TO PASTOR MAPLE'S FRIENDS

The Congregation of East Maine Baptist Church, where Pastor Maple served as a faithful shepherd for over 44 years, with to gratefully thank the Baptist Faith Mission people for their prayer support during this trying time. We miss Pastor Maple's presence greatly, but rejoice for him that he is with our Heavenly Father.

For the past two years, it was Pastor Maple's vision for East Maine to construct a new church building. A new land site had been selected and he was working on finalizing the closing of the land purchase when he was taken from us. We are praying that as God leads us we can begin the construction of the new building, perhaps as early as this coming summer.

East Maine Baptist Church has asked Dr. Lee to fill in as an Interim Pastor only until the church is able to obtain a pastor interested in Baptist Faith Missions and the overall ministry of this congregation. Pray with us that God will lead the right man of God to us for the continuation of this ministry. We covet your prayers.

BROTHER LOUIS MAPLE GATHERED TO HIS PEOPLE

Brother Louis A. Maple went to be with the Lord on January 10, 1995. The Lord called him to his heavenly home as he sat in his easy chair reading his Bible. Brother Maple was born on October 10, 1926.

His is survived by his wife Grace and three children, Jonathan, David, and Ruth, their companions in marriage and several grand children. Brother Maple was the pastor of East Maine Baptist Church in Niles, Illinois for many years. He was also a Director of Baptist Faith Missions for over 35 years. He was a great blessing to the work of Baptist Faith Missions. He will be greatly missed. Continue to remember his wife and family in prayer.

Sick With "Deng" . . . Gratitude to All Who Support Us . . . Rains Have Done Great Damage . . .

by Harold Draper

Caixa Postal 3039
78.090 Cuiaba, Mt.
Brazil, S.A.
January 19, 1995

Dear Brethren:

The new year brought us record rainfall here in Cuiaba. Many lost their homes and a few their lives. I have had the "Deng" which is similar to malaria and has killed many in our area. I am better, but have lost a lot of weight and am still very weak. But the Lord is good and we just try to keep on keeping on.

We just received news of the death of Sister Fisher, wife of Brother Sidney Fisher. She was such a precious saint and meant so much to us. Our loss is heaven's gain. Also we just received notice that Brother Louis Maple went to be with the Lord recently. We send our condolences to these families. We heard that Brother Edward Overbey had open-heart surgery and is recovering well. We pray that his recovery will be speedy. He does such an important work in our mission work. He is about our only direct contact with the outside world outside of the personal letters we receive, etc.

We, the Draper family, want to express our heart-felt gratitude for each church that has supported us both through the General Fund and by means of our Work Fund. May we always be found worthy by you of this support. Our work was richly blessed in 1994. We are looking forward to the same in this new year. He remains

faithful even though this old world is reeling under the condemnation of sin and the wicked one.

We ask that our supporters continue to remember us in our work here. The recent rains did extensive damage to our building at our new work. We will need to repair it as soon as the rainy season is over. Please remember the Draper Work Fund as well as the "Workhorse Fund". All of our works in this State are going along about the same. All have national workers except the one I am presently starting. I have a new couple working with us here. Ezekiel and Claudia came to us from our church at Boa Esperanca. They are good in music, Sunday School teachers and help in the visiting. We performed their wedding 18 months ago. He was saved under our ministry in 1980. This past year he acknowledged his call to the ministry. Pray that they may be used in this new work and one day take it over from us. We are trying to make all the works able to carry on after our time is over. For so long we have prayed that the Lord would send another American family to help us. He hasn't. So we must use what we have. The work is continuing and being blessed even though it is difficult at times. May the Lord bless all of you.

In Him,

Harold M. Draper

Dear Brethren:

The first month of the new year of 1995 has rapidly passed us by. As always, His blessings and protection have been very evident to the Bratcher family.

The 3rd Sunday of December found us at the Bible Baptist Church of Harrisburg, Illinois where Brother Art Donley is the loved pastor. I preached Sunday morning, we celebrated Lucy Marie's 9th birthday after services that evening, and on Wednesday we were privileged to participate with the dear folks there in the Christmas fellowship party. As usual, we enjoyed and appreciate the wonderful hospitality this church, pastor and wife, and members have always shown us. "MUITO OBRIGADO", as we usually say in Brazil.

This year I have had the privilege of being with the Calvary Baptist Church of Crestline, Ohio where Brother Elwood Hensley is the pastor. Despite all the snow and bad

weather, it was a most enjoyable weekend. I enjoyed the ride and fellowship with Dr. David Hatcher. He spoke Sunday morning and I reported on the work and showed the slides that afternoon.

