FORTY-SECOND ANNUAL THANKSGIVING CONFERENCE - NOV. 25-27, 1996 AT NEW HOPE BAPTIST CHURCH, DEARBORN HEIGHTS, MICHIGAN

Our oldest conference is the Thanksgiving Conference that is held in Michigan each year. This is a good time for pastors to meet pastors of other supporting churches and fellowship with them. It is a time to meet any of the missionaries who are home on furlough and hear them report on the work. Churches are encouraged to pay their pastor's and his wife's expenses to this spiritual retreat. This year's conference will end on Wednesday with the noon meal. This will give everyone time to get home to have Thanksgiving dinner with their families. For any information about this year's conference, contact Pastor Marvin Summers, 6221 Mayburn, Dearborn Heights, Michigan. Phone (313) 562-5579.

On Tuesday afternoon, November 26th, there will be an informal meeting of the directors, pastors, and anyone interested in this mission work. Questions will be answered and suggestions accepted. Pictured below are the conference speakers.

ANNOUNCEMENTS

ABSENT FROM THE BODY: Brother Harold Lemay, pastor and long time friend and supporter of Baptist Faith Missions, passed away July 24th. Funeral was in Lexington, Kentucky, conducted by Pastor Bill DeRossitt.

Brother Harold Draper is recovering from surgery and is now starting to visit churches and report on the work in Brazil. His Sundays are now filled up, but he still has some Wednesday nights open when he could visit your church. Read his letter in the MISSION SHEET and get in contact with him. He will be a blessing and a challenge to your church.

WINTER CONFERENCE IN FLORIDA - The Park Ridge Baptist Church, Gotha, Florida, Brother Kevin Mitchell, Pastor, will host the winter conference in the interest of Baptist Faith Missions, January 20th-22nd. This will be a wonderful time to get away from the "frozen north" and spend some time in sunny Florida. Plan on staying for a few extra days and seeing some of the sights of Florida. Again, Churches are encouraged to pay their pastor's and his wife's expenses to this conference.

Rejoicing in Heaven and Curitiba ... Soccer Player Has a Good Witness ... Youth Ministry Growing ...

By Bobby Wacaser

Dear Friends,

Heaven and Curitiba are rejoicing! Luke 15:7 says that there is rejoicing in heaven at the repentance of one lost soul and we have had four to repent and trust Christ this month. Praise the Lord! One of these, Sandra, has been attending our church for two years with her husband and their little boy. Her husband was saved and baptized a few months back. We will begin discipleship training for her and we are looking forward to see the ways in which God will use her to be a blessing to our church as well. The other three who trusted Jesus were attending a youth conference where I was speaking. I trust that the pastor of that church will begin the important work of teaching them to follow in their Lord's footsteps.

Our young soccer player, Edinei, has been recruited by a team in a city about an hour's drive from here. He had to move there for training, but he still comes home on weekends. What began as sad news because he would be away from us turned into great news. He is rooming with eleven other players in a boarding house owned by the team. He learned that he was the only resident Christian. Through his no-nonsense attitude toward work and his confident faith in God he gained the respect of several of his peers. They saw that he studies his Bible regularly and began to ask questions about it. This has since developed into a weekly Bible study. It looks like we have a new missionary to the soccer team in a neighboring city. We pray that this will open a door for us to begin a church work in that city.

Our little girl Jessie is growing and learning quickly. Sometimes I wish we lived on a farm so that we could give her about 15 chores to do. She has so much energy and I don't always know how to fill her time with constructive activities. She is a good little housekeeper; helping her mom wash dishes, mopping, making beds, folding clothes, etc. The problem is that when she finishes all that she is still bored and wants to know what she can do. I teach her to read and write and I take her to ride her bike while I jog beside her, but she still isn't worn out. I know I'd have the problem solved if it weren't for those silly child/labor laws.

Our youth ministry is picking up steadily. Three new kids have started attending recently and they show a keen interest. Two of them are brother and sister from an unsaved family. Their father is a building contractor who has done several jobs for us.

We have established a friendship with the whole family and have been working through that relationship to share the gospel. It is really wonderful to see how a total lack of concern for spiritual things has changed in the past two years. Now their conversations are flavored with references to God and His way of caring for us and guiding our lives. We believe that He has begun a work in them that will soon result in their salvation. The two teenagers will be welcome additions to the growing work force among the youth in our neighborhood.

We are looking forward to sharing more of God's blessings in the months to come. May the Lord bless you as He has us.

