ANNOUNCEMENTS

IN BRAZIL SINCE 1923

While most of us are sweltering in the summer heat, it is not too early to start thinking about THANKSGIVING and especially the THANKSGIVING OFFERING for BAPTIST FAITH MISSIONS. Our monthly offerings are not enough to meet our monthly expenses, and so we depend on a good THANKSGIVING OFFERING to make up the difference. Last year's offering was the lowest it has been in several years and for that reason, our missionaries have all had to take a cut in expense money. This greatly hinders their work. [READ JOHN HATCHER'S LETTER: "AN OLD MAN'S LETTER TO B.F.M. MISSIONARY SUPPORTERS"] You can help now by increasing your offerings to THE GENERAL FUND. Will you start now preparing for a great THANKSGIVING OFFERING? If every church and individual who loves this work would pray, save, and give, we could have a \$200,000.00 THANKSGIVING OFFERING. Will you help?

Brother Homer Crain has retired from the mission field after serving many years as a faithful missionary in Peru. He now lives in Tennessee where he is pastoring a Baptist Church. He is willing to visit interested churches and present the work of BAPTIST FAITH MISSIONS. He can be reached at: Box 461, Linden, TN 37096. His phone number is: (615) 593-2155.

AN OLD MAN'S LETTER TO BFM MISSIONARY SUPPORTERS by John Hatcher

June 6, 1996 (52nd Anniversary of D-Day)

Dear Friends,

IN PERU SINCE 1935

This year our church in Cornelio Procopio has opened three new missions. This makes a total of four with the mission here in Urai. Two new lots have been purchased at a total price of \$8,000. Last week, work was begun on the wall around the lot in the city of Leopolis. This will cost about \$2,500.

Last Wednesday morning, Brother Valdir and I looked at a piece of property for one of our missions which presently meets in a borrowed building. After coming home, I went to the Post Office and received a letter from brother Orrick which read: Dear Brother John Hatcher, Sorry, but I need to inform you that if our offerings to the GENERAL FUND (caps mine) do not increase, we will have to start cutting the expense money with next month's offering. Hopefully, it will not be over \$200 a month. Sincerely, Jim.

I receive \$700 expense money each month. This is besides the designated offerings for buildings and new works. The \$700 is used for gasoline,, rent on mission buildings, material for seminary, benches for missions, gasoline (\$250 per month at \$3.00 a gallon), car repairs and offerings for three seminary teachers. Every cent of this money is accounted for and financial reports are on file with BFM. I suppose that other missionaries do the same. What happens to the work when the expense money is cut? Nothing, absolutely nothing. It goes on the same because we take more than usual out of our salary.

Why, then, do I write? Because i felt you, who are our partners in this work, would want to know. I remember a story about Brother Harold Bratcher when he was pastor at Newby Baptist Church. Harold was still a bachelor at that time. Each week a different family of the church would keep and feed him. For some reason, there was a time when some of the families became lax in the care of their pastor. So one Sunday, Brother Harold explained to the church, something like this: "Now, Brethren, if keeping the preacher is a blessing, let's all share the blessing: and if keeping the preacher is a burden, let's all share the burden."

That is sorta like how I feel now. I am sure that all of you want to share with us in the blessing, and just in case it is a burden, we really need you to help share it with us. We are in a war. It is not easy. It is costly. We make mistakes, but we keep fighting. We are here in the battle.

This week I was watching a film on the invasion of France. (Today is the anniversary of the invasion). Some few will remember. For more folk, prosperity has wiped out any recollection of the event. On D Day + 1 we unloaded troops at the beachhead. Most of the first ones were wiped out. Returning to Southhampton, England, we loaded and returned to the Normandy Beach. A few days after D-Day, our troops were less than 15 miles inland, close to Saint Lo.

Rough weather on the English Channel made it impossible to unload needed supplies and ammunition. Soldiers were limited to the number of rounds they could fire. Had the enemy known, they could have wiped out many of our men.

We do not want the work of the Lord to suffer because of lack of supplies, do we? The GENERAL FUND is the day in and day out supply line of BFM missionaries. I know you will understand: I know you will respond.

