Dear Friends:

The month of April has been a month of good news and bad news. The bad news is that Anita, my wife, had an emergency operation at 11:00 p.m. on Thursday, the 27th. All went well and she was able to come home on Saturday morning, the 29th. She is still in a lot of pain as her body continues to heal. Please pray for her. She had spent from January to March in the States for medical reasons, and just when we thought she was in good shape medically, this happened. The Lord knows what is best for us, and Anita has maintained a good attitude during it all. Please continue to pray for her.

I traveled out to the jungle town of Pucalipa on the 13th of the month and was finally able to rent the house there The house belongs to Baptist Faith Mission and we lived there for seven years before moving to Lima in 1990. The house has been empty all this time. A young American missionary couple, with two small girls, have decided to rent it. This is blessing for us because now I won't have to spend time trying to keep the place up and pay the monthly bills. The house was broken into back in February a few small items of not much importance were stolen. So with someone living there now the situation is much better. Thanks for your prayers.

Anita and I traveled to the city of Huanuco, in the Andes mountains, on Friday the 21st and returned on Monday the 24th. We drove our little Mazda pick up truck and had a great time together. It takes 9-1/2 hours to drive up there and 8 hours to drive back. Usually, Anita gets a bad case of "altitude sickness" because the highest part of the road over the mountains is almost 16,000 feet above sea level. However, this time she took

some medication 24 hours before we left and she got only a slight headache. We praise the Lord for this because it means she will be able to travel to Huanuco with me all of the time. I must go to Huanuco several times a year.

The reason we went to Huanuco this time was to help in the first anniversary service of the "Bible Baptist Mission of Huanuco". Brother Carlos Alberto Gonzales is the pastor of this work. I was very pleased with the progress they have made in this new work. The small building was packed each night and we saw two accept Christ as Savior and many others repenting of sin and reconciling with God. Brother Carlos has two more mission points projected, and we only lack funds to get them going. Will you help?

About sixty percent of the Baptist churches associated with Baptist Faith Mission in Peru have at least one other mission in Peru nave at least one other mission that they operate. Some of the churches have two or three of these "preaching points", and yet all of the pastors work at other jobs because of lack of funds. We do what we can with what we receive and praise the Lord for it. But now that Brother Homer Crain has retired, allof the churches in Peru associated with Baptist Faith Mission are left to me to courage and help. Building walls, pouring floors, putting on roofs, all cost ey. Printing hymnbooks, tracts, and Baptist books and literature all cost money. The work is a great blessing, but it is neverending. Will you help?

I will be starting the first classes in our Bible Institute on May the 22nd in Huanuco. We will study for one week, two times each year. All the pastors and preachers are excited about studying. They agreed that the best time for them will be from 3:00 p.m. to 10:30 p.m., Monday through Friday. This is the beginning of a dream come true for me. I have prayed about conducting a Bible Institute in Peru ever since I arrived here back in 1983. I hop-

THE HAFFORD H. OVERBEY PREACHERS' FUND

by Edward H. Overbey

Hafford H. Overbey, 1902-1994, was best known as the Executive Secretary of Baptist Faith Missions and the Editor of the Mission Sheets. He served in those positions for 40 years. He was known for his love for missions, his complete dedication to the Lord and his faithfulness to the Lord's Word and His work.

However, he was known by a few for something else which was very important. Throughout his life he sought to help young men called to preach and preachers in need. Many times he helped a preacher who was close financially to buy groceries, to pay a bill, or to pay his way to a Bible Conference. He bought suits for preachers in the states and on the foreign fields when he saw their need. He helped young preachers with the cost of their education, he gave them good books to help them study the Bible, he gave his time to instruct them and he prayed for them. He wanted to invest in something which would last for eternity.

The Directors of Baptist Faith Missions have thought it would be an appropriate way to remember Brother Overbey and to make an investment for eternity, by establishing the Hafford H. Overbey Preachers' Fund to continue this work. This fund would seek the following objectives: 1. To help in the education of men called to preach. 2. To help preachers with special financial needs, 3. To help preachers to become better preachers of the Word of God. This fund will be administered by the Executive Committee of BFM. <u>This will be an on-going fund.</u>

If you would like to help in this work, send you offerings to the Treasurer of BFM designated for the <u>Hafford H. Overbey Preachers' Fund</u>.

FOUNDERS' MONTH

It is not too late to take up a special offering for Founders' Month

that within the next year we will be able to start in Iquitos and Pucalipa as well. Please be much in prayer about this. Several good Baptist books are now translated into Service. translated into Spanish and need to be printed. We need these for the Institute. Will you help?