In Christ's service,
 Bobby, Charlene and Jessie Wacaser

A Husband and Wife Reunited . . . Three Faithful Laborers . . .

By John Hatcher

Dear Friends,

Great is the Lord and worthy to be praised. The greatness and wisdom of God are seen in His works of Creation; His truth and grace come by Jesus Christ and are manifest in the changed lives of repentant sinners.

"Water into Wine"

Five months ago a mother of one of our members got saved. Her husband told her that if she got baptized she would have to get out. She did get baptized and their home was split. They separated and he had to leave the house. This couple have one 13 year old son. They fought so much the neighbors tried to get them moved out of the community. After their separation he started to come to church. He made a profession of faith but many doubted his motives. God did change his life. They are back together, he is going to be baptized and their lives and home are changed. "How wonderful it is to have a Christian home," is the woman's comment. Jesus transforms.

L. to r. Marcia, Allan, Caio, Everson. Everson and his wife work in the Santa Terezinha Mission. They are doing a great work. Pray for them.

"Laborers for the Harvest"

I am sending along with this letter pictures of three preachers and their families who have been saved through the work here in Cornelio. These are three of the seven preachers who God has raised up in this work. The first couple is Everson and Marcia. They have two boys, ages four and two. Everson is pastor of the new Congregation in Santa Terezinha, a poor section of our city. After being put out of the rented house after seven days of occupation, we were able to buy the house next door and get it ready for services without missing a Sunday. The transaction has been made. Everson and Marcia have visited the people and have done a great work. Twenty persons have made professions of faith. Almost one half of those attending are adults. This is phenomenal.

Everson works in a body shop and Marcia works in a school. After long hours of work and caring for their two children, they study in the Seminary two nights a week. They have no car, but they are never late for their responsibilities. God has blessed their tireless labors. Pray for them and pray that God will provide them with a car if it be His will.

L. to r. Sonia, Amanda, Gabriela, Valdir. Valdir pastors the mission in Leopoldo and preaches in Primavera. Valdir and Sonia teach Sunday School classes in the Tabernacle Baptist Church in Cornelio. They need your prayers.

Tornado Hits Church Camp . . . Much Damage . . . Gifted National Worker Dies . . . Starting New Mission . . .

By Paul Hatcher

Dear Friends,

Early morning, the same day Hurricane Fran hit the Carolinas, a tornado hit Tabernacle Baptist Camp Grounds. It destroyed the roofs of the meeting building, one of the girl's dorms, and the Mission Church building. The Staff housing and other dormitories were not damaged. That afternoon we were to receive 200 senior high campers. We thank God for the protection of His people. Hours later youth volunteers and college interns were on the sight cleaning up and making preparations for a new roof. Camp was deferred to a later date. The repair on the Mission Church roof was completed for usage on the following Sunday.

The same morning of the tornado, as David and I returned to church after making arrangements for repairs at camp, we were greeted with the news that the neighbor's wall had collapsed on two of our bricklayers working on a church wall. They were hospitalized one in serious condition. God brought them through and now they are OK with a few scares.

When God blesses in a mighty way the enemy always stages an attack. We praise God that we are more than conquerors through Christ Jesus our Lord.

This week Roguel Siqueira, twenty-three years old, was promoted to our heavenly Father's house. He was in his last year of medical school, and working on his Bible degree. He worked

(Please See Hatcher Page Three)

L. to r. Valeria, Lara, Gilberto. Gilberto is pastor of the Galia Baptist Church, teaches in the Seminary in Garca, and works in two missions. You have the privilege of praying for them.

Valdir and Sonia have two girls, ages four and two. They are another marvelous couple. Their store has lost a lot of business because they took out beer and liquor and, also, because two big super markets have opened close to it. He had to get rid of the two people who worked for him. No problem. They are happy with what God determines for their lives. They study in the Seminary two nights a week. He leads the Congregation in Leopoldo with services Sunday afternoon and Friday night and preaches in the town of Primavera on Monday nights. They are dedicated Christians.

The third couple I want to mention is Gilberto and Valeria. They have a little girl who will soon be one year old. Gilberto pastors the Galia Baptist Church that was started when we lived in Garca, State of San Paulo. He teaches in the Seminary at Garca, pastors the Galia Church, and helps in the Mission at Julio Mesquita. He and another pastor, Epitacio, have begun services in the city of Marilia. They are trying to find property to buy. I have promised to help them with \$4,500. Your offering will be helpful if you feel led to give.

