#### THANKSGIVING OFFERING

The regular readers of the Mission Sheets know our monthly offerings do not cover our missionaries' salaries and expenses. WE NEED THE SPECIAL THANKSGIVING OFFERING IN ORDER TO SUSTAIN OUR MONTHLY MISSIONARY MINISTRIES AND ACTIVITIES. And, of course, if we hope to expand and increase our missionary activity, we need yet more regular monthly offerings and larger Thanksgiving offerings.

#### CAR FUND

Several of our missionaries will need new vehicles in 1995 for their work. These will cost many thousands of dollars. A good Thanksgiving offering will be needed to get these vehicles. Pray and Give!

Dear Friends:

When the apostle John wrote that he thought if all the things that Jesus taught and did were written in books, the world would not be able to contain them, it seemed to me an exaggeration of the imagination. No more. John walked in constant communion with the Lord and had seen His wonworks in every situation and drous heard His teachings. Each day that I walk more closely with Him, I realize that what He does personally in one life would fill hundreds of books.

The other day, working at the com-I was having real trouble. "Fa-I said, "If you will show me or puter, ther, help me I will be able to figure this out." He did show me and the problem was solved. "Thank you, Father," I said. "You really know a lot about computers, don't You?" "Tell me about it," He answered. Only He knows. many times we have fellowshipped at the keyboard of my PC. What love, what wisdom, what patience, what care He bestows on me!

The voice of His Spirit is something to behold. Some time ago the transmission in my car went out. We were 400 miles from home. I had only second and third gears. No garage could fix the problem. His voice whispered to me, "Go on home, I'll get you there." Through the night we traveled over strange road and through towns and cities. We pulled into home about 3 o'clock in the morning.

This week we were visiting in an area where the streets are very steep. backed into a street which seemed like the first drop of a roller coaster. A voice said, "Back in close to the curb." I pulled out and went down the street to pick up Alta and the others. Something was wrong with the brakes. I lifted up the hood. The side of the motor was bathed in brake fluid. There was not a drop in the cylinder. "I will never leave you or forsake you." "I know your needs even before you ask." What a Father!

This past week our 25 year old Westinghouse dryer broke down. So, I decided to go to Londrina and buy a dryer for Alta. When I went to the bank to take out money with my money card,

I was refused the amount asked. I had to settle for less, and came home without the dryer. The next day I said. "Father, if you help me maybe I can fix the Westinghouse." I tore it down one time and put it together. Same problem. I tore it down and put it together the second time. Same problem. I tore it down the third time and put it together. Perfect! "Flip the switch, Alta." "Sounds great, praise the Lord," she said. "Yeah, sure does. Just one problem - it does not heat. Forget it. We will have to just buy another as soon as possible." Just as I put on the last panel, I saw a wiring diagram that looked like Japanese to me. When I woke up the next morning, my Father suggested, "Let's have a look at that wiring diagram." And I did. He already knew what was there. "See that little wire there. The one that you that little wire there. The one that you saw loose and did not think it should be connected. Put it on." I did. "Flip the switch, Al." "Hey, do you smell that? The thing is heating! Father, You know about dryers, also." "Tell me about it. I have been in the heating business for several thousand years." As I write this letter the Westinghouse is working perfectly. It finished the drying cycle vithout stopping - something it has not done for 20 years.

It is glory just to walk with Him whose blood has ransomed me, It is rapture for my soul each day; It is joy divine to feel Him near

where'er my path may be -Bless the Lord, It's glory all the

wav.

But God's greatest work is the salvation of sinners. About nine months ago a young man was saved in Cornelio Procopio. Sunday there were 15 people: three complete families in services as a result of this young man's dedication to God. His sister and brother-in-law were saved. Sunday night, a young man who was there with his family trusted Christ as Saviour. service, another man indicated that he was trusting Jesus as Saviour. Presently, there are three Bible studies being held in different homes with the purpose of reaching lost friends with the Gospel.

Keep praying and praise Him for what he is doing here.

