Dear Friends:

This has been an exciting month as we have had many of our former students and church members back from their respective mission works and churches. Missionary Jander, serving in Curitiba with Bro. Bobby Wacaser, preached for us. It was a joy to have him and his family with us for a month. Curitiba is nearly four thousand miles south of Manaus. Pastor Dishon, who pastors in Porto Velho - south, four days by boat - and his family have also been with us. The fellowship has been great; he will be speaking for us next week. We also received Pastor Gerson, from Boa Vista, 18 hours by bus to the north of the equator. It is good to see the great job these men have done in their respective ministries; two of them have led their

churches to start missions in their states. Rejoice that God has given you the opportunity to invest with such great dividends. We thank God that He provided training for these men through your help.

All three of our children, Leigh, Judson and Michelle, are in the states now continuing their education. Leigh is at Liberty University in Virginia. Judson and Michelle are at Lexington Baptist College in Kentucky. We thank God for wonderful children and for the opportunity of serving together on the mission field. We request your prayers as they continue to prepare their lives to serve God in the ministries of their choice.

We are engaged in a massive building project at Tabernacle Baptist Church. We are increasing our seating capacity three fold. The facility was begun eight years ago, to be finished as we needed more seating and had the finances to do so. All the educational facility is undergoing remodeling, and we are adding the third floor. We are in the rainy season, which has made construction slower than we had hoped; our target is to be in it by March 3. Much of our labor is volunteer church labor. On the weekends, we have had about 160 members out to do various jobs. It is great to see God's people work together and invest to reach others.

Nineteen people made public professions of faith this weekend. So while all the physical labor goes on, the preaching of the gospel and personal witness prospers in even a great way. God Bless You.

Yours in Christ,
Paul Hatcher

Dear Friends,

We began the New Year with a pleasant experience. On January 2nd, Charlene, Jessie and I took five teenagers to camp. There we spent 3 days with Bro. John Hatcher, Sister Alta, their son John Mark and his son, Phillip. Two other young people were accompanying the Hatchers; Amanda Fallwell and Chris Trabant. The days that we spent together with them in fellowship were a real treat. The camp program was very beneficial to the young people that we took with us.

Some months back I wrote to you of a girl, Ana Paula, who was having trouble with an addiction to sniffing paint thinner. We are thrilled to report that she is progressing in the Lord and has made a profession of faith in Jesus. As a result of her changed attitude and behavior, her

mother attended our church service last night. I have witnessed to her in her home, but was happy to see her take the initiative to show up at church. Her husband and her oldest son passed away within a very short time and, of course, she has been depressed constantly. When I saw her at church it was the first time that I saw her smile since meeting her. We pray that Ana Paula may be used of the Lord to lead her mother to trust Christ as her Savior.

Our Training Center classes will resume shortly. We gave a short break for summer vacation (remember, our seasons are the opposite of yours). We should have seven adults preparing for various ministries during the next semester. Let me thank those who have been sending special offerings for this work. We pray that you may be blessed for your generosity.

Jessie will be five on March 12th. Not long ago she went with me to an office supply store. While I was buying some pens and other materials, she saw a diary that she wanted me to buy for her. I told her that she would have to learn to read and write first. As soon as we got home she got out a notebook and pencil and started copying letters. She asked me to write our names so that she could copy them too. She has hardly put her pencil down since and I believe that she'll be getting her diary very shortly!

The Lord continues to bless us in so many ways. I can't remember the last time any of us was sick. We keep having new folk attend our services. Several of the lost people with whom we have been working are showing increased interest in the things of the Lord. We have seen various areas which were strongholds of Satan destroyed and people's lives changed for the glory of the Lord. What a joy it is to serve this awesome God of ours!

In Christ's service,
Bobby, Charlene and Jessie Wacaser

Dear Friends,

It was great for us getting to share our ministry in many churches this past year. We thank the Lord for the many new friends that we have met. We are looking forward to meeting many more of you in the future, as the Lord tarries. We are greatly encouraged by the interest that has been shown by so many in the ministry; we believe God has called us to Kenya, East Africa. We thank the Lord for the support that many have pledged thus far. We look forward to greater opportunities of service for our Lord in 1996.

This past month, we went down for a meeting at Rocky Springs Baptist Church, where Brother Reed Mullins is the pastor. They treated us like royalty. Unfortunately, we got snowed out that morning and they had to cancel church. So, we rescheduled for another date in March.

Pam and I continue to get training in preparation to going out on the field this coming June. Next week we plan to go to a mission conference that prepares Christian leaders in principles of Biblical Coun-

seling. There will be many other missionaries in training there as well.

Please pray concerning our getting the much needed registration permit from the Kenyan Government. It had been reported earlier to me that we had gotten it, but there seems to be one more obstacle that stands in our way of getting this special permit for Baptist Faith Mission to begin a work in Kenya. Please pray that our representative will be able to work out the final details.

It has been difficult for Pam and I to have to wait, but we are trusting the Lord to get us out to Kenya in His time. We will have much more to report when we finally do get out to the field of service God has called us to in Africa.

