#### FURLOUGH HOUSING -CAN YOU HELP?!

The Lord has blessed Baptist Faith Missions through the past years with four houses in Lexington, Kentucky which have been used for our missionaries when on furlough. These houses have been a great blessing to our missionaries. However, in the last few years we have found that the houses were sitting vacant more and the upkeep was high.

The Directors decided to sell three of the houses and to establish a fund which will be used to rent places for our missionaries when home on furlough. Some of our missionaries cannot be away from their work for a year. They would rather take a furlough of a few months and get back to their field of service. Some would like to be located at furlough time nearer their family. It is difficult to find an apartment or house for just a couple of months and at different places in the U.S.A.

How can you help our missionaries? There are churches which have an apartment or house which is used for visiting preachers. If you would be willing to make these available to our missionaries when not in use, please let us know.

Perhaps you would be willing to look for places in your area to house a missionary and his family and let us know what is available. Perhaps a church or Sunday School class would like to take this on as a missionary project.

We would appreciate your thoughts and help in this matter. Our desire is to make our missionaries as comfortable as possible when home on furlough. Can you help us? If so, contact us by letter or phone. Our address and phone number:

### MISSION STUDY

by John Hatcher

### Personal Preparation

"As thy days, so shall thy strength be". (Deuteronomy 33:25) Another way of saying this is, "As a man soweth, so shall he reap." Reaped in older life is the product of seed sown in younger life. I remember hearing of a young fellow, a farm boy, who decided one day, as he carried a newborn calf toward the barn, to lift the growing calf each day to see how large it would get before he would be unable to lift it. Day after day passed and as the calf grew so did the strength of the lifter. When the animal was full grown the fellow was still able to lift her. It was a day by day process. "As thy days, so shall thy strength be." What you will do tomorrow or next year or the next ten years depends on your life today in many ways.

Many things that are prominent in my mind today as a father and as a husband are what were impressed upon my mind throughout the years of home training. My dislike for funny books and cheap magazines and literature comes from the fact that these were not allowed in the home where I was reared. Mother and Dad did not permit such in the home. We were never allowed to play with guns or even, as little children, to point our fingers at people as if pretending to shoot them. My father never owned a gun. He had to borrow one from the neighbors when the time for hog killing came. Today, if I see my children pointing their fingers at someone as a gun, I do the same thing that my parents did.

This principle is true in spiritual things. Someone asked, "When should a preacher's training start?" "With the grandanother answered. This mother. true in the life of Timothy and it should be true in our lives. Maybe you did not have that blessing and privilege, but you are going to be a grandparent, in all probability, so start on the next generation. Personal preparation will depend on personal training. "But strong meat belongth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil." (Hebrews 5:14) Not good and evil. (reblews 5.14) Not every christian can discern between good and evil. Persons who quibble over questions of what is right have not the ability to discern the good and evil. A christian comes to this place or acquires this ability by growth in the knowledge of God's Word. This verse cited teaches that men come to the place of spiritual discernment through a habitual use of their senses. It is like a man who keeps in good physical shape through daily physical exercises. It is by habitual use. Constant, day by day use of certain exercises, whether weight lifting, wrestling or other types of exercises that develop a man's body. It is to be the habitual exercises of our mind in spiritual things - by the word of God -that we become able to discern between good and evil. It takes daily use. It is not possible to store up enough exercise for a month or a year. Exercises cannot be stored up. "Who have exercised . . ." stored up. "Who have exercised . . . carries the idea of gymnastics, the taking

BROTHER H. H. OVERBEY PASSES AWAY

Hafford H. Overbey, 92, was born in Murray, KY on January 16, 1902 and went to be with the Lord on July 28, 1994 in Lexington, KY. He was raised on a farm in west Kentucky by godly parents and was saved as a young man. He was married to Grace Morris on November 28, 1922. They had eight children. His wife died on January 29, 1971. He married Maude Duncan, a widow, on February 27, 1976.

Before he was called to preach, he taught school and worked in the business world. He was called to pastor the Twelve Ryan Baptist Church in Warren Michigan in February, 1944. He pastored this church for 35 years. He and Z. E. Clark began Baptist Faith Missions fifty-three years ago. He served as Executive Secretary and the Editor of the Mission Sheets for 40 years.

He was faithful in doctrine and practice. He was dedicated to Christ and His work of spreading the gospel and starting New Testament Baptist churches in all the world.

