Dear Brethren:

Since my last letter much water has passed under the bridge. I want to bring you up to date on what is going on

here in Peru with us.

VOL NO. 53

The last week in February we had the Thanksgiving Conference in Ventanilla with about 300 people for the week. The week before, Bro. Richard Adams from Beatyville, KY and three other men came for a week. They left on Sunday and our

Conference started the following night.

Bro. Jon Rule and Bro. Rob Warlick
arrived on Tuesday and also stayed a
week with us. Churches came from
lquitos, Pucalipa, Tingo Maria, Tarapoto,
Yurimaguas, Huanuco and churches out of Huanuco and some of their missions

Before the Conference started, we had been building on our new building since September. We started at 8:00 a.m. every morning and we worked from "see to can't see". Sometimes we worked till 2:00 a.m. the following morning and also during this time I had to make several trips to

We were disappointed because we were not able to get the roof on before the first day of the Conference. So we started the Conference without a roof. The following day after lunch all the men from the different churches helped us build and put up the beams across the roof, then proceeded to put up the roof temporarily. The first night we ran out of benches, so Bro. Fortunato Barreto's church loaned us their benches from their church and mission. The next day more people came and we had to make benches out of brick and large planks. Every preacher from our Churches plus the

preachers from the Bible Institute Cajamarca preached, Bro. Rule, Bro. Mulling and Bro. Fortunato preached several times. Saturday night of the Conference we organized the mission into a local New Testament Baptist Church. They chose Luis Huayabam as their Pastor. Sunday afternoon we ordained the pastor that the Church had called. Bro. Jon Rule interrogated him, and Bro. Fortunato Barreto preached the ordination message. After the message, all the ordained preached and deacons made a circle around the candidate and knelt and prayed and then laid their hands on him. The conference closed with people crying, rejoicing, and yes, there was a lot of hugging and praising the Lord. The following day we started back to work on the construction of the church building.

In July, Bro. Tom Sollocci, pastor from Georgia, came to visit with us. He preached for us Wednesday, Sunday morning and Sunday evening. It was a real blessing to have him stay with us in our home.

The end of July, Bro. Ed Pierce, and two of his deacons from his Church arrived the same day that Bro. Tom Sollocci was leaving. The following day we flew to Tingo maria and Bro. Pierce preached and we had a wonderful service in the singing and preaching. After the service they had prepared a special meal for all the people present. Then the people

presented me a diploma honoring me for the years served in Peru as a missionary. All the people signed the card on the front and on the back. The following day we hired a man to drive us to Huanuco where we planned to go by plane to Lima. The airlines had canceled their flight. So at 8:00 p.m. we left for ima on a bus, arriving in Lima at 4:00 a.m. The next day, we flew to Iquitos and preached at the Esperanza Baptist Church, the Buenas Nuevas Baptist Church and the Fourth Baptist Church. Sunday morning we were invited

back to the Buenas Nuevas Baptist Church for another service and Sunday afternoon we flew back to Lima and were at the Bible Baptist Church in Ventanilla

On August 18th, my wife and I flew to the U.S. for 30 days for a medical checkup and Crain family reunion. My wife, Elizabeth, is still in the U.S. and I plan to return and probably retire in time to see you at the Thanksgiving Conference. has been a blessing to serve the Lord in Peru, and ask you to continue to pray for the churches and pastors as they reach out to the lost and dying in Peru

In Jesus' Name.

MISSION STUDY

by John Hatcher

Family Preparation

The personal preparation of a servant of vital to his work in the vineyard of the Lord. No less important is the family preparation that must be made. Without doubt, the family is the deciding factor to the lasting success of a servant at home or abroad, but especially in a foreign land. Just as it is necessary for the individual to train himself in godliness, so it is necessary for the family of a servant of God to exercise itself as a unit in godliness. The fact that Jesus uses this as a symbol of His relationship with His church shows the importance of the family relationship. Later, I will discuss the family on the foreign field. Spiritual preparation of the family is important to the missionary family.