Then this past Sunday, the 29th, my family and I were with the Twinbrook Hills Baptist Church in Hamilton, Ohio where Brother R. Dennis Riddick is the pastor. We were the honored weekend guests of Roy and Mary Adams, faithful members of that church. That night we were with the Grace Baptist Church; Dr. Gail Terrell, pastor, also in Hamilton, Ohio. We arrived home around 10 p.m. Sunday night tired but rejoicing in the Lord and praising Him for being able to be with His faithful people.

Tomorrow I will be leaving on a 10 day trip to visit churches in South Carolina, Florida and North Carolina.

The girls are fine, studying very hard. Until next month -

Attendance is Good . . . Two Professions of Faith . . . Visit Work at Rio Branco - Largest Crowd Ever . . .

by Mike Crelglow

Caixa Postal 24 69980
Cruzeiro do Sul, Acre
Brasil, S.A.
December 30, 1994

Dear Brethren:

Attendance and growth continues here at First Baptist Church. As I mentioned in my last letter, we have lost and will be losing more families who are moving to other cities. Nevertheless, we are still growing a little. Last Sunday it rained all day and was still drizzling an hour before evening services. All available seating was full (including all the benches from the Sunday school and children's facilities), many people standing, the choir (40 people) stayed on the podium and lots of people were outside, just milling around since they couldn't find any place to sit. We have been wondering what it would have been like if it hadn't rained. There were 2 professions of faith. Most of you had your bigger crowd on Christmas morning. We had "only" 400 in the morning. The only "advertising" for the services was done the same as every week, by our members and their obvious enthusiasm for Christ's kingdom.

This past month I visited our mission in Rio Branco again. Each time I go back they have done some more work on the building. In fact, the building is close to being finished now. This is an encouraging sign. They are no longer looking to me for the next instructions or steps. The building was completely packed on Sunday night. This is the largest crowd we have had. There were over 200 present. While there I performed wedding ceremonies for 2 couples in the congregation. One couple, who were already married but just saved a few months ago and wanted to express their vows as Christians, also had a ceremony. Besides these 3 couples, the pastor and his wife have completed 10 years as husband and wife, so we had a ceremony for them, too. It was a great weekend.

Our worker at Rodrigues Alves went back to Manaus with his family this month. The Lord has already given us another to take his place. The new man there has been visiting every week for the past month. His name is Edison Lopes. He is in his mid-twenties and is getting married this weekend. Pray for them.

I have visited Faith Baptist Church this month. They are doing fine. They have just remodeled the front of their building and improved the appearance a great deal. They just celebrated their 38th anniversary. The night I visited them, the building was as full as it could get.

Our missionaries at Thaumaturgo and Porto Walter have both been sick this month. They both had to come to town for treatment. In fact, Brother José Maia was here for several days, gone back up river and then had to turn around and come back to town, sick again. This has slowed things up in both villages. We are just starting to build the parsonage at Porto Walter. We finally got permission from the forestry people to saw the lumber for the building at Thaumaturgo, but with José's illness we are still not sawing. One of our other full time workers, Brother Sebastião, is going to take over the sawing process to help out and speed things up.

All my kids from the States came in this week for a short visit. This is the first time that we have all been together for almost 5 years. We are thanking the Lord over and over for this extra special blessing. Some of you may know what it's like to not be able to get your family together for years at time. I dare say that most well adjusted missionaries would agree that the isolation and separation from family is one of the toughest things in being a missionary. Try to imagine it, if you can. Pray for us, just a little bit harder.

In Christ,

Mike Crelglow

Dear Friends:

This has been a very busy month for Pam and I. We thank the Lord for several opportunities that we have had to share the ministry God has called us to in Kenya, East Africa. We have ministered in Pastor John Mark Hatcher's church, Emmanuel Baptist Church in Evansville, Indiana. Pastor Kevin Mitchell invited me to share our Kenyan ministry in the Winter Conference at Park Ridge Baptist Church in Gotha, Florida. We enjoyed the great preaching and the fellowship. Pastor Kevin and his people did a wonderful job with hosting the conference and the food that was prepared was excellent!

While in Florida, I also got to present our African ministry at Good Shepherd Baptist Church in Brandon, near Tampa. Brother George Terlizzi is a pastor friend of mine who went to seminary with me. When we got home, I had another meeting near my home. I thank Pastor Jeff Arthur, for the privilege of speaking to his church, Elizabeth Baptist Church in Bancroft, West Virginia.

Pam and I later went to Lexington to visit with Brother Sheridan Stanton and his family while they are in the States. It was nice getting to fellowship with them.

Brother Stanton was very helpful to me and we appreciated his counsel to us concerning missionary life on the field. Also, he helped me to work with computers more effectively.

