WINTER MISSIONARY CONFERENCE JANUARY 20-22, 1996

Park Ridge Baptist Church, Gotha, Florida

Each supporting church of Baptist Faith Missions is encouraged to send their pastor and his wife to the Winter Mission Conference. They would thoroughly enjoy the opportunity to take a few days off to thaw out and refresh themselves in the Sunshine State of Florida. Give your pastor an extra \$200 so he can take his wife to one of the Orlando attractions. Let them feel like kids again. They will come back to you refreshed.

Meals will be served by the host church. A limited number of rooms are available with members of the Park Ridge Baptist Church, or motels are near by. If you want to stay with members, call Pastor Kevin Mitchell, Church phone (407) 295-6296 or Home phone (904) 394-3076. Also call him about making your motel reservations.

To help Park Ridge Baptist Church have some idea of the number of people to provide food for, please let them know how many are coming from your church to the Winter Conference. The mailing address is: P. O. Box 12, Gotha, Florida 34734. Conference speakers are listed below.

New National Missionary ... Catholic Persecution ...

By Michael D. Creiglow

 Cruzeiro do Sule, Acre BRAZIL

Dear Brethren,

The last week of last month Bev and I went to Porto Velho. I had been invited to help in a special meeting at one of the churches there. The meeting was 3 days, 5 sessions, on church growth. It rained quite a bit and the electricity was out the first night, right up to time for me to preach. In fact, I was already in the pulpit when the lights finally came back on. We had good attendance for all services though. There were people from at least 10 churches. There were 6 professions of faith, even though the main emphasis was to the saved. They have asked me to come back next year and requested a month to visit several churches. We compromised on 2 weeks at the end of August.

On the way back we visited our church in Rio Branco. They are doing great.

Once back home things were just as hectic as ever. The usual visits, counselling, TV programs, preaching, teaching and all the other material maintenance that is never ending.

The first week of this month Brother Sebastido helped Rivaldo and family move to Serra do Moa (mountains on the upper Moa River). We have had a small congregation there for the past 5 years, but no missionary. We even built a nice building there in 1991. Brother Rivaldo and family are our newest full time missionaries. They have been preparing for several months, but excitement is high as we now have another missionary out there working full time and totally supported by the churches here.

Our attendance here at First Baptist is up again and we have had several professions of faith the last 2 Sundays. We have had a number of members correcting their lives, which has been a great help, too. We have begun to have some more Catholic persecution. They are systematically trying to get

all Baptist teachers (those who are paid by the city or state) removed from the public school system. Just last week we heard that 7 were being fired from the state orphanage/grade school. This school was taken by the Catholic Church just like the hospital and leper colony, but the buildings were built by the state and the teachers' salaries are also paid by the state. The bishop gave one of the nuns orders to tell the saved teachers that, "You won't let Catholics teach in your school, so we will not let Baptists teach in 'our' school." The poor bishop doesn't know that he is going to lose the battle and the war. Just a few weeks ago I was privileged to win to Christ, one of the teachers from the Catholic girl's school! She has already made a profession of faith at church. She had been dating a backslidden member of ours. He is now back in fellowship. I married them 3 weeks ago! The Catholics will continue to persecute and Christ will continue to give us the victory. Boy are we having fun, or what?

The Roman church is on the stampede because of our work at the penitentiary - again. They managed to get us removed from the main compound and into the school building. Now they want us out of there. They claim they own it. The inmates said they are willing to meet out in the middle of the yard if necessary and our preachers said that they will give their very lives if need be, but neither the inmates nor the preachers will give up their right to worship. The Catholics are having a meeting tomorrow night to try to get us thrown out. Little do they know that we are "infiltrated" into the judiciary, too. We have 3 or more very faithful members who work at the court house and the judges are on the side of justice. We also have a number of men on the local police force. We may end up having to build our own meeting hall, but that would

be all right, also. There were 4 more inmates saved last Saturday night. Yes, we are definitely having fun!

Well I have run out of space and haven't told you some of the best news. Sorry, but you will just have to wait until next month. Thanks for all of your prayers and support. God bless.

All Night Prayer Meeting ... Meeting With the Governor ...

Dear Brethren,

Yesterday I sat down and wrote you a letter telling a few of the great things that have been happening here in Cruzeiro do Sul. I ran out of space though, so I stopped. I said you would have to wait until next month, but I just couldn't wait and I hope you feel the same way. So here goes some more news. If the editor can find space this month, then all the better. If not...