Family Dedication

It is important that the whole family of the preacher be equally devoted to work if the maximum blessings of the Lord are to be enjoyed. The family must grow in grace and knowledge as a unit. Many times this is not realized. While the mother or wife is busied about caring for the family and seeing most of the drudgery of the every day life, the husband is more related with the ministry of the Word. His visits, sermon preparations, revivals, etc. put him out in the front as far as the growth in grace and knowledge are concerned. His faith grows. God actually becomes more a part of him in everyday life. His family, many times, does

not share this growth and as a result sometimes becomes a real hindrance to the work. Busied with the home and the children, tired after the day's work of cooking and washing, to say nothing of the multitude of other problems - cuts, bruises, accidents, phone calls, hearing tales and talk, etc., the wife will be tempted to just stay home and get the children to bed on Wednesday night and sometimes on Sunday night. This will be dangerous to the personal life of the woman and the children and soon will become a hindrance to the ministry of her husband

The responsibility of this unit's growth

lies in the hands of the husband. If he becomes too busy to care for the spiritual welfare of his wife and children he is too busy and needs to stop and revaluate his responsibilities. With man and his wife growing together in the Lord, they will not have a difficulty impossible to overcome. The children will be brought up in the "fear and admonition of the Lord". The result will family glorifying God. teachings found in the book of Ephesians (5:21-6:4) need to become as real to us as our very breath.

Spirit of Revival . . . Brother Carlos' Need at New Mission . . . Pray for Brother Crain's Health . . .

by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA 011-5114-76-7762 Call direct October 1, 1994

Dear Friends

Four souls have been saved this past month at the mission work here in the capital city of Lima, Peru. The Lord has been blessing our services with new visitors and an apparent "spirit of revival" in the membership. Two of the four saved were church members. We seek to be faithful in the preaching and teaching of the Word, and rejoice as the Lord gives the results.

The churches and missions out in the jungle town of Pucalipa report that all is going well. The Pucalipa Baptist School seems to be having some financial difficulties, but Pastor Abel Panaifo is confident that all will be worked out soon. Please remember to for the school and the churches out in that part of Peru.

Pastor Carlos Alberto Gonzales, from mountain town of Huanuco, called me last week and asked me if I couldn't help his new mission work finish the floor and the plastering for their new meeting house. \$350.00 is what he needs to finish the building. These dear saints have built the building themselves but have exhausted all their means to finish it. I don't have the money personally but I promised him I would write and let the need be known. This is a new work in the city of Huanuco, in the Andes mountains. Pastor Carlos has been faithful to the Lord for many, many years and has proven himself as an able pastor. Who will help us, help them?

Please be in prayer for Brother Homer Crain. He returned from the States two weeks ago in order to sell off the remainder of his things and finish some projects up in the north jungle town of lquitos. He was sick the first week he was back and when he left for Iquitos the other day he was

feeling better but still had a bad cold. He said he would need to stay about three weeks out in Iquitos. Brother Crain has had some real health problems the past few years, so I ask you to pray for him as he tries to finish up his projects in Iquitos. It is unbearably hot sometimes out in the Amazon jungle. He is trying to get things finished so that he and his dear wife Elizabeth can retire from the mission field in a month or so. He's been in the ministry since before I was born, and the Lord has used him in bringing hundreds, if not thousands, of souls to Jesus. He's been a faithful soldier of The Cross and now he's looking forward to a little rest. Peru won't be the same without the Crains. Remember to pray for them.

My family and I are doing well here in the capital city of Lima. We thank you for your prayers and support. My wife, Anita, has one more week of teaching in the Christian school where our two teenagers, Leah and Joshua, are attending. She and another missionary's wife have been teaching 5th and 6th grades combined since the school year started. The teacher from the States who was supposed to come, got held up by some legal matters and has been delayed until now. We understand she arrived last night. It has really made life tough for Anita trying to juggle all of her other work with the added responsibility of teaching half a day, five days a week. Now that the new teacher is here, Anita can return to her "normal hectic life".