While in Lexington, we got to visit with Brother Ed Overbey and his wife. We are thankful to God that he is doing much better. Pam and I appreciated his words of encouragement to us. Brother Overbey has been very helpful to us as we prepare to serve in Kenya.

We praise the Lord for the good meetings and for traveling mercies all along the way. We also praise the Lord for the invitation by Brother Dave Parks to share our African ministry during the Spring Conference at Thompson Road Baptist Church.

We would ask you to pray for a couple of concerns we have as we prepare to go to Kenya. Pray that the Kenyan government will give BFM a registration permit so we can be approved to minister in Kenya. Also, pray that God would supply the funds so we could purchase necessary equipment to be used in the Lord's work in Kenya.

To God be the Glory!

Dear Friends:

In last month's letter, I told of our having been stuck on Interstate 75 for over eight hours on our way to Kentucky due to severe snow and ice conditions that had caused a terrible automobile accident. Well, last night we got stuck again on Interstate 64 for three hours, once again due to a bad accident caused by icy road conditions. We were returning from a speaking engagement at the Kelley's Creek Baptist Church in West Virginia. We had planned to be home by 2:00 a.m. but because of the delay it was 5:00 a.m. The Lord always looks after us and once again He protected us from harm and brought us safely home.

So many of you have called and asked about Anita's, my wife, health. As you know from last month's letter, we have come home for a short time because of some health problems that Anita has had. Well, she has visited doctors and had a lot of tests. We have learned that she has high blood pressure and some chemical (hormonal) deficiencies. She has been placed on medication and it appears that it will take a little more time for the doctors to regulate the proper dosages. Please continue to pray for Anita that she will soon feel better and be able to return to Peru and get back into the work that she

so dearly loves.

Our children, Leah (17) and Joshua (16) have both obtained their driving permits and are in the learning process. They take their test in two weeks. I'll give you the results next month. Please pray for them (and Anita and me also!). Leah and Joshua have also obtained a temporary job working at a local car wash here in Lexington. It's hard work in this freezing weather and they must work with some very "worldly" people. But it's been a good experience for them and they have earned some "extra cash". They're great kids and Anita and I praise God for having given them to us to rear and train. They are truly a blessing from the Lord.

You will notice that I put our Peruvian address once again at the top of this letter. By the time you read this letter we should be back in Peru. Please continue to write to us and call us if you can. God is doing some great things in Peru and we continue to be excited to be a part of it. I have enjoyed visiting some of the churches here and having my "batteries charged". It's been nice to be able to listen and be fed and not be responsible for all of the preaching myself. To all of you that have shared with us and encouraged us, we thank you and we love you. Until next month.

Retiring From Mission Field to Linden, Tennessee . . . Hope to Continue Serving Lord in Revivals and Special Meetings . . . Thanks to Each Church and BFM . . .

by Homer Crain

January 30, 1995

Dear Brethren:

In our last mission letter we told you about our plans to retire soon. We now have a mobile home and our address will be Box 461, Linden, Tenn. 37096. I have been supplying here in Tennessee and Michigan and we do not know at this time the Lord's will for us. So until we do, we plan to supply where churches need us and to try to stay busy in revivals and special meetings.

We have organized six Baptist Churches and have several other mission that have their own buildings, and most have their own national pastors. Many souls have been saved, baptized, and several have been called to preach. I am still helping churches on their buildings in Iquitos, Lima, Huanuco and Ayacucho.

We want to thank Baptist Faith Missions

and all the supporting churches who have stood by and prayed for us, helped us and encouraged us. We believe Baptist Faith Missions has a very good organization and plan for churches to support and help reach lost souls around about the world.

We also want to especially thank Brother Ed Overbey, secretary of the Mission and all of the directors who have helped to make our work in Peru possible. We will continue to help and encourage and motivate churches to support the work of Baptist Faith Missions.

Please feel free to call or write us here in Tennessee. May we all continue to do our best in reaching the lost because Jesus has done so much for us. Our phone number is 615-593-2155.

In Jesus' Name,
Homer & Elizabeth Crain

Dear Brethren:

This "Mission Sheet Month" has been a most busy and blessed one. I did something on December 25th that I never did before on that day in all of my 67 years - I baptized! Yes, I baptized 19 believers in the baptistry of the 14th of December Baptist Church. The youngest person is nine and the oldest, 34 years old. We praise the Lord.

On December 31st, we began our watch night service at 21:30 and finished at 5 minutes after midnight.

On Sunday, January 8th, after the morning worship service, Marie and I went to a house of mourning. I conducted a funeral service for a 22 year old boy who died in a traffic accident. His grandmother and a sister are members. The boy's mother is not a believer, but last Sunday she attended the service at the Church. Sunday night, January 8th, a middle-aged couple made a profession of faith and a 60 year old man was received by restoration.