We do count it a privilege to be able to represent so many fine BFM supporting churches in the land of Kenya. We thank the Lord that we can be a small part in the work of furthering His kingdom and bringing greater glory to our Lord.

Sincerely in Christ,
Mike & Pam Anderson

Dear Brethren,

So many things have happened since our last letter. All of them for our good and God's glory. Some of them were pleasant, some were not. Let me cry on your shoulder with the unpleasant things first.

We moved again. They say 3 moves is equal to a burn-out. We just registered our 33rd in as many years. As we were packing to move, thieves decided to make our move easier. While we were at church on a Wednesday night, they broke down a solid wood door and stole some things. The thing we miss most is the VCR. It was purchased for our work by Tom and Connie Florida of Lexington, KY. Since we have moved, Ursula has had to be hospitalized with the "dengue" (similar to malaria). She is home and recovering well now. Also we have discovered that we have a very difficult neighbor next door. He parks a cattle truck full of manure in front of our house. He has threatened me because I put our car in front of the house to try to avoid the disagreeable smell.

Now is the good news: The Lord has given us a very agreeable little place to live. The house is small, but well laid out. Ursula is recovering rapidly and is already able to fix the meals. Our work is doing great. We had a watchnight service with 80 people present. We are having many new families who are visiting our church. Most of them are lost people. Sunday night before last, a lady in her late thirties (mother of three), trusted Christ and made a public profession of faith. Last Sunday night a young couple both came forward trusting Christ. All of these precious souls have been attending our services for almost a year. Our church is made up of mainly new converts. Members of sixteen different families make up our membership. Ten whole families are a part of the church. We have around 70 people on Sunday nights, about 35 on Wednesday nights and around this in Sunday School. My helper is developing into a really good preacher. If he can just get his financial life in order. He stays in debt and this hurts his testimony.

All of the other churches are at least holding their own. I'll be preaching at the church in Varzea Grande this week.

Thank you so much for your faithful support.

In Him,

Harold M. Draper

Dear Friends:

Sorry we missed you last month. It was a very busy one and I am glad there were not more than 31 days.

Two events crowned the month with joy and blessing. John Mark Hatcher and three musicians; Amanda Falwell, Cris Trabant and Philip Hatcher were with us for two weeks. The Emmanuel Baptist Church of Evansville paid their passages, to whom we are grateful. They arrived on Wednesday, December 20, and had their first concert that night at Urai. There were programs two nights in Urai, three nights in Cornelio, one night in each of our three congregations. On Saturday, December 30, we traveled to Marilia for a program that night. On Sunday there was a program at 9:30 a.m. in the church of Duartina; at 3:00 p.m. in the church of Galia; at 8:00 p.m. at the church in Garça. In each place there was a 30 minute musical program and then a Gospel message by John Mark. In almost every place there were professions of faith. In Leopoldo the only place we could get for the program was a disco club. The young man who runs the club made a profession of faith.

We arrived home about midnight after the service in Garça. Next day we rested and prepared to go to camp on the following day. (No rest for Alta. She washed and dried clothes until 3:00 a.m. and was up at 6:00 a.m. to finish the drying and arrange bed clothes, pillows, etc. for 6 campers.) After three days of camp we arrived home at 11:00 p.m. The

next day we took the folk to the airport at Londrina.

The other news is God has provided rented places in two of our new missions. The lot has been purchased in Leopoldo and we will begin building this month, the Lord willing. We were able to rent a small building for a year. In the Mission at Casa da Familia we were able to make a deal with a rundown community hall to fix up with the right to use for one year.

Perhaps you will remember me writing about the man who uses his VW van to bring people to church. The Lord has given him a car, also, and his brother uses it to make two trips and sometimes three each Sunday. Sandra, a single young lady, bought a car to bring people to church. Sunday evening another Brother told me he is going to sell his small car and another wrecked one he recently purchased and buy a VW van to bring people to church because his car is too small.

Last Sunday evening, two brothers and their sister were baptized in Cornelio: Celso is 28, Everaldo is 24 and Solange is 19. These are brothers and sisters to Valdir, who is leading the Mission in Leopoldo.

Our church now has 29 members. Twelve of these are enrolled in Seminary classes. We have three permanent Missions. What gracious blessings God has given.

Please pray for us. These last few days I have felt tired - the kind of tiredness that makes me feel like I am caving in. Pray that we will be able to build at least three buildings this year.

Sincerely in Christ,

John and Alta Hatcher

Dear Brethren:

Tomorrow afternoon Evandro Batista da Silva and Harold and Marie Bratcher will leave Manaus, the Lord willing, on a passenger boat that will, after some 15 hours, arrive in Nova Olinda do Norte. There we will be met by some of the members of the nearby Lake Sampaio Baptist Church to take us there. I am to be the preacher during the celebration of the 73rd anniversary of the organization of the church. The church was organized by Missionary E. A. Nelson.

During this "Mission Sheet Month" we have not been out of Manaus. from the 24th of December until the 17th of January, I preached 14 times - 10 at the March Baptist Mission of the 14th of December Baptist Church - one time (Watch Night service) at the Novo Amanhecer Baptist Church, João Nonato, pastor - New Year's night at the Calvary Baptist Church, where Dr. Francisco Jesus Dias is the pastor, and two times in two different homes.

