"The Lord bless thee and keep thee: The Lord make His face shine upon thee, and be gracious unto thee: The Lord lift up His countenance upon thee, and give thee peace."

Dear Friends,

Numbers 6:24-26

We hope you are all doing well and enjoying the blessings of the Lord. The Lord has certainly been blessing us, and we are so thankful to Him.

Praise the Lord! This past week we finished our Swahili language school studies. The Lord helped us as we took our final written and oral exams. The Lord did help Pam to do very well in her studies, in spite of her handicap with her eye problem. Even though we have finished our formal language studies, we will still need to keep studying the Swahili language, so we can keep building on the foundation we have laid so far in our studies. We know that all our struggles to learn Swahili will help us be more effective in our ministry here.

We are now in preparation to move out to a new home and ministry in the town of Kitale, in the Western part of Kenya. But we will not be able to move out until we complete our business here in the capitol city of Nairobi. We still have some paper work to do that we have not been able to complete.

Also, we are in the process of ordering our ministry vehicle. We are trying to get it without having to pay an import tax. Our used 4-wheel drive vehicle, is being shipped from Japan, since they don't make vehicles here. Many of the missionaries here get their vehicles this

Many Students Saved and Sharing the Gospel . . . Gang Leader Saved . . .

By Paul Hatcher
 E-mail: hatcher@buriti.com.br

Friends,

January is one of the busiest times of the year for us. Careful teacher recruitment and training is essential for the school year to run properly. The Day School enrollment has increased by 20 percent. We are also expecting a large increase in the Institute and College enrollment. On the first day of school eight seventh graders professed publicly their

faith in the Lord Jesus. By the end of the first week twenty-nine students had made professions of faith in the Lord.

The saga continues. During the second week of classes, one of the students shared her testimony with her class. The night before she had shared the gospel with an aunt who responded by trusting Christ. The following day a mother came to talk to her child's teacher about her spiritual condition because this 11 year old had shared the gospel with the whole family. Kids are encouraging us to be bold about the gospel of our Lord.

The new mission at São Jose is doing great. This is certainly a place that needs spiritual direction. For several months, the neighborhood has been the setting for gang wars. The

way. Please pray that we can get our vehicle into Kenya without theft or damage and without a lot of hassle with government regulations.

Pam and I are looking forward to soon getting more into our evangelism and church planting ministry. Pray for us as we meet with our Kenyan pastors and plan what steps we will take to carry out our ministry goals.

Please remember to pray also for our children, Sara and Nathan. We are hoping that they can come out to see us this Summer, Lord willing. Pray especially for Nathan, that he can find a place here to fulfill his internship requirements for his communications major at Cedarville College.

Pam and I are thankful to the Lord that He has blessed us with good health, protection, and He has continually been providing for our needs daily. We want to thank you for the blessing of your friendship, support, and prayers.

May the Lord continue to bless you and yours throughout the rest of 1997. Thanks to many of you who have written. We will try to respond to your letters better, now that we have completed language school.

Grace and mercy be upon you all.

Servants for Christ, Mike & Pam Anderson

evangelism and discipleship team working in this congregation has witnessed shotgun firing and fights. We think we are in the right place. God has certainly protected the team. A week ago, an entire gang came and attended a complete service. We are praying that the community will be won to our Lord, as no one is beyond God's grace. Last Minute Up Date: One of the gang leaders and his wife got saved! He is being hunted by another gang for cutting off a kid's fingers in a gang war. God's grace is truly marvelous. Pray that the entire group will get saved. Pray for protection for the Tabernacle Evangelism and Discipleship Team working in this community. Sunday, eleven new believers were baptized.

A few months back, the mission at Zumbi dos Palmares was having problems with teen street gangs. No one could get into the church building, the neighbors could not get in and out of the street at night. The church worker began to pray. The Lord gave an opportunity with the gang. The result was that the leader of the gang got saved and the gang broke up. Praise the Lord!

We thank you for your prayers for the work in Brazil. Continue to pray that the gospel will be taken to all Brazil and that God will give us greater boldness to share the Gospel. Thank you for your generous support to us and all the missionaries with Baptist Faith Missions.

Love, Paul and Wanda

Enjoy Visit from John and Alta Hatcher ... Planning Leadership Conference ... Bittersweet News ...

Dear Friends,

We are feeling a bit refreshed as a result from a visit by Bro. and Sister John Hatcher. It has been several years since they have been in our home and it was a real treat for us to have them. We hope they had as good a time as we did.