One last item of the Lord's business and then I'll bring this letter to a close. In August of this year all of the Baptist churches affiliated with Baptist Faith Mission will be having a "Thanksgiving Conference" in the mountain village of Paucar. This small village is about two hours drive from Huanuco. Pastors and church memfrom all over Peru will be attending. The church sponsoring this annual event is the "Words of Life" Baptist Church in Paucar. Their pastor is Brother Eladio Tarazona Soria. They have build a two story building out of adobe (mud) brick in order to shelter all of the people. It gets very cold up in the mountains. The building

is fifty feet by twenty three feet. They have a tin roof over it at this time, but they need to install the flooring for the second floor. The lumber must be bought in the jungle town of Puscillae. town of Pucalipa, and then shipped to the mountain village of Paucar. I calculate that the lumber and shipping will cost approximately \$3,000. This is a rather urgent request for help and I trust that the Lord will move some of you to give and cover the cost of this need. Will you help?

Until next month.

MISSION STUDY

by John Hatcher

Preparation in Separation from Family Ties

The Lord Jesus knew that one of the difficult things for his servants to do would be to leave their family ties. This He expected of Abraham. This He expects of every child as far as loving and serving Him are concerned. In the book of Mark it is written, "And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters or father, or mother, or wife, or children, or lands for my sake, and the gospel's, but he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children and lands, with persecutions and in the world to come eternal life." Again the book of Matthew declares: "He that loveth father or mother more than me is not worthy of me, and he that taketh not his cross, and followeth after me is not worthy of me."

Serving the Lord requires one to deny himself and take up the cross of the Lord Jesus. This is a cross of death and this is exactly what it means for the

disciple of the Lord Jesus - death to world and all its ties.

If you find it hard to stay away from your family to serve the Lord, then before going to the mission field, it is imperative that you wean yourself from the ties of mother and father. God's Word declares that we should count the cost before building, and this refers to the following of His call.

The disease of home sickness must be cured or subdued and the allsufficient grace of God is able.

The Problem of Physical Handicaps

Physical handicaps should be taken into consideration. Circumstances are never completely safe for determining the will of God, but neither are the emotions. There are some handicaps here in America which, due to modern conveniences such as cars, home appliances, electricity, etc. are not noticed, but remember, in the jungles and many other places there are no cars, conveniences, electricity, etc. Now you will have to determine the Lord's will, but I mention these things as perhaps a help to determine it.

Since on the foreign field you will not have the variety of products and businesses, you will have to do much that here someone does for you. For instance, when our Bible School in Manaus needed maps of Bible lands, there were none to be bought. I had to draw and paint them. There were no blackboards to be bought; we made them. So I would suggest, from the experience that God has given, that the more things that you learn to do the better off you will be. Learn the principles of drawing, how to mimeograph and make stencils, something about building, printing, etc. as well as a course in home nursing. It is true that these are the minors and you do not want to make them the majors, but it is also true that if you do not know how to do many of these things, you work will suffer, or you will take up the time of someone else to do it for you. Of course, after you have native people saved, they ought to be taught and used to do as much of the work as possible so as to relieve you for more important matters.

Great Revival in Cruzeiro do Sul . . . **Teaching at University** Opens Doors to Witness . . . Reports From Missions . . .

by Mike Creiglow

Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil May 2, 1995

Dear Brethren:

The revival continues here in Cruzeiro do Sul. We are in the midst of the greatest time of spiritual growth that I have ever seen. We have had continuous growth here for several years now, but recently we have seen even greater numbers of people being saved and Christians com-

In March there were over 20 people saved and we had that many more saved in April. There have been people saved every week since February. Most of the time I only give a public invitation for people to make professions of faith at the end of our Sunday night service. Even so, we have had many professions of faith during the weekly services and, of course, most professions of faith are made initially in private then later at church. During this period we have had a number of big rains on Sunday that has kept attendance down in some services.

Sunday night was like that. We had a big rain that started an hour before time for services. We only had about 150 people present; nevertheless we had 3 more people saved. Two of these were during the invitation. The other was a woman who I had met the week before. She was born here but moved to Rio de Janeiro 47 years ago. She just moved back here. I had gone with some of the young people to visit a young lady who is sick and not saved yet. While there I met Glória, invited her to church, and promised to go get her. Even though it was raining, she was waiting for me. At the end of the service I got to witness to her some more and she trusted Christ!

