ANNOUNCEMENTS

away June 6th. For years Brother Humphreys led the singing on Thanksgiving morning of the Thanksgiving Conference. He also worked for many years helping to mail the MISSION SHEETS. May God's blessings be upon his wife and family. He will be missed.

Pastor, one of the best ways to get your people interested in missions is to have missionaries visit and tell of the work God is using them to do. We have three missionaries who will be coming home on furlough this summer. Plan now to have one, or all three of them, visit your church so that your people can meet them. You will be blessed by such a visit.

When Brother Draper returned to Brazil he was out a good bit of expense getting his house back in living condition. Is there a church or individual that would like to help him with this expense? If so, mark your offering "For Draper Household Needs," and mail it to Baptist Faith Missions, P. O. Box 144, Livermore, Kentucky 42352.

Brother Mike Creiglow has purchased some much needed equipment for the work in Brazil: A television camera, computer, etc. He does not have enough in his New Works Fund to pay for these things. Is there a church or individual who would like to help him pay for these? Mark your offering for "Mike Creiglow Equipment" or "Mike Creiglow New Works Fund" and mail it to B.F.M., P. O. Box 144, Livermore, Kentucky 42352.

Dear Brother Archer and B. F. A. Family: Once again we feel it is time to increase our regular offering. ••• We were made to realize as we read the "Special Founder's Edition" of the Mission Sheets that our missionaries are giving their all, so certainly their support should be our #1 priority. We truly believe the time is short. to reach "Souls for Christ"-by way of comparison earthly concerns fade. May God continue to bless and keep our Brothers and Sisters in the Lord.

Good Attendance At Church . . . A Sudden Death . . . Importance Of Giving To Missions . . .

By A. M. Bratcher Caixa Postal 23 Manaus, Amazonas 69061-970/Brasil S.A 011-55-92-663.1521

Dear Brethren:

Time has flown by as usual, but the Lord's sustaining grace is continuous, day after day. He is continuing to bless the work here in many ways. Our Sunday School attendance has been steady between 350 and 400. Since changing the evening worship time from 7:30 p.m. to 6:30 p.m., the attendance has increased significantly. Our high was over 500 on Easter Sundance has increased significantly.

On The Border Of Peru ... A Blessed Interruption . . . Paper Stained With Blood . . .

By Michael D. Creiglow Caixa Postal 24 69980 Cruzeiro do Sul, Acre Brazil

Dear Brethren,

From where I am writing this letter, it is literally just a stone's throw to Peru. The plaque with the name "BRASIL", is to my back, and marks the border between Brazil and Peru. The Breu River follows the border on the south side of our state. It is so shallow, you can wade across and almost spit across. It dumps into the Jurua right here at the border village that I am visiting. The Jurua River itself is so narrow here, that you could toss a stone to the other side, if there was a stone to toss.

This morning, I left the school building, where I am staying, to read my Bible and pray, out in the jungle. A flock of parrots were eating in a tall tree just over my head. At the same time, I could hear toucans piping away, not far from here. In these times of very busy sched-ules and endangered species, these moments are rare.

Baptism at Cruzeiro do Sul

Yesterday morning, we flew in here with a team of doctors, dentists and nurses, to make our yearly visit to the upper Jurua. The team has 2 doctors, 2 nurses, 2 dentists, the pilot and me. These people come from all over the country to volunteer their services once a year. Each year, we have some new members. These people are all dedicated Christians who give of their time to treat people's bodies and souls. It has been great to see how the village people recognize the difference between

saved doctors and lost doctors. For one thing, the lost doctors never come here and another difference is that the lost doctors are always rude and often mean.

We held our first service last night. There was a good group present. Several of those who were here last year and made professions of faith were anxious to confirm their faith in Christ. One more lady was saved during the service.

A few minutes ago, I interrupted my writing to witness to a young man. He trusted Christ right here under this mango tree. He was concerned because he cannot read or write, but I assured him that he can still be a productive Christian. I showed him some of the things he can do to help promote the gospel here. His discipleship has already begun. I am going to be in his home this afternoon to meet his wife and hopefully share the gospel with her.

This trip is to be eight days. Hopefully, many more will be saved.

