Dear Prayer Partners:

Greetings in the name of our Lord Jesus Christ. It is with great delight that Pam and I have the privilege to announce that we are the newest addition to the BFM family of missionaries. During the recent Thanksgiving Conference at New Hope Baptist Church in Dearborn Heights, Michigan, my wife and I were interviewed by the BFM Board. They voted unanimously to accept us. We will be opening a new field of ministry for BFM in the country of Kenya, East Africa.

I have served as a missionary in Kenya before and the Lord is leading us back

Pam and I have been married for a little over two years now. After we got married, we made a survey trip to Kenya. During our 3 weeks visit, we had many opportunities to minister. The Lord blessed, because in one church in Western Kenya, 9 precious souls came to know Christ as their personal Saviour. On the airplane going into the neighboring country of Uganda, I was able to share the Gospel with a young African man, and he received Christ into his heart. Pam and I praised the Lord for victories won.

Pam had been married before, but her first husband, Ron Radford, died of skin cancer in 1990. They had two children, Sara (age 20) and Nathan (age 18). Both of them are attending Cedarville College.

We will be sent out from Pastor Milliard Mitchell's church, Calvary Baptist Church in Hurricane, West Virginia. Lord willing, we plan to be out in our ministry in Kenya sometime in the Summer of 1995, so that we will be ready to begin language school. We plan to learn the language of Swahili.

Please pray for us as we prepare for this great opportunity to serve the Lord in Kenya, East Africa.

Church at Rio Branco Stands Firm . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brasil, S.A. October 24, 1994

Dear Brethren:

The seasons are changing. The dry season is almost all gone and the rainy season is on its way in. The river has come up a little, making our river travel a little easier and barges are starting to get through with supplies for our town. On the other hand, the roads are starting to get muddy, making that kind of travel a bit more difficult.

This past dry season I spent a lot of time on the rivers and roads. Now it is time to stay a little closer to my home church. We had a bit of a "dry spell" here at church for a few weeks. When I say this it means that attendance was down a little and not as many folks being saved. Things are back to normal again though.

We have held a number of camps this summer. The teens had 2, ladies 2, children 2, and the last one was the men's. These have been very good for the work over all.

Here goes some news from some of the churches and missions I have visited. I was with the church at agoinha (near camp) again. I taught them again about baptism and the Lord's supper. I helped them observe the Lord's supper and also baptized 3 members. One of the local men, Brother Antônio, is pastor. He has been very careful to seek my help often in his young ministry. In fact, many of our preachers now come around on a regular basis to seek help with their ministries. It is often necessary to schedule these sessions as much as 10 days in advance, because of my busy schedule. I'm sure many of you still think of mission work as a slow motion Latin-American jungle pace.
Well it is true that our town sits in the lle of the jungle, but I don't know whatever happened to the slow pace! Nevertheless, all this to say that our churches and pastors are getting ever closer and more united than ever.

I visited our mission work at Rodrigues Alves on a Thursday night. This was not the best possible time, but was the only night I could work in. Even so, there were 135 in the service. Admittedly this was the largest crowd they have had, but even so they are having over 40 in all services. Moisés and family are doing a good job. You need to pray for them though, in a special way. His wife is from Manaus and is having a hard time adjusting. They may not survive. To me, Rodrigues

Alves is a thousand times better than Manaus, but then I wasn't born in Manaus nor does my family live there!

One other visit was to Igreja Batista da Biblia on the Pentecostes River. They are doing well and are just about to move into their new brick building. I spent Saturday night and Sunday morning with them. Attendance was good. They continue to take care of 2 mission points in other small villages near by.