There are so many things happening in the works here in Peru at this time that I cannot write it all in one letter. I'll wait and tell you more each month of the blessings and opportunities here in Peru. We love you all and thank the Lord for each one . Until next month,

Dear Brethren:

Once again this side of eternity we greet you in the name of our Lord and Saviour Jesus Christ. The first Sunday of the five of this "Mission Sheet Month" September 18 - I was sick during the day. I was able to teach my Sunday School that morning and preach. That night I was not able to attend. Marie, my wife of almost 40 years, left me because I would not let her stay, and attended the service. I had already invited a visiting preacher to preach that night. He did and a married man and a junior boy were saved. This was the first time in many years that I have missed because of sickness. Tuesday morning found me back in the church office. The next Sunday, Marie had to miss both services because of sickness. The three services or rather Sundays of this month we have both been able to attend, we are thankful to report.

Sunday, October 2 at the church around 8:00, we were invited to visit after the Church services in the home of the pastor of the Beautiful Garden Baptist Church, Pastor Adilson, who still lives with his parents. We went and held a short service and his 50 year old father made a profession of faith. We praise the Lord!

Behold our report for the 9th of this month: Sunday Bible School - 277 present; Junior Church - 123, Morning Worship -240; Evening Worship - 270 with one request for baptism and one young man offering to serve the church as a deacon.

October 12 is a holiday in Brazil dedicated to one of "Our Ladies". The 14th of December Baptist Church observed as a day of prayer and evangelization. We had a prayer breakfast and then a short service and then divided in groups and made visits and services in several homes of the members. In the afternoon we held, or rather the young people of the church held, an open air service, and gave out tracts. That night I preached the gospel to 137 people present at the church.

Last Sunday morning the church re-ceived three ex-members back into the reached three ex-members back into the fellowship of the Church. At night I preached to 242 people present and we caused happiness in heaven because a teenage girl made a profession of faith and the wife of one of our members also was converted. We praise the Lord.

We thank you, dear ones for your financial support and your prayer support. May the Lord enable you to continue supporting us in both ways.

May the Thanksgiving Conference be blessed by our blessed Lord.

Yours in His Service, Harold & Marie Bratcher

20 Saved in Two Services . . . Pray for 20 Mission Points . . .

by Paul Hatcher

Av. J. Carlos Antony, 172 Manaus, Amazonas 69.065-150 Brazil October 20, 1994

Dear Friends:

On the second Sunday of October we celebrated the Lord's Supper. The service was to focus our minds on our marvelous Saviour, the Lord Jesus Christ. The message consisted of reading the scriptures. and singing scriptures. When the invitation was given, seventeen came forward confessing Jesus Christ as Lord and Saviour. Our hearts praised the Lord on earth and angels celebrated in heaven.

Three Sundays ago the message was directed to the saved. I did not give an invitation. As soon as I sat down I received a handwritten note that a friend whom our prayer group was praying for was there to publicly acknowledge Jesus as her saviour. The opportunity was given and she, plus two others, came forward.

Seeing people trust the Lord Jesus Christ as Saviour thrills our hearts each time it happens. It is so great to see these

babies in Christ growing to be like Christ

Pray for the mission points. Pastor Epitacio has capably been the pastor responsible to encourage and coordinate the mission pastors and interns. God now opened the door for Pastor Epitacio to serve in the state of São Paulo with Missionary Odaly Barros. This requires changes here at Tabernacle. Pray God's way will be engaged, and that all twenty missions will continue to flourish.

We wish each of you a Happy Thanksgiving. All good things come from our God and thanks is our recognition of God's ever present mercies and grace.

We love you and thank God for your prayerful support. We are working together to store up treasures in heaven - friends forever! God Bless You!