Pray for these three families. They are wonderful faithful Christians. They give their best and they do not receive salaries for this work. I hope you will save their pictures and remember to pray regularly for them and their work. There are four other preachers in our church, two of which take care of a mission. I will tell you about them next letter.

God bless you and make you a blessing. Pray for us that we may have wisdom and physical strength. Our days and nights are filled. We never stop. As I write this the clock is showing eleven o'clock at night.

Sincerely in Christ,
John and Alta Hatcher

Profitable Workshop . . . Helping Teens Cope With Problems . . . Many Saved . . .

By Mike Creiglow

Dear Brethren,

After a few months of extra and special activities at church we are trying to settle back into the routine work again. In fact we have been in need of a return to normalcy. All the extra activities of the past few months are needed and have helped, but the stability of routine has its advantages. Actually our attendance has not been all that great lately, or wasn't up to this past week.

Nevertheless I need to tell you about the other extras that happened the first 2 weeks of this month. The first week we held an 8 day leadership workshop for all who wanted to attend from all of the churches. We had an average of 120 people to take this course. We cancelled all of the regular church activities (except Sunday) to run the seminar. Our guest teacher was Robert Orr. He was born to Baptist missionaries who lived on the Brazil-Argentina border. He was born in Argentina, but lived in Brazil. He now travels the world giving the workshop. His offices are in western Canada. He was in São Paulo for a week giving the workshop to a private school and then we were able to get him for a week. Many of our school teachers, pastors, missionaries and other workers were able to profit from the course.

The next day after the workshop was youth camp. We had 3 days with 70 teens. Our topic for study was "Deeds of the flesh vs. Fruits of the Spirit." The discussions were very lively. The final day uncovered a bunch of sin and there were many private sessions of confession. On the last day I was busy right up to the very last minute talking through problems with individual teens, couples and groups. They were literally waiting in line to talk to me. We are expecting great things from it all.

We have had some great services here in town also. One Sunday we had 6 more professions of faith. That was the Sunday we got back from camp just in time for church. Pastor João did the preaching that weekend. One other Sunday we had 5 more saved. There have been people saved every week. The first Sunday of the month I baptized over 20 more. We continue to lose more families who are moving away. You have heard me complain about this before. There are times when the number who are saved is the same as the number of folks who move. I try to stay happy in that we do have some growth through those who are saved and the fact that we are supplying other churches all over Brazil with quality help.

Paul and Brenda are back. We have been missing their help. We had over 150 young people at our last meeting, so they (Paul and Brenda) have their work cut out for them.

Thanks for all of your help and support. May God bless each of you.

In Christ, Mike Creiglow

with children's clubs and children's music here at church. His parents are Brazilian missionaries to the Indians. He had been to visit his parents in the tribe and contracted hepatitis. We will miss him. Pray for his family. This was a special time for our church family to show its love.

Tomorrow we start a new mission. A team from the church will be holding six weeks of evangelistic meetings and visitation.

A lady from our church donated a lot in a new subdivision for a building to be used in starting a mission church. We have a lot at another location also awaiting a building. God is saving sinners and making His people generous. God is Great. He is our encourager. Praise God!

Don't pass up your opportunities. Be generous. Give yourself to the Lord and His service. Only what we invest with God is eternal.

We thank you in Christ's name. Be generous in your giving to the General Fund which is forwarded for our living support and investment in God's work.

Thank you for your love,

Recovering from Surgery . . . Starting to Visit Churches . . . Good News from Brazil . . .

By Harold M. Draper

Dear Brethren,

Greetings once again in His precious Name. We hope this finds you all rejoicing in His goodness. He is faithful in spite of our unfaithfulness. I seem to be recuperating well from my prostate surgery. It has been four and a half weeks and I still cannot drive the car yet. Today I go back to the doctor and hope he will let me drive a little. All in all I guess I am doing okay, but it seems to be taking an awful long time to recover. I guess I need the lesson in patience.

Someone once said: "Circumstances become difficult when people place their own selfish interests before God's. When they put God first and seek to do His will, He will bring His people joy and prosperity." When I read that it hit me right between the eyes. How about you?

I have been able to preach 4 times the last 2 Sundays in as many churches in the West Kentucky area. These churches do not yet support BFM work, but each gave us a liberal love offering. Our hospital bill after insurance will be about \$2500 so this will surely help out. I am astonished at the high cost of hospitals and doctors here in the United States. But health is our priority and best investment on the material side of life. I don't mean to complain.

