VISIT TO KITALE ... THE LORD CONTINUES TO BLESS AND SUPPLY OUR NEEDS

By Mike Anderson

Limuru, Kenya, East Africa
 E-mail: brackenhurst@MAF.org

Dear Friends,

Pam & I hope you had a good year in the Lord this past year of 1996. We have continued to work hard on our language studies. We had our mid-term exams before we began our Christmas Break. Our break came at a good time because we were getting tired of studying so much.

During our break we took a trip out to Western Kenya to a town called Kitale. When we finish language school, this is where we plan to live and begin our ministry. I had the opportunity to preach in our church and Pam taught the Sunday School lesson. About 100 people were present for the services.

We also got to have our first meeting with the Kenyan pastors of the Baptist Faith Mission Fellowship of Kenya. All but one pastor showed up, because that one missing pastor was from the neighboring country of Uganda and it was hard communicating with him concerning our meeting. So we met with 4 of the 5 pastors. We had a good meeting but we have a lot of work ahead of us to do.

Also, while we were in Kitale, the Lord answered one of our prayers. We were able to find a house to rent. It is located in an area where other missionaries live. Also it is in a pretty secure place. The house is in the owners compound. He has a fence around it. There are iron bars on all the windows, he has 3 dogs and a night watchman. All of this security is necessary to prevent the rampant theft that abounds here in Africa.

Later, after returning, we spent some time with our missionary friends in the capitol city of Nairobi. The Lord gave me another opportunity to preach and share the Christmas story in our friends' church there.

Christmas was very different for us this year. Instead of cold weather, it was hot here. The seasons are reversed on this side of the world. Also, there were few Christmas decorations around here. Very few Kenyans decorate because most of them are too poor and there is also a large Muslim and Hindu population that do not believe in Jesus Christ. But many of the shops in town did decorate for Christmas. For Pam it was the first time for her to be away from familiar scenes and our loved ones. I had been a single missionary out here before but we both missed the wonderful experience of being with our families this Christmas. We had a keen awareness of the real reason for Christmas without all the commercialism.

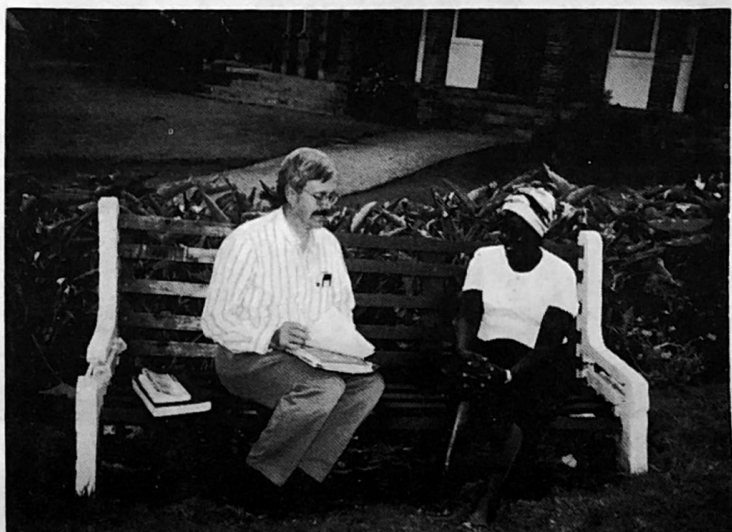

God was good to allow us to spend Christmas Day with some Canadian missionary friends who were in language school with us. They have 3 small children and it made Christmas for us much more enjoyable.

We thank the Lord for those who have given to our vehicle fund. We praise the Lord especially for a faithful supporter down in South Carolina who gave us a very generous gift to help with this project. Please pray for wisdom as we select the right vehicle for our ministry.

Pam and I continue to praise and thank the Lord for the privilege of serving Him here in Kenya as your missionaries. We are very grateful for your faithful financial support and prayers for this ministry.

We hope our Lord will richly bless each of you with a healthy, prosperous, and spiritually fruitful New Year in 1997 for His glory.