Affectionately yours, John and Alta Hatcher

Dear Brethren,

Missions is a great Love Affair. When you love something or somebody, nothing is too good or too much when it comes time to help or promote the well being of that particular thing or per-son. So it is with mission Mission work is important because its product is the eternal well being of human souls. We go to all ends to protect human physical life. But what about spiritual life? Forgive me for

Bro. Antonio Mello (and family) - the new Assistant Pastor at Altos do Coxipó Baptist Church

this outburst, but my heart is crying over lost souls and lost opportunities on the part of God's people. We have become so self-centered and materialistic in our generation. May God forgive us and give us a new vision for souls.

Last night I received a great blessing. I went to the home of one of the couples who attend our new church. He is a member. I won him some years ago and he moved close to our church and asked to become a member. His wife has been a Seventh-Day Adventist. She came saying she was saved but did not want to accept Baptist baptism. For this reason she did not make the list of charter members. Last night she asked me, "Pastor, when are you having another baptizing? I want Baptist baptism. I recognize the error in this other 'church'". Was I thrilled?!

Ursula and Michelle left for the U.S.A. last Friday night and arrived at our daughter's house Sunday afternoon at 4 o'clock. All went well on their trip except for some document problems as they went through Federal Police in São Paulo. I was able to send the necessary document by Fax. It gave them a scare, but our son-in-law, Luis Monteiro, was with them which helped out. Now I am on my own with dirty clothes, housekeeping, food, etc. I'll eat a lot of eggs, boiled potatoes, fish and fried chicken. That's about all

Building at Altos do Coxipó Baptist Church (Made possible by your faithful giving)

I know how to fix. I'll be going the first week in August. After the 15th of July, all mail for us should be sent to the following Stateside address: Harold or Ursula Draper, Route #1, Box 257-C, Bardwell, KY 42023. If anyone would like to call Ursula or Michelle their phone number will be 502-694-3311. They would be glad to receive a letter or a call. After August 6th, I can be reached at this address also.

We want to express our appreciation to all of you who help make our ministry possible. Remember, Jose, my barber, who is interested in the Gospel. Also Ricardo, a young man who came last Sunday night for the first time and left trembling and in tears. The powerful Word of God shook him up. Pray that the Lord will open his heart.

Always remember us in your prayers.

From Our Mailbox

I have just finished reading the Mission Sheet for the month of June, and once again I have been impressed with our wonderful missionaries and the work they are doing. Here at the Buffalo Baptist Church, the majority of our foreign mission money is invested in the work of Baptist Faith Missions, and we are firmly convinced that this is a very wise investment of the funds which have been entrusted to our stewardship. I am personally acquainted with all the missionaries of BFM, and most of them have visited our church. We are thrilled at the opportunity to support men and women of such impeccable integrity. These are men and women who shine in their pursuit of personal holiness, and year after year they demonstrate a consistent determination and commitment to lead others to know Jesus. A number of our people eagerly await the arrival of the new mission sheets each month and joyfully read the accounts of God's work in foreign lands. Each week we pray for a specific missionary by name, and I sometimes will read that missionary's letter, so that we may pray for him and his wife in an informed way. We are aware that a missionary will not have exciting news to report every month, but we still enjoy hearing from these ones whom we love so much, and we so appreciate those who write a letter for every mission sheet.

A few years ago our church wanted to give more to missions, but we felt that our budget was already stretched about as far as it would go. Someone suggested that we take up a special mission offering on the last Sunday of each month and give all of it to BFM. So we began doing this, and immediately our monthly contributions to BFM tripled. The people were eager to give this additional offering and were simply awaiting an opportunity. Perhaps this same situation exists in other churches. We are grateful for the opportunity to share in the eternal things God is doing through the faithful missionaries of Baptist Faith Missions.

Last Letter Before Leaving for Kenya . . . Attend Sara's Graduation . . . Ship Equipment to Kenya . . .

Dear Friends

Praise the Lord! Pam and I are pleased to report to you that we are beginning our "final countdown" in the process of getting out to the field. We thank the Lord for all who have helped us to be able to leave for the ministry God has called us to in Kenya, East Africa.

We have been busy in the month of June. We had the opportunity to share this ministry in four churches: we were in Elizabeth Baptist Church, where Brother Jeff Arthur is the pastor; Rock Branch Independent Church, where Brother Delbert Hawley is the pastor; Waverly Road Baptist Church, where Brother Charles Lybrook is the pastor and we reported back to our home church, Calvary Baptist Church, where Brother Milliard Mitchell is the pastor.