Well, in all fairness, there is at least one more thing I must tell you while you finish packing your bags to come down here and help us win this part of the world for Christ's kingdom. You won't see it in the mission sheet, but the paper on which I am writing is stained with my own blood. The insects are in a biting mood and each time I put down my hand on the paper some of them get caught, giving up their lives and my blood. Oh well! I got used to them, so you can, too.

Come on down

In Christ, Mike Creiglow

Busy Preaching ... Coming Home On Furlough ... **Eager To Visit Churches...**

By Harold Bratcher Caixa Postal 227 69.011-970 Manaus, Amazonas Brazil, S.A. Tel: 011-55-92-611-2331

Dear Brethren

Once again this side of eternity, we (Marie and I), greet you in the name of the Lord Jesus Christ-"Precious name, oh, how sweet, hope of earth and joy of heaven . . ." May you, dear reader of this, our letter, always "take the name of Jesus with you." Let us go back to May 24th and arrive today - June 26th.

Saturday night (24th) and again Sunday night the 25th I preached at the Japaiim Regular Baptist Church. I brought missionary messages. On that Sunday morning I preached to the 38 people present at the 29th of March Baptist Mission and again on Wednesday the 28th to 23 people present.

May 31 - We attended and I assisted in a wedding at the New Jerusalem Baptist Church in the interior. The Bride and groom are both members. We had to have the local judge perform the ceremony due to the fact that the bride is under age. The church was "full and overflow-ing." The groom, Erasmo da Silva Riheiro, is 26 years old. His wife, Joana D'Arc Oliveira dos Santos Ribeiro, 15 years old. Let us hope their love for each other will "cover a multitude of

Brother Harold Bratcher in a usual pose, with a book in his hand

years." Sunday morning I preached to 78. That afternoon in the home of the son of an elderly couple - Eduardo Feitoso da Silva, 58 and Maria Helena Baptista da Silva, 54, I performed the wedding ceremony with just a few people present. This dear couple discovered after 35 years and 14 children that they were not married legally. A priest performed the ceremony

June 5 - I preached tonight at the Vessel of Blessing Baptist Mission to the 25 present. Two women asked for baptism.

June 7 - Ediberto Ribeiro da Silva was examined by some 12 of us pastors as a candidate for the gospel ministry. He passed.

June 8 - I preached to an estimated 55 people at the Agape Baptist Church. The pastor is

Oliveira dos Santos

Presenting Harold and Marie Bratcher

Saturday night the 14th - I did something for the first time in my ministry. I have performed double weddings before but never a brother and sister both children of Deacon Zilmar Cardoso Almeida dos Santos. His son Orismar, 18, married Daniele, 16, and his daughter Erica, 17, married Sarquis, 18. May the two young couples live happily ever after.

June 22 - I preached at both services at the

29th of March Baptist Mission. 35 in the a.m. and 22 in the p.m.

Saturday the 21st at 13:00, some 140 of us from Manaus, representing six or seven Baptist Churches, arrived at the New Jerusalem Baptist Church in the interior. That night some 461 people were present for the ordination service of Ediberto Ribeiro da Silva. The service was held in the open air. Asa Mark Bratcher brought the message. The next morning after preaching to 82 I called the church together for a special Business Meeting. I resigned as pastor and Ediberto was called as pastor. That night I preached at Novo Remanso and we had two rededications

Once again Marie and I are completing another term on the "Mission Field,"—our 8th. The Lord willing, Marie and I will fly away from the land of eternal summer to the U.S.A. on Monday the 28th of July. Our plans are to spend a few days with our son Stephen, Saleth, and Stephen Matthew. Stephen is pastor of the Temple Baptist Church in Ocala, Florida. We will then go to Kentucky on or before the 4th of August. We do not know where we will be living on our furlough so if you wish to contact us do so please at Jim Orrick's address or

A few days ago Pastor James Dargavell called us by telephone inviting us to preach at his church, Fellowship, Richmond, Kentucky, and asking us about our needs. Thank you, Brother Dargavell and "go thou and do likewise.

For the work of Baptist Faith Missions to go on until the battle for Christ is won, we must continue to contribute to the Regular Fund.

We were blessed by the Historical Issue of the Mission Sheets. We congratulate Editor Jim Orrick. Please permit a correction. Brother Nelson's name is Erick A. Nelson.

May the Lord's richest blessing be upon all of you.