Servants for Christ in Kenya,
 Mike and Pam Anderson

People Saved in Most Services ... Special Services for Couples ...

By Mike Creiglow

 Cruzeiro do Sul, Acre

Dear Brethren,

The past few weeks have been very good for our work. After months of heavy activities working on special training and refocusing the church, we are back into our rhythm. That means back to widespread witnessing, people being saved and baptisms.

Although attendance has leveled off due to several factors (elections drawing near, hot summer weather, people moving out in droves, etc.), but even so we are having people saved in most services. Just last weekend we had another man saved at the penal colony, 8 professions of faith at our mission at Profeta and 4 more here at home - First Baptist Church. We had another baptism this month. I think there were 15 more this time.

Several months ago we started having regular couple's meetings. These are usually every 2 weeks and happen in homes. The number of couples in our church has been growing constantly. Brazil is a very young country regarding age of the population. Many of the children and teens that we have worked with and won in the 18 years that I have been pastoring the church have now grown up and married. These have also become soul winners and are bringing in new couples all along. This is exciting to see. Our church has a wonderful cross section of all ages. The next to last meeting with couples gathered 48 people. The last had 56. All the meetings are started with lots of food then followed by a lively Bible study. Some of our most faithful couples, who used to be strong Roman Catholics, had their first contact with the Gospel through these meetings.

I visited 2 more of our churches recently. I was with the Calvary Baptist Church at Colonia Sao Francisco. The building was almost full for the regular service. After the Sunday morning service we went to a creek nearby for a baptism. Fifteen were added to the church. One of my members went with me to visit the church at São Salvador on

their anniversary. We were with them for 3 days and held 4 services. The anniversary service was good with great attendance, but was somewhat spoiled by a bunch of politi-

The Hostage Situation . . .

1996, A Great Year . . .

Mission Grows-Need for More Room . . .

Dear Friends,

Anita and I want to thank each of you for your concern about us during the hostage situation here in Lima, Peru at the home of the Japanese Ambassador. The house is about one mile from us. It shocked us as well as the rest of the world. Please be assured that we are not in any danger. We thank you again for your letters and phone calls but most of all your prayers. Please continue to pray for the 83 hostages that remain. It's a tense situation. While most of the world has gone back to "business as usual" for those men and their families their lives are in grave danger. Perhaps by the time you get this letter it will all be over. I hope so.

1996 has passed into history, but its been one of the best as far as our ministry in Peru. We organized one church work in February and started another in September. The Bible Insti-

Preachers and Pastors in Lima, Peru, studying at the Bible Institute of Brother Sheridan Stanton.

tute grew to include 68 pastors in five cities. All in all its been a great year and we give all the glory and honor to the Lord. Anita and I consider it an honor to be used of the Lord here in Peru, and a double honor to be considered worthy of your support to the ministry here. We pray that God will be honored even more here in Peru during this year of 1997. May HIS richest blessings be upon you all.

Our son Josh got his leg out of the cast and his foot is mending well. He is enjoying his summer vacation at this time. Yes, I said "summer vacation." Remember that down here the seasons are the opposite. Our winter time here is June through October. So if you're getting too cold up there and would like to come and visit the works now is a good time. We love to have folks come and visit.

We really missed not having our daughter, Leah, with us for the holidays. We just couldn't afford to bring her down. Airfare goes up so much during this time of the year. Anyway, she spent the holidays with Grandparents, aunts, uncles, cousins and friends. She's having a good time but anxious to get back to school. (Can you believe it!!). Please remember her in your prayers.

The new mission work is going well. But we already need more room. Pray with us about this one. The house we're renting is for Pastor Carlos Estabridis and his family to live, and also we hold services in the living room. We've already outgrown this and we need more space. We're not sure at this time the Lord's will in what to do. But it looks as though we would be better off buying a piece of property and building. Pray with us about this one also.

Please remember to give to the GENERAL FUND of Baptist Faith Mission. Have you increased your monthly offering yet? Pray.