Yours in Christ, Paul Hatcher

Family Birthdays . . . Three Day Meeting at Beech Grove . . . Making Short Trip to Brazil . . .

by Asa Bratcher

Dear Brethren:

This month is rapidly coming to a close and it is time for another Mission Sheets letter.

Since the last one, we have had the privilege of celebrating Marcia's 11th and Lucy's 34th birthdays. Also, I had the privilege of speaking in chapel at the Bluegrass Baptist School, where both girls are attending, and where Brother Greg Waltermire is the principal.

Yesterday we concluded a 3 day most blessed meeting with the Beech Grove Baptist Church, Crab Orchard, KY. The

oved pastor, Brother Ronald Harpe, Sister Linda, and the whole church sure made us feel welcome. My family and I certainly did appreciate the wonderful hospitality and the ove offering. Thank you all, dear folks.

Tomorrow afternoon I will be returning to Manaus, Brazil on a short trip to perform the wedding of a dear young couple in the church and to check on the work, etc.

Continue to pray for us and, if any of the churches would like to have us come to report on the work, etc., just let us know. Until next month.

Dear Brethren:

Since our last letter we have had 5 saved at our new work at Altos do Coxipo and 2 joined by letter. We now have 12 who have made professions of faith there and are awaiting scriptural baptism. Now we have the great responsibility to care for these lambs and help them grow and mature. Pray for us.

The couple who came by letter, I married last year at the Boa Esperanca Baptist Church (Good Hope) and they want to help us out in this new work. They are very talented in teaching and in music and we are very thankful that the Lord is sending them our way.

All of our other works are doing well. Most have an increase in attendance except for the Chacara church. Next month I plan to leave that work entirely in the hands of the national pastor. Hopefully this will give him the incentive to visit and win new people. He sort of depends on us to do it as long as we are there with him. He now has 2 years with us there and we feel it is time for him to take care of the church alone. It is hard to know sometimes just when to do this. Pray for Pastor Miqueas Nunes dos Santos and

family as they take over this great responsibility.

Ursula, Michelle and I want to express our thanks to all of you who support the work here. Both the churches who give to the General Fund and that give to our Work Fund make our work possible. We have a need at this time. Brother Bob Creiglow left with us a Sharp Copier. It has served us well. However, the cleaning roller assembly has worn out and it will take about \$400 to get it fixed. We need it to help make Sunday School lessons. Will some church help us? I hesitate to ask in this manner, but our need is urgent. Pray with us about this and give if the Lord leads. If any more comes in than is needed, we can use it for paper supplies, etc. We are getting ready to start up our Sunday School at the Altos do Coxipo work and need this Copier working.

This will be the third Thanksgiving Conference coming up since we came back from the States to Brazil. How time flies! We pray that it will be a good Conference. May the Lord bless all of you.

In Him,

Harold M. Draper

Thanks for the Cards . . . Report on Seminary Students . . . Six Professions of Faith . . .

by John Hatcher

Caixa Postal 112 86280-00 Urai, Parana, Brazil October 18, 1994

Dear Friends:

Thanks to all of you who sent cards and letters remembering Alta's birthday. We read your cards several times and the cards are placed on the table where we eat so you can dine with us meal after meal. The cards with several names signed are read and re-read. That means we read your name, remember you and talk of the nice things we like about you.

With the exception of a hard-to-cure flu with lots of coughing, Alta and I are fine. Alta has battled it for over two months and I, for about six weeks.

Seminary classes continue and this semester there have not been any dropouts of the few students who are enrolled. There are three in Cornelio Procopio and five in Garça. All of these students are active in the Lord's work: John Paiva teaches a Sunday School class and directs a radio program once a week; Celso leads the young people in the Garça church and works in the Mission of Santa Terezinha; Luis works in the Mission at Marillia; Marcos works in the Mission at Vera Cruz; Renata works in the Christian Book Store. Cezar visits from

house to house, regularly, and has two Bible studies each week in homes of new believers; Josie has two Bible studies each week in homes of unsaved persons. Silvana has a Bible study in her home each week and one friend, Carla, a girl twenty years old, was saved two weeks ago. Cezar, from Cornelio, has brought his sister and brother-in-law to the Lord and they were baptized last Sunday. This young man is twenty years old. He was brought to church by Silvana and was saved. Since being saved and baptized he has been instrumental in bringing sixteen ersons to hear the gospel. three have been saved. The two saved have brought seven new people to hear the Gospel. One man who Cezar brought to church has brought his own family, his sister-in-law and a close friend and his family. This month there have been six professions of faith. Now will you take a moment, right now, to thank God for answered prayer and to praise Him? Keep praying.