In the Service of the Saviour, Harold and Marie Bratcher

Outreach In A New Neighborhood ... National Worker A Blessing ... News About Adoption . . .

By Bobby Wacaser Rua Manoel V. de Macedo 2281 81170-150 Curitiba, Pr. Brasil Ph. 011-55-41-347-1058 E-mail: wacaser@softball.com.br

Dear Friends.

Our outreach efforts at the new work of Vila Verde will gain an extra boost next Saturday. All of our teens are planning to meet at the sports complex and mix in among the resident youth. Their aim is to establish links that will open doors for evangelism and discipleship. We hope to make this a weekly affair as we pray for a place to hold meetings and to

establish a church in that neighborhood.

The classes at the Training Center are going very smoothly and the attendance remains steady. One notable student, Sandro, is a joy to work with. He attended church for two years before he professed Christ as his Savior and was baptized. It took another six months before he had the courage to pray publicly. Now it appears that nothing can stop him. He uses his 76 VW Beetle to make two trips weekly hauling his neighbors to church. He preaches every other Thursday night. He owns and operates a furniture upholstery business and is presently disciplining a young man that works for him. He has been taking guitar lessons for several months and hopes to use this new talent in some of our outreach programs. I thank the Lord for him and pray that the Training Center will be blessed to equip others for this the Lord for him and pray that the Training Center will be blessed to equip others for this type of ministry.

Something else to pray about: A few weeks ago I received a phone call from a young lady

whom I don't know personally. She found out that we have an adoptive daughter through one of our church members who works with her. She is unmarried, but expecting a baby in just a few weeks. Our church member friend told her what kind of life our daughter, Jessica, has and what kind of life she might have had if we hadn't adopted her. The expectant mother decided that this is the kind of life that she would like for her child to have. She doesn't believe that she will be able to provide that herself. There are some other factors involved, I'm sure, but I just want to be sure to accept what God has for us. Please pray with us about the matter because the girl may back out at any moment up till the adoption. This makes Charlene a little apprehensive about preparing herself and her home for the baby's arrival. May the Lord bless you all. Thank you for your prayers and faithful support.

Your's in Christ.

A Busy, Busy Day . . . Catch A Thief . . . Youth Teams Very Active ...

By Paul Creiglow Cruzeiro do Sul, Aca Brasil S.A. 69980 011-55-68-322-2058

Dear Friends,

Last Saturday started out like any other Sat . . . busy! Saturday is ministry team training day and youth night (more on these in a minute). We begin our first meeting at 9:00 AM and finish our last group at about 5:30 PM stopping only for a quick lunch, and Brenda is at the church all afternoon making sandwiches and pizza for our cantina, which we open after youth night. Youth night begins at 7:30 PM and we usually close the cantina at around 11:00 PM and start cleaning up which gets us home around midnight. But last Saturday was a little more interesting than normal. Brenda left the church at 5:30 to go home and get ready for youth night and when she returned at 7:00 someone had broken into the building and stolen some of our pizzas and sandwiches and a few other little things, but nothing of any real value was stolen. We had a great youth night with over 200 teens in attendance, we cleaned up after everything around 11:30 and went home to bed. The next morning we got a call from my cousin's wife saying that the thief had returned around midnight. This time one of the neighbors heard him and called the pastor's house; Mike's son, Andrew, went over to the church with a few firemen (our church is in front of the fire station) and they caught the thief, a 15 year old boy. Andrew asked the firemen to keep him at the station until the next day and went back home to bed. Sunday morning Andrew, 2 men of the church, and myself met with the boy and his mother. Both mother and son claimed to be Christians and members of a Pentecostal church here in town but after talking with the boy for a few minutes it became clear that he was not saved. I asked one of my adult youth leaders to take him in another room and show him the plan of salvation and about 1/2 hour later the young man came out of the room a different person. He came back to church that night and went before the church asking them to forgive him for what he had done and told them that he had received Christ as his Savior. The next day I was at the church and he came over and asked me how much he owed us for the damage he had done and the things he had stolen; he said he didn't have the money to pay it back yet but he wanted to start paying it. The next night, he went with our group of teens to Assis Brasil to help us with youth night. I have never seen a brighter smile on any face in my life than this young man has now; I love the way my God works!