Wednesday night, December 27th at the Mission, Pastor Sostenes Nunes Melo brought a message to the 53 of us present. Marie and I were honored on our

41st wedding anniversary. Bro. & Mrs. Melo are living in Fortaleza, Ceará but are visiting relatives in Manaus. He is 87 years old and is not in good health. He was our pastor at the Zion Baptist Church from 1959 until July of 1962. Pray for this dear couple. They celebrated 57 years of married life this month.

We thank each one of you in the U.S.A. who sent us a Christmas card. We received several beautiful cards from you in the States and several from our brothers and sisters in Christ here in Manaus. We also express our appreciation to those of you who responded to our request to send Marie's mother, Mrs. Flossie Moore, a birthday card. May the Lord bless you all is our prayer.

We request your prayers on our behalf during this new year of 1996. May the Lord raise up many new churches and friends for Baptist Faith Missions. In July, the Lord willing, Marie and I will complete 37 years with B.F.M. We praise the Lord.

Last night at the Mission we learned that a young couple that we witnessed to the night before, inviting them to receive the Saviour and be legally married, had fought and separated - a defeat for us. We had a profession of faith - the first in months - from a 40 year old husband and father.

May the Lord of heaven and earth bless you is our prayer.

Yours in the Service of the Saviour,
Harold & Marie Bratcher

Report on Winter Conference

Recently, I was able to attend the Winter Missions Conference in the Orlando, Florida area. The Conference was held at Park Ridge Baptist Church

and supported by several other area churches. It was held in the interest of Baptist Faith Missions.

It was a great week to be in Florida, weatherize and otherwise. The speakers surely challenged us to a greater commitment to missions. Pastor and Mrs. Kevin Mitchell and their people did a superb job of hosting the meeting. There were five BFM directors present and we were each privileged to speak.

Make plans to attend this Annual Conference. You will be blessed in doing so.

A Report from
Brother Jaggernauth . . .

January 22, 1996

Dear Pastors and Saints,

We are "in the clouds" with rejoicing in the Lord. Our daughter, Rebecca, came before the church and presented herself for baptism, then another young lady did the same! How we praise the Lord.

Thanks for the financial help you have given to help us "get back on our feet". Your gift of love was and is a tremendous boost on the road to recovery. We are getting ready to move into another house so that the church can rebuild the parsonage.

Things on this island are quickly getting back to "normal". St. John is the most beautiful as far as the vegetation is concerned; and the beaches are breathtaking as usual. Life still has its little rough areas, but these are to keep us on our knees.

The Bible School is continuing to teach the students and be with them in practical training. This week they are having a week of meetings at one of our mission points. It thrills our hearts to see their dedication to the Lord.

At present we are having very good attendance in all our services. It is such a delight to see "new" faces in each

You Are the Foreigner

Everything will be different when you arrive there, but remember, please remember, you are the foreigner. You are going to find a standard of living much lower than the average in the United States. Some conditions are deplorable and heart breaking. Learn to meet with such conditions here before you go, and learn to love people that are less fortunate than you are. You have not gone to a foreign country to make all of them little Americans, but you have gone to give them the message of the Lord Jesus Christ which can reach them where they are. As they learn the Word of God and are sanctified by the Word of God, in the service of the Lord, you will see the living

service. God is truly working. It must say that the Devil is meeting us at every step of the way; however, "we are more than conquerors through Him who loved us."

Thanks for your prayers and financial gifts, as well as care-packages. God bless you.

Yours in Christ,
Bro. Emmanuel Jaggernauth

MISSION STUDY

by John Hatcher

(continued from last month)

conditions improve.

Learn to meet these conditions before you go. In one place where a revival was being held, a lady said to a brother and me, "I would like to have you come to my house, but I am ashamed of the house." We assured her if she wanted us, we would come. The invitation was given and the day was set. Upon arriving we found that she had labored to make pies and prepare the very best for us - the servants of God. Upon entering the kitchen where we were to eat, a little child lay on an old couch. Besides being dirty, his face was filthy from a dirty nose, and the flies covered his nose and mouth. The dinner table was about four feet from this scene. The brother with me saw a clean onion sack on the foot of the couch. Picking it up, he placed it over the face of the little fellow and we sat down to eat. God knows how I appreciated the best that that lady had prepared.

Another time, just as we were coming out of the church building, a man came up. It was evident from the odor and walk that he had had much too much to drink. Bluntly he asked, "Preacher, will you come and eat with me next Sunday?" I

replied that I would. Next Sunday as we prepared for the service, I really doubted that the man remembered anything about the invitation and also doubted that his wife would fix it. To my surprise, when we walked out the church door, there he was. Clean shaven, nicely dressed and sober as a judge. "It's all ready," he announced. It was one of the biggest chicken dinners I ever drew my chair up to. All the family sat around the room and watched us eat, all of them lost.

Are you prepared to eat with sinners? Are you prepared to meet adverse conditions without bickering, complaining, or murmuring? Can you look at such conditions as opportunities to witness to the glory of God? Can you sit with the Master in the house of Simon?