With love, from where the fields are white unto harvest,

John and Alta Hatcher

Report on Visa Problem . . . Youth Camps Report . . . Young Christian Witness . . .

by Paul Creiglow

Page Three

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil October 18, 1994

Dear Brethren:

"The King's heart is in the hand of the Lord, as the rivers of water: he turneth it whethersoever he will." Proverbs 21:1. When dealing with the Brazilian government it is easy to lose sight of this promise. We have been battling with the Brazilian government over visas since 1990, but it seems our battles have finally come to an end, at least for most of us. On September 26th our five children and I officially received our permanent visas, however Brenda is still here on a temporary visa. On March 12th I received a letter from Brasilia stating that we had three days to apply for our permanent visas - usually you are given a minimum of 30 days for this process. During this time Brenda was in the hospital in the USA and had no way of signing her application. The police said that because she was not here she lost her opportunity to apply for a permanent visa, and they would not include her in my process. Now we must wait until I receive my permanent identification card and apply for a process called "family reunion". They assure me that this is an automatic acceptance but is still a lengthy process. God is trying to teach me patience through all this, but I guess I'm a slow learner.

The work is going great. In the last two months we have held youth camps, children's camp, and two personal evangelism camps for our youth. As usual, we had a full house for youth camp. We only have sleeping facilities for about 60 campers plus workers. This includes using every available building, including our meeting hall, as well as setting up tents. Please pray that the Lord will provide the funds to build more cabins at camp. It is a shame to have to turn away campers for lack of space. We took 34 children ages 8 to 12 to our first ever children's camp. We went on Friday afternoon and returned on Sunday afternoon. We took along 12 of our most faithful teens to act as counselors, cooks, life guards, and teachers. I was so proud of them; they took their responsibilities seriously and worked very hard to make this camp a great success.

But, most exciting to me was our evangelistic camps. I translated a gospel tract that I had often used with the

young people in the USA and we spent two days teaching a small group of young people what the Bible says about the gospel, our responsibility and privilege to share it, and God's promises if we do. We also showed them how to use the tract and they spent time each day practising giving the gospel to each other. In all we have now trained 20 teams and two adults to present the gospel. It is so exciting to see these young people witnessing to their friends and families. We were back from camp just three days and already eight of them had taken the opportunity to present the gospel to someone, and since then we have seen six young people make public professions of faith and several others have accepted Christ as their Savior, but their parents are Catholic and will not let them attend the Baptist church. Pray for these young people as they testify. I have taught two of our young men to help teach this course and we are now going to start training in other Baptist churches here in Cruzeiro do Sul. These young people are learning that the gospel of Christ is truly "the power of God unto Salvation".

God is blessing in other areas of ministry as well. We received donations of 5,000 bricks, some steel rebar, two loads of sand and the labor to start the next building for the school. This will not get an entire wing built, but will give us a good start. Our singing group "Renascer", which is made up of ten young people from four of our local Baptist churches, was able to minister to hundreds of unsaved people with both music and testimony at the city plaza. The presentation was set for 7 p.m. but the local Catholic priest complained that it would upset their time of mass since the plaza is located in front of the Catholic church. mayor's office made us change the time to 8:30 because of pressure from the priest. But, as usual, God takes the bad intentions of man and turns them into good for the kingdom of God. As the doors opened to the Catholic church after mass, the group started to sing and many people who would not have heard the gospel at 7:00 headed straight for the plaza to watch the performance. Praise God for his wisdom and timing. Please continue to pray and share in our blessings here in Cruzeiro do Sul.