Serving the Lord in Peru,
Sheridan and Anita Stanton

Dear Brethren:

I shall declare this Mission Sheet Month, (11/12-12/18), the month of marriages. Saturday, the 23rd of November at the Chapel of the Ida Nelson Baptist School, I performed the wedding of Natanael Marinho da Silva and Keyla Pereira Fernandes des Santos. The groom is 26 and the bride is 22. Both are active members of the Petropolis Baptist Church. On the 30th of November at Novo Remanso, a double wedding! Ezio Rodrigues Froes, 22, and Maria das Gracas Nascimento, 38, and Joao Silva do Vales, 33, and Gleci Farias da Costa, 26. On the 7th of December at the 14th of December Baptist Church, Marcelo Gibbs de Farias, 25, and Rouse Waleske de Brito Canário, 21. Marcelo and Rouse are active members of the 14th Church helping us in the 29th of March Baptist Mission.

I conducted a funeral service in a home and we celebrated the 2nd birthday of the daughter of members of the 14th Church in a home and on the 2nd of December, I preached at the Calvary Baptist Church, Dr. Francisco de Jesus Dias, Pastor. The church was celebrating her 45th anniversary. I preached 5 times at the 29th of March Mission and two at the Vessel of Blessing Mission. Also, I attended six services when I didn't preach.

From the 6th of this month until the 16th, we were blessed with a visit from my niece, Caroline Sue Bratcher. She was on her way to the U.S.A. having served in the Peace Corp. in Lesouto, South Africa. On Saturday, the 14th of this month, in the waters of the Amazonas River in front of the New Jerusalem Baptist Church, Parana da Eva, I baptized 4 believers. Three from the Nova Remonso Mission and one from New Jerusalem. I afterwards preached to more than 200 people. Supper was served to almost 300. The Church was celebrating her 8th anniversary.

Plans for Youth Center . . .

Dear Friends,

Greetings once again from Cruzeiro do Sul. I apologize for not writing sooner; my only excuse is that I've been busy and didn't take the time to write. Returning home after 20 months in the states means lots of adjustments and lots of things to do to set up house again. Our vehicle and appliances were in pretty sad shape after setting so long and just about everything in storage had to be cleaned and disinfected to get rid of the musty smell. On top of all this Brenda got a kidney stone about 3 weeks after we got here. For about 6 days she was out of commission and in pretty bad pain, but the Lord was good and she was able to pass the stone. Things are now back to normal and we are busy at work.

The time spent studying at Lexington Baptist College was well spent. The knowledge and experience that I gained there is proving to be invaluable. I have begun training 12 adults to help with the youth ministry; we meet twice a week for 2 hours and I am teaching them the principles of youth ministry that I learned at LBC. This month they will begin to help train a group of adults at Primeira Igreja Batista de Assis Brasil one of our sister churches nearby that was started by my uncle, Bobby Creiglow, years ago. This group of 12 is excited about the vision we have for reaching the youth of Cruzeiro do Sul.

According to the latest statistics, 65% of the population of Brazil is under the age of 30 (105,000,000 people); approx. 26.5% (47,752,000) are adolescence between the ages of 12 and 25. And yet there is little training and programming done in our churches specifically for youth. We have a vision of reaching Brazil's youth by training and sending out youth workers equipped with a program ready to implement in Baptist churches all over Brazil. Please pray for this group as they begin to assume the leadership of our young people. We will begin our "Ministrio da Mocidade" and "Explosao Jovem" (Youth Explosion) in February after camp.

Since I first visited Cruzeiro do Sul in 1990 I've had the desire to build a youth center for our teens, and we are now beginning to realize this dream. Last month I was talking to our governor's son and told him of my plans to start a youth center here; he told me that the state had a lot of cement left over from its road construction and could possibly help us out with some cement. This month his father met with Mike and arranged to send 700 sacks of cement to help us begin construction. God indeed works in mysterious ways. But now we need to use this cement before it gets hard. To use it we need to buy steel, lumber, bricks, sand etc. We are starting plans here to raise money for this work, but it is a large project for our people and we could use your help. Our church has grown to the point where we don't have Sunday School space for our youth and this center would give us the room we need to carry on and expand our youth ministry. Please pray for this project and give as the Lord blesses you. I will tell you more about this project in the future.