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. September 22, 1994

Dear Brethren:

Today I reached my 52nd birthday. The Lord has been so good to me during this life span. I have much to be thankful for. Our desire is to spend whatever time we have left serving Him who gave His best that we may have everlasting life.

Our works are doing well. We had 3 saved at our new work at Altos do Coxipo this month. We are having several new families that are visiting there now. Our Wednesday night service is very well attended. Last night we did not have an empty seat. Some come on Wednesday that do not come on Sunday. Cuiaba is a very hot city. Many people leave on Saturday a only come back on Sunday night escape from the heat. Right now it is 95 degrees in the room at 10 o'clock at night as I type this report. Yesterday Ursula had to cut off her wedding bands with side cutters due to swelling

I went to Novo Diamantino this month and found all well. The young couple there have grown a lot during the last year. We are praying that the Lord will give them souls for their labours. The church in Varzea Grande is planning more Sunday School rooms to build due to the increase in attendance. The mission at Primavera is planning to start their Sunday School rooms before the end of the year. It is good to see works grow and do things on their own.

Continue to pray for us. I had a spell with my blood pressure and still do not feel too chipper. May the Lord bless all of you there

Organize New Church at Sao Salvador . . . 38 Charter Members . . . Catch Enough Fish to Feed the Village . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brasil, S.A. September 15, 1994

Dear Brethren:

Our best news this month comes from way up the Moa River, from a village called São Salvador. After 3 trips there this year we finally got everything ready and on August 28 the Igreja Batista Esperança was organized.

The mission there was started a few years back when a family of believers moved from an isolated inland lake in the middle of the jungle to the river and small village of São Salvador. They were members of the church at Peri-Peri. They were faithful even then and valked over 3 hours to church every Sunday in the dry season and came by canoe during the rainy season. Brother Moisés Ibernon and his family started Moises ibernon and his family started having services in the village. For a long time they held services in a tiny building with just a few people. God blessed though and people were saved and the congregation grew.

A couple of years back we helped them build a nice new and big building. It is the nicest building on all the upper Moa River.

Brother Moisés has also been doing missionary duty on the upper Moa River and the Rio Azul (Blue River, a tributary of the Moa). He takes out a week to 10 days every month to alternate trips to the Moa and the Azul. A pretty good number have already been saved. Our home church here in Cruzeiro funds these trips since the church there is not yet capable finan-

The reason for my trips preceding e organization was to teach them the organization was to teach them some basics about the operation and responsibilities of a local church. We also had to get the letter of authorization and membership from the mother church at Peri-Peri. The church and pastor there asked me to help since they had no experience with the founding of a new church.

The organization service was held Sunday morning, August 28. The on Sunday morning, August 28. The church was founded with 38 charter members. They chose the name Igreja Batista Esperança which translates to "Hope Baptist Church".

My last 2 trips there have been real adventures. There is a "road" that comes out at the river's edge quite a way up river. Since we are in the dry season the river can be waded across in many places. The so-called road is almost as much of a challenge as the low river. There are ruts deep enough to be trenches in case of war! There are also some very steep hills. The 45 miles of bumps and bounces have to be traversed in the Jeep with a trailer and flat bottom boat in tow. Once at the river we have to carry the boat, motor river we have to carry the boat, motor and all of our gear down to the river. Then we have 2-1/2 more hours of fighting stumps and shallows. Once there the fishing is fine. Did I say fishing? Yes, Andrew and I caught enough fish to feed the whole village the days we were there. One day we caught 26 peacock bass and a mess of other fish other fish.

After the service on Sunday morning e "rushed" back to town in time for me to preach in my own pulpit in the evening service. One more saved and 2 more requests for baptism that night. One of our missionaries reported 6 more saved on a trip to the Juruá Mirim River. Yes, we continue to enjoy our extended holidays here in the tropics!

May God bless and thanks for your prayer and support.

In Christ. Mike Creiglow

Dear Brethren:

This has been a good month and we have seen the presence of the Lord in our works.