One of the young women saved on Sunday night is one of my students, a

senior, at the university. I don't even remember whether I told you this or not, but I teach English, British Literature and North American Literature at the local campus of the Federal University. I haven't seen a pay check yet, but the open doors are great. I even have a nun in one of my literature classes. I often wonder how she handled "Sinners in the Hands of an Angry nancied Sinners in the Hands of an Angry God", by Jonathan Edwards. Everyone has been a real sport, so far. All the other teachers are called "professor", but I continue to be Pastor Miguel to lost and

I visited the Calvary Baptist Church at Colônia São Francisco. I helped them with a baptism of six more members and then in the observance of the Lord's supper. They are doing quite well and having some good growth. One of the men that I baptized was a young man when my father started the work there over 30 years ago. I know that dad will be glad to know that Chico Miguel was finally saved. Even though he is now an old man, it was an honour to be able to baptize him.

Reports are in from several of our missions. Three saved at Rodrigues Alves. Good reports from Mário at Porto Walter and José from Thaumaturgo. Edson Damasceno and Amadeu report more professions of faith at Santo Antônio and Santa Rosa. After many years of faithful service, they are finally being blessed with souls and outstanding attendance. Brother Carlos Braga is now pastor of First Baptist Church of Mâncio Lima. They are slowly overcoming some of their problems and a number of people have been saved and baptized.

So much more to tell, but I'm out of space. Hope to see you soon. God bless.

Caixa Postal 3039 78.060-200 Cuiaba, Mt. Brazil, S.A May 22, 1995

Dear Brethren:

I just got back from the Acre which is where most of the early BFM work started. It is where Joe Brandon, Paul Calley, Bobby Creiglow, and presently Mike and Paul Creiglow work. I was blessed to see how the Lord has used these men in this area. I was invited to preach a revival by the church in Mancio Lima which is about 25 miles out from Cruzeiro do Sul. The church was celebrating its 65th year of existence. Three precious souls were saved, all being adults, and the fellowship was great.

On Sunday morning, I went down the road about 10 miles to preach at the Baptist church in the Assis Brasil community. The church was full and four more precious souls were saved. Three were adults and one was a teenager. I had opportunity to visit briefly with Mike and Bev Creiglow. It had been some years since we had seen each other. It was a great trip which lasted just eight days. I arrived back here in Cuiaba and found

Ursula and Michelle doing okay. I really don't like to leave them here by themselves much. While I was gone a young man was robbed and murdered in our neighborhood. But the Lord protected

Yesterday we had good services at our Altos do Coxipo mission and all the other works had good attendance and good services. The rain continues to fall here. It is hindering us from working on our building at the mission. Please do remember our need concerning this building. Also, do pray for Ursula. Today she is down with arthritis. I took her to get a shot tonight and will go again tomorrow.

Michelle will finish her school year this week. All of us are looking forward to this. It will free us up to go to the works that are out of town some. I usually have to go alone due to her school.

May God bless all of you there. In Him

Dear Brethren:

This has been a busy month with lots of things going on. I have started to visit the congregations and churches before I come home in July. I have preached at Living Hope Baptist Church two times. They have baptized five recently. I have made one trip to Cantanhede. They have started a new work across the river from Cantanhede.

Cantanhede has a local cable TV system. The mayor has asked Pastor Sato to preach once a week on TV. The mayor has also had made 20 benches and donated them to the congregation for their

new building. We hope to organize them May 25 into a church.

Saturday, April 15, was the anniversary service of New Hope Baptist Church (29 years - seems like yesterday). The church invited Brother Sostenes to be special speaker (he is 86 years old). He preached a strong message on the Baptist Church. He also preached two times on Sunday and baptized two.

We have had two professions of Faith at Nova Republic.

June is doing fine in Alabama and awaiting my arrival at the end of June. Please pray for us.

Dear Friends:

This has been another very busy month for us as we continue our pre-field ministry. There is much to do as we prepare to leave for the field.

Pam and I have enjoyed getting to minister in a number of BFM churches. Recently, we were in Bible Baptist Church in Harrisburg, Illinois where Brother Art Donley is the pastor. We really enjoyed their fellowship and we appreciated their letting us use the church's "prophet's chambers" overnight. We also had a meeting in Julien Baptist Church in Gracey, Kentucky where Brother Elton Wilson is the pastor. We appreciated their hospitality and love for missionaries. It was very fascinating to talk with them about all their travels to Israel and also their visiting missionaries out on the field. Brother Wilson and his wife were a great encouragement to us. Please pray for Brother Wilson and his wife because they will be leading another group to the land of Israel next month. This will be the Wilsons' 20th trip to Israel.

Pam got to speak earlier in the month at a Mother-Daughter Banquet at Storms Creek Baptist Church, where Brother Jim Orrick is the pastor. The ladies were a real blessing to Pam, as she spoke concerning her testimony and role as a missionary

We had a good Spring Bible Conference in our home church, Calvary Baptist, where Brother Millard Mitchell is the pastor. Dr. David Hatcher was our guest speaker. He was a blessing to our people, and we had the privilege of having Brother Hatcher as a guest in our home during the conference. We thoroughly enjoyed the fellowship and times of sharing with Brother Hatcher.