In Christ,
Paul Creiglow

Permit me to share a problem with you. The wife of our evangelist of the Vessel of Blessing Mission is of the opinion that some folks are not attending the services there because of the fleas. They have fear of the fleas. The building was built on a lot in the forest. The building lacks the floor, windows, doors, etc. Pray for the Mission that the folks will not flee from

the fleas. I am praying that we will be able to complete the building in the next six months. If the Lord moves upon you to help us financially, we will be grateful.

May the Lord bless you during the New Year of 1997. We pray for many of you. Marie, my wife of 42 years as of the 27th of this month, sends her greetings. She is my faithful helper.

Yours in the Service of the Saviour,
Harold and Marie Bratcher

Great News from Brazil . . . National Workers Honored . . . A Question For Us All . . .

By John Hatcher
Caixa Postal 112

Dear Friends,

Good news, great news for you this month. The kind of news that makes the headlines in Heaven. David and Pennie have been with us for twelve days. He has given, two nights a week, a course in youth work to our seminary students. On the other days we have had up to three services a day in our missions. In Tabernacle church on Youth Night there were 80 persons present and six persons indicated they were trusting Christ as Saviour. On the following Sunday night at Friend's Night there were 100 persons present and several trusted Jesus as Saviour. There have been 15 professions of faith.

In Leopoldis mission an old man and woman, husband and wife, trusted Christ as Saviour. The man is over eighty years of age and has had a stroke. He and his wife underwent a transformation that night greater than "water into wine." The gentleman had to be helped

into the car when Valdir brought him and, also, when he took him home, but he was a new creature in Christ and joy shown on his face. He cannot talk clearly and is difficult to understand. But, now he is joyful and tries to sing the hymns. This couple's daughter, Vilma, was saved a month ago. What joy this family has experienced. It is a joy that Valdir and Sonia have experienced also, for having the privilege to bring them to Jesus.

On Missionary Night, December 1, 1996, we had a special service to honor and express our gratitude to the four men and their wives who pastor the five missions of our church. It was a lovely time of praise and worship. Each couple received a framed certificate that said:

The Igreja Tabernacle Batista of Cornelio Procopio,
State of Parana, gives this certificate as an expression
of love and gratitude to
EVERSON AND MARCIA CORREA
for your love and dedication in the work of the
Lord Jesus Christ in the Villa of Santa Terezinha
during the year of 1996.
Proverbs 20:6

Hope you will take time to look at the pictures of these lovely people and remember to pray for them. Up to this time there are six preachers in full time ministry and two who are called to ministry from the work here in Cornelio.

Will you ask God seriously this question? **What would you have me to do to help Your work in Cornelio Procopio?** Then, will you do His will?

Love,
John and Alta Hatcher

Thankful for a Great Year . . . Looking Forward to Bible Camp . . . Weekend Conference . . .

Dear Friends,

We hope that 1996 was as productive a year for you as it was for us. The Lord blessed marvelously! Charlene, Jessie and I have had excellent health all year. The ministries have grown and we see genuine spiritual growth in the lives of our church folk. We are looking forward to the challenges of the coming year.

We plan to participate in an annual family camp the first week of January. This camp is done in cooperation with the works of Bro. John Hatcher and Bro. Odali Barros. Several of the people that we are taking are still unsaved. We are praying that the daily contact with Christians and the multiple preaching opportunities will be used of the Lord to bring them to Christ. Charlene and I have been personally witnessing to them for some time and they show increased interest in the things of the Lord.

The students at the training center have their schedules filled with learning activities. We have 11 students this semester. We trust that God is preparing most of these for fruitful service in the work of the gospel. One married couple who is studying is already showing marked advances in spiritual growth. They set up Bible studies in the homes of their relatives who don't know Christ and share their faith with them. They both come from large families so this gives them quite a field of ministry already.