The ministry is still going great. We have had over 200 teens at youth night every night except 2 since we started in February; the other 2 nights we were lower because of rain, yet we still had over 150 teens. In the past, on rainy nights we usually locked the doors and went home because only a handful would show up but now they come rain or shine. Since February we have had 48 young people make professions of faith with almost all of them coming faithfully Sat. night and most of them coming to the other church services as well. But youth night is just one part of what is happening in the youth ministry here; the most exciting thing for me are our ministry teams

We now have over 60 teens involved in ministry teams. These teams include a 15 member praise team (musicians, singers, and sound and equipment personnel) that provides all the music for our youth nights on Sat. at our church and Tues. in Assis Brasil. A 15 member theater group that is working on a play for mother's day which will also involve an original song performed by the praise team and a video of street kids here in Cruzeiro do Sul produced by our video ministry team. Our Video / Multimedia team has 6 members that are producing a 10 min. report on alcoholism. They went out at night and filmed the 'night life'

Twelve People Saved ... Waiting For Vehicle . . . A Friend Dies ...

By Mike Anderson P. O. Box 4150 Kitale, Kenya, East Africa Phone: 011-254-325-31316

E-mail: BFM-Kenya-Anderson@MAF.org

Dear Prayer partners,

Greetings from Kitale! We have much to report as to our activities for this month but I will do my best to be brief.

I have preached in 3 of our fellowship churches this past month. The Lord blessed in the meetings, because it was reported to me that 12 people had gotten saved. Also, just this past week end, we had another pastor's fellowship meeting. We now have 6 pastors and 7 churches in our fel-

lowship. Please pray that the Lord will bless as we work together to serve Him here in

We want to thank many of our supporters who donated clothes for Kenya. We were able to give every one of our pastors a suit of clothes. They were thrilled and they thank you too. I have been here in Kitale getting our house ready to move into and to be our ministry center. Pam is still in Nairobi staying with friends while she goes into a local hospital to get treatments for her eyes. I will go into Nairobi tomorrow to pick her up and bring her back to

Mike with 4 of the 5 Kenyan Pastors in the Baptist Faith Mission Fellowship of Kenya

Kitale. It is a 5 hour trip one way. Please continue to pray that the Lord would see fit to heal her eyes, if it is His will.

Pam and I are very excited about our son, Nathan coming out this Summer to be with us and also he will work in a ministry in Nairobi. We want to thank our home church, Calvary Baptist Church in Hurricane, West Virginia, for helping Nathan financially, to be able to fly

You are not going to believe this, but we still do not have our vehicle yet! But our agent has loaned us a car until our vehicle does come in. Please pray that we will get a good, reliable vehicle duty-free soon.

Please note that we do have a new phone number: 011-254-325-31316.

I would like to close with a sad bit of news. Pam and I had a good friend while we were at language school named June Nicholson. She was a single lady who worked in a children's ministry. This past week she passed out in front of her house and died. So far it has not been reported to us the cause of her death. Please pray for her family during this time. Her sister had planned to come out to see her next month.

Thanks again for up-lifting us in your prayers, it means so much to us to know that you

Sincerely in Christ, Mike and Pam Anderson (I Cor. 15:57-58)

Back In Brazil . . .

Greeted By Roaches and Rats... Thrilled About Condition Of Churches ... A Big Disappointment . . .

By Harold M. Draper Caixa Postal 3039 78.060-200 Cuiaba, Mt Brazil, S.A

Dear Brethren,

We are back in Brazil. We had a long, tiring, but uneventful trip. We got through customs okay. All of our flights were on schedule and about 30 of our dear Brazilian brothers were at the airport to meet us. We arrived home about midnight to find our house full of roaches and rats. It seems the people who stayed in it weren't quite as clean and responsible

as we had believed. We have been cleaning and fixing appliances etc., almost around the clock. But all is about to return to normal. I have been working on the cars also. Yesterday I got one running.

As for as our mission work is concerned we are thrilled to see the way most of the work here in the State of Mato Grosso is holding up or growing. At the church where I am still missionary pastor the church banded together and grew in grace and knowledge of the truth and a little bit in number. The work in Novo Diamantino which has been our chief concern is showing signs of stabilizing. Pray for us as we work to help that struggling church survive in this wicked place.