Over the last few months we have been having all night prayer meetings, as the schedule permits. The last 2, I was not able to stay for the whole night, because of a heavy schedule the next day. Those who did stay prayed up to 4:00 AM. This month we set our regular prayer meeting up one night to Thursday. We began our regular prayer meeting and had about 300 people (as usual), then we dismissed and started our all night prayer meeting. We had over 20 present. We didn't stop praying until the sun was up the next morning (5:30 AM).

Friday was a holiday, so we rested a time, between jobs, then went to Assis Brasil that night. There were almost 500 present for the dedication of the new building and to celebrate the church's 34th anniversary.

Saturday morning I came in from some visits about 11:30 and had a message from the governor's son that he needed to talk to me. I called and found out that the governor was in town and wanted to talk to me. Some time back Paul had mentioned to the son that we were planning to build a youth

center and could use donations. The son told his father about the project and so here was the opportunity. I went into his office with the idea of asking for 700 sacks of cement. I came away with 1,000 sacks! He liked the idea of the youth center, but ended up liking the idea of helping out our school with the extra 300 sacks. He promised to be at

Dear Brethren,

This Mission Sheet month has 35 days. I wrote the last Mission Sheet letter on the 17th of October. That afternoon we held a short service in front of the lot we have bought for the construction of a church building for the "Vessel of Blessings" Baptist Mission of the 14th of December Baptist Church.

On the 19th of October, Marie and I traveled by bus to Novo Remanso. There I preached three sermons. The attendance was 32, 32, and 37. On the 23rd of October, I preached to 20 at

the 29th of March Baptist Mission. Again on the 30th of October and at both services on the 3rd of November and Sunday morning the 17th.

On the 24th of October, with 9 people present, we held an anniversary service for 61 year old Alcides at the "Vessel Mission." Again on the 6th of November, I preached in the open air in the valley, "Vessel Mission," with 38 present.

Since Sunday afternoon, November 10th, the Vessel Mission meets in a building. We, with joy, share with all of you, especially Miss Wildene Hardy, who sent in an offering designated "for the church in the street," that the mission is no longer in the valley or in the open air, but

Dear Pastor and Saints,

We are in the middle of a special drive to reach the youth in our community. Every house is being visited, and a week of meetings are being held in the open-air in the heart of our town. So far we have seen six young people make profession of faith in Christ. Praise the Lord!

The Children's Bible Club (ages 4-12) are also reaping some benefits from the visitation. Many more are in attendance. During this time, we teach Bible verses, Bible lessons, respect to our country, loyalty to Christ, handicraft, and games. There are two children that received the Lord. For all those who are believers, we have a special class. How precious children are!

We are much involved in shut-in ministries. There are a number of elderly folks that need to be encouraged in the Lord, and we meet in their homes every Sunday afternoon (4-5). Some of them are given the Bible on cassette, as they cannot read; Christian music are given to all. Some of our folks also clean and cook meal for them. Three of those who were lost trusted in Jesus Christ. This is certainly the fragrance that sweetens it all.

My family is truly a great help in all of this. Please continue to help us with your prayers and financial support. We NEED your help. We thank you. God bless you.

Church Attendance Good . . . Two National Brethren Ordained . . .

By Asa M. Bratcher
Caixa Postal 2303

Brasil, S.A.
Phone: 011-55-92-663-1521

Dear Brethren:

How we need to pray: "Lord, number our days" as they come and go so fast. He is continuing to bless the work here. Our attendance has been averaging close to 400 in Sunday School and around 300 in the evening services. Last month we had the privilege of baptizing 8, and this Sunday night we hope to baptize around 10. We also have had several come by letter.

Also this month I conducted the funeral services for two elderly ladies. One, an 84 year old member of our Church since 1989, sister Maria Pereira de Moura. For about a year, she had been having serious heart problems and couldn't come to church, but still sent her tithe. In fact, the Sunday before she passed away on Friday, she had sent her tithe by her daughter who is also a member. The other lady was over 70 years old and

had attended services here several times. She was a member of a Baptist Church in another state, and her daughter and grandchildren are faithful members here. What a comfort for us to always remember: "yea, though I walk through the valley of death, I will fear no evil: for thou art with me, thy rod and thy staff they comfort me" (Psalm 23:4).

During these past months I preached at the ordination services of two of our National evangelists. The first was for Bro. Luiz Carlos de Souza. Bro. Luiz is a graduate of our Bible Institute, and a member of the Zion Baptist Church here in town. He has been called as pastor of that church. The other one was Bro. Walcimar Correa de Souza. He was a member of the 17th of August Baptist Church, and has been called as pastor of the

in the building that the Americans (some 20 of these) of the "Mission Unlimited," Pastor Chuck Connor, the leader, built. This mission has built 108 church houses here in Brazil.

