Ministering to Those Enslaved by Drugs ... Hope to Buy Car for National Worker . . . Encouraged with National Workers ... by Bobby Wacaser

Rua Manoel V. de Macedo 2281 170-150 Curitiba, Pr. Brasil Ph.011-55-41-347-1058 September 28, 1995 Dear Friends.

have a lot to tell you about this month! Several of you have asked me about the teaching situation in the public school. Well, we have had some excellent results thus far. Two teens in particular are of special interest. Ana Paula, 13 years old, was placed in a lock-up hospital for drug and alcohol abusers. She was addicted to sniffing paint thinner and solvent. She had even begun to drink the stuff. A very dedicated Christian girl who works with me at the school informed us of Ana Paula's situation and our church began to pray for her. Several of our members visited her at the hospital and later at her home when she was released. A factor which complicates her situation is a gang of other drug users. They pass by her house calling for her to join them and deriding her when she refuses. We thank God for the marvelous progress that has been made. She has succumbed a few times, but since attending a recent Christian retreat, she shows a renewed deter-mination to let Christ be Lord of her life. Pray for her complete release from this vice and especially that she accept Jesus Christ as her Lord and Savior.

Another case involves a twelve year old boy who was addicted to "crack" and to cocaine. The adminisyear tration of the school came to us desperately seeking help for him. His doctor had warned him that if continued that rate of abuse, he would not last more than six months. His name is Edicarlos and this news scared him enough to cause him to seek help. He tried unsuccessfully to stop the abuse on his own. After he had injected another dose of "crack" he became violent and everyone pleaded with us to help him. I told them that we would have to look to God for a solution. God brought to my mind a plan of Bro. Odali Barros to begin an orphanage in a farm environment. would allow Edicarlos to get This away from the drug suppliers and at the same time put him in a full-time in a full-time Christian atmosphere, Bro, Odali and his wife, Kathy, take the young people who come to them into their home and care for them as their own children. The firm love and attention that these young people receive are strong proofs of the message of grace that they also hear preached and taught. Edicarlos has been with them for a month now and is responding very positively. Our aim is that he turn to

Christ for his victory over sin. Positive results in both of these cases will bring us great joy for the young people ined and could give us an open door for further ministry in the school situa-

In an earlier letter I mentioned the dedicated work of a young man named Eder. Although he has a slight problem low self-esteem, he continues to with grow in spiritual maturity. One great his influence on his nepl detail is ew, Ediney. There is only one year's differ-ence in age between them. The nephew is much bigger than the uncle yet there is a high level of respect. The two young men have been attending our various works since Bible schools and church they were 9 and 10. Their admirable behavior is envied by the parents of those who would not let their children attend our works. In many cases, those young people are involved in several disgraceful activities including drugs, alcoholism, robbery, etc... Our aim is to train these young men for further effectiveness in ministry. We are trying to build an army of "tent-making" ministers. We hope to teach them how useful they can be in discipling others for Christ in their school and job situations.

So as not to write a complete book this month I will contain myself to just one other subject. My faithful co-worker, Jander has been working with me for nearly nine years. Each time I have returned to the U S. for furlough he has assumed full leadership of the works. He does this while at the same time working full-time job to sustain his family of four. Our church is still too small and too poor to support a pastor, but Jander's effort and dedication reflect those of a fully paid pastor. He lives and works a siderable distance from the church. has no car and has to travel by bus to visit and witness in our church neighborhood. Several times a week he re-turns home after 11:00 p.m. without having eaten supper. He is a great encouragement to me. If the Lord is willing, Charlene and I plan to buy a car for him later this year. He has proven himself to be a great asset to us and the work of God in this city.

In my next letter I hope to bring you up to date on several other topics. These may include the work of several of our ladies, Jessie's progress in several areas and Charlene's multifaceted ministry

Until then, accept our thanks for your letters, prayers and faithful support. May God richly bless you all.

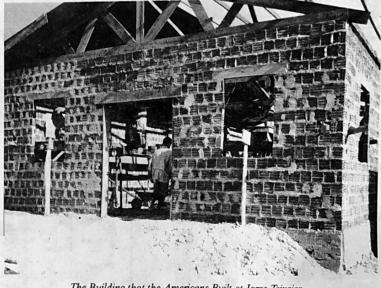

In Christ's service, Bobby, Charlene and Jessie Wacaser

Dear Friends, Pam and I continue to be busy erving in our pre-field ministry here the States. We do count it a privilege to represent the ministry of BFM in a number of fine churches this past month. Yes, it can be difficult and tiring at times to travel around so much. We continue to thank the Lord for safety on the road, and we have been greatly blessed by the many new friends we have met along the way.

