MISSION STUDY

Ways of Family Preparation 1. Family Devotions

Usually called the "family altar", the time of family devotions are basic in the spiritual preparation of a family. Satan will fight the family period of devotion with every weapon possible. This is one of the most difficult things to accomplish in the christian's home. After marriage, my wife and I realized that this should be a part of our daily life. The devil fought us on every side. Company at night, no time in the morning, not all at home at noon, meetings at night, and on and on were the excuses. We needed to worship our Father together every day, but Satan was defeating us. Children were born into our home and the need was realized the more. Feeble attempts were made but after a few nights our family worship period would be defeated again.

Then one night something happened! Five armed hoodlums attempted to break into our house. This attempt followed a successful one two nights before by a lone hoodlum of the gang. In the providence of God, our little girl rolled over in her bed and her movements woke my wife at the very time that a match was being struck just below our window. As I stood at the front window of our house. shouting a warning to the policeman in the dark street, the bandits fired in the direction of the flashlight which I held, and one of their bullets hit my leg, passing

all the way through it. The next night our family gathered and worship and praise was offered to Him who had kept us. The following night we worshipped together and until the present time this has been a wonderful part of our family life. Thank God for the wound that established our family altar.

2. Godly Marital Love

In marriage, the two become one flesh. That is not man's plan, but God's. There is no doubt that in many of the cases where preachers have fallen into sin, the sin of adultery, the fault has lain as much in the wife as in the man. "Defraud not one another", and then the writer gives the reason for this exhortation, "that Satan tempt you not ..." (I Corinthians 7:5). Love for one another cannot be separated from the expressions or realities of that love. And out of this expression of Godgiven love, should come fine christian families for the glory of Christ. Selfishness on the part of the wife or the husband is the cause of much loss of love in a home. Trials will help deepen this love. Being shut up to God on a foreign field has blessed our home beyond measure. God made me a kinder sweeter husband when in His plan my wife lay at the point of death in a hospital in Manaus, Brazil, at the birth of our last child. Love grew like it never had before. It still has not stopped.

3. The House is not a God but a place to live

Too many Baptist-owned houses have become Baptist gods. This will destroy almost any love between parents and children. It will destroy love between husband and wife. The worshipper of a god-house becomes a nervous wreck and suck a wreck cannot love or be loved. Our children have been put out of the house into the den and consequently they have become lions. Teach the children to respect the home, but make it After all, what is a little mud or muss? What if you gain the whole house and lose your children to godlessness, what have you profited? If a rug cannot be lived on, throw it out. If your chairs cannot be sat upon, get rid of them. Selfishness, nothing more, nothing less, makes a house a god.

4. Faithfulness in attending services with husband

The greatest work done by the native brethren in Brazil is by those whose families accompany them irregardless of the weather or place. Some preachers, of the old school, in Brazil have the idea that the woman only needs to go on Sunday night. Needless to say, their homes do not reflect Christ as they ought. The very same can be said for missionaries

Ordain Brother Edimas . . . Four Go House to House to Reach 800 People . . . 15 Professions of Faith . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brasil, S.A. November 16, 1994

Dear Brethren:

For the past few weeks I have stayed a little closer to home, which is what I had promised my church and family. They all needed me to be around. During the summer months I had been away a lot.

The last 3 weeks (since my last letter) have been very productive. God has been blessing in an extraordinary way. I won't be able to tell everything, but here are a few highlights.

On October 29 I helped ordain another one of our pastors. Brother Edimas is pastor of the Refuge Baptist Church at Mourapiranga. He has been there for a few years now and doing a good job. There was an overflow crowd (over 300) even though it was raining and very muddy. Four other of our ordained pastors took part in the ordination. Brother Edimas handled my interrogation very well.

Last Sunday night, Brother Raimundo Vieira brought a report to the church about his last mission trip. This was on the Juruá River between Paranà dos Mouras and Thaumaturgo. He and 3 other younger helpers preached and witnessed house to house for over 2 weeks. They took the message of Christ to over 800 people and there were 15 professions of faith.