We also were blessed with the opportunity to attend the graduation of my stepdaughter and my wife Pam's daugh-ter, Sara, from Cedarville College. She graduated with high honors and she received her degree in Elementary Education. Sara is ministering this summer with the Masters Puppet Team from Cedarville College. They are touring the eastern part of the United States ministerng in Vacation Bible School in different churches.

Finally, we have been busy for the past couple of months preparing our things for shipment. I drove a 24 foot rental truck with our things down to a church that helps missionaries to ship their things overseas. We thank the Lord for the Men for Missions program at Hampton Park Baptist Church in Greenville, South Caro-

Please continue to pray for our registration. There is a group that will let us go under their registration until we get ours. We do need the registration so we can be approved to minister in Kenya. Also, please pray for the needed funds to purchase a reliable 4-wheel drive vehicle for our ministry in the bush country of Kenya.

Hope you have a great summer of ministry for our Lord.

For Souls in Kenya, Mike & Pam Anderson I Thess. 5:24

P.S. Lord willing, our next letter will come to you from Kenya, East Africa. Thanks again for all your help and prayers.

Dear Friends:

Thank God for the opportunities He grants. This week the church bought a building to start a new mission. mission is located in the Saint Etelvina subdivision, an area on the perimeter of Manaus. Pray for the student pastor who will be leading the work.

Forrest James Sr., a friend of Taber-nacle Baptist from Emmanuel Baptist Church in Evansville, IN, went to be with the Lord two weeks ago. Forrest was a great help in contacting and assisting us in the purchase of our central air conditioning system. He wanted to come help install it, and meet the people, but his health did not permit. He will meet his Brazilian friends in heaven. There are many such as Forrest who have helped missions in Brazil. You are perhaps an anonymous helper - you sent your investments to help people you never even met. Heaven will be our meeting place. Eternal friends made by your investment in the gospel of our Lord Jesus Christ.

Last week I was going to visit and have lunch with our Camp Pastor Carlos Chaves and family. I took a passenger boat across the Negro River (about 5 miles across). There were 15 passengers on board. The boat was traveling at about 25 miles an hour when it capsized, trapping most of us. We were about two

Odali Barros and Paul Hatcher Both preached at the organization of the Tabernacle Baptist Church

miles from the shore line. Within 20 seconds the boat disappeared into the black waters. The life jackets floated to the water's surface. A most welcome relief to those who could not swim, as a rest for those treading water in the midst of panic and screams and tears. The next minutes were a frenetic search for a seven year old. Her body never floated. It was about 20 minutes before a rescue boat located us. The current was about ten miles an hour and the water's depth 150 ft. Search parties looked for the body The boat or the body were never located. One of the rescue boats took us to the shore and I caught a taxi home - glad to be alive. I am challenged that my work for God is not yet done.

The five thousand seat auditorium at Tabernacle is under roof and we are in the process of pouring the floors. We are meeting in the gymnasium for the time being, despite all the constructing mess. The body of Believers continues to grow. There is much to be done. We're looking forward to completion of the building.

Thank you for your prayers and love,

Paul and Wanda

The Only Direction to Move is - Forward! . . . Report on Three Evangelistic Endeavors . . .

by John Hatcher

Caixa Postal 112 86280-000 Urai, Parana, Brazil June 6, 1996

Dear Friends:

Fifty-two years ago today, I was sailing out of the Bristol Channel headed for the Normandy Beachheads. We were loaded with infantry troops to go ashore on the morning of D-Day + 1. The war involved 73 nations, if I remember correctly. The cost in men and materials is beyond calculation.

One week after leaving the Merchant Marines, I enrolled in Georgetown College to prepare my life for serving God. That was 50 years ago. I am reminded that an all-out attack on the enemy was the only way WW II could have been won. What a massive effort it was! Wars are not won by defending: there must be a planned attack. The enemy territory must be invaded. Alta and I want our lives to be dedicated to an all-out attack on the kingdom of darkness.

The principles of war in God's Kingdom are no different. Jesus taught the basics. He chose a small group and taught them. They were put to the tests and discovered their own limitations and weaknesses. After the resurrection, they were regrouped and reinstructed in the basics. "You are to be my witnesses to all nations. You are to make disciples get folk saved, baptize them and disciple them to carry on the battle until I return," Jesus instructed. We are trying to use His same method.