I am so thankful for my faithful and supportive wife. Pam has been able to get off work to go with me on all our away trips to churches. I thank the Lord that we celebrated our third anniversary, September 12, praise the Lord!

At the first of the month, we had a meeting at Faith Missionary Baptist Church in St. Albans, West Virginia, where Brother John Hoskins is the pastor. This is a special church to us because Pam and I met each other in this church. Pastor Hoskins was also in our wedding.

The next week we took our children, Sara and Nathan, back to college Cedarville. They were excited about getting back. Lord willing, Sara will finish up this year. She was recently pleased to find out that she made the Master's Puppet Team. They will minister this next Summer on a tour through the Mid-Atlantic States. Also, Nathan is beginning his second year and plans the Lord in the school's jail to serve ministry during the school year.

While in Ohio, we had meetings in two churches in the Cedarville area. Brother Steve Kittle had us in his church at Grace Baptist Church in Fairborn, Ohio. Pam and I want to personally thank Brother Paul Kirkman, who is on the board of BFM, for his gracious hospitality in letting us stay

he night in his home. Please pray for Pastor Steve's daughter Trista, who did in the back surgery she had that well week end. Continue to pray for Trista, because she has to have surgery again before the end of the year.

In the evening service that Sunday, we were at Emmanuel Baptist Church in Centerville, where Brother Darrell Messer is the pastor. We thank the Messers and their church for their kindness to us.

Later in the month we were invited to be in the mission conference at Temple Baptist Church, in Murfreesboro, Tennessee, where Brother Dave Pitman is It the pastor. was great getting to fellowship with the other missionaries. and it was nice getting to see another BFM board member, Brother John Mark Hatcher, who was there, because he was the main speaker in the conference. Pam and I want to especially thank Pastor Pitman and his church for the many expressions of love they showed to the missionaries. Thanks for putting us up in the Shoneys Inn, and for the gifts from their Missionary Cup-board. They really did go far beyond the call of duty.

Please continue to pray for us as we continue to prepare to leave for the ministry in Kenya. Pray especially for our plans to get into language school when we arrive. Also, pray for funds to purchase equipment and a reliable 4-wheel drive vehicle to get around as we travel the rough African dirt roads.

Again, Pam and I are very grateful to the many of you who have expressed an interest in the ministry God has called us to in Africa. Thank you so much for your continual prayers and 'love gifts' to this ministry. To God be the Glory!

INFORMATION REGARDING WORK OF AMAZON VALLEY BAPTIST FAITH MISSION IN PERU by Richard P. Hallum 1883 - 1964

This takes in all the territory in Peru drained by the tributaries of the Amazon River east of the Andes mountains Much of this territory is sparsely settled, but probably contains several hundred thousand souls. It is a vast area with undeveloped material resources, a region of rivers and jungle. Iquitos in the largest city, but there are several smaller ones. Spanish is the national language, but there are many tribes that speak their own dialects. Many of the Indians, however, speak Spanish.

Beginning of the Work

Several years before the A.V.B.F.M. entered this field, Bro. A. E. Nelson, who was then an independent Baptist missionarv in Brazil, made a trip to Iquitos, ying a few days and distributing a few Bibles while there (one of the recipients later became a member of the First Baptist Church in Iquitos) but, according to statements of some of the believers, a Mr. Carter, who was supported by the A.V.B.F.M., was the first evangelistic missionary to start a work in that region. He entered Peru about the year 1926. He was in Iquitos for sixteen months. While there he gathered together about thirty or more listeners and taught and preached to them, having no interference nor opposition by other evangelistic workers. I was told that Mr. Carter was a member of the Masonic Lodge, and through his influence with the local lodge there, got several of the men to attend his services. I do not believe that the Holy Spirit approves this method of working. On account of sick-ness of his wife, he left Peru, returning to the United States.

Other Missionaries

A few weeks before Mr. Carter left lquitos, two other missionaries arrived,

who had been sent from Paraguay by the South American Inland Mission, which is ter-denominational. They said they came to work among the Indian tribes, but as soon as Mr. Carter left, they took charge of the group of followers, none of whom had been baptized. Later, some other missionaries came under the same mission, and they commenced quarreling among themselves, each one desiring to have the preeminence, or to be boss. The result of all this was that about the time we arrived on the field in 1935, there were three groups of believers in Iquitos, each being led by a different missionary, but all claiming to be of the same faith. There are now four groups beside the Baptist.

There are groups of these evangelicals at several other points on the rivers. There are also quite a few Adventists in the area.