Last weekend I was with our congregation in Rio Branco, the state capital, taught 3 nights about church history, which for those who haven't been told yet, is BAPTIST HISTORY! Many of the churches in Rio Branco have gone charismatic, others have becom legalistic that they are almost dead, while yet a couple of others have gone the Brazilian convention way (women preachers, etc.) Our congregation is holding the line of true Baptist missionary zeal and doctrine. The mission there is growing at a good steady pace. there is growing at a good steady pace. It is already known for its firm doctrinal position and, Lord willing, will soon be the largest Baptist work in the capital. On this last visit we had our largest crowd ever. The building was completely packed. I didn't count, but we had at least 150 in each service and probably 200 on Saturday night. All Saturday morning was a question and answer session. Pastor Sullivan had asked me some time back to teach about the order of public worship services, which I did on Sunday morning. Then on Sunday afternoon we had a baptism service. Three more were baptized this time. Also, one young woman from here in Cruzeiro do Sul, had moved to Rio Branco and gotten away from the Lord and church. She came back into fellowship. It was a very busy weekend, but very profitable.

First Baptist Church is doing well again. The Sunday I was in Rio Branco, the crowd was large and 2 more were saved. Yesterday we had all available benches out, all the way to the back wall. These benches were full of people, lots of people! There were 3 more saved, 2 requests for baptism, one lady coming back after a long time out of church, and one young man surrendered to preach!

Well, this letter is so long that the editor may not be able to get it all in and it may be longer than most want to read. Even so, not much I can do about it. It all happened and I told you about it. Thanks for hanging in there! God bless you, as He has blessed us.

In Christ,

Mike Creiglow

Furlough Nearly Over . . . Looking Forward to Returning to Brazil . . . Studies at Lexington Baptist College of Great Help . . .

by Bobby Wacaser

1009 Balsam Drive Lexington, KY 40517 Ph. (606) 277-4947 December 1, 1994

Dear Friends:

It is hard to believe that our furlough is nearly over. The year passed by so quickly that we were not able to get to all the places that we had hoped. We are sorry that we did not get to meet all of you who wrote to us.

We are very excited, though, about returning to our work. The latest reports have been mostly positive. There are a few elements which will require a lot of hard work and prayer to turn into productive ministries.

Our first task will be to find a new house. Ours was sold while we were here in the U.S. We trust that God will locate us in the area in which He has a receptive people.

Our studies at Lexington Baptist College have been a tremendous help. The added staff with its experience in missions and youth work has given us many new angles in reaching the people in our area. Nearly 70% of the population where we work is below the age of 25 and knowing how to relate to them is of immeasurable importance. We are also very happy that God has seen fit to call several of our fellow students to the mission field this semester. Praise God! This is an answer to many years of prayer.

Shortly after New Year's day we will be returning to Brazil. Keep us in your prayers constantly.

In Christ's service,

Bobby, Charlene & Jessie Wacaser

Four Saved . . .
Start New Mission . . .
Returning to States for Two Months . . .
Pray for Anita's Health . . .

by Sheridan Stanton

Calle Matisse 346 Urb. San Borja Lima 41, Peru SA Call direct 011-5114-76-7762 November 28, 1994

Dear Friends:

We've had a very busy month with many blessings along the way. We've seen four saved this past month and many Christians repent of sin and get back in fellowship with the Lord. Anita and I truly appreciate the prayers that are given in our behalf. We thank each of you for your love, concern, and support of our ministry here in Peru.

Our normal work load has gone about the same this past month, our regular schedule of preaching, teaching, and translation of Biblical materials. We have started a new Bible Study in another part of Lima on Wednesday afternoons. This could possibly be the start of a new work. We ask you to pray with us about this that the Lord's will be revealed to us and that He might save souls as a result of this Bible Study and create a desire among these people for a church in their area.

Brother and Sister Clarence Howe of St. Augustine, Florida came to visit us on the 8th of November and they will be leaving on the 3rd of December. At this time they are in the mountain city of Cajamarca, with Missionaries Paul and Ann Mulling and Rodney and Rebecca Spears. The Howes are always a blessing to us when they come.

The Howes accompanied me on one of my trips to the mountain city of Huanuco where I had to take care of some mission business. Pastor Carlos Alberto Gonzales, of Huanuco, has started a new work and we went to preach and encourage them and also to help them financially with some

funds to plaster the walls and pour the cement floor. We were able to visit some of the works in Huanuco and Tingo Maria before flying back to the capital city of Lima. The works in Huanuco and Tingo Maria are doing well although there is some controversy among them over some minor issues. They have asked me to prepare a seminar study for them on "historical Baptist practices and policies". I really believe this will help them solve some of their differences and restore their fellowship. Something else to pray about!

