for two weeks to take them back home. We will have a busy summer. We now have five children at home just like we had a few years ago. The problem is that June and I are both getting older. We love our children and grandchildren. They brought us a video tape of our newest granddaughter, Morgan Bean, born May 1, 1994. Her parents are Jonathan and Shannon Bean.

A Church in a Terrible Mess . . . Pray for Them . . . Tingo Maria a Good Example . . .

by Homer Crain

Apartado 07-0133 Phone: 0115114-564015 June, 1994

Dear Brethren:

I am writing the letter from Tingo Maria. We drove across the Andes Mountains, came through Huanuco and we have been working on the building in Aucayacu and we will be here at least until next Tuesday.

Two weeks ago Elizabeth and I went to Iquitos and found the first Baptist Church divided and in the greatest mess in which I have ever seen a church. Seventeen of the most faithful members for many years accused the Pastor of many immoral acts, even using the Church building to commit them. The 17 made a motion and sec-onded to dismiss him as Pastor. By counting people who had been excluded and others who had not been baptized, they were outvoted by four votes.

The pastor called a secret meeting the following day and had the 17 excluded. A group of the local pastors went to him and, because of all the proof, they recommended him to resign to save the Church. He refused and made many threats against them. Finally, last week he confessed to all the charges and it looks like he will resign.

I had gone there to sign over the roperty to the First Baptist Church, but I told them until the 17 were restored back to fellowship and the Pastor to resign, I would not sign the property over to them.

Some of the people will leave with the Pastor and then fellowship will be restored. Pray for the Church that she will be able to get back to the main business of the Church, winning lost souls and baptizing and teaching the saved.

Probably this week while I am in Tingo Maria I will be able to sign over the property to the Church here in Tingo Maria. I preached Wednesday night to a great crowd and when I announced that I was to sign over the property to them, they were very excited. This is truly a great Church. They have the largest attendance in Sunday School and Church of all our churches in Peru.

At Ventanilla, the new Pastor seems to be getting the Church ready to start reaching people for the Lord. In another week we are supposed to receive the title to the property. I have always been busy but not like I have been since I came back in July last year. And it looks like I will really be busy as long as I will be in Peru

As I go back through Huanuco on my way back to Lima, I will meet with a group of the Pastors and have lunch with them and plan to buy land for the youth camp.
They plan to use the camp for youth itime of school break and have retreats for families. Pray for us as we continue to reach the lost here in Peru.

Dear Friends:

Greetings once again from Peru. While you are enjoying your hot summer time, we are persevering through nasty, cold winter of Peru. when you cross the equator, the sea-sons change. But, isn't it great to know that no matter where you are in this old world (whether it's hot or cold), the Lord never changes. He calls out and saves His elect in all parts of the world and then keeps them by His power! He continues to be most gracious to my family and me here in Lima, the capital city of Peru. My wife, Anita, and I are certainly going through some financial trials at this time, but we know the Lord has a purpose for it all. It is a joy to be married to a woman who can accept these things as the Lord's will for us. By accept it, I mean to rejoice and not complain.

We celebrated our 20th wedding anniversary on the 7th of June. Lord has blessed our lives with two, healthy, christian children that love and serve HIM. Also HE has blessed our ministry with many souls and victo-ries over the past years. We praise HIM for HIS goodness to us.

The works out in Pucallpa are doing well with the exception of Grace Baptist. They are down to a few members and struggling. Please pray for them and their pastor, Pedro Aquino. Brother the new director of the Poma, Pucallpa Baptist School, is doing a good job and reports that "all is well" for the school. Please continue to pray him also.

Our work here in Lima is doing We've had some new interest in the "Bible Doctrines" class that I teach. Last week I had 16 students. This class continues to grow. This is an informal class in which I let the students ask questions and we have open discussion of the subjects. This gives me the tunity to share in depth with them the Word of God. Our regular services continue to be well attended. We've had few saved recently, but many are

coming forward in almost every service to repent of sin and ask for prayer. I believe the work will grow more when we are able to build a larger sanctuary. We get crowded now and this sometimes discourages folks from attending. (It shouldn't, but it does). Please continue to pray with us that we can soon pay off the loan we had to make to buy the property. We can't build until the property is paid off. The funds sent to Baptist Faith Mission each month designated for the "Stanton New Work Fund" go toward paying this debt off. My wife, Anita, and I certainly appreciate all the help and sacrifice that many of you are making in behalf of the Lord's work here in Lima. Thank you for being faithful.

Statistics for the 1994 census are now available. I would like to share with you some of the following figures:

In the capital city of Lima, where we live and work, there are approximately seven million people (7,000,000). Ninety six percent (96%) of these are Roman Catholic Of the four percent (4%) that's left, one percent (1%) are included in a group we would call Non-evangelicals, (Jehovah's Witness, Moslems, Atheist, Judaism, Oriental Religions, Mormons, etc.). This remaining for Evangelical (Pentecostals, Protestants, Baptist, etc.). According to the statistics, the Evangelicals total approximately 213,000. Half of these are Pentecostal. There are about 24,000 Baptist, and the statistics of the statistics o costal. There are about 24,000 Baptist in Lima, a city of 7,000,000. (This includes Southern Baptist, Independents, any church that put Baptist on its sign). This represents about one third of one percent (.34%). The other one percent consist of the Protestant denominations.