He is survived by his wife, Maude, six children, many grandchildren and great-grandchildren. He is also survived by four step children and many step grandchildren and step great-grandchildren. Two sons preceded him in death.

He has gone to be with the Lord, but his testimony and work go on. We do not sorrow as those who have no hope, but we request your prayers for God's grace and strength.

It was his wish that gifts for Baptist Faith Missions be given instead of flowers.

of exercises in a gymnasium, for the purpose of developing the body. The need of the servant of God is to enter into the spiritual gym and take some exercises toward godliness. Exercise is taken for the purpose of attaining a strong body and exercise in spiritual things is for the purpose of attaining godliness.

Physically, there are the exercises of toe-touching, push-ups, wrestling, shadow boxing, etc. What are the spiritual exercises? Prayer, forgiveness, confession of sin, study of God's Word, singing praises, and abstaining from the appearance of evil are a few of them.

Forgiving your brethren is a tough "push-up". Loving your wife as you love yourself, claiming God's promises and witnessing are also exercises that you should try to master in the spiritual gym. I remember reading the testimony of a man who with his family decided to search out a promise each week to claim for their own by faith. At the end of the year they felt it had been the most happy and blessed year of their lives. "Exercise thyself unto godliness." Take spiritual gymnastics. These exercises should be taken daily. They will keep you limbered up to where you can bend to humble yourself before God and man. "The Word of God is profitable for godliness, for doctrine, for reproof, for instruction in righteousness". The only way for a servant of God to be thoroughly furnished for his job is to be exercised in the study of the Scriptures.

Dear Brothers and Sisters:

The month has passed so quickly that the time for another letter slipped up on me. The physical death of Brother Hafford Overbey certainly reminds us of the brevity of life here in this world. We, who are on mission for God, need to be avidly about our Father's business. The night is coming when no man can work.

Hafford Overbey, the founder of Baptist Faith Missions, impacted my life and was very instrumental in the existence and ministry of Tabernacle Baptist Church, where the Lord has placed me as pastor. Many do not know that Baptist Faith Missions began incidentally when the Lord led Hafford Overbey to commit himself to raising the support needed by Joseph Brandon. Hafford Overbey, who was not a pastor at the time, assured Missionary Brandon that, if he would commit himself before the Lord to raise the funds needed.

Missionary Brandon did return to the work in western Brazil (where Mike and Paul Creiglow work today) and Hafford Overbey did raise the money to meet his needs. The Lord used Hafford Overbey to stir others to mission activity and stand behind those who went. Mission work beyond the borders of the United States was his passion. May God help us to be passionate about our service in His Kingdom.

One of the early converts to the Lord in the State of Acre through the ministry of Joseph Brandon was Francisco Santiago. Born a decade before this century began, Francisco Santiago was moved by God (before he was saved) from the east coast of Brazil to the western border of Brazil in the jungles of the Acre territory. There, the Lord used Joseph Brandon, in the face of deadly persecution, to lead Francisco and many others to the Lord.

Francisco Santiago descended the Jurua and Amazon Rivers by canoe doing mission work. This is a trip of thousands of

miles because of the meandering of the Jurua River. He started five churches. The last of these was Tabernacle Baptist Church in the city of Manaus. Brother Brandon came down from the Territory of Acre to assist in the formal organization of the Tabernacle Baptist Church as authorized by the First Baptist Church of Benton, KY.

Pastor Hafford Overbey had an impact on my life and the life of our entire family. One of the highlights of my childhood was his visit to us in 1963 for the Graduation Ceremony of the first Seminary class. We listened for hours as Hafford Overbey told about the work of God in his life. Visiting in the Overbey home was the first item of each furlough. Brother Overbey dedicated himself to us for the week that we spent with him at the beginning of each furlough. We were especially privileged to have our lives touched by Hafford Overbey. May God help us to be faithful in our commitments to the Lord as Hafford was in his.

On July 24, Tabernacle had a special evangelistic emphasis toward the families of our church members. Ten individuals publicly professed faith in the Lord on this day. One family had representatives from 5 generations present. One couple present, parents of one of our chapel leaders, have bene married for 56 years.

The Seminary has started a new 6 week module with about 200 students. The Day School is also back in session after the mid year break. This coming weekend we will be having camp for youth.

God is good and is enabling us to continue in the wonderful mission of being fellow laborers with Him. What an awe-some privilege and responsibility!

May God bless each member of the Hafford Overbey family at this time of loss.