In a couple of weeks we will be hosting Bro. David Hatcher and his wife Penny for a weekend conference. Our church is in prayer and is out inviting folks to participate. We trust that God has a blessing in store for us through this ministry. Our youth are preparing a gospel skit to perform during this conference. They have been working on it for several weeks and still have more to do, but they are excited about the opportunity to share the gospel through another medium. This visit from the Hatchers will also be a special treat for

Edson and Maria Jose and baby Edson Jose. Edson and Maria were saved through the work in Garca and Duartina. Both attended the seminary in Garca.

Pastor Gilberto Stefano, wife, Valeria, and Lara from Galia Baptist Church, SP. Gilberto was saved and baptized in the work at Cornelio and Valeria was saved and baptized in the work at Galia.

our family during the holiday season. We hope that you all enjoy a wonderful holiday season also. May the Lord bless until next year.

1996, A Year of Blessings . . . Evangelistic Rally . . . Taking Young People to Camp . . .

By Bobby Wacaser
Rua Manoel V. Macedo 2281

Dear Friends,

What a year of blessings! From beginning to end it was full of advances in the service of the Lord. Our congregation continues to grow at a steady rate and nearly all additions are by new Christians. Yesterday was January 1st and we baptized two more adults. One was a cocaine addict that was saved this past week.

Last week we had an evangelistic rally in which three others made professions of faith in the Lord. Bro. David Hatcher and his wife Pennie were with us and used their talents to serve the Lord. We also enjoyed their company for the holidays.

We will be leaving on Monday to take seven to ten people to camp. Two of these are not saved yet but have been coming to church for about 4 months.

We gave a two week break to our students at the training center, but we plan to resume classes again in the second week of January. Charlene deserves a special award for all her hard work this past year so I gave her a big hug and some kitchen cabinets (the first in 12 years in Brazil).

Jessie will be starting kindergarten on the 12th of January. It doesn't seem possible that she is that old already. I guess I'm the only one that doesn't age.

We want to thank all of you who have been praying for us and have given toward our ministry so faithfully. May the Lord richly bless each of you.

In Christ's service,
Bobby, Charlene and Jessie Wacaser

Dear Pastor and Saints,

"I will praise Thee, O Lord, among the people: I will sing unto Thee among the nations." Ps. 57:9 We are seeing the Lord working in our church in a way as never before. For the first time the Cruz Bay Baptist Church has a strong witness among the "white" population on St. John. Almost all of these stateside folks come down here to "get away" from everything, which includes church and the Lord. However, the Lord has brought six (6) to a saving knowledge and they are faithfully attending our church. For the past two months our church services look like a "checkerboard." One third of all present are "white." To us it is reason to rejoice in our sovereign God.

The children's programs are showing attendance growth. The Sunday School has increased to 65, and our services to over a hundred. Sowing the precious seed of God's Word brings fruit in God's time. We request that you continue to pray for us to remain faithful. The Bible College opened its doors with four foreign students who are full-time, and 22 part-time students. The Christian Academy K4-Gr. 5 have an enrollment of 40 children.

cians who came into the village with loud speakers (and booze, dancing, immoral music and so on). Let me remind you that to get to this village it is necessary to travel for hours in a canoe. Even though it is so far back in the jungle these politicians hear about the crowd that will be present for the church anniversary and show up to throw things into an uproar. Even so, there was one profession of faith.

Well that is about it for now. Actually this all is a pretty good routine to fall back into. May God bless each and every one of you. Let me thank everyone for the faithful support in prayer and finances.

In Christ,
Mike Creiglow

NEWS

(From Page Four)

On September 26 I will be going to Guyana to be with Bro. Punalall. This work has been a mission of our church. It shall be organized and the church building dedicated.

We thank you for your financial support that enables us to reach out to these West Indian Islands with the glorious Gospel of our Lord Jesus Christ. Do continue to pray for us that we shall not grow weary. God bless you.

Yours in the Service of Christ,
Emmanuel Jaggernauth

DON'T FORGET THE WORK HORSE FUND

This is the General Fund.
Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