New Hope Baptist Church: Brother Padua baptized two young people and the attendance is growing.

Living Hope Baptist Church: I preached at their fifth anniversary service on Sept. 7. They had a full house and a good service.

I made one trip to Anajatuba. They are still having many visitors and the services are being blessed by the Lord.
I baptized our first group from Vila Riod. There were four young girls baptized on Sept. 11. New Hope Bap-

tist Church as well as the congregation were happy in the Lord. We have another group that will be ready to be baptized soon.

June has returned to Alabama. Her father is real sick. She has gone to help Cathy (our daughter) to take care of him. She has no plans to return to Brasil as we do not know what the future holds for her dad.

Our house was small for eight of us when Cathy was here with the children. Now it is even larger with me here by myself.

June's address is: June Bean, 401 Co. Rd. 213, Hollywood, Ala 35752. Please pray for us.

# Work Going Well at Curitiba . . . Visiting Supporting Churches Each Week . . . Jessie Learning English Well . . .

by Bobby Wacaser

621 Eureka Springs Drive Lexington, KY 40517 Ph. (606) 268-5228 October 1, 1994

Dear Friends:

We just heard from Yolanda, one of the longer term church members in Curitiba, Parana. She is also our next door neighbor. She told us that the members are being faithful and not a single week has passed that they have not had visitors. I recently mentioned our plans to start a Christian pre-school. She informed us that the government has granted an operating license for this ministry. The program will start immediately after our return to Curitiba.

Each weekend of this month we have visited supporting churches. Our visits have encouraged us tremendously. The church members give evidence that they read our letters and follow the development of the work. We thank God for your concern and participation in the mission God has given us.

Folks often ask us about Jessie. We are thrilled with the way she is developing and

thank God for giving her to us. Although she has forgotten her Portuguese, her English vocabulary is developing at an amazing rate. Charlene and I are also learning, but not as rapidly. We are studying at Lexington Baptist College and enjoying it immensely.

We are looking forward to seeing many of you at the Thanksgiving Conference in the Detroit area. I have been working on a proposal that the directors asked me to draft to help missionary candidates. This proposal is to be presented to the directors at their meeting during the week of the Conference. As God leads us, we should always be looking for ways to effectively serve the Lord in obedience to His commands. I thank God for the directors who seek to serve the Lord in the development of a more efficient mission outreach. I hope to see many of you at the Thanksgiving Conference.

May the Lord bless you all, Bobby, Charlene & Jessie Wacaser

Dear Brethren:

Another month has rapidly slipped by us into etemity. As usual, the Lord's blessings have been upon us.

This month we were privileged to visit the Stoney Run Baptist Church near Richmond, KY where Brother Lyndon Dargavell is pastor. I gave a report on the work and then preached, and afterwards we enjoyed a delicious meal at Brother Dargavell's house. Also, my family and I were privileged to visit the Grace Missionary Baptist Church in Columbia, Tennessee where Brother Carl Crawford is pastor. We drove up early Sunday morning, gave a report during the Sunday School hour, and preached during the morning worship service. We enjoyed the fellowship with these dear brothers and sisters in Christ immensely.

Last Friday and Saturday morning attended and preached at the 12th Missions Conference in Clio and Holly, Michigan This conference is jointly sponsored by the Lake Road Baptist Church and the Grace Baptist Church. This conference was a blessing in every way! Our heartfelt thanks to these pastors and churches for their missionary vision.

The rest of the family is doing fine. Marcia and Lucy Marie are enjoying school at Bluegrass Baptist and Lucy is taking courses at Transylvania University twice a week.

Continue to pray for us and, if you would like to have us come and tell about the work just let us know. Until next month.

By His Grace

# Leigh and Judson in College in the States . . . Work Doing Wonderfully . . . Many Saved in Bible Clubs . . .

by Paul Hatche

Av. J. Carlos Antony, 172 Bairro de Cachoeirinha Manaus, Amazonas 69.065-150 Brazil September, 1994

Dear Friends:

Leigh and Judson are now in college in the States. There is an empty space here at the house without them. We always have them in our hearts and they are in God's safe hand. Pray for Leigh and Judson to prosper well in their studies and in their relationship with the Lord.