Bro. Hatcher and I took advantage of the time together to work out some of the details for the leadership conference that his church will be hosting at the end of the month. We plan to have the participation of some 20 pastors and/or preachers and teachers presenting their successes, failures and lessons learned in ministry. We hope to gain insights and ideas that will help us to do our works more effectively in the near future. It is Bro. Hatcher's and my goal to double the number of preaching points within this year. With the combined efforts and knowledge of all these dedicated workers this is a very real and accessible goal. We, of course, realize that we are dependent on the Lord for the success of this endeavor, but we already know from His word that to get the gospel out to the lost is His will.

I have been especially thrilled with one of our minister trainees. Our adolescents approached him with the desire to begin a ministry specifically directed at kids of their age. He accepted the challenge and has been heading up that work for about a month now. It is composed of Bible studies and outreach activities to bring in new-kids-on-the-block. The neighborhood that they live in is always having new families arriving. Their goal is to be the first friends and influences on those that are coming in. I'm pleased with the originality and dedication that they are showing. May the Lord bless their efforts.

We received some bittersweet news last night at church. Mrs. Rosa, the mother of a lady who had been attending for several months, passed away. The sweet news was that she had trusted in the Lord before going on. It appears that her death has also been a positive influence on her daughter who had recently begun to miss services. We hope that this influence continues to work as a means to bring her completely to the Lord.

In my next letter I hope to include some pictures of the training center in progress and some of our activities in the work. Stay tuned!

Your's in our Lord's work,
Bobby, Charlene and Jessie Wacaser

Coming to Spring Conference ... Bible Institute Growing ... Need For A Lot To Build On ...

Dear Friends,

My wife, Anita, and I will be coming home to attend the Spring conference in Lexington, Kentucky! Our home church, Jordan Missionary Baptist Church of Sanford, Florida, Pastor George Sledd, has decided to fly us back to the States in order to attend the conference. We got a great deal on the tickets; two for the price of one! Now we get to see our daughter, Leah, again. I haven't seen her since last July. Hope to see you all in Lexington!

The Baptist Institute of Biblical Studies has grown even larger. I picked up a few new preachers to study out in the northern jungle city of Iquitos during a class the last week of January. There are around 75 preachers and pastors studying now. The week of the 10th thru the 14 I was in Tingo Maria (foothills of the Andes Mountains) for a class on Baptist History. I've been back for one week to our house here in the capital city of Lima which is on the Pacific coast. Monday, the 24th finds me flying out to the central jungle town of Pucallpa for the last class of Bible Doctrine with the pastors there. Needless to say, the pace is very hectic but the blessings are abundant. Will you pray about helping us on the cost of books and materials for the Pastors studying in the Institute. A few churches have helped so far with

Brother Stanton with Pastor Francisco of the Grace Baptist Church in Aucayacu, a jungle town in Peru.

the bulk of the help coming from our home church, Jordan Baptist in Florida. Books are expensive and so far we've been able to provide the books for each one. Please give to the "Stanton Institute". Thanks.

The Ebenezer mission here in Lima is coming along well. Pastor Carlos Estabridis and his wife Isabel are willing and capable workers. It's a joy to work with them in this new work. Our only problem is that we are in desperate need of more space. The house we have rented for them to live in is just not big enough any more for us to hold services in the living room. Would some church or individual like to donate four or five thousand dollars so we could buy an empty lot and put a roof over it? The need is great but our Lord is far greater!

Anxious To Return To Brazil ... Preach In About Fifty Churches In Nine Months ... Attend Services For Dempsey Henderson ...

Dear Brethren,

Another eery busy month has past. The Lord has been so good to us. We have once again visited several churches and have preached and told about our work. After leaving the Winter Conference at Park Ridge Baptist Church, I stopped at the Temple Baptist Church in Ocala, Fla, Stephen Bratcher-pastor; while in the area I was in the Grace Bapt. Chr., Tommy Smith-pastor. This church put me up in the Days Inn Motel in Ocala for two nights. Both churches fed and took good care of me. On the first Sunday of this month we went to the Bible Baptist Church in Clarksville, Tenn. where I was ordained into the Gospel Ministry with Emmitt Sexton-pastor; On the 9th we were with the Victory Baptist Church in Wickliffe, Ky. with Larry Fraser-pastor; and I just finished a week's meeting at the North Ballard B. C. with Billy Harrison-pastor. We want to thank all of these churches for your support and interest in our work.

I called one of the men at the Altos do Coxipo Baptist Church where I am still the missionary-pastor and found out that all is going well. The church is growing a little and has not suffered any major problems so far. We are starting to get anxious to go back to Brazil. We are now waiting for the doctors to diagnose and medicate Ursula's heart rhythm problem. We will definitely get gone in May. It looks like I may preach about 100 times in over 50 churches for the nine months I will have been physically able to preach. Your interest in the mission work and Christian love toward us is marvelous!