A couple of weeks ago, I and some workers in our church took our Word of Life Olympian Club kids on a weekend retreat to Camp of the Hills, which is a local camp ministry in our area. The kids really enjoyed the outdoor activities and were challenged by the Word of God.

Both Sara and Nathan are finishing another year at Cedarville College. Sara has been doing some student teaching and will graduate next year, Lord willing. This summer she plans to be a counselor at Scioto Hills Baptist Camp in Ohio. Nathan did well in his first year of college. Nathan plans to minister in churches this summer by way of ventriloquism.

Please continue to pray for us as we continue to prepare to serve the Lord in Africa.

May God's richest blessings be upon you.

Dear Brethren:

This has been a good month with the Lord's blessings upon me. We have had three professions of faith at New Hope Baptist Church, I have preached in the following churches during this month: Faith Baptist Church, Cidade Operia on Friday April 21. Anajatuba Baptist Church, Anajatuba, Ma., April 23. I went to Peritoro Baptist Church, April 30; preached at Power of the Gospel Baptist Church on May 7 and preached at the Baptist Congregation, Cantanhede, Ma., May 14. I thank God that he gave me the privilege to visit these Baptist Churches this month. These are Independent Baptist Churches that have been started in the Sao Luis

area

When I came to Sao Luis in April of 1965, there was not one Independent Baptist Church in the Sao Luis Area. There was one in the Interior and that was the Baptist Church at Peritoro. Now there are seven churches in the Sao Luis area and three in the Interior. One was taken from us by the Southern Baptist Convention; that being the Baptist Church at Sao Mateus. These are churches that are being blessed by the Lord.

I count it a privilege to have had a part in this great work over the last 30 years. You too have had a part in this, for without your help we could not have come and stayed and seen God raise up this great work

May God bless each one is our prayer.

R. Manoel V. deMacedo 2605 81170-150 Curitiba, Pr. Brasil Ph. 011-55-41-248-7075 April 22, 1995

Dear Friends:

I have the privilege to be writing you from the home of Brother John and Sister Alta Hatcher. The privileged is minimized, though, by their absence. Bro. and Sister Hatcher have made a short visit to the U.S. and asked me to partially fill in for them while gone. Being in their home and observing their various works gives me much motivation in my own ministry. The dedication of the people whose lives have been changed through their years of love and faithfulness to God serves to prove that I too can be used for the spread of His love. It only requires that I be as willing and faithful as they have been. This should really pose no difficulty for it is evident that God's faithfulness has been their secret of success, and that He has extended to all who will receive it.

Our own work in Curitiba is going very well. We have two young men awaiting baptism upon my return. One of these young men is working weekly in the Sunday School classes teaching the Bible

to children. We have also had several couples who are not yet saved attend services on a regular basis. I have been witnessing to them as have other members of the church. We hope to see several trust Christ soon.

My nephew, Robbie Wacaser, plans to visit us early next month. He is in college and is interested in using his life to serve God. We pray that his visit is enjoyable and fruitful as he seeks God's will in his plans. We are very happy that he has chosen to come and we are also very proud of him.

I have been away from home several days now and I'm missing Charlene and Jessie terribly. We will be celebrating our 15th wedding anniversary next week and I want to say they have been wonderful years. I pray that God would use me to be as much a blessing to her as she has been to me these few precious years. There is really only one thing that can be said, "God - you are wonderful! Thank you."

In Christ's Love,

Bobby, Charlene & Jessie Wacaser

May Report of Dr. Seo Ku Lee

Dear Brethren and Sisters:

Pastor Carver and I visited Korea from May 16th to May 26th for supporting the mission work in Korea. We had special lectures; Counseling (9 a.m.-Noon), Christian Fathers' Theology (2 p.m.-5 p.m.), The Baptist History (7 p.m.-9:30 p.m.). It was great to teach them what is the real Baptist spirit and the faith according to historical evidences. We had the graduation ceremony, three graduates of Master of Divinity, and two undergraduates. It was thrilling to see practicing one of the great commissions in Matthew 28:13-20.

We started one Mission Church in Seoul, Korea. We had the Opening Service on May 25th. We could see the churches, brothers and sisters In Korea with whom Pastor Carver and I had worked. They are doing so well with the Biblical Christian faith without compromising. How great to see their works production to the control of the control o

For Chicagoland, I mailed the gospel brochures to other sections of Korean community. Please pray for reaching out to Korean community. I do always appreciate your support and prayers.