Report on Work at LBC . . . Thanks for Your Help . . . See You at the Conference . . .

by Bobby Wacaser

Dear Friends:

Charlene and I are halfway through the fall semester at Lexington Baptist College. We have had the privilege to make several new friends and have gained some very helpful insights for future ministries. One very motivating experience has been the amount of interest we have seen in some of the other students becoming missionaries themselves. We have been praying for some time that God would lead more laborers into the field and it appears that He is doing just that. Continue to pray with us for that purpose.

Our weekend travels have taken us to many new places. We have had the pleasure of meeting some of you who read our letters and pray for us regularly. We can't express how important this is to our work. The impact is two-fold: first, we are encouraged to learn that so many

folks care deeply about us; and secondly, God has answered your prayers on our behalf.

We want to express our thanks, also, to those of you who have given equipment to help in our ministry. I believe that you wanted to remain anonymous, but we also want you to know how appreciative we are for your generosity. May the Lord bless you accordingly!

By the time this letter reaches you, the Thanksgiving Conference will probably be in progress. I am looking forward to seeing many more of you there in Detroit. It was at that conference in 1983 that I surrendered to serve in missions. We pray that God will again work in the hearts of others that they too will propose to reach this lost world with the good news of Jesus' love. What a joy it is to be a participant in the wonderful plan of God to win a people to Himself!

In Christ's service.

October Report on Dr. Seo Ku Lee

Dear Brethren and Sisters in Christ:

I thank God for His blessings upon my ministries. My whole family made a trip to the Missions Conference of Grace Baptist Church at Holly, Michigan. It was a wonderful time because we shared enthusiasm with the local churches. The mission mind of brother Bob Hopkins is a great one that God wants us all to have.

We have the third edition of *The Biblical Solution* by Pastor Maple. We distribute it door to door every weekend and mail it to some cities near the church. We had some visitors last Sunday. We are going to distribute it every weekend to Glenview where many Koreans live. We pray that everyone who gets the paper we delivered will read it and think of God's works for the individual person.

In November we are again going to start the Korean chapel services on Sunday afternoons. Among the Korean members, some come to the morning service, some come to the afternoon service, some come to only the Friday Bible study and prayer meeting, and some come to the Wednesday Bible study. Therefore there are some difficulties to work through all members with one regular program. We have to depend on individuals. It will take time to get all the members at the same time and to the same programs. But we just thank God for them because they come to us to learn the truths of the Bible. They find their ministries as a Christian. In other words, they

worship God not only as just Christian but as mission-minded Christians who find their unique works. After they meet us and discuss our vision, they find themselves as ones who wander around the world without goals. My wonderful God inspires them to find their own works and to do them by their hands and minds through their lives. We are happy to see them growing in God's wisdom. Please pray for us to continue to work with them.

Again we thank you for your prayers and support for our works. God bless you!

Dear Brethren:

This month has passed so quickly. The more important news this month is that we have started a new work with preaching each Friday night and Sunday School on Sunday afternoon at 3:30. There are three families that live at this place. I baptized all three: Santana, Teca and Cota. They were charter members of New Hope Baptist Church and also were charter members of Vila Maranhao Baptist Church. Now they may be members of another Baptist Church in the future. We meet in Sister Teca's home. We have had 10 dedications, 3 professions of faith and

a great number of visitors. We need land to build on. Will you help us? Will you pray for us? We need your help now before we come home next July.

I left home yesterday at 11:30 a.m. going to Peritoro. I visited the church in a special service last night and preached to a full house. I slept at the pastor's home. I left there this morning at 6 a.m. and got home at 11 a.m.

June reports that her Dad does not know her or anyone else. He remembers people who lived and died fifty years ago. Please pray for June and Cathy.

Yours To Tell the Old Story,

George Bean