We need more prayer, more support, and more missionaries to wage battle. As you can see, the field is truly white unto harvest. May God continue to bless each one. We will write more next month

About 170 in Weekend Classes . . . Report on Church Camps . . . Organize Church at Porto Velho . . . Twenty Professions of Faith . . .

by Paul Hatcher

Av. J. Carlos Antony, 172 Manaus, Amazonas 69.065-150 Brazil July 5, 1994

The Lord continues to bless His work here. We are two weeks into the new Seminary session with about 170 students in weekend classes. Nine different courses are being taught on the weekends. During the week we have 35 students taking 5

different subjects.

Dear Brothers and Sisters:

The Day school is now in midyear break which will last the entire month of July. This week I am with the students from grades 5 through 8 at the Church Camp. is an annual event that enables us to concentrate on the spiritual needs of the students while they are not involved in studies. The ratio of counselors to campers is about 1 to 4. During the school year they take regular Bible Classes as the required courses. We have another week of camp for the graduating 8th graders at the end of the school year. Most of the students who graduate from 8th grade ach year have publicly professed faith in Christ during the time they attend the school.

Michelle, our youngest child, turned 15 years old today. Turning 15 years old is the significant birthday in this culture and is usually marked with a major party. Michelle chose to go with us to the State of Acre instead. Our last letter told about that trip. The kids at camp where she is serving as a counselor this week are planning a special party for her.

Next week we will be having a week of camp for young teens.

It was a privilege to go to Porto Velho last week to formally organize the church that has been a mission project from Tabernacle Baptist Church. There are many young adults and couples among the 65 charter members. These are very actively involved in the Lord's work. They have already started a mission. Taber-nacle Church gave money to purchase a lot for this new endeavor and the people from the Porto Velho church are doing all of the work to construct a building. Last week they started by going to dig their own sand. The newly organized church sup-ports its own pastor, who serves the church full time

Tabernacle Church has been having a evangelistic thrust once every unday. Our last one was three sixth Sunday. Our last one was three weeks ago. We had about 1,000 in attendance. All of the visitors were a result of word of mouth invitations. We did not print any formal invitations for lack of space to accommodate any more. About 20 individuals made professions of faith.

Continue to pray for us.

In Christ. Paul Hatcher

Taking a Short Vacation . . . Report on Altos do Coxipo . . . Thanks for Giving to Building . . .

by Harold Draper

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. June 15, 1994

Dear Brethren:

Michelle is out of school for the summer. We are taking a short time off. The heat of Cuiaba is very tiring and we are enjoying being away for a little while. Our work is going along at a good pace. We have now completed two years of this term. It has been a good two years, but not without its ups and downs

We are about ready to dedicate our tital personal time to the work in Altos do Coxipo. We have two more years before furlough time in which to get the work well established and organized. We have a Brazilian helper there, but are not sure that he is the man who will be the pastor. It is so hard to find dedicated workers who will "sell out" to the Lord's work. That is a worldwide problem from what I observe.

The pastor at the Chacara church has

a new job that hopefully will work out. We are badly needing for him to be able to be on his own. He has progressed but still is learning how to lead the work. He has made some mistakes. I guess that is to be expected considering it is his first work.

Once again we want to thank all who have helped us pay off the building at the Altos do Coxipo work. We would never have been able to build a building as good as this one for twice the money. The building is located in a new housing project and in the near future will have many new families living nearby. We are the first church of any kind and the only one in this new neighborhood. This is also true of the Chacara dos Pinheiros Church and the Boa Esperanca Church. Pray for

In Him

June Report on Dr. Seo Ku Lee

Dear Brethren and Sisters in Christ:

We thank you for your encouragement with the spiritual activities that some of you are doing in the church. We recognize that only prayer and Bible study make the souls change into God's way. We sow the seed of the Gospel, sometimes we water the souls with the Word of God, and sometimes we take care of the dysfunctional with the Divine Spirit.

We distribute our gospel paper usually from door to door and have fruit resulting from it. Through the home Bible study, we can make spiritual progress to understand the Divine Programs that are committed unto us.

We have spiritual power through the Friday Night Prayer Meeting, and pray for ten dedicated co-workers to be charter members of our ministry. Two families are praying; regarding their joining our ministry.

We need your prayer for the family that I have been counseling. They have a big problem that they cannot solve. They need to trust God for both small and large problems, so I hope that this is the right time to bring Jesus to them. Our God is the Wonderful One who can use the worst as the best at the right time.

Thanks for your praying, giving and encouragement to us. May God bless all of you.

Your Brother in Christ,
Seo Ku Lee