Last Friday afternoon, I received the notice of the death of Pastor João Ricardo

dos Santos, 79 years old. His body was brought to the church where he lay in state for about 20 hours. After a service in a home, we held a service in his memory.

May the Lord bless Pastor Sidney Fisher and comfort him! We only learned of the homegoing of Mrs. Fisher last week. May the Lord bless Mrs. Louis Maple and children. Asa Mark informed us of his (Pastor Louis Maple) death when he telephoned us last Friday. He informed us also of Pastor Edward Overbey's heart surgery. We are praying for him to enjoy a rapid recovery. Let us all remember: "Tis just one life, it will soon be passed - only what's done for Christ will last."

We thank all of you who gave to the regular fund during the month of December. We also thank all of you who gave to the Harold Bratcher poverty relief fund and/or the New Works fund or Personal gifts. May the Lord bless you all.

We continue to covet your prayers. May the Lord help us all to be faithful during 1995!

Yours in His Service,
Harold & Marie Bratcher

Alta's Sister Passes Away . . . Many Visits During Month . . . Prepare for Bible Camp . . .

Dear Friends:

1994 passed by in a hurry, did it not? We will not see it again until eternity when we meet our deeds before the Lord. That is a sobering thought. Not only the year passed quickly, life passes quickly also. This month we received a call from Kathy advising that Alta's sister, Lavena, had passed away. She was Alta's older sister. Her younger brother died a year or so ago. Antonio, one of our neighbors, was buried yesterday. He made a profession of faith about one month ago. Pray for his family. They are all lost and show no interest in the Gospel. Only his wife attends preaching services with some regularity.

This has been a busy month. We have distributed about 3,500 calendars and have 1,500 to go. Our Sunday School attendance in Cornelio has been up. High this month was 49. Bible class for children in Urai has been up and Alta prepares diligently for it each week. Attendance at

the preaching services has been down in Urai. Seminary classes in Cornelio e Garça finished the last of November. The long trip each month to Garça and the two-night trips weekly to Cornelio depleted my physical forces. So we were ready for some quiet days at home and a nice visit with Kathy and Odali and their children for the holiday period.

Monday, January 9, we head for a week at camp, where I have been invited to direct the Bible study each day. Camp is an enjoyable time and is different from most camps. There are all ages and this delights the oldies and makes them feel younger, or older.

For you who sent cards and letters we express our thanks and appreciation. The Lord willing, we hope to make a short visit in the spring and attend the Spring Missionary Conference at Thompson Road Baptist Church in Lexington. Make plans to come and we will see you. Thank you for your prayers, loving support and friendship.

Yes, the dryer is still performing well.

December Report on Dr. Seo Ku Lee

Brothers and Sisters in Christ:

We do appreciate your supportive prayer for our ministries. East Maine Baptist Church called me as an interim pastor, after the homegoing of Pastor Louis Maple on the tenth of January.

Last Sunday, January 22nd, four people made the decision to join East Maine Baptist Church - one of them by baptism and three by transfer of membership. I need to adjust Korean ministries to fit my new duties, because I have English and Korean services. Please pray for my spiritual power and management of time. I have five different Bible classes during the week: Sunday, Wednesday, Friday and Saturday evenings.

Brother Taesik Jeon and family left for Korea on the 21st of January. Pray for them.

My first goal for East Main Baptist Church and Korean people is to promote church growth with an international emphasis, which was Pastor Maple's desire. I request you pray that God's spirit would use our Gospel tracts to the Korean community.

May God bless you.

Your Brother in Christ,
Seo Ku Lee

Dear Brethren:

The highlight of this month was our bus trip to Cantanhede. There

were two buses that were packed, that went from Sao Luis. We arrived at noon and after lunch we divided into groups and went out through the city to invite people to our service at 3 p.m. at the football stadium. There was a large group that attended the afternoon service. That night we dedicated the new building. I

gave a history of the work in Cantanhede. Brother Padua, pastor of New Hope Baptist Church, preached. There were over four hundred present for the service. Quite different from our first service that we had there a few years ago.

I made one trip to Anajatuba and they are doing OK. Lots of rain and that keeps folks away that live a long distance.

I went to Peritoro on Thursday, January 13, and spent the night in the pastor's home. They were having a Vacation Bible School and they wanted me to speak at the closing service on Friday morning. The ladies from the church served lunch of chicken, rice and beans to all who were present. Their building was filled. I have never seen such a well-behaved group of children. I enjoyed preaching to them.

June is doing fine in Alabama, but her Dad is about the same.

May God bless all is our prayer.

Yours To Tell the Old Story,

George Bean