Our mission work here in the capital city of Lima celebrated its 4th anniversary this past week. Pastor Carlos Gonzales from Huanuco preached for us and we had three saved during the meeting and many others repenting of sin. It was truly a much needed spiritual blessing for the work.

And now for the family news. We will be returning to the States on the 18th of December until the 18th of February. Anita has some medical problems that need to be taken care of. There will be a lot of tests, treatment and expenses. Please pray for Anita, that the Lord will help the doctors find the cause of her problems. We hope that two months will be sufficient time for her tests and treatment. If you would like to make contact with us while in the States, you can reach us in Lexington, KY after the 5th of January at the following number: (606) 268-5228. Thank you for your prayers. Our next letter will be from the States. We look forward to seeing many of you.

End of Another School Year . . .
Several Saved and Baptized . . .
150 Enrolled in Bible Schools . . .

by Paul Hatcher

Av. J. Carlos Antony, 172 Manaus, Amazonas 69.065-150 Brazil November 30, 1994

Dear Friends:

The last of November is the end of the Brazilian school year. This year, God blessed the efforts of teachers and students. Several students were saved, baptized and are growing in the Lord. This week, we had commencement exercises for kindergarten and eighth grade. In Brazil, each special occasion is reason for celebration, especially when so few students even make it to the eighth grade. God has specially blessed Tabernacle Baptist Church with a vision of educating the young, resulting in one of the churches with most college graduates in our city.

The Bible Institute and Seminary also end this year's activities in the month of November. Our enrollment finishes out with 150 students, of which 52 are already out in mission points in the surrounding areas of our city. Pray

that God will continue to raise laborers for the field, as this is the most necessary asset. We will be returning to classes in January with training for elementary school teachers.

The church is actively engaged in preparations for our evangelism thrust, taking advantage of the Christmas time. We hope to minister the gospel to as many as 30,000 people in the ten days preceding the Christmas holiday. The presentation is being made in song and a dramatic presentation of Christ's coming to earth to save sinners. Pray that the message will touch the hearts of those who hear.

We thank you for your prayerful support. We wish you a happy holiday season with all of God's blessings for the beginning of 1995.

Pray for us, Paul Hatcher

REPORT ON THANKSGIVING CONFERENCE DETROIT, MICHIGAN

by Louis Maple

I went to the conference expecting good things, but not that good. I left amazed. Forty years ago I spoke at the very first BFM conference and have missed only twice in forty years, so I am quite familiar with what goes on there. Here is what I noticed this time:

- * BFM approved an outstanding missionary couple for service in Africa.
- * A young man who had surrendered to preach at the conference last year and who had begun training at the Lexington Baptist College, came forward and announced he was surrendering to the Lord's call to the mission field.
- * A fire seems to be burning in the hearts of those from LBC to stir up and challenge young men to missionary service. Their challenge was very effective in the conference.
- * There was an obvious spirit of genuine love and fellowship and cooperation evident from beginning to end. The impact of the total conference was tremendous.

Something else struck me also. As I returned home (a seven hour drive with time for reflection) I recalled how the Great Awakening came about in America. The encyclopedias credit the preaching of Jonathan Edwards and George Whitfield for bringing on the great revival in the colonies called the Great Awakening. It was during these times that the Baptists flourished, despite persecution. It was this that produced the character in men that enabled our Founding Fathers to draw up such a unique Constitution and Bill of Rights. It was this Christian character and culture developed from gospel preaching that prepared the early colonies for acceptance of our great legal framework for America.

President Calvin Coolidge drew the link in these words, "The American Revolution was preceded by the great religious revival of the middle of the eighteenth century ... When the common people turned to the reading of the Bible ... when they were stirred by a great revival ... the way was prepared ... they demanded a new freedom and a new government. We cannot in our generation reject the cause and retain the result."