We did have one disappointment. At the Altos do Coxipo Baptist church a very wicked man has opened up a house of prostitution right next door to the church with a big neon sign advertising this ungodly business. To make matters worse we had furnished him the water from the church to build it because he promised it would not be anything like this. It was to be a small apartment complex. His name is Jose Nobre. Please pray for him that the Lord will change his heart and save his precious soul.

This Saturday the 21st I will be preaching in an open air service in one of the main plazas of the Boa Experanca neighborhood. On Sunday night I will return to preach at the Chacara dos Pinheiros church which we started in 1989. It has grown and is doing extremely well. Our hearts are overjoyed to be back in our beloved land of labor. Thank you so much for making our ministry possible.

(From Page Two)

of Cruzeiro do Sul, interviewed teens around town, children who live in homes with alcoholic parents, and a doctor who gave them the medical side of alcoholism. This Sat. night a youth night we will show this report along with testimonies from men in our church who had drinking problems before they were saved, and a look at what the Bible says about drinking. Then there is our ministry team that is creating a Radio program for Children. They have created their own original characters and voices and will tape their first show this weekend. After we have several programs ready we will start putting them on the air locally and hopefully make them available to other areas as well. Our sports ministry team, which consists of 20 teens, is planning a soccer and volleyball league for the children of our church and their unsaved friends ages 10-12. The team will be responsible for coaching, refereeing, organizing and running the league. This league will provide an opportunity for at least 50 children to participate in an organized sport, but best of all, in order to play the children must attend Sunday School each week where they will hear the gospel.

Our last ministry team will meet for the first time this Wed. night. This is an Evangelistic Team that will learn to present the gospel one-on one as well as council other teens, and they will work with the other ministry teams this summer. We will use the other ministries to draw a crowd through theater and music and the Evangelistic Team will then have the opportunity to present the gospel. As I said at the beginning....Sat. is a busy day.

Please continue to pray for this ministry here in Cruzeiro do Sul. We need to get started on our youth center but both time and money are in short supply right now, but God knows our needs and he always meets them. Thank you for your prayers and support.

MISSIONS

(From Page One)

ters are faithful members. He would attend from time to time but never wanted to accept the Lord. His wife and the Church has prayed for his salvation for over 35 years. We praise the Lord for this victory. Also, during these past months I had the privilege of baptizing 17.

At the beginning of last month, classes started again at the Institute and Bible College. I am teaching the book of Genesis, Old Testament Biblical Theology and Sistematic Theology The other classes at the Institute are Missionary, English, Hermeneutics, and Evangelism.

Last month a 30 year old man who had made a profession of faith back in November of 1995, had a massive heart attack and died early on a Saturday morning. He and his wife (also saved) had attended regularly, but had not been baptized because they were still in the process of being legally married. They had a one year old daughter. The body was not only brought to the Church, but also embalmed here, as his family is from another state. I preached the funeral service on Saturday night, and early Sunday morning his body was flown to his home state of Minos Gelais. Pray for his young wife that she may now be baptized and remain faithful. How we are daily reminded: we've only one life that will soon be past; only what's done for Christ will last.

I conclude with a word of appreciation to each Church that monthly contributes to the Asa Bratcher Special Funds. I also want to thank each Church that contributes monthly to

MISSIONS

(From Page Three)

the General Fund. Both of these are so important, because the first provides for special projects such as buildings, helping national Brethren, scholarships, etc. The second keeps us on the field providing for basic needs, plus education expenses for the missionaries children, transportation, (to and from and on the field), housing, etc. If it were not for the Special Funds, the missionary would not be able to do anything on his field of service. Were it not for the General Funds, the missionary would not be able to stay on the field. Just in the last 2 years we know of at least 9 missionary families that have left the Amazon Valley, because of lack of support. Thank you Churches and Brethren; otherwise we would not be able to keep on keeping on here till Jesus comes.

> In His Service, The A. M. Bratchers

WHERE TO SEND OFFERINGS

Make all checks payable to: Baptist Faith Missions and mail all offerings to:

> Glenn Archer P. O. Box 144 • Livermore, KY 42352

DON'T FORGET THE WORK HORSE FUND

This is the General Fund. Out of it comes the missionaries' salaries, expenses, travel, medical, cars, etc. It has not kept pace with rising costs. It needs to increase so that our missionaries might have what they need.

Please consider increasing your offerings.