At the dedication service an American pastor preached to around 200 people and 9 adults made a profession of faith and two adults made a rededication. We praise the Lord.

That Sunday morning, the 10th of November, I translated the message of Pastor Terry of Alabama at the 29th of March Mission. There were 38 visitors from the U.S.A. and 43 of the mission present.

On the 26th of October, I performed the wedding ceremony for a young couple at the Novo Cananã Baptist Mission, Buzzard River. More than 150 people were present. Sunday morning I taught the Sunday School lesson and preached to 15. That night I preached to the 35 of us present. Raimundo Oliveira da Silva is our Evangelist there.

On the 31st of October we celebrated with a service, the first birthday of Jonatas, son of Ediberto and Maria do Carmo. Ediberto is my faithful helper.

Three of the 19 sermons of this Mission Sheet month were preached in three different cemeteries of Manaus. On the 15th of November, I preached at Bro. Delmiro's house, celebrating the 22nd birthday of his son, Eisenhower. We shall not weary you with any more details. No more needs to be said than to ask you to pray for us and continue to contribute to the Regular Fund and to Harold Bratcher's buildings. The "Vessel" building is only about half-way completed. We would be happy to hear from you. May the Lord bless you during the Holiday season and throughout the new year of 1997.

Dear Brethren,

How time flies when you are busy. In October I went a stretch when I preached 22 times in 22 days in 8 churches in 4 States. How wonderful it is to visit and worship together with the precious saints of God. I may have mentioned that we were with the Hardman Fork B.C. in Letter Gap, WV. It was so good to see these folk again. We were in a Revival with Bro. Wayne Howard at the Beech Grove B.C. in Lancaster, Ky.; Chapel Hill B.C., Nicholasville, Ky., Willie Laswell being the faithful pastor; the Mt. Pispah B.C. of Grafton, Ohio (near Cleveland) with Bro. Charles Fisher, pastor; the Zion B.C. of Taylor, Michigan with Bro. Jon Rule, pastor; Grace Bapt. Chr. of Holly, Mich. with Bro. Bob Hopkins, pastor; also we at the Lake Road B.C. of Clio, Mich. and Bro. Doug Armstrong, pastor; last night I drove up from Lexington, Ky. to preach to the First Baptist Church of Alexandria, Ky. (near Cincinnati) with Bro. Carl Morton, pastor. I am back in Lexington getting ready to go tomorrow up to the conference in Huntington, West Va., where Bro. Charles Lybrook is the pastor. I have only seen Ursula and the kids for 3 days in the past 6 weeks. I will go home on Monday the 18th for 3 days. Ursula will be having outpatient treatment Monday in Paducah to see if she needs further surgery. I will be having a tumor removed from my right wrist on Dec. 9th and on the same day will have some scar tissue removed from my prostate surgery. None of these two will slow me down for more than 5 days but I will have a cast on my arm for 3 weeks. We're trying to get the "body work" done soon so that we can go back to our home and work in Brazil. All is going well there in the works. Next month I will tell more concerning our work and our plans when we go back. By the time you read this the Thanksgiving Conference will be history. We are excited about going and being with many who support us and the other missionaries in this great work. I apologize that we will not be able to come to every church that extends an invitation. I am already having to turn down some invitations. May the Lord Bless all.

Dear Brethren,

I am writing early this month before I have surgery on my right wrist. It will cause me to not use my arm for a couple of weeks. We just got back from Ohio and Michigan. Ursula went with me on this trip and got sick at the Grace Baptist church in Fairborn, Ohio. She spent 2 days in the hospital and is still running tests to determine exactly what happened. It was feared that it was her heart but now seems to be gastric problems. It gave us a scare. The folk at the church in Fairborn were so helpful. I left her at the home of Bro.-Sis. Elby Tackett and went on to the Thanksgiving Conference in Michigan at the New Hope Bapt. Chr. It was a great conference with great preaching. The ladies did a great job of hosting and preparing food.

Many Hear the Gospel at Funeral . . . Conducting Services at Six Mission Points . . .

By John Hatcher
Caixa Postal 112
Urai, PR - Brazil 86280-000

Dear Friends,

Yesterday morning about eight o'clock, Ida, the oldest member here in Urai, called and told Alta that her mother, Sabina, had just died. She was about 85 years of age. Alta had witnessed to Sabina several weeks ago and she made a profession of faith. Due to a broken hip she had been bedfast for several months. They asked me to direct the funeral service which was held at five o'clock in the afternoon. More adults heard the Gospel at the service than at any other time since we have lived in Urai.