Our services here at First Baptist Church have been exceptional. The attendance has risen again and growing even beyond our average. We have been having well over 200 for every Friday night prayer meeting! The same is true of our Wednesday night Bible study. Yes, we have 2 midweek services, and both with excellent atten-dance. We knocked out a wall between 2 Sunday school classes, because young people's class would not fit into the one room. The most we could get in the old room was 40. Now the room is

twice the size and we had kids standing and others sitting on boxes last Sunday. Beverly teaches the 12-14 year old girls. She is in my old class room and has already said she is going to have to have more seating! Last Sunday night the building was packed from wall to wall at the time for the service to start and then we were pressed to find seating for all of those who get to church late. We have a few adjustments we may have to make to accommodate this growth, but further down the road we could have some problems. Don't get me wrong - I'm glad to have this problem. One of my main concerns is that we maintain our family atmosphere and feeling, which is one of the many qualities that our is one of the many qualities that our church is known for. Pray that God will show us each step to take.

We have had at least 2 people saved in each Sunday night service for several weeks. There is no big secret that our members are telling people about Christ all during the week. Those mem-bers who are not very confident or competent at telling others about Jesus, are still busy and excited about bring-ing their friends to church, where they hear the gospel. Three weeks ago I baptized 22 and last Sunday 10 more.

We do have our problems. We live even beyond the boon docks and people are always wanting to leave here to get at least to the boon docks! Four more families are leaving us in the next 6 weeks, including some of those who were just baptized. Some of our young people have already moved away to go to school, including the 2 orphan boys who lived with us for the past few years. This is very frustrating!

Well, some problems (such as those caused by growth) are OK, others I would rather do without, but ...

God bless each one of you and thanks for all your prayer and support. In Christ.

Dear Brethren:

When this letter reaches you for you to read, the year of 1995 will have already arrived. We pray that the Lord's blessings will be upon you throughout the new year.

We wish to thank all of you who sent us the greetings of the season. We say to you who pray for us and contribute to the regular fund as well as the designated offerings for us, that we are very grateful and much obliged to all of you faithful followers of the Father.

Once again, we rejoice that Marie and I are enjoying a reasonable portion of health and happiness in the Lord. Now we share with you some of the happenings of this Mission Sheet month.

Nov. 19 - I conducted a funeral service in the home for the mother-inlaw of our church's doctor - Dr. Francisco Jesus Dias. That night I performed a wedding at the church.

Nov. 27 - This morning I preached to the 350 people present. That night 213 people were present. There were some 10 decisions made during the day.

Dec. 9 - Marie and I left at 13:30 and traveled by boat to the New Jerusalem Baptist Church in the interior. That night I preached to the 84 people present. Saturday afternoon I performed the wedding of José Airton Alves Bezerra (one of the lay preachers of the Church) and Auciné Regina Amaral da Silva, member of the Novo Remanso mission of the 14th Church. That night preached to an estimated 100 people Several people left when, at the beginning of the service, the notice arrived that a young wife and mother of the community had been killed by lightning that afternoon. Sunday afternoon we held a short service in the newlyweds new house. Then we traveled by boat to the Novo Remanso mission where I preached to 44.

Monday morning at 6:10 we (Marie, Ediberto and I) traveled by bus (an hour and a half) to the Buzzard River bridge. There at 14:00 we left and traveled by boat some five hours on the river to our Nova Canaã mission. We were taken to a small house that the congregation had built, finishing it that morning. I preached to 44 that night. The next night, Ediberto preached to 45. The next day at 17:30 we held a short service at the water's edge and then I baptized a young couple. It began to pour rain. The rain continued several hours. I preached to 35 and 10 of us, as members of the 14th of December Baptist Church, observed the Lord's Supper. We arrived home safe and sound on Thursday at 16:30.

Thus we have shared with you some of our experiences here in the "land of eternal summer". We pray for the Lord's blessings to be upon each of you. Please pray for us.

Yours In His Service,

Harold & Marie Bratcher

God's Grace is Only Answer to Difficult Problems . . . Two Saved . . .

Satan Seeks to Destroy the family . . .

by Harold Draper

Caixa Postal 3039 78.090 Cuiaba, Mt. Brazil, S.A. December 20, 1994

Dear Brethren:

December has come to remind us that this year is about over. We are not yet advanced in years, but we are realizing that in just a few more "days" we will be approaching the sunset of our earthly existence. What have we done that we will benefit from in the next life? Not all we could have done and should have done. Thank the Lord we have the God-given desire to please our Master even though we are not always able in this flesh to perform it. Salvation has to be by grace through a God-given faith or we are all

We had a lady in her early 30's saved at our mission this month. Last month an elderly man was saved at the Boa Esperanca church. All is going along pretty well. We do confront many problems to deal with in the lives of the people we work with. We must plead many times

to the Lord for wisdom as we deal with so many difficult situations. Satan is trying to destroy the most important institution besides the church: the family! He is having a field day here in Brazil. Even some church families are harmed by the hand of the wicked one. All of us are subject to these trials and temptations. May the Lord work in our hearts and give us grace to live in these last days.