I want to thank each one who has called or sent a card during my illness. Also, I appreciate your interest in our work. We already are booked up through January 5th of '97 on Sundays. If any church that has not contacted us yet could have us on Wednesday night or another night in the week between now and the end of the year please call us at our new phone number: 502-623-6577.

One of our members of our church in Brazil called us this month and let us know that the church is doing well and even having new people attend. I feel sure our absence will be a time of growth for this church. Hopefully, we will be able to soon start up our next new work soon after returning to Brazil.

Pray for us. Ursula and Michelle are doing well. We love all of you and pray that in some way we can be a blessing and encouragement to you.

In Him,
Harold Draper & Family

Busy Studying Swahili . . . Finally Get Work Permit . . . Thankful for Encouragement . . .

By Mike Anderson

Dear Friends,

Pam & I continue to stay very busy with our preparations for our ministry in Kitale. Our Swahili language studies continue to dominate our time here. We just finished our third language test today. Next week we have our midterm exam which also includes an oral examination. They will ask us where we are from, news about our family, what we plan to do in our ministry when we finish school, etc. We have to answer all this in the Swahili language. Also, about a week

ago we began translating Bible stories from Swahili into English. We use these Bible stories in our devotional period that each of us have to lead speaking of course in Swahili. So as you can see our language studies keep us very busy.

We are still attending a Swahili Baptist church and we are beginning to understand more of the singing and preaching.

The Lord blessed by answering a big prayer request yesterday. After trying for over a month and traveling back and forth

By Harold Bratcher

Dear Brethren:

Wednesday night - August 21 - Ediberto Ribeiro de Silva lead Prayer Meeting at the 29 of March Baptist Mission and I (Marie went with me) preached in a home about a mile away to the 11 of us present.

Saturday - Ediberto & I drove to the Airport and met Mike Powers and Jessica (his daughter) and Jessica's friend - Sara who arrived from São Luiz, Maranhão. Bro. Powers has by now finished his labors with the Liberty Baptist Church, Flint, Michigan and is the pastor of the Grace Baptist Church, Corbin, Kentucky. Sunday morning he preached with Pastor Asa Mark Bratcher, translating, 14th of December Baptist Church. That night the three visitors attended the open air services at the "Vessel of Blessing" Baptist Mission where Bro. Powers preached to 33 (I translated). Monday afternoon, with Ediberto driving the car, the visitors and I spent some 4 hours on the highway to reach the town of Novo Remanso. There Bro. Powers preached to the 88 people present. The São Jose de Amatori mission and the New Jerusalem Baptist Church were both well represented. We then, after the service, drove the four hours back home. Wednesday - August 28. Bro. Mike preached to 67 at the 29th of March mission. We celebrated and rejoiced with him - his 51st birthday.

August 31 - Tonight preached at the New Jerusalem Baptist Church where I am the pas-

Monday night, August 26th, some of the 88 of us present at the Novo Pomanso Mission.

tor. The next day, I taught the new converts class and then preached to some 85 about baptism and then we walked to the river where I baptized four young people. In the afternoon we held services in a home and then by boat to Novo Remanso where I preached to estimated 40.

Sept. 5 - Tonight once again I went with Ediberto "down in the valley" and preached to the 19 people present at the "Vessel Mission." Sept. 8 - I preached at both services at the "March Mission." Again, there at the Wed. night Prayer Meeting.

Last Sunday, I preached (in the absence of the pastor) at both services at the 14th of December Baptist Church. 3 people responded to the invitation - 1 rededication, 1 asked for baptism (a 10 year old girl) and 1 profession of faith (a 75 year old woman). That afternoon I conducted funeral services for Sr. Alberto, 67 year old father-in-law of Dona Romilde - an active member of the Church.

Thus, brethren, we have shared with you what we have done during the "Mission Sheet Month." We are happy to report that we received last week the August Mission Sheet. May the Lord bless you, Bro. Jim Orrick as Editor & Executive Secretary of Baptist Faith Missions.

We are glad that the Andersons are already in Kenya. May the Lord bless them in our prayer. We are praying that the Lord will bless B. F. M. financially and spiritually as well.

The baptism in the river. New Jerusalem Baptist Church, Parana da Eva.

Bro. Harold Bratcher baptizing.

Continue to contribute we ask for the regular fund and for Harold Bratcher's fund we also ask. We will pass all we can on to the national brethren. We are also praying that next month's Mission Sheet will have a letter in it from all 10 of us - not "Mission Sheet Missionaries," but Baptist Faith Missions missionaries.