All were shocked to hear of the death of Bro. Dempsey Henderson, Missionary to São Luis, Brazil. Yesterday Ursula and I went to the graveside services in Mayfield, Ky. We also went to the Memorial services there on Saturday of last week. We saw so many of our preacher brethren there. It was a joyous occasion as well as a sad one. He was promoted and we were left behind for now. He will be missed by all. May the Lord bless his bereaved friends and family; and especially the churches and Brazilian brethren he worked with so long. Let us all pray that the Lord will give them the wisdom and dedication to carry on that great work.

Do pray for your missionaries and their families. Without dedicated wives and children a missionary is greatly hindered. I thank the Lord for my family that has always supported me in this great ministry the Lord has given to me. Pray for us. May the Lord bless you all.

In Him,
Harold M. Draper

My wife, Anita, is doing fine. Just as excited as I am to be able to see our daughter in April! She continues to be the best wife a man could ever ask for and a real blessing to the work with all of the Sunday School material she has developed. Our son Joshua is now eighteen and is high up in the Andes mountains white water rafting with a friend. He is due back tonight. Our daughter Leah has a heavier work load this semester at Berea College but she's doing well and is singing in the College Choir. They travel to Washington D.C. to perform over her spring break. Needless to say she's excited about the trip. That's about all the news for this month. May the Lord continue to bless each and every one.

Many Trips Made On The River . . . A Month Of Weddings . . . Pray For A Young Boy Needing Surgery . . .

Dear Brethren:

Yesterday and today, February 20th, I have reviewed the happenings of the days since January 19th.

During this "Mission Sheet Month" I preached 21 times. On more than one Sunday and each Wednesday night I preached at the 29th of March Baptist Mission—a total of 8 sermons. Four sermons were preached at the São José de Amatari Baptist Mission where João Portela Tuanama is the lay pastor. Marie, (my wife), and I arrived there by boat (an 8 hour trip down the river from Manaus) Thursday night, January 30th. The next day we celebrated the 13th birthday of Keliane Moreira da Silva. A few hours after her birthday dinner we walked to the river where she and Jaciane Fernandes Araujo, 12, and Dona Raimunda Viana Vieira, 52, were baptized by me. "Buried with Him in baptism, raised to walk in newness of life." That night I preached to 40. Saturday night 61 and then Sunday morning 40 and Sunday afternoon 20. There were some 6 rededications in the Sunday services.

And now a word about the weddings—four of them! On the 19th of January at the 29th of March Mission, I performed the wedding of two believers from the interior, Janauaca. On the 24th of January another couple from Janauaca were united by me in matrimony at the 14th of December Baptist Church. On the 11th of February at our home another wedding—a widower, Ednilo Dantas Atem, 37 and Silvane Ferreira da Silva, 20, single. Two days later at the Vessel of Blessing Mission, 51 people present, Antonio Rocha da Cruz and Maria Julia Gooalves, 31 and 30, were united in marriage by me. The three year old son of the newlyweds is needing an operation that the doctors here in Manaus have refused to perform. In November of last year a doctor from Alabama, Dr. Goode, examined the child and told us that he would arrange for the boy to be operated on in the U.S.A. He promised to pay the plane fare, etc. Pray that we will be able to obtain permission from the Federal Police for the mother and son and infant daughter, Moises and Miriã, to make the trip and that the operation will be successful. An American missionary, Mrs. Doris Jean Bellington, will accompany them.

On the 25th of January I preached at the 23rd of July Baptist Church. At the request of the pastor, João Bosco Brasil de Sousa, I preached on the Second Coming of the Lord. An estimated thirty people were present.

On Sunday morning, February 9th, I preached in the absence of the pastor, Asa Mark Bratcher, who was traveling, to the 222 people present. The attendance was down due to "carnaval" when many believers leave the city.

One more trip and we'll call it quits. Marie and I with a young man, Edson, from the 14th of December Baptist Church, left Manaus on the "Cidade de Coari" boat at 15:45 on the 14th of this month and 23 hours later we arrived in Coari. There at the Faith Baptist Church I preached to 41 people present Saturday night and 25 Sunday morning and 55 Sunday night. Pray for the health and safety of the pastor, Atadeu Ribeiro dos Santos. I saw more young men drinking strong drink there than in any of the other towns and cities of the interior where we have visited and preached.