Everson and Marcia Correo with their two sons, Alan and Caio. Everson is pastor of the Santa Terezinha Mission. Remember to pray for this young dedicated couple.

Sunday night, October 6, six persons were baptized in the Tabernacle Baptist Church at Cornelio Procopio: two were father and son, two were mother and daughter, and the other two were young ladies about 20 years of age.

Services at all mission points continue regularly; Leopoldo, Casa da Familia, Santa Terezinha, Urai, Primavera, and a new place called Jandinopolis. That makes a total of six. The young wife and mother, where services are held in Primavera, trusted the Lord three weeks ago.

Please see the pictures of the evangelistic services in Santa Terezinha. Your will notice that people are filling two different rooms. Fourteen persons made professions of faith. The attendance continues high even though we were forced to move to another house. We have bought the house we are in now. Thanks to God for your offerings.

Fraternally yours, John and Alta Hatcher

The two photographs above show rooms of the rented house filled during the evangelistic services in Santa Terezinha. Fourteen persons trusted Christ as Saviour. Attendance and interest remains high at this mission.

Dear Friends,

November was a month of health problems for the Stantons. I had a tooth fall out, my son Joshua's right leg is in a cast for a severed ligament, and my wife Anita has been "nursing" a sinus infection for the past week. (Yes, my tithes are up to date!!!) But life and the work goes on. The Lord knows what He's doing and we praise Him for everything.

I heard that the Thanksgiving Conference was a real blessing and very encouraging. I thank the Lord for each and every one that has a part in the support of the missionaries financially aided by Baptist Faith Mission.

I would like to encourage each church to consider increasing your giving in 1997 to the GENERAL FUND of BFM. It's my understanding that we need about seven thousand dollars more per month to meet the projected goals for 1997.

Pray about giving more this year, won't you? More money is needed for all the missionaries' work expenses, traveling, gasoline, printing, etc. I travel to at least one city in Peru a month, and sometimes two. Airfare is expensive. Did you know the cost of living is higher here than in the States? Gasoline here averages two dollars and fifty cents per gallon! Anita and I live comfortably, but there is so much needed for the works. We're the only BFM associated missionaries in Peru now and we're trying to help all the works where once we had as many as five missionary families working. The funds are spread very thin, but I'm praying that 1997 will be a better year for missions!

I leave tomorrow for the jungle town of Pucallpa. I will be teaching a week of classes out there to about eight or nine preachers. This will be the first class for them so I'm not sure how many will actually show up. Pucallpa makes the fifth city where I teach classes for the Baptist Institute of Biblical Studies. So far I have around seventy men of God studying with me in this "mobile" institute. I take the teaching to them and we study for eight hours each day Monday through Friday for one week. It's a grueling pace but a great blessing. These five cities, Lima, Iquitos, Huanuco, Pucallpa, and Tingo Maria, represent the areas where missionaries associated with Baptist Faith Mission have worked over the years. Many of these pastors and churches had become "isolated" in their own towns. This Bible Institute has helped to increase the fellowship among the brethren on a national level. They all receive and study the same books (good Baptist books!!) and this has also helped to "cement" the fellowship as being based upon sound Bible doctrine and not "whim, rumor, and personality." They're a great bunch of men and it's truly an honor for me to be able to work with them and help them in this way. Please remember to pray for all of us laboring for the Lord here in Peru. May God richly bless you!!!

Write, or call us at the address and number listed above, or those of you that are "on-line" send us an e-mail, we love hearing from the "folks back home."

Thanksgiving in Kenya . . . Christmas Greetings . . . Thankful for Baptist Faith Missions . . . Making Progress in Language Study . . .

By Mike Anderson
c/o Baptist Language Center
P. O. Box 52
Limuro, Kenya
East Africa

Dear Friends,

Blessed Christmas greetings in the name of our Lord and Saviour, Jesus Christ. We hope that each of you have had a blessed and prosperous year. Our year has been one of many changes and transitions. It has been one of trials and testings as well. We are thankful for the Lord's sovereign leading and for His faithfulness in all aspects of our lives.

Pam and I just observed our first Thanksgiving together here in Kenya. We had our Thanksgiving meal with fellow American missionaries who are also students here at the language school. Also, we invited some Kenyan friends to join us for this special meal too. We had the joy of sharing with our African friends the reason we celebrate this holiday in America.