We have endeavored, from the beginning, to carry out the great commission of our Lord, as given in Matthew 28:18, and other passages. In doing this, we have consistently kept separate from others, with the result that the Baptists are depreciated and opposed by Protestants, as well as by the Catholics.

God's Blessings Received

In spite of opposers and our weaknesses, faults, and blunders, the Lord has graciously blessed the work in many ways. We look forward to the future with hope and faith. The fruits of our labor do not show up as we would like. In numbers, it looks small. We have been instrumental in gathering together only one church, and it is still small. While we have baptized a considerable number of people, we have lost quite a few by death and exclusion. If we had accepted alien immersion, preached open communion, permitted the women to

speak and pray publicly as others do, I feel sure that we could have had a much larger congregation, but we teach them what the New Testament tells us not to do, as well what to do.

The Peruvians learn very slowly, and have been very slow to accept the truth, even though it is true that few persons will refuse any religious literature offered them. In but few instances will they refuse admit-tance into their houses to the missionary. One of the hopeful aspects of our work is the great number of persons that receive tracts, gospels, testaments and bibles, although it is contrary to the instructions of the Roman Catholic priests. One of the remarkable things is the faithfulness of the few believers under the circumstances that prevail. I believe that under such circum-stances in our land, most congregations would quit.

Another thing is worthy of note. Peru os one of several countries in South America. in which the Foreign Mission Board of the Southern Baptist Convention has not at-tempted to start a work. Whether it is because it is a more difficult field than some others. I do not know others, I do not know.

Methods Practiced in Work

We try to practice New Testament meth-ods, first, by public preaching, second, by going from house to house, endeavoring to reach every one with the Gospel. We have reached out on the rivers, carrying the glad tidings to the agriculturists, especially on the Nanay and Momon rivers. This phase of the work has partially been done. There are thousands, who, as yet, have not heard the gospel. The only way of reaching these people is by launch or canoe; in many instances, finding it necessary to leave the boat and walk through jungles till one comes to the people. There are many Indian villages along these rivers, usually back from the river some distance. Many of the Indians know some Spanish. This is one phase of our work and it is most interesting and enjoyable. The Indians have been and enjoyable. The incluins have been brought up in ignorance and superstition. Nevertheless, on the average, they are less dishonorable and more industrious than the average native Peruvian. I feel that the Lord is leading us to give a greater part of our time to the Indian.

Joy in the Work

To me it is a true and profound joy to take the gospel to people who have never heard it, nor had the privilege to hear it. This is a great and needy field for true, orthodox Baptist. I do not understand why orthodox Baptist. I do not understand why the Lord has not called some consecrated men and women who are true New Testament Baptist. I have prayed much for such missionaries, but for only such as are orthodox. This is a matter about which I desire the prayers of all of God's people. Of course, we know that God understands about it. There are many places where Baptist churches are needed.

Customs of the Peruvians

It is my intention to tell something about the customs of the people in a later article, but for the present, I believe that the fact that this great region, together with the rest of Peru, Colombia, Venezuela, Ecua-dor, Bolivia, and the Guianas has very little orthodox (New Testament) Baptist work in them, ought to be sufficient to stir the hearts of all true Baptists and cause them to pray and act about it.

Dear Brethren

How the month has flown! We have never been busier. I made a trip up to Diamantino and preached one Sunday all day. I also preached on one Sunday night at the Boa Esperanca church. It was so good to see so many new people at this church. Last Saturday night I spoke at a special service at this church. It was a Thanksgiving service for Anita Assumpção who has recovered from serious cancer surgery.

The highlight of the month was the baptizing we held down at the river on Sept. 7th. We baptized 9 into our church. Six of these were adults, being three married couples. Also, on Sept. 2nd I performed the first wedding at the Do Coxipo building. It was Altos beautiful service and the gospel was

also presented.

We are getting things ready for our organizing which is scheduled church for the last Saturday night in October if all goes as planned. We thank all of who have given so that a new vou Baptist church can be organized here in Cuiaba. Without your support it would not be happening.

Pray for us and give to the work as the Lord leads.

Dear Brethren:

Thursday night, August 17th, I preached at the 17th of August Baptist Church where Marivaldo Alves Natario is the pastor. The Lord gave us comfort and consolation. Some of you readers of the Mission Sheets will remember that it was on the 17th of August of 1971 that our baby boy. Joel Harold Bratcher, drowned in the waters of the Amazon river as we were returning from a missionary trip. He would be 30 years old.