While we were in the States for seven weeks, the people of our church planned and realized three Evangelistic endeavors. The plans were made in our Bible classes. They had never participated in such an effort. They were nervous but committed to the job. I want to tell you about those three campaigns using the words of those who were there.

"When we received this task of evangelistic campaigns I was worried. I did not feel secure without a person of experience with us. When we launched our first campaign in Vila Santa Terezinha I began to feel better. There were mistakes common to beginners. On the last night there were 72 persons gathered at the end of the dead-end street. Some were seated on the benches we had hauled in. I was preaching. I felt nervous, but I asked God to direct my words. It was a marvelous experience", wrote Valdir.

In Casa da Famila another group

worked. Their report states: "The services were planned for 3, 4, and 5 of May. All was planned to use the community hall. When we got there, the man in charge said we could not use the hall because there was a dance planned (that did not occur). We moved our equipment to the front of Louis's little store. 500 invitations were distributed from house to house. The first night 30 persons were present, the second night there were 39 present. On Sunday night we used the hall and there were 60 persons present. We had help in transporting equipment and benches from the church. We hung up some lights in front of Louis's house At the right moment, something unexpected always happened: amplifying equipment did not work, the loud speaker buzzed, the preacher lost his voice. But, thanks be to God, we were able to finish the job. These three days were days of much prayer, anxiety, joy and work. The campaign was wonderful for our own personal experience in preaching the Gospel and the work of the church."

In the city of Leopolis there were five persons who made professions of faith. One of the men said; "When we have it to do again, the experience of these campalgns will help us greatly. It was really good for me. I see that experience helps, but who gives the assurance is the Owner of the work, and He was there."

Dear Friends, I hope these words will warm your heart as much as they have mine. Pray for these young Christians as they face the enemy in a real war.

Affectionately yours, John and Alta Hatcher June 7, 1996

A word of thanks and appreciation to those who helped make our short visit to the States a special event.

Thanks to Thompson Road Baptist and the South Lexington Baptist Churches for caring for us during the Spring Conference. Also, we thank Brother Tim Doss for the invitation to speak to his people at the Sunday morning services and the delicious dinner their ladies served after the services.

Thanks to our children Lynn and Elton for the good times and food we enjoyed together, to David and Pennie for their nospitality and the car they provided for us to use, to Odali and Kathy for delicious meals and sleeping quarters, to Paul and Wanda for being home, to John Mark and Judy for their always-ready help and to our grandchildren who gave up their beds and rooms for us. Especially, Alta and I want to thank our children for all their efforts in making our family reunion one of the greatest events of our lives. We were thankful that Mrs. McGary was able to be with us and enjoy it all with us. Special thanks to the members of Emmanuel Baptist Church who not only graciously let us use their building facilities, but many helped provide meals and desserts.

Our thanks to the following churches for their invitations to speak and their generous offerings to help in our expenses:

Richland Baptist Church, Livermore, Ky. Thanks to Brother and Sister Glenn Archer for their hospitality and the church for the special dinner and time of fellowship.

Bible Baptist Church, Harrisburg, III. Thanks to Brother Art and Sister Donnelly and the Bible Baptist folk for a lovely time the food and fellowship following the services. They made us feel at home.

Grace Baptist Church, Surgoinsville, Tenn. Three great days of Missionary Conference that I give Grade A. Thanks to Pastor and Sister James Miller and all their folk who so lovingly provided room, board and an offering of love. Thanks to Bill and Ruby Shanks for opening their home to Alta and I.

Dear Friends.

Did you ever try to build an entire house with only a hammer? Of course not! What a difference it makes when you have all the right tools for the job. The correct size wrench, or maybe a new tablesaw so that you don't have to cut all the wood by hand. When you have the right tools, the building process is faster and more efficient, and usually the end product is of a higher quality.

Every day the independent Baptist missionaries, financially aided by Baptist

President - Sidney Fisher 1-606-324-4923

Treasurer - Glenn Archer 1-502-278-2493

Secretary - Jim Orrick 1-614-532-8747 Faith Mission, are busy working in the greatest construction projects in this world: building true New Testament Baptist Churches in foreign countries.

We <u>break ground</u> by preaching the gospel and starting Bible studies in communities that have never had a gospel witness of God's saving grace.