We do have much to be thankful for as we reflect upon all that has transpired this past year. We are first very thankful to God for saving us and calling us to serve Him here in Kenya.

Pam and I are very thankful for leading us to work under Baptist Faith Mission. It is like being in one big family. We are so thankful for all the love that has been shown to us. We appreciate the BFM board members for their help and counsel. Also, we especially want to thank all of our family, friends and the many churches who have been so faithful to support the mission work of BFM. May the Lord richly bless you for your prayers and financial support. Fulfilling our Lord's 'Great Commission' takes a team effort, and we need each other, working together to do the job He has called each of us to do.

We continue to prepare ourselves by learning the Swahili language. There is so much to learn! Already we have learned over a 1,000 words in Swahili. Please pray that we can keep us with the pace they have set for our studies.

Recently, Pam and I had the opportunity to minister in one of the many slums around Nairobi. We were invited by one of the missionaries who is in our language class. They have a children's Bible Club. Pam performed by way of puppetry, the story of 'The Prodigal Son', she translated the script into Swahili so that the Kenyan children could understand it better. I ministered by teaching a song in Swahili using a ventriloquist figure that looks like an African boy. I named him 'Rafiki' (Swahili for 'Friend'). The African children loved it!

Pam and I plan to go out to our church during our Christmas break to Kitale in Western Kenya, where we plan to begin our ministry after language school. I plan to preach and Pam will teach Sunday School. We will also meet with the Kenyan pastors who are already in the BFM Fellowship here in Kenya. We also plan to look for a house to rent. Please pray that the Lord will guide us to the right house to live in there in Kitale. Also, continue to pray that the Lord will provide a vehicle for us to use in our ministry that will be tough enough to handle the rough Kenyan roads.

At this season, no matter where you are, Pam and I wish you a Merry Christmas and a Blessed New Year. We miss your smiling faces and we value our friendship with you. We hope you will pray for us as the Lord brings us to your mind during this special season. We will pray for you, that you will with God's help, make a difference where you are. People everywhere deserve to hear of a love so rich and pure and so giving that we must share in our lives and with our words the true meaning of this season. Jesus said, "I am come that you might have life and life more abundantly."

Our Love to You this Christmas, Mike & Pam Anderson (Isa. 9:6)

CHURCH

Manancial (Living Waters) Baptist Church, which is a daughter church of the 14th Church.

The girls are doing fine and send their love. Marcia and Lucy Marie are busy in school. Marcia is in the 8th grade, and Lucy Marie in the 4th. Lucia is teaching English at a Baptist School, two mornings a week.

We want to wish each one of you a most blessed Holiday Season, and express our deepest appreciation for your prayers and support in many ways throughout the years.

In His Service,
Asa M. Bratcher

services a couple of times, but has been involved in a pagan religion based on an Indian drug. Many people from the upper levels of society here are involved in this and other similar religious experiments. Almost everyone continues to claim to be Catholic, but many are involved in some form of spiritist religion at the same time. All of our people are cocooned in layers of materialism, idolatry and spiritism. We have much to do. Pray for us.

In Christ,
Mike Creiglow

DRAPER

(From Page Two)

Also, I preached in the following churches on this 11 day trip. First we were in the Grace Bap. Chr. of Fairborn, Ohio, pastor Gene Helton; the New Hope B.C., Dearborn Hts., Mich, Marvin Summers, pastor; the Immanuel Bapt. Chr, Riverview, Mich., Dennis Herndon, pastor; the Gethsemane Bapt. Chr., Taylor, Mich., Bill Brooks, pastor; the Twelve Ryan B.C. of Warren, Mich., Bob Lamb, pastor; and I ended up at the Faith Bapt. Chr. of Wauseon, Ohio, Roger Jones, pastor. After that service I went back to Fairborn to get Ursula and we made it back to Beulah, Ky. on Monday night to be re-

united with our kids and grandkids who were anxiously waiting to see us.

Word from Brazil is that everything is going well. The church at Altos do Coxipo is starting to build a wall around the building. All of this is financed with their local tithes and offerings. We have decided and the doctor has gone along with it to delay Ursula's bladder surgery for a couple of years unless it gets a lot worse. Hopefully, we will be able to maintain our schedule and go back to Brazil in March as planned.

We wish all a happy Holiday Season and thank all for your prayers and support. It has been marvelous so far.

In Him,
Harold M. Draper

DON'T FORGET THE WORK HORSE FUND

This is the General Fund.

Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