Next month we will acknowledge the churches which have helped in our work in a specific way during the year. Letters are so expensive to mail right now that we want you to please bear with us for not aving written too much. Please accept our Mission Sheet letter as if it were to each one personally.

We trust the Thanksgiving Conference was a good one. We have not received any word nor the Mission Sheet yet.

May God bless you all with a Happy Holiday Season.

Dear Brethren:

This month has passed so quickly. We have had a good month in all our works. People have been saved, some have been baptized and some have been disciplined

I had to make a bus trip 48 hours round trip to Receife to renew my passport at the American Consul. It was an interesting trip.

New Republic is the name of the new place that we have started a work. There have been six baptized, one came by letter. We now have 9 members that live there. I looked at a house and lot that are

for sale. The price is a thousand dollars. Will you help us buy this?

The Post Office of Brasil is on strike and we are not getting any mail. The service has been slow for the last two months and I have not gotten several letters that were sent by Brother Overbey, June and others.

June is fine in Alabama, but her Dad continues the same.

The rains have started and that is a relief from dust and smoke. May God bless all.

Three More Saved . . . Report on School Construction . . . Coming Home on Furlough Soon . .

by Paul Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre, Brazil December 12, 1994

Dear Brethren:

Since my last letter we have had three more young people make professions of faith, and others request baptism. One of these was the sister of one of our most faithful teens. She went to camp this last August and the Lord began working in her heart. While there she sat down and talked with Pastor Mike about salvation but didn't make a decision. This last month she went forward during a Sunday night service to make her profession of faith in Jesus Christ. We have seen this happen after every youth camp that we've had in the last three years. The seed is planted at camp and the harvest often comes months later.

Construction at the school is once again at a standstill. The city had agreed to furnish the labor to help us get the new wing started. We were able to get the foundation in and the walls to one room started but it is still a long way from being ready to use. The enrollment at the school doubled again this year so there is definitely a need for this new building before the next school year begins in February. Pray that the Lord will supply the funds we need to complete this building.

We have decided to take an early furlough and come home at the first of the year. We made this decision for several reasons. Brenda's visa is only good until January 14th and then she has to leave the country and reenter again on a new tourist visa. The most time we can get on a tourist visa is 90 days with a one time renewal. If her process for permanency was not renewed within that time frame she would have to leave the country again. So it is much easier to leave and start the process while we are in the states and then return to pick up her permanent visa. Also we found out a couple of months ago that Brenda's mother has lymphoma cancer. She is also diabetic and because of this it has caused other complications which is making it harder for her body to fight the cancer. We would like to go visit her so that Brenda can be there to help. Although she is doing better, she still has a long way to go. Please pray for her as she goes through these treatments that the Lord will strengthen her physically and spiritually.

Please pray for us as we prepare to leave. It will not be easy leaving our ministry for six months. Pray that our group of young people here will remain faithful and strong. Until the end of December we can be reached at the above address and telephone number, after that you can reach us at the following after that you can reach us at the following address: Paul Creiglow, 355 K Street, Brawley, CA 92227, 619-344-2537.

Thank you for your prayers and support. We are looking forward to seeing you very soon.

Anita to Undergo Tests . . .

by Sheridan Stanton

621 Eureka Springs Drive, Lexington, KY 40517-5100 Phone (606) 268-5228 January 7, 1995

Dear Friends:

Greetings this month from Lexington, Kentucky. Anita, the kids and I arrived early this afternoon to the freezing cold in the Bluegrass State. We Florida on Thursday and planned to arrive on Friday afternoon. But the Lord had other plans for us. On Friday it was cold and raining and the roads became very dangerous. Just north of Knoxville, Tennessee all the traffic came to a standstill on Interstate 75. So we sat in the car on the road from 2:00 until 10 p.m. Traffic backed up about twenty miles. We later learned that there had been an accident about two miles ahead of us. When the traffic finally moved again, we saw in incredible amount of cars and trucks that had wrecked or slid off the road. We thank the Lord that He kept us safe throughout the ordeal and that we were finally able to get to a motel at midnight.