Dear Friends:

God has given us many blessings this past month. One was having our grandson, Judson, with us for a two week visit. This is the first time he has ever spent time with us alone. He and his grandmother, Alta, went to visit the beautiful and famous water falls of Foz da Iguaçu. This is where Brazil built the gigantic electric plant that supplies power for Uruguay and the majority of the electric power for Brazil. During his visit we talked together about the Bible, about family history, and about the Lord's will for our lives. Judson is 17 and will be going to the States for college in the next few weeks. It seems like only yesterday that Alta and I boarded the airplane to return for Brazil and left our first three children in the States to study.

Judson is dedicated to the Lord and plans to use his life to work with youth. While here he brought the Sunday evening message, his first public sermon. What riches God has bestowed upon us in our children and grandchildren.

This week we are going to have a group of 10 young people from the Duartina Baptist Church to conduct a Vacation Bible school and a four day

evangelistic endeavor. Alta is downstairs preparing food since the young people will be eating at our home.

In spite of little evidence of growth, we continue to sow and pray. And like Abraham, we wait for what the Lord has promised.

This is our winter time. The freezing temperatures got us this year. The green fields in 3 days became a dried brown color. This has been the first freeze in over 15 years. Since our houses are not equipped with heating systems, we bundle up during the day and pile on the covers at night.

On the 24th of June we had a special day for the close of the Seminary semester. Eight young people finished the semester. They are good students as well as dedicated workers. A bright prospect for the future of God's work here.

This week I received the deeds on the

This week I received the deeds on the two lots purchased here in Urai. Praise the Lord they are paid for and now waiting for a building to be built. God has given us a building in Cornelio Procopio and these two lots in Urai within a year.

Alta and I thank you for your prayers and support.

Dear Brethren:

This morning Marie prepared a grocery bag with dresses, cookies and a can of corned beef, etc. to go to the interior for two of the ladies of the New Jerusalem Baptist Church. She put the bag on the sofa. I saw the bag there and thought it was garbage. When the garbage truck stopped to pick up our garbage, I delivered the bag to the garbage collectors. I hope someone found it before it was buried or burned. Please pray for me that I'll be able in the future to distinguish between groceries and garbage. Pray for Marie also. She wasn't pleased with what I did.

During this Mission Sheet month, I recorded in my "Pastoral Record" that I preached 19 times. The 19 sermons were preached 2 in homes in Manaus, 8 in regular services of the 14th of December Baptist Church, Manaus. I preached one

sermon at the 29th of March Baptist Church, 5 messages in the Codajás Baptist Church, interior of the Amazonas, layman's retreat. One sermon was preached at the New Jerusalem Baptist Church, in the interior. The next day, July 16th, I performed the wedding ceremony for a young couple of the Church. More than 200 were present. Last Sunday morning I preached at the Novo Remanso Baptist Mission. 45 people were present. Four decisions were made.

We praise God that today marks the end of our first year back in Brasil since our last furlough. The 15th of this month we completed 35 years as missionaries under B.F.M. Marie and I have had our trials and triumphs . . we praise God for both. Thank you, Father, and thank you folks of the Father for the prayer and financial support during these 35 years. The Lord bless you is our prayer.

Yours in the service of the Saviour, Harold & Marie Bratcher

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. July 20, 1994

Dear Brethren:

Greetings from Brazil. We spent the month of June there in the States visiting children and grandchildren. We also visited 10 churches and preached 11 times. It was good to see all of you. We came back rested and renewed. Also, I got new dentures made, had 6 skin cancers removed from my face and Ursula and Michelle had some dental work done.

In our short absence things went extremely well. It seems that the works could survive without us, Praise the Lord! That is the way we try to do the work. We want to the work to carry on when we one day are not here. We had two precious souls saved this past Sunday night. A husband and wife who have been attending off and on for some weeks. She was against coming to church, but Sunday night it was she who came running down the aisle weeping and giving her heart and life to

Jesus. Besides these two, we had two teenage boys make professions of faith while we were gone in this same work (Altos do Coxipo).

Last night we visited with Brother Jasson and wife who work at our church in Novo Diamantino. They are here in town for a week seeing the doctor. They are doing a good job there but are a little discouraged. He has been unable to find a job there. Our church helps them some and so does the church in Varzea Grande. His wife is teaching school, but makes hardly anything. Pray for them. We need them there or at least someone. The work is doing better after a period of difficulties.

Please remember us in your prayers. Please give to our New Work Fund as the Lord leads. Your faithful support is much appreciated. God bless you is our prayer.