Jonathan Edwards and George Whitfield, the virtual Fathers of America, were solid sovereign grace, Calvinistic preachers of the Gospel. I recalled how years later it was the Particular Baptists ... the solid sovereign grace, Calvinistic preachers of the Gospel like William Carey, Andrew Fuller and Adoniram Judson that are credited with the modern missionary movement. Calvinism on fire was the foundation for the original character and Constitution of the U.S. and Calvinism on fire started the great modern missionary movement.

But this is what I see developing anew in Baptist Faith Missions. A new fervor is developing. You could sense it at the conference. It is growing out of a strong Biblical base of the grace of God ... not Arminianism, nor is it dead Calvinistic orthodoxy ... not "word only" theology; but it is a living faith in a sovereign God who has called us to go into all the world and preach the gospel of grace.

I feel this same spirit will prevail at the forthcoming conference in Lexington, KY in April. I am eager to go and bring others from my church with me to history in the making. I would encourage other pastors not to miss the upcoming conference in Lexington in April.

Short Trip to Brazil . . . Preach in Churches and Conference . . . 18 Decisions for Christ in Brazil . . .

by Asa Bratcher

Dear Brethren

This month has been a blessed one in the Lord's service. The beginning found me still in Brazil. I was there for 2 weeks. The primary reason was to perform the wedding ceremony for Eduardo and Margarida, a faithful couple of the 14th of December Baptist Church. They paid for the plane ticket so that I could go. It was a blessed trip. Besides the wedding ceremony, I attended 6 services at the 14th December Baptist Church and preached 3 times. There were some 18 decisions for which we praise the Lord. I appreciated the privilege of getting to go, and also Mom and Dad's hospitality during that time.

On the home front, Sunday the 13th my family and I attended both services at the Bluegrass Baptist Church in Lexington, KY, presently without a pastor. I preached during both services and reported on the work on Sunday night. Pray for them as they

seek God's man. The 21st through the 23rd I attended the 40th Thanksgiving Conference in Michigan. It was a refreshing time of renewing in the Word and fellowship. I reported on the work and preached Wednesday morning. It was a very good conference. I also enjoyed the ride and fellowship with Brother Ed Overbey, going and coming back, as I went with him.

Last Sunday night I was privileged to be with the Addyston Baptist Church of Addyston, Ohio where Brother Rex Hensley is the loved pastor. I reported on the work and showed some slides. We thank this church for their continual monthly support and prayers.

My family and I went to wish each of you a wonderful Holiday Season and a most blessed New Year in 1995. If we can be a blessing to each and to your church in any way, just let us know.

Begin New Sunday School at Altos do Coxipo Mission . . . Divide in Order to Multiply . . . Pray for Ursula's Health . . .

by Harold Draper

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. November 20, 1994

Dear Fellow Saints:

We greet you from Brazil. We have enjoyed a good and very busy month. Today we began our new Sunday School at the Altos do Coxipó mission. We had 31 present for the first day. There were 6 in the Adult class (with 5 more adults serving as teachers), 8 in the young peoples class, 8 in the 7 to 11 year class, and 8 in the Toddlers class. What a good start!

We separated from the mother church at Chacara dos Pinheiros today. They also had a good attendance today. We are dividing in order to multiply. We have done this before and always with good results.

We are working to fix up our building some. With the tithes and offerings of the folks here we built a new classroom this year. Right now I am reworking the house for the Brazilian worker to live in. Prices are so high right now that we have to go slow. We are waiting to see what the new President who will take office in January will do to stabilize the situation. The Lord is good and all our needs are supplied. We thank him and you folks who are used by him to make our ministry possible.

Your Thanksgiving Conference will be history in another 5 days. We are praying you will have a good one. Michelle goes to a small school for missionary kids so we will be getting together with a few American families on that day for a meal. We have a lot to be thankful for.

Ursula will be having some minor surgery next week. She has two blood clots in her legs. Thankfully we believe that it will not cause too much trouble if it is taken care of now. The doctor prescribed walking and swimming as a way to improve her circulation. She and I are walking at 5 a.m. each weekday morning before it gets too hot.