Though the weather condition here in Lexington is cold and snowing, the Lord has blessed us with a nice, comfortable and warm place to live. You can write to us or call us at the address and phone number listed above. We'd love to hear from each one

Just before we left, we baptized four nto the fellowship of the mission work in Lima, the capital city of Peru. The work there continues to grow and be blessed of the Lord. My Monday night Bible Class has grown and has been a key factor in the spiritual growth of the saints there. God has truly been gracious to the Stanton family in allowing us to minister to the saints in Peru, South America.

We hope to return to Peru soon. As you know, we've come back to the States for my wife, Anita, to receive some medical tests and treatment. Please pray for Anita (and the rest of our family) that the Lord will enable the doctors to find the cause of her problem and then give a suitable treatment.

We thank you for your prayers and support. Until next month.

Caixa Postal 227 69.011 Manaus, Amazonas Brazil S.A. phone 011-5592-611-2331 November 17, 1994

Dear Brethren:

As I prepare to write the Mission Sheet letter, I am aware of the fact that we haven't received the October Mission Sheet. We hope it will tomorrow so we will be able to pray for the Thanksgiving Conference speakers by name.

Now for the news: Sunday, October 23 preached to 250, a few more than the a.m. service. Wednesday, October 26 was a day different in many ways for Marie and me. I arose from my bed at 1:15 a.m. and at 2:00 were on our way (Ediberto & I) to the airport. Soon after we arrived, Asa Mark arrived from Lexington, KY to spend two weeks with us. I followed my regular morning schedule. At the church at around 9:45 we received the notice of the death of one of our members, 33-year old Jail Nobrega Almeida, the daughter of one of our deacons. I went to the home and held a short service. That night on our way to Prayer Meeting we held another short service with Asa Mark bringing the message. 102 people were present at Prayer Meeting to welcome Asa. Thursday morning I preached to several sinners from Luke 7 about "a sinful woman who was saved". I then went to the cemetery where I read the scriptures and prayed.

Saturday night I preached at the Mount of Olives Baptist Church to an estimated 200. The Church was celebrating her 10th anniversary. Asa Mark performed a wedding at the 14th of December Church. The couple paid for his round trip ticket. Sunday morning and night Asa preached the Church There were 3 decisions that at the Church. There were 3 decisions that morning and some ten at night. I preached at night at the Coroado Baptist Church to at night at the Coroado Baptist Church to an estimated 100 people. The Church was celebrating her 5th birthday. Wednesday morning, Nov. 2nd at 17:00 we held services at Joel Harold Bratcher's grave and than at E. A. Nelson's grave. Wednes-day morning, the 9th, Asa Mark left us to return to the U.S.A. to finish his furlough. His bodily presence was a blessing to the body of Christ and to his mother and father as well.

We praise the Lord with the Psalmist (Psalm 103) for forgiving us and healing us. We thank you, dear ones, for your financial support and your prayer support.
May the Lord enable you to continue supporting us in both ways.

Yours in His Service. Harold & Marie Bratcher

December Report on Dr. Seo Ku Lee

Dear Brethren and Sisters in Christ:

I do appreciate your continuous prayer and support for our ministries. When I look back to 1994, the grace of God has overflowed through you, Brethren and Sisters in Christ, toward our ministries.

Sometimes our ministry was bright. Sometimes, it was dark. But we recognized that everything is the work of God to give the best to us. We have met many Brethren and Sisters. We have shared many prayers. We have studied the words of God, but everything depends on God's power. There were fruitful crops and productive work, but also there were unproductive crops. The unproductive gave us a great lesson. God will have a harvest. Sometime in the future, there will be a productive work through our labor; even though we don't have a good harvest now.

In fact, I met one family several months ago for counseling on their family problems. After counseling them, we didn't have any fellowship for a few months. But, all of a sudden, they called me and said that they have to thank me for my counseling. They also hoped

continuous fellowship. I hope to share the gospel this time. How wonderful it is! God works through our labors in His way. Another blessing is, through the dark side of our ministries, some Brethren and Sisters have been built up and have matured spiritually in getting through the problems. God has prepared the better way and improved the

dark side into a blessed one.

In 1995, we have a plan, a special program. We will mail a special gospel message, *The Biblical Solution* and our Korean gospel brochure, to Korean families of sictites around our location. We will continue the Bible study program on Wednesday, Friday, and Saturday.

We pray for every receiver of our brochure to read it and be challenged to know the grace of God, salvation and the blessings as Christians.

Thanks again for your continuous prayer and support in 1994.

May God bless you.

Your brother in Christ, Seo Ku Lee