The next day I confess that I was disturbed when, at the church, I received the notice that our electric lights had been cut off. I then began to look for the light bills. I found the August bill marked paid, but discovered that I hadn't paid the July bill because it had not reached me. What happened to it -the Lord knows. Anyway, the same day I paid the back bill and by dark the lights burned again. Let us rejoice that as believers in Jesus Christ, nothing can cut us off from Christ - the light of the world.

Saturday afternoon, August 19, Marie and I and Albano - a young man from the church - arrived at Novo Remanso at 5:30 by bus after beginning our trip at 10:00. That night I preached to 38 at 5:30 by bus after beginning our trip at 10:00. That night I preached to 38 people. Sunday morning I taught the Adult Class and then 44 people heard my message. That night there were 112 people present. Several came from the New Jerusalem Baptist Church and several from the Amatar Mission and several from the Amatari Mission. The next morning. Ediberto arrived in our car and we returned to Manaus by car

I estimate the number present at 300. Tuesday morn-ing Marie and I left the house and with Edihotte up dravice to the patient. The Ediberto we drove to the airport. There with others - the parents and other kinfolks - we welcomed Mrs. Stephen (Saleth) Bratcher and 3 year old son Stephen Matthew Bratcher. who ar rived for a three weeks visit.

MISSION STUDY

by John Hatcher

GOING TO A FOREIGN FIELD (Continued)

When to Go

The Scriptures are nitid as to the urgency of getting out the gospel mes-sage. "Redeeming the time, because the days are evil." "Work while it is day, night cometh when no man can This does not mean, however, for the work." that we are to run to and fro, haphazardly, upon the earth. Rather we should move under the leadership of the Holy Spirit. Failure to be led by the Holy Spirit can account for the failure of about 75% of missionary endeavor. God's clockwork is clear in the Bible. "In the fullness of time ..." "Seventy weeks are determined ..." "Seventy years captivity," and on and on we could cite examples of God's precision. Let us take the example of the Apostle Paul. Being saved on the road to Damascus, he was baptized in Damascus. The Lord told Ananias that he was a chosen vessel to take the gospel to the Gentiles. The Holy Spirit spoke to Paul and taught him heavenly things. We find him in the city of Tarshish when Barnabas goes to get him. Labouring in the church at Antioch, the Holy Spirit spoke to the church and advised that it was time for Barnabas

their ministry prove, beyond a shadow of doubt, the leadership of the Holy Spirit. The opposite is true in many of the missionary works today. The Holy Spirit called, through a vision, when it was time to go into Macedonia. They arrived on time. Lydia and others were waiting for them at a prayer meeting they arrived at Philippi. when

and Paul to be sent out. The results of

In 1946, Dr. W. W. Enete, Baptist Missionary to Brazil, spoke at Georgetown Baptist Church. During the message God spoke to my heart and at the end of the service the Holy Spirit moved in my heart to publicly declare my call to go to Brazil. The matter of when and how to go were problems too big for me. They were left in the Lord's hands. In December of 1947, Alta McKeehan and I were married. It was in June of that same year that God led me to pastor the Baptist Mission in Shelbyville, Ken-This mission was tucky. later organized into the Second Street Baptist Church with 47 charter members. (It is today named the Highland Baptist Church.)

In the fall of 1950, the Lord led me

to answer the call to the Beattyville Baptist Church in Lee County, Ken-tucky. This church directed the work of five mission points. My failures here taught me more than successes. In the fall of 1952 we moved to the city of Alton, Illinois, where I was to pastor the Peoples Baptist Church. It had been organized from the work of Brother Bill Beeny some six months before. We had two children when we went to Alton. Brother Beeny and I worked together in the Peoples Baptist Church almost three years until the New stament Baptist Church was orgafor Testament Testament Baptist Church was orga-nized in St. Louis, Missouri. The New Testament Baptist Bible Institute was organized. Through the work of the church and the evangelistic work of Brother Beeny, five churches were organized in about three years. The Bible Institute did not have a long life, but the evangemence which God nave me but the experience which God gave me is being applied today in the three Baptist schools in Manaus, Brazil. By 1953 we had four children and all was going well in the church. It was at this time the Lord spoke with His still small voice and said, "Now is the time to go." It was the year 1955. The month was June. In September of that same year

we arrived in Manaus, Brazil.

Brethren asked us during those years of preparation, "What happened to your call?" Our answer was always the same, "Nothing, we are waiting for God to say, "Go". Brethren, when God calls you to go, be sure you let him say when to go.

You Are the Foreigner

We now arrive to a place which is hard for the American to assume. The place of being a foreigner. Americans have a strange pride that seems to put them above other nationalities. This has not escaped many American mis-sionaries.