## Words of Appreciation for H.H. Overbey . . . Report on Schools in Pucallpa and Lima . . .

Dear Friends:

Brother Hafford Overbey, Mr. Missions, is now with the Lord. We received the news the other day. My wife, Anita, and I send our condolences to the family. Brother Overbey was the Executive Director of Baptist Faith Missions for many years; even long before I was born! He had just resigned as Executive Director when Anita and I had surrendered to come to Peru as missionaries. Even in his retirement he did so much to help us in that first year when we were trying to get things ready to go to Peru. He loved and helped missionaries much more than most men. Can you imagine the rejoicing that took place in heaven upon his arrival? The thousands of Brazillans, Peruvians, Koreans, Filipinos, and others that were there to meet him and thank him for his help in sending the missionaries to their countries so that they heard the gospel and were saved! I know Brother Overbey's rewards will be many, and I'm sure he heard our Lord say, "Hafford, well done thou good and faithful servant". He will be missed by everyone.

There is not much news to report this month. I've not been out to Pucallpa for

three months. All of the schools in Peru are on their mid-year break at this time. I do plan to go out next week. However, the reports from there are good. Things continue to run smoothly for the time being.

Here in Lima, our work continues to go well. We are beginning to see a spirit of revival in the work. There appears to be some renewed interest and a more fervent spirit among the folks here. My Monday night Bible class is growing and the hunger to learn is phenomenal. We have been teaching Systematic Doctrine and we are just now arriving at the Doctrines of the Atonement and Election (the five points). The interest is high. Pray that these men and women, saints of God, will be challenged and encouraged by these truths to be better servants of God and have more of a desire to go forth and preach the gospel to every creature; for the glory of our Lord!

May God bless each one as you remain faithful to HIM.

July 30, 1994

Dear Brethren:

Will try to bring you up to date as to what has been happening to the Bratcher family in the last two months.

The last month spent in Manaus was surely blessed of the Lord. Our Sunday School attendance was consistently hitting 400, with a high of 601 on Mother's Day.

The first Saturday of June, we were privileged to hold the first graduation ceremony of the Centro Téologico Batista da Fé (Bible Institute). There were 13 graduates who completed the 2-1/2 years of required courses. One of the 13 was Lucy, and another, Sister Rosenir Ameida. The remaining 11 are already active in several of the churches either as pastor, deacon, evangelist or Sunday School teacher. The auditorium of the 14th of December Baptist Church was completely filled and it was a most inspiring service. We praise the Lord for these 13 graduates, now better prepared to serve the Lord!

Sunday, June the 5th, was our last Sunday for awhile at the 14th of December Baptist Church. There were 401 present attending the service. I baptized 13 and we observed the Lord's Supper. My ladies Sunday School class gave me a nice shirt and the church presented us with a suitcase for our travels. That night the service was a tearful good-bye. The choir and soloists sang our favorite hymns and wished us God Speed as we had to say Ate-logo (see you soon).

Dad and Mom and several others were at the airport to see us off. We left Manaus at 2 a.m. Monday morning, arriving in Miami at 7 a.m. Next month we will give you an update of where we've been since then.

By the time you read this, we hope to be settled in the Mission House at the above address. If we can be of service to you and the churches during this next year, just let us know.

In His Service, Asa Mark, Lucy, and girls

### June Report on Dr. Seo Ku Lee

I thank God for His promise to bless the one who works for His glory, and I appreciate every prayer and support for my ministry.

In our Wednesday home Bible study, we make improvement and confirm our faith with the Bible. There are many unBiblical teachings and temptations with emotional attraction, but through home Bible study, we can correct and make our faith stronger. It is a great work.

Through Friday night prayer meetings, we put together our prayers and have asked God to answer those prayers. We receive the answers one by one. One dedicated couple has already decided to join our work and prepare to come, and another family have joined our meeting. They are very new to the Christian faith. We need to pray for this family - the Choi's.

Bro. Jeon, my assistant, has a plan to hold gospel concerts in September in eight big cities of America. We pray for his music ministry.

One of the Korean members, Sister Paik, who runs a travel agency (Modern Travel 1-312-588-1010) gave birth to a son on the 22nd of July. She is one of the dedicated members. She is willing to serve the Lord through her business.

Some of our youth attended an overnight camping venture with the East Maine Baptist Church.

Immigrant life here in the U.S. mission field is difficult due to emotional and financial needs, but we are overcoming

our troubles through steadfast prayer. Please continue to remember us in your prayers.