We <u>lay foundations</u> by preaching and teaching the truth of God's Word to children, teens, and adults.

We <u>build churches</u> to maturity through years of discipleship, oversight, and leadership training.

Just as any good carpenter arrives at a job site with proper tools to complete the job, the independent Baptist missionaries financially aided by Baptist Faith Mission, are well equipped for the building project God has called them to do. Their tools are spiritual gifts, such as teaching and evangelism, to which they add Bible training, prayer, hospitality, and a wholehearted desire to serve God and see the lost come to Christ.

Unfortunately, there are some tools that missionaries just can't supply for themselves, things like prayer support, encouragement and financial resources. A missionary without these tools is like a carpenter trying to build an entire house with only a hammer.

Though each missionary works under the authority of a local New Testament

Baptist Church, the majority of these churches cannot supply all of the missionaries needs on the field of service. We know that God always provides for the needs of His servants, and one of the ways He does this is through friends like you. If you have not invested in the ministry of the missionaries financially aided by Baptist Faith Mission before, start today! If you already support us on a regular basis, please consider seriously if the Lord would have you increase your present giving to the GENERAL FUND, or perhaps you could give an extra, onetime gift.

This past month was the first time in my thirteen years as a missionary that our monthly support was cut, and cut drastically! We all received five hundred dollars less than we normally receive. The monthly offerings were not enough to cover the full expenses of the missionaries. We praise the Lord, because He knows what He's doing and that this is for our good because we love HIM and we are called according to HIS purpose. I believe He caused this in order to make us all take a good hard look at our mission vision and to see if we would be willing and faithful to do even more. Would you say YES! I want to help my missionaries by giving more?

Thank you for your commitment to our ministries and for providing the tools we need to reach the lost with the saving

Gospel of Jesus Christ. Together we are part of this world's most important construction projects: the building of New Testament Baptist Churches for the glory of the Lord; built with the converts of those brought to Christ by the preaching of the Gospel. Until next month,

Preach Eighteen Times During the Month . . . Young Mother With AIDS Saved . . .

by Harold Bratcher

Caixa Postal 227 69.011-970 Manaus, Amazonas, Brazil, S.A. phone: 011-5592-611-2331 June 20, 1996

Dear Brethren:

During this Mission Sheet Month - May 16 to June 19 - I preached 18 times, three in the "Channel of Blessing" Baptist Mission. It will be organized, the Lord willing, tomorrow night. This is the place that I wrote about last month. "Down in the valley with my Saviour I would go" and preach in the open air in the new suburb, Our Lady of Conception. Our Lord will be preached and not "Our Lady." The last time I preached in the valley there were only 13 present but a young married woman, mother of two children, made a profession of faith. Pray for Brother Manuel Bezerra who will be the lay leader.

Nine messages I brought to the saints at the 29th of March Baptist Mission where Ediberto Ribeiro da Silva and I work together. The smallest attendance was 14 - the largest 38. Sunday night, May 26th, I preached at the São Lazarus Baptist Church celebrating the 31st

anniversary of the Church. The Church was organized as a daughter of the 14th of December Baptist Church. After some years, the Church left us and became a Bible Baptist Church. It is now a Regular Baptist Church. Francisco Felix is the pastor.

June 1 & 2, Marie and I visited and I preached four times at the São José de Amatari Baptist Mission in the interior. Saturday night I preached to 58, Sunday morning 33 and in the afternoon to an estimated 25 in the open air at the lot the Amatari Mission is buying for future construction. That night 57 people heard the message and there were two rededications. João Tuanama is pastor.

June 6 - Tonight I preached at a home in the Compensa I suburb at the invitation of Marcondes of the Chapada Baptist Church. 15 of us were present and we caused joy to arrive in heaven - or rather to arise - because a young widow (her husband died recently of AIDS and she and her 3 year old son are also with AIDS), made a profession of faith.

Thus we have shared with you what the Bratchers (Harold & Marie) are doing for the

Harold Bratcher Teaching the Sunday School Lesson Olinda Baptist Mission

Lord here in Brazil. We are praying that the monthly offerings for the regular fund will increase and what you designate for us will also increase. May we all remember that God is the owner and we are the stewards of the Saviour. Pray for us.

Yours in the Service of the Saviour, Harold & Marie Bratcher