Wanda, Michelle and I are back in Manaus after leaving Judson in Lexington attending Lexington Baptist College. We also visited Leigh, who was already in college. We were blessed as we visited friends and family along the way.

The work here is doing wonderfully. God continues to save the lost. Most of the new believers are being won by the members in their homes or the work place. The services are always blessed as the new believers profess their Saviour publicly and soon follow in baptism. Just yesterday 15 children that have attended the neighborhood Bible Club professed their faith in Christ publicly and another 5 who had already professed were baptized. There are a little over 1,500 children enrolled and attending the 63 weekly Bible studies in the homes of members.

Pray for the emerging leadership as they mature in the likeness of Christ and prepare for the service of the Lord Jesus Christ. Pray for me to walk always in tune with our Lord.

We love you and thank God for your prayerful support. God bless you.

Dear Brethren:

During this Mission Sheet month we have not been out of Manaus. Marie and I have been present at all the Sunday services at the 14th of December Baptist Church. I preached at seven of the eight Sunday services. The average attendance at the Sunday morning worship was 234, at night around 200. I spoke at the four prayer meetings, I made an estimated 10 visits with short services in homes with four professions of faith; the oldest a 93 year old widow with mouth cancer, the youngest a 14 year old single girl.

Friday morning, Sept. 2, one of the oldest members, Dona Antonia Pereira de Souza, went to be with the Lord. We held three services in the home. Sunday, the 21st of August, two of our men made

rededications and declared they felt the Lord wanted them to be deacons. An 18 year old girl was converted. Last Sunday morning, a young single girl was received under the watchcare of the Church. Nine junior girls made decisions for baptism or profession of faith or asking for more instructions. At night, two young men made decisions.

Thus, I trust we have been faithful as a pastor and professor as well. We, knowing that you are praying for us and that God is faithful, take courage as we continue caring for the Church of Christ, the 14th of December Baptist Church.

We thank you for your prayers, letters and gifts. May the Lord lead you to continue to give to Baptist Faith Missions May the Lord continue to use you to supply our needs as we minister and help to meet the needs of many others.

Yours in the Service of the Saviour

Harold & Marie Bratcher

#### September Report on Dr. Seo Ku Lee

Dear Brethren and Sisters in Christ:

I thank God for your ministry of my mission work: your prayer and support. The Korean members and I continue to pray for 10 families for charter members of the GLOBAL BAPTIST CHURCH in the future, which will be the hub of the Asian mission work. God has already blessed us with 6 families. I am busy training them through Bible study on Friday evenings from 7:30 pm to 10:00 pm. After studying, we have a regular prayer meeting to 11:30 or midnight for individual needs, church programs, mission works and special souls who need our prayer.

I seek to get an extension from a certain institution for undergraduate and graduate courses in Chicago, for the training program of a mission center.

In September, Brother Jeon, who works with me as music director and youth director, had a great gospel concert in Chicago. Praise the Lord! The attendance was well over 700, with limited advertising. We had a good chance to proclaim the gospel through his concert. Brother Jeon is in charge of a regular program on the Christian radio of Chicago (FM 103.1) on every Tuesday and Thursday from 6 pm to 6:20 pm. He will give concerts in 7 cities in the United States in October. He has been my coworker for 10 years in Korea as an ordained deacon. He came over one and a half years ago, stays in Chicago with me, works in music and is the Korean

Last week one family whom we have prayed for for 6 months was added to our Korean group. His name

is Hong Suk Choi, his wife is a dedicated sister and his son is in the sixth grade. It has been 3 years since their immigration to America. They tried to find a Biblically true church the last 3 years; at last God brought them to us to take care of. They are so pleased to meet us, and we are glad to do God's work with them.

I need much prayer for my Spiritual Power to do His ministry and for reaching the 10 families this year. THANKS IN CHRIST.

Your brother in Christ,