We once again have shared with you the blessings that the Brachers (Harold and Marie) have received here in "Brasil." We thank you dear saints of the Saviour for your prayers and your offerings to Baptist Faith Missions. Oh, folks of the Father, continue to give to the Regular Fund especially. We will continue to trust the Lord and through our monthly Mission Sheet letter, tell the people of the Lord about our needs. We need the prayers of those that we love in the Lord and that love us in the Lord. Pray for us.

Yours in the service,
Harold and Marie Bratcher

The three baptized see the Mission Sheet letter for their names - São Jose de Amatari.

Skin Cancer Removed . . . Report From Nova Fatima and Primavera . . . Nine Baptized . . .

Dear Friends,

I am not the man I was when I wrote you the last time. On the 5th of February Alta and I drove to the Cancer hospital in Jau, about 500 miles round trip to have a place on my left ear examined. We arrived the afternoon before the appointment and I went to the hospital to see where I should be the next morning. The girl at the office said, "The doctor can see you today if you would like." He did and the next day at eleven in the morning he was hacking away at my ear. It was a piece of pie. That is, he cut out a wedged shaped piece of my ear about one-half of an inch wide and three quarters of an inch long then pulled the top and the bottom of the ear together and sewed it up. The ear has healed well and I am sure the skin cancer will not be missed.

New Work in Nova Fatima - The work is going well. Sunday before last in all of our works there was a total attendance of 200. A new work has been started in the city of Nova Fatima, 20 miles from Cornelio. We began with a six day evangelistic campaign. We are looking at property and hope to buy soon.

Primavera - Tonight Valdir has the weekly service in Primavera. These services have been held in a home. Last week he was advised of a property that is for sale. Hopefully, tonight we will be able to buy the property, the Lord willing.

Nine Persons Baptized - On the morning of February 23rd, I baptized three young people in the morning service. That same night I baptized six more young people.

We need your prayers; we need your financial help and we need some godly dedicated missionaries. There is much more to tell but I will save it for next letter.

In Christ,
John and Alta Hatcher

Great Missions Conference . . . National Worker Ordained . . . Quarterly Preachers Meeting A Blessing . . .

By Michael D. Creiglow
Caixa Postal 24 69980
Cruzeiro do Sul, Acre BRAZIL

Dear Brethren,

Well after a couple of months of traveling and visiting our churches and mission points, I have finally stopped at home for a few days. Getting caught up on work left unfinished here and going ahead with a number of new jobs has kept things hectic.

The high point this month though was our annual mission conference. This year we brought Brothers Sullivan and Marcos from our church in Rio Branco to share in the preaching. We also brought Brother Esli and family from Manaus to help with the special music. There was a good group of members from our church in Rio Branco for the 5 day meeting. Of course, we had many of our preachers and workers from the other sister churches, from near and far.

Some of the best news from this meeting was the ordination of my associate, Brother João Vicente. He has been working side by side with me for literally years, but had been hesitant about his ordination. The interrogation was quite thorough and he passed with flying colors. We also had some more folks saved, which is always good news, but is really great when it happens when you are working directly with your church on missionary zeal and vision.

We also had our quarterly preacher's meeting with really great reports from our own missionaries and other preachers from their churches. Brother Raimundo Viara gave a glowing report of his last three trips to 3 different rivers. Several more people have been saved at the Tejo, Juruá Mirim and Ouro Preto Rivers. A new building was built at Juruá Mirim. Brothers Raimundo and Sebastião sawed the lumber with the help of the local Christians. The men I just mentioned are full time missionaries who work together and are sent out by Faith Baptist Church and First Baptist Church. Our church helps Faith Church with their mission projects by buying all of the fuel for Brother Raimundo's trips. Brother José Maia's report was great, too. He has painted the building. A few more have been saved at

MISSIONS

(From Page Three)

Thaumaturgo since my visit there in May. José has managed to purchase a fixed frequency radio to communicate with the Missionary Aviation Fellowship base here in town. By doing this he is serving the community with communications that the local authorities have not provided. By being able to call the plane in for emergency flights he has saved lives. Brother Mario's report from Porto Walter was just as good. Besides more professions of faith he has won the confidence of the mayor and other city officials. In fact his testimony is so good that these people are backing away from the priests and listening to what Mario has to say. This is a great victory is the most Catholic village on the Juruá River. We heard reports from some 20 other preachers and had over 40 preachers and lay workers present for these meetings.

Our church is trying to set the pace for missionary zeal and vision in this part of the state. Fortunately it is spilling over to other parts of the state and country.

Thanks again for your support and God bless.

In Christ,
Mike Creiglow

WHERE TO SEND OFFERINGS

DON'T FORGET THE WORK HORSE FUND

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