We made a trip this month to the Diamantino work. We were very pleased to see the growth of the work there and also of the young couple who work there. All 6 of the works here are holding up pretty well. Several have been saved in the last two months in the two works we help in. We are getting ready to baptize soon.

We send our best wishes for the Holiday Season and pray that all will be blessed.

Come Down from the Scaffold . . .
Young Couple Saved . . .
Distribute Church Paper to 1,200 . . .

by John Hatcher

Caixa Postal 112 86280-00 Urai, Parana, Brazil November, 1994

Dear Friends:

About 38 years ago we were building the new Tabernacle church building in Manaus. Brother Santiago, the pastor, was 70 years old. One morning when I got to the building he was on a high scaffold laying bricks. I said, to him, "Brother Santiago, would you come down here a minute?" When he did, I said to him: "Brother Santiago, I really appreciate your willingness to work, but please do not go up on the scaffold again. I want you to be alive for a long time". He was about my age now. Sometimes I think I would like someone to come along and say: "Would you please come down from the scaffold". At the same time, I now know how Santiago felt. He wanted to work and did, but not on the scaffold.

A young couple, Sonha and Waldir, were recently saved and baptized in Cornelio Procopio. They have two daughters, Amanda and Gabriela. Amanda is two and a half years. This new family never miss a Sunday morning service. Two Sundays ago the lesson was about

Jesus being God and how He is stronger than men. After service everyone was saying their good-byes, when Waldir came back into the building with a big smile and exclaimed, "Today, the lesson really stuck with Amanda. As I was putting her in the car I bumped her head on the door. She started to cry and I told her to be strong and not cry." She replied, "Jesus is strong". Maybe there is hope for the adults, also.

On Tuesday and Thursday, Alta and I, along with two others, distributed our church paper to 1,200 homes. Tomorrow we travel to Garça with three young people for a Seminary program designed to interest persons in studying with us next year.

This month we have had the highest adult attendance in two years. For the last two Sundays there have been 15 adults in my Sunday School Class.

Thanks for your support, your prayers and your love.

In Christ, John and Alta Hatcher

November Report on Dr. Seo Ku Lee

Dear Brothers and Sisters in Christ:

The verses of Romans 9:28, "We know that ALL things work together for good to those who love God, to those who are the called according to His purpose," encourages us in the rainy days, because the Words of the Bible contain the truth and power. In this Thanksgiving month, we give our thanks for my ministry to God and thank you who love us and have prayed and supported us.

One of the bad news is that two brothers of our Bible study group stopped studying. They enjoyed Bible study with us and they decided to join our church. But when they told their pastor they wanted to leave their church for ours, the pastor su in getting them to stop studying the Bible with us, and so we lost them

Another bad news is that Brother Jeon who works with me as a music director is going to stay in Korea for long term to help his father's business. Please pray for him and his father.

Good news is that in leaving, the two brothers made the rest of the members become more faithful and eager to learn. Instead of brother Jeon, one of the Korean members will be in charge of the music part. You know, ALL things work together to make

good. We just lean on the Word, and try to do our best.

We are going to mail the evangelical letter to Korean people with our church Biblical Solution to reach out to the Korean community. Please put this distribution in your prayer list.

We have three days of Bible study, Sunday, Wednesday and Friday, be-cause our people can't get together on one day. Therefore, please put this in your prayers that we will get together on a certain day - Sunday.

For Korean Youth: In November we started the Bible study every other week on Saturday. It is so great that we can't miss the youth meeting. We are encouraged that they are getting interested in studying the Bible.

May God bless you!

Your brother in Christ, Seo Ku Lee

Dear Brethren: It does not seem possible that it is time to write the Mission Sheet letter again. We have had a busy month with hardly a day off. We have had our regular services at the new place that we started. There have been four profession of faith.

I made one trip to Cantanhede and everything there is O.K. We plan to dedicate the building in January of 1995.

New Hope Baptist Church is doing very well. I only visit the church on Wednesday

Vila Riod: We have had our regular services at Vila Riod and we do not have anything different to report, just going at a regular pace.

May all have a Happy Holiday season. Yours To Tell the Old Story,

George Bean