Pray for us, we pray. May the Lord bless you is our prayer.

Yours in the Service of the Saviour,
Harold & Marie Bratcher

to Nairobi, we were finally able to get our work permit. We needed this document so we can get our shipment cleared through customs. Our shipment has been in the country for about a month, so now we hope we can soon have it without any further delays.

We are pleased that our daughter, Sara, just began her first year of teaching at Calvary Baptist Academy. This Christian school is part of the ministry of our home church, Calvary Baptist Church in Hurricane, West Virginia, where Brother Millard Mitchell is the pastor. Sara's Father, Ron Radford, who passed away in 1990 was the principal of this school until the Lord took him home.

And our son, Nathan, just began his Junior year at Cedarville College. He had a great Summer ministering in many churches with

his ventriloquism. He was even on a local TV station in Charleston, West Virginia, doing the evening weather report with his rabbit, 'Roosevelt'.

Life in Kenya is very different from the States, but we are continuing to adjust well. The Lord has blessed us with good health and many new friends.

We thank many of you who have written to encourage us in this ministry. Your letters, support and prayers mean so much to us. We are glad that we can be co-laborers with you in proclaiming the 'Good News of Jesus Christ' here in Kenya.

May our Lord bless you and keep you in His care.

Your Servants in Christ,
Mike & Pam Anderson

Purchase Property for New Work in Pucallpa . . . Wonderful Time in Iquitos . . . Nationals Speak of Former Missionaries . . .

By Sheridan Stanton

Dear Friends,

September was a very busy and blessed month for the work in Peru. First of all my wife, Anita, arrived back from the States on the 10th. Josh and I were very glad to see her. The house is back to normal except for the fact that it is much more quiet without our daughter, Leah, being here. We left her in the States as a freshman attending Berea College. Please remember her in your prayers.

I was able to travel out to the town of Pucallpa, in the central jungle. While there I was able to purchase the property (with house) for the mission work out of the Grace Baptist Church, Pastor Pedro Aquino. This was the work that was meeting in the streets. Thanks to a dear Brother in Christ from Knoxville, Tennessee, and some friends in Ohio, we were able to purchase the property for the mission. I was also able to take care of some other business while out there.

I taught another week of Bible Institute classes to seven brethren here in the Capital city of Lima during the first week of September, eight hours a day for five days. All but one brother showed up, and he was busy taking care of legal matters for his church. It was a good week.

I began the first Bible Institute class in the northern jungle city of Iquitos on the twenty third of September. I was expecting twenty

six but had thirty two pastors and preachers show up. What a blessing! These thirty two Men of God represented seventeen different churches. Five of these men had to travel for three days and two nights by river just to get there. It was a tremendous time of fellowship and learning.

The first day of the first class I always dedicate as much time as needed to hear each ones personal testimony. It was a real joy to hear the names of Missionaries Hallum, Mitchell, Laureman, Kissel, Mayfield, and Gasque, mentioned in testimonies given. One old pastor was saved under Brother Mitchell's ministry, several others mentioned Brother Walter Laureman and Brother James Kissel. One man told of how Brother Kissel came up river in his boat and preached the gospel to his village for the first time. One of the younger men there spoke of accepting Christ under the ministry of Brother Doug Gasque. When you think of former Missionary Del Mayfield you think of the city of Pucallpa, but he was in Iquitos for a short time and while there his life and ministry affected some. One man spoke of accepting Christ under the preaching of Brother Mayfield while in Iquitos. The testimonies just went on and on and what a joy it was to hear them. It was a blessing for me to think how the lives and ministries of so many Independent Baptist Missionaries

associated with Baptist Faith Missions had affected the lives of so many during the years.

The work continues on in Peru. The Lord keeps on blessing in spite of all the problems and trials. At one time there were four missionary families working in different parts of Peru. Today my wife, Anita, and I are the only ones here and we're trying to help all of these works scattered throughout the country in the best way we can. We praise the Lord for the opportunity to serve HIM here in this part of the world. Won't you please consider increasing your giving to the "GENERAL FUND" of Baptist Faith Missions, so that there will be more money for the expenses of doing the Lord's work?

Until next month.

Keeping our eyes on Jesus,
Sheridan and Anita Stanton

DON'T FORGET THE WORK HORSE FUND

This is the General Fund.
Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

increasing your offerings.**
